

**PROXY STATEMENT OF
LANCADIA HOLDINGS III, INC.****PROSPECTUS FOR****102,630,000 SHARES OF CLASS A COMMON STOCK OF
LANCADIA HOLDINGS III, INC. (WHICH WILL BE RENAMED HILLMAN SOLUTIONS CORP.)**

On January 24, 2021, the board of directors of Landcadia Holdings III, Inc., a Delaware corporation (“Landcadia,” “we,” “us” or “our”), unanimously approved an agreement and plan of merger, dated January 24, 2021, by and among Landcadia, Helios Sun Merger Sub, Inc., a wholly owned subsidiary of Landcadia (“Merger Sub”), HMAN Group Holdings Inc., a Delaware corporation (“Hillman Holdco”) and CCMP Sellers’ Representative, LLC, a Delaware limited liability company in its capacity as the Stockholder Representative thereunder (in such capacity, the “Stockholder Representative”) (as it may be amended and/or restated from time to time, the “Merger Agreement”). If the Merger Agreement is adopted by Landcadia’s stockholders and the transactions thereunder are consummated, Merger Sub will merge with and into Hillman Holdco with Hillman Holdco surviving the merger as a wholly owned subsidiary of Landcadia, which will be renamed “Hillman Solutions Corp.” and is referred to herein as “New Hillman” (the “Business Combination”). Hillman Holdco is a holding company that indirectly holds all of the issued and outstanding capital stock of The Hillman Group, Inc., which, together with its direct and indirect subsidiaries (Hillman Holdco, The Hillman Group, Inc. and its direct and indirect subsidiaries, collectively, “Hillman” and each such entity, a “Hillman Group Entity”), is in the business of providing hardware-related products and related merchandising services to retail markets in North America.

In accordance with the terms and subject to the conditions of the Merger Agreement, Landcadia has agreed to pay aggregate consideration in the form of New Hillman common stock calculated as described herein and equal to a value of approximately (i) \$911,300,000 plus (ii) \$28,280,000, such amount being the value of 2,828,000 shares of Class B common stock of Landcadia, valued at \$10.00 per share, that our sponsors, TJF, LLC (“TJF Sponsor”) and Jefferies Financial Group Inc., (“JFG Sponsor” and, together with TJF Sponsor, the “Sponsors”), have agreed to forfeit at the closing of the Business Combination (the “Closing”). Pursuant to the A&R Letter Agreement, the Sponsors will forfeit a total of 3,828,000 shares of Landcadia Class B common stock (the “Sponsor Forfeited Shares”), with 2,828,000 shares being forfeited by the Sponsors on a basis pro rata with their ownership of Landcadia and 1,000,000 additional shares being forfeited by the TJF Sponsor.

The maximum number of shares of New Hillman common stock expected to be issued is 102,630,000, which amount includes up to 93,958,000 shares of New Hillman common stock that may be issued assuming that all outstanding Hillman Options are exercised prior to Closing. Holders of shares of Hillman Holdco capital stock are expected to hold, in the aggregate, between approximately 48.7% and 52.5% of the issued and outstanding shares of New Hillman common stock immediately following the Closing of the Business Combination.

Landcadia’s units, Class A common stock and public warrants are publicly traded on The Nasdaq Capital Market (“Nasdaq”) under the symbols “LCYAU”, “LCY” and “LCYAW”, respectively. Landcadia intends to apply to list the New Hillman common stock and public warrants on Nasdaq under the symbols “HLMN” and “HLMNW”, respectively, upon the Closing. In connection with the Closing, each of Landcadia’s outstanding units will separate into the underlying shares of Landcadia Class A common stock and public warrants and so New Hillman will not have units traded following Closing of the Business Combination.

Landcadia will hold a special meeting of stockholders (the “Special Meeting”) to consider matters relating to the Business Combination, which will be held at 10:00 a.m., New York City time, on Tuesday, July 13, 2021 in virtual format at <https://www.cstproxy.com/landcadiaholdingsiii/sm2021>. Landcadia cannot complete the Business Combination unless Landcadia’s stockholders consent to the approval of the Merger Agreement and the transactions contemplated thereby. Landcadia is sending you this proxy statement/prospectus to ask you to vote in favor of these and the other matters described in this proxy statement/prospectus.

You are encouraged to read this proxy statement/prospectus carefully. In particular, you should read the “Risk Factors” section beginning on page 50 for a discussion of the risks you should consider in evaluating the Business Combination and how it will affect you.

If you have any questions or need assistance voting your common stock, please contact Morrow Sodali LLC (“Morrow”), our proxy solicitor, by calling (800) 662-5200, or banks and brokers can call collect at (203) 658-9400, or by emailing LCY.info@investor.morrowssodali.com. This notice of special meeting is and the proxy statement/prospectus relating to the Business Combination will be available at <https://www.cstproxy.com/landcadiaholdingsiii/sm2021>.

Neither the Securities and Exchange Commission (the “SEC”) nor any state securities commission has approved or disapproved of the Business Combination or the other transactions contemplated thereby, as described in this proxy statement/prospectus, or passed upon the adequacy or accuracy of the disclosure in this proxy statement/prospectus. Any representation to the contrary is a criminal offense.

This proxy statement/prospectus is dated, June 24, 2021, and is first being mailed to stockholders of Landcadia on or about, June 24, 2021.

NOTICE OF SPECIAL MEETING OF STOCKHOLDERS
TO BE HELD ON JULY 13, 2021

TO THE STOCKHOLDERS OF LANDCADIA HOLDINGS III, INC.:

NOTICE IS HEREBY GIVEN that a special meeting (the “Special Meeting”) of the stockholders of Landcadia Holdings III, Inc., a Delaware corporation (“Landcadia,” “we,” “us” or “our”), will be held at 10:00 a.m., New York City time, on Tuesday, July 13, 2021 in virtual format at <https://www.cstproxy.com/landcadiaholdingsiii/sm2021>. You are cordially invited to attend the Special Meeting, which will be held for the following purposes:

- (a) **Proposal No. 1 — The Business Combination Proposal** — to consider and vote upon a proposal to approve the agreement and plan of merger, dated as of January 24, 2021 (as may be amended and/or restated from time to time, the “Merger Agreement”), by and among Landcadia; Helios Sun Merger Sub, Inc., a Delaware corporation and a wholly-owned subsidiary of Landcadia (“Merger Sub”); HMAN Group Holdings Inc. a Delaware corporation (“Hillman Holdco”); and CCMP Sellers’ Representative, LLC, solely in its capacity as representative of the stockholders of Hillman Holdco (the “Stockholder Representative”), and the transactions contemplated thereby, pursuant to which Merger Sub will merge with and into Hillman Holdco with Hillman Holdco surviving the merger as a wholly owned subsidiary of Landcadia (the transactions contemplated by the Merger Agreement, the “Business Combination” and such proposal, the “Business Combination Proposal”);
 - (b) **Proposal No. 2 — The Charter Proposal** — to consider and vote upon a proposal to approve, assuming the other condition precedent proposals (as defined below) are approved and adopted, the proposed third amended and restated certificate of incorporation of Landcadia (the “Proposed Charter”), which will replace Landcadia’s second amended and restated certificate of incorporation, dated October 8, 2020 (the “Current Charter”) and will be in effect upon the Closing of the Business Combination (we refer to such proposal as the “Charter Proposal”);
 - (c) **Proposal No. 3 — The Advisory Charter Proposals** — to consider and vote upon separate proposals to approve, on a non-binding advisory basis, the following material differences between the Proposed Charter and the Current Charter, which are being presented in accordance with the requirements of the SEC as seven separate sub-proposals (we refer to such proposals as the “Advisory Charter Proposals”):
 - (i) **Advisory Charter Proposal A** — Our Current Charter requires the affirmative vote of holders of at least a majority of the voting power of outstanding shares to adopt, amend, alter or repeal the Current Charter. The Proposed Charter will require the approval by affirmative vote of the holders of at least 66% in voting power of the outstanding common stock of the combined company to amend certain provisions of the Proposed Charter as follows: Article FIFTH, which addresses amending or addressing the number, election, terms and removal of the classified board structure and any directors thereof; Article SIXTH, which addresses requirements relating to the amendment of our Bylaws; Article SEVENTH, Section 7.1, which addresses the requirement that special meetings be called only by the New Hillman Board; Article SEVENTH, Section 7.3, which addresses the requirement that stockholders take action at a meeting rather than by written consent; Article EIGHTH, which addresses the limitation on personal liability for a director’s breach of fiduciary duty and ability to indemnify, and advance expenses to, any person made or threatened to be made a party to any action, suit or proceeding, whether civil, criminal, administrative or investigative by reason of the fact that the person is or was a director, officer, employee or agent of the Company or any predecessor of the combined company or is or was serving at the request of the combined company as a director, officer, employee or agent of another corporation, partnership, joint venture, trust or other enterprise; Article NINTH, which addresses the specification that certain transactions are not “corporate opportunities”; Article TENTH, which addresses the election not to be governed by DGCL Section 203 and inclusion of a provision
-

substantially similar to DGCL 203; and Article ELEVENTH, which addresses requirements to amend, alter, change or repeal certain provisions of the Proposed Charter.

- (ii) **Advisory Charter Proposal B**— Our Current Charter requires the affirmative vote of holders of at least a majority of the voting power of outstanding shares for stockholders to adopt, amend, alter or repeal the bylaws of New Hillman. The Proposed Charter would require the approval by the affirmative vote of the holders of at least 66% in voting power of the then outstanding shares of common stock of New Hillman for stockholders to adopt, amend, alter or repeal the bylaws of New Hillman.
 - (iii) **Advisory Charter Proposal C**— Our Current Charter requires the affirmative vote of holders of at least a majority of the voting power of outstanding shares to remove a director from office. The Proposed Charter would require the approval by the affirmative vote of the holders of at least 66% in voting power of the then outstanding shares of common stock of New Hillman to remove a director from office.
 - (iv) **Advisory Charter Proposal D**— Under the Current Charter, Landcadia is subject to Section 203 of the DGCL. The additional amendment would cause the combined company to not be governed by Section 203 of the DGCL and, instead, include a provision in the Proposed Charter that is substantially similar to Section 203 of the DGCL, but excludes from the definition of “interested stockholder” (A) the investment funds affiliated with CCMP Capital Advisors, LP and their respective successors, Transferees and Affiliates (each as defined in the Proposed Charter) (the “Sponsor Holders”) because such stockholders currently hold voting power of Hillman Holdco in excess of, and immediately following the Business Combination these parties will hold voting power of the combined company in excess of, the 15% threshold under Section 203, and (B) any person whose ownership of shares in excess of the 15% threshold is the result of any action taken solely by the combined company. Upon consummation of the Business Combination, the Sponsor Holders will become “interested stockholders” within the meaning of Section 203 of the DGCL, but will not be subject to the restrictions on business combinations set forth in Section 203, as our Board approved the Business Combination in which such stockholders became interested stockholders prior to such time they became interested stockholders.
 - (v) **Advisory Charter Proposal E**— Our Current Charter authorizes the issuance of 380,000,000 shares of Landcadia Class A common stock, 20,000,000 shares of Landcadia Class B common stock and 1,000,000 shares of preferred stock. The Proposed Charter would increase the total number of authorized shares of common stock to 500,000,000 and 1,000,000 shares of preferred stock. As part of the transactions contemplated by the Merger Agreement and in accordance with the Current Charter, all Landcadia Class B common stock will be automatically converted on a one-for-one basis into shares of Landcadia Class A common stock, and all shares of Landcadia Class A common stock will be renamed as “common stock” for all purposes under the Proposed Charter.
 - (vi) **Advisory Charter Proposal F**— The Proposed Charter provides that New Hillman will renounce any interest or expectancy in, or in being offered an opportunity to participate in, any business opportunities that are from time to time available to CCMP Capital Advisors, LP, the investment funds affiliated with CCMP Capital Advisors, LP or their respective successors, Transferees, and Affiliates (each as defined in the Proposed Charter) (other than New Hillman and its subsidiaries) or any of their respective partners, principals, directors, officers, members, managers, equity holders and/or employees, including any who serve as officers or directors of New Hillman.
 - (vii) **Advisory Charter Proposal G**— The Current Charter permits only holders of Class B common stock to take action by written consent in lieu of taking action at a meeting of stockholders. The Proposed Charter instead prohibits stockholder action by written consent by specifying that any action required or permitted to be taken by stockholders must be effected by a duly called annual or special meeting and may not be effected by written consent.
-

- (d) **Proposal No. 4 — The Stock Issuance Proposal** — to consider and vote upon a proposal to approve, assuming the other condition precedent proposals (as defined below) are approved and adopted, for the purposes of complying with the applicable listing rules of Nasdaq, the issuance of (x) shares of New Hillman common stock pursuant to the terms of the Merger Agreement and (y) shares of Landcadia Class A common stock to certain institutional investors including JFG Sponsor (collectively, the “PIPE Investors”) in connection with the Private Placement (we refer to this proposal as the “Stock Issuance Proposal”);
- (e) **Proposal No. 5 — The Incentive Plan Proposal** — to consider and vote upon a proposal to approve, assuming the other condition precedent proposals (as defined below) are approved and adopted, the Hillman Solutions Corp. 2021 Equity Incentive Plan (the “Incentive Equity Plan”), a copy of which is attached to this proxy statement/prospectus as Annex F, including the authorization of the initial share reserve under the Incentive Equity Plan (the “Incentive Plan Proposal”);
- (f) **Proposal No. 6 — The ESPP Proposal** — to consider and vote upon a proposal to approve, assuming the condition precedent proposals (as defined below) are approved and adopted, the Hillman Solutions Corp. 2021 Employee Stock Purchase Plan (the “ESPP”), a copy of which is attached to this proxy statement/prospectus as Annex G, including the authorization of the initial share reserve under the ESPP (the “ESPP Proposal”);
- (g) **Proposal No. 7 — The Director Election Proposal** — to consider and vote upon a proposal to elect, assuming the other condition precedent proposals (as defined below) are approved and adopted, ten directors, comprising three directors to serve as Class I directors, three directors to serve as Class II directors and four directors to serve as Class III directors, in each case to serve on New Hillman’s board of directors for a term expiring at the annual meeting of stockholders to be held in, respectively, 2022 in the case of Class I directors, 2023 in the case of Class II directors and 2024 in the case of Class III directors, or until such director’s successor has been duly elected and qualified, or until such director’s earlier death, resignation, retirement or removal (the “Director Election Proposal”);
- (h) **Proposal No. 8 — The Adjournment Proposal** — to consider and vote upon a proposal to approve the adjournment of the Special Meeting to a later date or dates, if necessary, to permit further solicitation and vote of proxies if, based upon the tabulated vote at the time of the Special Meeting, any of the Business Combination Proposal, the Charter Proposal, the Stock Issuance Proposal, the Incentive Plan Proposal and the Director Election Proposal (together the “condition precedent proposals”) would not be duly approved and adopted by our stockholders or we determine that one or more of the Closing conditions under the Merger Agreement is not satisfied or waived (we refer to this proposal as the “Adjournment Proposal”).

Only holders of record of shares of Landcadia’s Class A common stock and Class B common stock (collectively, “Landcadia Shares”) at the close of business on June 16, 2021 are entitled to notice of and to vote and have their votes counted at the Special Meeting and any further adjournments or postponements of the Special Meeting.

We will provide you with the proxy statement/prospectus and a proxy card in connection with the solicitation of proxies to be voted at the Special Meeting and at any adjournment of the Special Meeting. Whether or not you plan to attend the Special Meeting, we urge you to read, when available, the proxy statement/prospectus (and any documents incorporated into the proxy statement/prospectus by reference) carefully. Please pay particular attention to the section entitled “*Risk Factors*.”

After careful consideration, Landcadia’s Board has determined that each of the Business Combination Proposal, the Charter Proposal, the Advisory Charter Proposals, the Stock Issuance Proposal, the Incentive Plan Proposal, the ESPP Proposal and the Adjournment Proposal are in the best interests of Landcadia and its stockholders and unanimously recommends that you vote or give instruction to vote “**FOR**” each of those proposals and “**FOR**” each of the director nominees.

The existence of financial and personal interests of Landcadia’s directors and officers may result in a conflict of interest on the part of one or more of the directors between what they may believe is in the best interests of Landcadia and its stockholders and what they may believe is best for himself or themselves in

determining to recommend that stockholders vote for the proposals. See the section entitled *“The Business Combination Proposal — Interests of Landcadia’s Directors and Officers in the Business Combination”* in the proxy statement/prospectus for a further discussion.

Under the Merger Agreement, the approval of the condition precedent proposals presented at the Special Meeting is a condition to the consummation of the Business Combination. The adoption of each condition precedent proposal is conditioned on the approval of all of the other condition precedent proposals. If our stockholders do not approve each of the condition precedent proposals, the Business Combination may not be consummated. The ESPP Proposal is conditioned upon the approval of the condition precedent proposals. The Adjournment Proposal and the Advisory Charter Proposals are not conditioned on the approval of any other proposal.

In connection with the signing of the Merger Agreement, our Sponsors and our officers and directors entered into an amended and restated letter agreement, pursuant to which they agreed to vote their shares of Landcadia Class B common stock purchased prior to our initial public offering (the “founder shares”), as well as any shares of Landcadia Class A common stock sold as part of the units by us in our initial public offering (the “public shares”) purchased by them during or after our initial public offering, in favor of the Business Combination Proposal, and to vote their shares in favor of all other proposals being presented at the Special Meeting. As of the date hereof, our Sponsors own approximately 22.4% of our total outstanding common stock.

Pursuant to the Current Charter, a holder of public shares (a “public stockholder”) may request that Landcadia redeem all or a portion of its public shares for cash if the Business Combination is consummated. As a public stockholder, and assuming the Business Combination is consummated, you will be entitled to receive cash for any public shares to be redeemed only if you:

- (i) (a) hold public shares or (b) hold public shares through units and you elect to separate your units into the underlying public shares and public warrants prior to exercising your redemption rights with respect to the public shares; and
- (ii) prior to 5:00 p.m., New York City time, on July 9, 2021, (a) submit a written request, including the legal name, phone number and address of the beneficial owner of the shares for which redemption is requested, to Continental Stock Transfer & Trust Company, Landcadia’s transfer agent (the “transfer agent” or “Continental”), that Landcadia redeem your public shares for cash and (b) deliver your public shares to the transfer agent, physically or electronically through Depository Trust Company (“DTC”).

Holders of units must elect to separate the underlying public shares and public warrants prior to exercising redemption rights with respect to the public shares. If holders hold their units in an account at a brokerage firm or bank, holders must notify their broker or bank that they elect to separate the units into the underlying public shares and public warrants, or if a holder holds units registered in its own name, the holder must contact the transfer agent, directly and instruct it to do so. Public stockholders may elect to redeem all or a portion of their public shares even if they vote for the Business Combination Proposal. If the Business Combination is not consummated, the public shares will not be redeemed for cash. If the Business Combination is consummated and a public stockholder properly exercises its right to redeem its public shares and timely delivers its shares to the transfer agent, we will redeem each public share for a per-share price, payable in cash, equal to the aggregate amount then on deposit in the Trust Account established in connection with our initial public offering (the “Trust Account”), calculated as of two business days prior to the consummation of the Business Combination, including interest earned on the funds held in the Trust Account and not previously released to us to pay our taxes, divided by the number of then issued and outstanding public shares. For illustrative purposes, as of March 31, 2021, this would have amounted to approximately \$10.00 per public share. If a public stockholder exercises its redemption rights, then it will be exchanging its redeemed public shares for cash and will no longer own such shares. Any request to redeem public shares, once made, may be withdrawn at any time until the deadline for submitting redemption requests and thereafter, with our consent, until the Closing (as defined below). If a holder of a public share delivers its shares in connection with an election to redeem and subsequently decides prior to the deadline for submitting redemption requests not to elect to exercise such rights, it may simply request that Landcadia instruct the transfer agent to return the shares (physically or electronically). The holder can make such

request by contacting the transfer agent, at the address or email address listed in this proxy statement/prospectus. See “*The Special Meeting — Redemption Rights*” in the proxy statement/prospectus for a detailed description of the procedures to be followed if you wish to redeem your public shares for cash.

Notwithstanding the foregoing, a holder of public shares, together with any affiliate of such public stockholder or any other person with whom such public stockholder is acting in concert or as a “group” (as defined in Section 13(d)(3) of the Securities Exchange Act of 1934, as amended (the “Exchange Act”)), will be restricted from redeeming its public shares with respect to more than an aggregate of 15% of the public shares. Accordingly, if a public stockholder, alone or acting in concert or as a group, seeks to redeem more than 15% of the public shares, then any such shares in excess of that 15% limit would not be redeemed for cash.

Furthermore, in connection with the execution of the Merger Agreement, Landcadia entered into subscription agreements (the “Subscription Agreements”) with the PIPE Investors, pursuant to which the PIPE Investors have agreed to purchase, immediately prior to the Closing, an aggregate of 37,500,000 shares of Landcadia Class A common stock, including 2,500,000 shares of Landcadia Class A common stock to be purchased by JFG Sponsor, at a purchase price of \$10.00 per share.

All Landcadia Stockholders are cordially invited to attend the Special Meeting which will be held in virtual format. You will not be able to physically attend the Special Meeting. To ensure your representation at the Special Meeting, however, you are urged to complete, sign, date and return the proxy card accompanying the proxy statement/prospectus as soon as possible. If you are a stockholder of record holding Landcadia Shares, you may also cast your vote at the Special Meeting electronically by visiting <https://www.cstproxy.com/landcadiaholdingsiii/sm2021>. If your shares are held in an account at a brokerage firm or bank, you must instruct your broker or bank on how to vote your shares or, if you wish to attend the Special Meeting and vote electronically, obtain a proxy from your broker or bank. The Charter Proposal requires the affirmative vote of the holders of at least a majority of the outstanding shares of Landcadia Shares, voting as a single class. Accordingly, if you do not vote or do not instruct your broker or bank how to vote, it will have the same effect as a vote “**AGAINST**” the Charter Proposal. Because approval of the other proposals only require a majority of the votes cast, assuming a quorum is established at the Special Meeting, if you do not vote or do not instruct your broker or bank how to vote, it will have no effect on these other proposals because such action would not count as a vote cast at the Special Meeting.

Your vote is important regardless of the number of shares you own. Whether you plan to attend the Special Meeting or not, please sign, date and return the proxy card accompanying the proxy statement/ prospectus as soon as possible in the envelope provided. If your shares are held in “street name” or are in a margin or similar account, you should contact your broker to ensure that votes related to the shares you beneficially own are properly counted.

If you have any questions or need assistance voting your common stock, please contact Morrow Sodali LLC (“Morrow”), our proxy solicitor, by calling (800) 662-5200, or banks and brokers can call collect at (203) 658-9400, or by emailing LCY.info@investor.morrowsodali.com. This notice of special meeting is and the proxy statement/prospectus relating to the Business Combination will be available at <https://www.cstproxy.com/landcadiaholdingsiii/sm2021>.

Thank you for your participation. We look forward to your continued support.

By Order of the Board of Directors,

/s/ Tilman J. Fertitta

Executive Officer*

**QUESTIONS AND ANSWERS ABOUT THE BUSINESS COMBINATION
AND THE SPECIAL MEETING**

The following are answers to certain questions that you may have regarding the Business Combination and the Special Meeting. Landcadia urges you to read carefully the remainder of this document because the information in this section may not provide all the information that might be important to you in determining how to vote. Additional important information is also contained in the appendices to, and the documents incorporated by reference in, this proxy statement/prospectus.

Q: Why am I receiving this proxy statement/prospectus?

A: Landcadia is proposing to consummate the Business Combination with Hillman Holdco. Landcadia, Merger Sub, Hillman Holdco and the Stockholder Representative, solely in its capacity as the representative of the Hillman Holdco stockholders, have entered into the Merger Agreement, the terms of which are described in this proxy statement/prospectus. A copy of the Merger Agreement is attached hereto as Annex A. Landcadia urges its stockholders to read the Merger Agreement in its entirety.

The Merger Agreement must be adopted by the Landcadia Stockholders in accordance with the General Corporation Law of the State of Delaware (the “DGCL”) and Landcadia’s Current Charter. Landcadia is holding a Special Meeting to obtain that approval. Landcadia Stockholders will also be asked to vote on certain other matters described in this proxy statement/prospectus at the Special Meeting and to approve the adjournment of the Special Meeting, if necessary or appropriate, to solicit additional proxies in the event there are not sufficient votes at the time of the Special Meeting to adopt the Merger Agreement and thereby approve the Business Combination.

THE VOTE OF LANDCADIA STOCKHOLDERS IS IMPORTANT. LANDCADIA STOCKHOLDERS ARE URGED TO SUBMIT THEIR PROXIES AS SOON AS POSSIBLE AFTER CAREFULLY REVIEWING THIS PROXY STATEMENT/PROSPECTUS AND CAREFULLY CONSIDERING EACH OF THE PROPOSALS BEING PRESENTED AT THE MEETING.

Q: Why is Landcadia proposing the Business Combination?

A: Landcadia was formed for the purpose of effecting a merger, capital stock exchange, asset acquisition, stock purchase, reorganization or other similar business combination with one or more operating businesses.

Hillman is a leading North American provider of complete hardware solutions, delivered with industry best customer service to over 40,000 locations. Hillman designs innovative product and merchandising solutions for complex categories that deliver an outstanding customer experience to home improvement centers, mass merchants, national and regional hardware stores, pet supply stores, and OEM & Industrial customers.

Based on its due diligence investigations of Hillman and the industries in which it operates, including the financial and other information provided by Hillman Holdco in the course of Landcadia’s due diligence investigations, the Landcadia Board believes that the Business Combination with Hillman Holdco is in the best interests of Landcadia and its stockholders and presents an opportunity to increase stockholder value. However, there can be no assurances of this.

Although Landcadia’s Board believes that the Business Combination with Hillman Holdco presents a unique business combination opportunity and is in the best interests of Landcadia and its stockholders, the board of directors did consider certain potentially material negative factors in arriving at that conclusion. See “*The Business Combination Proposal — Landcadia’s Board of Directors’ Reasons for Approval of the Business Combination*” for a discussion of the factors considered by Landcadia’s Board in making its decision.

Q: When and where will the Special Meeting take place?

A: The Landcadia Special Meeting will be held on July 13, 2021, at 10:00 a.m. New York City time, in virtual format at <https://www.cstproxy.com/landcadiaholdingsiii/sm2021>.

In light of ongoing developments related to COVID-19, and the related protocols that governments have implemented, the Landcadia Board determined that the Special Meeting will be a virtual meeting conducted exclusively via live webcast. The Landcadia Board believes that this is the right choice for Landcadia and its stockholders at this time, as it permits stockholders to attend and participate in the Special Meeting while safeguarding the health and safety of Landcadia's stockholders, directors and management team. You will be able to attend the Special Meeting online, vote, view the list of stockholders entitled to vote at the Special Meeting and submit your questions during the Special Meeting by visiting <https://www.cstproxy.com/landcadiaholdingsiii/sm2021>. To participate in the virtual meeting, you will need a 12-digit control number assigned by Continental Stock Transfer & Trust Company. The meeting webcast will begin promptly at 10:00 a.m., New York City time. We encourage you to access the meeting prior to the start time and you should allow ample time for the check-in procedures. Because the Special Meeting will be a completely virtual meeting, there will be no physical location for stockholders to attend.

Q: What matters will be considered at the Special Meeting?

A: The Landcadia Stockholders will be asked to consider and vote on the following proposals:

- a proposal to adopt the Merger Agreement and approve the Business Combination (the "Business Combination Proposal");
- a proposal to approve, assuming the other condition precedent proposals are approved and adopted, the proposed amended and restated articles of incorporation (the "Proposed Charter") of Landcadia (the "Charter Proposal");
- a proposal to approve, on a non-binding advisory basis and as required by applicable SEC guidance, certain material differences between the Current Charter and the Proposed Charter (the "Advisory Charter Proposals");
- to consider and vote upon a proposal to approve, assuming the other condition precedent proposals are approved and adopted, for the purposes of complying with the applicable listing rules of Nasdaq, (x) the issuance of shares of New Hillman common stock pursuant to the terms of the Merger Agreement and (y) the issuance of shares of Landcadia Class A common stock in connection with the Private Placement (the "Stock Issuance Proposal");
- to consider and vote upon a proposal to approve, assuming the other condition precedent proposals are approved and adopted, the Hillman Solutions Corp. 2021 Equity Incentive Plan (the "Incentive Plan Proposal");
- to consider and vote upon a proposal to approve, assuming the other condition precedent proposals are approved and adopted, the Hillman Solutions Corp. 2021 Employee Stock Purchase Plan (the "ESPP Proposal");
- to consider and vote upon a proposal to elect, assuming the other condition precedent proposals are approved and adopted, ten directors, comprising three directors to serve as Class I directors, three directors to serve as Class II directors and four directors to serve as Class III directors, in each case to serve on New Hillman's board of directors for a term expiring at the annual meeting of stockholders to be held in, respectively, 2022 in the case of Class I directors, 2023 in the case of Class II directors and 2024 in the case of Class III directors, or until such director's successor has been duly elected and qualified, or until such director's earlier death, resignation, retirement or removal (the "Director Election Proposal"); and
- to consider and vote upon a proposal to approve the adjournment of the Special Meeting to a later date or dates, if necessary, to permit further solicitation and vote of proxies if, based upon the tabulated vote at the time of the Special Meeting, any of the condition precedent proposals would not be duly

approved and adopted by our stockholders or we determine that one or more of the closing conditions under the Merger Agreement is not satisfied or waived (the “Adjournment Proposal”).

Q: Is my vote important?

A: Yes. The Business Combination cannot be completed unless the Merger Agreement is adopted by the Landcadia Stockholders holding a majority of the votes cast on such proposal and the other condition precedent proposals achieve the necessary vote outlined below. Only Landcadia Stockholders as of the close of business on June 16, 2021, the record date for the Special Meeting, are entitled to vote at the Special Meeting. The Landcadia Board unanimously recommends that such Landcadia Stockholders vote “**FOR**” the approval of the Business Combination Proposal, “**FOR**” the approval of the Charter Proposal, “**FOR**” the approval, on an advisory basis, of the Advisory Charter Proposals, “**FOR**” the approval of the Stock Issuance Proposal, “**FOR**” the approval of the Incentive Plan Proposal, “**FOR**” the approval of the ESPP Proposal, “**FOR**” the election of each of the director nominees to the board of directors and “**FOR**” the approval of the Adjournment Proposal.

Q: If my shares are held in “street name” by my bank, brokerage firm or other nominee, will my bank, brokerage firm or other nominee automatically vote those shares for me?

A: No. A “broker non-vote” occurs when a broker submits a proxy that states that the broker does not vote for some or all of the proposals because the broker has not received instructions from the beneficial owners on how to vote on the proposals and does not have discretionary authority to vote in the absence of instructions. Under the relevant rules, brokers are not permitted to vote on any of the matters to be considered at the Special Meeting. As a result, your public shares will not be voted on any matter unless you affirmatively instruct your broker, bank or nominee how to vote your shares in one of the ways indicated by your broker, bank or other nominee. You should instruct your broker to vote your shares in accordance with directions you provide.

Q: What Landcadia Stockholder vote is required for the approval of each proposal brought before the Special Meeting? What will happen if I fail to vote or abstain from voting on each proposal?

A: **The Business Combination Proposal.** Approval of the Business Combination Proposal requires the affirmative vote of a majority of the votes cast by Landcadia Stockholders present in person (which would include presence at the virtual Special Meeting) or represented by proxy at the Special Meeting and entitled to vote thereon. The failure to vote, abstentions and broker non-votes will have no effect on the outcome of the proposal. Our Sponsors have agreed to vote their shares in favor of the Business Combination. Our Sponsors currently hold 22.4% of the outstanding Landcadia Shares. Accordingly, if all of our outstanding shares were to be voted, we would only need the additional affirmative vote of shares representing approximately 27.6% of the outstanding shares in order to approve the Business Combination. Because the Business Combination only requires a majority of the votes cast at the Special Meeting in order to be approved and because a quorum will exist at the Special Meeting if a majority of the outstanding Landcadia Shares as of the record date are present, the Business Combination could be approved by the additional affirmative vote of shares representing as little as 2.6% of the outstanding shares.

The Charter Proposal. Approval of the Charter Proposal requires the affirmative vote of the holders of at least a majority of the outstanding Landcadia Shares entitled to vote thereon, voting as a single class. The failure to vote, abstentions and broker non-votes have the same effect as a vote “**AGAINST**” the proposal.

The Advisory Charter Proposals. Approval of each of the Advisory Charter Proposals, each of which is a non-binding vote, requires the affirmative vote of a majority of the votes cast by Landcadia Stockholders present in person (which would include presence at the virtual Special Meeting) or represented by proxy at the Special Meeting and entitled to vote thereon. The failure to vote, abstentions and broker non-votes have no effect on the outcome of the proposal.

The Stock Issuance Proposal. Approval of the Stock Issuance Proposal requires the affirmative vote of a majority of the votes cast by Landcadia Stockholders present in person (which would include

presence at the virtual Special Meeting) or represented by proxy at the Special Meeting and entitled to vote thereon. The failure to vote, abstentions and broker non-votes have no effect on the outcome of the proposal.

The Incentive Plan Proposal. Approval of the Incentive Plan Proposal requires the affirmative vote of a majority of the votes cast by Landcadia Stockholders present in person (which would include presence at the virtual Special Meeting) or represented by proxy at the Special Meeting and entitled to vote thereon. The failure to vote, abstentions and broker non-votes have no effect on the outcome of the proposal.

The ESPP Proposal. Approval of the ESPP Proposal requires the affirmative vote of a majority of the votes cast by Landcadia Stockholders present in person (which would include presence at the virtual Special Meeting) or represented by a proxy at the Special Meeting and entitled to vote thereon. The failure to vote and broker non-votes have no effect on the outcome of the proposal.

The Director Election Proposal. The election of directors is decided by a plurality of the votes cast by the stockholders present in person (which would include presence at the virtual special meeting) or represented by proxy at the special meeting and entitled to vote on the election of directors. This means that each of the director nominees will be elected if they receive more affirmative votes than any other nominee for the same position. Stockholders may not cumulate their votes with respect to the election of directors. The failure to vote, abstentions and broker non-votes have no effect on the outcome of the proposal.

The Adjournment Proposal. Approval of the Adjournment Proposal requires the affirmative vote of a majority of the votes cast by Landcadia Stockholders present in person (which would include presence at the virtual Special Meeting) or represented by proxy at the Special Meeting and entitled to vote thereon. The failure to vote, abstentions and broker non-votes have no effect on the outcome of the proposal.

The common stock of New Hillman that is required to be issued as merger consideration will be valued at \$10.00 per share.

At the effective time, each outstanding Hillman Holdco Option, whether vested or unvested, will be assumed by New Hillman and will be converted into a New Hillman Option with substantially the same terms and conditions as applicable to the Hillman Holdco Option immediately prior to the effective time (including expiration date, vesting conditions and exercise provisions), except that (i) each such Hillman Holdco Option shall be exercisable for that number of shares of New Hillman common stock equal to the product (rounded down to the nearest whole number) of (A) the number of shares of Hillman Holdco common stock subject to such Hillman Holdco Assumed Option immediately prior the effective time multiplied by (B) the Closing Stock Per Option Amount, (ii) the per share exercise price for each share of New Hillman common stock issuable upon exercise of the New Hillman Option

shall be equal to the quotient (rounded up to the nearest whole cent) obtained by dividing (A) the exercise price per share of Hillman Holdco subject to such Hillman Holdco Option immediately prior to the effective time by (B) the Closing Stock Per Option Amount; (iii) the Hillman Holdco Board (or the compensation committee of the Hillman Holdco Board) may appropriately adjust the performance conditions applicable to certain of the New Hillman Options; and (iv) the Hillman Holdco Board (or the compensation committee of the Hillman Holdco Board) may make such other immaterial administrative or ministerial changes to the New Hillman Options as it may determine in good faith are appropriate to effectuate the administration of the New Hillman Options and to ensure consistency with the administrative and ministerial provisions of the New Hillman Incentive Equity Plan.

At the effective time, each share of unvested restricted Hillman Holdco common stock will be cancelled and converted into the right to receive a number of shares of New Hillman Restricted Stock equal to the Closing Stock Per Restricted Share Amount with substantially the same terms and conditions as were applicable to the related share of Hillman Holdco Restricted Stock immediately prior to the effective time (including with respect to vesting and termination-related provisions), except that (i) any per-share repurchase price of such New Hillman Restricted Stock shall be equal to the quotient obtained by dividing (A) the per-share repurchase price applicable to the Hillman Holdco Restricted Stock, by (B) the Closing Stock Restricted Share Amount, rounded up to the nearest cent and (ii) the Hillman Holdco Board (or the compensation committee of the Hillman Holdco Board) may make such other immaterial administrative or ministerial changes to the New Hillman Restricted Stock as it may determine in good faith are appropriate to effectuate the administration of the New Hillman Restricted Stock and to ensure consistency with the administrative and ministerial provisions of the New Hillman Incentive Equity Plan.

At the effective time, each Hillman Holdco restricted stock unit will be assumed by New Hillman and converted into a New Hillman RSU with substantially the same terms and conditions as were applicable to such Hillman Holdco RSU immediately prior to the effective time (including with respect to vesting and termination-related provisions), except that (i) each New Hillman RSU shall represent the right to receive (subject to vesting) that number of shares of New Hillman common stock equal to the product (rounded up to the nearest whole number) of the number of shares of Hillman Holdco Common Stock underlying the Hillman Holdco RSU immediately prior to the effective time multiplied by the Hillman Holdco RSU Exchange Ratio; and (ii) the Hillman Holdco Board (or the compensation committee of the Hillman Holdco Board) may make such other immaterial administrative or ministerial changes to the New Hillman RSUs as it may determine in good faith are appropriate to effectuate the administration of the New Hillman RSUs and to ensure consistency with the administrative and ministerial provisions of the New Hillman Incentive Equity Plan.

In addition, pursuant to the A&R Letter Agreement, Landcadia's Sponsors will, at the Closing of the Business Combination, forfeit a total of 3,828,000 of their shares of Landcadia Class B common stock with 2,828,000 shares being forfeited by the Sponsors on a basis pro rata with their ownership of Landcadia and 1,000,000 additional shares being forfeited by the TJF Sponsor.

Q: What equity stake will current Landcadia Stockholders and Hillman Holdco stockholders hold in New Hillman immediately after the consummation of the Business Combination?

A: It is anticipated that, upon completion of the Business Combination, the ownership interests in New Hillman will be as set forth in the table below.

The ownership interests in New Hillman after the Business Combination, assuming none of our public shares are redeemed, has been determined based on the capitalization of each of Landcadia and Hillman Holdco as of January 24, 2021, assuming consummation of the Business Combination, which results in an assumed number of 91,304,425 shares of New Hillman common stock being issued pursuant to the Merger Agreement and an assumed aggregate number of 187,476,425 shares of New Hillman common stock issued and outstanding at the Closing.

The ownership interests in New Hillman after the Business Combination, assuming that the maximum number of 13,700,000 public shares are redeemed (with the number of redemptions being determined by assuming that the redemption price is \$10.00 per share and that the maximum number of redemptions

which may occur is that number that still enables the minimum cash and net debt conditions to closing under the Merger Agreement to be satisfied), assuming the closing had occurred on March 27, 2021, has been determined based on the capitalization of each of Landcadia and Hillman Holdco as of January 24, 2021, assuming consummation of the Business Combination, which results in an assumed number of 91,304,425 shares of New Hillman common stock being issued pursuant to the Merger Agreement and an assumed aggregate number of 173,776,425 shares of New Hillman common stock issued and outstanding following the Closing.

	Assuming No Redemptions of Public Shares	Assuming Maximum Redemptions of Public Shares ⁽¹⁾
Hillman Holdco stockholders	48.7%	52.5%
Landcadia Stockholders ⁽²⁾	26.7%	20.9%
PIPE Investors ⁽³⁾	18.7%	20.2%

- (1) Assumes that holders of 13,700,000 public shares exercise their redemption rights in connection with the Business Combination at a redemption price of \$10.00 per share.
- (2) Includes 1,500,000 public shares held by Jefferies LLC, a subsidiary of JFG Sponsor.
- (3) Excludes 2,500,000 shares purchased by JFG Sponsor in the Private Placement.
- (4) Includes 2,500,000 shares purchased by JFG Sponsor in the Private Placement and excludes 1,500,000 public shares held by Jefferies LLC.

The share numbers set forth above do not take into account (a) public warrants and private placement warrants that will remain outstanding immediately following the Business Combination and may be exercised thereafter (commencing the later of 30 days after the Closing of the Business Combination and 12 months from the closing of our initial public offering, which occurred on October 14, 2020), (b) the issuance of any shares underlying options or other equity awards of Hillman Holdco prior to the Business Combination or (c) the issuance of any shares underlying New Hillman options or other equity awards that will be held by equity holders of Hillman Holdco following completion of the Business Combination.

In addition, there are currently outstanding an aggregate of 24,666,667 warrants to acquire shares of Landcadia Class A common stock, which comprise 8,000,000 private placement warrants held by our Sponsors and 16,666,667 public warrants. Each of our outstanding whole warrants is exercisable commencing the later of 30 days following the Closing and 12 months from the closing of our initial public offering, which occurred on October 14, 2020, for one share of Class A common stock and, following the consummation of the Business Combination, will entitle the holder thereof to purchase one share of New Hillman common stock in accordance with its terms. Therefore, as of the date of this proxy statement/prospectus, if we assume that each outstanding whole warrant is exercised and one share of New Hillman common stock is issued as a result of such exercise, with payment to New Hillman of the exercise price of \$11.50 per whole warrant for one whole share, our fully-diluted share capital would increase by a total of 24,666,667 shares, with approximately \$283,666,670.50 paid to exercise the warrants.

If the actual facts are different than the assumptions set forth above, including as to the amount of Hillman's cash and net debt, the maximum number of redemptions and the share numbers and ownership percentages set forth above will be different.

Q: What will the Sponsors receive in connection with the Business Combination?

When considering the Landcadia Board's recommendation that its stockholders vote in favor of the approval of the Business Combination, Landcadia Stockholders should be aware that directors and officers of Landcadia have interests in the Business Combination that may be different from, or in addition to, the interests of Landcadia Stockholders. These interests include:

- Our Sponsors will lose their entire investment in us if we do not complete a business combination by October 14, 2022. If we are unable to complete our initial business combination by October 14, 2022, we will: (i) cease all operations except for the purpose of winding up, (ii) as promptly as reasonably possible but not more than 10 business days thereafter, redeem the public shares and (iii) as promptly as reasonably possible following such redemption, subject to the approval of our remaining stockholders and Landcadia's Board, liquidate and dissolve, subject in each case to our obligations under the DGCL to provide for claims of creditors and the requirements of other applicable law. There will be no redemption rights or liquidating distributions with respect to our warrants, which will expire worthless if we fail to complete our initial business combination by October 14, 2022.

Such shares have an aggregate market value of approximately \$46,764,968.25 based upon the closing per share price of \$11.69 on Nasdaq on June 10, 2021.

- Our Sponsors and our officers and directors have agreed to waive their rights to liquidating distributions from the Trust Account with respect to their founder shares if Landcadia fails to complete a business combination by October 14, 2022.
- In order to protect the amounts held in the Trust Account, the Sponsors have agreed that they will be liable to us if and to the extent any claims by a vendor for services rendered or products sold to us, or a prospective target business with which we have entered into a transaction agreement, reduce the amount of funds in the Trust Account. This liability will not apply with respect to any claims by a third party who executed a waiver of any right, title, interest or claim of any kind in or to any monies held in the Trust Account or to any claims under our indemnity of the underwriters of our IPO against certain liabilities, including liabilities under the Securities Act.
- In connection with the Closing, our Sponsors would be entitled to the repayment of any working capital loan and advances that have been made to Landcadia and remain outstanding. As of the date of this proxy statement/prospectus, our Sponsors have not made any advances to us for working capital expenses. If we do not complete an initial business combination within the required period, we may use a portion of our working capital held outside the Trust Account to repay the working capital loans, but no proceeds held in the Trust Account would be used to repay the working capital loans.
- Following the consummation of the Business Combination, we will continue to indemnify our existing directors and officers and will maintain a directors' and officers' liability insurance policy.
- Upon the Closing, subject to the terms and conditions of the Merger Agreement, our Sponsors, our officers and directors and their respective affiliates may be entitled to reimbursement for any

reasonable out-of-pocket expenses related to identifying, investigating and consummating an initial business combination, and repayment of any other loans, if any, and on such terms as to be determined by Landcadia from time to time, made by our Sponsors or certain of our officers and directors to finance transaction costs in connection with an intended initial business combination. Such reimbursable out-of-pocket expenses, if any, are not expected to be material.

- Richard Handler, our Co-Chairman and President, is also the Chief Executive Officer and director of JFG Sponsor and chairman of the board of directors, Chief Executive Officer and President of JFG Sponsor's largest subsidiary, Jefferies Group LLC ("Jefferies Group") and its largest subsidiary, Jefferies LLC ("Jefferies"), which, along with its affiliates, own approximately 12% of the outstanding common stock of the Company. Jefferies will be entitled to receive deferred underwriting commission, placement agent fees and capital markets advisory fees from Landcadia upon completion of the Business Combination. In addition, upon completion of the Business Combination, Jefferies will receive M&A advisory fees and financing fees from Hillman. Jefferies Finance LLC ("Jefferies Finance"), an indirect subsidiary of JFG Sponsor, serves as administrative agent and collateral agent on Hillman Holdco's existing senior credit facilities that are expected to be refinanced in connection with the Closing and is expected to be joint lead arranger, joint lead bookrunner and one of the lenders, and sole administrative agent and sole collateral agent, in New Hillman's first lien term loan facility that is being entered into in connection with the Closing, and expects to receive fees in connection with such role. Additionally, Jefferies Financial Services, Inc. ("JFSI"), a subsidiary of JFG Sponsor, is expected to enter into a non-speculative, interest rate swap with The Hillman Group, Inc. in connection with New Hillman's first lien term loan facility, and expects to receive fees in connection with such transaction. See "*Certain Relationships and Related Party Transactions*" for additional information.

These financial interests of the Sponsors, officers and directors and entities affiliated with them may have influenced their decision to approve the Business Combination. You should consider these interests when evaluating the Business Combination and the recommendation of Landcadia's Board to vote in favor of the Business Combination Proposal and other proposals to be presented to the stockholders.

Q: What happens to the funds deposited in the Trust Account after consummation of the Business Combination?

- A: A total of \$500.0 million, including approximately \$17,500,000 of underwriters' deferred discount and approximately \$10,000,000 of the proceeds of the sale of the private placement warrants, was placed in a Trust Account maintained by Continental, acting as trustee. As of March 31, 2021, there were investments and cash held in the Trust Account of \$500,026,153. These funds will not be released until the earlier of Closing or the redemption of our public shares if we are unable to complete an initial Business Combination by October 14, 2022, although we may withdraw the interest earned on the funds held in the Trust Account to pay franchise and income taxes.

Q: What happens if a substantial number of the public stockholders vote in favor of the Business Combination Proposal and exercise their redemption right?

- A: Landcadia Stockholders who vote in favor of the Business Combination may also nevertheless exercise their redemption rights. Accordingly, the Business Combination may be consummated even though the funds available from the Trust Account and the number of public stockholders are reduced as a result of redemptions by public stockholders. The consummation of the Business Combination is conditioned upon, among other things, Landcadia having an aggregate cash amount of at least \$639 million available at Closing from the Trust Account, after giving effect to redemptions of public shares, if any, and payment of transaction expenses, plus proceeds received from PIPE Investors (the "Minimum Proceeds Condition") (though this condition may be waived by mutual written agreement of Landcadia and Hillman Holdco). Landcadia intends to notify Landcadia Stockholders by press release promptly if this condition is waived. In addition, with fewer public shares and public stockholders, the trading market for New Hillman common stock may be less liquid than the market for Landcadia's Class A common stock was prior to consummation of the Business Combination and New Hillman may not be able to meet the listing standards for Nasdaq or another national securities exchange. In addition, with less funds available from the Trust Account, the working capital infusion from the Trust Account into Hillman Holdco's business will be reduced. As a result, the proceeds will be greater in the event that

no public stockholders exercise redemption rights with respect to their public shares for a pro rata portion of the Trust Account as opposed to the scenario in which Landcadia's public stockholders exercise the maximum allowed redemption rights.

Q: What amendments will be made to the Current Charter?

A: We are asking Landcadia Stockholders to approve the Proposed Charter that will be effective upon the consummation of the Business Combination. The Proposed Charter provides for various changes that the Landcadia Board believes are necessary to address the needs of the post-Business Combination company, including, among other things: (i) the change of Landcadia's name to "Hillman Solutions Corp."; (ii) the increase of the total number of authorized shares of all classes of capital stock, par value of \$0.0001 per share, from 401,000,000 shares, consisting of 380,000,000 shares of Landcadia Class A common stock, 20,000,000 shares of Landcadia Class B common stock and 1,000,000 shares of preferred stock, to 501,000,000 shares, consisting of 500,000,000 shares of New Hillman common stock and 1,000,000 shares of preferred stock; (iii) changes to the required vote to amend the charter and bylaws and (iv) the elimination of certain provisions specific to Landcadia's status as a blank check company.

Pursuant to Delaware law and the Current Charter, Landcadia is required to submit the Charter Proposal to Landcadia's stockholders for approval. For additional information, see the section entitled "*The Charter Proposal*."

Q: What material negative factors did Landcadia's Board consider in connection with the Business Combination?

A: Although Landcadia's Board believes that the acquisition of Hillman Holdco will provide Landcadia's stockholders with an opportunity to participate in a combined company with significant growth potential, market share and a well-known brand, the board of directors did consider certain potentially material negative factors in arriving at that conclusion, such as the risk that Landcadia Stockholders would not approve the Business Combination and the risk that significant numbers of Landcadia Stockholders would exercise their redemption rights. In addition, during the course of Landcadia management's evaluation of Hillman Holdco's operating business and its public company potential, management conducted detailed due diligence on certain potential challenges. These factors are discussed in greater detail in the section entitled "*The Business Combination Proposal — Landcadia's Board of Directors' Reasons for Approval of the Business Combination*" as well as in the section entitled "*Risk Factors — Risk Factors Relating to the Business Combination and Integration of Hillman Holdco's Business*."

Q: Do I have redemption rights?

A: If you are a public stockholder, you have the right to request that Landcadia redeem all or a portion of your public shares for cash, provided that you follow the procedures and deadlines described elsewhere in this proxy statement/prospectus under the heading "*The Special Meeting — Redemption Rights*." public stockholders may elect to redeem all or a portion of their public shares even if they vote for the Business Combination Proposal. We sometimes refer to these rights to elect to redeem all or a portion of the public shares into a pro rata portion of the cash held in the Trust Account as "redemption rights."

If you wish to exercise your redemption rights, please see the answer to the next question: "*How do I exercise my redemption rights?*"

Notwithstanding the foregoing, a public stockholder, together with any affiliate of such public stockholder or any other person with whom such public stockholder is acting in concert or as a "group" (as defined in Section 13(d)(3) of the Exchange Act), will be restricted from redeeming its public shares with respect to more than an aggregate of 15% of the public shares. Accordingly, if a public stockholder, alone or acting in concert or as a group, seeks to redeem more than 15% of the public shares, then any such shares in excess of that 15% limit would not be redeemed for cash.

Our Sponsors, directors and members of the management team entered into the A&R Letter Agreement, pursuant to which they agreed to waive their redemption rights with respect to their shares in connection with the completion of the Business Combination.

Q: How do I exercise my redemption rights?

A: If you are a public stockholder and wish to exercise your right to redeem your public shares, you must:

- (i) (a) hold public shares or (b) hold public shares through units and elect to separate your units into the underlying public shares and public warrants prior to exercising your redemption rights with respect to the public shares; and
- (ii) prior to 5:00 p.m., New York City time, on July 9, 2021, (a) submit a written request to Continental that Landcadia redeem your public shares for cash and (b) deliver your public shares to Continental, physically or electronically through The Depository Trust Company (“DTC”).

The address of Continental is listed under the question “*Whom do I call if I have questions about the Special Meeting or the Business Combination?*” below.

Holders of units must elect to separate the underlying public shares and public warrants prior to exercising redemption rights with respect to the public shares. If holders hold their units in an account at a brokerage firm or bank, holders must notify their broker or bank that they elect to separate the units into the underlying public shares and public warrants, or if a holder holds units registered in its own name, the holder must contact Continental directly and instruct them to do so.

Any public stockholder will be entitled to request that their public shares be redeemed for a per-share price, payable in cash, equal to the aggregate amount then on deposit in the Trust Account, calculated as of two business days prior to the consummation of the Business Combination, including interest earned on the funds held in the Trust Account and not previously released to us to pay our taxes, divided by the number of then issued and outstanding public shares. For illustrative purposes, as of March 31, 2021, this would have amounted to approximately \$10.00 per public share. However, the proceeds deposited in the Trust Account could become subject to the claims of our creditors, if any, which could have priority over the claims of our public stockholders, regardless of whether such public stockholders vote for or against the Business Combination Proposal. Therefore, the per-share distribution from the Trust Account in such a situation may be less than originally anticipated due to such claims. Your vote on any proposal other than the Business Combination Proposal will have no impact on the amount you will receive upon exercise of your redemption rights. It is anticipated that the funds to be distributed to public stockholders electing to redeem their public shares will be distributed promptly after the consummation of the Business Combination.

If you are a holder of public shares, you may exercise your redemption rights by submitting your request in writing to Continental at the address listed under the question “*Whom do I call if I have questions about the Special Meeting or the Business Combination?*” below.

Any request for redemption, once made by a holder of public shares, may be withdrawn at any time up to the deadline for submitting redemption requests, which is 5:00 p.m., New York City time, on July 9, 2021 (two business days prior to the date of the Special Meeting), and thereafter, with our consent, until the Closing. If you deliver your shares for redemption to Continental and later decide prior to the deadline for submitting redemption requests not to elect redemption, you may request that Landcadia instruct Continental to return the shares to you (physically or electronically). You may make such request by contacting Continental at the phone number or address listed at the end of this section.

Any corrected or changed written exercise of redemption rights must be received by Landcadia’s secretary prior to the deadline for submitting redemption requests. No request for redemption will be honored unless the holder’s stock has been delivered (either physically or electronically) to Continental prior to 5:00 p.m., New York City time, on July 9, 2021.

If you are a holder of public shares and you exercise your redemption rights, it will not result in the loss of any Landcadia warrants that you may hold.

Q: If I am a holder of units, can I exercise redemption rights with respect to my units?

A: No. Holders of outstanding units must elect to separate the units into the underlying public shares and

public warrants prior to exercising redemption rights with respect to the public shares. If you hold your units in an account at a brokerage firm or bank, you must notify your broker or bank that you elect to separate the units into the underlying public shares and public warrants, or if you hold units registered in your own name, you must contact Continental, Landcadia's transfer agent, directly and instruct them to do so. If you fail to cause your units to be separated and delivered to Continental, Landcadia's transfer agent, prior to 5:00 p.m., New York City time, on July 9, 2021, you will not be able to exercise your redemption rights with respect to your public shares.

Q: What are the U.S. federal income tax consequences of exercising my redemption rights?

A: The U.S. federal income tax consequences of exercising your redemption rights depends on the particular facts and circumstances. Please see the section entitled "Material United States Federal Income Tax Considerations." We urge you to consult your tax advisors regarding the tax consequences of exercising your redemption rights.

TAX MATTERS ARE COMPLICATED, AND THE TAX CONSEQUENCES OF EXERCISING YOUR REDEMPTION RIGHTS WILL DEPEND ON THE FACTS OF YOUR OWN SITUATION. YOU SHOULD CONSULT YOUR OWN TAX ADVISOR AS TO THE SPECIFIC TAX CONSEQUENCES OF THE EXERCISE OF REDEMPTION RIGHTS TO YOU IN YOUR PARTICULAR CIRCUMSTANCES.

Q: How does the Landcadia Board recommend that I vote?

A: The Landcadia Board recommends that the Landcadia Stockholders vote "FOR" the approval of the Business Combination Proposal, "FOR" the approval of the Charter Proposal, "FOR" the approval, on an advisory basis, of the Advisory Charter Proposals, "FOR" the approval of the Stock Issuance Proposal, "FOR" the approval of the Incentive Plan Proposal, "FOR" the approval of the ESPP Proposal, "FOR" the election of each of the director nominees to the board of directors and "FOR" the approval of the Adjournment Proposal. For more information regarding how the board of directors of Landcadia recommends that Landcadia Stockholders vote, see the section entitled "*The Business Combination Proposal — Landcadia's Board of Directors' Reasons for Approval of the Business Combination.*"

Q: How do our Sponsors intend to vote their shares?

A: In connection with the execution of the Merger Agreement, our Sponsors, directors and members of the management team entered into the A&R Letter Agreement, pursuant to which they agreed to vote their shares in favor of the Business Combination Proposal and all other proposals being presented at the Special Meeting. Our Sponsors collectively own 22.4% of our issued and outstanding shares of common stock. Accordingly, if all of our outstanding shares were to be voted, we would need the affirmative vote of approximately 27.6% of the remaining shares to approve the Business Combination.

Q: May our Sponsors and our officers and directors purchase public shares or warrants prior to the Special Meeting?

A: At any time prior to the Special Meeting, during a period when they are not then aware of any material nonpublic information regarding Landcadia or its securities, our Sponsors, directors, officers, advisors and/or their affiliates, Hillman Holdco and/or its affiliates and the Stockholder Representative and/or its affiliates may purchase shares and/or warrants from investors, or they may enter into transactions with such investors and others to provide them with incentives to acquire public shares or vote their public shares in favor of the Business Combination Proposal. The purpose of such share purchases and other transactions would be to increase the likelihood that (i) the proposals presented for approval at the Special Meeting are approved and/or (ii) Landcadia satisfies the Minimum Proceeds Condition. Any such stock purchases and other transactions may thereby increase the likelihood of obtaining stockholder approval of the Business Combination. This may result in the completion of our Business Combination in a way that may not otherwise have been possible. While the exact nature of any such incentives has not been determined as of the date of this proxy statement/prospectus, they might include, without limitation, arrangements to protect such investors or holders against potential loss in

value of their shares, including the granting of put options and the transfer to such investors or holders of shares or rights owned by the Sponsors for nominal value.

Entering into any such arrangements may have a depressive effect on public shares. For example, as a result of these arrangements, an investor or holder may have the ability to effectively purchase shares at a price lower than market and may therefore be more likely to sell the shares it owns, either prior to or immediately after the Special Meeting.

If such transactions are effected, the consequence could be to cause the Business Combination to be approved in circumstances where such approval could not otherwise be obtained. Purchases of public shares by the persons described above would allow them to exert more influence over the approval of the proposals to be presented at the Special Meeting and would likely increase the chances that such proposals would be approved. As of the date of this proxy statement/prospectus, there have been no such discussions and no agreements to such effect have been entered into with any such investor or holder.

Q: Who is entitled to vote at the Special Meeting?

A: The Landcadia Board has fixed June 16, 2021 as the record date for the Special Meeting. All holders of record of Landcadia Shares as of the close of business on the record date are entitled to receive notice of, and to vote at, the Special Meeting, provided that those shares remain outstanding on the date of the Special Meeting. Physical attendance at the Special Meeting is not required to vote. See the section below entitled “— *How can I vote my shares without attending the Special Meeting?*” for instructions on how to vote your Landcadia Shares without attending the Special Meeting.

Q: How many votes do I have?

A: Each Landcadia Stockholder of record is entitled to one vote for each Landcadia Share held by such holder as of the close of business on the record date. As of the close of business on the record date, there were 62,500,000 outstanding Landcadia Shares.

Q: What constitutes a quorum for the Special Meeting?

A: A quorum is the minimum number of stockholders necessary to hold a valid meeting.

A quorum will exist at the Special Meeting with respect to each matter to be considered at the Special Meeting if the holders of a majority of the outstanding Landcadia Shares as of the record date present in person (which would include presence at the virtual Special Meeting) or represented by proxy at the Special Meeting. All shares represented by proxy are counted as present for purposes of establishing a quorum.

Q: What is Hillman Holdco?

A: HMAN Group Holdings Inc., and its wholly-owned subsidiaries (collectively, “Hillman”) are among the largest providers of hardware-related products and related merchandising services to retail markets in North America. Hillman Holdco’s principal business is operated through its wholly-owned subsidiary, The Hillman Group, Inc. and its wholly-owned subsidiaries (collectively, “Hillman Group”). Hillman Group sells its products to hardware stores, home centers, mass merchants, pet supply stores, and other retail outlets principally in the United States, Canada, Mexico, Latin America, and the Caribbean. Product lines include thousands of small parts such as fasteners and related hardware items; threaded rod and metal shapes; keys, key duplication systems, and accessories; builder’s hardware; personal protective equipment, such as gloves and eye-wear; and identification items, such as tags and letters, numbers, and signs. Hillman Group supports product sales with services that include design and installation of merchandising systems, maintenance of appropriate in-store inventory levels, and break-fix its robotics kiosks.

Q: What will happen to my Landcadia Shares as a result of the Business Combination?

A: If the Business Combination is completed, (i) each share of Landcadia’s Class B common stock will

convert, on a one-for-one basis, into shares of Landcadia Class A common stock in accordance with the terms of the Current Charter and (ii) each then outstanding share of Landcadia Class A common stock will automatically become a share of New Hillman common stock. See the section entitled “*The Business Combination Proposal— Consideration to Hillman Holdco Stockholders and Landcadia Stockholders*”.

Q: Where will the New Hillman common stock that Landcadia Stockholders receive in the Business Combination be publicly traded?

A: Assuming the Business Combination is completed, the shares of New Hillman common stock (including the New Hillman common stock issued in connection with the Business Combination) will be listed and traded on Nasdaq under the ticker symbol “HLMN” and the public warrants will be listed and traded on Nasdaq under the ticker symbol “HLMNW”.

Q: What happens if the Business Combination is not completed?

A: If the Merger Agreement is not adopted by Landcadia Stockholders or if the Business Combination is not completed for any other reason by the Termination Date, then we will seek to consummate an alternative initial business combination prior to October 14, 2022. If we do not consummate an initial business combination by October 14, 2022, we will cease all operations except for the purpose of winding up, redeem our public shares and liquidate the Trust Account, in which case our public stockholders may only receive approximately \$10.00 per share and our warrants will expire worthless.

Q: How can I attend and vote my shares at the Special Meeting?

A: Landcadia Shares held directly in your name as the stockholder of record of such Landcadia Shares as of the close of business on June 16, 2021, the record date, may be voted electronically at the Special Meeting. If you choose to attend the Special Meeting, you will need to visit <https://www.cstproxy.com/landcadiaholdingsiii/sm2021>, and enter the control number found on your proxy card, voting instruction form or notice you previously received. You may vote during the Special Meeting by following instructions available on the meeting website during the meeting. If your shares are held in “street name” by a broker, bank or other nominee and you wish to attend and vote at the Special Meeting, you will not be permitted to attend and vote electronically at the Special Meeting unless you first obtain a legal proxy issued in your name from the record owner. To request a legal proxy, please contact your broker, bank or other nominee holder of record. It is suggested you do so in a timely manner to ensure receipt of your legal proxy prior to the Special Meeting.

Q: How can I vote my shares without attending the Special Meeting?

A: If you are a stockholder of record of Landcadia Shares as of the close of business on June 16, 2021, the record date, you can vote by mail by following the instructions provided in the enclosed proxy card. Please note that if you hold your shares in “street name,” which means your shares are held of record by a broker, bank or nominee, you should contact your broker to ensure that votes related to the shares you beneficially own are properly counted. In this regard, you must provide the broker, bank or nominee with instructions on how to vote your shares, or otherwise follow the instructions provided by your bank, brokerage firm or other nominee.

Q: What is a proxy?

A: A proxy is a legal designation of another person to vote the stock you own. If you are a stockholder of record of Landcadia Shares as of the close of business on the record date, and you vote by phone, by Internet or by signing, dating and returning your proxy card in the enclosed postage-paid envelope, you designate two of Landcadia’s officers as your proxies at the Special Meeting, each with full power to act without the other and with full power of substitution. These two officers are Richard H. Liem and Steven L. Scheinthal.

Q: What is the difference between holding shares as a stockholder of record and as a beneficial owner?

A: If your Landcadia Shares are registered directly in your name with Continental you are considered the

stockholder of record with respect to those shares, and access to proxy materials is being provided directly to you. If your shares are held in a stock brokerage account or by a bank or other nominee, then you are considered the beneficial owner of those shares, which are considered to be held in street name. Access to proxy materials is being provided to you by your broker, bank or other nominee who is considered the stockholder of record with respect to those shares.

Direct holders (stockholders of record). For Landcadia Shares held directly by you, please complete, sign, date and return each proxy card (or cast your vote by telephone or Internet as provided on each proxy card) or otherwise follow the voting instructions provided in this proxy statement/prospectus in order to ensure that all of your Landcadia Shares are voted.

Shares in “street name.” For Landcadia Shares held in “street name” through a bank, brokerage firm or other nominee, you should follow the procedures provided by your bank, brokerage firm or other nominee to vote your shares.

Q: If a Landcadia Stockholder gives a proxy, how will the Landcadia Shares covered by the proxy be voted?

A: If you provide a proxy by returning the applicable enclosed proxy card, the individuals named on the enclosed proxy card will vote your Landcadia Shares in the way that you indicate when providing your proxy in respect of the Landcadia Shares you hold. When completing the proxy card, you may specify whether your Landcadia Shares should be voted **FOR** or **AGAINST**, or should be abstained from voting on, all, some or none of the specific items of business to come before the Special Meeting.

Q: How will my Landcadia Shares be voted if I return a blank proxy?

A: If you sign, date and return your proxy and do not indicate how you want your Landcadia Shares to be voted, then your Landcadia Shares will be voted “**FOR**” the approval of the Business Combination Proposal, “**FOR**” the approval of the Charter Proposal, “**FOR**” the approval, on an advisory basis, of the Advisory Charter Proposals, “**FOR**” the approval of the Stock Issuance Proposal, “**FOR**” the approval of the Incentive Plan Proposal, “**FOR**” the approval of the ESPP Proposal, “**FOR**” the election of each of the director nominees to the board of directors and “**FOR**” the approval of the Adjournment Proposal.

Q: Can I change my vote after I have submitted my proxy?

A: Yes. If you are a stockholder of record of Landcadia Shares as of the close of business on the record date, you can change or revoke your proxy before it is voted at the meeting in one of the following ways:

- submit a new proxy card bearing a later date;
- give written notice of your revocation to Landcadia’s Corporate Secretary, which notice must be received by Landcadia’s Corporate Secretary prior to the vote at the Special Meeting; or
- vote electronically at the Special Meeting by visiting <https://www.cstproxy.com/landcadiaholdingsiii/sm2021> and entering the control number found on your proxy card, voting instruction form or notice you previously received. Please note that your attendance at the Special Meeting will not alone serve to revoke your proxy.

If your shares are held in “street name” by your broker, bank or another nominee as of the close of business on the record date, you must follow the instructions of your broker, bank or other nominee to revoke or change your voting instructions.

Q: Where can I find the voting results of the Special Meeting?

A: The preliminary voting results are expected to be announced at the Special Meeting. In addition, within four business days following certification of the final voting results, Landcadia will file the final voting results of its Special Meeting with the SEC in a Current Report on Form 8-K.

Q: Are Landcadia Stockholders able to exercise dissenters’ rights or appraisal rights with respect to the matters being voted upon at the Special Meeting?

A: No. Landcadia Stockholders are not entitled to exercise dissenters’ rights or appraisal rights under

Delaware law in connection with the Business Combination. Dissenters' rights or appraisal rights are unavailable under Delaware law in connection with the Business Combination to holders of Landcadia's Class A common stock because it is currently listed on a national securities exchange and such holders are not required to receive any consideration (other than continuing to hold their shares of Landcadia's Class A common stock, which will become an equal number of shares of New Hillman common stock after giving effect to the Business Combination). Holders of Landcadia's Class A common stock may vote against the Business Combination Proposal or redeem their Landcadia Shares if they are not in favor of the adoption of the Merger Agreement or the Business Combination. Dissenters' rights or appraisal rights are unavailable under Delaware law in connection with the Business Combination to holders of Landcadia's Class B common stock because they have agreed to vote in favor of the Business Combination.

Q: Are there any risks that I should consider as a Landcadia Stockholder in deciding how to vote or whether to exercise my redemption rights?

A: Yes. You should read and carefully consider the risk factors set forth in the section entitled "Risk Factors" beginning on page 50. You also should read and carefully consider the risk factors of Landcadia and Hillman contained in the documents that are incorporated by reference herein.

Q: What happens if I sell my Landcadia Shares before the Special Meeting?

A: The record date for Landcadia Stockholders entitled to vote at the Special Meeting is earlier than the date of the Special Meeting. If you transfer your Landcadia Shares before the record date, you will not be entitled to vote at the Special Meeting. If you transfer your Landcadia Shares after the record date but before the Special Meeting, you will, unless special arrangements are made, retain your right to vote at the Special Meeting but will transfer the right to hold New Hillman common shares to the person to whom you transfer your shares.

Q: What are the material U.S. federal income tax consequences of the Business Combination to me?

A: Material U.S. federal income tax considerations that may be relevant to you in respect of the Business Combination are discussed in more detail in the section entitled "Material United States Federal Income Tax Considerations." Among other things, the parties intend for the merger contemplated by the Merger Agreement to be treated for U.S. federal income tax purposes as a reorganization within the meaning of Section 368(a) of the Code. If the merger qualifies for such treatment, Hillman Holdco stockholders generally will not recognize gain or loss upon their exchange of Hillman Holdco common stock for New Hillman common stock. However, the obligations of Hillman Holdco, Landcadia and the Merger Sub to complete the merger are not conditioned on the receipt of opinions from Ropes & Gray LLP or White & Case LLP to the effect that the merger will qualify for such treatment, and the merger will occur even if it does not so qualify. Neither Hillman Holdco nor Landcadia has requested, or intends to request, a ruling from the U.S. Internal Revenue Service (the "IRS") with respect to the U.S. federal income tax consequences of the merger. Consequently, no assurance can be given that the IRS will not assert, or that a court would not sustain, a position to the contrary. Accordingly, if the IRS or a court determines that the merger does not qualify as a reorganization under Section 368(a) of the Code and is therefore a fully taxable transaction for U.S. federal income tax purposes, Hillman Holdco stockholders generally would recognize taxable gain or loss on the merger consideration they receive in connection with the merger. The discussion of the U.S. federal income tax consequences contained in this proxy statement/prospectus is intended to provide only a general discussion and is not a complete analysis or description of all of the U.S. federal income tax considerations that are applicable to you in respect of the Business Combination, nor does it address any tax considerations arising under U.S. state or local or non-U.S. tax laws.

TAX MATTERS ARE COMPLICATED, AND THE TAX CONSEQUENCES OF THE BUSINESS COMBINATION WILL DEPEND ON THE FACTS OF YOUR OWN SITUATION. YOU SHOULD CONSULT YOUR OWN TAX ADVISOR AS TO THE SPECIFIC TAX CONSEQUENCES OF THE BUSINESS COMBINATION TO YOU IN YOUR PARTICULAR CIRCUMSTANCES.

Q: When is the Business Combination expected to be completed?

A: Subject to the satisfaction or waiver of the Closing conditions described in the section entitled “*The Merger Agreement — Conditions to Closing*,” including the adoption of the Merger Agreement by the Landcadia Stockholders at the Special Meeting, the Business Combination is expected to close in the second quarter of 2021. However, it is possible that factors outside the control of both Landcadia and Hillman could result in the Business Combination being completed at a later time, or not being completed at all.

Q: Who will solicit and pay the cost of soliciting proxies?

A: Landcadia has engaged a professional proxy solicitation firm, Morrow Sodali LLC (“Morrow”), to assist in soliciting proxies for the Special Meeting. Landcadia has agreed to pay Morrow a fee of \$35,000, plus disbursements. Landcadia will reimburse Morrow for reasonable out-of-pocket expenses and will indemnify Morrow and its affiliates against certain claims, liabilities, losses, damages and expenses. Landcadia will also reimburse banks, brokers and other custodians, nominees and fiduciaries representing beneficial owners of our common stock for their expenses in forwarding soliciting materials to beneficial owners of our common stock and in obtaining voting instructions from those owners. Landcadia’s management team may also solicit proxies by telephone, by facsimile, by mail, on the Internet or in person. They will not be paid any additional amounts for soliciting proxies.

Q: What are the conditions to completion of the Business Combination?

A: The Closing is subject to certain conditions, including, among other things, (i) approval by Landcadia’s stockholders and Hillman Holdco’s stockholders of the Merger Agreement, the Business Combination and certain other actions related thereto, (ii) the expiration or termination of the waiting period (or any extension thereof) applicable under the Hart-Scott-Rodino Antitrust Improvements Act of 1976 (the “HSR Act”), (iii) the absence of a material adverse regulatory event with respect to Hillman, (iv) Landcadia having at least \$639 million of cash at the Closing, consisting of cash held in the Trust Account after giving effect to redemptions of public shares, if any, and payment of transaction expenses, plus cash received from PIPE investors (vii) the aggregate amount of cash held by Hillman and Landcadia immediately after Closing, after giving effect to the Business Combination, will equal or exceed \$50 million, (viii) the aggregate amount of net debt at New Hillman immediately following the Closing not exceeding the sum of \$885 million plus an amount equal to any increased borrowings since December 26, 2020 under Hillman’s existing ABL facility up to \$100 million, and (vii) the continued listing of the shares of New Hillman common stock on Nasdaq. Unless waived, if any of these conditions are not satisfied, the Business Combination may not be consummated. Furthermore, in no event will we redeem our public shares in an amount that would cause our net tangible assets to be less than \$5,000,001. See the section entitled “*The Business Combination Proposal*”.

Q: What should I do now?

A: You should read this proxy statement/prospectus carefully in its entirety, including the annexes, and return your completed, signed and dated proxy card(s) by mail in the enclosed postage-paid envelope or submit your voting instructions by telephone or via the Internet as soon as possible so that your Landcadia Shares will be voted in accordance with your instructions.

Q: What should I do if I receive more than one set of voting materials?

A: Stockholders may receive more than one set of voting materials, including multiple copies of this proxy statement/prospectus and multiple proxy cards or voting instruction cards. For example, if you hold your shares in more than one brokerage account, you will receive a separate voting instruction card for each brokerage account in which you hold shares. If you are a holder of record and your shares are registered in more than one name, you will receive more than one proxy card. Please complete, sign, date and return each proxy card and voting instruction card that you receive in order to cast a vote with respect to all of your Landcadia Shares.

The Business Combination and the Merger Agreement

The terms and conditions of the Business Combination are contained in the Merger Agreement, which is attached as Annex A to this proxy statement/prospectus. We encourage you to read the Merger Agreement carefully and in its entirety, as it is the legal document that governs the Business Combination.

If the Merger Agreement is approved and adopted and the Business Combination is consummated, Merger Sub will merge with and into Hillman Holdco with Hillman Holdco surviving the merger as a wholly-owned subsidiary of New Hillman.

Structure of the Business Combination

Pursuant to the Merger Agreement, Merger Sub will merge with and into Hillman Holdco, with Hillman Holdco surviving the Business Combination. Upon consummation of the foregoing transactions,

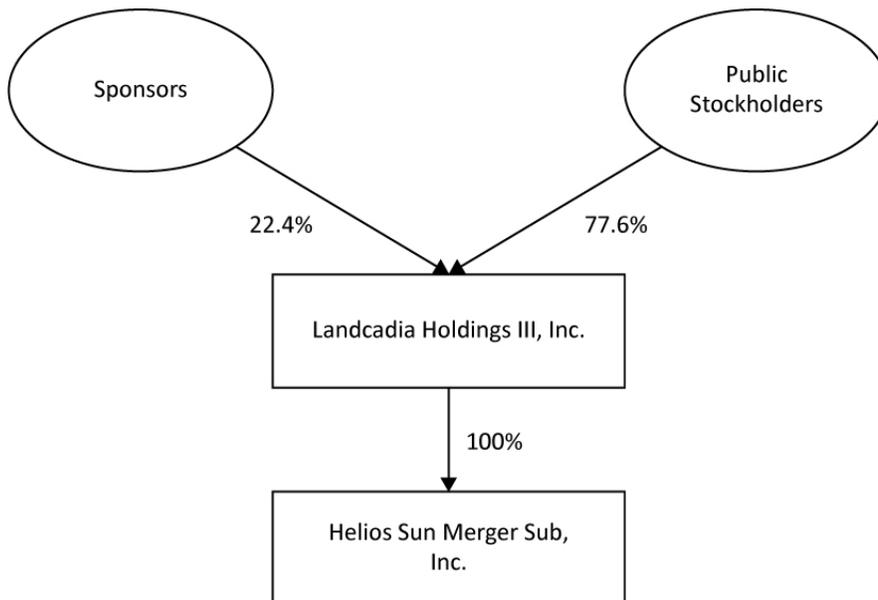

Hillman Holdco will be a wholly-owned subsidiary of New Hillman (formerly Landcadia). In addition, immediately prior to the consummation of the Business Combination, New Hillman will amend and restate its charter to be the Proposed Charter as described in the section of this proxy statement/prospectus titled “Description of New Hillman Securities.”

The parties intend for the merger contemplated by the Merger Agreement to be treated for U.S. federal income tax purposes as a reorganization within the meaning of Section 368(a) of the Code. If the merger qualifies for such treatment, Hillman Holdco stockholders generally will not recognize gain or loss upon their exchange of Hillman Holdco common stock for New Hillman common stock. However, the obligations of Hillman Holdco, Landcadia and the Merger Sub to complete the merger are not conditioned on the receipt of opinions from Ropes & Gray LLP or White & Case LLP to the effect that the merger will qualify for such treatment, and the merger will occur even if it does not so qualify. Neither Hillman Holdco nor Landcadia has requested, or intends to request, a ruling from the IRS with respect to the U.S. federal income tax consequences of the merger. Consequently, no assurance can be given that the IRS will not assert, or that a court would not sustain, a position to the contrary. Accordingly, if the IRS or a court determines that the merger does not qualify as a reorganization under Section 368(a) of the Code and is therefore a fully taxable transaction for U.S. federal income tax purposes, Hillman Holdco stockholders generally would recognize taxable gain or loss on the merger consideration they receive in connection with the merger. For a more complete discussion of U.S. federal income tax consequences of the Business Combination, see the section titled “Material United States Federal Income Tax Considerations.”

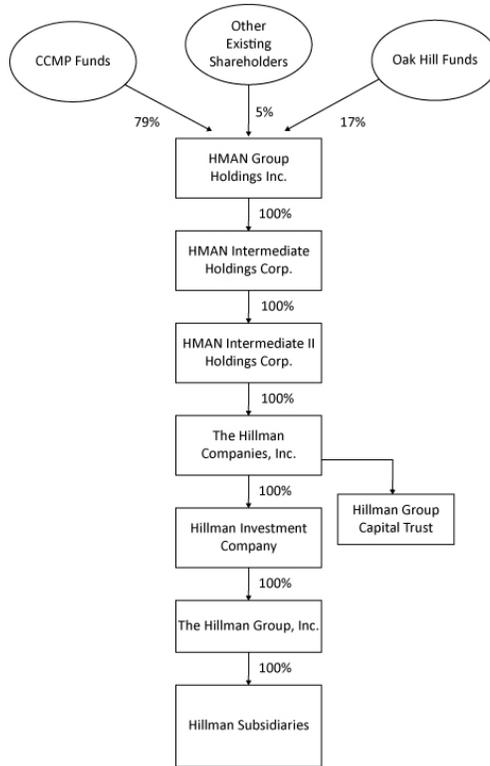

The following diagrams illustrate in simplified terms the current structure of Landcadia and Hillman and the expected structure of New Hillman (formerly Landcadia) upon the Closing.

At the effective time, each Hillman Holdco restricted stock unit will be assumed by New Hillman and converted into a New Hillman RSU with substantially the same terms and conditions as were applicable to such Hillman Holdco RSU immediately prior to the effective time (including with respect to vesting and

In addition, pursuant to the A&R Letter Agreement, Landcadia's Sponsors will, at the Closing of the Business Combination, forfeit a total of 3,828,000 of their shares of Landcadia Class B common stock with 2,828,000 shares being forfeited by the Sponsors on a basis pro rata with their ownership of Landcadia and 1,000,000 additional shares being forfeited by the TJF Sponsor.

The Private Placement

The Private Placement investment is expected to close substantially concurrently with the Closing. In connection with the Closing, all of the issued and outstanding shares of Landcadia Class A common stock, including the shares of Landcadia Class A common stock issued to the PIPE Investors, will be exchanged, on a one-for-one basis, for shares of New Hillman common stock.

Approval of the condition precedent proposals is a condition to the obligations of the parties to complete the Business Combination.

Only holders of record of issued and outstanding Landcadia Shares as of the close of business on June 16, 2021, the record date for the Special Meeting, are entitled to notice of, and to vote at, the Special Meeting or any adjournment or postponement of the Special Meeting. You may cast one vote for each share of Landcadia Shares that you owned as of the close of business on that record date.

A quorum of stockholders is necessary to hold a valid meeting. A quorum will exist at the Special Meeting with respect to each matter to be considered at the Special Meeting if the holders of a majority of the outstanding Landcadia Shares as of the record date present in person (which would include presence at the virtual Special Meeting) or represented by proxy at the Special Meeting. All shares represented by proxy are counted as present for purposes of establishing a quorum.

Approval of the Business Combination Proposal requires the affirmative vote of a majority of the votes cast by Landcadia Stockholders present in person (which would include presence at the virtual Special Meeting) or represented by proxy at the Special Meeting and entitled to vote thereon. Abstentions and broker non-votes have no effect on the outcome of the proposal.

Approval of the Charter Proposal requires the affirmative vote of a majority of the outstanding Landcadia Shares, voting together as a single class. Abstentions and broker non-votes have the same effect as a vote "AGAINST" the proposal.

Approval of each of the Advisory Charter Proposals, each of which is a non-binding vote, requires the affirmative vote of a majority of the votes cast by Landcadia Stockholders present in person (which would include presence at the virtual Special Meeting) or represented by proxy at the Special Meeting and entitled to vote thereon. Abstentions and broker non-votes have no effect on the outcome of the proposal.

Approval of the Stock Issuance Proposal requires the affirmative vote of a majority of the votes cast by Landcadia Stockholders present in person (which would include presence at the virtual Special Meeting) or represented by proxy at the Special Meeting and entitled to vote thereon. Abstentions and broker non-votes have no effect on the outcome of the proposal.

Approval of the Incentive Plan Proposal requires the affirmative vote of a majority of the votes cast by Landcadia Stockholders present in person (which would include presence at the virtual Special Meeting) or represented by proxy at the Special Meeting and entitled to vote thereon. Abstentions and broker non-votes have no effect on the outcome of the proposal.

Approval of the ESPP Proposal requires the affirmative vote of a majority of the votes cast by Landcadia Stockholders present in person (which would include presence at the virtual Special Meeting) or represented by proxy at the Special Meeting and entitled to vote thereon. Abstentions and broker non-votes have no effect on the outcome of the proposal.

The election of directors is decided by a plurality of the votes cast by the stockholders present in person (which would include presence at the virtual special meeting) or represented by proxy at the Special Meeting and entitled to vote on the election of directors. This means that each of the director nominees will be elected if they receive more affirmative votes than any other nominee for the same position. Stockholders may not cumulate their votes with respect to the election of directors. Abstentions and broker non-votes have no effect on the outcome of the proposal.

Approval of the Adjournment Proposal requires the affirmative vote of a majority of the votes cast by Landcadia Stockholders present in person (which would include presence at the virtual Special Meeting) or represented by proxy at the Special Meeting and entitled to vote thereon. Abstentions and broker non-votes have no effect on the outcome of the proposal.

Recommendation of Landcadia’s Board of Directors

We were formed for the purpose of effecting a merger, capital stock exchange, asset acquisition, stock purchase, reorganization or similar business combination with one or more businesses. We sought to do this by utilizing the networks and industry experience of our management team and our sponsors to identify, acquire and operate one or more target businesses. Our board of directors considered and evaluated several factors in evaluating and negotiating the Business Combination and the definitive merger agreements. For additional information relating to the Landcadia Board’s evaluation of the Business Combination and the factors it considered in connection therewith, please see the section entitled “*The Business Combination Proposal—Landcadia’s Board of Directors’ Reasons for the Approval of the Business Combination.*”

Regulatory Approvals

The Business Combination is subject to the expiration or termination of the waiting period (or any extension thereof) applicable under the HSR Act. A post-Closing notification pursuant to Section 12 of the Investment Canada Act (*Canada*) will be made promptly following Closing.

The Business Combination is subject to customary Closing conditions, including (i) the expiration or termination of the waiting period (or any extension thereof) applicable under the HSR Act, (ii) Landcadia shall not have redeemed shares of its Class A common stock in an amount that would cause Landcadia to have less than \$5,000,001 of net tangible assets, (iii) the required stockholder approval of stockholders of Landcadia shall have been obtained for the Business Combination, (iv) the required stockholder approval of stockholders of Hillman Holdco shall have been obtained for the Business Combination, (v) the Class A Common stock to be issued in connection with the Business Combination shall have been approved for listing on Nasdaq, (vi) satisfaction of the Minimum Proceeds Condition, (vii) the aggregate amount of cash held

The obligations of Hillman Holdco to complete the Business Combination are further conditioned on, in addition to customary Closing conditions, the current certificate of incorporation of Landcadia shall have been amended and restated in the form contemplated by the Charter Proposal. Unless waived, if any of these conditions are not satisfied, the Business Combination may not be consummated.

Termination

Mutual Termination Rights

The Merger Agreement may be terminated prior to the Closing:

- by written consent of Landcadia and the Stockholder Representative;
- by either Landcadia or the Stockholder Representative if the condition requiring Landcadia to have \$5,000,001 of net tangible assets becomes incapable of being satisfied;
- by either Landcadia or the Stockholder Representative if the approval of Landcadia's stockholders has not been obtained by reason of the failure to obtain the required vote at the Landcadia Special Meeting or at any adjournment of postponement thereof; or
- by either Landcadia or the Stockholder Representative if the consummation of the Business Combination is permanently enjoined or prohibited by the terms of a final, non-appealable governmental order or a statute, rule or regulation.

Termination Rights of the Stockholder Representative

The Merger Agreement may be terminated prior to the Closing, by the Stockholder Representative if:

- (i) there is any breach of any representation, warranty, covenant or agreement on the part of Landcadia or Merger Sub set forth in the Merger Agreement such that the conditions described in the first two bullet points under the heading "*— Conditions to Closing; Additional Conditions to the Obligations of Hillman Holdco*" set forth below would not be satisfied at the Closing (a "terminating Landcadia breach"), except that, if any such terminating Landcadia breach is curable by Landcadia or Merger Sub, then, for a period of up to 30 days (or any shorter period of the time that remains between the date the Stockholder Representative provides written notice of such breach and the Termination Date) after receipt by Landcadia of notice from the Stockholder Representative of such breach (the "Landcadia cure period"), such termination shall not be effective, and such termination shall become effective only if the terminating Landcadia breach is not cured within the Landcadia cure period, provided that the right to terminate the Merger Agreement pursuant to this provision shall not be available if the Stockholder Representative has materially breached the Merger Agreement and such breach has not been cured; or
- (ii) the Closing has not occurred on or before the Termination Date, provided that the right to terminate the Merger Agreement pursuant to this provision shall not be available if the Stockholder Representative's action or failure to act has been a principal cause of or resulted in the failure of the Transactions to occur on or before such date and such action or failure to act constitutes a breach of the Merger Agreement.

Termination Rights of Landcadia

The Merger Agreement may be terminated prior to the Closing, by Landcadia if:

- (i) there is any breach of any representation, warranty, covenant or agreement on the part of Hillman Holdco or the Stockholder Representative set forth in the Merger Agreement, such that the conditions described in the first two bullet points under the heading "*— Conditions to Closing; Additional Conditions to the Obligations of Landcadia*" set forth below would not be satisfied at the

Closing (a “terminating Hillman Holdco breach”), except that, if such terminating Hillman Holdco breach is curable by Hillman Holdco or the Stockholder Representative, then, for a period of up to 30 days (or any shorter period of the time that remains between the date Landcadia provides written notice of such breach and the Termination Date) after receipt by the Stockholder Representative of notice from Landcadia of such breach (the “Hillman Holdco cure period”), such termination shall not be effective, and such termination shall become effective only if the terminating Hillman Holdco breach is not cured within the Hillman Holdco cure period, provided, that the right to terminate the Merger Agreement pursuant to this provision shall not be available if Landcadia has materially breached the Merger Agreement and such breach has not been cured;

- (ii) the Closing has not occurred on or before the Termination Date, provided, that the right to terminate the Merger Agreement pursuant to this provision shall not be available if Landcadia’s action or failure to act has been a principal cause of or resulted in the failure of the Transactions to occur on or before such date and such action or failure to act constitutes a breach of the Merger Agreement;
- (iii) the Hillman Holdco Stockholder Approval has not been obtained within two business days after the registration statement on Form S-4 of which this prospectus/proxy statement is a part has been declared effective by the SEC and delivered or otherwise made available to the holders of Landcadia’s common stock; or
- (iv) Hillman does not deliver to Landcadia a Company Voting and Support Agreement executed by certain affiliates of CCMP Capital Advisors, LP and of Oak Hill Capital Partners III, L.P., respectively, within one business day of the signing of the Merger Agreement.

Redemption Rights

Pursuant to the Current Charter, a public stockholder may request that Landcadia redeem all or a portion of their public shares for cash if the Business Combination is consummated. You will be entitled to receive cash for any public shares to be redeemed only if you:

- (a) hold public shares or (b) hold public shares through units and you elect to separate your units into the underlying public shares and public warrants prior to exercising your redemption rights with respect to the public shares; and
- prior to 5:00 p.m., New York City time, on July 9, 2021, (a) submit a written request, including the legal name, phone number and address of the beneficial owner of the shares for which redemption is requested, to the transfer agent that Landcadia redeem your public shares for cash and (b) deliver your public shares to the transfer agent, physically or electronically through DTC.

As noted above, holders of units must elect to separate the underlying public shares and public warrants prior to exercising redemption rights with respect to the public shares. Holders may instruct their broker to do so, or if a holder holds units registered in its own name, the holder must contact the transfer agent directly and instruct them to do so. Public stockholders may elect to redeem all or a portion of their public shares even if they vote for the Business Combination Proposal. If the Business Combination is not consummated, the public shares will not be redeemed for cash. If a public stockholder properly exercises its right to redeem its public shares and timely delivers its public shares to Continental Stock Transfer & Trust Company, Landcadia’s transfer agent, Landcadia will redeem such public shares upon the Closing for a per-share price, payable in cash, equal to the aggregate amount then on deposit in the Trust Account, calculated as of two business days prior to the consummation of the Business Combination, including interest earned on the funds held in the Trust Account and not previously released to us to pay our taxes, divided by the number of then issued and outstanding public shares. If a public stockholder exercises its redemption rights, then it will be exchanging its redeemed public shares for cash and will no longer own such shares. See the section entitled “The Special Meeting — Redemption Rights” for a detailed description of the procedures to be followed if you wish to redeem your public shares for cash.

Notwithstanding the foregoing, a holder of public shares, together with any affiliate of such public shareholder or any other person with whom such public shareholder is acting in concert or as a “group” (as defined in Section 13(d)(3) of the Exchange Act), will be restricted from redeeming its public shares with

respect to more than an aggregate of 15% of the public shares. Accordingly, if a public shareholder, alone or acting in concert or as a group, seeks to redeem more than 15% of the public shares, then any such shares in excess of that 15% limit would not be redeemed for cash.

Holders of our warrants will not have redemption rights with respect to the warrants.

No Delaware Appraisal Rights

Appraisal rights are statutory rights under the DGCL that enable stockholders who object to certain extraordinary transactions to demand that the corporation pay such stockholders the fair value of their shares instead of receiving the consideration offered to stockholders in connection with the extraordinary transaction. However, appraisal rights are not available in all circumstances. Appraisal rights are not available to Landcadia Stockholders or warrant holders in connection with the Business Combination.

Proxy Solicitation

Proxies may be solicited by mail, telephone or in person. Landcadia has engaged Morrow to assist in the solicitation of proxies. If a stockholder grants a proxy, it may still vote its shares at the Special Meeting if it revokes its proxy before the Special Meeting. A stockholder also may change its vote by submitting a later-dated proxy as described in the section entitled “*The Special Meeting — Revoking Your Proxy*”.

Interests of Landcadia’s Sponsors, Directors and Officers in the Business Combination

When considering the Landcadia Board’s recommendation that its stockholders vote in favor of the approval of the Business Combination, Landcadia Stockholders should be aware that directors and officers of Landcadia have interests in the Business Combination that may be different from, or in addition to, the interests of Landcadia Stockholders. Accounting Treatment

The Business Combination will be accounted for as a reverse recapitalization in accordance with GAAP. Under this method of accounting, Landcadia will be treated as the "acquired" company for accounting purposes and the business combination will be treated as the equivalent of Hillman Holdco issuing stock for the net assets of Landcadia, accompanied by a recapitalization. The net assets of Hillman Holdco will be stated at historical cost, with no goodwill or other intangible assets recorded.

Hillman Holdco has been determined to be the accounting acquirer based on evaluation of the following facts and circumstances:

- Hillman Holdco's existing stockholders will have the greatest voting interest in the combined entity under the no and maximum redemption scenarios with 48.7% and 52.5% of the voting interest in each scenario, respectively;
- The largest individual minority stockholder of the combined entity is an existing stockholder of Hillman Holdco;
- Hillman Holdco's directors will represent the majority of the new board of directors of New Hillman;
- Hillman Holdco's senior management will be the senior management of New Hillman; and
- Hillman Holdco, together with its direct and indirect subsidiaries, is the larger entity based on historical revenue and has the larger employee base.

The preponderance of evidence as described above is indicative that Hillman Holdco is the accounting acquirer in the Business Combination.

Comparison of Stockholders' Rights

Following the consummation of the Business Combination, the rights of Landcadia Stockholders who become New Hillman stockholders in the Business Combination will no longer be governed by the Current

Charter and Landcadia's bylaws and instead will be governed by the Toppan to insert Proposed Charter and the New Hillman Bylaws. See the section entitled "*Comparison of Stockholders' Rights*" for further details.

- Regulations related to conflict minerals could adversely impact our business.

- Increases in the cost of employee health benefits could impact our financial results and cash flows.
- If we become subject to material liabilities under our self-insured programs, our financial results may be adversely affected.
- We occupy most of our locations under long-term non-cancelable leases. We may be unable to renew leases on favorable terms or at all. Also, if we close a location, we may remain obligated under the applicable lease.
- Upon consummation of the Business Combination, we will have significant indebtedness that could affect operations and financial condition and prevent us from fulfilling our obligations under our indebtedness.
- We are subject to fluctuations in interest rates.
- Restrictions imposed by our new senior secured credit facilities and our other outstanding indebtedness, may limit our ability to operate our business and to finance our future operations or capital needs or to engage in other business activities.
- We may not be able to generate sufficient cash to service all of our indebtedness and may be forced to take other actions to satisfy our obligations under our indebtedness, which may not be successful.
- Our ability to repay our debt is affected by the cash flow generated by our subsidiaries.
- Volatility and weakness in bank and capital markets may adversely affect credit availability and related financing costs for us.

Emerging Growth Company

Landcadia is an “emerging growth company,” as defined in Section 2(a) of the Securities Act, as modified by the Section 102(b)(1) of the Jumpstart Our Business Startups Act of 2012 (the “JOBS Act”). Section 102(b)(1) of the JOBS Act exempts emerging growth companies from being required to comply with new or revised financial accounting standards until private companies (that is, those that have not had a registration statement under the Securities Act declared effective or do not have a class of securities registered under the Exchange Act) are required to comply with the new or revised financial accounting standards. The JOBS Act provides that a company can elect to opt out of the extended transition period and comply with the requirements that apply to non-emerging growth companies but any such an election to opt out is irrevocable. Landcadia has elected not to opt out of such extended transition period which means that when a standard is issued or revised and it has different application dates for public or private companies, Landcadia, as an emerging growth company, can adopt the new or revised standard at the time private companies adopt the new or revised standard. This may make comparison of Landcadia’s financial statements with those of another public company that is neither an emerging growth company nor an emerging growth company that has opted out of using the extended transition period difficult or impossible because of the potential differences in accounting standards used.

Landcadia will remain an emerging growth company until the earlier of: (1) the last day of the fiscal year (a) following the fifth anniversary of the closing of Landcadia’s initial public offering, (b) in which we have total annual gross revenue of at least \$1.07 billion, or (c) in which we are deemed to be a large accelerated

filer, which means the market value of our common equity that is held by non-affiliates exceeds \$700 million as of the end of the prior fiscal year's second fiscal quarter; and (2) the date on which we have issued more than \$1.00 billion in non-convertible debt securities during the prior three-year period. References herein to "emerging growth company" have the meaning associated with it in the JOBS Act.

Upon consummation of the Business Combination, Landcadia will cease to be an "emerging growth company."

SUMMARY UNAUDITED PRO FORMA CONDENSED COMBINED FINANCIAL INFORMATION

The following summary unaudited pro forma condensed combined financial data (the “summary pro forma data”) gives effect to the Business Combination and related transactions described in the section entitled “Unaudited Pro Forma Condensed Combined Financial Information”. The Business Combination will be accounted for as a reverse recapitalization, with no goodwill or other intangible assets recorded, in accordance with U.S. generally accepted accounting principles (“GAAP”). Under this method of accounting, Landcadia will be treated as the “acquired” company for financial reporting purposes. Accordingly, for accounting purposes, the Business Combination will be treated as the equivalent of Hillman issuing stock for the net assets of Landcadia, accompanied by a recapitalization. The net assets of Landcadia will be stated at historical cost, with no goodwill or other intangible assets recorded. The summary unaudited pro forma condensed combined statement of operations data for the year ended December 31, 2020 gives pro forma effect to the Business Combination and related transactions as if they had been consummated on January 1, 2020.

The summary pro forma data have been derived from, and should be read in conjunction with, the unaudited pro forma condensed combined financial information of the combined company appearing elsewhere in this proxy statement/prospectus and the accompanying notes. The unaudited pro forma condensed combined financial information is based upon, and should be read in conjunction with, the historical financial statements of Landcadia and related notes and the historical financial statements of Hillman Holdco and related notes included in this proxy statement/prospectus. The summary pro forma data have been presented for informational purposes only and are not necessarily indicative of what the combined company’s financial position or results of operations actually would have been had the Business Combination and related transactions been completed as of the dates indicated. In addition, the summary pro forma data do not purport to project the future financial position or operating results of the combined company.

The following table presents summary pro forma data after giving effect to the Business Combination and related transactions, assuming two redemption scenarios as follows:

- Assuming No Redemption — this scenario assumes that no shares of Landcadia Class A common stock are redeemed; and
- Assuming Maximum Redemption — this scenario assumes that 13.7 million shares of Landcadia Class A common stock are redeemed upon the Closing for a total redemption price of \$137 million, with the number of redemptions being determined by assuming that the redemption price is \$10.00 per share and that the maximum number of redemptions that may occur is that number that still enables the minimum cash and net debt conditions to closing under the Merger Agreement to be satisfied, assuming the closing had occurred on March 31, 2021.

If the actual facts are different than these assumptions, including as to the amount of Hillman's cash and net debt, then the maximum number of redemptions and the amounts and shares outstanding in the unaudited pro forma condensed combined financial information will be different.

FINANCIAL INFORMATION**

The following table sets forth selected historical comparative share information for Landcadia and Hillman Holdco and unaudited pro forma condensed combined per share information of the combined company after giving effect to the Business Combination and related transactions, assuming two redemption scenarios as follows:

- Assuming No Redemption — this scenario assumes that no shares of Landcadia Class A common stock are redeemed; and
- Assuming Maximum Redemption — this scenario assumes that 13.7 million shares of Landcadia Class A common stock are redeemed for an aggregate payment of approximately \$137 million, with the number of redemptions being determined by assuming that the redemption price is \$10.00 per share and that the maximum number of redemptions that may occur is that number that still enables the minimum cash and net debt conditions to closing under the Merger Agreement to be satisfied, assuming the closing had occurred on March 27, 2021.

The pro forma stockholders' equity information reflects the Business Combination and related transactions as if they had occurred on March 31, 2021. The weighted average shares outstanding and net loss per share information give pro forma effect to the Business Combination and related transactions as if they had occurred on March 31, 2021 and December 31, 2020, respectively.

RISK FACTORS

Risks Related to Hillman’s Business and Indebtedness

Unless the context otherwise requires, references in this subsection “— Risks Related to Hillman’s Business and Industry” to “we”, “us”, “our”, and “the Company” generally refer to Hillman in the present tense or New Hillman from and after the Business Combination.

You should carefully consider the following risks. However, the risks set forth below are not the only risks that we face, and we face other risks which have not yet been identified or which are not yet otherwise predictable. If any of the following risks occur or are otherwise realized, our business, financial condition, and results of operations could be materially adversely affected. You should carefully consider the risks described below and all other information in this filing, including our Consolidated Financial Statements and the related Notes to Consolidated Financial Statements and schedules thereto.

Risks Related to Hillman’s Business

Supply and demand for our products is influenced by general economic conditions and trends in spending on repair and remodel home projects, new home construction, and personal protective equipment. Adverse trends in, among other things, the general health of the economy, consumer confidence, interest rates, repair and remodel home projects, new home construction activity, commercial construction activity and the use of personal protective equipment could adversely affect our business.

Demand for our products is impacted by general economic conditions in North American and other international markets including, without limitation, inflation, recession, instability in financial or credit markets, the level of consumer debt, interest rates, discretionary spending and the ability of our customers to obtain credit. We are particularly impacted by spending trends in existing home sales, new home construction activity, home repair and remodel activity, commercial construction and demand for personal protective equipment including masks and cleaning supplies. While we believe consumer preferences have increased spending on the home and personal protective equipment, the level of spending could decrease in the future. Our customers, suppliers, and other parties with whom we do business are also impacted by the foregoing conditions and adverse changes may result in financial difficulties leading to restructurings, bankruptcies, liquidations, and other unfavorable events for our customers, suppliers, and other service providers. Adverse trends in any of the foregoing factors could reduce our sales, adversely impact the mix of our sales or increase our costs which could have a material adverse effect on our business, financial condition and results of operations.

The COVID-19 pandemic could have a material adverse effect on our business, financial condition and results of operations.

In December 2019, a strain of coronavirus, now known as COVID-19, was reported to have surfaced in Wuhan, China. Since that time, the widespread and sustained transmission of the virus has reached global pandemic status. In response to the pandemic, many national and international health agencies have recommended, and many countries and state, provincial and local governments have implemented, various measures, including travel bans and restrictions, limitations on public and private gatherings, business closures or operating restrictions, social distancing, and shelter-in-place orders.

Given the ongoing and dynamic nature of the COVID-19 virus and the worldwide response related thereto, it is difficult to predict the full impact of the ongoing COVID-19 pandemic on our business. Although the reported cases of COVID-19 have decreased in certain regions of the world, they have continued to increase in others, including the United States and other regions in which we operate, and it is uncertain when the pandemic or its effects will subside.

We could experience future reductions in demand for our products depending on the future course of the pandemic and related actions taken to curb its spread.

The increased demand for imported goods driven by a shift in consumer spending has also stressed the global supply chain from factory production capacity to transportation availability. The impact of a

continued COVID-19 outbreak or sustained measures taken to limit or contain the outbreak could have a material adverse effect on our business, financial condition, results of operations and cash flows. Our suppliers could fail to deliver product in a timely manner as a result of disruption to the global supply chain due to the ongoing COVID-19 pandemic. If such failures occur, we may be unable to provide products when requested by our customers. Our business could be substantially disrupted if we were required to, or chose to, replace the products from one or more major suppliers with products or services from another source, especially if the replacement became necessary on short notice. Any such disruption could increase our costs, decrease our operating efficiencies and have a material adverse effect on our business, results of operations and financial condition.

Demand for our personal protective products could exceed global supply capacity thereby causing increased costs and limited availability.

The extent to which the ongoing COVID-19 pandemic impacts us will depend on numerous evolving factors and future developments that we are not able to predict, including:

- the duration of the pandemic, including the ability of governments and health care providers to timely distribute available vaccines and the efficacy of such vaccines;
- governmental, business and other actions (which could include limitations on our operations or mandates to provide products or services) taken to limit the reach of the virus and the impact of the pandemic;
- the impact on our supply chain;
- the impact on our contracts with customers and suppliers, including potential disputes over whether COVID-19 constitutes a force majeure event;
- the impact of the pandemic on worldwide economic activity;
- the health of and the effect on our workforce and our ability to meet the staffing needs of our critical functions, particularly if members of our work force are infected with COVID-19, quarantined as a result of exposure to COVID-19 or unable to work remotely in areas subject to shelter-in-place orders;
- the health and effect on our distribution network staff, if we need to close any of our facilities or a critical number of our employees become too ill to work;
- any impairment in value of our tangible or intangible assets that could be recorded as a result of a weaker economic conditions; and
- the potential effects on our internal controls including those over financial reporting as a result of changes in working environments such as shelter-in-place and similar orders that are applicable to our team members and business partners, among others.

We operate in a highly competitive industry, which may have a material adverse effect on our business, financial condition, and results of operations.

The retail industry is highly competitive, with the principal methods of competition being product innovation, price, quality of service, quality of products, product availability and timeliness, credit terms, and the provision of value-added services, such as merchandising design, in-store service, and inventory management. We encounter competition from a large number of regional and national distributors which could adversely affect our business, financial condition, and results of operations.

To compete successfully, we must develop and commercialize a continuing stream of innovative new products that create consumer demand.

Our long-term success in the current competitive environment depends on our ability to develop and commercialize a continuing stream of innovative new products, including those in our new mass merchant fastener program, which create and maintain consumer demand. We also face the risk that our competitors will introduce innovative new products that compete with our products. Our strategy includes increased investment in new product development and continued focus on innovation. There are, nevertheless, numerous

uncertainties inherent in successfully developing and commercializing innovative new products on a continuing basis, and new product launches may not provide expected growth results.

Our business may be adversely affected by seasonality.

In general, we have experienced seasonal fluctuations in sales and operating results from quarter to quarter. Typically, the first calendar quarter is the weakest due to the effect of weather on home projects and the construction industry. If adverse weather conditions persist on a regional or national basis into the second or other calendar quarters, our business, financial condition, and results of operations may be materially adversely affected.

Because our business is working capital intensive, we rely on our ability to manage our product purchasing and customer credit policies.

Our operations are working capital intensive, and our inventories, accounts receivable and accounts payable are significant components of our net asset base. We manage our inventories and accounts payable through our purchasing policies and our accounts receivable through our customer credit policies. If we fail to adequately manage our product purchasing or customer credit policies, our working capital and financial condition may be adversely affected.

We are subject to inventory management risks: insufficient inventory may result in increased costs, lost sales and lost customers, while excess inventory may increase our costs.

We balance the need to maintain inventory levels that are sufficient to maintain superior customer fulfillment levels against the risk and financial costs of carrying excess inventory levels. In order to successfully manage our inventories, we must estimate demand from our customers at the product level and timely purchase products in quantities that substantially correspond to that demand. If we overestimate demand and purchase too much of a particular product, we could have excess inventory handling costs, distribution center capacity constraints and inventory that we cannot sell profitably. In addition, we may have to write down such inventory if we are unable to sell it for its recorded value. By contrast, if we underestimate demand and purchase insufficient quantities of a product, and/or do not maintain enough inventory of a product we may not be able to fulfill customer orders on a timely basis which could result in fines, the loss of sales and ultimately loss of customers for those products as they turn to our competitors. Our business, financial condition and results of operations could suffer a material adverse effect if either or both of these situations occur frequently or in large volumes.

We have substantial fixed costs and, as a result, our operating income is sensitive to changes in our net sales.

A significant portion of our expenses are fixed costs (including personnel), which do not fluctuate with net sales. Consequently, a percentage decline in our net sales could have a greater percentage effect on our operating income if we do not act to reduce personnel or take other cost reduction actions. Any decline in our net sales would cause our profitability to be adversely affected.

Large customer concentration and the inability to penetrate new channels of distribution could adversely affect our business.

Our two largest customers constituted approximately \$169.9 million of net sales for the thirteen weeks ended March 27, 2021 and \$671.4 million of net sales for fiscal 2020. Our two largest customers constituted approximately \$63.8 million of the accounts receivable balance as of March 27, 2021 and \$54.7 million of the year-end accounts receivable balance for 2020. Each of these customers is a big box chain store. Our results of operations depend greatly on our ability to maintain existing relationships and arrangements with these big box chain stores. To the extent that the big box chain stores are materially adversely impacted by the changing retail landscape, this could have a negative effect on our results of operations. These two customers have been key components of our growth and failure to maintain fulfillment and service levels or relationships with these customers could result in a material loss of business. Our inability to penetrate new channels of distribution, including ecommerce, may also have a negative impact on our future sales and business.

Successful sales and marketing efforts depend on our ability to recruit and retain qualified employees.

The success of our efforts to grow our business depends on the contributions and abilities of key executives, our sales force, and other personnel, including the ability of our sales force to achieve adequate customer coverage. We must therefore continue to recruit, retain, and motivate management, sales, and other personnel to maintain our current business and to support our projected growth. A shortage of these key employees might jeopardize our ability to implement our growth strategy.

Increases in labor costs, potential labor disputes and work stoppages or an inability to hire skilled distribution, sales and other personnel could adversely affect our business.

An increase in labor costs, work stoppages or disruptions at our facilities or those of our suppliers or transportation service providers, or other labor disruptions, could decrease our sales and increase our expenses. In addition, although our employees are not represented by a union, our labor force may become subject to labor union organizing efforts, which could cause us to incur additional labor costs and increase the related risks that we now face.

A significant increase in the salaries and wages paid by competing employers could result in a reduction of our labor force, increases in the salaries and wages that we must pay or both. If we are unable to hire warehouse, distribution, sales and other personnel, our ability to execute our business plan, and our results of operations, would suffer.

We are exposed to adverse changes in currency exchange rates.

Exposure to foreign currency risk exists because we, through our global operations, enter into transactions and make investments denominated in multiple currencies. Our predominant exposures are in Canadian, Mexican, and Asian currencies, including the Chinese Yuan (“CNY”). In preparing our Consolidated Financial Statements for foreign operations with functional currencies other than the U.S. dollar, asset and liability accounts are translated at current exchange rates and income and expenses are translated using weighted-average exchange rates. With respect to the effects on translated earnings, if the U.S. dollar strengthens relative to local currencies, our earnings could be negatively impacted. We do not make a practice of hedging our non-U.S. dollar earnings.

We source many products from China and other Asian countries for resale in other regions. To the extent that the CNY or other currencies appreciate with respect to the U.S. dollar, we may experience cost increases on such purchases. The U.S. dollar had no material change during the thirteen weeks ended March 27, 2021, decreased in value relative to the CNY by 6.5% in 2020, increased by 1.7% in 2019 and increased by 5.7% in 2018. Significant appreciation of the CNY or other currencies in countries where we source our products could adversely impact our profitability. In addition, our foreign subsidiaries in Canada and Mexico may purchase certain products from their vendors denominated in U.S. dollars. If the U.S. dollar strengthens compared to the local currencies, it may result in margin erosion. We have a practice of hedging some of our Canadian subsidiary’s purchases denominated in U.S. dollars. We may not be successful at implementing customer pricing or other actions in an effort to mitigate the related cost increases and thus our results of operations may be adversely impacted.

Our results of operations could be negatively impacted by inflation or deflation in supply chain costs, including raw materials, sourcing, transportation and energy.

Our products are manufactured of metals, including but not limited to steel, aluminum, zinc, and copper. Additionally, we use other commodity-based materials in the manufacture of LNS that are resin-based and subject to fluctuations in the price of oil. We source the majority of our products from third parties and are subject to changes in their underlying manufacturing costs. We also use third parties for transportation and are exposed to fluctuations in freight costs to transport goods from our suppliers to our distribution facilities and from there to our customers, as well as the price of diesel fuel in the form of freight surcharges on customer shipments and the cost of gasoline used by the field sales and service force. Inflation in these costs could result in significant cost increases. If we are unable to mitigate the any cost increases from the foregoing factors through various customer pricing actions and cost reduction initiatives, our financial condition may be adversely affected. Conversely, in the event that there is deflation, we may

experience pressure from our customers to reduce prices. There can be no assurance that we would be able to reduce our cost base (through negotiations with suppliers or other measures) to offset any such price concessions which could adversely impact our results of operations and cash flows.

We are subject to the risks of doing business internationally.

A portion of our revenue is generated outside the United States, primarily from customers located in Canada, Mexico, Latin America, and the Caribbean. Because we sell our products and services outside the United States, our business is subject to risks associated with doing business internationally, which include:

- changes in a specific country's or region's political and cultural climate or economic condition;
- unexpected or unfavorable changes in foreign laws and regulatory requirements;
- difficulty of effective enforcement of contractual provisions in local jurisdictions;
- inadequate intellectual property protection in foreign countries;
- the imposition of duties and tariffs and other trade barriers;
- trade-protection measures, import or export licensing requirements such as Export Administration Regulations promulgated by the U.S. Department of Commerce, Economic Sanctions Laws and Regulations administered by the Office of Foreign Assets Control, and fines, penalties, or suspension or revocation of export privileges;
- violations of the United States Foreign Corrupt Practices Act;
- the effects of applicable and potentially adverse foreign tax law changes;
- significant adverse changes in foreign currency exchange rates; and
- difficulties associated with repatriating cash in a tax-efficient manner.

Any failure to adapt to these or other changing conditions in foreign countries in which we do business could have an adverse effect on our business and financial results.

Our business is subject to risks associated with sourcing product from overseas.

We import a significant amount of our products and rely on foreign sources to meet our supply demands at prices that support our current operating margins. Substantially all of our import operations are subject to customs requirements and to tariffs and quotas set by governments through mutual agreements or unilateral actions. The U.S. tariffs on steel and aluminum and other imported goods have materially increased the costs of many of our foreign sourced products, and any escalation in the tariffs will increase the impact. In order to sustain current operating margins while the tariffs are in effect, we must be able to increase prices with our customers and find alternative, similarly priced sources that are not subject to the tariffs. If we are unable to effectively implement these countermeasures, our operating margins will be impacted.

In addition, the countries from which our products and materials are manufactured or imported may, from time to time, impose additional quotas, duties, tariffs, or other restrictions on their imports or adversely modify existing restrictions. Adverse changes in these import costs and restrictions, or our suppliers' failure to comply with customs regulations or similar laws, could harm our business.

If any of our existing vendors fail to meet our needs, we believe that sufficient capacity exists in the open market to supply any shortfall that may result. However, it is not always possible to replace a vendor on short notice without disruption in our operations which may require more costly expedited transportation expense and replacement of a major vendor is often at higher prices.

Our ability to import products in a timely and cost-effective manner may also be affected by conditions at ports or issues that otherwise affect transportation and warehousing providers, such as port and shipping capacity, labor disputes, severe weather, or increased homeland security requirements in the U.S. and other countries. These issues could delay importation of products or require us to locate alternative ports or

warehousing providers to avoid disruption to customers. These alternatives may not be available on short notice or could result in higher transit costs, which could have an adverse impact on our business and financial condition.

Further, our business could be adversely affected by the recent outbreak of COVID-19. This situation may have a material and adverse effect on our business which could include temporary closures of our facilities, the facilities of our suppliers, and other disruptions caused to us, our suppliers or customers. This may adversely affect our results of operations, financial position, and cash flows.

Acquisitions have formed a significant part of our growth strategy in the past and may continue to do so. If we are unable to identify suitable acquisition candidates, successfully integrate an acquired business, or obtain financing needed to complete an acquisition, our growth strategy may not succeed.

Historically, our growth strategy has relied in part on acquisitions that either expand or complement our businesses in new or existing markets. However, there can be no assurance that we will be able to identify or acquire acceptable acquisition candidates on terms favorable to us and in a timely manner, if at all, to the extent necessary.

The process of integrating acquired businesses into our operations may result in unforeseen difficulties and may require a disproportionate amount of resources and management attention, and there can be no assurance that we will be able to successfully integrate acquired businesses into our operations. Additionally, we may not achieve the anticipated benefits from any acquisition.

Unfavorable changes in the current economic environment may make it difficult to acquire businesses in order to further our growth strategy. We will continue to seek acquisition opportunities both to expand into new markets and to enhance our position in our existing markets. However, our ability to do so will depend on a number of factors, including our ability to obtain financing that we may need to complete a proposed acquisition opportunity which may be unavailable or available on terms that are not advantageous to us. If financing is unavailable, we may be forced to forego otherwise attractive acquisition opportunities which may have a negative effect on our ability to grow.

If we were required to write down all or part of our goodwill or indefinite-lived trade names, our results of operations could be materially adversely affected.

We have \$816.7 million of goodwill and \$85.7 million of indefinite-lived trade names recorded on our accompanying Consolidated Balance Sheets at March 27, 2021. We are required to periodically determine if our goodwill or indefinite-lived trade names have become impaired, in which case we would write down the impaired portion. If we were required to write down all or part of our goodwill or indefinite-lived trade names, our net income could be materially adversely affected.

Our success is highly dependent on information and technology systems.

We believe that our proprietary computer software programs are an integral part of our business and growth strategies. We depend on our information systems to process orders, to manage inventory and accounts receivable collections, to purchase, sell, and ship products efficiently and on a timely basis, to maintain cost-effective operations, and to provide superior service to our customers. If these systems are damaged, intruded upon, shutdown, or cease to function properly (whether by planned upgrades, force majeure, telecommunications failures, hardware or software break-ins or viruses, other cyber-security incidents, or otherwise), we may suffer disruption in our ability to manage and operate our business.

There can be no assurance that the precautions which we have taken against certain events that could disrupt the operations of our information systems will prevent the occurrence of such a disruption. Any such disruption could have a material adverse effect on our business and results of operations.

Unauthorized disclosure of sensitive or confidential customer, employee, supplier, or Company information, whether through a breach of our computer systems, including cyber-attacks or otherwise, could severely harm our business.

As part of our business, we collect, process, and retain sensitive and confidential personal information about our customers, employees, and suppliers. Despite the security measures we have in place, our facilities

and systems, and those of the retailers and other third party distributors with which we do business, may be vulnerable to security breaches, cyber-attacks, acts of vandalism, computer viruses, misplaced or lost data, programming and/or human errors, or other similar events. Any security breach involving the misappropriation, loss, or other unauthorized disclosure of confidential customer, employee, supplier, or Company information, whether by us or by the retailers and other third party distributors with which we do business, could result in losses, severely damage our reputation, expose us to the risks of litigation and liability, disrupt our operations, and have a material adverse effect on our business, results of operations, and financial condition. The regulatory environment related to information security, data collection, and privacy is increasingly rigorous, with new and constantly changing requirements applicable to our business, and compliance with those requirements could result in additional costs.

Failure to adequately protect intellectual property could adversely affect our business.

Intellectual property rights are an important and integral component of our business. We attempt to protect our intellectual property rights through a combination of patent, trademark, copyright, and trade secret laws, as well as licensing agreements and third-party nondisclosure and assignment agreements.

In the event that our trademarks or patents are successfully challenged and we lose the rights to use those trademarks or patents, or if we fail to prevent others from using them, we could experience reduced sales or be forced to redesign or rebrand our products, requiring us to devote resources to product development, advertising and marketing new products and brands. In addition, we cannot be sure that any pending trademark or patent applications will be granted or will not be challenged or opposed by third parties or that we will be able to enforce our trademark rights against counterfeiters.

Failure to obtain or maintain adequate protection of our intellectual property rights for any reason could have a material adverse effect on our business, results of operations and financial condition.

Our success depends in part on our ability to operate without infringing on or misappropriating the proprietary rights of others, and if we are unable to do so we may be liable for damages.

We cannot be certain that United States or foreign patents or patent applications of other companies do not exist or will not be issued that would prevent us from commercializing our products. Third parties may sue us for infringing or misappropriating their patent or other intellectual property rights. Intellectual property litigation is costly. If we do not prevail in litigation, in addition to any damages we might have to pay, we could be required to cease the infringing activity or obtain a license requiring us to make royalty payments. It is possible that a required license may not be available to us on commercially acceptable terms, if at all. In addition, a required license may be non-exclusive, and therefore our competitors may have access to the same technology licensed to us. If we fail to obtain a required license or are unable to design around another company's patent, we may be unable to make use of some of the affected products, which would reduce our revenues.

The defense costs and settlements for patent infringement lawsuits are not covered by insurance. Patent infringement lawsuits can take years to settle. If we are not successful in our defenses or are not successful in obtaining dismissals of any such lawsuit, legal fees or settlement costs could have a material adverse effect on our results of operations and financial position.

Recent changes in United States patent laws may limit our ability to obtain, defend, and/or enforce our patents.

The United States has recently enacted and implemented wide ranging patent reform legislation. The United States Supreme Court has ruled on several patent cases in recent years, either narrowing the scope of patent protection available in certain circumstances or weakening the rights of patent owners in certain situations. In addition to increasing uncertainty with regard to our ability to obtain patents in the future, this combination of events has created uncertainty with respect to the value of patents, once obtained. Depending on actions by the United States Congress, the United States federal courts, and the United States Patent and Trademark Office, the laws and regulations governing patents could change in unpredictable ways that could weaken our ability to obtain new patents or to enforce patents that we have licensed or that we might obtain in the future. Similarly, changes in patent law and regulations in other countries or jurisdictions, changes in the governmental bodies that enforce them or changes in how the relevant

governmental authority enforces patent laws or regulations may weaken our ability to obtain new patents or to enforce patents that we have licensed or that we may obtain in the future.

Regulations related to conflict minerals could adversely impact our business.

The Dodd-Frank Wall Street Reform and Consumer Protection Act contains provisions to improve transparency and accountability concerning the supply of certain minerals, known as “conflict minerals”, originating from the Democratic Republic of Congo (“DRC”) and adjoining countries. These rules could adversely affect the sourcing, supply, and pricing of materials used in our products, as the number of suppliers who provide conflict-free minerals may be limited. We may also suffer harm to our image if we determine that certain of our products contain minerals not determined to be conflict-free or if we are unable to modify our products to avoid the use of such materials. We may also face challenges in satisfying customers who may require that our products be certified as containing conflict-free minerals.

Future changes in financial accounting standards may significantly change our reported results of operations.

The accounting principles generally accepted in the United States of America (“GAAP”) are subject to interpretation by the Financial Accounting Standards Board (“FASB”), the American Institute of Certified Public Accountants, the SEC and various bodies formed to promulgate and interpret appropriate accounting principles. A change in these principles or interpretations could have a significant effect on our reported financial results and could affect the reporting of transactions completed before the announcement of a change. Additionally, our assumptions, estimates and judgments related to complex accounting matters could significantly affect our financial results. GAAP and related accounting pronouncements, implementation guidelines and interpretations with regard to a wide range of matters that are relevant to our business, including, but not limited to, revenue recognition, impairment of long-lived assets, leases and related economic transactions, intangibles, self-insurance, income taxes, property and equipment, litigation and stock-based compensation are highly complex and involve many subjective assumptions, estimates and judgments by us. Changes in these rules or their interpretation or changes in underlying assumptions, estimates or judgments by us (i) could require us to make changes to our accounting systems to implement these changes that could increase our operating costs and (ii) could significantly change our reported or expected financial performance.

Future tax law changes and tax audits may materially increase our prospective income tax expense.

We are subject to income taxation in many jurisdictions in the U.S. as well as foreign jurisdictions. Judgment is required in determining our worldwide income tax provision and, accordingly, there are many transactions and computations for which our final income tax determination is uncertain. We are occasionally audited by income tax authorities in several tax jurisdictions. Although we believe the recorded tax estimates on our financial statements are reasonable, the ultimate outcome from any audit (or related litigation) could be materially different from amounts reflected in our income tax provisions and accruals. Future settlements of income tax audits may have a material effect on earnings between the period of initial recognition of tax estimates in the financial statements and the point of ultimate tax audit settlement.

Additionally, it is possible that future income tax legislation, regulations or interpretations thereof and/or import tariffs in any jurisdiction to which we are subject to taxation may be enacted and such changes could have a material impact on our worldwide income tax provision beginning with the period during which such changes become effective. In addition, our future effective tax rates could be subject to volatility or adversely affected by a number of factors, including:

- changes in the valuation of our deferred tax assets and liabilities;
- expected timing and amount of the release of any tax valuation allowances;
- tax effects of stock-based compensation;
- costs related to intercompany restructurings; and
- lower than anticipated future earnings in jurisdictions where we have lower statutory tax rates and higher than anticipated future earnings in jurisdictions where we have higher statutory tax rates.

We have identified material weaknesses in our internal control over financial reporting that, if not properly corrected, could materially adversely affect our operations and result in material misstatements in our financial statements.

We have concluded that our internal control over financial reporting was ineffective as of December 26, 2020 because material weaknesses existed in our internal control over financial reporting. We concluded that we did not design and maintain effective controls over the completeness and accuracy of the accounting for, and disclosure of, the valuation allowance against deferred income taxes. The material weakness resulted in material errors in the application of certain provisions of the Tax Cuts and Jobs Act of 2017 (“2017 Tax Act”) related to the IRC §163(j) interest limitation (Interest Limitation). This material weakness resulted in material errors in our income tax benefit and deferred tax liabilities that were corrected through the restatement of the consolidated financial statements as of and for the years ended December 28, 2019 and December 29, 2018. If we are unable to remediate our material weaknesses in a timely manner, we may be unable to provide required financial information in a timely and reliable manner and we may incorrectly report financial information. Either of these events could have a material adverse effect on our operations, investor, supplier and customer confidence in our reported financial information.

We are subject to legal proceedings and legal compliance risks.

We are involved in various legal proceedings, which from time to time may involve lawsuits, state and federal governmental inquiries, audits and investigations, environmental matters, employment, tort, state false claims act, consumer litigation, and intellectual property litigation. At times, such matters may involve executive officers and other management. Certain of these legal proceedings may be a significant distraction to management and could expose us to significant liability, including settlement expenses, damages, fines, penalties, attorneys’ fees and costs, and non-monetary sanctions, any of which could have a material adverse effect on our business and results of operations.

Increases in the cost of employee health benefits could impact our financial results and cash flows.

Our expenses relating to employee health benefits, for which we are primarily self insured, are significant. Healthcare costs have risen significantly in recent years, and recent legislative and private sector initiatives regarding healthcare reform have resulted and could continue to result in significant changes to the U.S. healthcare system. Unfavorable changes in the cost of such benefits could have a material adverse effect on our financial results and cash flows.

If we become subject to material liabilities under our self-insured programs, our financial results may be adversely affected.

We provide workers’ compensation, automobile and product/general liability coverage through a high deductible insurance program. In addition, we are self-insured for our health benefits and maintain per employee stop-loss coverage. Although we believe that we have adequate stop-loss coverage for catastrophic claims to cap the risk of loss, our results of operations and financial condition may be adversely affected if the number and severity of claims that are not covered by stop-loss insurance increases.

We occupy most of our locations under long-term non-cancelable leases. We may be unable to renew leases on favorable terms or at all. Also, if we close a location, we may remain obligated under the applicable lease.

Most of our locations are located in leased premises. Many of our current leases are non-cancelable and typically have terms ranging from two to fourteen years, with options to renew for specified periods of time. We believe that leases we enter into in the future will likely be long-term and noncancelable and have similar renewal options. However, there can be no assurance that we will be able to renew our current or future leases on favorable terms or at all which could have an adverse effect on our ability to operate our business and on our results of operations. In addition, if we close a location, we generally remain committed to perform our obligations under the applicable lease, which include, among other things, payment of the base rent for the balance of the lease term. Our obligation to continue making rental payments in respect of leases for closed locations could have an adverse effect on our business and results of operations.

Risks Relating to Hillman's Indebtedness

Upon consummation of the Business Combination, we will have significant indebtedness that could affect operations and financial condition and prevent us from fulfilling our obligations under our indebtedness.

Upon consummation of the Business Combination, we will have a significant amount of indebtedness. On March 27, 2021, total indebtedness was \$1,594.9 million, consisting of \$1,486.2 million of indebtedness of The Hillman Companies, Inc. and \$108.7 million of indebtedness of Hillman Group. \$1,034.4 million of such indebtedness is indebtedness issued under the existing term loan facility, \$120.0 million of such indebtedness is indebtedness issued under the existing asset-based revolving credit facility (the “Existing ABL Facility”), \$330.0 million of such indebtedness is indebtedness issued under the 6.375% Senior Notes and \$1.8 million is indebtedness under capital lease obligations, \$108.7 million of such indebtedness is indebtedness issued by The Hillman Companies, Inc. under the Junior Subordinated Debentures. Additional indebtedness could be incurred by Hillman in advance of the closing in connection with acquisitions or for other purposes. All such indebtedness is expected to be refinanced in connection with the Business Combination. In connection with the Business Combination, we expect to refinance all of our existing indebtedness under the existing term loan facility, the Existing ABL Facility, the 6.375% Senior Notes and the Junior Subordinated Debentures, as described in the table under “*Sources and Uses of Funds for the Business Combination*”. In order to obtain a portion of the proceeds necessary for the refinancing and certain other transaction, Hillman Group plans to obtain new senior secured credit facilities, which are expected to include a \$250.0 million asset-based revolving credit facility, a \$835.0 million term loan facility through an amendment and restatement of the Existing ABL Facility (the “New ABL Facility”), which may be increased up to a maximum amount of \$1,185.0 million based on the amount of cash redemptions by the public stockholders of their public shares, and a \$200.0 million delayed draw term loan facility to be used for acquisitions and related transactions, including to refinance acquisition debt incurred prior to Closing, which shall be reduced dollar for dollar by the amount of cash redemptions by the public stockholders of their public shares in excess of \$150.0 million, subject to satisfaction or waiver of the conditions precedent to the Business Combination.

Hillman Group’s substantial indebtedness could have important consequences. For example, it could:

- make it difficult for us to satisfy obligations to holders of our indebtedness
- increase our vulnerability to general adverse economic and industry conditions;
- require the dedication of a substantial portion of cash flow from operations to payments on indebtedness, thereby reducing the availability of cash flow to fund working capital, capital expenditures, research and development efforts, and other general corporate purposes;
- limit flexibility in planning for, or reacting to, changes in our business and the industry in which we operate;
- place us at a competitive disadvantage compared to competitors that have less debt; and
- limit our ability to borrow additional funds.

We are subject to fluctuations in interest rates.

All of our indebtedness incurred under the Hillman Group’s senior secured credit facilities will have variable interest rates. Increases in borrowing rates will increase our cost of borrowing, which may adversely affect our results of operations and financial condition. Furthermore, regulatory changes, such as the announcement of the United Kingdom’s Financial Conduct Authority to phase out the London Interbank Offered Rate (“LIBOR”) by the end of 2021, may adversely affect our floating rate debt and interest rate derivatives. We may enter into interest rate derivatives that hedge risks related to floating for fixed rate interest payments in order to reduce interest rate volatility. However, we may not maintain interest rate swaps with respect to all of our variable rate indebtedness.

Restrictions imposed by our new senior secured credit facilities and our other outstanding indebtedness, may limit our ability to operate our business and to finance our future operations or capital needs or to engage in other business activities.

Hillman Group’s new senior secured credit facilities will contain restrictive covenants that limit our ability to engage in certain types of activities and transactions that may be in our long-term best interests.

The failure to comply with those covenants could result in an event of default which, if not cured or waived, could result in the acceleration of all outstanding indebtedness under our new secured credit facilities. In the event our lenders accelerate the repayment of our outstanding indebtedness, we and our subsidiaries may not have sufficient cash and assets to repay that indebtedness. These covenants restrict Hillman Group's ability and the ability of its restricted subsidiaries, among other things, to:

- incur additional indebtedness and create additional liens;
- pay dividends on our capital stock or redeem, repurchase, or retire our capital stock or indebtedness;
- make investments, loans, advances, and acquisitions;
- repay prior to maturity certain indebtedness that is subordinated in right of payment or secured on a junior basis to the new credit facilities;
- engage in transactions with our affiliates;
- sell assets, including capital stock of our subsidiaries; and
- consolidate or merge.

We may not be able to generate sufficient cash to service all of our indebtedness and may be forced to take other actions to satisfy our obligations under our indebtedness, which may not be successful.

Our ability to make scheduled payments on our debt obligations depends on our financial condition and operating performance, which is subject to prevailing economic and competitive conditions and to certain financial, business, and other factors beyond our control. We may not be able to maintain a level of cash flows from operating activities sufficient to permit us to pay the principal, premium, if any, and interest on our indebtedness. If our cash flows and capital resources are insufficient to fund our debt service obligations, we may be forced to reduce or delay investments and capital expenditures, or to sell assets seek additional capital, or restructure or refinance our indebtedness. The terms of existing or future debt instruments may restrict us from adopting some of these alternatives. In addition, any failure to make payments of interest and principal on our outstanding indebtedness on a timely basis would likely result in a reduction of our credit rating, which could harm our ability to incur additional indebtedness. In the absence of such operating results and resources, we could face substantial liquidity problems and might be required to dispose of material assets or operations to meet our debt service and other obligations. In addition, the ability to borrow under Hillman Group's new asset-based revolving credit facility is subject to limitations based on advances rates against certain eligible inventory and accounts receivables that collateralize the underlying loans. Our ability to access the full \$250.0 million of revolving credit can be affected by events beyond our control if the value of our inventory and accounts receivables is materially adversely affected.

Our ability to repay our debt is affected by the cash flow generated by our subsidiaries.

Our subsidiaries own all of our operating assets and conduct all of our operations. As a result, our ability to make future dividend payments, if any, is dependent on the earnings of our subsidiaries and the payment of those earnings to us in the form of dividends, loans or advances and through repayment of loans or advances from us. Payments to us by our subsidiaries will be contingent upon our subsidiaries' earnings and other business considerations and may be subject to statutory or contractual restrictions, including the credit agreements governing our credit facilities. To the extent that we determine in the future to pay dividends on our common stock, the ability of our operating subsidiaries to pay dividends will be restricted by the credit agreements governing credit facilities of The Hillman Group, Inc., our wholly owned indirect subsidiary. Under the credit agreements, dividends may only be paid to us by The Hillman Group, Inc. and its subsidiaries for corporate overhead expenses, taxes attributable to The Hillman Group, Inc. and its subsidiaries and otherwise pursuant to customary baskets and exceptions. These baskets and exceptions include customary fixed dollar baskets, a basket based on excess cash flow (as determined under the credit agreements) not required to prepay the term loans under the credit facilities and equity proceeds among other things, an unlimited amount under the credit agreement governing our asset-based revolving credit facility subject to satisfying minimum availability requirements for borrowings under the credit agreement and the

absence of certain defaults, and an unlimited amount under the credit agreement governing our term loan facilities subject to The Hillman Group, Inc.'s total leverage not exceeding certain thresholds on a pro forma basis.

Volatility and weakness in bank and capital markets may adversely affect credit availability and related financing costs for us.

Bank and capital markets can experience periods of volatility and disruption. During periods of volatile credit markets, there is a risk that lenders, even those with strong balance sheets and sound lending practices, could fail or refuse to honor their legal commitments and obligations under existing credit commitments. Although we currently can access the bank and capital markets, there is no assurance that such markets will continue to be a reliable source of financing for us. These factors, including the tightening of credit markets, could adversely affect our ability to obtain cost-effective financing. Increased volatility and disruptions in the financial markets also could make it more difficult and more expensive for us to obtain financing. In addition, the adoption of new statutes and regulations, the implementation of recently enacted laws or new interpretations or the enforcement of older laws and regulations applicable to the financial markets or the financial services industry could result in a reduction in the amount of available credit or an increase in the cost of credit. Disruptions in the financial markets can also adversely affect our lenders, insurers, customers, and other counterparties. Any of these results could cause a material adverse effect to our business, financial condition, and results of operations.

We rely on available borrowings under the Existing ABL Facility for cash to operate our business, and the availability of credit under the Existing ABL Facility may be subject to significant fluctuation.

In addition to cash we generate from our business, our principal existing source of cash is borrowings available under the Existing ABL Facility. Availability will be limited to the lesser of a borrowing base and \$250.0 million. The borrowing base is calculated on a monthly (or more frequent under certain circumstances) valuation of our inventory, accounts receivable and certain cash balances. As a result, our access to credit under the Existing ABL Facility is potentially subject to significant fluctuation, depending on the value of the borrowing base-eligible assets as of any measurement date. The inability to borrow under the Existing ABL Facility may adversely affect our liquidity, financial position and results of operations. As of March 27, 2021, the Existing ABL Facility had an outstanding amount of \$120.0 million and outstanding letters of credit of \$25.9 million leaving \$104.1 million of available borrowings as a source of liquidity. The New ABL Facility will also provide for \$250.0 million of commitments subject to substantially the same borrowing base requirements as the Existing ABL Facility.

When considering the Landcadia Board's recommendation that its stockholders vote in favor of the approval of the Business Combination, Landcadia Stockholders should be aware that directors and officers of Landcadia have interests in the Business Combination that may be different from, or in addition to, the interests of Landcadia Stockholders. These interests include:

- Our Sponsors will lose their entire investment in us if we do not complete a business combination by October 14, 2022. If we are unable to complete our initial business combination by October 14, 2022, we will: (i) cease all operations except for the purpose of winding up, (ii) as promptly as reasonably possible but not more than 10 business days thereafter, redeem the public shares and (iii) as promptly as reasonably possible following such redemption, subject to the approval of our remaining stockholders and Landcadia's Board, liquidate and dissolve, subject in each case to our obligations under the DGCL to provide for claims of creditors and the requirements of other applicable law. There will be no redemption rights or liquidating distributions with respect to our warrants, which will expire worthless if we fail to complete our initial business combination by October 14, 2022.
- On March 13, 2018, JFG Sponsor, through a subsidiary, purchased 100% of the membership interests in Landcadia for an aggregate of \$1,000. On August 24, 2020, TJF Sponsor purchased a 51.7% membership interest in Landcadia for \$1,070. Simultaneously we converted the Company from a limited liability company to a corporation and issued stock in exchange for outstanding membership interests. JFG Sponsor was issued 5,554,500 shares of Class B common stock in exchange for its 48.3% membership interest. On September 16, 2020, we effected a 1:1.25 stock split of the Class B common stock following which JFG Sponsor held 6,943,125 shares of Class B common stock. On November 22, 2020, JFG Sponsor forfeited a total of 905,625 shares of Class B common stock following which JFG Sponsor held 6,037,500 shares of Class B common stock. Upon consummation of the Business Combination, JFG Sponsor will receive 4,671,576 shares of New Hillman common stock in respect of its shares of Class B common stock after giving effect to the forfeiture of 1,365,924 shares of Class B common stock pursuant to the Merger Agreement. - In addition, simultaneously with the consummation of Landcadia's initial public offering, JFG Sponsor purchased 4,000,000 warrants, each exercisable to purchase one share of Landcadia Class A common stock at \$11.50 per share, at a price of \$1.50 per warrant for an aggregate of \$6,000,000. Upon closing each warrant will become exercisable to purchase one share of New Hillman common stock at \$11.50 commencing on the later of 30 days following the Closing and 12 months from the closing of our initial business combination, which occurred on October 14, 2020. Such warrants have an aggregate market value of approximately \$9,840,000.00 based upon the closing per warrant price of \$2.46 on Nasdaq on June 10, 2021.
- Prior to and in connection with Landcadia's initial public offering, JFG Sponsor paid a total of \$6,001,000 to purchase securities with an aggregate market value of approximately \$64,450,723.44 based upon closing prices based upon closing prices on Nasdaq on June 10, 2021 (without taking into account any diminution in value resulting from the transfer restrictions on such securities).

Such warrants have an aggregate market value of approximately \$1,230,000.00 based upon the closing per warrant price of \$2.46 on Nasdaq on June 10, 2021.
- On January 24, 2021, JFG Sponsor committed to purchase 2,500,000 shares of Class A common stock for \$25,000,000 at \$10.00 per share in connection with the Private Placement immediately prior to or concurrently with the consummation of the Business Combination. Such shares have an aggregate market value of approximately \$29,225,000.00 based upon the closing per share price of \$11.69 on Nasdaq on June 10, 2021.
- In total, JFG Sponsor paid or committed to pay \$45,961,284.48 to purchase securities with an aggregate market value of approximately \$112,440,723.44 based upon closing prices on Nasdaq on June 10, 2021 (without taking into account any diminution in value resulting from the transfer restrictions on such securities).

- On August 24, 2020, TJJ Sponsor purchased a 51.7% membership interest in Landcadia for \$1,070. Simultaneously we converted the Company from a limited liability company to a corporation and issued stock in exchange for outstanding membership interests. TJJ Sponsor was issued 5,945,500 shares of Class B common stock in exchange for its 51.7% membership interest. On September 16, 2020, we effected a 1:1.25 stock split of the Class B common stock following which TJJ Sponsor held 7,431,875 shares of Class B common stock. On November 22, 2020, TJJ Sponsor forfeited a total of 969,375 shares of Class B common stock following which TJJ Sponsor holds 6,462,500 shares of Class B common stock. Upon consummation of the Business Combination, TJJ Sponsor will receive 4,000,425 shares of New Hillman common stock in respect of its shares of Class B common stock after giving effect to the forfeiture of 2,462,075 shares of Class B common stock pursuant to the Merger Agreement. Such shares have an aggregate market value of approximately \$46,764,968.25 based upon the closing per share price of \$11.69 on Nasdaq on June 10, 2021.
- In addition, simultaneously with the consummation of Landcadia's initial public offering, TJJ Sponsor purchased 4,000,000 warrants, each exercisable to purchase one share of Landcadia Class A common stock at \$11.50 per share, at a price of \$1.50 per warrant for an aggregate of \$6,000,000. Upon closing each warrant will become exercisable to purchase one share of New Hillman common stock at \$11.50 commencing on the later of 30 days following the Closing and 12 months from the closing of our initial business combination, which occurred on October 14, 2020. Such warrants have an aggregate market value of approximately \$9,840,000.00 based upon the closing per warrant price of \$2.46 on Nasdaq on June 10, 2021.
- In total, TJJ Sponsor paid or committed to pay \$6,001,070 to purchase securities with an aggregate market value of approximately \$56,604,968.25 based upon closing prices on Nasdaq on June 10, 2021 (without taking into account any diminution in value resulting from the transfer restrictions on such securities).
- Our Sponsors and our officers and directors have agreed to waive their rights to liquidating distributions from the Trust Account with respect to their founder shares if Landcadia fails to complete a business combination by October 14, 2022.
- In order to protect the amounts held in the Trust Account, the Sponsors have agreed that they will be liable to us if and to the extent any claims by a vendor for services rendered or products sold to us, or a prospective target business with which we have entered into a transaction agreement, reduce the amount of funds in the Trust Account. This liability will not apply with respect to any claims by a third party who executed a waiver of any right, title, interest or claim of any kind in or to any monies held in the Trust Account or to any claims under our indemnity of the underwriters of our IPO against certain liabilities, including liabilities under the Securities Act.
- In connection with the Closing, our Sponsors would be entitled to the repayment of any working capital loan and advances that have been made to Landcadia and remain outstanding. As of the date of this proxy statement/prospectus, our Sponsors have not made any advances to us for working capital expenses. If we do not complete an initial business combination within the required period, we may use a portion of our working capital held outside the Trust Account to repay the working capital loans, but no proceeds held in the Trust Account would be used to repay the working capital loans.
- Following the consummation of the Business Combination, we will continue to indemnify our existing directors and officers and will maintain a directors' and officers' liability insurance policy.
- Upon the Closing, subject to the terms and conditions of the Merger Agreement, our Sponsors, our officers and directors and their respective affiliates may be entitled to reimbursement for any reasonable out-of-pocket expenses related to identifying, investigating and consummating an initial business combination, and repayment of any other loans, if any, and on such terms as to be determined by Landcadia from time to time, made by our Sponsors or certain of our officers and directors to finance transaction costs in connection with an intended initial business combination. Such reimbursable out-of-pocket expenses, if any, are not expected to be material.
- Richard Handler, our Co-Chairman and President, is also the Chief Executive Officer and director of JFG Sponsor and chairman of the board of directors, Chief Executive Officer and President of

JFG Sponsor's largest subsidiary, Jefferies Group LLC ("Jefferies Group") and its largest subsidiary, Jefferies LLC ("Jefferies"), which, along with its affiliates, own approximately 12% of the outstanding common stock of the Company. Jefferies will be entitled to receive deferred underwriting commission, placement agent fees and capital markets advisory fees from Landcadia upon completion of the Business Combination. In addition, upon completion of the Business Combination, Jefferies will receive M&A advisory fees and financing fees from Hillman. Jefferies Finance LLC ("Jefferies Finance"), an indirect subsidiary of JFG Sponsor, serves as administrative agent and collateral agent on Hillman Holdco's existing senior credit facilities that are expected to be refinanced in connection with the Closing and is expected to be joint lead arranger, joint lead bookrunner and one of the lenders, and sole administrative agent and sole collateral agent, in New Hillman's first lien term loan facility that is being entered into in connection with the Closing, and expects to receive fees in connection with such role. Additionally, JFSI is expected to enter into a non-speculative, interest rate swap with The Hillman Group, Inc. in connection with New Hillman's first lien term loan facility, and expects to receive fees in connection with such transaction. See "*Certain Relationships and Related Party Transactions*" for additional information.

These financial interests of the Sponsors, officers and directors and entities affiliated with them may have influenced their decision to approve the Business Combination. In addition, Barclays Capital Inc. ("Barclays") will be entitled to receive placement agent fees of \$2.8 million from Landcadia. Barclays will also receive M&A advisory fees and capital markets advisory fees, together in an aggregate amount of \$20.3 million, and financing fees of \$3.3 million from Hillman, in each case, upon completion of the Business Combination. You should consider these interests when evaluating the Business Combination and the recommendation of Landcadia's Board to vote in favor of the Business Combination Proposal and other proposals to be presented to the stockholders.

Jefferies has certain other interests regarding the Business Combination that are different from, or in addition to, the interests of our other stockholders.

In addition to the interests of certain members of our Board and officers in the Business Combination that are different from, or in addition to, the interests of our other stockholders, you should keep in mind that Jefferies has financial interests that are different from, or in addition to, the interests of our other stockholders.

Richard Handler, Chief Executive Officer and Director of JFG Sponsor and Chairman of the board of directors, Chief Executive Officer and President of Jefferies Group, currently serves as Co-Chairman and President of the Company. Upon the consummation of the Business Combination, Jefferies, as the underwriter of our IPO is entitled to receive \$17.5 million of deferred underwriting commission, up to \$4 million of which may be allocated to other banks that are mutually agreed between Hillman and the Company. The underwriters in our IPO waived their rights to the deferred underwriting commission held in the trust account in the event the Company does not complete an initial business combination within 24 months of the closing of the IPO, as may be extended in accordance with the terms of our Current Charter. Accordingly, if the Business Combination with Hillman, or any other initial business combination, is not consummated by that time and the Company is therefore required to be liquidated, the underwriters of the IPO, including Jefferies, will not receive any of the deferred underwriting commission and such funds will be returned to the Company's public stockholders upon its liquidation.

Furthermore, Jefferies has been engaged by the Company as placement agent and capital markets advisor to the Company. The Company decided to retain Jefferies as a placement agent and capital markets advisor based primarily on (i) Jefferies' extensive knowledge, strong market position and positive reputation in equity capital markets, (ii) Jefferies' experienced and capable investment banking team and (iii) Jefferies' long-standing relationship with and affiliation with the Company and the sponsors. The Company has agreed to pay Jefferies an aggregate fee of \$8.4 million and \$13.5 million in connection with its services as placement agent and capital markets advisor, respectively, all of which will become payable, and is contingent upon the consummation of the transaction. In addition, under the terms of Jefferies' engagement, the Company agreed to reimburse Jefferies for its reasonable expenses, including fees, disbursements and other charges of counsel, and to indemnify Jefferies and related parties against liabilities, including liabilities under federal securities laws, relating to, or arising out of, its engagement.

Additionally, Jefferies has been engaged by Hillman Holdco to help it review strategic alternatives, including a sale of control of Hillman. Jefferies expects to receive M&A Advisory fees and financing fees in the amount of \$6.8 million and \$18.6 million, respectively from Hillman, upon the Closing. In addition, Jefferies Finance, a subsidiary of JFG Sponsor, served as joint lead arranger and serves as administrative agent and collateral agent on Hillman Holdco's existing senior credit facilities that are expected to be refinanced in connection with the Closing. In connection with its role as joint lead arranger, Jefferies Finance received an aggregate fee of approximately \$9.5 million from Hillman HoldCo in 2018. Furthermore, Jefferies Finance is expected to be joint lead arranger, joint lead bookrunner and one of the lenders, and sole administrative agent and sole collateral agent, in New Hillman's first lien term loan facility that is being entered into in connection with the Closing and expects to receive up to \$22.7 million in fees in connection with such role. Additionally, JFSI is expected to enter into a non-speculative, interest rate swap with The Hillman Group, Inc. in connection with New Hillman's first lien term loan facility, and expects to receive up to \$568,000 in fees in connection with such transaction.

In addition, JFG Sponsor is the indirect owner of less than 0.04% of Hillman HoldCo through one of its non-controlling minority investments.

Jefferies therefore has a financial interest in the Company and Hillman completing the Business Combination that will result in the payment of the above referenced fees. In considering approval of the Business Combination, the Company's stockholders should consider the roles of Jefferies in light of its financial interest in the Business Combination with Hillman being consummated.

Landcadia's Sponsors have agreed to vote in favor of the Business Combination, regardless of how our public stockholders vote.

Our Sponsors have agreed to vote their shares in favor of the Business Combination. The Sponsors own approximately 22.4% of our outstanding shares prior to the Business Combination. Accordingly, it is more likely that the necessary stockholder approval for the Business Combination will be received than would be the case if our Sponsors had agreed to vote their shares in accordance with the majority of the votes cast by our public stockholders.

Landcadia's Sponsors, directors, officers, advisors and their affiliates may elect to purchase shares or public warrants from public stockholders, which may influence a vote on the Business Combination and reduce the public "float" of our common stock.

Landcadia's Sponsors, directors, officers, advisors or their affiliates may purchase public shares or public warrants in privately negotiated transactions or in the open market either prior to or following the completion of the Business Combination, although they are under no obligation to do so. However, other than as expressly stated herein, they have no current commitments, plans or intentions to engage in such transactions and have not formulated any terms or conditions for any such transactions. None of the funds in the Trust Account will be used to purchase shares or public warrants in such transactions.

In the event that Landcadia's Sponsors, directors, officers, advisors or their affiliates purchase public shares in privately negotiated transactions from public stockholders who have already elected to exercise their redemption rights, such selling stockholders would be required to revoke their prior elections to redeem their public shares. The purpose of any such purchases of public shares could be to vote such shares in favor of the Business Combination and thereby increase the likelihood of obtaining stockholder approval of the Business Combination or to satisfy a Closing condition in the Merger Agreement that requires us to have a certain amount of cash at the Closing, where it appears that such requirement would otherwise not be met. Any such purchases of our securities may result in the completion of the Business Combination that may not otherwise have been possible.

In addition, if such purchases are made, the public "float" of our common stock and the number of beneficial holders of our securities may be reduced, possibly making it difficult to maintain or obtain the quotation, listing or trading of our securities on a national securities exchange.

Warrants will become exercisable for New Hillman common stock, which would increase the number of shares eligible for future resale in the public market and result in dilution to our stockholders.

Following the Business Combination, there will be 16,666,667 outstanding public warrants to purchase 16,666,667 shares of New Hillman common stock at an exercise price of \$11.50 per share, which warrants

will become exercisable commencing the later of 30 days following the Closing and 12 months from the closing of our initial public offering, which occurred on October 14, 2020. In addition, there will be 8,000,000 private placement warrants outstanding exercisable for 8,000,000 shares of New Hillman common stock at an exercise price of \$11.50 per share. To the extent such warrants are exercised, additional shares of New Hillman common stock will be issued, which will result in dilution to the holders of New Hillman common stock and increase the number of shares eligible for resale in the public market. Sales of substantial numbers of such shares in the public market could adversely affect the market price of New Hillman common stock, the impact of which is increased as the value of our stock price increases.

We may redeem the unexpired warrants prior to their exercise at a time that is disadvantageous to you, thereby making the warrants worthless.

New Hillman will have the ability to redeem outstanding public warrants at any time after they become exercisable and prior to their expiration, at a price of \$0.01 per warrant, provided that the closing price of New Hillman common stock equals or exceeds \$18.00 per share for any 20 trading days within a 30 trading-day period ending on the third trading day prior to the date we give notice of redemption. If and when the warrants become redeemable by New Hillman, New Hillman may exercise the redemption right even if it is unable to register or qualify the underlying securities for sale under all applicable state securities laws. Redemption of the outstanding warrants could force holders to (i) exercise the warrants and pay the exercise price therefor at a time when it may be disadvantageous to do so, (ii) sell the warrants at the then-current market price when the holder might otherwise wish to hold onto such warrants or (iii) accept the nominal redemption price which, at the time the outstanding warrants are called for redemption, is likely to be substantially less than the market value of the warrants. None of the private placement warrants will be redeemable by us so long as they are held by their initial purchasers or their permitted transferees.

In addition, New Hillman will have the ability to redeem the outstanding public warrants at any time after they become exercisable and prior to their expiration, at a price of \$0.10 per warrant upon a minimum of 30 days' prior written notice of redemption provided that the closing price of New Hillman common stock equals or exceeds \$10.00 per share (as adjusted for adjustments to the number of shares issuable upon exercise or the exercise price of a warrant as described under the heading "Description of New Hillman Securities — Redeemable Warrants — Anti-dilution Adjustments") for any 20 trading days within a 30 trading-day period ending on the third trading day prior to the date on which we give proper notice of such redemption and provided that certain other conditions are met, including that holders will be able to exercise their warrants prior to redemption for a number of shares of New Hillman common stock determined based on the redemption date and the fair market value of New Hillman shares of common stock. Please see "Description of New Hillman Securities — Redeemable Warrants — Redemption of warrants when the price per share of common stock equals or exceeds \$10.00." The value received upon exercise of the warrants (i) may be less than the value the holders would have received if they had been able to exercise their warrants at a later time where the underlying share price is higher and (ii) may not compensate the holders for the value of the warrants, including because the number of common stock received is capped at 0.361 shares of common stock per warrant (subject to adjustment) irrespective of the remaining life of the warrants.

If New Hillman redeems the warrants when they are "out-of-the-money," you would lose any potential embedded value from a subsequent increase in the value of New Hillman common stock had your warrants remained outstanding.

Even if we consummate the Business Combination, there can be no assurance that the warrants will be in the money at the time they become exercisable, and they may expire worthless.

The exercise price for the outstanding warrants is \$11.50 per share of New Hillman common stock. There can be no assurance that the warrants will be in the money following the time they become exercisable and prior to their expiration, and as such, the warrants may expire worthless.

Our stockholders will experience immediate dilution as a consequence of the issuance of New Hillman common stock as consideration in the Business Combination. Having a minority share position may reduce the influence that our current stockholders have on the management of New Hillman.

Assuming that no public stockholders exercise their redemption rights in connection with the Business Combination, immediately after the consummation of the Business Combination, Landcadia's Sponsors

and public stockholders will hold 61,172,001 shares of New Hillman common stock, or 32.6% of the outstanding common stock. Assuming that our public stockholders holding 14,200,000 public shares exercise their redemption rights in connection with the Business Combination, immediately after the consummation of the Business Combination, Landcadia's Sponsors and public stockholders will hold 46,972,001 shares of New Hillman common stock, or 27.2% of the outstanding common stock.

There are currently outstanding an aggregate of 24,666,667 warrants to acquire Landcadia Class A common stock, which comprise 8,000,000 private placement warrants held by Landcadia's Sponsors and 16,666,667 public warrants. Each of Landcadia's outstanding whole warrants is exercisable commencing the later of 30 days following the Closing and 12 months from the closing of our initial public offering, which occurred on October 14, 2020, for one share of Landcadia Class A common stock in accordance with its terms. Therefore, as of the date of this proxy statement/prospectus, if we assume that each outstanding whole warrant is exercised and one share of Landcadia Class A common stock is issued as a result of such exercise, with payment of the exercise price of \$11.50 per share, our fully-diluted share capital would increase by a total of 24,666,667 shares, with approximately \$283,666,670.50 paid to us to exercise the warrants.

A provision of our warrant agreement may make it more difficult for us to consummate an initial business combination.

Unlike most blank check companies, if (i) we issue additional shares of common stock or equity-linked securities for capital-raising purposes in connection with the closing of our initial business combination at a Newly Issued Price of less than \$9.20 per common share, (ii) the aggregate gross proceeds from such issuances represent more than 60% of the total equity proceeds, and interest thereon, available for the funding of our initial business combination on the date of the consummation of our initial business combination (net of redemptions), and (iii) the Market Value is below \$9.20 per share, then the exercise price of the warrants will be adjusted to be equal to 115% of the higher of the Market Value and the Newly Issued Price, and the \$18.00 per share redemption trigger prices described below under "Description of New Hillman Securities — Redeemable Warrants — Public Stockholders' Warrants — Redemption of warrants when the price per share of common stock equals or exceeds \$18.00" and "Redemption of warrants when the price per share of common stock equals or exceeds \$10.00" will be adjusted (to the nearest cent) to be equal to 180% of the higher of the Market Value and the Newly Issued Price, and the \$10.00 per share redemption trigger price described below under "Description of New Hillman Securities — Redeemable Warrants — Public Stockholders' Warrants — Redemption of warrants when the price per share of common stock equals or exceeds \$10.00" will be adjusted (to the nearest cent) to be equal to the higher of the Market Value and the Newly Issued Price. This may make it more difficult for us to consummate an initial business combination with a target business.

Our warrants are accounted for as liabilities and the changes in value of our warrants could have a material effect on our financial results.

On April 12, 2021, the Acting Director of the Division of Corporation Finance and Acting Chief Accountant of the SEC together issued a statement regarding the accounting and reporting considerations for warrants issued by special purpose acquisition companies entitled "Staff Statement on Accounting and Reporting Considerations for Warrants Issued by Special Purpose Acquisition Companies ("SPACs")" (the "SEC Staff Statement"). Specifically, the SEC Staff Statement focused on certain settlement terms and provisions related to certain tender offers following a business combination, which terms are similar to those contained in the warrant agreement governing our warrants. As a result of the SEC Staff Statement, we reevaluated the accounting treatment of our 16,666,667 public warrants and 8,000,000 private placement warrants, and determined to classify the warrants as derivative liabilities measured at fair value, with changes in fair value each period reported in earnings.

As a result, included on our consolidated balance sheets as of March 31, 2021 and December 31, 2020 contained elsewhere in this proxy statement/prospectus are derivative liabilities related to embedded features contained within our warrants. Accounting Standards Codification 815, Derivatives and Hedging ("ASC 815"), provides for the remeasurement of the fair value of such derivatives at each balance sheet date, with a resulting non-cash gain or loss related to the change in the fair value being recognized in earnings in the statement of operations. As a result of the recurring fair value measurement, our consolidated financial

statements and results of operations may fluctuate quarterly, based on factors, which are outside of our control. Due to the recurring fair value measurement, we expect that we will recognize non-cash gains or losses on our warrants each reporting period and that the amount of such gains or losses could be material.

We have identified a material weakness in our internal control over financial reporting as of December 31, 2020. If we are unable to develop and maintain an effective system of internal control over financial reporting, we may not be able to accurately report our financial results in a timely manner, which may adversely affect investor confidence in us and materially and adversely affect our business and operating results.

Following this issuance of the SEC Staff Statement, after consultation with our independent registered public accounting firm, our management and our audit committee concluded that, in light of the SEC Staff Statement, it was appropriate to restate our previously issued audited financial statements as of and for the period ended December 31, 2020 (the “Restatement”). See “— *Our warrants are accounted for as liabilities and the changes in value of our warrants could have a material effect on our financial results.*” As part of such process, we identified a material weakness in our internal controls over financial reporting.

A material weakness is a deficiency, or a combination of deficiencies, in internal control over financial reporting such that there is a reasonable possibility that a material misstatement of our annual or interim financial statements will not be prevented, or detected and corrected on a timely basis. Effective internal controls are necessary for us to provide reliable financial reports and prevent fraud. We continue to evaluate steps to remediate the material weakness. These remediation measures may be time consuming and costly and there is no assurance that these initiatives will ultimately have the intended effects. If we identify any new material weaknesses in the future, any such newly identified material weakness could limit our ability to prevent or detect a misstatement of our accounts or disclosures that could result in a material misstatement of our annual or interim financial statements. In such case, we may be unable to maintain compliance with securities law requirements regarding timely filing of periodic reports in addition to applicable stock exchange listing requirements, investors may lose confidence in our financial reporting and our stock price may decline as a result. We cannot assure you that the measures we have taken to date, or any measures we may take in the future, will be sufficient to avoid potential future material weaknesses.

We may face litigation and other risks as a result of the material weakness in our internal control over financial reporting.

Following the issuance of the SEC Staff Statement, after consultation with our independent registered public accounting firm, our management and our audit committee concluded that it was appropriate to restate our previously issued audited financial statements as of and for the year ended December 31, 2020. See “— *Our warrants are accounted for as liabilities and the changes in value of our warrants could have a material effect on our financial results.*” As part of the restatement, we identified a material weakness in our internal controls over financial reporting.

As a result of such material weakness, the Restatement, the change in accounting for the warrants, and other matters raised or that may in the future be raised by the SEC, we face potential for litigation or other disputes which may include, among others, claims invoking the federal and state securities laws, contractual claims or other claims arising from the restatement and material weaknesses in our internal control over financial reporting and the preparation of our financial statements. As of the date of this proxy statement/prospectus, we have no knowledge of any such litigation or dispute. However, we can provide no assurance that such litigation or dispute will not arise in the future. Any such litigation or dispute, whether successful or not, could have a material adverse effect on our business, results of operations and financial condition or our ability to complete an initial business combination.

Subsequent to the consummation of the Business Combination, we may be required to take write-downs or write-offs, restructuring and impairment or other charges that could have a significant negative effect on our financial condition, results of operations and stock price, which could cause you to lose some or all of your investment.

Although Landcadia has conducted due diligence on Hillman, Landcadia cannot assure you that this diligence revealed all material issues that may be present in its business, that it would be possible to uncover all material issues through a customary amount of due diligence, or that factors outside of Landcadia’s

or New Hillman's control will not later arise. As a result, New Hillman may be forced to later write-down or write-off assets, restructure its operations, or incur impairment or other charges that could result in losses. Even if the due diligence successfully identifies certain risks, unexpected risks may arise and previously known risks may materialize in a manner not consistent with our preliminary risk analysis. Even though these charges may be non-cash items and not have an immediate impact on our liquidity, the fact that New Hillman reports charges of this nature could contribute to negative market perceptions about New Hillman or its securities. In addition, charges of this nature may cause New Hillman to violate net worth or other covenants to which it may be subject. Accordingly, any Landcadia Stockholder who chooses to remain a stockholder of New Hillman following the Business Combination could suffer a reduction in the value of their shares. Such stockholders are unlikely to have a remedy for such reduction in value unless they are able to successfully claim that the reduction was due to the breach by Landcadia's officers or directors of a duty of care or other fiduciary duty owed to them, or if they are able to successfully bring a private claim under securities laws that the proxy solicitation relating to the Business Combination contained an actionable material misstatement or material omission.

If the benefits of the Business Combination do not meet the expectations of investors or securities analysts, the market price of our securities may decline.

If the benefits of the Business Combination do not meet the expectations of investors or securities analysts, the market price of Landcadia's securities prior to the Closing may decline. The market values of Landcadia's securities at the time of the Business Combination may vary significantly from their prices on the date the Merger Agreement was executed, the date of this proxy statement/prospectus, or the date on which Landcadia's Stockholders vote on the Business Combination. Because the number of shares to be issued pursuant to the Merger Agreement is based on the per share value of the amount in the Trust Account and will not be adjusted to reflect any changes in the market price of Landcadia's Class A common stock, the market value of New Hillman common stock issued in the Business Combination may be higher or lower than the values of these shares on earlier dates.

In addition, following the Business Combination, fluctuations in the price of New Hillman's securities could contribute to the loss of all or part of your investment. Prior to the Business Combination, there has not been a public market for the stock of New Hillman and trading in the shares of Landcadia's Class A common stock has not been active. Accordingly, the valuation ascribed to New Hillman in the Business Combination may not be indicative of the price that will prevail in the trading market following the Business Combination. If an active market for our securities develops and continues, the trading price of New Hillman securities following the Business Combination could be volatile and subject to wide fluctuations in response to various factors, some of which are beyond our control. Any of the factors listed below could have a material adverse effect on your investment in our securities and New Hillman securities may trade at prices significantly below the price you paid for them. In such circumstances, the trading price of our securities may not recover and may experience a further decline.

Factors affecting the trading price of New Hillman's securities may include:

- actual or anticipated fluctuations in our quarterly financial results or the quarterly financial results of companies perceived to be similar to us;
- changes in the market's expectations about New Hillman's operating results;
- success of competitors;
- operating results failing to meet the expectations of securities analysts or investors in a particular period;
- changes in financial estimates and recommendations by securities analysts concerning New Hillman or the industry in which New Hillman operates in general;
- operating and stock price performance of other companies that investors deem comparable to New Hillman;
- ability to market new and enhanced products and services on a timely basis;
- changes in laws and regulations affecting our business;

- commencement of, or involvement in, litigation involving New Hillman;
- changes in New Hillman’s capital structure, such as future issuances of securities or the incurrence of additional debt;
- the volume of shares of New Hillman common stock available for public sale;
- any major change in New Hillman’s board or management;
- sales of substantial amounts of New Hillman common stock by our or New Hillman’s directors, executive officers or significant stockholders or the perception that such sales could occur; and
- general economic and political conditions such as recessions, interest rates, fuel prices, international currency fluctuations and acts of war or terrorism.

Broad market and industry factors may materially harm the market price of our securities irrespective of our operating performance. The stock market in general, and Nasdaq specifically, have experienced extreme volatility that has often been unrelated to the operating performance of particular companies. As a result of this volatility, you may not be able to sell your securities at or above the price at which it was acquired. A loss of investor confidence in the market for the stocks of other companies which investors perceive to be similar to New Hillman could depress our stock price regardless of our business, prospects, financial conditions or results of operations. A decline in the market price of our securities also could adversely affect our ability to issue additional securities and our ability to obtain additional financing in the future.

Our actual financial position and results of operations may differ materially from the unaudited pro forma financial information included in this proxy statement/prospectus.

The unaudited pro forma condensed combined financial information included in this proxy statement/prospectus is presented for illustrative purposes only and is not necessarily indicative of what our actual financial position or results of operations would have been had the Business Combination been completed on the dates indicated. See “*Unaudited Pro Forma Condensed Combined Financial Information*” for more information.

There can be no assurance that New Hillman common stock issued in connection with the Business Combination will be approved for listing on Nasdaq following the Closing, or that we will be able to comply with the continued listing standards of Nasdaq.

New Hillman common stock and warrants are expected to be listed on Nasdaq following the Business Combination. New Hillman’s continued eligibility for listing may depend on the number of our shares that are redeemed. If, after the Business Combination, Nasdaq delists New Hillman common stock from trading on its exchange for failure to meet the listing standards, we and our stockholders could face significant material adverse consequences including:

- a limited availability of market quotations for our securities;
- a determination that New Hillman common stock is a “penny stock,” which will require brokers trading in New Hillman common stock to adhere to more stringent rules, possibly resulting in a reduced level of trading activity in the secondary trading market for New Hillman common stock;
- a limited amount of analyst coverage; and
- a decreased ability to issue additional securities or obtain additional financing in the future.

The Current Charter states that we must complete our initial business combination by October 14, 2022. If we have not completed an initial business combination by then (or such later date as our stockholders may approve in accordance with the Current Charter), we will: (i) cease all operations except for the purpose of winding up; (ii) as promptly as reasonably possible but not more than 10 business days thereafter, redeem the public shares, at a per-share price, payable in cash, equal to the aggregate amount then on deposit in the Trust Account, including interest earned on the funds held in the Trust Account (less taxes payable and up to \$100,000 of interest to pay dissolution expenses), divided by the number of then issued and outstanding public shares, which redemption will completely extinguish public stockholders’ rights as

stockholders (including the right to receive further liquidating distributions, if any); and (iii) as promptly as reasonably possible following such redemption, subject to the approval of our remaining stockholders and Landcadia's Board, liquidate and dissolve, subject in each case to our obligations under Delaware law to provide for claims of creditors and the requirements of other applicable law. In such case, our public stockholders may only receive approximately \$10.00 per share and our warrants will expire worthless.

Our directors may decide not to enforce the indemnification obligations of our Sponsors, resulting in a reduction in the amount of funds in the Trust Account available for distribution to our public stockholders.

Our Sponsors have agreed that they will be liable to us if and to the extent any claims by a third party for services rendered or products sold to us, or a prospective target business with which we have entered into a written letter of intent, confidentiality or other similar agreement or business combination agreement, reduce the amount of funds in the Trust Account to below the lesser of (i) \$10.00 per public share and (ii) the actual amount per public share held in the Trust Account as of the date of the liquidation of the Trust Account, if less than \$10.00 per public share due to reductions in the value of the trust assets, less taxes payable, provided that such liability will not apply to any claims by a third party or prospective target business who executed a waiver of any and all rights to the funds held in the Trust Account (whether or not such waiver is enforceable) nor will it apply to any claims under our indemnity of the underwriters of our initial public offering against certain liabilities, including liabilities under the Securities Act. While we currently expect that our independent directors would take legal action on our behalf against the Sponsors to enforce their indemnification obligations to us, it is possible that our independent directors in exercising their business judgment and subject to their fiduciary duties may choose not to do so in any particular instance. If our independent directors choose not to enforce these indemnification obligations, the amount of funds in the Trust Account available for distribution to our public stockholders may be reduced below \$10.00 per share.

If, before distributing the proceeds in the Trust Account to our public stockholders, we file a bankruptcy petition or an involuntary bankruptcy petition is filed against us that is not dismissed, the claims of creditors in such proceeding may have priority over the claims of our stockholders and the per-share amount that would otherwise be received by our stockholders in connection with our liquidation may be reduced.

If, before distributing the proceeds in the Trust Account to our public stockholders, we file a bankruptcy petition or an involuntary bankruptcy petition is filed against us that is not dismissed, the proceeds held in the Trust Account could be subject to applicable bankruptcy law, and may be included in our bankruptcy estate and subject to the claims of third parties with priority over the claims of our stockholders. To the extent any bankruptcy claims deplete the Trust Account, the per-share amount that would otherwise be received by our stockholders in connection with our liquidation may be reduced.

If our stockholders fail to comply with the redemption requirements specified in this proxy statement/prospectus, they will not be entitled to redeem their shares of our Class A common stock for a pro rata portion of the Trust Account.

Holders of public shares are not required to affirmatively vote against the Business Combination Proposal in order to exercise their rights to redeem their shares for a pro rata portion of the Trust Account. In order to exercise their redemption rights, they are required to submit a request in writing and deliver their stock (either physically or electronically) to our transfer agent prior to 5:00 p.m., New York City time, on July 9, 2021. Stockholders electing to redeem their shares will receive their pro rata portion of the funds held in the Trust Account, including interest earned on the funds held in the Trust Account and not previously released to us to pay our taxes, calculated as of two business days prior to the anticipated consummation of the Business Combination.

The ability of Landcadia Stockholders to exercise redemption rights with respect to a large number of shares could increase the probability that the Business Combination would be unsuccessful and that stockholders would have to wait for liquidation in order to redeem their stock.

At the time we entered into the Merger Agreement and related agreements for the Business Combination, we did not know how many stockholders would exercise their redemption rights, and therefore we structured

the Business Combination based on our expectations as to the number of shares that will be submitted for redemption. The Merger Agreement requires us to have at least \$639 million of aggregate cash proceeds available from the Trust Account, after giving effect to redemptions of public shares, if any, and payment of transaction expenses, plus the Private Placement. If a larger number of shares are submitted for redemption than we initially expected, we may need to restructure the transaction to reserve a greater portion of the cash in the Trust Account. The above considerations may limit our ability to complete the Business Combination or optimize our capital structure.

The Business Combination is subject to conditions, including certain conditions that may not be satisfied on a timely basis, if at all.

The completion of the Business Combination is subject to a number of conditions. The completion of the Business Combination is not assured and is subject to risks, including the risk that approval of the Business Combination by Landcadia Stockholders is not obtained or that there are not sufficient funds in the Trust Account, in each case subject to certain terms specified in the Merger Agreement (as described under “*The Merger Agreement — Conditions to Closing*”), or that other Closing conditions are not satisfied. If Landcadia does not complete the Business Combination, Landcadia could be subject to several risks, including:

- the parties may be liable for damages to one another under the terms and conditions of the Merger Agreement;
- negative reactions from the financial markets, including declines in the price of our Class A common stock due to the fact that current prices may reflect a market assumption that the Business Combination will be completed; and
- the attention of our management will have been diverted to the Business Combination rather than the pursuit of other opportunities in respect of an initial business combination.

Delaware law and provisions in New Hillman’s certificate of incorporation and bylaws could make a takeover proposal more difficult.

If the Business Combination is consummated, New Hillman’s organizational documents will be governed by Delaware law. Certain provisions of Delaware law and of New Hillman’s certificate of incorporation and bylaws could discourage, delay, defer or prevent a merger, tender offer, proxy contest or other change of control transaction that a stockholder might consider in its best interest, including those attempts that might result in a premium over the market price for the shares of Class A common stock held by New Hillman’s stockholders. These provisions provide for, among other things:

- the ability of New Hillman’s board of directors to issue one or more series of preferred stock;
- certain limitations on convening special stockholder meetings; and
- advance notice for nominations of directors by stockholders and for stockholders to include matters to be considered at New Hillman’s annual meetings.

These anti-takeover provisions as well as certain provisions of Delaware law could make it more difficult for a third party to acquire New Hillman, even if the third party’s offer may be considered beneficial by many of New Hillman’s stockholders. As a result, New Hillman’s stockholders may be limited in their ability to obtain a premium for their shares. If prospective takeovers are not consummated for any reason, New Hillman may experience negative reactions from the financial markets, including negative impacts on the price of New Hillman common stock. These provisions could also discourage proxy contests and make it more difficult for New Hillman’s stockholders to elect directors of their choosing and to cause New Hillman to take other corporate actions that New Hillman’s stockholders desire. See “*Description of New Hillman Securities*”.

Our warrant agreement designates the courts of the State of New York or the United States District Court for the Southern District of New York as the sole and exclusive forum for certain types of actions and proceedings that may be initiated by holders of our warrants, which could limit the ability of warrant holders to obtain a favorable judicial forum for disputes with Landcadia and New Hillman.

Landcadia’s warrant agreement provides that, subject to applicable law, (i) any action, proceeding or claim against us arising out of or relating in any way to the warrant agreement, including under the Securities

Act, will be brought and enforced in the courts of the State of New York or the United States District Court for the Southern District of New York, and (ii) that we irrevocably submit to such jurisdiction, which jurisdiction shall be the exclusive forum for any such action, proceeding or claim. We will waive any objection to such exclusive jurisdiction and that such courts represent an inconvenient forum.

Notwithstanding the foregoing, these provisions of the warrant agreement will not apply to suits brought to enforce any liability or duty created by the Exchange Act or any other claim for which the federal district courts of the United States of America are the sole and exclusive forum. Any person or entity purchasing or otherwise acquiring any interest in any of our warrants shall be deemed to have notice of and to have consented to the forum provisions in our warrant agreement. If any action, the subject matter of which is within the scope the forum provisions of the warrant agreement, is filed in a court other than a court of the State of New York or the United States District Court for the Southern District of New York (a “foreign action”) in the name of any holder of our warrants, such holder shall be deemed to have consented to: (x) the personal jurisdiction of the state and federal courts located in the State of New York in connection with any action brought in any such court to enforce the forum provisions (an “enforcement action”), and (y) having service of process made upon such warrant holder in any such enforcement action by service upon such warrant holder’s counsel in the foreign action as agent for such warrant holder.

This choice-of-forum provision may limit a warrant holder’s ability to bring a claim in a judicial forum that it finds favorable for disputes with New Hillman, which may discourage such lawsuits. Alternatively, if a court were to find this provision of our warrant agreement inapplicable or unenforceable with respect to one or more of the specified types of actions or proceedings, we may incur additional costs associated with resolving such matters in other jurisdictions, which could materially and adversely affect our business, financial condition and results of operations and result in a diversion of the time and resources of our management and board of directors.

We are required to file a notification under the Investment Canada Act, pursuant to which the Business Combination may be subject to review, possibly resulting in the imposition of certain remedial measures.

A notification under the Investment Canada Act (“ICA”) is required to be filed in respect of the Business Combination. The notification will be filed on a post-closing basis as permitted by the ICA. The Minister responsible for the ICA may issue a notice, before or after closing, that the Business Combination may be reviewed if the Minister concludes that it could be injurious to Canada’s national security. If a national security review is ordered, the Canadian government would have the power to impose remedial measures that it considers advisable to protect national security including imposing terms, conditions or undertakings, making a divestiture order or prohibiting closing if the Business Combination has not closed. If the Minister or the Canadian government intervened prior to closing by issuing a notice or making a review order, the closing of the Business Combination would be prohibited until final resolution by the Minister or the Canadian government. Any remedial order could reduce the anticipated benefits of the Business Combination, have a material adverse effect on the business of New Hillman or impact the value of the shares of common stock of New Hillman.

We are not registering the shares of common stock issuable upon exercise of the warrants under the Securities Act or any state securities laws at this time, and such registration may not be in place when an investor desires to exercise warrants, thus precluding such investor from being able to exercise its warrants except on a cashless basis. If the issuance of the shares upon exercise of warrants is not registered, qualified or exempt from registration or qualification, the holder of such warrant will not be entitled to exercise such warrant and such warrant may have no value and expire worthless.

We are not registering the shares of common stock issuable upon exercise of the warrants under the Securities Act or any state securities laws at this time. However, under the terms of the warrant agreement, we have agreed that as soon as practicable, but in no event later than 15 business days after the closing of our initial business combination, we will use our best efforts to file with the SEC a registration statement for the registration under the Securities Act of the shares of common stock issuable upon exercise of the warrants and thereafter will use our best efforts to cause the same to become effective within 60 business days following our initial business combination and to maintain a current prospectus relating to the common stock issuable upon exercise of the warrants, until the expiration of the warrants in accordance with the

provisions of the warrant agreement. We cannot assure you that we will be able to do so if, for example, any facts or events arise which represent a fundamental change in the information set forth in the registration statement or prospectus, the financial statements contained or incorporated by reference therein are not current or correct or the SEC issues a stop order. If the shares issuable upon exercise of the warrants are not registered under the Securities Act, we will be required to permit holders to exercise their warrants on a cashless basis. However, no warrant will be exercisable for cash or on a cashless basis, and we will not be obligated to issue any shares to holders seeking to exercise their warrants, unless the issuance of the shares upon such exercise is registered or qualified under the securities laws of the state of the exercising holder, or an exemption from registration is available. Notwithstanding the foregoing, if a registration statement covering the common stock issuable upon exercise of the warrants is not effective by the 60th business day after the closing of our initial business combination, warrant holders may, until such time as there is an effective registration statement and during any period when we shall have failed to maintain an effective registration statement, exercise warrants on a “cashless basis” pursuant to the exemption provided by Section 3(a)(9) of the Securities Act or another exemption. In no event will we be required to net cash settle any warrant, or issue securities or other compensation in exchange for the warrants in the event that we are unable to register or qualify the shares underlying the warrants under applicable state securities laws and there is no exemption available. If the issuance of the shares upon exercise of the warrants is not so registered or qualified or exempt from registration or qualification, the holder of such warrant will not be entitled to exercise such warrant and such warrant may have no value and expire worthless. In such event, holders who acquired their warrants as part of a purchase of units will have paid the full unit purchase price solely for the shares of common stock included in the units. If and when the warrants become redeemable by us, we may not exercise our redemption right if the issuance of shares of common stock upon exercise of the warrants is not exempt from registration or qualification under applicable state blue sky laws or we are unable to effect such registration or qualification. We will use our best efforts to register or qualify such shares of common stock under the blue sky laws of the state of residence in those states in which the warrants were initially offered by us in this offering. However, there may be instances in which holders of our public warrants may be unable to exercise such public warrants but holders of our private warrants may be able to exercise such private warrants.

If you exercise your public warrants on a “cashless basis,” you will receive fewer shares of common stock from such exercise than if you were to exercise such warrants for cash.

Under the following circumstances, the exercise of the public warrants may be required or permitted to be made on a cashless basis: (i) If a registration statement covering the shares of common stock issuable upon exercise of the warrants is not effective by the 60th business day after the closing of our initial business combination, warrant holders may, until such time as there is an effective registration statement and during any period when we shall have failed to maintain an effective registration statement, exercise warrants on a “cashless basis” in accordance with Section 3(a)(9) of the Securities Act or another exemption; (ii) if our common stock is at the time of any exercise of a warrant not listed on a national securities exchange such that it satisfies the definition of a “covered security” under Section 18(b)(1) of the Securities Act, we may, at our option, require holders of public warrants who exercise their warrants to do so on a “cashless basis” in accordance with Section 3(a)(9) of the Securities Act and, in the event we so elect, we will not be required to file or maintain in effect a registration statement; and (iii) if we call the public warrants for redemption, our management will have the option to require all holders who wish to exercise warrants to do so on a cashless basis. In the event of an exercise on a cashless basis, a holder would pay the warrant exercise price by surrendering the warrants for that number of shares of common stock equal to the quotient obtained by dividing (x) the product of the number of shares of common stock underlying the warrants multiplied by the excess of the “fair market value” (as defined in the next sentence) over the exercise price of the warrants by (y) the fair market value. The “fair market value” is the average reported closing price of the common stock for the 10 trading days ending on the third trading day prior to the date on which the notice of exercise is received by the warrant agent or on which the notice of redemption is sent to the holders of warrants, as applicable. As a result, you would receive fewer shares of common stock from such exercise than if you were to exercise such warrants for cash.

If the Business Combination does not qualify as a tax-free reorganization under Section 368(a) of the Code, Hillman Holdco stockholders may incur a substantially greater U.S. income tax liability as a result of the Business Combination.

The parties intend for the merger contemplated by the Merger Agreement to be treated for U.S. federal income tax purposes as a reorganization within the meaning of Section 368(a) of the Code. If the merger qualifies for such treatment, Hillman Holdco stockholders generally will not recognize gain or loss upon their exchange of Hillman Holdco common stock for New Hillman common stock. However, the obligations of Hillman Holdco, Landcadia and the Merger Sub to complete the merger are not conditioned on the receipt of opinions from Ropes & Gray LLP or White & Case LLP to the effect that the merger will qualify for such treatment, and the merger will occur even if it does not so qualify. Neither Hillman Holdco nor Landcadia has requested, or intends to request, a ruling from the IRS with respect to the U.S. federal income tax consequences of the merger. Consequently, no assurance can be given that the IRS will not assert, or that a court would not sustain, a position to the contrary. Accordingly, if the IRS or a court determines that the merger does not qualify as a reorganization under Section 368(a) of the Code and is therefore a fully taxable transaction for U.S. federal income tax purposes, Hillman Holdco stockholders generally would recognize taxable gain or loss on the merger consideration they receive in connection with the merger. For a more complete discussion of U.S. federal income tax consequences of the Business Combination, see the section titled “Material United States Federal Income Tax Considerations.”

New Hillman’s certificate of incorporation designates the Court of Chancery of the State of Delaware as the sole and exclusive forum for certain types of actions and proceedings and the federal district courts as the sole and exclusive forum for other types of actions and proceedings, in each case, that may be initiated by New Hillman’s stockholders, which could limit New Hillman’s stockholders’ ability to obtain what such stockholders believe to be a favorable judicial forum for disputes with New Hillman or New Hillman’s directors, officers or other employees.

If the Business Combination is consummated, New Hillman’s certificate of incorporation will provide that, unless New Hillman consents to the selection of an alternative forum, any (i) derivative action or proceeding brought on behalf of New Hillman; (ii) action asserting a claim of breach of a fiduciary duty owed by any director, officer or other employee of New Hillman to New Hillman or New Hillman’s stockholders; (iii) action asserting a claim against New Hillman or any director or officer arising pursuant to any provision of the DGCL or New Hillman’s certificate of incorporation or New Hillman’s bylaws; or (iv) action asserting a claim against New Hillman or any director or officer of New Hillman governed by the internal affairs doctrine, shall, to the fullest extent permitted by law, be exclusively brought in the Court of Chancery of the State of Delaware or, if such court does not have subject matter jurisdiction thereof, the federal district court of the State of Delaware. Subject to the foregoing, the federal district courts of the United States are the exclusive forum for the resolution of any action, suit or proceeding asserting a cause of action under the Securities Act. The exclusive forum provision does not apply to suits brought to enforce any liability or duty created by the Exchange Act. Any person or entity purchasing or otherwise acquiring an interest in any shares of New Hillman’s capital stock shall be deemed to have notice of and to have consented to the forum provisions in New Hillman’s certificate of incorporation. These choice-of-forum provisions may limit a stockholder’s ability to bring a claim in a judicial forum that he, she or it believes to be favorable for disputes with New Hillman or New Hillman’s directors, officers or other employees, which may discourage such lawsuits. We note that there is uncertainty as to whether a court would enforce these provisions and that investors cannot waive compliance with the federal securities laws and the rules and regulations thereunder. Section 22 of the Securities Act creates concurrent jurisdiction for state and federal courts over all suits brought to enforce any duty or liability created by the Securities Act or the rules and regulations thereunder.

Alternatively, if a court were to find these provisions of New Hillman’s certificate of incorporation inapplicable or unenforceable with respect to one or more of the specified types of actions or proceedings, New Hillman may incur additional costs associated with resolving such matters in other jurisdictions, which could materially adversely affect New Hillman’s business, financial condition and results of operations and result in a diversion of the time and resources of New Hillman’s management and board of directors.

Vote Required and Landcadia Board Recommendation

The Business Combination Proposal

Landcadia Stockholders are being asked to consider and vote on a proposal to adopt the Merger Agreement and thereby approve the Business Combination. You should carefully read this proxy statement/prospectus in its entirety for more detailed information concerning the Business Combination. In particular, your attention is directed to the full text of the Merger Agreement, which is attached as Annex A to this proxy statement/prospectus.

Approval of the Business Combination Proposal requires the affirmative vote of a majority of the votes cast by Landcadia Stockholders present in person (which would include presence at the virtual Special Meeting) or represented by proxy at the Special Meeting and entitled to vote thereon. Abstentions and broker non-votes have no effect on the outcome of the proposal. The Business Combination cannot be completed unless the Business Combination Proposal is adopted by the affirmative vote of a majority of the votes cast by Landcadia Stockholders present in person (which would include presence at the virtual Special Meeting) or represented by proxy at the Special Meeting and entitled to vote thereon. Landcadia Stockholders of the Class A common stock and Landcadia Stockholders of the Class B common stock will vote together as a single class on all matters submitted to a vote of our stockholders, except as required by law.

The Business Combination Proposal is a condition to the presentation of the other proposals and is conditioned on the approval of the other condition precedent proposals.

LANDCADIA’S BOARD OF DIRECTORS RECOMMENDS THAT YOU VOTE “FOR” THE BUSINESS COMBINATION PROPOSAL.

The Charter Proposal

Approval of the Charter Proposal requires the affirmative vote of a majority of the outstanding Landcadia Shares, voting together as a single class. Abstentions and broker non-votes have the same effect as a vote “AGAINST” the proposal.

The Charter Proposal is conditioned on the approval of the other condition precedent proposals.

LANDCADIA’S BOARD OF DIRECTORS RECOMMENDS THAT YOU VOTE “FOR” THE CHARTER PROPOSAL.

Approval of each of the Advisory Charter Proposals, each of which is a non-binding vote, requires the affirmative vote of a majority of the votes cast by Landcadia Stockholders present in person (which would include presence at the virtual Special Meeting) or represented by proxy at the Special Meeting and entitled to vote thereon. The Incentive Plan Proposal is conditioned on the approval of the other condition precedent proposals.

LANCADIA’S BOARD OF DIRECTORS RECOMMENDS THAT YOU VOTE “FOR” THE INCENTIVE PLAN PROPOSAL.

The ESPP Proposal

Approval of the ESPP Proposal requires the affirmative vote of a majority of the votes cast by Landcadia Stockholders present in person (which would include presence at the virtual Special Meeting) or represented by proxy at the Special Meeting and entitled to vote thereon. Abstentions and broker non-votes have no effect on the outcome of the proposal

The ESPP Proposal is conditioned on the approval of the condition precedent proposals.

LANCADIA’S BOARD OF DIRECTORS RECOMMENDS THAT YOU VOTE “FOR” THE ESPP PROPOSAL.

The Director Election Proposal

The election of directors is decided by a plurality of the votes cast by the stockholders present in person (which would include presence at the virtual special meeting) or represented by proxy at the special meeting and entitled to vote on the election of directors. This means that each of the director nominees will be elected if they receive more affirmative votes than any other nominee for the same position. Stockholders may not cumulate their votes with respect to the election of directors.

Failure to vote by proxy or to vote in person (which would include voting at the virtual special meeting), an abstention from voting, or a broker non-vote will have no effect on the election of directors.

The election of the director nominees in the Director Election Proposal is conditioned on the approval of the other condition precedent proposals.

LANCADIA’S BOARD OF DIRECTORS RECOMMENDS THAT YOU VOTE “FOR” THE ELECTION OF EACH OF THE DIRECTOR NOMINEES TO THE BOARD OF DIRECTORS.

Adjournment Proposal

If the chairman of the Special Meeting does not adjourn the Special Meeting, Landcadia Stockholders may be asked to vote on a proposal to adjourn the Special Meeting, or any postponement thereof, to another time or place if necessary or appropriate (i) due to the absence of a quorum at the Special Meeting, (ii) to prevent a violation of applicable law, (iii) to provide to Landcadia Stockholders any supplement or amendment to this proxy statement/prospectus and/or (iv) to solicit additional proxies if Landcadia reasonably determines that it is advisable or necessary to do so in order to obtain Landcadia stockholder approval for the Merger Agreement and thereby approval of the Business Combination or the other condition precedent proposals.

Approval of the Adjournment Proposal requires the affirmative vote of a majority of the votes cast by Landcadia Stockholders present in person (which would include presence at the virtual Special Meeting) or represented by proxy at the Special Meeting and entitled to vote thereon. Abstentions and broker non-votes have no effect on the outcome of the proposal.

LANDCADIA’S BOARD OF DIRECTORS RECOMMENDS THAT YOU VOTE “FOR” THE ADJOURNMENT PROPOSAL.

Voting Your Shares

Landcadia Stockholders may vote electronically at the Special Meeting by visiting <https://www.cstproxy.com/landcadiaholdingsiii/sm2021> or by proxy. Landcadia recommends that you submit your proxy even if you plan to attend the Special Meeting. If you vote by proxy, you may change your vote by submitting a later dated proxy before the deadline or by voting electronically at the Special Meeting.

If your Landcadia Shares are owned directly in your name with our transfer agent, Continental Stock Transfer & Trust Company, you are considered, with respect to those shares, the “stockholder of record.” If your shares are held in a stock brokerage account or by a bank or other nominee or intermediary, you are considered the beneficial owner of shares held in “street name” and are considered a “non-record (beneficial) stockholder.”

If you are a Landcadia Stockholder of record you may use the enclosed proxy card to tell the persons named as proxies how to vote your shares. If you properly complete, sign and date your proxy card, your shares will be voted in accordance with your instructions. The named proxies will vote all shares at the meeting for which proxies have been properly submitted and not revoked. If you sign and return your proxy card but do not mark your card to tell the proxies how to vote, your shares will be voted “**FOR**” the proposals to adopt the Merger Agreement and the other proposals presented at the Special Meeting.

Your shares will be counted for purposes of determining a quorum if you vote:

- by submitting a properly executed proxy card or voting instruction form by mail; or
- electronically at the Special Meeting.

Abstentions will be counted for determining whether a quorum is present for the Special Meeting.

Voting instructions are printed on the proxy card or voting information form you received. Either method of submitting a proxy will enable your shares to be represented and voted at the Special Meeting.

Voting Shares Held in Street Name

If your Landcadia Shares are held in an account through a broker, bank or other nominee or intermediary, you must instruct the broker, bank or other nominee how to vote your shares by following the instructions that the broker, bank or other nominee provides you along with this proxy statement/prospectus. Your broker, bank or other nominee may have an earlier deadline by which you must provide instructions to it as to how to vote your Landcadia Shares, so you should read carefully the materials provided to you by your broker, bank or other nominee or intermediary.

If you do not provide voting instructions to your bank, broker or other nominee or intermediary, your shares will not be voted on any proposal on which your bank, broker or other nominee does not have discretionary authority to vote. In these cases, the bank, broker or other nominee or intermediary will not be able to vote your shares on those matters for which specific authorization is required. Brokers do not generally have discretionary authority to vote on any of the proposals.

Broker non-votes are shares held by a broker, bank or other nominee or intermediary that are present or represented by proxy at the Special Meeting, but with respect to which the broker, bank or other nominee or intermediary is not instructed by the beneficial owner of such shares how to vote on a particular proposal and the broker does not generally have voting power on such proposal. Because brokers, banks and other nominees or intermediaries do not generally have discretionary voting with respect to any of the proposals, if a beneficial owner of Landcadia Shares held in “street name” does not give voting instructions to the broker, bank or other nominee for any proposal, then those shares will not be present or represented by proxy at the Special Meeting.

Revoking Your Proxy

If you are a Landcadia Stockholder of record, you may revoke your proxy at any time before it is voted at the Special Meeting by:

- timely delivering a written revocation letter to the Corporate Secretary of Landcadia;
- signing and returning by mail a proxy card with a later date so that it is received prior to the Special Meeting; or
- attending the Special Meeting and voting electronically by visiting the website established for that purpose at <https://www.cstproxy.com/landcadiaholdingsiii/sm2021> and entering the control number found on your proxy card, voting instruction form or notice you previously received. Attendance at the Special Meeting will not, in and of itself, revoke a proxy.

If you are a non-record (beneficial) Landcadia Stockholder, you should follow the instructions of your bank, broker or other nominee regarding the revocation of proxies.

Share Ownership and Voting by Landcadia’s Officers and Directors

As of the record date, the Landcadia directors and officers and their affiliates had the right to vote 14,000,000 Landcadia Shares, representing approximately 22.4% of the Landcadia Shares then outstanding and entitled to vote at the meeting. Landcadia’s Sponsors, directors and members of the management team have entered into an amended and restated letter agreement with us to vote “**FOR**” the approval of the Business Combination Proposal, “**FOR**” the approval of the Charter Proposal, “**FOR**” the approval, on an advisory basis, of each of the Advisory Charter Proposals, “**FOR**” the approval of the Stock Issuance Proposal, “**FOR**” the approval of the Incentive Plan Proposal, “**FOR**” the approval of the ESPP Proposal, “**FOR**” the election of each of the director nominees to the board of directors and “**FOR**” the approval of the Adjournment Proposal.

Redemption Rights

Public stockholders may seek to redeem the public shares that they hold, regardless of whether they vote for or against the proposed Business Combination or do not vote at the Special Meeting. Any public stockholder may request redemption of their public shares for a per-share price, payable in cash, equal to the aggregate amount then on deposit in the Trust Account, calculated as of two business days prior to the consummation of the Business Combination, including interest earned on the funds held in the Trust Account and not previously released to us to pay our taxes, divided by the number of then issued and outstanding public shares. If a holder properly seeks redemption as described in this section and the Business Combination is consummated, the holder will no longer own these shares following the Business Combination.

Notwithstanding the foregoing, a public stockholder, together with any affiliate of such holder or any other person with whom such holder is acting in concert or as a “group” (as defined in Section 13(d)(3) of the Exchange Act) will be restricted from seeking redemption rights with respect to 15% or more of the shares of the public shares. Accordingly, if a public stockholder, alone or acting in concert or as a group, seeks to redeem more than 15% of the public shares, then any such shares in excess of that 15% limit would not be redeemed for cash.

Landcadia’s Sponsors will not have redemption rights with respect to any Landcadia Shares owned by them, directly or indirectly.

You will be entitled to receive cash for any public shares to be redeemed only if you:

- (a) hold public shares or (b) hold public shares through units and you elect to separate your units into the underlying public shares and public warrants prior to exercising your redemption rights with respect to the public shares; and
- prior to 5:00 p.m., New York City time, on July 9, 2021, (a) submit a written request, including the legal name, phone number and address of the beneficial owner of the shares for which redemption is requested, to the transfer agent that Landcadia redeem your public shares for cash and (b) deliver your public shares to the transfer agent, physically or electronically through DTC.

If you hold the shares in street name, you will have to coordinate with your broker to have your shares certificated or delivered electronically. Public shares that have not been tendered (either physically or electronically) in accordance with these procedures will not be redeemed for cash. There is a nominal cost associated with this tendering process and the act of certificating the shares or delivering them through the DWAC system. The transfer agent will typically charge the tendering broker \$80 and it would be up to the broker whether or not to pass this cost on to the redeeming public stockholder. In the event the proposed Business Combination is not consummated this may result in an additional cost to stockholders for the return of their public shares.

Holder of units must elect to separate the underlying public shares and public warrants prior to exercising redemption rights with respect to the public shares. If holders hold their units in an account at a brokerage firm or bank, holders must notify their broker or bank that they elect to separate the units into the underlying public shares and public warrants, or if a holder holds units registered in its own name, the holder must contact the transfer agent, directly and instruct them to do so.

Any request to redeem public shares, once made, may be withdrawn at any time until the deadline for submitting redemption requests and thereafter, with Landcadia's consent, until the Closing. Furthermore, if a holder of a public share delivers its certificate in connection with an election of its redemption and subsequently decides prior to the deadline for submitting redemption requests not to elect to exercise such rights, it may simply request that Landcadia instruct the transfer agent to return the certificate (physically or electronically). The holder can make such request by contacting the transfer agent, at the address or email address listed in this proxy statement/prospectus.

If the Business Combination is not approved or completed for any reason, then public stockholders who elected to exercise their redemption rights will not be entitled to redeem their shares. In such case, Landcadia will promptly return any public shares previously delivered by public holders.

For illustrative purposes, based on the cash held in the Trust Account on March 31, 2021 of \$500,026,153, the estimated per share redemption price would have been approximately \$10.00 per public share. Prior to exercising redemption rights, public stockholders should verify the market price of Landcadia Shares as they may receive higher proceeds from the sale of their Landcadia Shares in the public market than from exercising their redemption rights if the market price per share is higher than the redemption price. Landcadia cannot assure its stockholders that they will be able to sell their Landcadia Shares in the open market, even if the market price per share is higher than the redemption price stated above, as there may not be sufficient liquidity in its securities when its stockholders wish to sell their shares.

If a public stockholder exercises its redemption rights, then it will be exchanging its redeemed public shares for cash and will no longer own those public shares. You will be entitled to receive cash for your public shares only if you properly exercise your right to redeem your public shares and deliver your Landcadia Shares (either physically or electronically) to the transfer agent, in each case prior to 5:00 p.m., New York City time, on July 9, 2021, the deadline for submitting redemption requests, and the Business Combination is consummated.

Immediately following the Closing, New Hillman will pay public stockholders who properly exercised their redemption rights in respect of their public shares.

Appraisal Rights

Neither Landcadia Stockholders nor Landcadia warrant holders have appraisal rights in connection with the Business Combination under the DGCL.

Potential Purchases of Shares and/or Public Warrants

At any time prior to the Special Meeting, during a period when they are not then aware of any material nonpublic information regarding Landcadia or its securities, Landcadia's Sponsors, directors, officers, advisors and/or their affiliates, Hillman Holdco and/or its affiliates and the Stockholder Representative and/or its affiliates may purchase shares and/or warrants from investors, or they may enter into transactions with such investors and others to provide them with incentives to acquire Landcadia Shares or vote their Landcadia Shares in favor of the Business Combination Proposal. The purpose of such share purchases and

other transactions would be to increase the likelihood that (i) the proposals presented for approval at the Special Meeting are approved and/or (ii) Landcadia satisfies the Minimum Proceeds Condition. Any such stock purchases and other transactions may thereby increase the likelihood of obtaining stockholder approval of the Business Combination. This may result in the completion of our Business Combination in a way that may not otherwise have been possible. While the exact nature of any such incentives has not been determined as of the date of this proxy statement/prospectus, they might include, without limitation, arrangements to protect such investors or holders against potential loss in value of their shares, including the granting of put options and the transfer to such investors or holders of shares or rights owned by the Sponsors for nominal value.

Costs of Solicitation

Landcadia will bear the cost of soliciting proxies from Landcadia Stockholders.

Landcadia will solicit proxies by mail. In addition, the directors, officers and employees of Landcadia may solicit proxies from Landcadia Stockholders by telephone, electronic communication, or in person, but will not receive any additional compensation for their services. Landcadia will make arrangements with brokerage houses and other custodians, nominees, and fiduciaries for forwarding proxy solicitation material to the beneficial owners of Landcadia Shares held of record by those persons and will reimburse them for their reasonable out-of-pocket expenses incurred in forwarding such proxy solicitation materials.

Landcadia has engaged a professional proxy solicitation firm, Morrow, to assist in soliciting proxies for the Special Meeting. Landcadia has agreed to pay Morrow a fee of \$35,000, plus disbursements. Landcadia will reimburse Morrow for reasonable out-of-pocket expenses and will indemnify Morrow and its affiliates against certain claims, liabilities, losses, damages and expenses. Landcadia will also reimburse banks, brokers and other custodians, nominees and fiduciaries representing beneficial owners of our common stock for their expenses in forwarding soliciting materials to beneficial owners of our common stock and in obtaining voting instructions from those owners. Landcadia's management team may also solicit proxies by telephone, by facsimile, by mail, on the Internet or in person. They will not be paid any additional amounts for soliciting proxies.

Other Business

Landcadia is not aware of any other business to be acted upon at the Special Meeting. If, however other matters are properly brought before the Special Meeting, the proxies will have discretion to vote or act on those matters according to their best judgment and they intend to vote the shares as the Landcadia Board may recommend.

Attendance

Only Landcadia Stockholders on the record date or persons holding a written proxy for any stockholder or account of Landcadia as of the record date may attend the Special Meeting. The Special Meeting will be held in a virtual meeting format only. You will not be able to attend the Special Meeting physically. If you hold your Landcadia Shares in your name as a stockholder of record and you wish to attend the Special Meeting, please visit <https://www.cstproxy.com/landcadiaholdingsiii/sm2021> and enter the control number found on your proxy card. If your Landcadia Shares are held in "street name" in a stock brokerage account or by a bank, broker or other holder of record and you wish to attend the Special Meeting, you must obtain a legal proxy from the bank, broker or other holder of record in order to vote your shares electronically at the Special Meeting.

Assistance

If you need assistance in completing your proxy card or have questions regarding the Special Meeting, please contact Morrow, the proxy solicitation agent for Landcadia, by calling (800) 662-5200, or banks and brokers can call collect at (203) 658-9400, or by emailing LCY.info@investor.morrowsodali.com.

THE BUSINESS COMBINATION PROPOSAL

The Landcadia Stockholders are being asked to approve the Merger Agreement and the transactions contemplated thereby, including the Business Combination. All Landcadia Stockholders should read carefully this proxy statement/prospectus in its entirety for more detailed information concerning the Merger Agreement, which is attached as Annex A to this proxy statement/prospectus. You are urged to read carefully the Merger Agreement in its entirety before voting on this proposal.

Landcadia may consummate the Business Combination only if all of the condition precedent proposals are approved by the Landcadia Stockholders present in person (which would include presence at the virtual Special Meeting) or represented by proxy at the Special Meeting and entitled to vote thereon.

Structure of the Business Combination

Pursuant to the Merger Agreement, Merger Sub will merge with and into Hillman Holdco, with Hillman Holdco surviving the Business Combination. Upon consummation of the foregoing transactions, Hillman Holdco will be the wholly-owned subsidiary of New Hillman (formerly Landcadia). In addition, New Hillman (formerly Landcadia) will amend and restate its charter to be the Proposed Charter as described in the section of this proxy statement/prospectus titled “*Description of New Hillman Securities.*” It is intended that such merger be treated as a “reorganization” described in Section 368(a) of the Code and that the Merger Agreement be treated as a “plan of reorganization” for purposes of Section 368 of the Code.

Consideration to Hillman Stockholders

The aggregate value of the consideration paid in respect of Hillman Holdco is approximately \$939,580,000, payable as Aggregate Consideration.

In accordance with the terms and subject to the conditions of the Merger Agreement, Landcadia has agreed to pay aggregate consideration in the form of New Hillman common stock (the “Aggregate Consideration”) calculated as described below and equal to a value of approximately (i) \$911,300,000 plus (ii) \$28,280,000, such amount being the value of 2,828,000 shares of Class B common stock valued at \$10.00 per share that our sponsors, TJF, LLC (“TJF Sponsor”) and Jefferies Financial Group Inc. (“JFG Sponsor” and, together with TJF Sponsor, the “Sponsors”), have agreed to forfeit at the closing of the Business Combination (the “Closing”).

At the effective time of the Business Combination, all outstanding shares of common stock of Hillman Holdco will be cancelled in exchange for the right to receive, with respect to each such share, a certain number of shares of New Hillman common stock valued at \$10.00 per share equal to (A) (i) the Aggregate Consideration plus (ii) the value that would be received by Hillman Holdco upon the exercise of all outstanding Hillman Holdco options as of immediately prior to the Closing, divided by (B) (i) the total number of shares of Hillman Holdco common stock outstanding as of immediately prior to the Closing plus (ii) the number of shares of Hillman Holdco common stock underlying all then outstanding Hillman Holdco options and shares of Hillman Holdco restricted stock outstanding as of immediately prior to the Closing. See also “*Sources and Uses of Funds for the Business Combination*” below for more information.

At the effective time of the Business Combination, the Aggregate Consideration will be issued to the then current holders of stock in Hillman Holdco in the form of Class A common stock of New Hillman. The Class A common stock of New Hillman that is required to be issued as merger consideration will be valued at \$10.00 per share.

At the effective time, each outstanding Hillman Holdco Option, whether vested or unvested, will be assumed by New Hillman and will be converted into a New Hillman Option with substantially the same terms and conditions as applicable to the Hillman Holdco Option immediately prior to the effective time (including expiration date, vesting conditions and exercise provisions) except that (i) each such Hillman Holdco Option shall be exercisable for that number of shares of New Hillman common stock equal to the product (rounded down to the nearest whole number) of (A) the number of shares of Hillman Holdco common stock subject to such Hillman Holdco Assumed Option immediately prior the effective time multiplied by (B) the Closing Stock Per Option Amount, (ii) the per share exercise price for each share of

New Hillman common stock issuable upon exercise of the New Hillman Option shall be equal to the quotient (rounded up to the nearest whole cent) obtained by dividing (A) the exercise price per share of Hillman Holdco subject to such Hillman Holdco Option immediately prior to the effective time by (B) the Closing Stock Per Option Amount; (iii) the Hillman Holdco Board (or the compensation committee of the Hillman Holdco Board) may appropriately adjust the performance conditions applicable to certain of the New Hillman Options; and (iv) the Hillman Holdco Board (or the compensation committee of the Hillman Holdco Board) may make such other immaterial administrative or ministerial changes to the New Hillman Options as it may determine in good faith are appropriate to effectuate the administration of the New Hillman Options and to ensure consistency with the administrative and ministerial provisions of the New Hillman Incentive Equity Plan;

At the effective time, each share of unvested restricted Hillman Holdco common stock will be cancelled and converted into the right to receive a number of shares of New Hillman Restricted Stock equal to the Closing Stock Per Restricted Share Amount with substantially the same terms and conditions as were applicable to the related share of Hillman Holdco Restricted Stock immediately prior to the effective time (including with respect to vesting and termination-related provisions), except that (i) any per-share repurchase price of such New Hillman Restricted Stock shall be equal to the quotient obtained by dividing (A) the per-share repurchase price applicable to the Hillman Holdco Restricted Stock, by (B) the Closing Stock Per Restricted Share Amount, rounded up to the nearest cent and (ii) the Hillman Holdco Board (or the compensation committee of the Hillman Holdco Board) may make such other immaterial administrative or ministerial changes to the New Hillman Restricted Stock as it may determine in good faith are appropriate to effectuate the administration of the New Hillman Restricted Stock and to ensure consistency with the administrative and ministerial provisions of the New Hillman Incentive Equity Plan.

At the effective time, each Hillman Holdco restricted stock unit will be assumed by New Hillman and converted into a New Hillman RSU with substantially the same terms and conditions as were applicable to such Hillman Holdco RSU immediately prior to the Effective Time (including with respect to vesting and termination-related provisions), except that (i) each New Hillman RSU shall represent the right to receive (subject to vesting) that number of shares of New Hillman common stock equal to the product (rounded up to the nearest whole number) of (A) the number of shares of Hillman Holdco Common Stock underlying the Hillman Holdco RSU immediately prior to the effective time, multiplied by (B) the Hillman Holdco RSU Exchange Ratio; and (ii) the Hillman Holdco Board (or the compensation committee of the Hillman Holdco Board) may make such other immaterial administrative or ministerial changes to the New Hillman RSUs as it may determine in good faith are appropriate to effectuate the administration of the New Hillman RSUs and to ensure consistency with the administrative and ministerial provisions of the New Hillman Incentive Equity Plan.

In addition, pursuant to the A&R Letter Agreement, Landcadia's Sponsors will, at the Closing of the Business Combination, forfeit a total of 3,828,000 of their shares of Landcadia Class B common stock with 2,828,000 shares being forfeited by the Sponsors on a basis pro rata with their ownership of Landcadia and 1,000,000 additional shares being forfeited by the TJF Sponsor.

No Fractional Shares

No fraction of a share of New Hillman common stock will be issued by virtue of the Business Combination, and each Hillman Holdco stockholder who would otherwise be entitled to a fraction of a share of New Hillman common stock (after aggregating all fractional shares of New Hillman common stock that otherwise would be received by such Hillman Holdco stockholder) shall receive from New Hillman, in lieu of such fractional share (i) one share of New Hillman common stock if the aggregate amount of fractional shares of New Hillman common stock such Hillman Holdco stockholder would otherwise be entitled to is equal to or exceeds 0.50; or (ii) no shares of New Hillman common stock if the aggregate amount of fractional shares of New Hillman common stock such Hillman Holdco stockholder would otherwise be entitled to is less than 0.50.

The Private Placement

Landcadia entered into the Subscription Agreements with the PIPE Investors, pursuant to which, among other things, Landcadia agreed to issue and sell in private placements an aggregate of 37,500,000

shares of Landcadia Class A common stock to the PIPE Investors, including 2,500,000 shares of Landcadia Class A common stock to be purchased by JFG Sponsor, for \$10.00 per share.

The Private Placement investment is expected to close substantially concurrently with the Closing. In connection with the Closing, all of the issued and outstanding shares of Landcadia Class A common stock, including the shares of Landcadia Class A common stock issued to the PIPE Investors, will be exchanged, on a one-for-one basis, for shares of New Hillman common stock.

Background of the Business Combination

The terms of the Business Combination are the result of negotiations between the representatives of Landcadia and Hillman Holdco. The following is a brief description of the background of these negotiations and the resulting Business Combination.

Landcadia is a blank check company incorporated in Delaware and formed for the purpose of effecting a merger, capital stock exchange, asset acquisition, stock purchase, reorganization or similar business combination with one or more businesses. Our intention was to capitalize on the substantial deal sourcing, investing and operating expertise of our management team to identify and combine with one or more businesses with high growth potential.

On March 13, 2018, JFG Sponsor, through a subsidiary, purchased 100% of the membership interests in Landcadia for \$1,000. On August 24, 2020, TJF Sponsor purchased a 51.7% membership interest in Landcadia for \$1,070. Simultaneously we converted the Company from a limited liability company to a corporation and issued stock in exchange for outstanding membership interests. The Sponsors were issued 11,500,000 Class B shares based on the proportional interest in the Company. Further, on September 16, 2020, we effected a 1:1.25 stock split of the founder shares so that a total of 14,375,000 founder shares were issued and outstanding. Subsequently on November 22, 2020 the Sponsors forfeited an aggregate of 1,875,000 shares of Class B common stock because the underwriters did not exercise their over-allotment option. As of the date of this prospectus, the Sponsors own an aggregate of 12,500,000 shares of Class B common stock.

On October 14, 2020, we consummated our IPO. Simultaneously with the closing of the IPO, our Sponsors purchased an aggregate of 8,000,000 private placement warrants in connection with Landcadia's initial public offering, at a price of \$1.50 per warrant, or \$12,000,000 in the aggregate. Each private placement warrant entitles the holder to purchase one share of Class A common stock at \$11.50 per share. The private placement warrants (including the Class A common stock issuable upon exercise of the private placement warrants) may not, subject to certain limited exceptions, be transferred, assigned or sold until 30 days after the completion of the Business Combination.

Prior to the consummation of our IPO, neither Landcadia, nor anyone on its behalf, engaged in any substantive discussions, directly or indirectly, with any business combination target with respect to an initial business combination with Landcadia.

After our IPO, our officers and directors commenced an active search for prospective businesses or assets to acquire in our initial business combination. Representatives of Landcadia were contacted by, and representatives of Landcadia contacted, numerous individuals, financial advisors and other entities who offered to present ideas for business combination opportunities. Our officers and directors and their affiliates also brought to our attention target business candidates.

During this search process, Landcadia reviewed several business combination opportunities and signed non-disclosure agreements with two potential targets, including Hillman Holdco. Hillman Holdco was the first potential target with whom Landcadia entered into substantive discussions.

In June 2014, affiliates of CCMP Capital Advisors, LP ("CCMP") acquired control of Hillman Holdco. CCMP owns approximately 79% of the voting securities of Hillman Holdco and has the right to designate a majority of the directors to the Hillman Holdco board of directors. The current board of directors of Hillman Holdco is comprised of nine directors, including Richard Zannino, Joseph Scharfenberger and Kristin Steen, who are each Managing Directors of CCMP.

Hillman Holdco engaged Jefferies on June 15, 2019 and Barclays Capital Inc. ("Barclays") on June 24, 2019, to review strategic alternatives, including a sale of control of Hillman. As part of such review,

representatives of Hillman Holdco and Jefferies discussed the possibility of pursuing a SPAC transaction. In September 2020, Barclays and Jefferies, on behalf of Hillman Holdco, commenced a comprehensive auction process seeking interest in acquiring control of Hillman Holdco. As part of this process, Barclays and Jefferies reached out to approximately 20 parties. Hillman Holdco, through Barclays and Jefferies, received first round indications of interest on October 19, 2020 from multiple parties. As part of the ongoing discussions with representatives of Hillman Holdco regarding the prospect of combining Hillman Holdco with a SPAC, in late October, representatives of Jefferies introduced representatives of Landcadia to representatives of Hillman Holdco.

On November 2, 2020, representatives of Hillman Holdco requested and Jefferies prepared an illustrative SPAC analysis and financial model for the potential business combination between Landcadia and Hillman Holdco based on various potential valuations and transaction structures. Jefferies prepared a series of illustrative analyses between November 3, 2020 and November 6, 2020.

On November 5, 2020, representatives of Hillman Holdco requested that Jefferies send Tilman Fertitta, Richard Handler and Steven Scheinthal, the Chief Executive Officer and Co-Chairman, President and Co-Chairman and Vice President, General Counsel and Secretary of Landcadia, respectively, the illustrative SPAC analysis outlining an illustrative valuation for Hillman at a multiple of 12.7x 2021E EBITDA to the market.

On November 6, 2020, members of Landcadia's management team, including Messrs. Fertitta and Scheinthal, Rick Liem and Nick Daraviras, conducted a high-level introductory call with representatives of Hillman, including Messrs. Cahill and Kraft. Representatives from CCMF, Jefferies and Barclays were also on the call. During the call, the parties discussed a revised valuation for Hillman of 12.0x 2021E EBITDA to the market, which reflected Landcadia's view that investor demand would be enhanced for both the Private Placement and Landcadia Class A common stock at a lower valuation; further widening the valuation discount to Hillman's publicly traded peers. Following the call it was agreed that the companies would proceed with negotiations and Landcadia began performing business due diligence on Hillman. Representatives of JFG Sponsor assisted Landcadia in performing due diligence on Hillman.

On November 9, 2020, Mr. Handler and Nick Daraviras of Landcadia and representatives from Jefferies and JFG Sponsor participated in a follow-up call with representatives of Hillman, including Doug Cahill, Rocky Kraft, Joe Scharfenberger, Kristin Steen and Rich Zannino, and representatives from Barclays, at which the parties again discussed high-level introductory matters, largely for the benefit of certain representatives of Landcadia who did not participate in the November 6 call.

On November 11, 2020, Landcadia held a call with Jefferies to discuss an overview of the business combination process and the next steps required for conducting initial business due diligence on Hillman.

On November 12, 2020, Landcadia and Hillman Holdco entered into a confidentiality agreement, which was sent by Barclays to Landcadia on November 9, 2020 and subsequently negotiated by Landcadia with Hillman and its outside counsel, Ropes & Gray LLP ("Ropes and Gray"). Later that day, Landcadia's management team received a more detailed management presentation from Hillman.

On November 15, 2020, Landcadia's management team prepared a draft letter of intent ("LOI") outlining certain proposed terms for the potential business combination, including an enterprise value for Hillman Holdco of approximately \$2.688 billion, which was equivalent to a multiple of 12.0x 2021E EBITDA to the market, and which included \$500 million in cash from the Trust Account, \$500 million from a proposed private placement, \$965 million in rollover equity, \$805 million in new debt, \$15 million in cash from the combined company's balance sheet and \$125 million in founder shares. The LOI also provided that \$50 million of cash would remain on the balance sheet after the closing for working capital purposes and that \$150 million of the merger consideration would be paid in cash and the remaining portion would be paid to the Hillman Holdco stockholders in shares of Landcadia Class A common stock, valued at \$10.00 per share. Landcadia sent the initial draft to its outside counsel, White & Case LLP ("White & Case") for their review.

On November 16, 2020, White & Case, on behalf of Landcadia, sent the draft LOI to Hillman and Ropes & Gray.

Between November 16, 2020 and November 23, 2020, Landcadia, Hillman and their respective counsels negotiated the terms of the LOI.

On November 17, 2020, Landcadia requested and Jefferies provided a proposed transaction timeline that was shared with Hillman and its representatives.

On November 18, 2020, members of Hillman's management team, including Doug Cahill, Rocky Kraft, Jon Michael Adinolfi, Kim Corbitt and Randy Fagundo, delivered an in-depth management presentation via videoconference to Tilman Fertitta, Steven Scheinthal, Rick Liem and Nick Daraviras from Landcadia. The presentation provided a comprehensive overview of Hillman's business, from which additional due diligence items were identified by Landcadia to be addressed in subsequent meetings. Representatives from JFG Sponsor, Jefferies and CCMP were also in attendance.

On November 23, 2020, members of Hillman's management presented a detailed financial forecast model to members of Landcadia's management, at Landcadia's request. Also in attendance were representatives from CCMP, JFG Sponsor, Jefferies and Barclays. See the section entitled "*Certain Projected Financial Information*" below for a further discussion of such financial forecast. Later that day, Landcadia and Hillman signed the LOI that had been negotiated as described above, which included a proposed enterprise value for Hillman of approximately \$2.688 billion (which was equivalent to a multiple of 12.0x 2021E EBITDA to the market), with aggregate merger consideration of \$1.144 billion to be paid in cash and shares of Landcadia Class A common stock. The LOI provided that Landcadia would, concurrently with the signing of the Merger Agreement, enter into customary and binding subscription agreements for \$500 million of Class A common stock to be issued in a private placement and debt commitment letters to provide debt financing in an aggregate amount up to \$1.333 billion. The proceeds of the Trust Account, the private placement and the debt financing would be used to provide for cash consideration of \$150 million, reduce Hillman's existing long term debt so that it would not exceed \$833 million, and provide \$50 million of cash for the combined company's balance sheet at closing, with any additional funding to decrease long term debt to \$800 million and then increase the cash consideration. The portion of the merger consideration not paid in cash would be paid to the Hillman Holdco stockholders in shares of Landcadia's Class A common stock, valued at \$10.00 per share. In addition, JFG Sponsor and TJJ Sponsor agreed to forfeit an aggregate of 2,828,000 founder shares at Closing, with an equal number of shares of New Hillman common stock to be issued to certain stockholders specified by the board of directors of Hillman Holdco as additional consideration. The LOI further provided that Landcadia would have the right to appoint two directors to New Hillman's board of directors at Closing and Hillman and Landcadia would mutually agree on the other director appointees.

On November 23, 2020, Landcadia, Hillman and their respective legal advisors from Ropes & Gray and White & Case held a conference call to discuss the proposed terms of the Merger Agreement and the preparation of the other transaction documentation.

On November 26, 2020, Jefferies and Barclays began confidential discussions with potential investors relating to the private placement ("PIPE"). Landcadia, Hillman and representatives of Jefferies and Barclays worked together to prepare a PIPE marketing presentation.

On November 30, 2020, Landcadia requested that White & Case commence legal due diligence and prepare a definitive merger agreement. Access was granted to a data room that had been set up to facilitate legal diligence and business diligence.

On December 4, 2020, representatives of Landcadia, Hillman, Jefferies and Barclays commenced a series of conference calls and follow-up calls with prospective PIPE investors. These calls continued through January 20, 2021.

On December 14, 2020, Landcadia, Hillman and their respective legal advisors held a conference call to discuss the proxy and registration statement on Form S-4 and the status of the other transaction documentation.

On December 17, 2020, the management team of Landcadia and representatives of Hillman held a due diligence call to discuss the details and assumptions that Hillman used in developing its operating model and financial projections for each of its business segments. Also on the call, certain third-party advisors to

Landcadia discussed financial due diligence that had been conducted. Representatives from Jefferies were also in attendance. See the section entitled “— *Certain Projected Financial Information*” below for a further discussion of such financial projections.

Also on December 17, 2020, Hillman and Jefferies executed a letter agreement reinstating their agreement that Jefferies act as Hillman’s financial advisor in a possible transaction. In connection with the reinstatement, Hillman acknowledged and waived certain conflicts of interests that Jefferies had relating to the proposed business combination with Landcadia, including the fact that JFG Sponsor, Jefferies’ ultimate parent, is a stockholder and one of the Sponsors of Landcadia. For more information on these conflicts of interest, see the section entitled “*Certain Relationships and Related Party Transactions*”.

On December 18, 2020, representatives of Landcadia and representatives of Hillman held a series of discussions to conduct due diligence relating to Hillman’s competitive landscape, industry background, company positioning and supplier and customer dynamics. Representatives from Jefferies and White & Case were also in attendance.

On December 30, 2020, Landcadia instructed Jefferies to prepare, and Jefferies provided, an updated proposed transaction structure and valuation for Hillman, including \$500 million in cash from the Trust Account, \$500 million from a PIPE, \$996 million rollover equity, \$845 million in new debt, \$15 million in cash from the balance sheet, and \$125 million in founder shares.

On December 31, 2020, White & Case, on behalf of Landcadia, distributed a draft merger agreement to Hillman and Ropes & Gray. Between January 7, 2021 and January 24, 2021, representatives of Landcadia, JFG Sponsor, Hillman, White & Case and Ropes & Gray negotiated the terms of the definitive Merger Agreement and the related documents contemplated thereby, including the disclosure schedules, the A&R Letter Agreement to be entered into by the Sponsors and certain other parties and the voting and support agreements to be entered into by the Hillman Holdco supporting stockholders, and representatives of Landcadia, Hillman, White & Case and Ropes & Gray, together with representatives of JFG Sponsor, Jefferies and Barclays negotiated the terms of the Subscription Agreements for the Private Placement with representatives of the PIPE Investors. During the course of the negotiations it was decided, among other things, that Hillman would enter into the commitment letters relating to the debt financing instead of Landcadia.

On January 13, 2021, as a result of discussions with, and feedback from, potential investors during the PIPE marketing process, representatives of Landcadia and Jefferies and Hillman agreed to reduce the acquisition multiple to 11.0x estimated 2021 EBITDA to the market, or approximately \$2.6 billion, reduce the size of the Private Placement to \$350 million, and that JFG Sponsor would acquire \$25 million of Landcadia Class A common stock in the Private Placement. In addition, it was determined that at this revised valuation, the stockholders of Hillman Holdco would not sell any of their Hillman Holdco shares for cash consideration. Representatives from Landcadia, Jefferies and Hillman believed this lower valuation would significantly increase demand for both the Private Placement and the shares of Landcadia Class A common stock as it represented stronger relative value compared to Hillman’s publicly traded peers. In addition, the parties agreed that TJF Sponsor would forfeit an additional 1,000,000 founder shares at Closing.

On January 21, 2021, certain third-party advisors to Landcadia discussed the results of tax diligence that had been conducted. Representatives from Hillman and Jefferies were also in attendance. Later on the same day, Hillman arranged for a series of calls for representatives of JFG Sponsor to ask due diligence questions and engage with key suppliers of Hillman’s products.

On January 22, 2021, Hillman arranged for a series of calls for representatives of JFG Sponsor to ask due diligence questions and engage with certain of Hillman’s key customers.

Later on January 22, 2021, at Landcadia’s direction, Jefferies and Barclays closed the Private Placement book to new orders; PIPE Investors, including JFG Sponsor, began providing their signature pages to the Subscription Agreements in escrow. As a result of the demand received by PIPE Investors for participation in the Private Placement, Landcadia, Hillman, Jefferies and Barclays decided to increase the Private Placement from \$350 million to \$375 million. Later that evening, representatives from Landcadia and Hillman agreed to a timeline whereby they would sign the Merger Agreement before the market opening on January 25, 2021, announce the transaction and host an investor call later in the morning of January 25, 2021.

On January 24, 2021, Landcadia's Board held a special board meeting via video conference to discuss the business combination, commitments and support from existing stockholders and prospective PIPE Investors and the terms of the definitive agreements. Prior to the special board meeting, the members of Landcadia's Board were made aware of certain conflicts of interest that Jefferies and Mr. Handler had relating to the potential transaction with Hillman. Mr. Handler did not attend the special board meeting, but advised Mr. Scheinthal prior to the meeting that he approved the proposed transaction. A representative from Jefferies briefed the Landcadia Board on the terms of the Merger Agreement and discussed the status of the Private Placement. A representative from JFG Sponsor briefed the Landcadia Board on the findings of the financial and business due diligence. A representative from White & Case briefed the Landcadia Board on the findings of legal due diligence. Following the discussions, the Board unanimously voted in favor of approving the Merger Agreement, the Subscription Agreements and the transactions contemplated thereby. In approving the transactions, the Landcadia Board determined that the aggregate fair market value of the proposed Business Combination was at least 80% of the assets held in the trust account. Also on January 24, 2021, Jefferies provided a disclosure letter to Hillman, pursuant to which Hillman again acknowledged and waived certain conflicts of interests that Jefferies had relating to the proposed business combination with Landcadia, including the fact that JFG Sponsor, Jefferies' ultimate parent, is a stockholder and one of the Sponsors of Landcadia.

Later on January 24, 2021, the parties entered into the Merger Agreement and related agreements, including the A&R Letter Agreement signed by the Sponsors and certain other parties and the voting and support agreements signed by the Hillman Holdco supporting stockholders, and Landcadia entered into the Subscription Agreements for the Private Placement with the PIPE Investors, including a Subscription Agreement with JFG Sponsor, pursuant to which it agreed to purchase 2,500,000 shares of Landcadia Class A common stock for \$25 million. On January 25, 2021, Landcadia and Hillman issued a press release announcing the Business Combination and each filed a Current Report on Form 8-K with the SEC including the press release and an investor presentation to be used in meetings with current and potential investors. Later on January 25, 2021, the parties hosted an investor call.

Landcadia's Board of Directors' Reasons for the Approval of the Business Combination

On January 24, 2021, our Board unanimously (i) approved the signing of the Merger Agreement and the transactions contemplated thereby and (ii) directed that the Merger Agreement, related transaction documentation and other proposals necessary to consummate the Business Combination be submitted to our stockholders for approval and adoption, and recommended that our stockholders approve and adopt the Merger Agreement, related transaction documentation and such other proposals. Before reaching its decision, our board of directors reviewed the results of management's due diligence, which included:

- extensive meetings (virtually and in person) and calls with Hillman's management team and representatives regarding operations, company services, major customers, financial prospects, the pipeline of potential new products and services and possible acquisitions, among other customary due diligence matters;
- review of Hillman's material business contracts and certain other legal and commercial diligence;
- regulatory review of Hillman's model on a state-by-state basis and review of certain international regions;
- financial and accounting diligence; and
- creation of a financial model in conjunction with management of Hillman and CCMP.

Our board of directors considered a wide variety of factors in connection with its evaluation of the Business Combination. In light of the complexity of those factors, the Landcadia board of directors did not consider it practicable to, nor did it attempt to, quantify or otherwise assign relative weights to the specific factors it took into account in reaching its decision. Different individual members of our board of directors may have given different weight to different factors in their evaluation of the Business Combination.

In the prospectus for our IPO, we identified the following general criteria and guidelines that we believed would be important in evaluating prospective target businesses, although we indicated we may enter into a business combination with a target business that does not meet these criteria and guidelines.

- **Business models that are differentiated from or disruptive to entrenched competitors.** We believe that given our management team’s operational and investment experience in the consumer, dining, entertainment and gaming industries we are well-positioned to identify businesses in these industries whose operating models create strong value for their customers by improving customer experiences including utilizing technology to enhance convenience, speed, personalization or other similar factors. Such companies may benefit from our management team’s extensive operational experience and relationships in these industries to assist in further expanding the company’s operations and growth prospects.
- **Opportunities for organic growth and add-on acquisitions.** We will seek targets that we believe we can grow, both organically and through acquisitions. We intend to leverage the industry experience and financial acumen of our management team to identify additional operational improvement opportunities for the target business. In addition, we believe that we can utilize our sponsors’ extensive networks to source proprietary opportunities and execute transactions that will help the business or businesses we acquire grow through further acquisitions, if appropriate or beneficial.
- **Underperforming potential peak operational and/or financial performance capabilities.** We believe that given our management team’s experience with value-oriented investing, we are well-positioned to identify targets where additional capital investment and effective sponsorship can result in improvements in operational and/or financial performance.
- **Offers a value proposition that is not fully recognized by the market.** We will analyze potential business combination targets with a goal of uncovering value that has not been fully recognized and would allow us to invest at prices that we believe to be below intrinsic value.
- **History of, or potential for, free cash flow generation.** We will seek one or more businesses or assets that have a history of, or potential for, strong, stable free cash flow generation, with predictable and recurring revenue streams.
- **Experienced and motivated management team.** We will seek one or more businesses or assets that have strong, experienced management teams or those that provide a platform for us to assemble a strong effective and experienced management team. We will focus on management teams with a proven track record of driving revenue growth, enhancing profitability and creating value for their stockholders.

These illustrative criteria were not intended to be exhaustive. We stated in the IPO prospectus that any evaluation relating to the merits of a particular initial business combination would be based, to the extent relevant, on these general guidelines as well as other considerations, factors and criteria that our management may deem relevant. In the event that we decided to enter into a business combination with a target business that does not meet the above criteria and guidelines, we indicated that would disclose that the target business does not meet the above criteria in our stockholder communications related to our initial business combination.

In considering the Business Combination, Landcadia’s Board concluded that Hillman met all the above criteria. In particular, the Board considered the following positive factors, although not weighted or in any order of significance:

- **Business models that are differentiated from or disruptive to entrenched competitors.** Hillman is the leading specialty distributor of hardware to winning retailers. Hillman has a durable, entrenched business model with significant moat around it, as evidenced by its ability to manage over 112,000 SKUs for its retail partners across 42,000 locations. Hillman also has over 1,100 person in-store sales and service teams that provide unmatched product and category management for its retail partners.
- **Opportunities for organic growth and add-on acquisitions.** Hillman has an excellent track record of strong financial performance, with 55 years of sales growth out of the last 56 years. Over the past 20 years, Hillman has produced a 6% organic sales CAGR. We believe there are favorable demographic tailwinds that support continued growth going forward.
- **Underperforming potential peak operational and/or financial performance capabilities.** While Hillman achieved record results for 2020 Revenue and Adjusted EBITDA, we believe the business

has not achieved peak performance and will continue its impressive track record of growth. Record 2020 results were driven by the Hardware, Protective Solutions and Canada segments growing combined Adjusted EBITDA by 50% year-over-year, overcoming COVID-19 related weakness in the Robotics & Digital Solutions segment where Adjusted EBITDA declined 16%. The business is poised to achieve new peaks if it can continue to drive performance in the Hardware and Protective Solutions segments while recovering and driving growth in the Robotics & Digital Solutions business as customers become comfortable with the physical interactions required to copy keys and as new organic growth initiatives are rolled out.

- **Offers a value proposition that is not fully recognized by the market.** We believe Hillman's business and the proposed transaction valuation compare favorably across all categories when compared to similar publicly traded distributors. Hillman's historical sales and EBITDA growth rates exceed its peers while its margin profile is near the top of its peer group. We have determined that Hillman's closest publicly traded peers are Ferguson PLC (LON: FERG), W. W. Grainger, Inc. (NYSE: GWW), HD Supply Holdings, Inc., Watsco, Inc. (NYSE: WSO), Fastenal Company (Nasdaq: FAST), Pool Corporation (Nasdaq: POOL), and SiteOne Landscape Supply Inc. (NYSE: SITE). This set of peers currently trades at a median EBITDA multiple of 20.2x as of January 22, 2021. As such, we believe the proposed transaction, which valued Hillman at 11.0x forecasted 2021 EBITDA multiple, represents a superior value proposition for the Company's stockholders.
- **History of, or potential for, free cash flow generation.** Despite maintaining high leverage levels, currently at 7.0x total net debt / 2020 Adjusted EBITDA, Hillman continues to generate strong free cash flows. Hillman's management team has historically operated a business model focused on positive free cash flow generation. We believe the proposed transaction, which would reduce total net leverage to 3.6x 2020 Adjusted EBITDA, will enhance Hillman's ability to generate an even stronger free cash flow profile in the future. We believe this will increase Hillman's optionality to deploy capital to its business.
- **Experienced and motivated management team.** Hillman is led by a seasoned team of industry experts that have demonstrated success over a long period of time. Hillman's management team has operated with excellence throughout business cycles, most notably during the 2008 Financial Crisis and the COVID-19 pandemic. Both Doug Cahill and Rocky Kraft have previous executive experience at large public companies and Hillman is currently a public SEC filer. We believe management is well-positioned to run a public company.

Although Landcadia's Board did not seek a third-party valuation, and did not receive any report, valuation or opinion from any third party in connection with the Business Combination, the board of directors relied on the following sources (i) due diligence on Hillman's business operations; (ii) Landcadia management's collective experience in public markets transactions in constructing and evaluating financial models/projections and conducting valuations of businesses and (iii) industry expertise and knowledge from its advisors, including Jefferies. The Board concluded that the \$2.688 billion valuation of Hillman is fair and reasonable, given the growth prospects, potential industry consolidation and other compelling aspects of the transaction.

The Board also gave consideration to the following negative factors (which are more fully described in the "Risk Factors" section of this proxy statement/prospectus), although not weighted or in any order of significance:

The risk that our public stockholders would vote against the Business Combination proposal or exercise their redemption rights.

The Board considered the risk that some of the current public stockholders would vote against the Business Combination proposal or decide to exercise their redemption rights, thereby depleting the amount of cash available in the trust account to an amount below the minimum required to consummate the Business Combination. The board concluded, however, that this risk was substantially mitigated because Landcadia will have secured commitments equal to \$375 million, or approximately 58.7% of the minimum proceeds necessary for closing. Further, the fact that public stockholders may vote for the Business Combination proposal while also exercising their redemption rights mitigates against any incentive a public

stockholder might have to vote against the Business Combination proposal, especially to the extent that they hold public warrants which would be worthless if the Business Combination is not completed.

Our management and directors may have different interests in the Business Combination than the public stockholders.

The Board also considered the fact that members of our management and board of directors may have interests that are different from, or are in addition to, the interests of our stockholders generally, including the matters described under “— Interests of Landcadia’s Directors and Officers and Others in the Business Combination” below. However, our board of directors concluded that the potentially disparate interests would be mitigated because (i) these interests were disclosed in the initial public offering prospectus and (ii) these disparate interests would exist or may be even greater with respect to a business combination with another target company.

Regulatory Approvals

The Business Combination is subject to the expiration or termination of the waiting period (or any extension thereof) applicable under the HSR Act.

Satisfaction of 80% Test

Nasdaq rules require that our initial business combination must be with one or more target businesses that together have an aggregate fair market value equal to at least 80% of the value of the funds in the trust account (excluding the deferred underwriting commissions and taxes payable on the income earned on the funds held in the trust account) at the time of the execution of a definitive agreement for our initial business combination. As of January 22, 2021, the last business day prior to the execution of the Merger Agreement, the fair value of the funds held in the trust account was approximately \$482,586,473.96 (excluding approximately \$17.5 million of deferred underwriting commissions and no taxes payable on the income earned on the trust account) and 80% thereof represents approximately \$386,069,179.17. In reaching its conclusion that the transaction meets the 80% asset test, our Board reviewed the enterprise value of Hillman of approximately \$2,671 million implied by adding the Aggregate Consideration of approximately \$940 million, plus approximately \$842 million of new debt, plus approximately \$500 million in cash from the Trust Account, plus proceeds from the Private Placement of \$375 million, plus approximately \$14 million in cash from the combined company's balance sheet.

In determining whether the enterprise value described above represents the fair market value of Hillman, our committee considered all of the factors described above in this section and the fact that the purchase price for Hillman was the result of an arm's length negotiation. As a result, our Board concluded that the fair market value of the business acquired was significantly in excess of 80% of the assets held in the trust account (excluding the deferred underwriting commissions and taxes payable on the income earned on the trust account).

Interests of Landcadia's Sponsors, Directors and Officers in the Business Combination

In considering the recommendation of our board of directors in favor of approval of the Business Combination Proposal, it should be noted that our directors and officers have interests in the Business Combination that are different from, or in addition to, your interests as a Landcadia Stockholder. If we are unable to complete our initial business combination by October 14, 2022, we will: (i) cease all operations except for the purpose of winding up, (ii) as promptly as reasonably possible but not more than 10 business days thereafter, redeem the public shares and (iii) as promptly as reasonably possible following such redemption, subject to the approval of our remaining stockholders and our Board, liquidate and dissolve, subject in each case to our obligations under the DGCL to provide for claims of creditors and the requirements of other applicable law. There will be no redemption rights or liquidating distributions with respect to our warrants, which will expire worthless if we fail to complete our initial business combination by October 14, 2022.

Directors and Executive Officers of New Hillman After the Business Combination

Subject to the occurrence of the Closing and any limitation with respect to any specific individual imposed under applicable laws and the listing requirements of Nasdaq, effective as of the Closing, Landcadia will take all actions necessary or appropriate (including securing resignations or removals and making such appointments as are necessary) to cause the New Hillman Board to consist of the persons designated by Hillman Holdco in writing prior to Closing. On the Closing Date, Landcadia shall enter into customary indemnification agreements reasonably satisfactory to Hillman Holdco with the individuals to be elected as members of the New Hillman Board, which indemnification agreements shall continue to be effective immediately following the Closing.

Except as otherwise directed in writing by Hillman Holdco, and conditioned upon the occurrence of the Closing, Landcadia will take all actions necessary or appropriate (including securing resignations or removals and making such appointments as are necessary) to cause the persons constituting the officers of Hillman Holdco prior to the effective time of the Business Combination to be the officers of New Hillman (and holding the same titles as held at Hillman Holdco) until the earlier of their resignation or removal or until their respective successors are duly appointed.

Hillman Holdco will take all necessary action prior to the effective time of the Business Combination such that (a) each director of Hillman Holdco in office immediately prior to the effective time of the Business Combination shall cease to be a director immediately following the effective time of the Business Combination (including by causing each such director to tender an irrevocable resignation as a director, effective as of the effective time of the Business Combination) and (b) certain directors or executive officers of Hillman Holdco, determined by Hillman Holdco and communicated to Landcadia in writing prior to the Closing Date, shall be appointed to the Board of Directors of the Surviving Company, effective as of immediately following the effective time of the Business Combination, and, as of such time, shall be the only the directors of Surviving Company (including by causing the Hillman Holdco Board to adopt resolutions prior to the effective time of the Business Combination that expand or decrease the size of the Hillman Holdco Board, as necessary, and appoint such persons to the vacancies resulting from the incumbent directors' respective resignations or, if applicable, the newly created directorships upon any expansion of the size of the Hillman Holdco Board). Each person appointed as a director of the Surviving Company pursuant to the preceding sentence shall remain in office as a director of the Surviving Company until his or her successor is elected and qualified or until his or her earlier resignation or removal.

Except as otherwise directed in writing by Hillman Holdco, the persons constituting the officers of Hillman Holdco prior to the effective time of the Business Combination will continue to be the officers of the Surviving Company (and will hold the same titles as held at Hillman Holdco) until the earlier of their resignation or removal or until their respective successors are duly appointed.

Stock Exchange Listing

Landcadia's units, Class A common stock and public warrants are publicly traded on Nasdaq under the symbols "LCYAU", "LCY" and "LCYAW", respectively. Landcadia intends to apply to list the New Hillman common stock and public warrants on Nasdaq under the symbols "HLMN" and "HLMNW", respectively, upon the Closing of the Business Combination. New Hillman will not have units traded following the Closing of the Business Combination.

Accounting Treatment

The Business Combination will be accounted for as a reverse recapitalization in accordance with GAAP. Under this method of accounting, Landcadia will be treated as the "acquired" company for accounting purposes and the business combination will be treated as the equivalent of Hillman Holdco issuing stock for the net assets of Landcadia, accompanied by a recapitalization. The net assets of Hillman Holdco will be stated at historical cost, with no goodwill or other intangible assets recorded.

Hillman Holdco has been determined to be the accounting acquirer based on evaluation of the following facts and circumstances:

- Hillman Holdco's existing stockholders will have the greatest voting interest in the combined entity under the no and maximum redemption scenarios with 48.7% and 52.5% of the voting interest in each scenario, respectively;
- The largest individual minority stockholder of the combined entity is an existing stockholder of Hillman Holdco;
- Hillman Holdco's directors will represent the majority of the new board of directors of New Hillman;
- Hillman Holdco's senior management will be the senior management of New Hillman; and
- Hillman Holdco, together with its direct and indirect subsidiaries, is the larger entity based on historical revenue and has the larger employee base.

The preponderance of evidence as described above is indicative that Hillman Holdco is the accounting acquirer in the Business Combination.

Vote Required for Approval

This Business Combination Proposal (and consequently, the Merger Agreement and the transactions contemplated thereby, including the Business Combination) will be approved and adopted only with the

affirmative vote of a majority of the votes cast by Landcadia Stockholders present in person (which would include presence at the virtual Special Meeting) or represented by proxy at the Special Meeting and entitled to vote thereon. Abstentions and broker non-votes have no effect on the outcome of the proposal.

The Business Combination is conditioned upon the approval of the Business Combination Proposal, subject to the terms of the Merger Agreement. If the Business Combination Proposal is not approved, the other proposals (except the Adjournment Proposal, as described below) will not be presented to the stockholders for a vote.

Landcadia's Sponsors, directors and members of the management team have agreed to vote the founder shares and any public shares owned by them in favor of the Business Combination Proposal. See "*Other Agreements — Landcadia Letter Agreements*" and "*Other Agreements — A&R Letter Agreement*" for more information.

Recommendation of the Landcadia Board

THE LANDCADIA BOARD OF DIRECTORS UNANIMOUSLY RECOMMENDS THAT THE LANDCADIA STOCKHOLDERS VOTE "FOR" THE APPROVAL OF THE BUSINESS COMBINATION PROPOSAL.

The existence of financial and personal interests of Landcadia's directors may result in a conflict of interest on the part of one or more of the directors between what they may believe is in the best interests of Landcadia and its stockholders and what they may believe is best for himself or themselves in determining to recommend that stockholders vote for the proposals. See the section entitled "*— Interests of Landcadia's Directors and Officers in the Business Combination*" for a further discussion.

THE MERGER AGREEMENT

The following describes certain aspects of the Business Combination, including the material provisions of the Merger Agreement. The following description of the Merger Agreement is subject to, and qualified in its entirety by reference to, the Merger Agreement, which is attached to this proxy statement/prospectus as Annex A, and is incorporated by reference into this proxy statement/prospectus. We urge you to read the Merger Agreement carefully and in its entirety, as it is the legal document governing the Business Combination.

Explanatory Note Regarding the Merger Agreement

The Merger Agreement and this summary are included to provide you with information regarding the terms of the Merger Agreement. The Merger Agreement contains representations and warranties by Landcadia and Hillman Holdco. The representations, warranties and covenants made in the Merger Agreement by Landcadia and Hillman Holdco were qualified and subject to important limitations agreed to by Landcadia and Hillman Holdco in connection with negotiating the terms of the Merger Agreement. In particular, in your review of the representations and warranties contained in the Merger Agreement and described in this summary, it is important to bear in mind that the representations and warranties were negotiated with the principal purpose of establishing circumstances in which a party to the Merger Agreement may have the right not to consummate the Business Combination if the representations and warranties of the other party were to be untrue due to a change in circumstance or otherwise, and allocating risk between the parties to the Merger Agreement, rather than establishing or attempting to set forth matters as facts. The representations and warranties also may be subject to a contractual standard of materiality different from that generally applicable to stockholders and reports and documents filed with the SEC and some were qualified by the matters contained in the confidential disclosure schedules that Landcadia and Hillman Holdco each delivered in connection with the Merger Agreement and certain documents filed with the SEC. Moreover, information concerning the subject matter of the representations and warranties, which do not purport to be accurate as of the date of this proxy statement/prospectus, may have changed since the date of the Merger Agreement.

For the foregoing reasons, the representations and warranties or any descriptions of those provisions should not be read alone or relied upon as presenting the actual state of facts or condition of Landcadia or Hillman Holdco, or any of their respective subsidiaries or affiliates. Instead, such provisions or descriptions should be read only in conjunction with the other information provided elsewhere in this document or incorporated by reference into this proxy statement/prospectus. Please see the section entitled “*Where You Can Find More Information*” beginning on page 281. Notwithstanding the above, if specific material facts exist that might otherwise contradict the representations, warranties and covenants in the Merger Agreement, corrective disclosure has been provided in this proxy statement/prospectus. Landcadia will provide additional disclosures in its public reports to the extent it is aware of the existence of any material facts that are required to be disclosed under federal securities laws and that might otherwise contradict the terms and information, including the representations, warranties and covenants, contained in the Merger Agreement and will update such disclosure as required by federal securities laws to include any material information necessary to provide stockholders with a materially complete understanding of the Merger Agreement and related disclosures.

Closing and Effective Time of the Merger

Unless Landcadia and Hillman Holdco otherwise mutually agree, the Closing will take place on the date which is three business days after the date on which all of the Closing conditions have been satisfied or waived (other than those conditions that by their terms are to be satisfied at the Closing of the Business Combination), but in any event no sooner than sixty (60) days after the date of the Merger Agreement (such date on which the Closing occurs, the “Closing Date”). See “*The Merger Agreement — Conditions to Closing*” below for a more complete description of the conditions that must be satisfied prior to the Closing.

On the Closing Date, Landcadia and Hillman Holdco will effect the Business Combination by filing a certificate of merger with the Secretary of State of the State of Delaware, and the Business Combination will become effective at the time the certificate of merger has been duly filed. The time at which the Business Combination becomes effective is sometimes referred to in this proxy statement/prospectus as the “effective time”.

As of the date of this proxy statement/prospectus, the parties expect that the Business Combination will be effective during the second quarter of 2021. However, there can be no assurance as to when or if the Business Combination will occur.

If the Business Combination is not completed by July 24, 2021 (the “termination date”), the Merger Agreement may be terminated by either Landcadia or the Stockholder Representative. However, the ability to terminate the Merger Agreement pursuant to the provision described in this paragraph shall not be available to any party whose action or failure to act has been a principal cause of or resulted in the failure of the transactions contemplated by the Merger Agreement to occur on or before such date and such action or failure to act constitutes a breach of the Merger Agreement. See “*Termination*” below for further information.

A&R Letter Agreement

In connection with the execution of the Merger Agreement, Landcadia, the Sponsors, each member of the Landcadia Board and each executive officer of Landcadia entered into the A&R Letter Agreement. Like the initial Letter Agreements, pursuant to the A&R Letter Agreement each of Landcadia's Sponsors, directors and members of the management team have agreed to (i) waive their redemption rights with respect to their founder shares (as defined below) and public shares in connection with the completion of the Business Combination, (ii) waive their redemption rights with respect to their founder shares and public shares in connection with a stockholder vote to approve an amendment to the Charter to modify the substance or timing of the Company's obligation to redeem 100% of the public shares if the Company does not complete a Business Combination by October 14, 2022, or to provide for redemption in connection with a Business Combination and (iii) waive their rights to liquidating distributions from the Trust Account with respect to their founder shares if the Company fails to complete a Business Combination by October 22, 2022, although they will be entitled to liquidating distributions from the Trust Account with respect to any public shares they hold if the Company fails to complete a Business Combination within the prescribed time frame; (iv) vote any founder shares held by them and any public shares purchased during or after the IPO (including in open market and privately-negotiated transactions) in favor of the Business Combination, (v) not to transfer or sell (subject to certain limited exceptions) (1) the founder shares until the earlier of (A) one year after the completion of our initial business combination or (B) subsequent to our initial business combination, (x) if the reported closing price of our Class A common stock equals or exceeds \$12.00 per share (as adjusted for stock splits, stock dividends, reorganizations, recapitalizations and the like) for any 20 trading days within any 30-trading-day period commencing at least 150 days after our initial business combination, or (y) the date on which we complete a liquidation, merger, capital stock exchange, reorganization or other similar transaction that results in all of our stockholders having the right to exchange their shares of common stock for cash, securities or other property, or (2) the private placement warrants and the Class A common stock underlying such warrants, until 30 days after the completion of our initial business combination.

In addition, the A&R Letter Agreement provides that, at the Closing, (i) the Sponsors will waive any adjustment to the conversion ratio set forth in the governing documents of Landcadia or any other anti-dilution or similar protection with respect to the Class B ordinary shares (whether resulting from the Private Placement or otherwise), and (ii) the Sponsors will forfeit an aggregate of 2,828,000 shares of Landcadia's Class B common stock otherwise issuable to them upon conversion of their founder shares and that the TJF Founder will forfeit an additional 1,000,000 shares of Landcadia's Class B common stock otherwise issuable to them upon conversion of their founder shares.

Hillman Holdco Voting and Support Agreement

In connection with the execution of the Merger Agreement, certain Hillman Holdco stockholders (the “Hillman Holdco supporting stockholders”) entered into a voting and support agreement with Landcadia. Under the Hillman Holdco voting and support agreement, the Hillman Holdco supporting stockholders agreed that they will not transfer and will deliver a written consent with respect to their shares of Hillman Holdco common stock in favor of the adoption and approval of the Merger Agreement and the transactions contemplated by the Merger Agreement, promptly following the time at which the registration statement of which this prospectus forms a part shall have been declared effective and delivered or otherwise made available to the Hillman Holdco stockholders.

Registration Rights Agreement

At the effective time, New Hillman, the Sponsors and the Hillman Holdco supporting stockholders will enter into an Amended and Restated Registration Rights Agreement substantially in the form attached to the Merger Agreement as Exhibit E (the “A&R Registration Rights Agreement”), which will be effective as of and subject to the Closing, pursuant to which, among other things, (i) New Hillman will agree to register for resale, pursuant to Rule 415 under the Securities Act, certain shares of New Hillman common stock and other equity securities of New Hillman that are held by the parties thereto from time to time, (ii) the Sponsors and the Hillman Holdco supporting stockholders will be granted certain registration rights and (iii) the Sponsors will reaffirm the lock-up they agreed to in the A&R Letter Agreement and the Hillman Holdco supporting stockholders will agree to a lock-up under which they will not sell, for the period set forth therein, the shares of New Hillman common stock they will receive in the Business Combination. The A&R Registration Rights Agreement does not provide for specified cash penalties under the registration rights agreement that may result from delays in or failure to register the covered shares.

In addition, the A&R Registration Rights Agreement will provide for the following registration rights:

- *Shelf registration rights.* New Hillman shall, as soon as practicable, but in any event within thirty (30) days after the Closing, file a registration statement pursuant to Rule 415 of the Securities Act to permit the public resale of all of the registrable securities held by the Sponsors and the Hillman Holdco supporting stockholders and will use its reasonable best efforts to have such registration statement declared effect as soon as practicable after the filing thereof, but in no event later than 60 days following the filing deadline. At any time following the effectiveness of the shelf registration statement, the Sponsors or the Hillman Holdco supporting stockholders may make a written request to effect a public offering, including pursuant to an underwritten shelf takedown.
- *Demand registration rights.* At any time on or after the Closing, New Hillman shall be required, upon the written request of certain affiliates of CCMP Capital Advisors, LP (“CCMP”), the Sponsors or Oak Hill Capital Partners III, L.P. (the “Oak Hill Holders”), to file a registration statement and New Hillman shall effect the registration of all or part of the registrable securities. CCMP shall be entitled to make up to six demands for registration, excluding short form demands. The Sponsors and the Oak Hill Holders shall be entitled to make one demand for registration.
- *Piggyback registration rights.* At any time following the Closing, if New Hillman proposes to file a registration statement to register its equity securities under the Securities Act, subject to certain exceptions, each of the Sponsors and the Hillman Holdco supporting stockholders shall be entitled to include their registrable securities in such registration statement.
- *Expenses and indemnification.* All fees, costs and expenses of underwritten registrations will be borne by New Hillman and the holders of registrable securities shall bear the cost of any incremental selling expenses relating to the sale of registrable securities. The Amended and Restated Registration Rights Agreement contains customary cross-indemnification provisions, under which New Hillman is obligated to indemnify holders of registrable securities in the event of any claims arising out of untrue or alleged untrue statements of material fact contained in any registration statement attributable to New Hillman, and New Hillman shall have the right to require the holders of registrable securities to indemnify New Hillman, its directors, officers and agents and each person who controls New Hillman from and against any claims that arise out of or are based on any untrue statement of material fact contained in the registration statement..

- *Registrable Securities.* Securities of New Hillman shall cease to be registrable securities when (i) a registration statement with respect to the sale of such securities shall become effective under the Securities Act and such securities shall have been disposed of in accordance with such registration statement, (ii) such securities have been otherwise transferred, (iii) such securities shall have ceased to be outstanding, or (iv) such securities are held or become held by a holder who holds less than two percent (2%) of the then issued and outstanding equity securities of New Hillman and may be sold without registration pursuant to Rule 144 or any successor rule under the Securities Act.
- *Lock Up Period.* Notwithstanding the foregoing, affiliates of CCMP and Oak Hill shall not transfer any securities of New Hillman for six months following the Closing, provided (x) that 33% of the Common Stock held by affiliates of CCMP and Oak Hill shall be transferable as part of a registration or offering in which securities of New Hillman are sold to an underwriter following 90 days after the Closing Date if the last closing price of the Common Stock equals or exceeds \$12.00 per share (as adjusted for stock splits, stock dividends, reorganizations, recapitalizations and the like) for any 20 trading days within any 30-day trading period after the Closing, and (y) each executive officer and director of New Hillman shall be permitted to establish a plan to acquire and sell shares of Common Stock pursuant to Rule 10b5-1 under the Exchange Act, provided that such plan does not provide for the transfer of shares of Common Stock held by affiliates of CCMP and Oak Hill during the six months following the Closing, and each Sponsor shall not transfer the Common Stock for one year after the Closing, subject to certain customary exceptions. Each director and officer of New Hillman and each holder of registrable securities shall, if requested, deliver a customary lock up agreement in connection with any underwritten public offering, subject to certain customary exceptions.

THE CHARTER PROPOSAL

Overview

In connection with the Business Combination, Landcadia is asking its stockholders to approve the adoption of the Proposed Charter, in the form attached hereto as Annex C. If the Business Combination and the Charter Proposal are approved, the Proposed Charter would replace the Current Charter.

Comparison of Current Charter to Proposed Charter

The following is a summary of the key changes effected by the Proposed Charter relative to the Current Charter, as well as the Landcadia Board's reasons for approval of the Charter Proposal. This summary is qualified in its entirety by reference to the full text of the Proposed Charter, a copy of which is included as Annex C.

- ***Change the post-combination company's name to Hillman Solutions Corp.*** Currently, Landcadia's name is Landcadia Holdings III, Inc. If the Charter Proposal is approved, Landcadia's name will be changed to Hillman Solutions Corp. Our board of directors believes the name of the post-combination company should more closely align with the name of the post-Business Combination operating business and therefore has proposed this name change. In addition, our board of directors believes that having the Hillman Solutions Corp. name as our own going forward will strengthen our reputation, brand and, as a result, stockholder value.
- ***Removal of blank check company provisions.*** Our board of directors has determined that it is in the best interest of Landcadia to eliminate provisions of our Current Charter that are specific to our status as a blank check company. Removal of these provisions is desirable because these provisions will serve no purpose following consummation of the Business Combination, and many of these provisions cease to apply upon the consummation of the Company's initial business combination. For example, these proposed amendments remove the prohibition on Landcadia entering into an initial Business Combination with another blank check company or a similar company with nominal operations. In addition, certain other provisions in our Current Charter require that proceeds from Landcadia's IPO be held in the Trust Account until a business combination or liquidation of merger has occurred.
- ***Change stock classes and increase total number of authorized shares of common stock to 500,000,000 shares.*** Our Current Charter authorizes the issuance of 380,000,000 shares of Landcadia Class A common stock and 20,000,000 shares of Landcadia Class B common stock. The Proposed Charter authorizes the issuance of 500,000,000 shares of New Hillman common stock. As part of the transactions contemplated by the Merger Agreement, all shares of Landcadia Class B common stock shall be automatically converted on a one-for-one basis into shares of Landcadia Class A common stock, and all shares of Landcadia Class A common stock shall be renamed as "common stock" for all purposes under the Proposed Charter. Our board of directors determined that there was no longer a need to continue with two series of common stock and, therefore, the Proposed Charter eliminates the dual classes of our common stock as described above. The Proposed Charter also provides adequate authorized capital and flexibility for future issuances of common stock if determined by the New Hillman Board to be in the best interests of the post-combination company, without incurring the risk, delay and potential expense incident to obtaining stockholder approval for a particular issuance.
- ***Exclusive federal forum provision.*** The Proposed Charter provides that, subject to limited exceptions, the Court of Chancery of the State of Delaware and federal court within the State of Delaware will be exclusive forums for any:
 - derivative action or proceeding brought on the Company's behalf;
 - action asserting a claim of breach of a fiduciary duty owed by any of the Company's directors, officers or other employees to the Company or its stockholders;
 - action asserting a claim against the Company arising pursuant to any provision of the DGCL, the Proposed Charter or proposed bylaws; or

- other action asserting a claim against the Company that is governed by the internal affairs doctrine.

The Proposed Charter also provides that the federal district courts of the United States are the exclusive forum for the resolution of any complaint asserting a cause of action arising under the Securities Act.

These choice of forum provisions may limit a stockholder's ability to bring a claim in a judicial forum that it finds favorable for disputes with New Hillman or its directors, officers or other employees, which may such lawsuits against New Hillman and its directors, officers and employees. Alternatively, if a court were to find these provisions of New Hillman's Proposed Charter inapplicable to, or unenforceable in respect of, one or more of the specified types of actions or proceedings, New Hillman may incur additional costs associated with resolving such matters in other jurisdictions, which could adversely affect New Hillman's business and financial condition.

- **Change stockholder vote required to 66% in voting power of then outstanding shares of New Hillman common stock in order for stockholders to (1) adopt, amend, alter or repeal the bylaws (Article SIXTH), (2) remove a director (Article FIFTH, Section 5.4) and (3) amend, alter or repeal certain provisions of the Proposed Charter (Article ELEVENTH).** Our Current Charter requires the affirmative vote of holders of at least a majority of the voting power of outstanding shares for stockholders to adopt, amend, alter or repeal the Bylaws and the Current Charter and to remove a director from office. The Proposed Charter will require an affirmative supermajority vote of the outstanding shares for the stockholders to adopt, amend, alter or repeal the Bylaws, to remove a director from office, and to amend certain provisions of the Proposed Charter as follows: Article FIFTH, which addresses amending or addressing the number, election, terms and removal of the classified board structure and any directors thereof; Article SIXTH, which addresses requirements relating to the amendment of our Bylaws; Article SEVENTH, Section 7.1, which addresses the requirement that special meetings be called only by the New Hillman Board; Article SEVENTH, Section 7.3, which addresses the requirement that stockholders take action at a meeting rather than by written consent; Article EIGHTH, which addresses the limitation on personal liability for a director's breach of fiduciary duty and ability to indemnify, and advance expenses to, any person made or threatened to be made a party to any action, suit or proceeding, whether civil, criminal, administrative or investigative by reason of the fact that the person is or was a director, officer, employee or agent of the Company or any predecessor of New Hillman or is or was serving at the request of New Hillman as a director, officer, employee or agent of another corporation, partnership, joint venture, trust or other enterprise; Article NINTH, which addresses the specification that certain transactions are not "corporate opportunities"; Article TENTH, which addresses the election not to be governed by DGCL Section 203 and inclusion of a provision substantially similar to DGCL 203; and Article ELEVENTH, which addresses requirements to amend, alter, change or repeal certain provisions of the Proposed Charter. Our board of directors believes that this change protects such provisions from arbitrary amendment and prevents a simple majority of stockholders from taking actions that may be harmful to the majority of our stockholders.
- **Provide that stockholders may not take action by written consent.** The Current Charter permits only holders of Class B common stock to take action by written consent in lieu of taking action at a meeting of stockholders. The Proposed Charter instead prohibits stockholder action by written consent by specifying that any action required or permitted to be taken by stockholders must be effected by a duly called annual or special meeting and may not be effected by written consent. Our board of directors determined that upon the elimination of separate classes of stock and the conversion of the all Class B common stock to Class A common stock, there was no longer a need for a provision applicable to the Class B common stock held by our Sponsors, TJF Sponsor and JFG Sponsor. In addition, our board of directors believes that prohibiting stockholder action by written consent is a prudent corporate governance measure to reduce the possibility that a block of stockholders could take corporate actions without the benefit of a stockholder meeting to consider important corporate issues.
- **Provide that certain transactions are not "corporate opportunities".** The Proposed Charter provides that New Hillman will renounce any interest or expectancy in, or in being offered an opportunity to participate in, any business opportunities that are from time to time available to CCMP Capital

Advisors, LP, the investment funds affiliated with CCMP Capital Advisors, LP or their respective successors, Transferees, and Affiliates (each as defined in the Proposed Charter) (other than New Hillman and its subsidiaries) or any of their respective partners, principals, directors, officers, members, managers, equity holders and/or employees, including any who serve as officers or directors of New Hillman (each, an “Exempted Person”). Our board of directors believes that this provision is appropriate because it believes that Exempted Persons should not be restricted from investing in, leading and operating other businesses given their involvement with a wide range of companies, and therefore the Exempted Persons might be less willing or unable to enter into the Business Combination without being exempt from the doctrine of corporate opportunity.

- ***Election not to be governed by Section 203 of the DGCL*** Under the Current Charter, Landcadia is subject to Section 203 of the DGCL. The amendment in the Proposed Charter would cause the combined company to not be governed by Section 203 of the DGCL and, instead, include a provision in the Proposed Charter that is substantially similar to Section 203 of the DGCL, but excludes from the definition of “interested stockholder” (A) the investment funds affiliated with CCMP Capital Advisors, LP and their respective successors, Transferees and Affiliates (each as defined in the Proposed Charter) (the “Sponsor Holders”) because such stockholders currently hold voting power of Hillman Holdco in excess of, and immediately following the Business Combination these parties will hold voting power of the combined company in excess of, the 15% threshold under Section 203, and (B) any person whose ownership of shares in excess of the 15% threshold is the result of any action taken solely by the combined company. Our board of directors believes that this provision is in line with market practice for a controlled company like ours and appropriate because of the Sponsor Holders’ current stock ownership in Hillman Holdco.

Vote Required for Approval

The Business Combination is conditioned on the approval and adoption of the Charter Proposal. Approval of the Charter Proposal requires the affirmative vote of a majority of the outstanding Landcadia Shares, voting together as a single class. The Charter Proposal is conditioned on the approval of the Business Combination Proposal and the other condition precedent proposals. Therefore, if the Business Combination Proposal is not approved, the Charter Proposal will have no effect, even if approved by the Landcadia Stockholders. Abstentions and broker non-votes have the same effect as a vote “**AGAINST**” the proposal.

Recommendation of the Landcadia Board

THE LANDCADIA BOARD OF DIRECTORS UNANIMOUSLY RECOMMENDS THAT LANDCADIA STOCKHOLDERS VOTE “FOR” THE APPROVAL OF THE CHARTER PROPOSAL.

The existence of financial and personal interests of one or more of Landcadia’s directors may result in a conflict of interest on the part of such director(s) between what they may believe is in the best interests of Landcadia and its stockholders and what they may believe is best for himself or themselves in determining to recommend that stockholders vote for the proposals. See the section entitled “*The Business Combination Proposal — Interests of Landcadia’s Directors and Officers in the Business Combination*” for a further discussion.

THE ADVISORY CHARTER PROPOSALS

Overview

Our stockholders are also being asked to vote on a separate proposal with respect to certain governance provisions in the Proposed Charter, which are separately being presented in accordance with SEC guidance to give stockholders the opportunity to present their separate views on important corporate governance provisions and which will be voted upon on a non-binding advisory basis. This separate vote is not otherwise required by Delaware law separate and apart from the Charter Proposal, but pursuant to SEC guidance, the Company is required to submit these provisions to its stockholders separately for approval. However, the stockholder vote regarding this proposal is advisory in nature, and is not binding on the Company or our board of directors (separate and apart from the approval of the Charter Proposal). Furthermore, the Business Combination is not conditioned on the separate approval of the advisory charter proposals (separate and apart from approval of the Charter Proposal). Accordingly, regardless of the outcome of the non-binding advisory vote on this proposal, the Company intends that the Proposed Charter will take effect at the Closing (assuming approval of the Charter Proposal).

Advisory Charter Proposal A: Change the Stockholder Vote Required to Amend the Certificate of Incorporation

Description of Amendment

Our Current Charter requires the affirmative vote of holders of at least a majority of the voting power of outstanding shares to adopt, amend, alter or repeal the Current Charter. The Proposed Charter will require the approval by affirmative vote of the holders of at least 66% in voting power of the then outstanding shares of common stock of New Hillman to amend certain provisions of the Proposed Charter as follows: Article FIFTH, which addresses amending or addressing the number, election, terms and removal of the classified board structure and any directors thereof; Article SIXTH, which addresses requirements relating to the amendment of our Bylaws; Article SEVENTH, Section 7.1, which addresses the requirement that special meetings be called only by the New Hillman Board; Article SEVENTH, Section 7.3, which addresses the requirement that stockholders take action at a meeting rather than by written consent; Article EIGHTH, which addresses the limitation on personal liability for a director's breach of fiduciary duty and ability to indemnify, and advance expenses to, any person made or threatened to be made a party to any action, suit or proceeding, whether civil, criminal, administrative or investigative by reason of the fact that the person is or was a director, officer, employee or agent of New Hillman or any predecessor of New Hillman or is or was serving at the request of New Hillman as a director, officer, employee or agent of another corporation, partnership, joint venture, trust or other enterprise; Article NINTH, which addresses the specification that certain transactions are not "corporate opportunities"; Article TENTH, which addresses the election not to be governed by DGCL Section 203 and inclusion of a provision substantially similar to DGCL 203; and Article ELEVENTH, which addresses requirements to amend, alter, change or repeal certain provisions of the Proposed Charter.

Reasons for the Amendment

Our board of directors believes that this change protects such provisions from arbitrary amendment and prevents a simple majority of stockholders from taking actions that may be harmful to the majority of our stockholders or making changes to provisions that are intended to protect all stockholders.

Advisory Charter Proposal B Change the Stockholder Vote Required to Amend the Bylaws

Description of Amendment

Our Current Charter requires the affirmative vote of holders of at least a majority of the voting power of outstanding shares to adopt, amend, alter or repeal the bylaws. The Proposed Charter would require the approval by affirmative vote of the holders of at least 66% of the common stock of New Hillman to adopt, amend, alter or repeal the bylaws.

Reasons for the Amendment

Our board of directors believes that this change protects such provisions from arbitrary amendment and prevents a simple majority of stockholders from taking actions that may be harmful to the majority of our stockholders or making changes to provisions that are intended to protect all stockholders.

Advisory Charter Proposal C: Change the Stockholder Vote Required to Remove a Director***Description of Amendment***

Our Current Charter requires the affirmative vote of holders of at least a majority of the voting power of outstanding shares to remove a director from office. The Proposed Charter would require the approval by affirmative vote of the holders of at least 66% of the common stock of New Hillman to remove a director from office.

Reasons for the Amendment

Our board of directors believes that this change protects such provisions from arbitrary amendment and prevents a simple majority of stockholders from taking actions that may be harmful to the majority of our stockholders or making changes to provisions that are intended to protect all stockholders.

Advisory Charter Proposal D: Election Not to be Governed by Section 203 of the DGCL***Description of Amendment***

Under the Current Charter, Landcadia is subject to Section 203 of the DGCL. The Proposed Charter would cause the combined company to not be governed by Section 203 of the DGCL and, instead, include a provision in the Amended and Restated Certificate of Incorporation that is substantially similar to Section 203 of the DGCL, but excludes from the definition of “interested stockholder” (A) the investment funds affiliated with CCMP Capital Advisors, LP and their respective successors, Transferees and Affiliates (each as defined in the Proposed Charter) (the “Sponsor Holders”) because such stockholders currently hold voting power of Hillman Holdco in excess of, and immediately following the Business Combination these parties will hold voting power of the combined company in excess of, the 15% threshold under Section 203, and (B) any person whose ownership of shares in excess of the 15% threshold is the result of any action taken solely by the combined company. Upon consummation of the Business Combination, the Sponsor Holders will become “interested stockholders” within the meaning of Section 203 of the DGCL, but will not be subject to the restrictions on business combinations set forth in Section 203, as our Board approved the Business Combination in which such stockholders became interested stockholders prior to such time they became interested stockholders.

Reasons for the Amendment

Our board of directors has elected to opt out of Section 203 of the DGCL, but believes that it is in the best interests of stockholders to have protections similar to those afforded by Section 203 of the DGCL. These provisions will encourage any potential acquiror to negotiate with our board of directors and therefore provides an opportunity to possibly obtain a higher purchase price than would otherwise be offered in connection with a proposed acquisition of the post-business combination company. Such provisions may make it more difficult for an acquiror to consummate certain types of unfriendly or hostile corporate takeovers or other transactions involving the Company that have not been approved by our board of directors. Our board of directors believes that while such provisions will provide some measure of protection against an interested stockholder that is proposing a two-tiered transaction structure that is unduly coercive, it would not ultimately prevent a potential takeover that enjoys the support of stockholders and would also help prevent a third party from acquiring “creeping control” of the Company without paying a fair premium to all stockholders.

Further, our board of directors has determined to exclude the Sponsor Holders from the definition of “interested stockholder” because such stockholders currently hold voting power of Hillman Holdco in excess of, and immediately following the Business Combination these parties will hold voting power of the

combined company in excess of, the 15% threshold under Section 203. Our board of directors believes that this provision is in line with market practice for a controlled company like ours and appropriate because of the Sponsor Holders' current stock ownership in Hillman Holdco.

Advisory Charter Proposal E: Change in Stock Classes and Authorized Shares

Description of Amendment

Our Current Charter authorizes the issuance of 380,000,000 shares of Landcadia Class A common stock, 20,000,000 shares of Landcadia Class B common stock and 1,000,000 shares of preferred stock. The Proposed Charter would increase the total number of authorized shares of common stock to 500,000,000. As part of the transactions contemplated by the Merger Agreement and in accordance with the Current Charter, all shares of Landcadia Class B common stock will be automatically converted on a one-for-one basis into shares of Landcadia Class A common stock, and all Class A common stock will be renamed as "common stock" for all purposes under the Proposed Charter.

Reasons for the Amendment

Our board of directors determined that there was no longer a need to continue with two series of common stock and, therefore, the Proposed Charter eliminates the dual classes of our common stock as described above. The Proposed Charter also provides adequate authorized capital and flexibility for future issuances of common stock if determined by the New Hillman Board to be in the best interests of the post-combination company, without incurring the risk, delay and potential expense incident to obtaining stockholder approval for a particular issuance.

The authorized but undesignated preferred stock will allow the post-combination company to discourage unsolicited and hostile attempts to obtain control by means of a merger, tender offer, proxy contest or otherwise without incurring the risk, delay and potential expense incident to obtaining stockholder approval to amend the certificate of incorporation to authorize preferred stock or other defensive measures at the time of an unsolicited and hostile attempt to obtain control. As a result of this amendment, New Hillman's board of directors will have the authority, without further action by the holders of common stock, to issue up to 1,000,000 shares of preferred stock in one or more series, and to establish the number of shares to be included in each such series and to fix the rights and preferences, including voting rights, designated from time to time by the board of directors.

Advisory Charter Proposal F: Corporate Opportunity

Description of Amendment

The Proposed Charter provides that the Company will renounce any interest or expectancy in, or in being offered an opportunity to participate in, business opportunities that are from time to time available to CCMP Capital Advisors, LP, the investment funds affiliated with CCMP Capital Advisors, LP or their respective successors, Transferees, and Affiliates (each as defined in the Proposed Charter) (other than New Hillman and its subsidiaries) or any of their respective partners, principals, directors, officers, members, managers, equity holders and/or employees, including any who serve as officers or directors of New Hillman (each, an "Exempted Person").

Reasons for the Amendment

The amendment is intended to provide that the Exempted Persons will not be subject to limitations under the doctrine of corporate opportunity and therefore will not have a duty to refrain from engaging directly or indirectly in the same or similar business activities or lines of business as the Company or any of its subsidiaries. The prior provision in our Current Charter provides that the doctrine of corporate opportunity applies to directors or officers of the Company who, in their capacity as directors or officers, are offered a corporate opportunity that the Company is permitted to undertake and it would be reasonable to do so, and the directors or officers are legally permitted to refer that opportunity to the Company. Our board of directors believes that this provision is appropriate because it believes that Exempted Persons should not be restricted from investing in, leading and operating other businesses given their involvement with a

wide range of companies, and therefore the Exempted Persons might be less willing or unable to enter into the Business Combination without being exempt from the doctrine of corporate opportunity.

Advisory Charter Proposal G: Provide the Stockholders May Not Take Action by Written Consent

Description of Amendment

The Current Charter permits only holders of Class B common stock to take action by written consent in lieu of taking action at a meeting of stockholders. The Proposed Charter instead prohibits stockholder action by written consent by specifying that any action required or permitted to be taken by stockholders must be effected by a duly called annual or special meeting and may not be effected by written consent.

Reasons for the Amendment

Our board of directors determined that upon the elimination of separate classes of stock and the conversion of the all Class B common stock to Class A common stock, there was no longer a need for a provision applicable to the Class B common stock held by our Sponsors. In addition, our board of directors believes that prohibiting stockholder action by written consent is a prudent corporate governance measure to reduce the possibility that a block of stockholders could take corporate actions without the benefit of a stockholder meeting to consider important corporate issues.

Vote Required for Approval

The Business Combination is not conditioned on the Advisory Charter Proposals. Approval of each of the Advisory Charter Proposals, each of which is a non-binding vote, requires the affirmative vote of a majority of the votes cast by Landcadia Stockholders present in person (which would include presence at the virtual Special Meeting) or represented by proxy at the Special Meeting and entitled to vote thereon. Abstentions and broker non-votes have no effect on the outcome of the proposal.

Recommendation of the Landcadia Board

THE LANDCADIA BOARD OF DIRECTORS UNANIMOUSLY RECOMMENDS THAT LANDCADIA STOCKHOLDERS VOTE “FOR” THE APPROVAL OF EACH OF THE ADVISORY CHARTER PROPOSALS.

The existence of financial and personal interests of one or more of Landcadia’s directors may result in a conflict of interest on the part of such director(s) between what they may believe is in the best interests of Landcadia and its stockholders and what they may believe is best for himself or themselves in determining to recommend that stockholders vote for the proposals. See the section entitled “*The Business Combination Proposal — Interests of Landcadia’s Directors and Officers in the Business Combination*” for a further discussion.

THE STOCK ISSUANCE PROPOSAL

In connection with the Business Combination, we intend to effect the issuance of shares of New Hillman common stock to the stockholders of Hillman Holdco pursuant to the Merger Agreement.

Why Landcadia Needs Stockholder Approval

We are seeking stockholder approval in order to comply with Nasdaq Listing Rule 5635(b) and Nasdaq Listing Rule 5635(d).

Under Nasdaq Listing Rule 5635(b) and Nasdaq Listing Rule 5635(d), stockholder approval is required prior to the issuance of shares of common stock in certain circumstances, including if the number of shares of common stock to be issued is, or will be upon issuance, equal to or in excess of 20% of the number of shares of common stock outstanding before the issuance. The maximum aggregate number of shares of Landcadia Class A common stock issuable (i) pursuant to the Merger Agreement and (ii) pursuant to the Subscription Agreement will represent greater than 20% of the number of shares of Landcadia Class A common stock before such issuances and will result in a change of control of Landcadia. As a result, stockholder approval of the issuance of shares Landcadia Class A common stock in connection with the Private Placement and the issuance of shares of New Hillman common stock pursuant to the Merger Agreement is required under the Nasdaq regulations.

Vote Required for Approval

If the Business Combination Proposal is not approved, the Stock Issuance Proposal will not be presented at the Landcadia Special Meeting. The approval of the Stock Issuance Proposal requires the majority of the votes cast by the Landcadia Stockholders present in person (which would include presence at the virtual Special Meeting) or represented by proxy at the Landcadia Special Meeting.

Failure to submit a proxy at the Landcadia Special Meeting, an abstention from voting or a broker non-vote will have no effect on the Stock Issuance Proposal.

The Business Combination is conditioned on the approval and adoption of the Stock Issuance Proposal. The Stock Issuance Proposal is conditioned on the approval of the other condition precedent proposals. Therefore, if the other condition precedent proposals are not approved, the Stock Issuance Proposal will have no effect, even if approved by the Landcadia Stockholders.

Landcadia's Sponsors have agreed to vote the founder shares and any public shares owned by them in favor of the Stock Issuance Proposal. See "Other Agreements — A&R Letter Agreement" for more information.

Recommendation of the Landcadia Board

LANDCADIA'S BOARD OF DIRECTORS UNANIMOUSLY RECOMMENDS THAT ITS STOCKHOLDERS VOTE "FOR" THE STOCK ISSUANCE PROPOSAL.

The existence of financial and personal interests of one or more of Landcadia's directors may result in a conflict of interest on the part of such director(s) between what they may believe is in the best interests of Landcadia and its stockholders and what they may believe is best for himself or themselves in determining to recommend that stockholders vote for the proposals. See the section entitled "*The Business Combination Proposal — Interests of Landcadia's Directors and Officers in the Business Combination*" for a further discussion.

THE INCENTIVE PLAN PROPOSAL

Overview

Assuming that the Business Combination Proposal and the other condition precedent proposals are approved, Landcadia's stockholders are also being asked to approve and adopt the Incentive Equity Plan. Our board of directors intends to approve the Incentive Equity Plan prior to, and subject to stockholder approval at, the Landcadia Special Meeting, and, in connection with and following the Business Combination, all equity-based awards will be granted under the Incentive Equity Plan. For further information about the Incentive Equity Plan, please refer to the complete copy of the Incentive Equity Plan, which is attached hereto as Annex F.

After careful consideration, the Landcadia Board believes that approving the Incentive Equity Plan is in the best interests of New Hillman. The Incentive Equity Plan promotes ownership in New Hillman by its employees, non-employee directors and consultants, and aligns incentives between these service providers and stockholders by permitting these service providers to receive compensation in the form of awards denominated in, or based on the value of, our common stock. Therefore, the Landcadia Board recommends that our stockholders approve the Incentive Equity Plan.

Summary of the Incentive Equity Plan

The following summary describes the expected material terms of the Incentive Equity Plan. This summary is not a complete description of all provisions of the Incentive Equity Plan and is qualified in its entirety by reference to the Incentive Equity Plan, a copy of which is attached hereto as Annex F, and we urge you to read it in its entirety.

Purpose

The purpose of the Incentive Equity Plan is to advance our interests by providing for the grant to our employees, directors, consultants and advisors of stock and stock-based awards.

Administration

The Incentive Equity Plan will be administered by our compensation committee, except with respect to matters that are not delegated to the compensation committee by our board of directors (whether pursuant to committee charter or otherwise). The compensation committee (or board of directors, as applicable) will have the discretionary authority to administer and interpret the Incentive Equity Plan and any awards granted under it, determine eligibility for and grant awards, determine the exercise price, base value from which appreciation is measured or purchase price, if any, applicable to any award, determine, modify, accelerate and waive the terms and conditions of any award, determine the form of settlement of awards, prescribe forms, rules and procedures relating to the Incentive Equity Plan and awards, and otherwise do all things necessary or desirable to carry out the purposes of the Incentive Equity Plan or any award. The compensation committee may delegate such of its duties, powers and responsibilities as it may determine to one or more of its members, members of the board of directors and, to the extent permitted by law, our officers, and may delegate to employees and other persons such ministerial tasks as it deems appropriate. As used in this summary, the term "Administrator" refers to the compensation committee and its authorized delegates, as applicable.

Eligibility

Our employees, non-employee directors, consultants and advisors are eligible to participate in the Incentive Equity Plan. Eligibility for stock options intended to be incentive stock options, or ISOs, is limited to our employees or employees of certain of our affiliates. Eligibility for stock options, other than ISOs, and stock appreciation rights, or SARs, is limited to individuals who are providing direct services to us or certain of our affiliates on the date of grant of the award. As of the date of this proxy statement/prospectus, approximately 3,700 employees and approximately nine non-employee directors would be eligible to participate in the Incentive Equity Plan following the Business Combination, including all of our executive officers. In addition, certain consultants and other service providers may, in the future, become

eligible to participate in the Incentive Equity Plan, though, as of the date of this proxy statement/prospectus, no grants to any consultants or other service providers are expected.

Authorized shares

Subject to adjustment as described below, the maximum number of shares of our common stock that may be delivered in satisfaction of awards under the Incentive Equity Plan is (i) 7,150,814 shares, plus (ii) up to an aggregate of 14,523,510 shares of our common stock underlying awards under the Hillman Holdco 2014 Equity Incentive Plan (the “Prior Plan”) that on or after the date the Incentive Equity Plan becomes effective, expire or become unexercisable, or are forfeited, cancelled or otherwise terminated, in each case, without delivery of shares or cash therefor, and would have become available under the terms of the Prior Plan (collectively, the “share pool”). Up to the total number of shares in the share pool described above may be delivered in satisfaction of ISOs. The number of shares of our common stock delivered in satisfaction of awards under the Incentive Equity Plan is determined (i) by reducing the share pool by the number of shares withheld by us in payment of the exercise price or purchase price of the award or in satisfaction of tax withholding requirements with respect to the award, (ii) by reducing the share pool by the full number of shares covered by any portion of a SAR which is settled in shares of our common stock (and not only the number of shares delivered in settlement of a SAR), and (iii) by increasing the share pool by any shares underlying awards settled in cash or that expire, become unexercisable, terminate or are forfeited to or repurchased by us without the issuance of shares of our common stock (or retention, in the case of restricted stock or unrestricted stock) of shares of our common stock. The number of shares available for delivery under the Incentive Equity Plan will not be increased by any shares that have been delivered under the Incentive Equity Plan and are subsequently repurchased using proceeds directly attributable to stock option exercises.

Shares that may be delivered under the Incentive Equity Plan may be authorized but unissued shares, treasury shares or previously issued shares acquired by us. No fractional shares will be delivered under the Incentive Equity Plan.

Director limits

The maximum value of all compensation granted or paid to any of our non-employee directors with respect to any calendar year, including awards under the Incentive Equity Plan and cash fees or other compensation paid by us to any such director for services as a director during such calendar year, may not exceed \$750,000 in the aggregate, calculating the value of any awards under the Incentive Equity Plan based on their grant date fair value and assuming maximum payout.

Types of awards

The Incentive Equity Plan provides for the grant of stock options, SARs, restricted and unrestricted stock and stock units, restricted stock units, performance awards and other awards that are convertible into or otherwise based on our common stock. Dividend equivalents may also be provided in connection with certain awards under the Incentive Equity Plan, provided that any dividend equivalents will be subject to the same risk of forfeiture, if any, as applies to the underlying award.

- ***Stock options and SARs.*** The Administrator may grant stock options, including ISOs, and SARs. A stock option is a right entitling the holder to acquire shares of our common stock upon payment of the applicable exercise price. A SAR is a right entitling the holder upon exercise to receive an amount (payable in cash or shares of equivalent value) equal to the excess of the fair market value of the shares subject to the right over the base value from which appreciation is measured. The exercise price per share of each stock option, and the base value of each SAR, granted under the Incentive Equity Plan shall be no less than 100% of the fair market value of a share on the date of grant (110% in the case of certain ISOs). Other than in connection with certain corporate transactions or changes to our capital structure, stock options and SARs granted under the Incentive Equity Plan may not be repriced, amended, or substituted for with new stock options or SARs having a lower exercise price or base value, nor may any consideration be paid upon the cancellation of any stock options or SARs that have a per share exercise or base price greater than the fair market value of a

share on the date of such cancellation, in each case, without shareholder approval. Each stock option and SAR will have a maximum term of not more than ten years from the date of grant (or five years, in the case of certain ISOs).

- *Restricted and unrestricted stock and stock units.* The Administrator may grant awards of stock, stock units, restricted stock and restricted stock units. A stock unit is an unfunded and unsecured promise, denominated in shares, to deliver shares or cash measured by the value of shares in the future, and a restricted stock unit is a stock unit that is subject to the satisfaction of specified performance or other vesting conditions. Restricted stock are shares subject to restrictions requiring that they be forfeited, redelivered or offered for sale to us if specified performance or other vesting conditions are not satisfied.
- *Performance awards.* The Administrator may grant performance awards, which are awards subject to the achievement of performance criteria.
- *Other share-based awards.* The Administrator may grant other awards that are convertible into or otherwise based on shares of our common stock, subject to such terms and conditions as it determines.
- *Substitute awards.* The Administrator may grant substitute awards in connection with certain corporate transactions, which may have terms and conditions that are inconsistent with the terms and conditions of the Incentive Equity Plan.

Vesting; terms of awards

The Administrator determines the terms and conditions of all awards granted under the Incentive Equity Plan, including the time or times an award vests or becomes exercisable, the terms and conditions on which an award remains exercisable, and the effect of termination of a participant's employment or service on an award. The Administrator may at any time accelerate the vesting or exercisability of an award. The Administrator may cancel, rescind, withhold or otherwise limit or restrict any award if a participant is not in compliance with all applicable provisions of the Incentive Equity Plan and/or any award agreement evidencing the grant of an award, or if the participant breaches any restrictive covenants.

Recovery of compensation

The Administrator may provide that any outstanding award, the proceeds of any award or shares acquired thereunder and any other amounts received in respect of any award or shares acquired thereunder will be subject to forfeiture and disgorgement to us, with interest and other related earnings, if the participant to whom the award was granted is not in compliance with any provision of the Incentive Equity Plan or any award, any non-competition, non-solicitation, no-hire, non-disparagement, confidentiality, invention assignment or other restrictive covenant, or any company policy that relates to trading on non-public information and permitted transactions with respect to shares of our common stock or provides for forfeiture, disgorgement or clawback, or as otherwise required by law or applicable stock exchange listing standards.

Transferability of awards

Except as the Administrator may otherwise determine, awards may not be transferred other than by will or by the laws of descent and distribution.

Effect of certain transactions

In the event of certain covered transactions (including the consummation of a consolidation, merger or similar transaction, the sale of all or substantially all of our assets or shares of our common stock, or our dissolution or liquidation), the Administrator may, with respect to outstanding awards, provide for (in each case, on such terms and subject to such conditions as it deems appropriate):

- The assumption, substitution or continuation of some or all awards (or any portion thereof) by the acquiror or surviving entity;
- The acceleration of exercisability or delivery of shares in respect of any award, in full or in part; and/or

- The cash payment in respect of some or all awards (or any portion thereof) equal to the difference between the fair market value of the shares subject to the award and its exercise or base price, if any.

Except as the Administrator may otherwise determine, each award will automatically terminate or be forfeited immediately upon the consummation of the covered transaction, other than awards that are substituted for, assumed, or that continue following the covered transaction.

Adjustment provisions

In the event of certain corporate transactions, including a stock dividend, stock split or combination of shares (including a reverse stock split), recapitalization or other change in our capital structure, the Administrator shall make appropriate adjustments to the maximum number of shares that may be delivered under the Incentive Equity Plan, the individual award limits, the number and kind of securities subject to, and, if applicable, the exercise or purchase prices (or base values) of outstanding awards, and any other provisions affected by such event. The Administrator may also make any such adjustments if the Administrator determines that adjustments are appropriate to avoid distortion in the operation of the Incentive Equity Plan or any outstanding awards. The Administrator is not required to treat participants or awards (or portions thereof) in a uniform manner in connection in the event of a covered transaction.

Amendments and termination

The Administrator may at any time amend the Incentive Equity Plan or any outstanding award and may at any time suspend or terminate the Incentive Equity Plan as to future grants. However, except as expressly provided in the Incentive Equity Plan, the Administrator may not alter the terms of an award so as to materially and adversely affect a participant's rights without the participant's consent (unless the Administrator expressly reserved the right to do so in the applicable award agreement). Any amendments to the Incentive Equity Plan will be conditioned on shareholder approval to the extent required by applicable law, regulations or stock exchange requirements.

Term

No awards shall be granted under the Incentive Equity Plan after the completion of ten years from the date on which the Incentive Equity Plan is approved by the board of directors or approved by our stockholders (whichever is earlier), but awards previously granted may extend beyond that time.

Certain Federal Income Tax Consequences of the Incentive Equity Plan

The following is a summary of certain U.S. federal income tax consequences associated with awards granted under the Incentive Equity Plan. The summary does not purport to cover federal employment tax or other U.S. federal tax consequences that may be associated with the Incentive Equity Plan, nor does it cover state, local or non-U.S. taxes, except as may be specifically noted. The Incentive Equity Plan is not subject to the Employee Retirement Income Security Act of 1974, as amended, and is not intended to be qualified under Section 401(a) of the Internal Revenue Code of 1986, as amended (the "Code").

Stock options (other than ISOs)

In general, a participant has no taxable income upon the grant of a stock option that is not intended to be an ISO (an "NSO") but realizes income in connection with the exercise of the NSO in an amount equal to the excess (at the time of exercise) of the fair market value of the shares acquired upon exercise over the exercise price. A corresponding deduction is generally available to us, subject to the limitations set forth in the Code. Upon a subsequent sale or exchange of the shares, any recognized gain or loss is treated as a capital gain or loss for which we are not entitled to a deduction.

ISOs

In general, a participant realizes no taxable income upon the grant or exercise of an ISO. However, the exercise of an ISO may result in an alternative minimum tax liability to the participant. With some exceptions, a disposition of shares purchased pursuant to an ISO within two years from the date of grant or within

one year after exercise produces ordinary income to the participant (and generally a deduction to us, subject to the limitations set forth in the Code) equal to the value of the shares at the time of exercise less the exercise price. Any additional gain recognized in the disposition is treated as a capital gain for which we are not entitled to a deduction. If the participant does not dispose of the shares until after the expiration of these one and two-year holding periods, any gain or loss recognized upon a subsequent sale of shares purchased pursuant to an ISO is treated as a long-term capital gain or loss for which we are not entitled to a deduction.

SARs

The grant of a SAR does not itself result in taxable income, nor does taxable income result merely because a SAR becomes exercisable. In general, a participant who exercises a SAR for shares of stock or receives payment in cancellation of a SAR will have ordinary income equal to the amount of any cash and the fair market value of any stock received upon such exercise. A corresponding deduction is generally available to us, subject to the limitations set forth in the Code.

Unrestricted stock awards

A participant who purchases or is awarded unrestricted stock generally has ordinary income equal to the excess of the fair market value of the shares at that time over the purchase price, if any, and a corresponding deduction is generally available to us, subject to the limitations set forth in the Code.

Restricted stock awards

A participant who is awarded or purchases shares subject to a substantial risk of forfeiture generally does not have income until the risk of forfeiture lapses. When the risk of forfeiture lapses, the participant has ordinary income equal to the excess of the fair market value of the shares at that time over the purchase price, if any, and a corresponding deduction is generally available to us, subject to the limitations set forth in the Code. However, a participant may make an election under Section 83(b) of the Code to be taxed on restricted stock when it is acquired rather than later, when the substantial risk of forfeiture lapses. A participant who makes an effective 83(b) election will realize ordinary income equal to the fair market value of the shares as of the time of acquisition less any price paid for the shares. A corresponding deduction will generally be available to us, subject to the limitations set forth in the Code. If a participant makes an effective 83(b) election, no additional income results by reason of the lapsing of the restrictions.

For purposes of determining capital gain or loss on a sale of shares awarded under the Incentive Equity Plan, the holding period in the shares begins when the participant recognizes taxable income with respect to the transfer. The participant's tax basis in the shares equals the amount paid for the shares plus any income realized with respect to the transfer. However, if a participant makes an effective 83(b) election and later forfeits the shares, the tax loss realized as a result of the forfeiture is limited to the excess of what the participant paid for the shares (if anything) over the amount (if any) realized in connection with the forfeiture.

Restricted stock units

The grant of a restricted stock unit does not itself generally result in taxable income. Instead, the participant is taxed upon vesting (and a corresponding deduction is generally available to us, subject to the limitations set forth in the Code), unless he or she has made a proper election to defer receipt of the shares (or cash if the award is cash settled) under Section 409A of the Code. If the shares delivered are restricted for tax purposes, the participant will instead be subject to the rules described above for restricted stock.

Application of Section 409A of the Code

Section 409A of the Code imposes an additional 20% tax and interest on an individual receiving non-qualified deferred compensation under a plan that fails to satisfy certain requirements.

While the awards to be granted pursuant to the Incentive Equity Plan are expected to be designed in a manner intended to comply with the requirements of Section 409A of the Code, if they are not exempt from coverage under such section, if they do not, a participant could be subject to additional taxes and interest.

New Equity Incentive Plan Benefits

Because future awards under the Incentive Equity Plan will be granted in the discretion of the Administrator, the type, number, recipients, and other terms of such awards cannot be determined at this time.

Registration with the SEC

If the Incentive Equity Plan is approved by our stockholders and becomes effective, New Hillman is expected to file with the SEC a registration statement on Form S-8 registering the New Hillman common stock reserved for issuance under the Incentive Equity Plan as soon as reasonably practicable after becoming eligible to use such form.

Equity Compensation Plan Information

Landcadia did not maintain, or have any securities authorized for issuance under, any equity compensation plans as of December 31, 2020.

Vote Required for Approval

The approval of the Incentive Plan Proposal requires the affirmative vote of a majority of the votes cast by Landcadia Stockholders present in person (which would include presence at the virtual Special Meeting) or represented by proxy at the Special Meeting and entitled to vote thereon. Failure to submit a proxy at the Landcadia Special Meeting, an abstention from voting and a broker non-vote will have no effect on the outcome of the Incentive Plan Proposal. The Business Combination is conditioned on the approval and adoption of the Incentive Plan Proposal. The Incentive Plan Proposal is conditioned upon the approval of the other condition precedent proposals. If the other condition precedent proposals are not approved, the Incentive Plan Proposal will have no effect, even if approved by our stockholders.

Recommendation of the Landcadia Board

THE LANDCADIA BOARD OF DIRECTORS UNANIMOUSLY RECOMMENDS THAT LANDCADIA STOCKHOLDERS VOTE “FOR” THE APPROVAL OF THE INCENTIVE PLAN PROPOSAL.

The existence of financial and personal interests of one or more of Landcadia’s directors may result in a conflict of interest on the part of such director(s) between what they may believe is in the best interests of Landcadia and its stockholders and what they may believe is best for himself or themselves in determining to recommend that stockholders vote for the proposals. See the section entitled “The Business Combination Proposal — Interests of Landcadia’s Directors and Officers in the Business Combination” for a further discussion.

THE ESPP PROPOSAL

Overview

Assuming that the Business Combination Proposal, the Charter Proposal, the Stock Issuance Proposals and the Incentive Plan Proposal are approved, Landcadia's stockholders are also being asked to approve the Hillman Solutions Corp. 2021 Employee Stock Purchase Plan (the "ESPP"). Our board of directors intends to approve the ESPP prior to, and subject to stockholder approval at, the Special Meeting. The purpose of the ESPP is to encourage employee stock ownership, thus aligning employee interests with those of our stockholders, and to enhance the ability of New Hillman to attract, motivate and retain qualified employees. We believe that the ESPP will offer a convenient means for our employees who might not otherwise own our common stock to purchase and hold shares.

A copy of the ESPP is included as Annex G to this proxy statement/prospectus. A more complete understanding of the ESPP's terms is available by reading the ESPP in its entirety. We are seeking stockholder approval to qualify the ESPP as an "employee stock purchase plan" under Section 423 of the Code and the related regulations.

Summary of the ESPP

The following summary describes the material terms of the ESPP. This summary is not a complete description of all provisions of the ESPP and is qualified in its entirety by reference to the ESPP, which is filed as an exhibit to the registration statement of which this prospectus is a part.

Purpose

The purpose of the ESPP is to enable eligible employees of us and our participating subsidiaries to use payroll deductions to purchase shares of our common stock, and thereby acquire an interest in us. The ESPP is intended to qualify as an "employee stock purchase plan" under Section 423 of the Code.

Administration

The ESPP will be administered by our compensation committee, which will have the discretionary authority to interpret the ESPP, determine eligibility under the ESPP, prescribe forms, rules and procedures relating to the ESPP, and otherwise do all things necessary or desirable to carry out the purposes of the ESPP. Our compensation committee may delegate such of its duties, powers and responsibilities as it may determine to one or more of its members, members of our board of directors and our officers and employees, in each case, to the extent permitted by law. As used in this summary, the term "Administrator" refers to our compensation committee and its authorized delegates, as applicable.

Shares subject to the ESPP

Subject to adjustment as described below, the aggregate number of shares of our common stock available for purchase pursuant to the exercise of options under the ESPP is 1,140,754 shares. Shares to be delivered upon exercise of options under the ESPP may be authorized but unissued shares, treasury shares, or previously issued shares acquired by us. If any option granted under the ESPP expires or terminates for any reason without having been exercised in full or ceases for any reason to be exercisable in whole or in part, the unpurchased shares subject to such option will again be available for purchase under the ESPP.

Eligibility

Participation in the ESPP will generally be limited to our employees and employees of any participating subsidiaries (i) who have been continuously employed by us or one of our participating subsidiaries, as applicable, for a period of at least six months as of the first day of an applicable offering period, (ii) whose customary employment with us or one of our subsidiaries, as applicable, is for more than five months per calendar year, (iii) who customarily work 20 hours or more per week, (iv) who are not highly compensated employees who are subject to Section 16 of the Exchange Act and (v) who satisfy the requirements set forth in the ESPP. The Administrator may establish additional or other eligibility requirements, or change the

requirements described in this paragraph, to the extent consistent with Section 423 of the Code. Any employee who owns (or is deemed under statutory attribution rules to own) shares possessing five percent or more of the total combined voting power or value of all classes of shares of us or our parent or subsidiaries, if any, will not be eligible to participate in the ESPP.

General terms of participation

The ESPP allows eligible employees to purchase shares of our common stock during specified offering periods. Unless otherwise determined by the Administrator, offering periods under the ESPP will be three months in duration and commence on the first payroll day of January, April, July and October of each year. During each offering period, eligible employees will be granted an option to purchase shares of our common stock on the last business day of the offering period. A participant may purchase a maximum of 1,000 shares with respect to any offering period (or such lesser number as the Administrator may prescribe). No participant will be granted an option under the ESPP that permits the participant's right to purchase shares of our common stock under the ESPP and under all other employee stock purchase plans of us or our parent or subsidiaries, if any, to accrue at a rate that exceeds \$25,000 in fair market value (or such other maximum as may be prescribed by the Code) for each calendar year during which any option granted to the participant is outstanding at any time, determined in accordance with Section 423 of the Code.

The purchase price of each share issued pursuant to the exercise of an option under the ESPP on an exercise date will be 85% (or such greater percentage as specified by the Administrator) of the fair market value of a share of our common stock on the exercise date, which will be the last business day of the offering period.

The Administrator has the discretion to change the commencement and exercise dates of offering periods, the purchase price, the maximum number of shares that may be purchased with respect to any offering period, the duration of any offering periods and other terms of the ESPP, in each case, without shareholder approval, except as required by law.

Participants in the ESPP will pay for shares purchased under the ESPP through payroll deductions, or otherwise to the extent permitted by the Administrator. Participants may elect to authorize payroll deductions between one and fifteen percent of the participant's eligible compensation each payroll period.

Transfer restrictions

Shares of our common stock purchased under the ESPP may not be transferred or sold by a participant, other than by will or by the laws of descent and distribution, for a period of three months following the date on which such shares were purchased, or such other period as may be determined by the Administrator.

Adjustments

In the event of a stock dividend, stock split or combination of shares (including a reverse stock split), recapitalization, or other change in our capital structure that constitutes an equity restructuring, the Administrator will make appropriate adjustments to the aggregate number and type of shares available for purchase under the ESPP, the number and type of shares granted under any outstanding options, the maximum number and type of shares purchasable under any outstanding option and/or the purchase price per share under any outstanding option.

Corporate transactions

In the event of a (i) sale of all or substantially all of our then-outstanding common stock or a sale of all or substantially all of our assets, or (ii) merger or similar transaction in which we are not the surviving corporation or which results in the acquisition of us by another person, the Administrator may provide that each outstanding option will be assumed or substituted for or will be cancelled and the balances of participants' accounts returned, or that the option period will end before the date of the proposed corporate transaction.

Amendments and termination

The Administrator has discretion to amend the ESPP to any extent and in any manner it may deem advisable, provided that any amendment that would be treated as the adoption of a new plan for purposes of Section 423 of the Code will require shareholder approval. The Administrator may suspend or terminate the ESPP at any time.

Material U.S. Federal Income Tax Consequences

The following discussion of certain relevant United States federal income tax consequences applicable to the purchase of shares under the ESPP is only a summary of certain of the United States federal income tax consequences applicable to United States residents under the ESPP, and reference is made to the Code for a complete statement of all relevant federal tax provisions. No consideration has been given to the effects of foreign, state, local and other laws (tax or other) on the ESPP or on a participant, which laws will vary depending upon the particular jurisdiction or jurisdictions involved. In particular, participants who are stationed outside the United States may be subject to foreign taxes as a result of the ESPP.

No taxable income will be recognized by a participant, and no deductions will be allowable to New Hillman, upon either the grant or the exercise of rights to purchase shares. A participant only will recognize income when the shares acquired under the ESPP are sold or otherwise disposed of. The tax due upon sale or other disposition of the acquired shares depends on the length of time that the participant holds the shares.

If the participant sells or otherwise disposes of the purchased shares within two years after the start date of the offering period pursuant to which the shares were acquired or within one year after the actual purchase date of those shares, the participant generally will recognize ordinary income in the year of sale or disposition equal to the amount by which the fair market value of the shares on the purchase date exceeded the purchase price paid for those shares. New Hillman will be entitled to a corresponding income tax deduction for the amount of income recognized for the taxable year in which such disposition occurs. The amount of this ordinary income will be added to the participant's basis in the shares, and any additional gain or loss recognized upon the sale or disposition will be a capital gain or loss. If the shares have been held for more than one year since the date of purchase, the gain or loss will be long-term capital gain.

If the participant sells or disposes of the purchased shares more than two years after the start date of the offering period pursuant to which the shares were acquired and more than one year after the actual purchase date of those shares, then the participant generally will recognize ordinary income in the year of sale or disposition equal to the lesser of (i) the amount by which the fair market value of the shares on the sale or disposition date exceeded the purchase price paid for those shares, or (ii) 15% of the fair market value of the shares on the start date of that offering period. Any additional gain upon the disposition will be taxed as a long-term capital gain. Alternatively, if the fair market value of the shares on the date of the sale or disposition is less than the purchase price, there will be no ordinary income and any loss recognized will be a long-term capital loss. New Hillman will not be entitled to an income tax deduction with respect to such disposition.

The tax consequences to a participant may vary depending upon the participant's individual situation. In addition, various state laws may provide for tax consequences that vary significantly from those described above.

New Plan Benefits

Participation in the ESPP is entirely within the discretion of the eligible employees. Because we cannot presently determine the participation levels by employee, the rate of contributions by employees and the eventual purchase price under the ESPP, it is not possible to determine the value of benefits which may be obtained by executive officers and other employees under the ESPP. Non-employee directors are not eligible to participate in the ESPP.

Registration with the SEC

If the ESPP is approved by our stockholders and becomes effective, New Hillman is expected to file a registration statement on Form S-8 registering the shares reserved for issuance under the ESPP as soon as reasonably practicable after becoming eligible to use such form.

Vote Required for Approval

The approval of the ESPP Proposal requires the affirmative vote of a majority of the votes cast by Landcadia Stockholders present in person (which would include presence at the virtual Special Meeting) or represented by proxy at the Special Meeting and entitled to vote thereon. Failure to submit a proxy at the Special Meeting and a broker non-vote will have no effect on the outcome of the ESPP Proposal. The Business Combination is not conditioned on the ESPP Proposal. The ESPP Proposal is conditioned upon the approval of the condition precedent proposals. If the condition precedent proposals are not approved, the ESPP Proposal will have no effect, even if approved by our stockholders.

Recommendation of the Landcadia Board

THE LANDCADIA BOARD OF DIRECTORS UNANIMOUSLY RECOMMENDS THAT LANDCADIA STOCKHOLDERS VOTE “FOR” THE APPROVAL OF THE ESPP PROPOSAL.

THE DIRECTOR ELECTION PROPOSAL

Overview

The Company's board of directors is currently divided into three classes, with only one class of directors being elected in each year and each class (except for those directors appointed prior to our first annual meeting of stockholders) serving a three-year term.

Director Nominees

Landcadia's Board has determined to increase the size of the board of directors from four to ten if the transaction is completed.

Landcadia's stockholders are being asked to consider and vote upon a proposal to elect three directors (Douglas Cahill, Joseph Scharfenberger and Richard Zannino) to serve as Class I directors, three directors (Aaron Jagdfeld, David Owens and Philip Woodlief) to serve as Class II directors and four directors (Diana Dowling, John Swygert, Daniel O'Leary and Teresa Gendron) to serve as Class III directors, in each case to serve on New Hillman's board of directors for a term expiring at the annual meeting of stockholders to be held in, respectively, 2022 in the case of Class I directors, 2023 in the case of Class II directors and 2024 in the case of Class III directors, or until such director's successor has been duly elected and qualified, or until such director's earlier death, resignation, retirement or removal.

Because Landcadia's Board is currently classified and our directors currently serving in Class I, Class II and Class III have terms that extend beyond the special meeting, these directors have tendered their contingent resignations from their current terms, conditioned upon the approval of the condition precedent proposals, including the Charter Proposal. These resignations will take effect immediately prior to the Closing, and if the requisite vote of the stockholders is obtained, each of these directors will begin a new terms as directors on New Hillman's Board.

For biographical information concerning each director nominee, see the section entitled "*New Hillman Management After The Business Combination — Directors and Officers*".

Vote Required for Approval

The election of directors is decided by a plurality of the votes cast by the stockholders present in person (which would include presence at the virtual special meeting) or represented by proxy at the special meeting and entitled to vote on the election of directors. This means that each of the director nominees will be elected if they receive more affirmative votes than any other nominee for the same position. Stockholders may not cumulate their votes with respect to the election of directors.

Failure to vote by proxy or to vote in person (which would include voting at the virtual special meeting), an abstention from voting, or a broker non-vote will have no effect on the election of directors.

The Business Combination is conditioned on the approval and adoption of the Director Election Proposal. The Director Election Proposal is conditioned on the approval of the other condition precedent proposals. If the other condition precedent proposals are not approved, Landcadia's Board will remain as currently composed.

Recommendation of the Landcadia Board

OUR BOARD UNANIMOUSLY RECOMMENDS THAT OUR STOCKHOLDERS VOTE "FOR" THE ELECTION OF EACH OF THE DIRECTOR NOMINEES TO THE BOARD OF DIRECTORS.

The existence of financial and personal interests of one or more of Landcadia's directors may result in a conflict of interest on the part of such director(s) between what they may believe is in the best interests of Landcadia and its stockholders and what they may believe is best for himself or themselves in determining to recommend that stockholders vote for the proposals. See the section entitled "*The Business Combination Proposal — Interests of Landcadia's Directors and Officers in the Business Combination*" for a further discussion.

THE ADJOURNMENT PROPOSAL

Overview

The Adjournment Proposal, if adopted, will allow Landcadia’s Board to adjourn the Landcadia Special Meeting to a later date or dates, if necessary, to permit further solicitation of proxies if, based upon the tabulated vote at the time of the Landcadia Special Meeting, there are not sufficient votes to approve the condition precedent proposals, or holders of Landcadia Class A common stock have elected to redeem an amount of Landcadia Class A common stock such that Landcadia would have less than \$5,000,001 of net tangible assets or the Minimum Proceeds Condition would not be satisfied or waived by Hillman. In no event will Landcadia’s Board adjourn the Landcadia Special Meeting or consummate the Business Combination beyond the date by which it may properly do so under Landcadia’s existing charter and Delaware law.

Consequences if the Adjournment Proposal is Not Approved

If the Adjournment Proposal is not approved by Landcadia’s stockholders, Landcadia’s Board may not be able to adjourn the Landcadia Special Meeting to a later date in the event that there are insufficient votes for the approval of the condition precedent proposals, or holders of Landcadia Class A common stock have elected to redeem an amount of Landcadia Class A common stock such that Landcadia would have less than \$5,000,001 of net tangible assets or the Minimum Proceeds Condition would not be satisfied or waived by Hillman, and may be unable to consummate the Business Combination. If we do not consummate the Business Combination and fail to complete an initial business combination by October 14, 2022 (subject to the requirements of law), we will be required to dissolve and liquidate our Trust Account by returning the then remaining funds in such account to the public stockholders.

Vote Required for Approval

The approval of the Adjournment Proposal requires the majority of the votes cast by the Landcadia Stockholders present in person (which would include presence at the virtual Special Meeting) or represented by proxy at the Landcadia Special Meeting.

Failure to submit a proxy or to vote in person at the Landcadia Special Meeting, an abstention from voting or a broker non-vote will have no effect on the Adjournment Proposal.

The Business Combination is not conditioned upon the approval of the Adjournment Proposal. The Adjournment Proposal is not conditioned on any other proposal.

The Sponsors have agreed to vote the founder shares and any public shares owned by them in favor of the Adjournment Proposal (if necessary). See “Other Agreements — A&R Letter Agreement” for more information.

Recommendation of the Landcadia Board

LANDCADIA’S BOARD OF DIRECTORS UNANIMOUSLY RECOMMENDS THAT ITS STOCKHOLDERS VOTE “FOR” THE APPROVAL OF THE ADJOURNMENT PROPOSAL.

The existence of financial and personal interests of one or more of Landcadia’s directors may result in a conflict of interest on the part of such director(s) between what they may believe is in the best interests of Landcadia and its stockholders and what they may believe is best for himself or themselves in determining to recommend that stockholders vote for the proposals. See the section entitled “The Business Combination Proposal — Interests of Landcadia’s Directors and Officers in the Business Combination” for a further discussion.

UNAUDITED PRO FORMA CONDENSED CONSOLIDATED COMBINED FINANCIAL INFORMATION

The unaudited pro forma condensed combined financial information has been prepared in accordance with Article 11 of Regulation S-X and should be read in conjunction with the accompanying notes.

The unaudited pro forma condensed combined balance sheet as of March 31, 2021 combines the unaudited condensed balance sheet of Landcadia as of March 31, 2021 with the unaudited condensed combined balance sheet of Hillman as of March 27, 2021, giving effect to the Merger.

The unaudited pro forma condensed combined statement of operations for the three months ended March 31, 2021 combines the unaudited condensed statement of operations of Landcadia for the three months ended March 31, 2021 with the unaudited condensed combined statement of operations of Hillman for the thirteen weeks ended March 27, 2021. The unaudited pro forma condensed combined statement of operations for the year ended December 31, 2020 combines the audited condensed statement of operations of Landcadia for the year ended December 31, 2020 with the audited condensed combined statement of operations of Hillman for the year ended December 26, 2020, giving effect to the Merger as if it had been consummated on January 1, 2020, the beginning of the earliest period presented.

The unaudited pro forma condensed combined financial information was derived from, and should be read in conjunction with, the following historical financial statements and the accompanying notes, which are included elsewhere in this proxy statement/prospectus:

- The historical unaudited condensed financial statements of Landcadia as of and for the three months ended March 31, 2021, and the historical audited financial statements of Landcadia as of and for the year ended December 31, 2020; and
- The historical unaudited condensed consolidated financial statements of Hillman as of and for the thirteen weeks ended March 27, 2021 and the historical audited consolidated financial statements as of and for the year ended December 26, 2020.

The foregoing historical financial statements have been prepared in accordance with GAAP. The unaudited pro forma condensed combined financial information has been prepared based on the aforementioned historical financial statements and the assumptions and adjustments as described in the notes to the unaudited pro forma condensed combined financial information. The pro forma adjustments reflect transaction accounting adjustments related to the Merger, which is discussed in further detail below. The unaudited pro forma condensed combined financial statements are presented for illustrative purposes only and do not purport to represent Landcadia's consolidated results of operations or consolidated financial position that would actually have occurred had the Merger been consummated on the dates assumed or to project Landcadia's consolidated results of operations or consolidated financial position for any future date or period.

The unaudited pro forma condensed combined financial information should also be read together with "Management's Discussion and Analysis of Financial Condition and Results of Operations of Landcadia" and "Management's Discussion and Analysis of Financial Condition and Results of Operations of Hillman," and other financial information included elsewhere in this proxy statement/prospectus.

Description of the Merger

On January 24, 2021, Landcadia and Hillman entered into the Merger Agreement. Pursuant to the Merger Agreement, and assuming a favorable vote of Landcadia stockholders, Merger Sub will be merged with and into Hillman Holdco. Upon Closing, Hillman Holdco will become a wholly-owned subsidiary of Landcadia.

Upon Closing, the ownership distribution of the successor entity is anticipated to be as follows, based on the capitalization of each of Landcadia and Hillman Holdco as of January 24, 2021 and assuming the

consummation of the Business Combination, and excluding the potential dilutive effect of the exercise of warrants, stock options or other equity awards. The table below assumes that the maximum number of 13,700,000 public shares are redeemed, with the number of redemptions being determined by assuming that the redemption price is \$10.00 per share and that the maximum number of redemptions which may occur is that number that still enables the minimum cash and net debt conditions to closing under the Merger Agreement to be satisfied, assuming the closing had occurred on March 27, 2021.

If the actual facts are different than these assumptions, including as to the amount of Hillman's cash and net debt, then the maximum number of redemptions and the amounts and shares outstanding in the unaudited pro forma condensed combined financial information will be different.

- (1) Assumes that holders of 13.7 million public shares exercise their redemption rights in connection with the Business Combination at a redemption price of \$10.00 per share.
- (2) Includes 1,500,000 public shares held by Jefferies LLC, a subsidiary of JFG Sponsor.
- (3) Excludes 2.5 million shares held by JFG Sponsor through additional investment in the Private Placement.
- (4) Includes 2.5 million shares held by JFG Sponsor through additional investment in the Private Placement and excludes 1,500,000 public shares held by Jefferies LLC.

Accounting for the Merger

The Merger will be accounted for as a reverse recapitalization in accordance with GAAP. Under this method of accounting, Landcadia has been treated as the “acquired” company for financial reporting purposes. This determination was primarily based on the Hillman equity holders having a relative majority of the voting power of the combined entity, Hillman having the authority to appoint a majority of directors on the Board of Directors, and senior management of Hillman comprising the majority of the senior management of the combined entity. Accordingly, for accounting purposes, the financial statements of the combined entity will represent a continuation of the financial statements of Hillman with the acquisition being treated as the equivalent of Hillman issuing stock for the net assets of Landcadia, accompanied by a recapitalization. The net assets of Landcadia will be stated at historical cost, with no goodwill or other intangible assets recorded.

Basis of Pro Forma Presentation

The historical financial information has been adjusted to give pro forma effect to the transaction accounting required for the Merger. The adjustments in the unaudited pro forma condensed combined financial information have been identified and presented to provide relevant information necessary for an accurate understanding of the combined entity upon the Closing.

The unaudited pro forma condensed combined financial information is for illustrative purposes only. The financial results may have been different had the companies always been combined. You should not rely on the unaudited pro forma condensed combined financial information as being indicative of the historical results that would have been achieved had the companies always been combined or the future results that the

combined entity will experience. Landcadia and Hillman have not had any historical relationship prior to the Merger. Accordingly, no pro forma adjustments were required to eliminate activities between the companies.

The unaudited pro forma condensed combined financial information has been prepared assuming two alternative levels of redemptions of Class A common stock into cash:

- *Assuming No Redemptions.* This presentation assumes:
 - No stockholders of Class A common stock exercise their redemption rights with respect to their redeemable Class A common stock upon the Closing.
- *Assuming Maximum Redemptions.* This presentation assumes:
 - Stockholders representing 13.7 million shares of Class A common stock exercise their redemption rights with respect to their redeemable Class A common stock upon the Closing for a total redemption price of \$137 million, with the number of redemptions being determined by assuming that the redemption price is \$10.00 per share and that the maximum number of redemptions that may occur is that number that still enables the minimum cash and net debt conditions to closing under the Merger Agreement to be satisfied, assuming the closing had occurred on March 27, 2021.

If the actual facts are different than these assumptions, including as to the amount of Hillman's cash and net debt, then the maximum number of redemptions and the amounts and shares outstanding in the unaudited pro forma condensed combined financial information will be different.

NOTES TO UNAUDITED PRO FORMA CONDENSED COMBINED FINANCIAL INFORMATION**1. Basis of Presentation**

The pro forma adjustments have been prepared as if the Merger had been consummated on March 31, 2021, in the case of the unaudited pro forma condensed combined balance sheet, and as if the Merger had been consummated on January 1, 2020, the beginning of the earliest period presented in the unaudited pro forma condensed combined statements of operations.

The unaudited pro forma condensed combined financial information has been prepared assuming the following methods of accounting in accordance with GAAP.

The Merger will be accounted for as a reverse recapitalization in accordance with GAAP. Accordingly, for accounting purposes, the financial statements of the combined entity will represent a continuation of the financial statements of Hillman with the acquisition being treated as the equivalent of Hillman issuing stock for the net assets of Landcadia, accompanied by a recapitalization. The net assets of Landcadia will be stated at historical cost, with no goodwill or other intangible assets recorded.

The pro forma adjustments represent management's estimates based on information available as of the date of this proxy statement/prospectus and are subject to change as additional information becomes available and additional analyses are performed. Management considers this basis of presentation to be reasonable under the circumstances.

One-time direct and incremental transaction costs anticipated to be incurred prior to, or concurrent with, the Closing are reflected in the unaudited pro forma condensed combined balance sheet as a direct reduction to the combined entity's additional paid-in capital and are assumed to be cash settled.

2. Adjustments and Assumptions to the Unaudited Pro Forma Condensed Combined Balance Sheet as of March 31, 2021

The adjustments included in the unaudited pro forma condensed combined balance sheet as of March 31, 2021 are as follows:

- (A) Reflects the reclassification of cash and marketable securities held in the trust account that become available in conjunction with the business combination.
- (B) Represents the pro forma adjustment to record the net proceeds of \$375.0 million from the private placement and issuance of 37.5 million shares of Class A common stock to the PIPE Investors.
- (C) Represents the pro forma adjustment to remove Hillman's existing debt. This debt will be paid down and new debt will be issued, as represented by the adjustment at (D). The existing debt was and new debt will be issued via syndication with several lending institutions. If the paydown is characterized as an extinguishment, it could accelerate the recognition of expenses of \$10.1 million related to deferred financing costs, a loss of \$6.2 million related to the current discount on the existing term loan, and a gain of \$14.2 million related to the current premium on the existing trust preferred debt which are not currently reflected in the pro forma financial statements.
- (D) Represents the pro forma adjustment to record new debt in line with the planned paydown of existing debt and issuance of new debt discussed further at (C).
- (E) Represents transaction costs of \$91.0 million. Of the total amount shown \$17.5 million in deferred underwriter fees were incurred and accrued for on the balance sheet as of March 31, 2021.
- (F) Reflects the elimination of the Company's historical accumulated deficit.
- (G) Represents issuance of 91.3 million shares of Class A Common Stock to existing Hillman equity holders as consideration for the reverse recapitalization.
- (H) Represents adjustment to present 8.7 million shares of Class A Common Stock held by the Landcadia Sponsors.

- (I) Reflects the reclassification of approximately \$433.6 million of Class A Common Stock subject to possible redemption to permanent equity.
- (J) Represents the pro forma adjustment to record the redemption of 13.7 million shares of common stock given a maximum redemption scenario, at an assumed redemption price of \$10 per share, inclusive of related interest earned on funds held in the Trust Account.
- (K) Represents an adjustment to the planned net reduction of debt, inclusive of incremental transaction costs of \$2.1 million.
- (L) Authorized, issued and outstanding shares for each class of common stock and preferred stock as of March 31, 2021 and on a pro forma basis is as follows:

	March 31, 2021			Pro Forma Combined Company Assuming No Redemptions			Pro Forma Combined Company Assuming Maximum Redemptions

As a result of the Business Combination, Landcadia common stock will be issued for Hillman's issued and outstanding common and preferred stock. There will no longer be any Hillman common or preferred stock issued and outstanding after the Business Combination; thus all share totals under both a no redemption and max redemption scenario are noted as not applicable in the table above.

3. Adjustments and Assumptions to the Unaudited Pro Forma Condensed Combined Statement of Operations for the Three months ended March 31, 2021

The adjustments included in the unaudited pro forma condensed combined statement of operations for the three months ended March 31, 2021 are as follows:

- (AA) Represents the pro forma adjustment to remove interest expense associated with the payoff of Hillman's existing debt.
- (BB) Represents the pro forma adjustment to record interest expense associated with new debt. The new debt has a variable interest rate of 275 basis points over the greater of LIBOR and a floor of 0.5%. The effective interest rate was determined using the actual 1-month LIBOR for 2021 reset on a monthly basis, resulting in interest expense of \$8.0 million. This is consistent with the terms of the existing debt, as the final executed terms are not available for the new debt and the terms are expected to be consistent between issuances. A change in LIBOR of 1/8 of a percent would result in an increase or decrease in interest expense for the quarter of \$0.3 million. Additional interest expense related to incremental amortization of OID of \$0.1 million, ticking fees of \$0.9 million, and commitment fees of \$0.2 million, resulted in total interest expense of \$9.2 million for the quarter ended March 31, 2021.
- (CC) Reflects the elimination of interest earned on marketable securities held in the trust account.
- (DD) Represents the adjustment to taxes such that the effective pro forma tax rate for the three months ended March 31, 2021 is equal to the relevant statutory income tax rate of 21%.
- (EE) Reflects the impact on interest expense of the change in the issuance of new debt under the

maximum redemption scenario for the quarter ended March 31, 2021. The effective interest rate was determined to be consistent with (BB). Under the maximum redemption scenario, a change in LIBOR of 1/8 of a percent would result in a total increase or decrease in interest expense for the quarter of \$0.3 million, or an incremental change of less than \$0.1 million compared to the no redemption scenario.

- (FF) Represents the incremental adjustment under a maximum redemption scenario such that the effective pro forma tax rate for the quarter ended March 31, 2021 is equal to the relevant statutory income tax rate of 21%.
- (GG) Represents net loss per share computed by dividing net loss by the weighted average number of common shares outstanding for the three months ended March 31, 2021.
- (HH) Represents diluted net income per share computed by dividing net income by the weighted average number of common shares outstanding for the year ended March 31, 2021, inclusive of 2.7 million stock options outstanding under the treasury stock method (14.1 million total stock options at a weighted average strike price of \$8.12) and 0.2 million RSUs. The dilutive impact of 24.7 million outstanding warrants were excluded as these were out of the money as of March 31, 2021.

4. Adjustments and Assumptions to the Unaudited Pro Forma Condensed Combined Statement of Operations for the Year ended December 31, 2020

The adjustments included in the unaudited pro forma condensed combined statement of operations for the year ended December 31, 2020 are as follows:

- (II) Represents the pro forma adjustment to remove interest expense associated with the payoff of Hillman's existing debt.
- (JJ) Represents the pro forma adjustment to record interest expense associated with new debt. The new debt has a variable interest rate of 275 basis points over the greater of LIBOR and a floor of 0.5%. The effective interest rate was determined using the actual 1-month LIBOR for 2020 reset on a monthly basis, resulting in interest expense of \$32.0 million. This is consistent with the terms of the existing debt, as the final executed terms are not available for the new debt and the terms are expected to be consistent between issuances. A change in LIBOR of 1/8 of a percent would result in an increase or decrease in interest expense for the year of \$0.8 million. Additional interest expense related to amortization of original issue discount of \$0.4 million, ticking fees of \$3.7 million, commitment fees of \$0.6 million, and agent fees of \$0.2 million, resulted in total interest expense of \$36.8 million for the year ended December 31, 2020.
- (KK) Reflects the elimination of interest earned on marketable securities held in the trust account.
- (LL) Represents the adjustment to taxes such that the effective pro forma tax rate for the year ended December 31, 2020 is equal to the relevant statutory income tax rate of 21%.
- (MM) Reflects the impact on interest expense of the change in the issuance of new debt under the maximum redemption scenario. The effective interest rate was determined consistent with (BB). Under the maximum redemption scenario, a change in LIBOR of 1/8 of a percent would result in a total increase or decrease in interest expense for the year of \$0.9 million, or an incremental change of \$0.1 million compared to the no redemption scenario.
- (NN) Represents the incremental adjustment under a maximum redemption scenario such that the effective pro forma tax rate for the year ended December 31, 2020 is equal to the relevant statutory income tax rate of 21%.
- (OO) Represents net income per share computed by dividing net income by the weighted average number of common shares outstanding for the year ended December 31, 2020.

OTHER INFORMATION RELATED TO LANDCADIA**Introduction**

Landcadia is a blank check company incorporated as a Delaware corporation whose business purpose is to effect a merger, capital stock exchange, asset acquisition, stock purchase, reorganization or similar business combination with one or more businesses. Prior to executing the Merger Agreement, Landcadia's efforts were limited to organizational activities, completion of its initial public offering and the evaluation of possible business combinations.

Initial Public Offering

Landcadia has neither engaged in any operations nor generated any revenue to date. Based on Landcadia's business activities, Landcadia is a "shell company" as defined under the Exchange Act because it has no operations and nominal assets consisting almost entirely of cash.

On March 13, 2018, JFG Sponsor, through a subsidiary, purchased a 100% of the membership interest in Landcadia for \$1,000. On August 24, 2020, TJF Sponsor purchased a 51.7% membership interest in Landcadia for \$1,070. Simultaneously we converted the Company from a limited liability company to a corporation and issued stock in lieu of membership rights to its members. The Sponsors were issued 11,500,000 Class B shares based on the proportional interest in the Company. Further, on September 16, 2020, we conducted a 1:1.25 stock split of the founder shares so that a total of 14,375,000 founder shares were issued and outstanding. Subsequently on November 22, 2020 the Sponsors forfeited an aggregate of 1,875,000 shares of Class B common stock because the underwriters did not exercise their over-allotment option. As of the date of this proxy statement/prospectus, TJF Sponsor owns 6,462,500 founder shares and JFG Sponsor owns 6,037,500 founder shares.

Simultaneously with the consummation of the initial public offering, Landcadia consummated the private sale of an aggregate of 8,000,000 warrants, each exercisable to purchase one share of Landcadia Class A common stock at \$11.50 per share, to our Sponsors at a price of \$1.50 per warrant, generating gross proceeds, before expenses, of approximately \$12,000,000 (the "private placement warrants"). The private placement warrants are identical to the warrants included in the units sold in the initial public offering, except that, so long as they are held by their initial purchasers or their permitted transferees, (i) they will not be redeemable by Landcadia, (ii) they (including the shares of Class A common stock issuable upon exercise of these warrants) may not, subject to certain limited exceptions, be transferred, assigned or sold until 30 days after Landcadia completes its initial business combination, (iii) they may be exercised by the holders on a cashless basis and (iv) they will be entitled to registration rights.

Upon the closing of the initial public offering and the private placement warrants, \$500,000,000 was placed in a Trust Account maintained by Continental Stock Transfer & Trust Company, acting as trustee. Except for the withdrawal of interest to pay taxes, if any, the Current Charter provides that none of the funds held in trust will be released from the Trust Account until the earlier of (i) the completion of an initial business combination; (ii) the redemption of any of the public shares properly submitted in connection with a stockholder vote to amend the Current Charter to modify the substance or timing of Landcadia's obligation to redeem 100% of the public shares if Landcadia does not complete an initial public offering within 24 months from the closing of its initial public offering or with respect to any other material provisions relating to stockholders' rights or pre-initial business combination activity or (iii) the redemption of 100% of the public shares if Landcadia is unable to complete an initial business combination within 24 months from the closing of Landcadia's initial public offering, subject to applicable law. The proceeds held in the Trust Account may only be invested in United States "government securities" within the meaning of Section 2(a)(16) of the Investment Company Act of 1940, as amended (the "Investment Company Act"), having a maturity of 185 days or less or in money market funds meeting certain conditions under Rule 2a-7 promulgated under the Investment Company Act which invest only in direct U.S. government treasury obligations.

The net proceeds deposited into the Trust Account remain on deposit in the Trust Account earning interest. As of March 31, 2021 there was \$500,026,153 in investments and cash held in the Trust Account.

Fair Market Value of Hillman Holdco's Business

Landcadia's initial business combination must occur with one or more target businesses that together have an aggregate fair market value of at least 80% of the assets held in the Trust Account (excluding the deferred underwriting commissions and taxes payable on the income earned on the Trust Account) at the time of the agreement to enter into the Business Combination. Landcadia will not complete a business combination unless it acquires a controlling interest in a target company or is otherwise not required to register as an investment company under the Investment Company Act. Landcadia's Board determined that this test was met in connection with the proposed Business Combination.

Stockholder Approval of Business Combination

Under the Current Charter, in connection with any proposed business combination, Landcadia must seek stockholder approval of an initial business combination at a meeting called for such purpose at which public stockholders may seek to redeem their public shares, subject to the limitations described in the prospectus for Landcadia's initial public offering. Accordingly, in connection with the Business Combination, the Landcadia Stockholders may seek to redeem the public shares that they hold in accordance with the procedures set forth in this proxy statement/prospectus.

Voting Restrictions in Connection with Stockholder Meeting

In connection with the execution of the Merger Agreement, Landcadia's initial public offering, Landcadia's Sponsors, directors and members of the management team entered into an amended and restated letter agreement to vote their shares in favor of the Business Combination Proposal and in favor of all other proposals being presented at the Special Meeting. As of the date hereof, Landcadia's Sponsors own approximately 22.4% of the total outstanding Landcadia Shares.

At any time prior to the Special Meeting, during a period when they are not then aware of any material nonpublic information regarding Landcadia or its securities, Landcadia's Sponsors, directors, officers, advisors and/or their affiliates, Hillman Holdco and/or its affiliates and the Stockholder Representative and/or its affiliates may purchase shares and/or warrants from investors, or they may enter into transactions with such investors and others to provide them with incentives to acquire shares of Landcadia Class A common stock or vote their shares in favor of the Business Combination Proposal. The purpose of such share purchases and other transactions would be to increase the likelihood that (i) the proposals presented to stockholders for approval at the Special Meeting are approved and/or (ii) Landcadia satisfy the Minimum Proceeds Condition. Any such stock purchases and other transactions may thereby increase the likelihood of obtaining stockholder approval of the Business Combination. This may result in the completion of the Business Combination in a way that may not otherwise have been possible. While the exact nature of any such incentives has not been determined as of the date of this proxy statement/ prospectus, they might include, without limitation, arrangements to protect such investors or holders against potential loss in value of their shares, including the granting of put options and the transfer to such investors or holders of shares or rights owned by Landcadia's Sponsors for nominal value.

Liquidation if No Business Combination

Landcadia has until October 14, 2022 to complete an initial business combination. If it is unable to complete its initial business combination by that date (or such later date as its stockholders may approve in accordance with the Current Charter), Landcadia will: (i) cease all operations except for the purpose of winding up, (ii) as promptly as reasonably possible but not more than 10 business days thereafter, redeem the public shares, at a per-share price, payable in cash, equal to the aggregate amount then on deposit in the Trust Account, including interest earned on the funds held in the Trust Account (less taxes payable and up to \$100,000 of interest to pay dissolution expenses), divided by the number of then issued and outstanding public shares, which redemption will completely extinguish public stockholders' rights as stockholders (including the right to receive further liquidating distributions, if any) and (iii) as promptly as reasonably possible following such redemption, subject to the approval of Landcadia's remaining stockholders and its board of directors, liquidate and dissolve, subject, in each case, to Landcadia's obligations under Delaware law to provide for claims of creditors and the requirements of other applicable law. There will be no

redemption rights or liquidating distributions with respect to the private placement warrants, which will expire worthless if Landcadia fails to complete its initial business combination by October 14, 2022.

Landcadia's Sponsors, directors and members of the management team have entered into an amended and restated letter agreement with it, pursuant to which they have waived their rights to liquidating distributions from the Trust Account with respect to their founder shares if Landcadia fails to complete its initial business combination within the required time frame. However, if Landcadia's Sponsors, officers and directors acquire public shares in or after the initial public offering, they will be entitled to liquidating distributions from the Trust Account with respect to such public shares if Landcadia fails to complete its initial business combination by October 14, 2022.

The Sponsors and Landcadia's officers and directors have also agreed, pursuant to a written agreement with Landcadia, that they will not propose any amendment to the Current Charter that would affect the substance or timing of Landcadia's obligation to redeem 100% of the public shares if it does not complete its initial business combination by October 14, 2022 or with respect to any other material provisions relating to stockholders' rights or pre-initial business combination activity, unless Landcadia provides its public stockholders with the opportunity to redeem their public shares upon approval of any such amendment at a per-share price, payable in cash, equal to the aggregate amount then on deposit in the Trust Account, including interest earned on the funds held in the Trust Account and not previously released to it to pay its taxes, divided by the number of then issued and outstanding public shares. However, Landcadia may not redeem the public shares in an amount that would cause its net tangible assets to be less than \$5,000,001 (so that it is not subject to the SEC's "penny stock" rules).

Landcadia expects that all costs and expenses associated with implementing its plan of dissolution, as well as payments to any creditors, will be funded from amounts remaining out of the approximately \$510,864 of proceeds held outside the Trust Account as of March 31, 2021, although it cannot assure you that there will be sufficient funds for such purpose. However, if those funds are not sufficient to cover the costs and expenses associated with implementing the plan of dissolution, to the extent that there is any interest accrued in the Trust Account not required to pay taxes on interest income earned on the Trust Account balance, Landcadia may request the trustee to release to it an additional amount of up to \$100,000 of such accrued interest to pay those costs and expenses.

If Landcadia was to expend all of the net proceeds of its initial public offering, other than the proceeds deposited in the Trust Account, and without taking into account interest, if any, earned on the Trust Account, the per-share redemption amount received by stockholders upon its dissolution would be \$10.00. The proceeds deposited in the Trust Account could, however, become subject to the claims of its creditors, which would have higher priority than the claims of its public stockholders. Landcadia cannot assure you that the actual per-share redemption amount received by stockholders will not be less than \$10.00. While Landcadia intends to pay such amounts, if any, it cannot assure you that it will have funds sufficient to pay or provide for all creditors' claims.

Although Landcadia will seek to have all vendors, service providers, prospective target businesses and other entities with which it does business execute agreements with it waiving any right, title, interest or claim of any kind in or to any monies held in the Trust Account for the benefit of its public stockholders, there is no guarantee that they will execute such agreements or even if they execute such agreements that they would be prevented from bringing claims against the Trust Account including but not limited to fraudulent inducement, breach of fiduciary responsibility or other similar claims, as well as claims challenging the enforceability of the waiver, in each case in order to gain an advantage with respect to a claim against Landcadia's assets, including the funds held in the Trust Account. If any third party refuses to execute an agreement waiving such claims to the monies held in the Trust Account, Landcadia's management will perform an analysis of the alternatives available to it and will only enter into an agreement with a third party that has not executed a waiver if management believes that such third party's engagement would be significantly more beneficial to Landcadia than any alternative. Examples of possible instances where Landcadia may engage a third party that refuses to execute a waiver include the engagement of a third-party consultant whose particular expertise or skills are believed by management to be significantly superior to those of other consultants that would agree to execute a waiver or in cases where management is unable to find a service provider willing to execute a waiver. As of the date of this proxy statement/prospectus, Landcadia is not a party to any agreement that does not contain such a waiver. In addition, there is no guarantee that

such entities will agree to waive any claims they may have in the future as a result of, or arising out of, any negotiations, contracts or agreements with Landcadia and will not seek recourse against the Trust Account for any reason. In order to protect the amounts held in the Trust Account, our Sponsors have agreed that they will be liable to Landcadia if and to the extent any claims by a third party for services rendered or products sold to Landcadia, or a prospective target business with which Landcadia has entered into a written letter of intent, confidentiality or other similar agreement or business combination agreement, reduce the amount of funds in the Trust Account to below the lesser of (i) \$10.00 per public share and (ii) the actual amount per public share held in the Trust Account as of the date of the liquidation of the Trust Account, if less than \$10.00 per share due to reductions in the value of the trust assets, less taxes payable; provided that such liability will not apply to any claims by a third party or prospective target business who executed a waiver of any and all rights to monies held in the Trust Account (whether or not such waiver is enforceable) nor will it apply to any claims under Landcadia's indemnity of the underwriters of its initial public offering against certain liabilities, including liabilities under the Securities Act. However, Landcadia has not asked our Sponsors to reserve for such indemnification obligations, nor has Landcadia independently verified whether our Sponsors have sufficient funds to satisfy its indemnity obligations and Landcadia believes that our Sponsors' only assets are Landcadia's securities. Therefore, Landcadia cannot assure you that our Sponsors would be able to satisfy those obligations. As a result, if any such claims were successfully made against the Trust Account, the funds available for the Business Combination and redemptions could be reduced to less than \$10.00 per public share. In such event, Landcadia may not be able to complete the Business Combination, and Landcadia's public stockholders would receive such lesser amount per share in connection with any redemption of their public shares. None of Landcadia's officers or directors will indemnify Landcadia for claims by third parties including, without limitation, claims by vendors and prospective target businesses.

In the event that the proceeds in the Trust Account are reduced below the lesser of (i) \$10.00 per public share and (ii) the actual amount per public share held in the Trust Account as of the date of the liquidation of the Trust Account if less than \$10.00 per share due to reductions in the value of the trust assets, in each case less taxes payable, and our Sponsors assert that they are unable to satisfy its indemnification obligations or that they have no indemnification obligations related to a particular claim, Landcadia's independent directors would determine whether to take legal action against our Sponsors to enforce its indemnification obligations. While Landcadia currently expects that its independent directors would take legal action on its behalf against our Sponsors to enforce its indemnification obligations to Landcadia, it is possible that Landcadia's independent directors in exercising their business judgment may choose not to do so in any particular instance. Accordingly, Landcadia cannot assure you that due to claims of creditors the actual value of the per-share redemption price will not be less than \$10.00 per share.

Landcadia will seek to reduce the possibility that our Sponsors will have to indemnify the Trust Account due to claims of creditors by endeavoring to have all vendors, service providers, prospective target businesses or other entities with which it does business execute agreements with Landcadia waiving any right, title, interest or claim of any kind in or to monies held in the Trust Account. The Sponsors will also not be liable as to any claims under Landcadia's indemnity of the underwriters of its initial public offering against certain liabilities, including liabilities under the Securities Act. As of March 31, 2021, Landcadia had access to up to approximately \$510,864 held outside the Trust Account with which it may pay any such potential claims (including costs and expenses incurred in connection with its liquidation, currently estimated to be no more than approximately \$100,000). In the event that Landcadia liquidates, and it is subsequently determined that the reserve for claims and liabilities is insufficient, stockholders who received funds from the Trust Account could be liable for claims made by creditors.

If Landcadia files a bankruptcy petition or an involuntary bankruptcy petition is filed against it that is not dismissed, the proceeds held in the Trust Account could be subject to applicable bankruptcy law, and may be included in its bankruptcy estate and subject to the claims of third parties with priority over the claims of Landcadia's stockholders. To the extent any bankruptcy claims deplete the Trust Account, Landcadia cannot assure you it will be able to return \$10.00 per share to its public stockholders. Additionally, if Landcadia files a bankruptcy petition or an involuntary bankruptcy petition is filed against Landcadia that is not dismissed, any distributions received by stockholders could be viewed under applicable debtor/creditor and/or bankruptcy laws as either a "preferential transfer" or a "fraudulent conveyance." As a result, a bankruptcy court could seek to recover all amounts received by Landcadia's stockholders. Furthermore, Landcadia's

Board may be viewed as having breached its fiduciary duty to Landcadia’s creditors and/or may have acted in bad faith, and thereby exposing itself and the company to claims of punitive damages, by paying public stockholders from the Trust Account prior to addressing the claims of creditors. Landcadia cannot assure you that claims will not be brought against it for these reasons.

Landcadia’s public stockholders will be entitled to receive funds from the Trust Account only (i) in the event of the redemption of the public shares if Landcadia does not complete its initial business combination by October 14, 2022, (ii) in connection with a stockholder vote to amend the Current Charter to modify the substance or timing of Landcadia’s obligation to redeem 100% of the public shares if it does not complete its initial business combination by October 14, 2022 or with respect to any other material provisions relating to stockholders’ rights or pre-initial business combination activity or (iii) if they redeem their respective shares for cash upon the completion of Landcadia’s initial business combination. In no other circumstances will a stockholder have any right or interest of any kind to or in the Trust Account. In the event Landcadia seeks stockholder approval in connection with an initial business combination, a stockholder’s voting in connection with the Business Combination alone will not result in a stockholder’s redeeming its shares to Landcadia for an applicable pro rata share of the Trust Account. Such stockholder must have also exercised its redemption rights described above. These provisions of the Current Charter, like all provisions of the Current Charter, may be amended with a stockholder vote.

Properties

Landcadia’s executive offices at 1510 West Loop South, Houston, Texas 77027 are provided by TJF Sponsor. Commencing upon consummation of its initial public offering, Landcadia reimburses FEI, an affiliate of TJF Sponsor, for office space, secretarial and administrative services provided to members of our management team in an amount not to exceed \$20,000 per month. Upon completion of Landcadia’s initial business combination or liquidation, it will cease paying these monthly fees. Landcadia believes, based on rents and fees for similar services, that this amount is at least as favorable as it could have obtained from an unaffiliated person. Landcadia considers its current office space adequate for its current operations.

Employees

Landcadia currently has five executive officers. These individuals are not obligated to devote any specific number of hours to Landcadia’s matters but they intend to devote as much of their time as they deem necessary to Landcadia’s affairs until it has completed an initial business combination. The amount of time they will devote in any time period will vary based on whether a target business has been selected for an initial business combination and the stage of the Business Combination process it is in. Landcadia does not intend to have any full time employees prior to the completion of its initial business combination.

Landcadia's Sponsors, executive officers and directors are deemed to be its "promoters" as such term is defined under the federal securities laws.

See "Certain Relationships and Related Party Transactions" for additional information regarding Landcadia's relationships with its promoters.

Executive and Director Compensation

None of Landcadia's executive officers or directors have received any cash compensation for services rendered to Landcadia, however, we have agreed to pay \$100,000 to each of our independent directors at the Closing for services rendered as board members. We have agreed to reimburse an affiliate of our TJF Sponsor for office space, secretarial and administrative services provided to members of our management team in an amount not to exceed \$20,000 per month in the event such space and/or services are utilized and we do not pay a third party directly for such services. Our Sponsor, executive officers and directors, or any of their respective affiliates will be reimbursed for any out-of-pocket expenses incurred in connection with activities on our behalf, such as identifying potential target businesses and performing due diligence on suitable business combinations. Our audit committee will review on a quarterly basis all payments that were made to our Sponsor, executive officers or directors, or our or their affiliates. Any such payments prior to an initial business combination will be made from funds held outside the Trust Account.

Number and Terms of Office of Officers and Directors

Landcadia's Board consists of four members and is divided into three classes with only one class of directors being elected in each year, and with each class (except for those directors appointed prior to Landcadia's first annual meeting of stockholders) serving a three-year term. In accordance with Nasdaq corporate governance requirements, Landcadia is not required to hold an annual meeting until one year after its first fiscal year end following its listing on Nasdaq. The term of office of the first class of directors, consisting of Mr. Kelly, will expire at Landcadia's first annual meeting of stockholders. The term of office of the second class of directors, consisting of Mr. Handler, will expire at the second annual meeting of stockholders. The term of office of the third class of directors, consisting of Mr. Fertitta and Ms. Cornell, will expire at the third annual meeting of stockholders.

Landcadia's officers are appointed by the board of directors and serve at the discretion of the board of directors, rather than for specific terms of office. Landcadia's Board is authorized to appoint officers as it deems appropriate pursuant to the Current Charter.

In 2020, Landcadia's Board held no meetings. All directors are expected to attend annual meetings of Landcadia's stockholders. No annual meeting was held in 2020.

Board Leadership Structure and Role in Risk Oversight

The leadership of Landcadia's Board is structured so that it is led by two Co-Chairmen. Mr. Fertitta is one of the two Co-Chairmen, and he is also Landcadia's Chief Executive Officer. Mr. Handler is the other Co-Chairman of Landcadia's Board. Landcadia's Board believes that combining the roles of Chairman and Chief Executive Officer helps provide strong and consistent leadership for Landcadia's management team and Landcadia's Board. If the Landcadia Board convenes for a meeting, the non-management directors will meet in executive session if the circumstances warrant. Given the composition of the Landcadia Board with a strong slate of independent directors, the Landcadia Board does not believe that it is necessary to formally designate a lead independent director at this time, although it may consider appointing a lead independent director if the circumstances change.

The Landcadia Board's oversight of risk is administered directly through the Landcadia Board, as a whole, or through its audit committee. Various reports and presentations regarding risk management are presented to the Landcadia Board to identify and manage risk. The audit committee addresses risks that fall within the committee's area of responsibility. For example, the audit committee is responsible for overseeing the quality and objectivity of Landcadia's financial statements and the independent audit thereof. Management furnishes information regarding risk to the Landcadia Board as requested.

Director Independence

The rules of Nasdaq require that a majority of Landcadia's Board be independent within one year from the date of Landcadia's initial public offering. An "independent director" is defined generally as a person who, in the opinion of the company's board of directors, has no material relationship with the listed company (either directly or as a partner, stockholder or officer of an organization that has a relationship with the company). Landcadia's Board has determined that Mr. Kelly and Ms. Cornell are "independent directors" as defined in the rules of Nasdaq and applicable SEC rules. Landcadia intends to have a majority of its board members be independent within one year of the closing of its initial public offering. Landcadia intends to have a majority of its board members be independent within one year of the closing of its IPO. Landcadia expects such additional directors to enter into a letter agreement substantially similar to the letter agreement signed by Landcadia's directors, a form of which is included as an exhibit to the registration statement of which this proxy statement/prospectus forms a part. Landcadia's independent directors have regularly scheduled meetings at which only independent directors are present.

Committees of the Board of Directors

Landcadia's Board has two standing committees: an audit committee and a compensation committee. Subject to phase-in rules and a limited exception, Nasdaq rules and Rule 10A-3 of the Exchange Act require that the audit committee of a listed company be comprised solely of independent directors, and Nasdaq rules require that the compensation committee of a listed company be comprised solely of independent directors.

Audit Committee

Landcadia established an audit committee of its board of directors. Mr. Fertitta, Mr. Kelly and Ms. Cornell serve as members of Landcadia's audit committee, and Mr. Fertitta chairs the audit committee. Under the Nasdaq listing standards and applicable SEC rules, Landcadia is required to have at least three members of the audit committee, all of whom must be independent, subject to the exception described below. Mr. Kelly and Ms. Cornell meet the independent director standard under Nasdaq listing standards and under Rule 10-A-3(b)(1) of the Exchange Act. Because Landcadia's securities are listed on Nasdaq, Landcadia has one year from the date of its IPO to have its audit committee be comprised solely of independent members. Landcadia intends to identify an additional independent director to serve on the audit committee within one year of the closing of the IPO, at which time Mr. Fertitta will resign from the committee. Prior to Ms. Cornell's appointment, Mr. Handler served on the audit committee.

Each member of the audit committee is financially literate and Landcadia's Board has determined that Mr. Fertitta qualifies as an "audit committee financial expert" as defined in applicable SEC rules.

Landcadia adopted an audit committee charter, which details the principal functions of the audit committee, including:

- the appointment, compensation, retention, replacement, and oversight of the work of the independent registered public accounting firm engaged by Landcadia;
- pre-approving all audit and permitted non-audit services to be provided by the independent registered public accounting firm engaged by us, and establishing pre-approval policies and procedures;
- reviewing and discussing with the independent auditors all relationships the auditors have with Landcadia in order to evaluate their continued independence;
- setting clear hiring policies for employees or former employees of the independent registered public accounting firm, including but not limited to, as required by applicable laws and regulations;
- setting clear policies for audit partner rotation in compliance with applicable laws and regulations;
- obtaining and reviewing a report, at least annually, from the independent registered public accounting firm describing (i) the independent registered public accounting firm's internal quality-control procedures, (ii) any material issues raised by the most recent internal quality-control review, or peer review, of the audit firm, or by any inquiry or investigation by governmental or professional authorities within the preceding five years respecting one or more independent audits carried out by the firm

and any steps taken to deal with such issues and (iii) all relationships between the independent registered public accounting firm and Landcadia to assess the independent registered public accounting firm's independence;

- reviewing and approving any related party transaction required to be disclosed pursuant to Item 404 of Regulation S-K promulgated by the SEC prior to Landcadia entering into such transaction; and
- reviewing with management, the independent registered public accounting firm, and Landcadia's legal advisors, as appropriate, any legal, regulatory or compliance matters, including any correspondence with regulators or government agencies and any employee complaints or published reports that raise material issues regarding Landcadia's financial statements or accounting policies and any significant changes in accounting standards or rules promulgated by the Financial Accounting Standards Board, the SEC or other regulatory authorities.

During 2020, the audit committee held one meeting.

Compensation Committee

Landcadia has established a compensation committee of our board of directors. Mr. Fertitta, Mr. Kelly and Ms. Cornell serve as members of Landcadia's compensation committee. Under the Nasdaq listing standards and applicable SEC rules, Landcadia is required to have at least two members of the compensation committee, all of whom must be independent, subject to the exception described below. Mr. Kelly and Ms. Cornell are independent and Mr. Kelly will chair the compensation committee. Because Landcadia's securities are listed on Nasdaq, Landcadia has one year from the date of its IPO to have its compensation committee be comprised solely of independent members. Landcadia intends to identify an additional independent director to serve on the compensation committee within one year of the closing of its IPO, at which time Mr. Fertitta will resign from the committee. Prior to Ms. Cornell's appointment, Mr. Handler served on the compensation committee.

Landcadia adopted a compensation committee charter, which details the principal functions of the compensation committee, including:

- reviewing and approving on an annual basis the corporate goals and objectives relevant to Landcadia's Chief Executive Officer's compensation, if any is paid by Landcadia, evaluating Landcadia's Chief Executive Officer's performance in light of such goals and objectives and determining and approving the remuneration (if any) of Landcadia's Chief Executive Officer based on such evaluation;
- reviewing and approving on an annual basis the compensation, if any is paid by Landcadia, of all of its other officers;
- reviewing on an annual basis Landcadia's executive compensation policies and plans;
- implementing and administering Landcadia's incentive compensation equity-based remuneration plans;
- assisting management in complying with Landcadia's proxy statement and annual report disclosure requirements;
- approving all special perquisites, special cash payments and other special compensation and benefit arrangements for Landcadia's officers and employees;
- if required, producing a report on executive compensation to be included in Landcadia's annual proxy statement; and
- reviewing, evaluating and recommending changes, if appropriate, to the remuneration for directors.

Notwithstanding the foregoing, as indicated above, other than the payment to each of Landcadia's independent directors of \$100,000 at the closing of Landcadia's initial business combination for services rendered as a board member prior to the completion of the initial business combination, the payment, at the closing of Landcadia's initial business combination, of a customary financial advisory fee to an affiliate of JFG Sponsor in an amount that constitutes a market standard financial advisory fee for comparable

transactions and the payment to FEI of \$20,000 per month, for up to 24 months, for office space, utilities and secretarial and administrative support and reimbursement of expenses, no compensation of any kind, including finders, consulting or other similar fees, will be paid to any of Landcadia's existing stockholders, officers, directors or any of their respective affiliates, prior to, or for any services they render in order to effectuate the consummation of an initial business combination. Accordingly, it is likely that prior to the consummation of an initial business combination, the compensation committee will only be responsible for the review and recommendation of any compensation arrangements to be entered into in connection with such initial business combination.

The charter also provides that the compensation committee may, in its sole discretion, retain or obtain the advice of a compensation consultant, legal counsel or other adviser and will be directly responsible for the appointment, compensation and oversight of the work of any such adviser. However, before engaging or receiving advice from a compensation consultant, external legal counsel or any other adviser, the compensation committee will consider the independence of each such adviser, including the factors required by Nasdaq and the SEC.

During 2020, the compensation committee did not hold any meetings.

Director Nominations

Landcadia does not have a standing nominating committee, though it intends to form a corporate governance and nominating committee as and when required to do so by law or Nasdaq rules. In accordance with Rule 5605 of the Nasdaq rules, a majority of the independent directors may recommend a director nominee for selection by the board of directors, subject to the phase-in rules of Nasdaq listing standards. The board of directors believes that the independent directors can satisfactorily carry out the responsibility of properly selecting or approving director nominees without the formation of a standing nominating committee. The directors who will participate in the consideration and recommendation of director nominees are Mr. Kelly and Ms. Cornell. Mr. Kelly and Ms. Cornell are independent directors. Because Landcadia's securities are listed on Nasdaq, Landcadia has one year from the date of its IPO to comply with the directors nominations process requirement of Nasdaq listing standards. Landcadia intends to identify an additional independent director to serve on the board within one year of the closing of the IPO, and Landcadia will fully comply with the Rule 5605 of the Nasdaq rules as of the end of the phase-in period. As there is no standing nominating committee, Landcadia does not have a nominating committee charter in place.

The board of directors will also consider director candidates recommended for nomination by Landcadia's stockholders during such times as they are seeking proposed nominees to stand for election at the next annual meeting of stockholders (or, if applicable, a special meeting of stockholders). Landcadia's stockholders who wish to nominate a director for election to Landcadia's Board should follow the procedures set forth in Landcadia's bylaws.

We have not formally established any specific, minimum qualifications that must be met or skills that are necessary for directors to possess. In general, in identifying and evaluating nominees for director, Landcadia's Board considers educational background, diversity of professional experience, knowledge of our business, integrity, professional reputation, independence, wisdom, and the ability to represent the best interests of Landcadia's stockholders.

Compensation Committee Interlocks and Insider Participation

Each of Messrs. Fertitta, Scheinthal and Liem currently serve as members of the boards of directors of certain subsidiaries of FEI and Mr. Fertitta, who is currently a member of Landcadia's Board, serves as an executive officer of these entities. Landcadia's other executive officers do not currently serve, and in the past year have not served, as a member of the board of directors.

Communication with Directors

Landcadia's Board has established a process for stockholders to send communications to the board of directors. Stockholders may communicate with Landcadia's Board generally or a specific director at any time by writing to the Company's General Counsel and Secretary, c/o Landcadia Holdings III, Inc., 1510 West

Loop South, Houston, Texas 77027. We will review all messages received, and forward any message that reasonably appears to be a communication from a stockholder about a matter of stockholder interest that is intended for communication to Landcadia's Board. Communications are sent as soon as practicable to the director to whom they are addressed, or if addressed to Landcadia's Board generally, to the Co-Chairmen of Landcadia's Board. Because other appropriate avenues of communication exist for matters that are not of stockholder interest, such as general business complaints or employee grievances, communications that do not relate to matters of stockholder interest are not forwarded to Landcadia's Board.

Code of Ethics

Landcadia has adopted a Code of Ethics that applies to all of its directors, executive officers and employees that complies with the rules and regulations of Nasdaq. The Code of Ethics codifies the business and ethical principles that govern all aspects of Landcadia's business. Landcadia has previously filed copies of its form of Code of Ethics, its form of audit committee charter and its form of compensation committee charter as exhibits to its registration statement in connection with its IPO. You may review these documents by accessing Landcadia's public filings at the SEC's web site at www.sec.gov. In addition, a copy of the Code of Ethics will be provided without charge upon request to Landcadia in writing at 1510 West Loop South, Houston, Texas 77027.

Conflicts of Interest

Landcadia's Sponsors or their affiliates may compete with Landcadia for business combination opportunities. If these entities decide to pursue any such opportunity, Landcadia may be precluded from procuring such opportunities. In addition, investment ideas generated within Landcadia's Sponsors may be suitable for both Landcadia and for another entity and may be directed to such entity rather than to Landcadia. Neither Landcadia's Sponsors nor members of Landcadia's management team who are also employed by Landcadia's Sponsors have any obligation to present Landcadia with any opportunity for a potential business combination of which they become aware, unless presented to such member solely in his or her capacity as an officer of Landcadia. Landcadia's Sponsors and/or Landcadia's management, in their capacities as employees of Landcadia's Sponsors or in their other endeavors, currently are required to present certain investment opportunities and potential business combinations to the various related entities described above, or third parties, before they present such opportunities to us. Our sponsors and our management may have similar obligations to additional entities or third parties.

Each of Landcadia's officers and directors presently has, and any of them in the future may have additional, fiduciary or contractual obligations to another entity pursuant to which such officer or director is or will be required to present a business combination opportunity to such entity. Accordingly, if any of Landcadia's officers or directors becomes aware of a business combination opportunity which is suitable for an entity to which he or she has then current fiduciary or contractual obligations, he or she will honor these fiduciary obligations under applicable law. Landcadia does not believe, however, that the fiduciary duties or contractual obligations of Landcadia's officers or directors will materially affect Landcadia's ability to complete its business combination. Landcadia's Current Charter provides that Landcadia renounces its interest in any corporate opportunity offered to any director or officer unless such opportunity is expressly offered to such person solely in his or her capacity as a director or officer of Landcadia and such opportunity is one Landcadia is legally and contractually permitted to undertake and would otherwise be reasonable for Landcadia to pursue, and to the extent the director or officer is permitted to refer that opportunity to Landcadia without violating another legal obligation.

In considering the recommendation of our board of directors in favor of approval of Business Combination, it should be noted that our directors and officers have interests in the Business Combination that are different from, or in addition to, your interests as a Landcadia Stockholder. These interests include, among other things:

- Our Sponsors will lose their entire investment in us if we do not complete a business combination by October 14, 2022. If we are unable to complete our initial business combination by October 14, 2022, we will: (i) cease all operations except for the purpose of winding up, (ii) as promptly as reasonably possible but not more than 10 business days thereafter, redeem the public shares and (iii) as promptly as reasonably possible following such redemption, subject to the approval of our remaining

stockholders and Landcadia's Board, liquidate and dissolve, subject in each case to our obligations under the DGCL to provide for claims of creditors and the requirements of other applicable law. There will be no redemption rights or liquidating distributions with respect to our warrants, which will expire worthless if we fail to complete our initial business combination by October 14, 2022.

In general, officers and directors of a corporation incorporated under the laws of the State of Delaware are required to present business opportunities to a corporation if:

- the corporation could financially undertake the opportunity;
- the opportunity is within the corporation's line of business; and
- it would not be fair to the corporation and its stockholders for the opportunity not to be brought to the attention of the corporation.

As a result of multiple business affiliations, our executive officers and directors may have similar legal obligations relating to presenting business opportunities meeting the above-listed criteria to multiple entities. Landcadia's Current Charter provides that Landcadia renounces its interest in any corporate opportunity offered to any director or officer unless such opportunity is expressly offered to such person solely in his or her capacity as a director or officer of Landcadia and such opportunity is one Landcadia is legally and contractually permitted to undertake and would otherwise be reasonable for Landcadia to pursue.

MANAGEMENT'S DISCUSSION AND ANALYSIS OF FINANCIAL CONDITION AND RESULTS OF OPERATIONS OF LANDCADIA

The following discussion and analysis of the financial condition and results of operations of Landcadia Holdings III, Inc. (for purposes of this section, "Landcadia," "Company," "we," "us" and "our") should be read in conjunction with the financial statements and related notes of Landcadia included elsewhere in this prospectus/proxy statement. This discussion contains forward-looking statements reflecting our current expectations, estimates and assumptions concerning events and financial trends that may affect our future operating results or financial position. Actual results and the timing of events may differ materially from those contained in these forward-looking statements due to a number of factors, including those discussed in the sections entitled "Risk Factors" and "Cautionary Statement Regarding Forward-Looking Statements" appearing elsewhere in this prospectus/proxy statement.

Overview

We are a blank check company incorporated as a Delaware corporation and formed for the purpose of effecting a merger, capital stock exchange, asset acquisition, stock purchase reorganization or similar business combination with one or more businesses ("Business Combination"). We consummated the IPO on October 14, 2020. We intend to use the cash proceeds from our public offering and the private placement of warrants described below as well as additional issuances, if any, of our capital stock, debt or a combination of cash, stock and debt to complete the Business Combination.

We expect to incur significant costs in the pursuit of our acquisition plans. There can be no assurance that our plans to raise capital or to complete our initial Business Combination will be successful.

Liquidity and Capital Resources

On October 14, 2020 we consummated a \$500,000,000 public offering consisting of 50,000,000 units at a price of \$10.00 per unit ("Unit"). Each Unit consists of one share of the Company's Class A common stock, \$0.0001 par value (the "Class A Common Stock") and one-third of one redeemable warrant (each, a "Public Warrant"). Simultaneously, with the closing of the IPO, we consummated the \$12,000,000 private placement ("Private Placement") of an aggregate of 8,000,000 private placement warrants ("Sponsor Warrants") at a price of \$1.50 per warrant. Upon closing of the IPO and the private placement of the private placement warrants on October 14, 2020, \$500,000,000 in proceeds (including \$17,500,000 of deferred underwriting commissions) from the public offering and private placement was placed in a U.S.-based trust account maintained by Continental Stock Transfer & Trust Company, acting as trustee. The remaining \$12,000,000 held outside of trust was used to pay underwriting commissions of \$10,000,000, loans to our Sponsors, and deferred offering and formation costs. The Company granted the underwriters a 45-day option from the date of the prospectus, October 8, 2020, to purchase additional units. The 45-day over-allotment option expired without exercise.

As of March 31, 2021, we had an unrestricted balance of \$510,864 as well as cash and accrued interest held in the Trust Account of \$500,026,153. As of December 31, 2020, we had an unrestricted balance of \$1,017,406 as well as cash and accrued interest held in the Trust Account of \$500,078,624. Our working capital needs will be satisfied through the funds, held outside of the Trust Account, from the public offering. Interest on funds held in the Trust Account may be used to pay income taxes and franchise taxes, if any. Further, our Sponsors may, but are not obligated to, loan us funds as may be required in connection with the Business Combination. Up to \$1,500,000 of these loans may be converted into warrants of the post business combination entity at a price of \$1.50 per warrant at the option of the lender and would be identical to the Sponsor Warrants.

Results of Operations

We have neither engaged in any significant business operations nor generated any revenues to date. All activities to date relate to the Company's formation and its initial public offering and search for a suitable Business Combination. We generate non-operating income in the form of interest income on cash, cash equivalents, and marketable securities held in the Trust Account. We expect to incur increased expenses as a

result of being a public company (for legal, financial reporting, accounting and auditing compliance), as well as for due diligence expenses as we locate a suitable Business Combination.

For the three months ended March 31, 2021 and 2020, we had a net income of \$10,719,999 and \$0, respectively. The income for the three months ended March 31, 2021 relates to \$448,918 of general and administrative costs and \$60,000 of management fees for administrative services, offset by \$18,917 in earnings on the Trust Account assets and a gain of \$11,210,000 related the change in the fair value of the warrant derivative liability.

For the years ended December 31, 2020, 2019, and period from March 13, 2018 (inception) to December 31, 2018, we had a net loss of \$28,890,395, \$0 and \$0, respectively. The loss for the year ended December 31, 2020 relates to \$1,219,019 of general and administrative costs related to the formation of the Company and on-going expenses as we locate a suitable Business Combination, \$60,000 of management fees for administrative services, and the loss from the change in fair value of warrant derivative liability of \$27,690,000, offset by \$78,624 in earnings on the Trust Account assets.

Critical Accounting Policies

The preparation of financial statements in accordance with accounting principles generally accepted in the United States requires management to make estimates and assumptions that affect the amounts reported in the financial statements and accompanying notes. Actual results could differ from those estimates. The Company has identified the following as its critical accounting policies:

Warrant Derivative Liability

In accordance with ASC 815-40, Derivatives and Hedging: Contracts in an Entities Own Equity, entities must consider whether to classify contracts that may be settled in its own stock, such as warrants, as equity of the entity or as an asset or liability. If an event that is not within the entity's control could require net cash settlement, then the contract should be classified as an asset or a liability rather than as equity. The Company has determined because the terms of public warrants include a provision that entitles all warrant holders to cash for their warrants in the event of a qualifying cash tender offer, while only certain of the holders of the underlying shares of common stock would be entitled to cash, our warrants should be classified as derivative liability measured at fair value, with changes in fair value each period reported in earnings. Further if our private placement warrants are held by someone other than the initial purchasers of the private placement warrants or their permitted transferees, the private placement warrants will be redeemable by the Company and exercisable by such holders on the same basis as the public warrants. Because the terms of the private placement warrants and public warrants are so similar, we classified both types of warrants as a derivative liability measured at fair value. Volatility in our common stock and public warrants may result in significant changes in the value of the derivatives and resulting gains and losses on the Company's statement of operations.

Redeemable Shares

All of the 50,000,000 public shares sold as part of the IPO contain a redemption feature as described in the final prospectus for our initial public offering. In accordance with FASB ASC 480, "Distinguishing Liabilities from Equity", redemption provisions not solely within the control of the Company require the security to be classified outside of permanent equity. The Company's Current Charter provides a minimum net tangible asset threshold of \$5,000,001. The Company recognizes changes in redemption value immediately as they occur and will adjust the carrying value of the security to equal the redemption value at the end of each reporting period. Increases or decreases in the carrying amount of redeemable shares will be affected by charges against additional paid-in capital. At March 31, 2021, there were 50,000,000 public shares, of which 43,355,173 were recorded as redeemable shares, classified outside of permanent equity, and 6,644,827 were classified as Class A common stock. At December 31, 2020, there were 50,000,000 public shares, of which 42,278,793 were recorded as redeemable shares, classified outside of permanent equity, and 7,721,207 were classified as Class A common stock.

Loss per Common Share

Basic income (loss) per common share is computed by dividing net income (loss) applicable to common stockholders by the weighted average number of common shares outstanding during the period. All founder shares are assumed to convert to shares of Class A common stock on a one-for-one basis. Consistent with FASB ASC 480, shares of Class A common stock subject to possible redemption, as well as their pro rata share of undistributed trust earnings consistent with the two-class method, have been excluded from the calculation of income (loss) per common share for the three months ended March 31, 2021 and 2020 and the year ended December 31, 2020. Such shares, if redeemed, only participate in their pro rata share of trust earnings. Diluted income (loss) per share includes the incremental number of shares of common stock to be issued in connection with the conversion of founder shares or to settle warrants, as calculated using the treasury stock method. For the three months ending March 31, 2021 and 2020 and the years ending December 31, 2020, 2019, and 2018, the Company did not have any dilutive warrants, securities or other contracts that could, potentially, be exercised or converted into common stock. As a result, diluted loss per common share is the same as basic loss per common share for all periods presented. For the three months ended March 31, 2021 and 2020, the Company reported income available to common shareholders of \$0.54 and \$0.00, respectively. For the year ended December 31, 2020, the Company reported a loss available to common shareholders of \$2.99.

Recent Accounting Pronouncements

Management does not believe that any recently issued, but not yet effective, accounting standards, if currently adopted, would have a material effect on the accompanying financial statements.

Off-Balance Sheet Arrangements

We did not have any off-balance sheet arrangements as of March 31, 2021 or December 31, 2020.

Contractual Obligations

As of March 31, 2021 and December 31, 2020, we did not have any long-term debt, capital, purchase or operating lease obligations or other long-term liabilities. We have recorded deferred underwriting commissions payable upon the completion of the Business Combination.

The Company entered into an administrative services agreement in which we will pay Fertitta Entertainment, Inc., (an affiliate of TJF Sponsor) for office space, secretarial and administrative services provided to members of our management team, in an amount not to exceed \$20,000 per month commencing on the date of effectiveness of the IPO and ending on the earlier of the completion of a Business Combination or liquidation.

Robotics and Digital Solutions

Our Robotics and Digital Solutions segment consists primarily of software-enabled robotic key duplication and engraving solutions that are tailored to the unique needs of the consumer. We provide our offerings in retail and other high-traffic locations providing customized licensed and unlicensed key and engraving products targeted to consumers in the respective locations. Our offerings include self-service robotic engraving and robotic self service key duplication kiosks, as well as store associate assisted key duplication kiosks together with related software and systems, keys and key accessories sold in proximity to the kiosks. Our services include product and category management, merchandising services, and access to our proprietary robotic key duplicating and engraving software platforms and equipment.

We design proprietary software and engineer, design and manufacture our proprietary equipment in our Boulder, Colorado and Tempe, Arizona facilities, which forms the cornerstone for our key duplication business. Our key duplication system is offered in various retail channels including mass merchants, home centers, automotive parts retailers, franchise and independent hardware stores, and grocery/drug chains. We believe we provide the most complete key duplication systems in the industry, through our unique combination of self-service kiosk technology and store associate assisted duplication systems. Our self-service solutions are driven by our MinuteKey technology, while store associate assisted duplication currently uses the state of the art KeyKrafter equipment and other legacy duplication machines depending on the retail channel to fit that channel’s specific needs.

In 2018, we completed the acquisition of MinuteKey, the world’s first self-service robotic key duplication machine. The accuracy of robotics technology put to work in an innovative way makes MinuteKey machines easy to use, convenient, fast and highly reliable. We utilize a propriety network integration software with our MinuteKey kiosks to maintain high levels of machine up-time and ensure machines have the optimal mix of key types available for duplication. The kiosk is completely self-service and has a 100% customer satisfaction guarantee. We manufacture and support the MinuteKey kiosk out of our Boulder, Colorado and Tempe, Arizona facilities.

The Hillman KeyKrafter[®] is our most popular, innovative and effective store associate assisted key duplication kiosk. It provides significant reduction in duplication time while increasing accuracy and ease of use for unskilled store associates. Additionally, with the KeyKrafter[®] solution, the capability exists for consumers to securely store and retrieve digital back-ups of their key without the original through the revolutionary Hillman KeyHero[®] Technology. Our Precision Laser Key System[™] system uses a digital optical camera, lasers, and proprietary software to scan a customer’s key. The system identifies the key and retrieves the key’s specifications, including the appropriate blank and cutting pattern, from a comprehensive database. This technology automates nearly every aspect of key duplication and provides the ability for

every store associate to cut a key accurately. In the automotive key space, we offer the SmartBox Automotive Key Programmer which is a tool to quickly and easily pair transponder keys, remotes, and smart keys.

We retain ownership of the key duplicating equipment and market and sell keys and key accessories. Our proprietary key offering features the universal blank which uses a “universal” keyway to replace up to five original equipment keys. This innovative system allows a retailer to duplicate 99% of the key market while stocking less than 100 SKUs. We continually refresh the retailer’s key offerings by introducing decorated and licensed keys and accessories. Our key offering features decorative themes of art and popular licenses such as NFL, Disney, Breast Cancer Awareness, and Marvel to increase personalization, purchase frequency and average transaction value per key. We also market a successful line of decorative and licensed lanyards and other key accessories.

All of our key duplication systems are supported by a dedicated in store kiosk sales and service team.

In our engraving business, we supply a variety of innovative options of consumer-operated robotic kiosks such as Quick-Tag[®], TagWorks[®], and FIDO[®] for engraving specialty items such as pet identification tags, luggage tags, and other engraved identification tags. We have developed unique engraving systems leveraging state-of-the-art technologies to provide a customized solution for mass merchant, pet supply retailers, and other high traffic areas such as theme parks, all supported by our in store kiosk field service technicians. We design, engineer, manufacture, and assemble the engraving kiosks in our Boulder, Colorado and Tempe, Arizona facilities.

Our engraving business focuses on the growing consumer spending trends surrounding personalized and pet identification. Innovation has played a major role in the development of our engraving business unit. From the original Quick-Tag[®] consumer-operated Kiosk system to the proprietary laser system of TagWorks[®], we continue to lead the industry with consumer-friendly engraving solutions. As in our key business, we retain ownership of the key engraving equipment and market and sell blank tags.

We have continued to build out our Robotics and Digital Solutions segment with two recent acquisitions. In August 2019, we acquired the assets of Sharp Systems, LLC (“Resharp”), a California-based innovative developer of robotic automated knife sharpening systems, for a cash payment of \$3.0 million and contingent consideration valued at \$18.1 million. The maximum payout for the contingent consideration is \$25.0 million plus 1.8% of net knife-sharpening revenues for five years after the \$25.0 million is fully paid. We expect to begin rolling out the knife sharpening systems to customers in early 2021. In February 2020, we acquired the assets of Instafob, LLC (“Instafob”), a California-based innovative developer of RFID key duplication systems and a cloud based platform, for a cash payment of \$800,000 and a total purchase price of \$2,618,000, which includes \$1,818,000 in contingent and non-contingent considerations that remain payable to the seller. Contingent consideration is based on 5% of the net sales from 2020 through 2022 plus 1% of net sales from 2023 through 2029. We expect to roll out Instafob systems to customers in 2021.

Robotics and Digital Solutions generated approximately \$55.9 million and \$56.3 million of revenues in the thirteen weeks ended March 27, 2021 and March 28, 2020, respectively. Robotics and Digital Solutions generated approximately \$209.3 million, \$236.1 million and \$196.0 million of revenues in the years ended December 26, 2020, December 28, 2019 and December 29, 2018, respectively.

Canada

Our Canada segment distributes fasteners and related hardware items, threaded rod, keys, key duplicating systems, accessories, and identification items, such as tags and letters, numbers, and signs to hardware stores, home centers, mass merchants, industrial distributors, automotive aftermarket distributors, and other retail outlets and industrial Original Equipment Manufacturers (“OEMs”) in Canada. The product lines offered in our Canada segment are consistent with the product offerings detailed above. The Canada segment also produces made to order screws and self-locking fasteners for automotive suppliers, OEMs, and industrial distributors.

approximately \$134.6 million, \$125.3 million and \$141.4 million of revenues in the years ended December 26, 2020, December 28, 2019 and December 29, 2018, respectively.

Markets and Customers

We sell our products to national accounts such as Home Depot, Lowe's, Menard's, PETCO, PetSmart, Tractor Supply and Walmart. Our status as a national supplier of proprietary products to big box retailers allows us to develop a strong market position and high barriers to entry within our product categories.

We service a wide variety of franchise and independent retail outlets. These individual dealers are typically members of the larger cooperatives, such as Ace Hardware, True Value, and Do-It-Best. We ship directly to the cooperative's retail locations and also supply many items to the cooperative's central warehouses. These central warehouses distribute to their members that do not have a requirement for Hillman's in-store service. These arrangements reduce credit risk and logistic expenses for us while also reducing central warehouse inventory and delivery costs for the cooperatives.

A typical hardware store maintains thousands of different items in inventory, many of which generate small dollar sales but large profits. It is difficult for a retailer to economically monitor all stock levels and to reorder the products from multiple vendors. This problem is compounded by the necessity of receiving small shipments of inventory at different times and stocking the goods. The failure to have these small items available will have an adverse effect on store traffic, thereby possibly denying the retailer the opportunity to sell items that generate higher dollar sales.

We sell our products to a large volume of customers, the top two of which accounted for approximately \$169.9 million, or approximately 50%, of our total revenue in thirteen weeks ended March 27, 2021 and \$671.4 million, or approximately 49.1% of our total revenue for fiscal 2020. For the thirteen weeks ended March 27, 2021, Home Depot was the single largest customer, representing approximately \$101.8 million of our total revenues and Lowe's was the second largest at approximately \$68.0 million. No other customer accounted for more than 10% of total revenue in fiscal 2020. In each of the years ended December 26, 2020, December 28, 2019, and December 29, 2018, we derived over 10% of our total revenues from Lowe's and Home Depot which operated in each of our operating segments.

Hillman continues to expand its B2B eCommerce platform allowing certain customers to order online through the Company's website, www.hillmangroup.com. The B2B eCommerce platform features many of our items available for sale online and over thousands of customers are enrolled with the online ordering platform. We continue to support direct-to-store and direct-to-consumer fulfillment for consumers who choose to order fasteners directly from retailers' websites.

Sales and Marketing

We believe that our primary competitive advantage is rooted in our ability to provide a greater level of customer service than our competitors. We partner with our customers to understand the unmet needs of consumers, design creative solutions, and commercialize those solutions bringing them to life in both physical and digital channels through a tight alignment between the product management, marketing communications and channel marketing functions. We provide best in class support and customer service at every touch point for our retail partners and service is the hallmark of Hillman company-wide. The national accounts field service organization consists of approximately 735 employees and 75 field managers focusing on big box retailers, pet super stores, large national discount chains, and grocery stores. This organization reorders products, details store shelves, and sets up in-store promotions. Many of our largest customers use electronic data interchange ("EDI") for processing of orders and invoices.

We employ what we believe to be the largest direct sales force in the industry. The sales force, which consists of approximately 260 employees and is managed by 30 field managers, focuses on the franchise and independent customers. The depth of the sales and service team enables us to maintain consistent call cycles ensuring that all customers experience proper stock levels and inventory turns. This team also prepares custom plan-o-grams of displays to fit the needs of any store and establishes programs that meet customers' requirements for pricing, invoicing, and other needs. This group also benefits from daily internal support from our inside sales and customer service teams. On average, each sales representative is responsible for

approximately 60 full service accounts that the sales representative calls on approximately every two weeks. These efforts allow the sales force to sell and support our product lines.

Competition

Our primary competitors in the national accounts marketplace for fasteners are Primesource Building Products, Inc., Midwest Fastener Corporation, Illinois Tool Works Inc., Spectrum Brands, and competition from direct import by our customers. Our national competitors for gloves and personal protective equipment include West Chester Protective Gear, PIP, Iron Clad and MidWest Quality Gloves, Inc. Competition is primarily based on sourcing and price. We believe our product innovation and in store merchandising service create a more compelling and unique experience for both the consumer and our customers. Other competitors are local and regional distributors. Competitors in the pet tag market are specialty retailers, direct mail order, and retailers with in-store mail order capability. The Quick-Tag[®], FIDO[®], and TagWork[®] systems have patent protected technology that is a major barrier to entry and helps to preserve this market segment.

The principal competitor for our franchise and independent business is Midwest Fastener in the hardware store marketplace. The hardware outlets that purchase our products without regularly scheduled sales representative visits may also purchase products from local and regional distributors and cooperatives. We compete primarily on field service, merchandising, as well as product availability, price, and depth of product line.

Insurance Arrangements

Under our current insurance programs, commercial umbrella coverage is obtained for catastrophic exposure and aggregate losses in excess of expected claims. We retain the exposure on certain expected losses related to workers' compensation, general liability, and automobile claims. We also retain the exposure on expected losses related to health benefits of certain employees. We believe that our present insurance is adequate for our businesses. See Note 15 — Commitments and Contingencies, of Notes to Consolidated Financial Statements.

Employees

As of March 27, 2021, we had 4,168 full time and part time employees, none of which were covered by a collective bargaining agreement. In our opinion, employee relations are good.

Backlog

We do not consider the sales backlog to be a significant indicator of future performance due to the short order cycle of our business. Our sales backlog from ongoing operations was approximately \$22.8 million as of March 27, 2021 and approximately \$58.3 million as of December 26, 2020. We expect to realize the entire March 27, 2021 backlog during fiscal 2021.

Legal Proceedings

On June 3, 2019, The Hillman Group, Inc. ("Hillman Group") filed a complaint for patent infringement against KeyMe, LLC ("KeyMe"), a provider of self-service key duplication kiosks, in the United States District Court for the Eastern District of Texas (Marshall Division). The case was assigned Civil Action No. 2:19-cv-0209. Hillman Group's complaint alleges that KeyMe's self-named and "Locksmith in a Box" key duplication kiosks infringe U.S. Patent Nos. 8,979,446 and 9,914,179, which are assigned to Hillman Group, and seeks damages and injunctive relief against KeyMe. After the United States Patent and Trademark Office issued U.S. Patent No. 10,400,474 to Hillman Group on September 3, 2019, Hillman Group filed a motion the same day to amend its initial complaint to add the new patent to the litigation. The Texas court granted the motion on September 13, 2019. KeyMe filed two motions in the case on July 25, 2019, the first seeking to dismiss Hillman Group's complaint under Rule 12(b)(3) of the Federal Rules of Civil Procedure for improper venue, or in the alternative, to move the case from Marshall, Texas to the Southern District of New York. KeyMe's second motion seeks to transfer the venue of the case from Texas to New York under 28 U.S.C. § 1404. Subsequently, Hillman Group filed a motion on September 4, 2019 to disqualify KeyMe's

counsel Cooley LLP from the litigation due to Cooley's concurrent and prior representation of Hillman Group and predecessor-in-interest MinuteKey Holdings, Inc ("MinuteKey"). Hillman Group served its initial infringement contentions for the patents-in-suit on KeyMe on September 6, 2019, and KeyMe served its initial invalidity and unenforceability contentions for the patents-in-suit on Hillman Group on November 15, 2019. The parties filed a joint claim construction statement with the Court on January 31, 2020, setting forth the disputed constructions of terms and phrases recited in the asserted claims of the patents-in-suit. On February 14, 2020, the Court granted Hillman Group's motion to disqualify Cooley LLP, and denied KeyMe's pending venue-related motion to dismiss and motion to transfer without prejudice to refile. The case was stayed until March 30, 2020 to permit KeyMe to retain new legal counsel. The parties filed a joint status report on March 25, 2020, and on March 27, 2020, the Texas Court set a new case schedule with a trial in early December 2020. On April 14, 2020, KeyMe re-filed a single motion to dismiss for improper venue, or in the alternative, to transfer the case to the Southern District of New York. After an oral hearing held on September 30, 2020, the Texas Court denied KeyMe's motion to dismiss on November 13, 2020.

The Texas Court conducted a claim construction hearing in Marshall, TX, on June 23, 2020 to construe various disputed claim terms of the three patents-in-suit, and issued a claim construction order on July 2, 2020. On August 31, 2020, KeyMe filed two motions for partial summary judgment on portions of the case, and also filed a motion objecting to portions of the testimony of one of Hillman Group's technical expert witnesses. At a pretrial conference held March 23, 2021, the Texas Court denied KeyMe's motion to exclude expert testimony and KeyMe's motion for summary judgment of no willful infringement in full. KeyMe's motion for summary judgment of non-infringement relating to U.S. Patent No. 10,400,474 was granted in-part and denied in-part; Hillman Group was permitted to proceed with a theory of infringement under the doctrine of equivalents at trial.

On March 2, 2020, Hillman Group filed a second complaint for patent infringement against KeyMe in the same Texas Court, alleging that KeyMe's key duplication kiosks infringe Hillman Group's U.S. Patent No. 10,577,830. The case was assigned Civil Action No. 2:20-cv-0070. Hillman Group added a second patent to the case, U.S. Patent No. 10,628,813, upon that patent's issuance on April 21, 2020. Upon issuance of U.S. Patent No. 10,737,336 to Hillman Group on August 10, 2020, Hillman Group moved for leave of Court to add that patent to the case; however, KeyMe opposed the motion.

KeyMe filed a motion to consolidate the two Texas patent cases involving KeyMe and Hillman Group on April 14, 2020. In addition, on April 30, 2020, KeyMe filed a substantially identical motion to dismiss the case for improper venue, or in the alternative, to transfer the case to the Southern District of New York. The Texas Court heard oral argument on the motion to consolidate, the motion to dismiss, and Hillman Group's motion to add the '336 patent on September 30, 2020. On October 23, 2020, the Texas Court granted KeyMe's motion to consolidate the two Texas cases, and granted Hillman Group's motion to add the '336 patent. The Texas Court denied KeyMe's motion to dismiss on November 13, 2020. On November 18, 2020, the Texas Court issued a new case schedule for the consolidated case, setting a trial date of April 5, 2021 for the six-patent case. The parties stipulated in November, 2020 that no new claim construction hearing would be held, and that selected constructions from the 2:19-cv-209 action that pertained to claims in the 2:20-cv-0070 action would govern. Fact discovery closed in the consolidated case on December 21, 2020, and expert discovery closed on January 22, 2021.

On January 25, 2021, KeyMe filed a second summary judgment motion for a judgment of no willful infringement, and also filed another motion objecting to portions of the testimony of one of Hillman Group's technical expert witnesses. At a pretrial conference held March 23, 2021, the Texas Court denied both of KeyMe's motions in full.

On September 9, 2020, the parties conducted a mediation before Ret. District Judge David Folsom of the U.S. District Court of the Eastern District of Texas. Though substantive discussion took place, no agreement on resolution of the litigation was reached.

A jury trial was held in the Texas case from April 5-12, 2021 in Marshall, Texas. On April 12, 2021, the jury returned a verdict that KeyMe did not infringe any of the six asserted patents, and several of the asserted claims were invalid. Final judgment was entered on April 13, 2021. Hillman Group disagrees with the verdict and is considering all legal options, including appeal of the case to the United States Court of Appeals for the Federal Circuit in Washington, D.C. The parties are currently in the process of post-trial briefing.

Both parties filed renewed motions for judgment as a matter of law on issues they did not prevail on at trial on May 11, 2021, and Hillman Group additionally filed a motion for a new trial on the same date. As of June 11, 2021, those motions are still being briefed before the Texas Court.

On August 16, 2019, KeyMe filed a complaint for patent infringement against Hillman Group in the United States District Court for the District of Delaware. KeyMe alleges that Hillman Group's KeyKrafter key duplication machines and MinuteKey self-service key duplication kiosks infringe KeyMe's U.S. Patent No. 8,682,468 when those machines are used in conjunction with Hillman Group's KeyHero system. KeyMe seeks damages and injunctive relief against Hillman Group. Hillman Group filed an answer to KeyMe's complaint on October 23, 2019, and asserted counterclaims seeking declaratory judgments of invalidity and noninfringement of U.S. Patent No. 8,682,468. On May 4, 2020, the Delaware Court entered a scheduling order setting trial for November 2021. KeyMe served its initial infringement contentions on June 11, 2020, with Hillman Group serving its initial invalidity contentions on July 16, 2020. The Delaware Court held a claim construction hearing on November 24, 2020, and issued its claim construction order on January 25, 2021. Fact discovery closed in the Delaware case on January 28, 2021. KeyMe served its final infringement contentions on January 4, 2021; Hillman Group served its final invalidity contentions on January 18, 2021. Expert discovery closed on April 8, 2021. Following the close of discovery, Hillman Group filed a motion for summary judgment of noninfringement and no willful infringement in the case on April 15, 2021. An oral hearing on the motion is currently set for June 29, 2021, and a decision on the motion is expected later in 2021.

Management and legal counsel for Hillman Group are of the opinion that KeyMe's claim is without merit and Hillman Group should prevail in defending the suit. Hillman Group is unable to estimate the possible loss or range of loss at this early stage in the case. KeyMe and Hillman Group are in the process of discussing a global resolution of all patent disputes, including those discussed above in Texas and Delaware, and may reach agreement on a global resolution in late June 2021, which resolution is not expected to be material to our financial statements.

On June 1, 2021, Hy-Ko Products Company LLC ("Hy-Ko"), a manufacturer of key duplication machines, filed a complaint for patent infringement against Hillman Group in the United States District Court for the Eastern District of Texas (Marshall Division). The case was assigned Civil Action No. 2:21-cv-0197. Hy-Ko's complaint alleges that Hillman's KeyKrafter and PKOR key duplication machines infringe U.S. Patent Nos. 9,656,332, 9,682,432, 9,687,920, and 10,421,133, which are assigned to Hy-Ko, and seeks damages and injunctive relief against Hillman Group. Hy-Ko's complaint additionally contains allegations of unfair competition under the Federal Lanham Act and conversion/receipt of stolen property, as well as a cause of action for "replevin" for return of stolen property.

Management and legal counsel for Hillman Group are still investigating this recent suit but are initially of the opinion that Hy-Ko's claims are without merit and Hillman Group intends to vigorously defend the claims. Hillman Group is unable to estimate the possible loss or range of loss at this early stage in the case.

MANAGEMENT'S DISCUSSION AND ANALYSIS OF FINANCIAL CONDITION AND RESULTS OF OPERATIONS OF HILLMAN

The following discussion provides information which our management believes is relevant to an assessment and understanding of our operations and financial condition. This discussion should be read in conjunction with the Consolidated Financial Statements and Notes to Consolidated Financial Statements and schedules thereto appearing elsewhere herein. General

Hillman is one of the largest providers of hardware-related products and related merchandising services to retail markets in North America. Our principal business is operated through our wholly-owned subsidiary, The Hillman Group, Inc. and its wholly-owned subsidiaries (collectively, "Hillman Group"). Hillman Group sells its products to hardware stores, home centers, mass merchants, pet supply stores, and other retail outlets principally in the United States, Canada, Mexico, Latin America, and the Caribbean. Product lines include thousands of small parts such as fasteners and related hardware items; threaded rod and metal shapes; keys, key duplication systems, and accessories; builder's hardware; personal protective equipment, such as gloves and eye-wear; and identification items, such as tags and letters, numbers, and signs. We support product sales with services that include design and installation of merchandising systems, maintenance of appropriate in-store inventory levels, and break-fix for our robotics kiosks.

In March 2021 the Company successfully completed the syndication of \$1.185 billion in new term loan commitments in a four times oversubscribed transaction. The term loans will be used in connection with and contingent upon the Company's planned merger with Landcadia Holdings III, Inc. ("Landcadia III"), a publicly-traded special purpose acquisition company, to repay all existing outstanding indebtedness. In addition, the financing includes a \$250 million, five-year asset-based revolving credit facility, also contingent on closing of the merger with Landcadia III. Through the merger, refinancing and related transactions, the Company will simplify its capital structure and substantially lower expected total cash interest costs.

Current Economic Conditions

Our business is impacted by general economic conditions in the North American and international markets, particularly the U.S. and Canadian retail markets including hardware stores, home centers, mass merchants, and other retailers.

In December 2019, a novel strain of coronavirus (COVID-19) was reported to have surfaced in Wuhan, China, and has since spread to a number of other countries, including the United States and Canada. In March 2020, the World Health Organization characterized COVID-19 as a pandemic. Efforts to contain the spread of COVID-19 intensified during our fiscal 2020 second quarter and remained in effect throughout our fiscal year. Most states and municipalities within the U.S. enacted temporary closures of businesses, issued quarantine orders and took other restrictive measures in response to the COVID-19 pandemic. Within the United States and Canada, our business has been designated an essential business, which allows us to continue to serve customers that remain open.

While all of our operations are located in North America, we participate in a global supply chain, and the existence of a worldwide pandemic and the reactions of governments around the world in response to COVID-19 to regulate the flow of labor and products began to impact our business in March 2020. If we need to close any of our facilities or a critical number of our employees become too ill to work, our distribution network could be materially adversely affected in a rapid manner. Similarly, if our customers experience adverse business consequences due to COVID-19, demand for our products could also be materially adversely affected in a rapid manner. The Company continues to experience customer demand during the thirteen weeks ended March 27, 2021 and during the subsequent period. Our teams continue to monitor demand disruption and there can be no assurance as to the level of demand that will prevail in fiscal 2021. A large portion of our customers continue to operate and sell our products, with some customers reducing operations or restricting some access to portions of the retail space. The magnitude of the financial impact

on our quarterly and annual results is dependent on the duration of the COVID-19 pandemic and how quickly the U.S. and Canada economies resume normal operations.

An extended period of global supply chain, workforce availability, and economic disruption could materially affect the Company's business, the results of operations, financial condition, access to sources of liquidity, and the carrying value of goodwill and intangible assets. While a triggering event did not occur during the thirteen weeks ended March 27, 2021, a prolonged COVID-19 pandemic could negatively impact net sales growth, change key assumptions and other global and regional macroeconomic factors that could result in future impairment charges for goodwill, indefinite-lived intangible assets and definite lived intangible assets. The impact of the COVID-19 pandemic is fluid and continues to evolve, and therefore, we cannot predict the extent to which our business, results of operations, financial condition, or liquidity will ultimately be impacted.

We are exposed to the risk of unfavorable changes in foreign currency exchange rates for the U.S. dollar versus local currency of our suppliers located primarily in China and Taiwan. We purchase a significant variety of our products for resale from multiple vendors located in China and Taiwan. The purchase price of these products is routinely negotiated in U.S. dollar amounts rather than the local currency of the vendors and our suppliers' profit margins decrease when the U.S. dollar declines in value relative to the local currency. This puts pressure on our suppliers to increase prices to us. The U.S. dollar increased in value relative to the CNY by approximately 5.7% in 2018, increased by 1.7% in 2019, declined by 6.5% in 2020, and had no material change during the thirteen weeks ended March 27, 2021. The U.S. dollar increased in value relative to the Taiwan dollar by approximately 3.3% in 2018, declined by 0.2% in 2019, declined by 7.9% in 2020, and increased by 1.6% during the thirteen weeks ended March 27, 2021.

In addition, the negotiated purchase price of our products may be dependent upon market fluctuations in the cost of raw materials such as steel, zinc, and nickel used by our vendors in their manufacturing processes. The final purchase cost of our products may also be dependent upon inflation or deflation in the local economies of vendors in China and Taiwan that could impact the cost of labor used in the manufacturing of our products. We identify the directional impact of changes in our product cost, but the quantification of each of these variable impacts cannot be measured as to the individual impact on our product cost with a sufficient level of precision.

We are also exposed to risk of unfavorable changes in Canadian dollar exchange rate versus the U.S. dollar. Our sales in Canada are denominated in Canadian dollars while a majority of the products are sourced in U.S. dollars. A weakening of the Canadian dollar versus the U.S. dollar results in lower sales in terms of U.S. dollars while the cost of sales remains unchanged. We have a practice of hedging some of our Canadian subsidiary's purchases denominated in U.S. dollars. The U.S. dollar increased in value relative to the Canadian dollar by approximately 8.7% in 2018, declined by 4.1% in 2019, declined by 1.9% in 2020, and declined by 2.0% during the thirteen weeks ended March 27, 2021. We may take pricing action, when warranted, in an attempt to offset a portion of product cost increases. The ability of our operating divisions to institute price increases and seek price concessions, as appropriate, is dependent on competitive market conditions.

We import large quantities of products which are subject to customs requirements and to tariffs and quotas set by governments through mutual agreements and bilateral actions. The recently implemented U.S. tariffs on steel and aluminum and other imported goods has increased our product costs and required us to increase prices on the affected products.

In Hillman's press release announcing its financial results for the first quarter ended March 27, 2021, Doug Cahill, Chairman and Chief Executive Officer, stated "We are very pleased with our first quarter performance, with double-digit sales and profit growth reflecting the strong demand for hardware and home improvement products. This performance demonstrates the strength of the Hillman operating model and all-around exceptional execution by our in-store sales and service and supply chain teams that truly differentiates us in the market place."

Mr. Cahill continued, "Looking ahead, we are encouraged by the continued strong trends we are seeing at our retail partners in our flagship Hardware Solutions business driven by sustained high levels of repair and remodel activity in the US and Canada. Likewise, we are pleased to see our high margin Robotics and

Digital Solutions business quickly rebounding to pre-pandemic levels. Thankfully for all, vaccines have rolled out more quickly and the pandemic has receded faster than anticipated. In turn, demand in Protective Solutions has returned to normalized pre-pandemic levels sooner than expected and we are working together with our retail partners to transition away from pandemic specific PPE products. Fortunately, the remainder of our businesses is running ahead of our expectations and we are optimistic that this will endure. We will continue to focus on driving growth and investing both organically and through accretive M&A for long-term profitable growth and value creation.”

Year Ended December 26, 2020 vs December 28, 2019

Net Sales

Net sales for the year ended December 26, 2020 were \$1,368.3 million, or \$5.4 million per shipping day, compared to net sales of \$1,214.4 million, or \$4.8 million per shipping day for the year ended December 28, 2019, an increase of approximately \$153.9 million. Sales of personal protective equipment increased by \$71.8 million due to high demand for gloves and face masks. Fastening and hardware sales increased \$99.6 million driven by strong sales with big box retailers and traditional hardware stores. Finally, sales in Canada increased by \$9.4 million primarily due to strong retail demand for our products partially offset by

in store shopping restrictions during the second quarter which lead to lower demand during that period. These increases were offset by a decrease of \$27.6 million in key sales in the United States. Key sales were negatively impacted by restricted access to key duplicating kiosks and retail key duplication services as a result of COVID-19. As the economy has started to reopen, our service team has worked closely with our customers to restore access to key machines.

Cost of Sales

Our cost of sales (“COS”) is exclusive of depreciation and amortization expense. COS was \$781.8 million, or 57.1% of net sales, for the year ended December 26, 2020, an increase of \$87.9 million compared to \$693.9 million, or 57.1% of net sales, for the year ended December 28, 2019. Cost of goods sold as a percentage of net sales was consistent with the prior year primarily as a result of the following offsetting factors:

- Sourcing savings initiatives that we achieved in 2020.
- 2020 included a higher mix of construction fastener products and personal protective solutions.

Expenses

Selling, general, and administrative (“SG&A”) expenses were \$398.5 million in the year ended December 26, 2020, an increase of \$16.3 million compared to \$382.1 million in the year ended December 28, 2019. The following changes in underlying trends impacted the change in SG&A expenses:

- Selling expense was \$149.6 million in the year ended December 26, 2020, a decrease of \$7.2 million compared to \$156.8 million for the year ended December 28, 2019. The decrease in selling expense was primarily due to lower marketing and travel and entertainment expense in the year ended December 26, 2020. Additionally, we had lower compensation cost as a result of the restructuring in our U.S. operations that began in the fourth quarter of 2019.
- Warehouse and delivery expenses were \$159.0 million for the year ended December 26, 2020, an increase of \$16.7 million compared to warehouse and delivery expenses of \$142.3 million for the year ended December 28, 2019. The additional expense was primarily due to higher variable compensation and freight expenses related to increased sales. The remaining increase was due to increased labor driven by premium pay offered to warehouse workers during the COVID-19 outbreak along with additional supplies and personal protective equipment for our facilities.
- General and administrative (“G&A”) expenses were \$89.8 million in the year ended December 26, 2020, an increase of \$6.8 million compared to \$83.0 million in the year ended December 28, 2019. The increase was primarily due to increased legal fees associated with our ongoing litigation with KeyMe (see Note 15 — Commitments and Contingencies of the Notes to Consolidated Financial Statements for additional information). Additionally, we incurred increased incentive compensation expense in the year ended December 26, 2020.

Depreciation expense was \$67.4 million in the year ended December 26, 2020 compared to \$65.7 million in the year ended December 28, 2019. The increase was primarily driven by our investment in key duplication machines and merchandising racks.

Amortization expense of \$59.5 million in the year ended December 26, 2020, which was comparable to \$58.9 million in the year ended December 28, 2019.

Other income of \$5.3 million for the year ended December 26, 2020 increased \$10.8 million compared to expense of \$5.5 million in the year ended December 28, 2019. In the year ended December 26, 2020 other income consisted primarily of a \$3.5 million gain on the revaluation of the contingent consideration associated with the acquisition of Resharp and Instafob, (see Note 13 — Fair Value Measurements of the Notes to Consolidated Financial Statements for additional information). Additionally we received \$1.8 million in cash from the Canadian government as part of the Canada Emergency Wage Subsidy program for relief during the second quarter shutdown in Canada during the COVID-19 pandemic. These gains were partially offset by exchange rate losses of \$0.7 million. In the year ended December 28, 2019, other expense consisted of an impairment charge of \$7.0 million related to the loss on the disposal of our FastKey self-service key

duplicating kiosks. This loss was offset by a gain on the sale of machinery and equipment of \$0.4 million (see Note 14 — Restructuring of the Notes to Consolidated Financial Statements for additional information), and exchange rate gains of \$0.7 million.

Interest expense, net, of \$99.1 million for the year ended December 26, 2020 decreased \$14.7 million, compared to \$113.8 million for the year ended December 28, 2019. This decrease was primarily due to lower interest rates combined with lower outstanding debt balances in the year ended December 26, 2020. The following analysis of results of operations includes a brief discussion of the factors that affected our operating results and a comparative analysis of the thirteen weeks ended March 27, 2021 and the thirteen weeks ended March 28, 2020.

Year Ended December 28, 2019 vs Year Ended December 29, 2018

Net Sales

Net sales for the year ended December 28, 2019 were \$1,214.4 million, or \$4.8 million per shipping day, compared to net sales of \$974.2 million, or \$3.9 million per shipping day, for the year ended December 29, 2018. The increase was primarily driven by the acquisitions of MinuteKey in the third quarter of 2018 and Big Time in the fourth quarter of 2018. The acquisitions increased revenue \$227.6 million in the year ended December 28, 2019 as compared to the year ended December 29, 2018. Construction fastener products and

builders hardware sales increased \$19.2 million and \$6.4 million, respectively, due to new product line roll outs with customers. Additionally, sales decreased \$7.8 million due to the closure of a manufacturing facility in Canada and exiting the related product lines (see Note 14 — Restructuring of the Notes to Consolidated Financial Statements for additional information).

Cost of Sales

Our cost of sales was \$693.9 million, or 57.1% of net sales, for the year ended December 28, 2019, an increase of \$156.0 million compared to \$537.9 million, or 55.2% of net sales, for the year ended December 29, 2018. The increase of 1.9% in cost of sales, expressed as a percent of net sales, in 2019 compared to 2018 was primarily due to the following items:

- Fiscal 2019 included a higher mix of personal protective equipment.
- In the year ended December 28, 2019, we had inventory valuation adjustments in our Hardware and Protective Solutions segment of \$5.7 million primarily related to strategic review of our product offerings and restructuring activities (see Note 14 — Restructuring of the Notes to Consolidated Financial Statements for additional information).
- Net sales was reduced by \$7.2 million in the year ended December 28, 2019 for payments made to customers associated with the new product line roll outs for construction fastener products and builders hardware.
- We recorded a reduction of \$3.8 million in cost of sales recorded in 2018 due to an adjustment of our accrual for anti-dumping duties based on the final results of the Department of Commerce’s administrative review of nails from China (see Note 15 — Commitments and Contingencies of the Notes to Consolidated Financial Statements for additional information).
- The remaining increase was driven by higher product cost due to tariffs.
- These increases were partially offset by lower inventory valuation adjustments in our Canada segment of \$5.5 million driven by charges taken in 2018 related to exiting certain lines of business and rationalizing stock keeping units (see Note 14 — Restructuring of the Notes to Consolidated Financial Statements for additional information).

Expenses

Selling, general, and administrative (“SG&A”) expenses were \$382.1 million in the year ended December 28, 2019 an increase of \$61.6 million compared to \$320.5 million in the year ended December 29, 2018. The following changes in underlying trends impacted the change in SG&A expenses:

- Selling expense was \$156.8 million in the year ended December 28, 2019, an increase of \$22.8 million compared to \$134.0 million for the year ended December 29, 2018. The acquisition of MinuteKey in the third quarter of 2018 and Big Time in the fourth quarter of 2018 added \$24.9 million in selling expense for the year ended December 28, 2019 as compared to 2018. These increases were offset by a decrease of \$3.3 million for the cost of updating customer store labels for a new pricing program in 2018.
- Warehouse and delivery expenses were \$142.3 million for the year ended December 28, 2019, an increase of \$17.3 million compared to warehouse and delivery expenses of \$124.9 million for the year ended December 29, 2018. The acquisition of MinuteKey in the third quarter of 2018 and Big Time in the fourth quarter of 2018 added \$7.5 million in warehouse expense for the year ended December 28, 2019. We incurred \$4.6 million of higher expense for increases in labor, benefits, freight, and equipment costs. We also incurred additional warehouse expense of \$3.8 million in 2019 related to restructuring activities in our Canada segment (see Note 14 — Restructuring of the Notes to Consolidated Financial Statements for additional information).
- G&A expenses were \$83.0 million in the year ended December 28, 2019 an increase of \$21.4 million compared to \$61.6 million in the year ended December 29, 2018. The increase was primarily due to the acquisitions of Big Time and MinuteKey, which added \$10.1 million in G&A expense in the current year. We also incurred \$5.4 million of additional expense for retention and long term incentive

compensation plans introduced in the fourth quarter of 2018. Additionally, we incurred severance and related charges of \$3.9 million related to corporate restructuring activities (see Note 14 — Restructuring of the Notes to Consolidated Financial Statements for additional information). Finally, we incurred \$1.6 million of higher compensation and benefits expense in 2019. These increases were partially offset by lower acquisition related charges in the year ended December 28, 2019.

Depreciation expense was \$65.7 million in the year ended December 28, 2019 compared to \$46.1 million in the year ended December 29, 2018. The increase was primarily due to the acquisitions of Big Time and MinuteKey, which added \$9.2 million in depreciation expense in 2019. The remaining increase was driven by our investment in key duplicating machines and merchandising racks.

Amortization expense was \$58.9 million in the year ended December 28, 2019 compared to \$44.6 million in the year ended December 29, 2018. The increase was primarily due to the acquisitions of Big Time and MinuteKey, which added \$14.3 million in amortization expense in 2019.

Other expense was \$5.5 million for the year ended December 28, 2019, an increase of \$8.4 million compared to a loss of \$2.9 million in the year ended December 29, 2018. In the year ended December 28, 2019, other expense consisted of an impairment charge of \$7.0 million related to the loss on the disposal of our FastKey self-service key duplicating kiosks. These losses were offset by a gain on the sale of machinery and equipment of \$0.4 million (see Note 14 — Restructuring of the Notes to Consolidated Financial Statements for additional information), and exchange rate gains of \$0.7 million. Other expense of \$2.9 million for the year ended December 29, 2018 consisted of a \$5.3 million net gain on the sale and disposal of property, plant, and equipment associated with the restructuring of the Canada segment (see Note 14 — Restructuring of the Notes to Consolidated Financial Statements for additional information). The gain was partially offset by \$2.0 million of exchange rate losses.

Interest expense, net, was \$113.8 million for the year ended December 28, 2019, an increase of \$31.1 million, compared to \$82.8 million for the year ended December 29, 2018. During 2018 we refinanced our term loan and revolver, increasing the outstanding term loan by approximately \$527.5 million. In connection with the refinancing, we incurred \$11.6 million in refinancing charges. The increase in the term loan and additional draws on our revolving credit facility during the year led to increased interest expense. See Note 7 — Long-Term Debt of the Notes to Consolidated Financial Statements for additional information.

Net Sales

Net sales for the first quarter of 2021 were \$341.3 million, an increase of approximately \$45.4 million compared to net sales of \$295.8 million for the first quarter of 2020. Sales of personal protective equipment increased by \$21.5 million due to high demand for gloves and face masks. Sales of hardware products increased by \$16.2 million driven by strong retail demand. Sales in Canada increased \$8.1 million primarily driven by strong demand with big box retailers. These increases were offset by a decrease of \$1.3 million in key sales. Key sales were negatively impacted by continued restricted access to key duplicating kiosks and retail key duplication services as a result of COVID-19. As the economy has started to reopen, our service team has worked closely with our customers to restore access to key machines.

Cost of Sales

Our cost of sales was \$201.3 million, or 59.0% of net sales, in the first quarter of 2021, an increase of approximately \$34.9 million compared to \$166.4 million, or 56.3% of net sales, in the first quarter of 2020. The increase of 2.7% in cost of sales, expressed as a percent of net sales, in the first quarter of 2021 compared to the first quarter of 2020 was primarily due to a higher mix of personal protective equipment and construction fastener products and a lower mix of keys.

Expenses

Selling, general, and administrative (“SG&A”) expenses were approximately \$103.2 million in the thirteen weeks ended March 27, 2021, an increase of approximately \$13.4 million, compared to \$89.8 million in the thirteen weeks ended March 28, 2020. The following changes in underlying trends impacted the change in operating expenses:

- Selling expense was \$37.4 million in the first quarter of 2021, an increase of \$0.4 million compared to \$37.0 million in the first quarter of 2020. The increase in selling expense was primarily due to increased variable and incentive compensation partially offset by lower marketing, travel and entertainment expense in the first quarter of 2021.
- Warehouse and delivery expenses were \$40.2 million in the first quarter of 2021, an increase of \$4.7 million compared to \$35.5 million in the first quarter of 2020. The additional expense was primarily driven by higher sales volume and inflation.
- General and administrative (“G&A”) expenses were \$25.5 million in the first quarter of 2021, an increase of \$8.2 million compared to \$17.3 million in the first quarter of 2020. In the first quarter of 2021 we incurred \$8.8 million of legal and consulting expense associated with the pending merger with Landcadia along with increased legal fees associated with our ongoing litigation with KeyMe (see Note 5 — Commitments and Contingencies of the Notes to Condensed Consolidated Financial Statements for additional information).

Depreciation expense was \$16.3 million in the first quarter of 2021 compared to depreciation expense of \$17.5 million in the first quarter of 2020. Amortization expense was \$14.9 million in the first quarter of 2021 which was comparable to the first quarter of 2020.

Other income was \$0.2 million in the first quarter of 2021 compared to other income of \$2.1 million in the first quarter of 2020. In the first quarter of 2021 other income consisted primarily of exchange rate gains of \$0.3 million. Other income in the first quarter of 2020 was comprised primarily of a \$4.4 million gain on the revaluation of the contingent consideration associated with the acquisition of Resharp, (see Note 12 — Fair Value Measurements of the Notes to Condensed Consolidated Financial Statements for additional information) partially offset by exchange rate losses of \$1.8 million.

Year Ended December 26, 2020 vs December 28, 2019**Net Sales**

Hardware and Protective Solutions net sales for the year ended December 26, 2020 increased by \$171.4 million from the prior year. The primary drivers of this increase were:

- Fastening and hardware sales increased \$99.6 million due to strong demand from big box retailers and traditional hardware stores along with price increases initiated in the second quarter of 2019 to offset the impact of tariffs.
- Sales of personal protective equipment increased by \$71.8 million due to high demand.

Income from Operations

Income from operations of our Hardware and Protective Solutions operating segment increased by approximately \$53.1 million in the year ended December 26, 2020 to \$67.3 million from \$14.2 million in the year ended December 28, 2019. The increased sales noted above were offset by increased cost of sales and increased selling, general and administrative expenses as outlined below:

Cost of sales as a percentage of net sales was 60.8% in the year ended December 26, 2020, a decrease of 1.2% from 62.0% in the year ended December 28, 2019. The decrease in cost of sales as a percentage of net sales was primarily driven \$7.2 million for payments made to customers in the year ended December 28, 2019 associated with the new product line roll outs for construction fastener products and builders hardware combined with sourcing savings. This was partially offset by a higher mix of construction fastener products and personal protective solutions.

Operating expenses increased \$25.1 million in our Hardware and Protective Solutions segment primarily due to:

- Warehouse expense increased \$17.7 million in the year ended December 26, 2020 compared to the year ended December 28, 2019. The additional expense was primarily due to increased labor driven by premium pay offered to warehouse workers during the COVID-19 pandemic along with additional supplies and personal protective equipment for our facilities. The remaining increase was primarily due to higher variable and incentive compensation expense related to increased sales.
- General and administrative (“G&A”) expenses increased \$2.9 million in the year ended December 26, 2020. The increase was primarily due to increased incentive compensation in the year ended December 26, 2020.

- Depreciation expense increased \$2.3 million in the year ended December 26, 2020 due to our merchandising racks.

Year Ended December 28, 2019 vs December 29, 2018

Net Sales

Net sales for our Hardware and Protective Solutions operating segment increased by \$216.3 million in the year ended December 28, 2019 primarily due to:

- The acquisition of Big Time in the fourth quarter of 2018 increased revenue \$190.3 million in the year ended December 28, 2019
- Fastening and hardware sales increased \$26.0 million primarily due to new product line rollouts with customers

Income from Operations

Income from operations of our Hardware and Protective Solutions segment decreased by approximately \$4.4 million in the year ended December 28, 2019 to \$14.2 million as compared to \$18.6 million in the year ended December 29, 2018. The increased sales noted above were offset by increased cost of sales and increased selling, general and administrative expenses as outlined below:

Cost of sales as a percentage of net sales was 62.0% in the year ended December 28, 2019, an increase of 5.3% from 56.7% in the year ended December 29, 2018. The primary drivers of this increase were:

- Fiscal 2018 included a higher mix of personal protective equipment.
- Inventory valuation adjustments were \$5.7 million in the current year primarily related to restructuring activities (see Note 14 — Restructuring of the Notes to Consolidated Financial Statements for additional information).
- Net sales was reduced by \$7.2 million in the year ended December 28, 2019 for payments made to customers associated with the new product line roll outs for construction fastener products and builders hardware.
- We recorded a reduction of \$3.8 million in cost of sales recorded in 2018 due to an adjustment of our accrual for anti-dumping duties based on the final results of the Department of Commerce’s administrative review of nails from China (see Note 15 — Commitments and Contingencies of the Notes to Consolidated Financial Statements for additional information).

Operating expenses increased \$52.3 million in our Fastening, Hardware, and Personal Protective Solutions segment primarily due to:

- The acquisition of Big Time in the fourth quarter of 2018 increased SG&A \$22.0 million and amortization expense of \$10.6 million in the year ended December 28, 2019.
- Warehouse costs, excluding the acquisition of Big Time, increased \$6.8 million primarily driven by increased labor, benefits, freight and maintenance costs.
- We incurred \$4.4 million of additional expense for retention and long term incentive compensation plans introduced in the fourth quarter of 2018.
- Additionally, we incurred severance and related charges of \$3.2 million related to corporate restructuring activities (see Note 14 — Restructuring of the Notes to Consolidated Financial Statements for additional information).

Thirteen weeks ended March 27, 2021 vs the Thirteen weeks ended March 28, 2020

Net Sales

Net sales for our Hardware and Protective Solutions operating segment increased by \$37.8 million in thirteen weeks ended March 27, 2021 to \$250.9 million as compared to \$213.2 million in the thirteen weeks

ended March 28, 2020. Sales of personal protective equipment increased by \$21.5 million due to high demand for gloves and face masks. Sales of hardware products increased by \$16.2 million driven by strong retail demand.

Income from Operations

Income from operations of our Hardware and Protective Solutions operating segment decreased by approximately \$2.8 million in the thirteen weeks ended March 27, 2021 to \$6.1 million as compared to \$8.9 million in the thirteen weeks ended March 28, 2020. The decrease was driven by increased expenses which partially offset the increased sales.

- Driven primarily by the increased sales, cost of good sold increased by approximately \$30.3 million in the thirteen weeks ended March 27, 2021 to \$160.4 million as compared to \$130.1 million in the thirteen weeks ended March 28, 2020. Cost of sales as a percentage of net sales was 63.9% in the thirteen weeks ended March 27, 2021, an increase of 2.9% from 61.0% in the thirteen weeks ended March 28, 2020. The increase in cost of sales as a percentage of net sales was primarily driven the higher mix of sales of construction fastener products and personal protective products in the thirteen weeks ended March 27, 2021.
- Warehouse expense increased \$5.7 million in the thirteen weeks ended March 27, 2021 compared to the thirteen weeks ended March 28, 2020. The additional expense was primarily driven by higher sales volume and inflation.
- G&A expense increased \$4.8 million in the thirteen weeks ended March 27, 2021 compared to the thirteen weeks ended March 28, 2020. The additional expense was primarily due to increased legal and consulting expense associated with the pending merger with Landcadia.

Year Ended December 26, 2020 vs December 28, 2019

Net Sales

Net sales for our Robotics and Digital Solutions operating segment decreased \$26.8 million in the year ended December 26, 2020 compared to the net sales for 2019 primarily due to a decrease of \$27.6 million in key sales. Key sales were negatively impacted by reduced retail foot traffic and restricted access to key duplicating kiosks along with retail key duplication services as a result of COVID-19. As the economy has started to reopen, our service team has worked closely with our customers to restore access to key duplicating kiosks.

Income from Operations

Income from operations of our Robotics and Digital Solutions operating segment decreased by approximately \$0.2 million in the year ended December 26, 2020 to \$3.2 million from \$3.4 million in the year ended December 28, 2019. The decreased sales were offset by decreased SG&A and other income as outlined below:

- Selling expense decreased \$6.7 million in the year ended December 26, 2020 compared to the year ended December 28, 2019. The decrease was primarily due to lower sales commissions for kiosk sales and reduced travel and compensation expense.
- Warehouse expense decreased \$1.8 million in the year ended December 26, 2020 compared to the year ended December 28, 2019. The decrease was primarily due to lower freight and shipping expenses driven by lower sales volume.
- General and administrative expense increased by \$4.1 million primarily due to increased legal fees associated with our ongoing litigation with KeyMe, Inc. (see Note 15 — Commitments and Contingencies of the Notes to Consolidated Financial Statements for additional information).
- Other income increased by \$10.4 million in the year ended December 26, 2020 compared to the year ended December 28, 2019. Other income was \$3.5 million in the year ended December 26, 2020 and was driven by revaluation of the contingent consideration associated with the acquisition of Resharp and Instafob (see Note 13 — Fair Value Measurements of the Notes to Consolidated Financial Statements for additional information). In the year ended December 26, 2020 other expense was comprised primarily of an impairment charge of \$7.7 million related to the loss on the disposal of our FastKey self-service key duplicating kiosks and related assets.

Year Ended December 28, 2019 vs December 29, 2018

Net Sales

Net sales for our Robotics and Digital Solutions operating segment increased \$40.0 million in the year ended December 28, 2019 as compared to 2018 primarily due to:

- The acquisition of Minute Key in the third quarter of 2018 increased revenue \$37.3 million in the year ended December 28, 2019.
- Automotive key sales increased \$4.2 million in the year ended December 28, 2019.

Income from Operations

Income from operations of our Robotics and Digital Solutions operating segment decreased \$14.3 million the year ended December 28, 2019 to \$3.4 million as compared to \$17.7 million in the year ended December 29, 2018. The increases in net sales were offset by increased operating expenses as outlined below:

- The acquisition of MinuteKey added \$20.5 million in SG&A expenses, \$8.5 million in depreciation and \$3.7 million in amortization expense in the year ended December 28, 2019.
- We incurred \$7.7 million of impairment charges in 2019 related to the loss on the disposal of our FastKey self-service key duplicating kiosks.
- Depreciation expense, excluding MinuteKey, increased \$4.4 million driven by our continued investment in key duplicating machines.
- We incurred \$1.5 million in legal fees related to the ongoing litigation with KeyMe, Inc. (see Note 15 — Commitments and Contingencies of the Notes to Consolidated Financial Statements for additional information).
- We incurred \$1.0 million of additional expense for retention and long term incentive compensation plans introduced in the fourth quarter of 2018.

Thirteen weeks ended March 27, 2021 vs the Thirteen weeks ended March 28, 2020

Net Sales

Net sales in our Robotics and Digital Solutions operating segment decreased by \$0.4 million in the thirteen weeks ended March 27, 2021 to \$55.9 million as compared to \$56.3 million in the thirteen weeks ended March 28, 2020. The lower sales were primarily due to a decrease of \$1.3 million in keys sales partially

offset by an increase of \$0.9 million in engraving sales. Key sales in the first quarter of 2021 continue to be negatively impacted by restricted access to retail key duplication services as a result of COVID-19 in certain markets. As the economy has started to reopen, our service team has worked closely with our customers to restore access to key duplicating services.

Income from Operations

Income from operations of our Robotics and Digital Solutions operating segment decreased by approximately \$5.7 million in the thirteen weeks ended March 27, 2021 to \$0.2 million as compared to \$5.9 million in the thirteen weeks ended March 28, 2020. The decrease was primarily due to increased legal fees and the gain on the revaluation of contingent consideration included in other income in the thirteen weeks ended March 27, 2021. In the first quarter of 2020 we recorded a gain of \$4.4 million related to the revaluation of the contingent consideration associated with the acquisition of Resharp, (see Note 12 — Fair Value Measurements of the Notes to Condensed Consolidated Financial Statements for additional information). In the first quarter of 2021, the contingent consideration revaluation adjustment was immaterial.

Year Ended December 26, 2020 vs December 28, 2019

Net Sales

Net sales in our Canada operating segment increased by \$9.4 million in the year ended December 26, 2020 primarily due to strong retail demand for our products partially offset by in store shopping restrictions in the second quarter which lead to lower demand during that period

Loss from Operations

Loss from operations of our Canada segment decreased by \$5.2 million in the year ended December 26, 2020 to a loss of \$4.7 million as compared to a loss of \$9.9 million in the year ended December 28, 2019. In addition to the increased sales, loss from operations increased due to the following items:

- COS as a percentage of net sales decreased 1.5% from 69.1% in the year ended December 28, 2019 to 67.6% in the year ended December 26, 2020 primarily due to \$4.3 million of inventory valuation adjustments taken in 2019 in our Canada segment driven by exiting certain lines of business and rationalizing stock keeping units (see Note 14 — Restructuring of the Notes to Consolidated Financial Statements for additional information).
- Other income and expense increased \$0.7 million to income of \$1.8 million in the current year compared with income of \$1.1 million in the year ended December 28, 2019. Other income for the year ended December 26, 2020 consisted primarily of \$1.8 million in cash received from the Canadian government as a part of the Canada Emergency Wage Subsidy program for relief during the second quarter shutdown in Canada during the COVID-19 outbreak. This was partially offset by exchange rate losses of \$0.6 million. Other income for the year ended December 28, 2019 included a gain on

the sale of machinery and equipment of \$0.4 million (see Note 14 — Restructuring of the Notes to Consolidated Financial Statements for additional information), and exchange rate gains of \$0.7 million.

Year Ended December 28, 2019 vs December 29, 2018

Net Sales

Net sales for our Canada operating segment decreased by \$16.2 million in the year ended December 28, 2019 primarily due to:

- The unfavorable impact of conversion of the local currency to U.S. dollars.
- The closure of a manufacturing facility in Canada and exiting the related product lines resulted in to \$7.8 million in lower sales.

Loss from Operations

Income from operations of our Canada segment decreased by \$1.1 million in the year ended December 28, 2019 to a loss of \$9.9 million as compared to a loss of \$8.8 million in the year ended December 29, 2018. The decrease in sales was offset by lower COS as percentage of sales. Additionally, we incurred higher other expense in the year ended December 28, 2019.

- COS as a percentage of net sales decreased 5.3% from 74.4% in the year ended December 29, 2018 to 69.1% in the year ended December 28, 2019 primarily due to \$9.8 million of inventory valuation adjustments taken in 2018 in our Canada segment driven by exiting certain lines of business and rationalizing stock keeping units as compared to inventory adjustments of \$4.3 million in the year ended December 28, 2019 (see Note 14 — Restructuring of the Notes to Consolidated Financial Statements for additional information).
- Other income and expense decreased \$2.4 million to income of \$1.1 million in the current year compared with income of \$3.5 million in the year ended December 29, 2018. Other income for the year ended December 28, 2019 included a gain on the sale of machinery and equipment of \$0.4 million (see Note 14 — Restructuring of the Notes to Consolidated Financial Statements for additional information), and exchange rate gains of \$0.7 million. Other income for the year ended December 29, 2018 consisted of a \$5.3 million net gain on the sale and disposal of property, plant, and equipment associated with the restructuring of the Canada segment, (see Note 14 — Restructuring of the Notes to Consolidated Financial Statements for additional information). The gain in the year ended December 29, 2018 was offset by \$1.8 million exchange rate losses of exchange rate losses.

Thirteen weeks ended March 27, 2021 vs the Thirteen weeks ended March 28, 2020

Net Sales

Net sales in our Canada operating segment increased by \$8.1 million in the thirteen weeks ended March 27, 2021 to \$34.5 million as compared to \$26.4 million in the thirteen weeks ended March 28, 2020. The increase was primarily due to strong demand with big box retailers.

Income from Operations

Loss from operations of our Canada operating segment increased by approximately \$4.9 million in the thirteen weeks ended March 27, 2021 to \$0.4 million as compared to a loss of \$5.3 million in the thirteen weeks ended March 28, 2020. The increase in sales and exchange rate gains drove the increase from prior year. Other income in the thirteen weeks ended March 27, 2021 consisted primarily of \$0.2 million of exchange rate gains. Other income in the thirteen weeks ended March 28, 2020 consisted primarily of \$1.3 million of exchange rate losses.

Non-GAAP Financial Measures

Adjusted EBITDA is a non-GAAP financial measure and is the primary basis used to measure the operational strength and performance of our businesses as well as to assist in the evaluation of underlying

trends in our businesses. This measure eliminates the significant level of noncash depreciation and amortization expense that results from the capital-intensive nature of our businesses and from intangible assets recognized in business combinations. It is also unaffected by our capital and tax structures, as our management excludes these results when evaluating our operating performance. Our management and Board of Directors use this financial measure to evaluate our consolidated operating performance and the operating performance of our operating segments and to allocate resources and capital to our operating segments. Additionally, we believe that Adjusted EBITDA is useful to investors because it is one of the bases for comparing our operating performance with that of other companies in our industries, although our measure of Adjusted EBITDA may not be directly comparable to similar measures used by other companies.

We have restated our financial statements for 2019 and 2018 due to the correction of errors in the accounting for income taxes related to the valuation allowance against deferred tax assets, which impacted our net deferred tax liabilities. Accordingly, the EBITDA reconciliation below has been restated. There was no impact to EBITDA or Adjusted EBITDA in either 2019 or 2018. See Note 1 — Basis of Presentation for additional details. The following table presents a reconciliation of Net loss, the most directly comparable financial measures under GAAP, to Adjusted EBITDA for the periods presented:

Income Taxes

Effective tax rates for the years ended December 29, 2018 and December 28, 2019 have been restated due to the correction of errors in the accounting for income taxes related to the valuation allowance against deferred tax assets, which impacted our net deferred tax liabilities. See Note 1 — Basis of Presentation for additional details.

Year Ended December 26, 2020 vs December 28, 2019

In the year ended December 26, 2020, we recorded an income tax benefit of \$9.4 million on a pre-tax loss of \$33.9 million. The effective income tax rate was 27.8% for the year ended December 26, 2020. In the

year ended December 28, 2019, we recorded income tax benefit of \$23.3 million on a pre-tax loss of \$108.8 million. The effective income tax rate was 21.4% for the year ended December 28, 2019.

On March 27, 2020, the CARES Act was signed into law by the President of the United States. The CARES Act included, among other things, corporate income tax relief in the form of accelerated alternative minimum tax ("AMT") refunds, allowed employers to defer certain payroll tax payments throughout 2020, and provided favorable corporate interest deductions for the 2019 and 2020 periods. During 2020, the Company received an accelerated AMT income tax refund of \$1.1 million and was able to defer \$7.1 million of payroll taxes. The CARES Act interest modification provisions allowed for increased interest deductions. The Company was able to deduct an additional \$32.0 million in interest on its 2019 income tax return when compared to the 2019 income tax provision. For the fiscal year 2020, the Company's increased interest deduction will result in the utilization of accumulated interest limitation carryforwards.

In 2020, the Company's effective tax rate differed from the federal statutory tax rate primarily due to state and foreign income taxes. In 2019, the Company's effective tax rate differed from the federal statutory tax rate primarily due to state and foreign income taxes. The Company recorded \$1.0 million in income tax expense attributable to state NOLs that are expected to expire prior to their utilization.

Year Ended December 28, 2019 vs December 29, 2018

In the year ended December 28, 2019, we recorded an income tax benefit of \$23.3 million on a pre-tax loss of \$108.8 million. The effective income tax rate was 21.4% for the year ended December 28, 2019. In the year ended December 29, 2018, we recorded income tax benefit of \$8.9 million on a pre-tax loss of \$67.6 million. The effective income tax rate was 13.2% for the year ended December 29, 2018.

In 2019, the Company's effective tax rate differed from the federal statutory tax rate primarily due to state and foreign income taxes. The Company recorded \$1.0 million in income tax expense attributable to state NOLs that are expected to expire prior to their utilization.

The effective income tax rate differed from the federal statutory tax rate in the year ended December 29, 2018 primarily due to a valuation allowance of \$6.1 million for certain U.S. federal net operating losses that are subject to the dual consolidated loss limitation rules. Additionally, the Company recorded \$2.2 million in income tax expense for certain non-deductible acquisition costs attributable to the MinuteKey and Big Time acquisitions. The remaining differences between the effective income tax rate and the federal statutory rate in the year ended December 29, 2018 were attributable to state and foreign income taxes.

Thirteen weeks ended March 27, 2021 vs the Thirteen weeks ended March 28, 2020

In the thirteen weeks ended March 27, 2021, we recorded an income tax benefit of \$6.7 million on a pre-tax loss of \$15.6 million. The effective income tax rate was 42.6% for the thirteen weeks ended March 27, 2021.

The effective rate differed from the federal statutory rate due to an estimated increase in GILTI from the Company's Canadian operations, state and foreign income taxes, and non-deductible stock compensation expenses.

On March 27, 2020, President Trump signed the Coronavirus Aid, Relief, and Economic Security Act ("CARES Act") into law. The CARES Act provided substantial stimulus and assistance intended to address the impact of the COVID-19 pandemic, and among other things, provides tax relief for businesses. The Company analyzed the available benefits provided with the CARES Act and utilized the 50% limitation of Adjusted Taxable Income for Section 163(j), payroll tax deferrals, and accelerated refund from prior year alternative minimum tax credits.

In the thirteen weeks ended March 28, 2020, we recorded an income tax benefit of \$4.2 million on a pre-tax loss of \$19.0 million. The effective income tax rate was 22.3% for the thirteen weeks ended March 28, 2020.

The effective income tax rate differed from the federal statutory tax rate in the thirteen weeks ended March 28, 2020 primarily due to state and foreign income taxes, and certain non-deductible expenses including non-deductible stock compensation expenses.

Liquidity and Capital Resources**Cash Flows**

The statements of cash flows reflect the changes in cash and cash equivalents for the years ended December 26, 2020, December 28, 2019, December 29, 2018, and the thirteen weeks ended March 27, 2021 and March 28, 2020 by classifying transactions into three major categories: operating, investing, and financing activities.

Operating Activities

Net cash provided by operating activities for the year ended December 26, 2020 was approximately \$92.1 million. Operating cash flows for the year ended December 26, 2020 were favorably impacted by the increased net income in the current year. Net cash provided by operating activities for the year ended December 28, 2019 was approximately \$52.4 million and was unfavorably impacted by lower net income driven by increased interest expense, partially offset by improvements in working capital. Net cash provided by operating activities for the year ended December 29, 2018 was approximately \$7.5 million and was unfavorably impacted by lower net income driven by increased interest expense and acquisition related costs along with an increase in inventory due to commodity inflation and new business wins. This was partially offset by an increase in accounts payable due to changes in payment terms and increased inventory purchases and a decrease in accounts receivable.

Net cash used by operating activities for the thirteen weeks ended March 27, 2021 was \$45.4 million as compared to \$17.6 million in the comparable prior year period. Operating cash flows for the thirteen weeks ended March 27, 2021 were unfavorably impacted by increased inventory for the spring and summer busy season and new business wins. Operating cash flows for the thirteen weeks ended March 28, 2020 were unfavorably impacted by the increase in accounts receivable due to higher sales.

Investing Activities

Net cash used for investing activities was \$46.1 million, \$53.5 million and \$572.6 million for the years ended December 26, 2020, December 28, 2019 and December 29, 2018, respectively. In the year ending December 26, 2020 we acquired Instafob for approximately \$0.8 million. In the year ended December 28, 2019 we acquired Resharp and West Coast Washers for approximately \$6.1 million. In the year ended December 29, 2018 we acquired MinuteKey and Big Time and made a final working capital true up payment for ST Fastening Systems which equated a total net cash outflow of approximately \$501.0 million. Finally, cash was used in all periods to invest in our investment in new key duplicating kiosks and machines and merchandising racks. In 2019, we also received \$10.4 million in cash proceeds from the sale of a building and machinery in Canada and a building in Georgia.

Net cash used by investing activities was \$9.1 million and \$16.2 million for the thirteen weeks ended March 27, 2021 and the thirteen weeks ended March 28, 2020, respectively. The primary use of cash in both periods was our investment in new key duplicating kiosks and machines.

Financing Activities

Net cash used for financing activities was \$45.1 million for the year ended December 26, 2020. The borrowings on revolving credit loans provided \$99.0 million. The Company used \$140.0 million of cash for the repayment of revolving credit loans and \$10.6 million for principal payments on the senior term loans. In the year ended December 26, 2020 the Company received \$7.3 million on the exercise of stock options.

Net cash used for financing activities was \$7.1 million for the year ended December 28, 2019. The borrowings on revolving credit loans provided \$43.5 million. The Company used \$38.7 million of cash for the repayment of revolving credit loans and \$10.6 million for principal payments on the senior term loans. On November 15, 2019, we amended the ABL Revolver agreement which provided an additional \$100.0 million of revolving credit, bringing the total available to \$250.0 million. In connection with the amendment we paid \$1.4 million in fees.

Net cash provided by financing activities was \$581.9 million for the year ended December 29, 2018. On May 31, we entered into a new term credit agreement consisting of a new funded term loan of \$530.0 million and \$165.0 million delayed draw term loan facility. Concurrently, we entered into a new \$150.0 million asset-based revolving credit agreement. The proceeds were used to refinance in full all outstanding revolving credit and term loans under the existing credit agreement. In the third quarter of 2018, we drew \$165.0 million on the delayed draw facility of the term loan to finance the MinuteKey acquisition. In the fourth quarter, we amended the credit agreement and added an additional \$365.0 million in incremental term loans to finance the acquisition of Big Time. We paid approximately \$20.5 million in fees associated with the refinancing activities in the year ended December 29, 2018. See Note 7 — Long-Term Debt of the Notes to Consolidated Financial Statements for additional information on the refinancing. Our revolver draws, net, were a source of cash of \$88.7 million in the year ended December 29, 2018. Additionally, in the year ended December 29, 2018 we paid a dividend of \$3.8 million to Holdco for the purchase of shares of Holdco stock from former members of management.

Net cash provided by financing activities was \$46.8 million for the thirteen weeks ended March 27, 2021. Our revolver draws, net of repayments, provided cash of \$48.0 million in the thirteen weeks ended March 27, 2021. Additionally, we used cash to pay \$2.7 million in principal payments on the senior term loan under the Senior Facilities. Finally, in the thirteen weeks ended March 27, 2021 the Company received \$1.6 million on the exercise of stock options.

Net cash provided by financing activities was \$31.6 million for the thirteen weeks ended March 28, 2020. Revolver repayments were \$34.5 million, net of draws, in the thirteen weeks ended March 28, 2020. Additionally, we used cash to pay \$2.7 million in principal payments on the senior term loan under the Senior Facilities.

Liquidity

We believe that projected cash flows from operations and Revolver availability will be sufficient to fund working capital and capital expenditure needs for the next 12 months.

Our working capital (current assets minus current liabilities) position of \$241.8 million as of December 26, 2020 represents an increase of \$10.0 million from the December 28, 2019 level of \$231.8 million. Our working capital (current assets minus current liabilities) position of \$298.3 million as of March 27, 2021 represents an increase of \$56.5 million from the December 26, 2020 level of \$241.8 million. Because COVID-19 pandemic has not, as of the date of this report, had a materially negative impact on our operations or demand for our products, it has not had a materially negative impact on the Company's liquidity position. We have initiated mitigating efforts to manage non-critical capital spending, assess operating spend, and preserve cash. We expect to generate sufficient operating cash flows to meet our short-term liquidity needs, and we expect to maintain access to the capital markets, although there can be no assurance of our ability to do so. However, the continued spread of COVID-19 has led to disruption and volatility in the global capital markets, which, depending on future developments, could impact our capital resources and liquidity in the future.

- (2) Interest payments for borrowings under the Senior Facilities, the 6.375% Senior Notes, and Revolver borrowings. Interest payments on the variable rate Senior Term Loans were calculated using the actual interest rate of 4.15% as of December 26, 2020. Interest payments on the 6.375% Senior Notes were calculated at their fixed rate. Interest payments on the variable rate Revolver borrowings were calculated using the actual interest rate of 1.65% as of December 26, 2020.

Contingent consideration related to the acquisitions of Resharp and Instafob of \$14,197 is not included in the chart above due to uncertainty about timing of the payments.

Off-Balance Sheet Arrangements

We do not have any off-balance sheet arrangements, as defined in Item 303(a)(4)(ii) of Regulation S-K under the Securities Exchange Act of 1934, as amended.

Related Party Transactions

We entered into an advisory services and management agreement (the "Management Agreement") with CCMP Capital Advisors, LP ("CCMP") and Oak Hill Capital Management, LLC ("Oak Hill"). In connection with the Management Agreement, among other things, we are obligated to pay CCMP and Oak Hill an annual non-refundable periodic retainer fee in an aggregate amount equal to \$500,000 per annum, paid to CCMP and Oak Hill pro rata. The fee is to be paid in equal installments quarterly in advance on the first business day of each calendar quarter. We recorded aggregate management fee charges and expenses from the Oak Hill Funds and CCMP of approximately \$0.6 million for each of the years ended December 26, 2020 and December 28, 2019 and \$0.5 million for the year ended December 29, 2018. We recorded aggregate management fee charges and expenses from the Oak Hill Funds and CCMP of approximately \$0.1 million for the thirteen weeks ended March 27, 2021 and March 28, 2020, respectively.

We recorded proceeds from the sale of Holdco stock to members of management and the Board of Directors of \$0.8 million for the year ended December 28, 2019. No such sales were recorded in the years ended December 26, 2020, December 29, 2018 or the thirteen weeks ended March 27, 2021 and March 28, 2020, respectively.

In the year ended December 29, 2018, the Company paid a dividend of approximately \$3.8 million to Holdco for the purchase of 4,200 shares of Holdco stock from former members of management. No such dividends were paid in fiscal 2020 or fiscal 2019.

Gregory Mann and Gabrielle Mann are employed by the Company. The Company leases an industrial warehouse and office facility from companies under the control of the Manns. We have recorded rental expense for the lease of this facility on an arm's length basis. Our rental expense for the lease of this facility was \$0.4 million for each of the years ended December 26, 2020, December 28, 2019 and December 29, 2018. The rental expense for the lease of this facility was \$0.1 million for the thirteen weeks ended March 27, 2021 and March 28, 2020, respectively.

Douglas J. Cahill was hired effective July 29, 2019 as our Executive Chairman, Senior Executive Officer. He was promoted to President and Chief Executive Officer on September 16, 2019. Mr. Cahill is also a former Managing Director of CCMP Capital Advisors, LP ("CCMP"). CCMP's private equity fund CCMP Capital Investors III, L.P. ("CCMP III"), together with its related fund vehicles, owns approximately 79.1% of Holdco's outstanding common stock as of December 26, 2020. Mr. Cahill has retained a carried interest in CCMP III and the fair value of this carried interest, which is based on the overall performance of CCMP III, is contingent on several factors. As of December 26, 2020 and March 27, 2021, the fair value of the carried interest is not estimable in accordance with ASC 405 — Contingencies.

Critical Accounting Policies and Estimates

Our accounting policies are more fully described in Note 2 — Summary of Significant Accounting Policies, of the Notes to Consolidated Financial Statements. As disclosed in that note, the preparation of financial statements in conformity with accounting principles generally accepted in the United States requires management to make estimates and assumptions that affect the reported amount of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Future events cannot be predicted with certainty and, therefore, actual results could differ from those estimates. The following section describes our critical accounting policies.

Revenue Recognition:

Revenue is recognized when control of goods or services is transferred to our customers, in an amount that reflects the consideration we expect to be entitled to in exchange for those goods or services. Sales and other taxes we collect concurrent with revenue-producing activities are excluded from revenue.

We offer a variety of sales incentives to our customers primarily in the form of discounts, rebates, and slotting fees. Discounts are recognized in the Consolidated Financial Statements at the date of the related sale. Rebates are based on the revenue to date and the contractual rebate percentage to be paid. A portion of the cost of the rebate is allocated to each underlying sales transaction. Discounts, rebates, and slotting fees are included in the determination of net sales.

We also establish reserves for customer returns and allowances. The reserve is established based on historical rates of returns and allowances. The reserve is adjusted quarterly based on actual experience. Returns and allowances are included in the determination of net sales.

Our performance obligations under its arrangements with customers are providing products, in-store merchandising services, and access to key duplicating and engraving equipment. Generally, the price of the merchandising services and the access to the key duplicating and engraving equipment is included in the price of the related products. Control of products is transferred at the point in time when the customer accepts the goods, which occurs upon delivery of the products. Judgment is required in determining the time at which to recognize revenue for the in-store services and the access to key duplicating and engraving equipment. Revenue is recognized for in-store service and access to key duplicating and engraving equipment as the related products are delivered, which approximates a time-based recognition pattern. Therefore, the entire amount of consideration related to the sale of products, in-store merchandising services, and access to key duplicating and engraving equipment is recognized upon the delivery of the products.

The costs to obtain a contract are insignificant, and generally contract terms do not extend beyond one year. Therefore, these costs are expensed as incurred. Freight and shipping costs and the cost of our in-store merchandising services teams are recognized in selling, general, and administrative expense when control over products is transferred to the customer.

We used the practical expedient regarding the existence of a significant financing component as payments are due in less than one year after delivery of the products.

See Note 2 — Summary of Significant Accounting Policies of the Notes to Consolidated Financial Statements for information on disaggregated revenue by product category.

Inventory Realization:

Inventories consisting predominantly of finished goods are valued at the lower of cost or net realizable value, cost being determined principally on the standard cost method. The historical usage rate is the primary factor used in assessing the net realizable value of excess and obsolete inventory. A reduction in the carrying value of an inventory item from cost to net realizable value is recorded for inventory with excess on-hand quantities as determined based on historic and projected sales, product category, and stage in the product life cycle. We do not believe there is a reasonable likelihood that there will be a material change in the estimates or assumptions we use to calculate our excess and obsolete inventory reserve. However, if our estimates regarding excess and obsolete inventory are inaccurate, we may be exposed to losses or gains that could be material. A 5% difference in actual excess and obsolete inventory reserved for at December 26, 2020, would have affected net earnings by approximately \$1.1 million in fiscal 2020.

Goodwill:

We have adopted ASU 2017-04, *Intangibles — Goodwill and Other (Topic 350): Simplifying the Test for Goodwill Impairment* which eliminates Step 2 from the goodwill impairment test and instead requires an entity to perform its annual, or interim, goodwill impairment test by comparing the fair value of a reporting unit with its carrying amount. If, after assessing the totality of events or circumstances, we determine that the fair value of a reporting unit is less than the carrying value, then we would recognize an impairment charge for the amount by which the carrying amount exceeds the reporting unit's fair value, not to exceed the total amount of goodwill allocated to the reporting unit. We have eight reporting units, no reporting units are aggregated for the purpose of testing goodwill for impairment.

Our annual impairment assessment is performed for the reporting units as of October 1. In 2020, 2019, and 2018, with the assistance of an independent third-party specialist, management assessed the value of our reporting units based on a discounted cash flow model and multiple of earnings. Assumptions critical to our fair value estimates under the discounted cash flow model include the discount rate and projected revenue growth. The results of the quantitative assessments in 2020, 2019, and 2018 indicated that the fair value of each reporting unit was in excess of its carrying value.

In our annual review of goodwill for impairment in the fourth quarter of 2020, the fair value of each reporting unit was substantially in excess of its carrying value, with the exception of our U.S. Fastening and Hardware reporting unit, which exceeded its carrying value by approximately 5%. Significant assumptions used in the determination of the estimated fair values of the U.S. Fastening and Hardware reporting unit are the net sales and earnings growth rates and the discount rate. The net sales and earnings growth rates are dependent on overall market growth rates, the competitive environment, inflation, relative currency exchange rates, and business activities that impact market share. As a result, the growth rate could be adversely impacted by a sustained deceleration in category growth, devaluation of the U.S. Dollar against other currencies or an increased competitive environment. The discount rate, which is consistent with a weighted average cost of capital that is likely to be expected by a market participant, is based upon industry required rates of return, including consideration of both debt and equity components of the capital structure. Our discount rate may be impacted by adverse changes in the macroeconomic environment and volatility in the equity and debt markets.

While management can and has implemented strategies to address these events, changes in operating plans or adverse changes in the future could reduce the underlying cash flows used to estimate fair values

and could result in a decline in fair value that would trigger future impairment charges of the U.S. Fastening and Hardware reporting unit's goodwill. As of December 26, 2020, the carrying value of the U.S. Fastening and Hardware reporting unit's goodwill were \$424.1 million.

Intangible Assets:

We evaluate our indefinite-lived intangible assets (primarily trademarks and trade names) for impairment annually or more frequently if events and circumstances indicate that it is more likely than not that the fair value of an indefinite-lived intangible asset is below its carrying amount. With the assistance of an independent third-party specialist, management assessed the fair value of our indefinite-lived intangible assets based on a relief from royalties, excess earnings, and lost profits discounted cash flow model. Assumptions critical to our fair value estimates under the discounted cash flow model include the discount rate, projected average revenue growth and projected long-term growth rates in the determination of terminal values. An impairment charge is recorded if the carrying amount of an indefinite-lived intangible asset exceeds the estimated fair value on the measurement date. No impairment charges related to indefinite-lived intangible assets were recorded in 2020, 2019, or 2018 as a result of the quantitative annual impairment test.

Income Taxes:

Deferred income taxes are computed using the asset and liability method. Under this method, deferred income taxes are recognized for temporary differences between the financial reporting basis and income tax basis of assets and liabilities, based on enacted tax laws and statutory tax rates applicable to the periods in which the temporary differences are expected to reverse. Valuation allowances are provided for tax benefits where it is more likely than not that certain tax benefits will not be realized. Adjustments to valuation allowances are recorded for changes in utilization of the tax related item. For additional information, see Note 6 — Income Taxes, of the Notes to Consolidated Financial Statements.

In accordance with guidance regarding the accounting for uncertainty in income taxes, we recognize a tax position if, based solely on its technical merits, it is more likely than not to be sustained upon examination by the relevant taxing authority.

If a tax position does not meet the more likely than not recognition threshold, we do not recognize the benefit of that position in our financial statements. A tax position that meets the more likely than not recognition threshold is measured to determine the amount of benefit to be recognized in the financial statements.

Business Combinations:

As we enter into business combinations, we perform acquisition accounting requirements including the following:

- Identifying the acquirer
- Determining the acquisition date
- Recognizing and measuring the identifiable assets acquired and the liabilities assumed, and
- Recognizing and measuring goodwill or a gain from a bargain purchase

We complete valuation procedures and record the resulting fair value of the acquired assets and assumed liabilities based upon the valuation of the business enterprise and the tangible and intangible assets acquired. Enterprise value allocation methodology requires management to make assumptions and apply judgment to estimate the fair value of assets acquired and liabilities assumed. If estimates or assumptions used to complete the enterprise valuation and estimates of the fair value of the acquired assets and assumed liabilities significantly differed from assumptions made, the resulting difference could materially affect the fair value of net assets.

The calculation of the fair value of the tangible assets, including property, plant and equipment, utilizes the cost approach, which computes the cost to replace the asset, less accrued depreciation resulting

from physical deterioration, functional obsolescence and external obsolescence. The calculation of the fair value of the identified intangible assets are determined using cash flow models following the income approach or a discounted market-based methodology approach. Significant inputs include estimated revenue growth rates, gross margins, operating expenses, and estimated attrition, royalty and discount rates. Goodwill is recorded as the difference in the fair value of the acquired assets and assumed liabilities and the purchase price. Each period, we estimate the fair value of liabilities for contingent consideration by applying a Monte Carlo analysis examining the frequency and mean value of the resulting payments. The resulting value captures the risk associated with the form of the payout structure. The risk neutral method is applied, resulting in a value that captures the risk associated with the form of the payout structure and the projection risk. The assumptions utilized in the calculation based on financial performance milestones include projected revenue and/or EBITDA amounts, volatility and discount rates. For potential payments related to product development milestones, we estimated the fair value based on the probability of achievement of such milestones. Any changes in fair value are recorded as other income (expense) in the Consolidated Statement of Comprehensive Loss.

In addition, there are currently outstanding an aggregate of 24,666,667 warrants to acquire shares of Landcadia Class A common stock, which comprise 8,000,000 private placement warrants held by our Sponsors and 16,666,667 public warrants. Each of our outstanding whole warrants is exercisable commencing

the later of 30 days following the Closing and 12 months from the closing of our initial public offering, which occurred on October 14, 2020, for one share of Class A common stock and, following the consummation of the Business Combination, will entitle the holder thereof to purchase one share of New Hillman common stock in accordance with its terms. Therefore, as of the date of this proxy statement/prospectus, if we assume that each outstanding whole warrant is exercised and one share of New Hillman common stock is issued as a result of such exercise, with payment to New Hillman of the exercise price of \$11.50 per whole warrant for one whole share, our fully-diluted share capital would increase by a total of 24,666,667 shares, with approximately \$283,666,670.50 paid to exercise the warrants.

HILLMAN INDEBTEDNESS

Hillman has debt outstanding under Hillman Group's existing senior secured credit facilities, Hillman Group's 6.375% Senior Notes and The Hillman Companies, Inc.'s Junior Subordinated Debentures. In connection with the Business Combination, we expect to refinance all of our existing indebtedness under our existing term loan facilities and amend and restate the Existing ABL Facility, our 6.375% Senior Notes and our Junior Subordinated Debentures. In order to obtain a portion of the proceeds necessary for the refinancing and certain other transaction, Hillman Group plans to obtain new senior secured credit facilities.

Existing Senior Facilities

In May 2018, Hillman Group entered into a credit agreement with Barclays Bank PLC, as administrative agent, and the other lenders party thereto, which was most recently amended in December 2019 (the "Existing Term Facility"), and an asset-based revolving credit agreement with Barclays Bank PLC, as administrative agent, and the other lenders party thereto, which was most recently amended in December 2019 (the "Existing ABL Facility" and, together with the Existing Term Facility, the "Existing Senior Facilities"). The Existing Term Facility consists of a \$1,060.0 million term loan facility, of which \$530.0 million term loans were funded on the original closing date thereof, \$165.0 million of delayed draw term loans were funded in August 2018 and \$365.0 million of incremental term loans were funded in October 2018. The Existing ABL Facility initially consisted of a revolving credit facility of up to \$150.0 million based on borrowing base availability, which was increased to up to \$250.0 million in November 2019. The Existing ABL Facility has a maturity date of November 25, 2024 and the Existing Term Facility has a maturity date of May 31, 2025. We expect to refinance both of these senior secured credit facilities in connection with the Business Combination and to enter into a new ABL revolving credit facility (or amend and restate the Existing ABL Facility) and new senior secured term loan credit facilities.

Interest on the Existing ABL Facility is payable at the end of the applicable interest period in arrears, and principal amounts thereunder may be borrowed, repaid and reborrowed from time to time through maturity. The Existing Term Facility is payable in fixed installments of approximately \$2.650 million per quarter, with a balloon payment scheduled on the loan's maturity date. No amortization is required with respect to the Existing ABL Facility. The Existing Senior Facilities are subject to customary mandatory prepayment requirements in connection with certain asset dispositions, insurance and condemnation receipts, incurrence of indebtedness and excess cash flow.

Borrowings under the Existing ABL Facility bear interest on either (1) adjusted LIBOR plus a margin varying from 1.25% to 1.75% per annum or (2) an alternate base rate plus a margin varying from 0.25% to 0.75% per annum. Borrowings under the Existing Term Facility bear interest either (1) adjusted LIBOR plus a margin of 4.00% per annum or (2) an alternate base rate plus a margin of 3.00% per annum.

Borrowings under the Existing Senior Facilities are guaranteed by The Hillman Companies, Inc., a Delaware corporation and the direct parent of Hillman Group ("Hillman Companies") and, subject to certain exceptions, the Hillman Companies' wholly-owned domestic subsidiaries and are secured by substantially all of the Hillman Companies' and guarantor's assets, including intellectual property.

The Existing ABL Facility contains a financial covenant requiring Hillman Group to maintain a minimum fixed charge coverage ratio of 1.00:1.00, to be tested only if, on the last day of each fiscal quarter, revolving loans and/or swingline loans in excess of a specified percentage of the borrowing base on such date are outstanding under the Existing ABL Facility. The Existing Senior Facilities also contain customary affirmative and restrictive covenants, including limitations on incurrence of indebtedness other than certain permitted indebtedness, incurrence of liens, dividends and other distributions, asset dispositions and investments. Obligations under the Existing Senior Facilities are subject to acceleration upon the occurrence of specified events of default, including failure to comply with covenants.

Principal amounts under the Existing Term Facility totaled \$1,037.0 million as of December 26, 2020. As of December 26, 2020, the Existing ABL Facility had an outstanding amount of \$72.0 million and outstanding letters of credit of approximately \$23.6 million. Hillman Group has approximately \$154.4 million of available borrowings under the revolving credit facility as of December 26, 2020.

In connection with the Business Combination, we expect to refinance all obligations under the Existing Term Loan Facility and amend and restate the Existing ABL Facility.

6.375% Senior Notes

In June 2014, Hillman Group issued \$330,000 aggregate principal amount of its senior notes due July 15, 2022 (the “6.375% Senior Notes”), which are guaranteed by the Hillman Companies. Hillman Group pays interest on the 6.375% Senior Notes semi-annually on January 15 and July 15 of each fiscal year. In connection with the Business Combination, we expect to redeem, satisfy and discharge all of the outstanding 6.375% Senior Notes.

Junior Subordinated Debentures

In September 1997, The Hillman Group Capital Trust (“Trust”), a Grantor trust, completed a \$105,443 underwritten public offering of 4,217,724 trust preferred securities (the “Trust Preferred Securities”). The Trust invested the proceeds from the sale of the Trust Preferred Securities in an equal principal amount of 11.6% Junior Subordinated Debentures of The Hillman Companies, Inc. due September 30, 2027 (the “Debentures”).

The Hillman Companies, Inc. pays interest to the Trust on the Debentures underlying the Trust Preferred Securities at the rate of 11.6% per annum on their face amount of \$105,443, or \$12,231 per annum in the aggregate. The Trust distributes monthly cash payments it receives from The Hillman Companies, Inc. as interest on the debentures to Trust Preferred Securities holders at an annual rate of 11.6% on the liquidation amount of \$25.00 per preferred security, subject to limited rights of deferral.

In connection with the Business Combination, Hillman Group and The Hillman Companies, Inc. expects to deliver notices of redemption for all of the Debentures and the Trust Preferred Securities, deposit proceeds with the Debenture trustee to satisfy the redemption price for the Debentures and the Trust Preferred Securities and satisfy and discharge the indenture governing the Debentures upon closing the Business Combination and thereafter effect such redemption as soon as practicable.

New Senior Secured Credit Facilities

In connection with the Business Combination, we expect to enter into a new senior secured credit facilities, which are expected to include a \$250.0 million asset-based revolving credit facility by amending and restating the Existing ABL Facility, a \$835.0 million term loan facility, which may be increased up to a maximum amount of \$1,185.0 million based on the amount of cash redemptions by the public stockholders of their public shares, and a \$200.0 million delayed draw term loan facility, which shall be reduced Dollar for Dollar by the amount of cash redemptions by the public stockholders of their public shares in excess of \$150.0 million, subject to satisfaction or waiver of the conditions precedent to the Business Combination, to be used in connection with acquisitions and related transactions. Based on commitments received from Jefferies Finance and Barclays PLC as of the date of this proxy statement/prospectus for the new senior secured credit facilities, and subject to customary closing conditions, we expect the terms of the new senior secured credit facilities to include the following:

- for the term loan facilities, a maturity date in 2028;
- a maturity date for the asset-based revolving credit facility in 2026;
- initial applicable margin percentages for the term loan facility of 2.75% per annum as of the closing date of the term loan facility for alternative base rate loans and 3.75% per annum as of the closing date of the term loan facility for LIBOR rate loans, in each case, subject to up to a step down of 0.25% per annum, upon achievement by the borrower and its restricted subsidiaries of a first lien net leverage ratio to be agreed); and
- applicable margin percentages for the asset-based revolving credit facility varying from varying from 0.25% to 0.75% per annum for alternative base rate loans and varying from 1.25% to 1.75% per annum for LIBOR rate loans based on utilization of the asset-based revolving credit facility with the highest tier to be reduced to 0.50% and 1.50% per annum, respectively, upon achievement of a total net leverage ratio to be agreed.

We expect that the new senior secured credit facilities will contain a number of covenants customary for the applicable type of senior secured facilities that, among other things and subject to certain exceptions, may restrict the ability of Hillman Group, and its restricted subsidiaries to:

- incur certain liens;
- make investments, loans, advances and acquisitions;
- incur additional indebtedness and guarantees;
- pay dividends on capital stock or redeem, repurchase or retire capital stock or subordinated indebtedness;
- engage in transactions with affiliates;
- sell assets, including capital stock of our subsidiaries;
- alter the business we conduct;
- enter into agreements restricting our subsidiaries' ability to pay dividends; and
- consolidated or merge.

In addition, we expect that the credit agreements governing the new senior secured credit facilities will require the immediate parent of Hillman Group to be a passive holding company, subject to certain exceptions. We expect that the asset-based revolving credit facility revolving credit facility will require Hillman Group and its restricted subsidiaries to comply with a minimum fixed charge coverage ratio financial maintenance covenant, to be tested only if, on the last day of each fiscal quarter, utilization of the asset-based revolving credit facility is in excess of a specified percentage of the revolving commitments or availability on such date. The breach of this covenant is expected to be subject to customary equity cure rights. The new loan facilities will not include a financial maintenance covenant.

We expect that the credit agreements governing the new senior secured credit facilities will contain certain customary affirmative covenants and events of default.

Based on the foregoing estimated terms, and assuming that the maximum amount of \$1.185 billion term loan facility (including the delayed draw term facility on a fully funded basis) and \$250 million asset-based revolving credit facility were fully drawn, a 100 basis point change in our interest rate would result in a \$14.35 million change in annual interest expense under the new senior secured credit facilities (subject to our base rate and LIBOR floors, as applicable).

DESCRIPTION OF NEW HILLMAN SECURITIES

As a result of the Business Combination, Hillman Holdco stockholders who receive shares of New Hillman common stock in the transactions will become New Hillman stockholders. Your rights as New Hillman stockholders will be governed by Delaware law and the Proposed Charter and bylaws. The following description of the material terms of New Hillman's securities reflects the anticipated state of affairs upon completion of the Business Combination.

In connection with the reorganization as part of the Business Combination, Landcadia will amend and restate its charter and bylaws. The following summary of the material terms of New Hillman's securities following the Business Combination is not intended to be a complete summary of the rights and preferences of such securities. The full text of the Proposed Charter and post-Business Combination bylaws are attached as Annex C and Annex D, respectively, to this proxy statement/prospectus. You are encouraged to read the applicable provisions of Delaware law, the Proposed Charter and the post-Business Combination bylaws in their entirety for a complete description of the rights and preferences of New Hillman securities following the Business Combination.

Authorized and Outstanding Capital Stock

The Proposed Charter authorizes the issuance of 501,000,000 shares, of which 500,000,000 shares will be shares of New Hillman common stock, par value \$0.0001 per share and 1,000,000 shares will be shares of New Hillman preferred stock, par value \$0.0001 per share.

As of June 16, 2021, the record date, Landcadia had approximately 47,547,799 shares of Landcadia Class A common stock and 12,500,000 shares of Landcadia Class B common stock outstanding. Landcadia also has issued 23,849,234 warrants consisting of 15,849,234 public warrants and 8,000,000 private placement warrants and 2,452,201 units outstanding. After giving effect to the Business Combination, New Hillman will have 187,476,425 shares of common stock outstanding (assuming no redemptions) and 24,666,667 warrants outstanding.

New Hillman Common Stock

New Hillman Common Stock

Voting Rights

Holders of New Hillman common stock will be entitled to cast one vote per New Hillman common share. Generally, holders of all classes of New Hillman common stock vote together as a single class, and an action is approved by New Hillman stockholders if the number of votes cast in favor of the action exceeds the number of votes cast in opposition to the action, while directors are elected by a plurality of the votes cast. Holders of New Hillman common stock will not be entitled to cumulate their votes in the election of directors.

Dividend Rights

Holders of New Hillman common stock will share ratably (based on the number of shares of common stock held) if and when any dividend is declared by the New Hillman Board out of funds legally available therefor, subject to restrictions, whether statutory or contractual (including with respect to any outstanding indebtedness), on the declaration and payment of dividends and to any restrictions on the payment of dividends imposed by the terms of any outstanding preferred stock or any class or series of stock having a preference over, or the right to participate with, the New Hillman common stock with respect to the payment of dividends.

Liquidation, Dissolution and Winding Up

On the liquidation, dissolution, distribution of assets or winding up of New Hillman, each holder of New Hillman common stock will be entitled, pro rata on a per share basis, to all assets of New Hillman of

whatever kind available for distribution to the holders of common stock, subject to the designations, preferences, limitations, restrictions and relative rights of any other class or series of preferred stock of New Hillman then outstanding.

Other Matters

Holders of shares of New Hillman common stock do not have subscription, redemption or conversion rights. Upon completion of the Business Combination, all the outstanding shares of New Hillman common stock will be validly issued, fully paid and non-assessable.

Preferred Stock

The Proposed Charter provides that the New Hillman Board has the authority, without action by the stockholders, to designate and issue shares of preferred stock in one or more classes or series, and the number of shares constituting any such class or series, and to fix the voting powers, designations, preferences, limitations, restrictions and relative rights of each class or series of preferred stock, including, without limitation, dividend rights, dividend rates, conversion rights, exchange rights, voting rights, rights and terms of redemption, dissolution preferences, and treatment in the case of a merger, business combination transaction, or sale of New Hillman's assets, which rights may be greater than the rights of the holders of the common stock. There will be no shares of preferred stock outstanding immediately upon consummation of the Business Combination.

The purpose of authorizing the New Hillman Board to issue preferred stock and determine the rights and preferences of any classes or series of preferred stock is to eliminate delays associated with a stockholder vote on specific issuances. The simplified issuance of preferred stock, while providing flexibility in connection with possible acquisitions, future financings and other corporate purposes, could have the effect of making it more difficult for a third party to acquire, or could discourage a third party from seeking to acquire, a majority of New Hillman outstanding voting stock. Additionally, the issuance of preferred stock may adversely affect the holders of New Hillman common stock by restricting dividends on the Class A common stock, diluting the voting power of the common stock or subordinating the dividend or liquidation rights of the Class A common stock. As a result of these or other factors, the issuance of preferred stock could have an adverse impact on the market price of New Hillman common stock.

Unvested Stock Options

At the effective time, each outstanding Hillman Holdco Option, whether vested or unvested, will be assumed by New Hillman and will be converted into a New Hillman Option with substantially the same terms and conditions as applicable to the Hillman Holdco Option immediately prior to the effective time (including expiration date, vesting conditions and exercise provisions) except that (i) each such Hillman Holdco Option shall be exercisable for that number of shares of New Hillman common stock equal to the product (rounded down to the nearest whole number) of (A) the number of shares of Hillman Holdco common stock subject to such Hillman Holdco Assumed Option immediately prior the effective time multiplied by (B) the Closing Stock Per Option Amount, (ii) the per share exercise price for each share of New Hillman common stock issuable upon exercise of the New Hillman Option shall be equal to the quotient (rounded up to the nearest whole cent) obtained by dividing (A) the exercise price per share of Hillman Holdco subject to such Hillman Holdco Assumed Option immediately prior to the effective time by (B) the Closing Stock Per Option Amount; (iii) the Hillman Holdco Board (or the compensation committee of the Hillman Holdco Board) may appropriately adjust the performance conditions applicable to certain of the New Hillman Options; and (iv) the Hillman Holdco Board (or the compensation committee of the Hillman Holdco Board) may make such other immaterial administrative or ministerial changes to the New Hillman Options as it may determine in good faith are appropriate to effectuate the administration of the New Hillman Options and to ensure consistency with the administrative and ministerial provisions of the New Hillman Incentive Equity Plan.

Unvested Restricted Stock

At the effective time, each share of unvested restricted Hillman Holdco common stock will be cancelled and converted into the right to receive a number of shares of New Hillman Restricted Stock equal to the

Closing Stock Per Restricted Share Amount with substantially the same terms and conditions as were applicable to the related share of Hillman Holdco Restricted Stock immediately prior to the effective time (including with respect to vesting and termination-related provisions), except that (i) any per-share repurchase price of such New Hillman Restricted Stock shall be equal to the quotient obtained by dividing (A) the per-share repurchase price applicable to the Hillman Holdco Restricted Stock, by (B) the Closing Stock Restricted Share Amount, rounded up to the nearest cent and (ii) the Hillman Holdco Board (or the compensation committee of the Hillman Holdco Board) may make such other immaterial administrative or ministerial changes to the New Hillman Restricted Stock as it may determine in good faith are appropriate to effectuate the administration of the New Hillman Restricted Stock and to ensure consistency with the administrative and ministerial provisions of the New Hillman Incentive Equity Plan.

Unvested RSUs

At the effective time, each Hillman Holdco restricted stock unit will be assumed by New Hillman and converted into a New Hillman RSU with substantially the same terms and conditions as were applicable to such Hillman Holdco RSU immediately prior to the effective time (including with respect to vesting and termination-related provisions), except that (i) each New Hillman RSU shall represent the right to receive (subject to vesting) that number of shares of New Hillman common stock equal to the product (rounded up to the nearest whole number) of the number of shares of Hillman Holdco Common Stock underlying the Hillman Holdco RSU immediately prior to the effective time multiplied by the Hillman Holdco RSU Exchange Ratio; and (ii) the Hillman Holdco Board (or the compensation committee of the Hillman Holdco Board) may make such other immaterial administrative or ministerial changes to the New Hillman RSUs as it may determine in good faith are appropriate to effectuate the administration of the New Hillman RSUs and to ensure consistency with the administrative and ministerial provisions of the New Hillman Incentive Equity Plan.

Public Stockholders' Warrants

There are currently outstanding an aggregate of 24,666,667 warrants, which, following the consummation of the Business Combination, will entitle the holder to acquire New Hillman common stock. Each whole warrant will entitle the registered holder to purchase one share of New Hillman common stock at an exercise price of \$11.50 per share, subject to adjustment as discussed below, beginning the later of 30 days after the Closing and 12 months from the closing of our initial public offering, which occurred on October 14, 2020. A holder may exercise its warrants only for a whole number of shares of New Hillman common stock. This means that only a whole warrant may be exercised at a given time by a warrant holder. No fractional warrants will be issued upon separation of the units and only whole warrants will trade. Accordingly, unless a holder has at least three units, such holder will not be able to receive or trade a whole warrant. The warrants will expire five years after the completion of the Business Combination, at 5:00 p.m., New York City time, or earlier upon redemption or liquidation.

New Hillman will not be obligated to deliver any shares of New Hillman common stock pursuant to the exercise of a warrant and will have no obligation to settle such warrant exercise unless a registration statement under the Securities Act with respect to the shares of New Hillman common stock underlying the warrants is then effective and a current prospectus relating thereto is current, subject to New Hillman satisfying its obligations described below with respect to registration. No warrant will be exercisable and New Hillman will not be obligated to issue shares of New Hillman common stock upon exercise of a warrant unless the New Hillman common stock issuable upon such warrant exercise has been registered, qualified or deemed to be exempt under the securities laws of the state of residence of the registered holder of the warrants. In the event that the conditions in the two immediately preceding sentences are not satisfied with respect to a warrant, the holder of such warrant will not be entitled to exercise such warrant and such warrant may have no value and expire worthless. In no event will New Hillman be required to net cash settle any warrant. In the event that a registration statement is not effective for the exercised warrants, the purchaser of a unit containing such warrant, if not cash settled, will have paid the full purchase price for the unit solely for the share of common stock underlying such unit.

Landcadia is not registering the shares of common stock issuable upon exercise of the warrants at this time. However, New Hillman has agreed that as soon as practicable, but in no event later than 15 business

days after the Closing, it will use its best efforts to file with the SEC a registration statement registering the issuance of the shares of New Hillman common stock issuable upon exercise of the warrants, to cause such registration statement to become effective and to maintain a current prospectus relating to those shares of New Hillman common stock until the warrants expire or are redeemed, as specified in the warrant agreement. If a registration statement covering the shares of New Hillman common stock issuable upon exercise of the warrants is not effective by the 60th business day after the Closing, warrant holders may, until such time as there is an effective registration statement and during any period when New Hillman shall have failed to maintain an effective registration statement, exercise warrants on a “cashless basis” pursuant to the exemption provided by Section 3(a)(9) of the Securities Act or another exemption.

Redemption of Warrants when the price per share of common stock equals or exceeds \$18.00.

Once the warrants become exercisable, New Hillman may call the warrants for redemption for cash:

- in whole and not in part;
- at a price of \$0.01 per warrant;
- upon not less than 30 days’ prior written notice of redemption (the “30-day redemption period”) to each warrant holder; and
- if, and only if, the reported closing price of the common stock equals or exceeds \$18.00 per share (as adjusted for stock splits, stock capitalizations, reorganizations, recapitalizations and the like) for any 20 trading days within a 30-trading day period ending three business days before New Hillman sends the notice of redemption to the warrant holders.

If and when the warrants become redeemable by New Hillman, New Hillman may not exercise its redemption right if the issuance of shares of New Hillman common stock upon exercise of the warrants is not exempt from registration or qualification under applicable state blue sky laws or New Hillman is unable to effect such registration or qualification. New Hillman will use its best efforts to register or qualify such shares of New Hillman common stock under the blue sky laws of the state of residence in those states in which the warrants were initially offered.

New Hillman has established the last of the redemption criterion discussed above to prevent a redemption call unless there is at the time of the call a significant premium to the warrant exercise price. If the foregoing conditions are satisfied and New Hillman issues a notice of redemption of the warrants, each warrant holder will be entitled to exercise his, her or its warrant prior to the scheduled redemption date. However, the price of the New Hillman common stock may fall below the \$18.00 redemption trigger price (as adjusted for stock splits, stock capitalizations, reorganizations, recapitalizations and the like) as well as the \$11.50 warrant exercise price after the redemption notice is issued.

If New Hillman calls the warrants for redemption as described above, New Hillman’s management will have the option to require any holder that wishes to exercise his, her or its warrant to do so on a “cashless basis.” The numbers in the table below represent the number of common stock that a warrant holder will receive upon such cashless exercise in connection with a redemption by us pursuant to this redemption feature, based on the “fair market value” of our shares of common stock on the corresponding redemption date (assuming holders elect to exercise their warrants and such warrants are not redeemed for \$0.10 per warrant), determined for these purposes based on volume weighted average price of our common stock during the 10 trading days immediately following the date on which the notice of redemption is sent to the holders of warrants, and the number of months that the corresponding redemption date precedes the expiration date of the warrants, each as set forth in the table below. We will provide our warrant holders with the final fair market value no later than one business day after the 10-trading-day period described above ends. Requiring a cashless exercise in this manner will reduce the number of shares to be issued and thereby lessen the dilutive effect of a warrant redemption. We believe this feature is an attractive option to us if we do not need the cash from the exercise of the warrants after our initial business combination. If we call our warrants for redemption and our management does not take advantage of this option, our sponsors and their permitted transferees would still be entitled to exercise their private placement warrants for cash or on a cashless basis using the same numbers in the table below that other warrant holders would have been required to use had all warrant holders been required to exercise their warrants on a cashless basis.

Redemption of warrants when the price per share of Class A common stock equals or exceeds \$10.00

Once the warrants become exercisable, we may redeem the outstanding warrants:

- in whole and not in part;
- at \$0.10 per warrant upon a minimum of 30 days' prior written notice of redemption provided that holders will be able to exercise their warrants on a cashless basis prior to redemption and receive that number of shares determined by reference to the table set forth under "Description of New Hillman Securities — Redeemable Warrants — Public Stockholders' Warrants" based on the redemption date and the "fair market value" of our shares of common stock (as defined below) except as otherwise described under "Description of Securities — Redeemable Warrants — Public Stockholders' Warrants;"
- if, and only if, the closing price of our shares of common stock equals or exceeds \$10.00 per public share (as adjusted for stock splits, stock dividends, reorganizations, recapitalizations and the like) for any 20 trading days within the 30-trading-day period ending three trading days before we send the notice of redemption to the warrant holders; and
- if the closing price of the shares of common stock for any 20 trading days within a 30-trading-day period ending on the third trading day prior to the date on which we send the notice of redemption to the warrant holders is less than \$18.00 per share (as adjusted for stock splits, stock dividends, reorganizations, recapitalizations and the like), the private placement warrants must also be concurrently called for redemption on the same terms as the outstanding public warrants, as described above.

Beginning on the date the notice of redemption is given until the warrants are redeemed or exercised, holders may elect to exercise their warrants on a cashless basis. The numbers in the table below represent the number of shares of common stock that a warrant holder will receive upon such cashless exercise in connection with a redemption by us pursuant to this redemption feature, based on the "fair market value" of our shares of common stock on the corresponding redemption date (assuming holders elect to exercise their warrants and such warrants are not redeemed for \$0.10 per warrant), determined for these purposes based on volume weighted average price of our shares of common stock during the 10 trading days immediately following the date on which the notice of redemption is sent to the holders of warrants, and the number of months that the corresponding redemption date precedes the expiration date of the warrants, each as set forth in the table below. We will provide our warrant holders with the final fair market value no later than one business day after the 10-trading-day period described above ends.

Pursuant to the warrant agreement, references above to shares of common stock shall include a security other than shares of common stock into which the shares of common stock have been converted or exchanged for in the event we are not the surviving company in our initial business combination. The numbers in the table below will not be adjusted when determining the number of shares of common stock to be issued upon exercise of the warrants if we are not the surviving entity following our initial business combination.

The share prices set forth in the column headings of the table below will be adjusted as of any date on which the number of shares issuable upon exercise of a warrant or the exercise price of a warrant is adjusted as set forth under the heading "— Anti-dilution Adjustments" below. If the number of shares issuable upon exercise of a warrant is adjusted, the adjusted share prices in the column headings will equal the share prices immediately prior to such adjustment, multiplied by a fraction, the numerator of which is the number of shares deliverable upon exercise of a warrant immediately prior to such adjustment and the denominator of which is the number of shares deliverable upon exercise of a warrant as so adjusted. The number of shares in the table below shall be adjusted in the same manner and at the same time as the number of shares issuable upon exercise of a warrant. If the exercise price of a warrant is adjusted, (a) in the case of an adjustment pursuant to the fifth paragraph under the heading "— Anti-dilution Adjustments" below, the adjusted share prices in the column headings will equal the unadjusted share price multiplied by a fraction, the numerator of which is the higher of the Market Value and the Newly Issued Price as set forth under the heading "— Anti-dilution Adjustments" and the denominator of which is \$10.00 and (b) in the case of an adjustment pursuant to the second paragraph under the heading "— Anti-dilution Adjustments"

below, the adjusted share prices in the column headings will equal the unadjusted share price less the decrease in the exercise price of a warrant pursuant to such exercise price adjustment.

The exact fair market value and redemption date may not be set forth in the table above, in which case, if the fair market value is between two values in the table or the redemption date is between two redemption dates in the table, the number of shares of Class A common stock to be issued for each warrant exercised will be determined by a straight-line interpolation between the number of shares set forth for the higher and lower fair market values and the earlier and later redemption dates, as applicable, based on a 365 or 366-day year, as applicable. For example, if the volume weighted average price of our shares of common stock during the 10 trading days immediately following the date on which the notice of redemption is sent to the holders of the warrants is \$11.00 per share, and at such time there are 57 months until the expiration of the warrants, holders may choose to, in connection with this redemption feature, exercise their warrants for 0.277 shares of common stock for each whole warrant. For an example where the exact fair market value and redemption date are not as set forth in the table above, if the volume weighted average price of our shares of common stock during the 10 trading days immediately following the date on which the notice of redemption is sent to the holders of the warrants is \$13.50 per share, and at such time there are 38 months until the expiration of the warrants, holders may choose to, in connection with this redemption feature, exercise their warrants for 0.298 shares of common stock for each whole warrant. In no event will the warrants be exercisable on a cashless basis in connection with this redemption feature for more than 0.361 shares of common stock per warrant (subject to adjustment). Finally, as reflected in the table above, if the warrants are out of the money and about to expire, they cannot be exercised on a cashless basis in connection with a redemption by us pursuant to this redemption feature, since they will not be exercisable for any shares of common stock.

This redemption feature differs from the typical warrant redemption features used in many other blank check offerings, which typically only provide for a redemption of warrants for cash (other than the private

placement warrants) when the trading price for the shares of common stock exceeds \$18.00 per share for a specified period of time. This redemption feature is structured to allow for all of the outstanding warrants to be redeemed when the shares of common stock are trading at or above \$10.00 per public share, which may be at a time when the trading price of our shares of common stock is below the exercise price of the warrants. We have established this redemption feature to provide us with the flexibility to redeem the warrants without the warrants having to reach the \$18.00 per share threshold set forth above under “— Redemption of warrants when the price per share of common stock equals or exceeds \$18.00.” Holders choosing to exercise their warrants in connection with a redemption pursuant to this feature will, in effect, receive a number of shares for their warrants based on an option pricing model with a fixed volatility input as of the of this prospectus. This redemption right provides us with an additional mechanism by which to redeem all of the outstanding warrants, and therefore have certainty as to our capital structure as the warrants would no longer be outstanding and would have been exercised or redeemed. We will be required to pay the applicable redemption price to warrant holders if we choose to exercise this redemption right and it will allow us to quickly proceed with a redemption of the warrants if we determine it is in our best interest to do so. As such, we would redeem the warrants in this manner when we believe it is in our best interest to update our capital structure to remove the warrants and pay the redemption price to the warrant holders.

As stated above, we can redeem the warrants when the shares of common stock are trading at a price starting at \$10.00, which is below the exercise price of \$11.50, because it will provide certainty with respect to our capital structure and cash position while providing warrant holders with the opportunity to exercise their warrants on a cashless basis for the applicable number of shares. If we choose to redeem the warrants when the shares of common stock are trading at a price below the exercise price of the warrants, this could result in the warrant holders receiving fewer shares of common stock than they would have received if they had chosen to wait to exercise their warrants for shares of common stock if and when such shares of common stock were trading at a price higher than the exercise price of \$11.50.

No fractional shares of common stock will be issued upon exercise. If, upon exercise, a holder would be entitled to receive a fractional interest in a share, we will round down to the nearest whole number of the number of shares of common stock to be issued to the holder. If, at the time of redemption, the warrants are exercisable for a security other than the shares of common stock pursuant to the warrant agreement (for instance, if we are not the surviving company in our initial business combination), the warrants may be exercised for such security. At such time as the warrants become exercisable for a security other than the shares of common stock, the Company (or surviving company) will use its commercially reasonable efforts to register under the Securities Act the security issuable upon the exercise of the warrants.

A holder of a warrant may notify New Hillman in writing in the event it elects to be subject to a requirement that such holder will not have the right to exercise such warrant, to the extent that after giving effect to such exercise, such person (together with such person’s affiliates), to the warrant agent’s actual knowledge, would beneficially own in excess of 4.9% or 9.8% (as specified by the holder) of the New Hillman common stock outstanding immediately after giving effect to such exercise.

Anti-Dilution Adjustments

If the number of outstanding shares of New Hillman common stock is increased by a stock dividend payable in shares of New Hillman common stock, or by a split-up of common stock or other similar event, then, on the effective date of such stock dividend, split-up or similar event, the number of shares of New Hillman common stock issuable on exercise of each warrant will be increased in proportion to such increase in the outstanding shares of common stock. A rights offering to holders of common stock entitling holders to purchase New Hillman common stock at a price less than the fair market value will be deemed a stock dividend of a number of shares of New Hillman common stock equal to the product of (i) the number of shares of New Hillman common stock actually sold in such rights offering (or issuable under any other equity securities sold in such rights offering that are convertible into or exercisable for New Hillman common stock) and (ii) the quotient of (x) the price per share of New Hillman common stock paid in such rights offering divided by (y) the fair market value. For these purposes (i) if the rights offering is for securities convertible into or exercisable for shares of New Hillman common stock, in determining the price payable for New Hillman common stock, there will be taken into account any consideration received for such rights, as well as any additional amount payable upon exercise or conversion and (ii) fair market value means the

volume weighted average price of shares of New Hillman common stock as reported during the ten (10) trading day period ending on the trading day prior to the first date on which the New Hillman common stock trades on the applicable exchange or in the applicable market, regular way, without the right to receive such rights.

In addition, if Landcadia (prior to the Closing) or New Hillman (from and following the Closing), at any time while the warrants are outstanding and unexpired, pays a dividend or makes a distribution in cash, securities or other assets to the holders of common stock on account of such shares of common stock (or other shares of capital stock into which the warrants are convertible), other than (a) as described above, (b) certain ordinary cash dividends, (c) to satisfy the redemption rights of the holders of common stock in connection with the Closing, (d) to satisfy the redemption rights of the holders of common stock in connection with a stockholder vote to amend the Current Charter to modify the substance or timing of the obligation to redeem 100% of Landcadia's Class A common stock if it does not complete its initial business combination within 24 months from the closing of its IPO or to provide for redemption in connection with a business combination, or (e) in connection with the redemption of Landcadia's public shares upon its failure to complete its initial business combination, then the warrant exercise price will be decreased, effective immediately after the effective date of such event, by the amount of cash and/or the fair market value of any securities or other assets paid on each share of common stock in respect of such event.

If the number of outstanding shares of New Hillman common stock is decreased by a consolidation, combination, reverse stock split or reclassification of New Hillman common stock or other similar event, then, on the effective date of such consolidation, combination, reverse stock split, reclassification or similar event, the number of shares of New Hillman common stock issuable on exercise of each warrant will be decreased in proportion to such decrease in outstanding share of New Hillman common stock.

Whenever the number of shares of New Hillman common stock purchasable upon the exercise of the warrants is adjusted, as described above, the warrant exercise price will be adjusted by multiplying the warrant exercise price immediately prior to such adjustment by a fraction (x) the numerator of which will be the number of shares of New Hillman common stock purchasable upon the exercise of the warrants immediately prior to such adjustment, and (y) the denominator of which will be the number of shares of New Hillman common stock so purchasable immediately thereafter.

In addition, if (i) we issue additional shares of common stock or equity-linked securities for capital-raising purposes in connection with the closing of our initial business combination at a Newly Issued Price of less than \$9.20 per ordinary share (with such issue price or effective issue price to be determined in good faith by our board of directors and, in the case of any such issuance to our sponsor or its affiliates, without taking into account any founder shares held by our sponsor or such affiliates, as applicable, prior to such issuance), (ii) the aggregate gross proceeds from such issuances represent more than 60% of the total equity proceeds, and interest thereon, available for the funding of our initial business combination on the date of the consummation of our initial business combination (net of redemptions), and (iii) the Market Value is below \$9.20 per share, the exercise price of the warrants will be adjusted (to the nearest cent) to be equal to 115% of the higher of the Market Value and the Newly Issued Price, the \$18.00 per share redemption trigger price described adjacent to "Redemption of warrants when the price per share of common stock equals or exceeds \$18.00" and "Redemption of warrants when the price per share of common stock equals or exceeds \$10.00" will be adjusted (to the nearest cent) to be equal to 180% of the higher of the Market Value and the Newly Issued Price, and the \$10.00 per share redemption trigger price described adjacent to the caption "Redemption of warrants when the price per share of common stock equals or exceeds \$10.00" will be adjusted (to the nearest cent) to be equal to the higher of the Market Value and the Newly Issued Price.

In case of any reclassification or reorganization of the outstanding New Hillman common stock (other than those described above or that solely affects the par value of such New Hillman common stock), or in the case of any merger or consolidation of New Hillman with or into another corporation (other than a consolidation or merger in which New Hillman is the continuing corporation and that does not result in any reclassification or reorganization of the outstanding New Hillman common stock), or in the case of any sale or conveyance to another corporation or entity of the assets or other property of New Hillman as an entirety or substantially as an entirety in connection with which New Hillman is dissolved, the holders of the warrants will thereafter have the right to purchase and receive, upon the basis and upon the terms and conditions specified in the warrants and in lieu of the New Hillman common stock immediately theretofore

purchasable and receivable upon the exercise of the rights represented thereby, the kind and amount of shares of stock or other securities or property (including cash) receivable upon such reclassification, reorganization, merger or consolidation, or upon a dissolution following any such sale or transfer, that the holder of the warrants would have received if such holder had exercised their warrants immediately prior to such event. If less than 70% of the consideration receivable by the holders of New Hillman common stock in such a transaction is payable in the form of New Hillman common stock in the successor entity that is listed for trading on a national securities exchange or is quoted in an established over-the-counter market, or is to be so listed for trading or quoted immediately following such event, and if the registered holder of the warrant properly exercises the warrant within thirty days following public disclosure of such transaction, the warrant exercise price will be reduced as specified in the warrant agreement based on the Black-Scholes value (as defined in the warrant agreement) of the warrant. The purpose of such exercise price reduction is to provide additional value to holders of the warrants when an extraordinary transaction occurs during the exercise period of the warrants pursuant to which the holders of the warrants otherwise do not receive the full potential value of the warrants. This formula is to compensate the warrant holder for the loss of the option value portion of the warrant due to the requirement that the warrant holder exercise the warrant within 30 days of the event. The Black-Scholes model is an accepted pricing model for estimating fair market value where no quoted market price for an instrument is available.

The warrants have been issued in registered form under a warrant agreement between Continental Stock Transfer & Trust Company, as warrant agent, and New Hillman. The warrant agreement provides that the terms of the warrants may be amended without the consent of any holder to cure any ambiguity or correct any defective provision, and that all other modifications or amendments will require the vote or written consent of the holders of at least 50% of the then outstanding public warrants, and, solely with respect to any amendment to the terms of the private placement warrants, a majority of the then outstanding private placement warrants. You should review a copy of the warrant agreement, which is filed as an exhibit to the registration statement of which this proxy statement/prospectus is a part, for a complete description of the terms and conditions applicable to the warrants.

The warrants may be exercised upon surrender of the warrant certificate on or prior to the expiration date at the offices of the warrant agent, with the exercise form on the reverse side of the warrant certificate completed and executed as indicated, accompanied by full payment of the exercise price (or on a cashless basis, if applicable), by certified or official bank check payable to New Hillman, for the number of warrants being exercised. The warrant holders do not have the rights or privileges of holders of common stock and any voting rights until they exercise their warrants and receive New Hillman common stock. After the issuance of New Hillman common stock upon exercise of the warrants, each holder will be entitled to one vote for each share held of record on all matters to be voted on by stockholders.

No fractional shares will be issued upon exercise of the warrants. If, upon exercise of the warrants, a holder would be entitled to receive a fractional interest in a share, New Hillman will, upon exercise, round down to the nearest whole number the number of shares of New Hillman common stock to be issued to the warrant holder. As a result, warrant holders not purchasing an even number of warrants must sell any odd number of warrants in order to obtain full value from the fractional interests that will not be issued.

We have agreed that, subject to applicable law, any action, proceeding or claim against us arising out of or relating in any way to the warrant agreement will be brought and enforced in the courts of the State of New York or the United States District Court for the Southern District of New York, and we irrevocably submit to such jurisdiction, which jurisdiction will be the exclusive forum for any such action, proceeding or claim. See “Risk Factors — Our warrant agreement designates the courts of the State of New York or the United States District Court for the Southern District of New York as the sole and exclusive forum for certain types of actions and proceedings that may be initiated by holders of our warrants, which could limit the ability of warrant holders to obtain a favorable judicial forum for disputes with Landcadia.” This provision applies to claims under the Securities Act but does not apply to claims under the Exchange Act or any claim for which the federal district courts of the United States of America are the sole and exclusive forum.

Private Placement Warrants

The private placement warrants (including the New Hillman common stock issuable upon exercise of the private placement warrants) will not be transferable, assignable or salable until 30 days after the Closing

(except in limited circumstances) and they will not be redeemable by New Hillman so long as they are held by the Sponsors or their permitted transferees. Except as described below, the private placement warrants have terms and provisions that are identical to those of the warrants sold as part of the units in the IPO, including as to exercise price, exercisability and exercise period. If the private placement warrants are held by holders other than the Sponsors or their permitted transferees, the private placement warrants will be redeemable by New Hillman and exercisable by the holders on the same basis as the warrants included in the units sold in the IPO.

If holders of the private placement warrants elect to exercise them on a cashless basis, they would pay the exercise price by surrendering their warrants for that number of shares of New Hillman common stock equal to the quotient obtained by dividing (x) the product of the number of shares of New Hillman common stock underlying the warrants multiplied by the excess of the “fair market value” (defined below) over the exercise price of the warrants by (y) the fair market value. The “fair market value” means the average reported closing price of the New Hillman common stock for the 10 trading days ending on the third trading day prior to the date on which the notice of warrant exercise is sent to the warrant agent.

In order to finance transaction costs in connection with Landcadia’s initial business combination, Landcadia’s Sponsors or an affiliate of one of Landcadia’s Sponsors or certain of Landcadia’s officers and directors may, but are not obligated to, loan Landcadia funds as may be required. Up to \$1,500,000 of such loans may be convertible into warrants at a price of \$1.50 per warrant at the option of the lender. Such warrants would be identical to the private placement warrants, including as to exercise price, exercisability and exercise period. The terms of such working capital loans by Landcadia’s Sponsors or their affiliates, or Landcadia’s officers and directors, if any, have not been determined and no written agreements exist with respect to such loans.

The Sponsors have agreed not to transfer, assign or sell any of the private placement warrants (including the New Hillman common stock issuable upon exercise of any of these warrants) until the date that is 30 days after the date of the Closing (except in limited circumstances). In addition, for so long as they are held by JFG Sponsor, the private placement warrants will not be exercisable more than five years from the effective date of the registration statement for Landcadia’s IPO in accordance with FINRA rules.

Exclusive Forum

The Proposed Charter provides that, to the fullest extent permitted by law, unless New Hillman otherwise consents in writing, the Court of Chancery (the “Chancery Court”) of the State of Delaware (or, in the event that the Chancery Court does not have jurisdiction, the federal district for the District of Delaware or other state courts of the State of Delaware) shall, to the fullest extent permitted by law, be the sole and exclusive forum for: (i) any derivative claim or proceeding brought on behalf of New Hillman, (ii) any claim of breach of a fiduciary duty owed by, or any other wrongdoing by, any director officer, employee, or stockholder of New Hillman, (iii) any claim against New Hillman arising pursuant to any provision of the DCGL, the Proposed Charter, or the New Hillman Bylaws, or (iv) any action asserting a claim governed by the internal affairs doctrine. In addition, notwithstanding anything to the contrary in the foregoing, the federal district courts of the United States are the exclusive forum for the resolution of any complaint asserting a cause of action under the Securities Act. The exclusive forum provision does not apply to suits brought to enforce any liability or duty created by the Exchange Act.

Anti-Takeover Effects of Provisions of the Proposed Charter, the New Hillman Bylaws and Applicable Law

Certain provisions of the Proposed Charter, New Hillman Bylaws, and laws of the State of Delaware, where New Hillman is incorporated, may discourage or make more difficult a takeover attempt that a stockholder might consider in his or her best interest. These provisions may also adversely affect prevailing market prices for the New Hillman common stock. New Hillman believes that the benefits of increased protection give New Hillman the potential ability to negotiate with the proponent of an unsolicited proposal to acquire or restructure New Hillman and outweigh the disadvantage of discouraging those proposals because negotiation of the proposals could result in an improvement of their terms.

Authorized but Unissued Shares

Delaware law does not require stockholder approval for any issuance of authorized shares. However, the listing requirements of Nasdaq, which would apply if and so long as the New Hillman common stock remains listed on Nasdaq require stockholder approval of certain issuances equal to exceeding 20% of the then outstanding voting power or then outstanding number of shares of common stock. Additional shares that may be used in the future may be issued for a variety of corporate purposes, including future public offerings, to raise additional capital, or to facilitate acquisitions. The existence of authorized but unissued and unreserved common stock and preferred stock could make more difficult or discourage an attempt to obtain control of New Hillman by means of a proxy contest, tender offer, merger, or otherwise.

Number of Directors

The Proposed Charter and the New Hillman Bylaws provide that, subject to any rights of holders of preferred stock to elect additional directors under specified circumstances, the number of directors may be fixed from time to time pursuant to a resolution adopted by the New Hillman Board. The initial number of directors will be set at ten.

Requirements for Advance Notification of Stockholder Meetings, Nominations and Proposals

The New Hillman Bylaws establish advance notice procedures with respect to stockholder proposals and nomination of candidates for election as directors, other than nominations made by or at the direction of the New Hillman Board or a committee of the New Hillman Board. In order to be “properly brought” before a meeting, a stockholder will have to comply with advance notice requirements and provide New Hillman with certain information. Generally, to be timely, a stockholder’s notice must be received at New Hillman’s principal executive offices not less than 90 days nor more than 120 days prior to the first anniversary of the immediately preceding annual meeting of stockholders. The New Hillman Bylaws also specify requirements as to the form and content of a stockholder’s notice. The New Hillman Bylaws allow the chairman of the meeting at a meeting of the stockholders to adopt rules and regulations for the conduct of meetings which may have the effect of precluding the conduct of certain business at a meeting if the rules and regulations are not followed. These provisions may also defer, delay, or discourage a potential acquirer from conducting a solicitation of proxies to elect the acquirer’s own slate of directors or otherwise attempting to influence or obtain control of New Hillman.

Limitations on Stockholder Action by Written Consent

The Proposed Charter provides that, subject to the terms of any series of New Hillman Preferred Stock, any action required or permitted to be taken by the stockholders of New Hillman must be effected at an annual or special meeting of the stockholders and may not be effected by written consent in lieu of a meeting.

Business Combinations

Under Section 203 of the DGCL, a corporation will not be permitted to engage in a business combination with any interested stockholder for a period of three years following the time that such interested stockholder became an interested stockholder, unless:

- (1) prior to such time the board of directors of the corporation approved either the business combination or the transaction which resulted in the stockholder becoming an interested stockholder;
- (2) upon consummation of the transaction which resulted in the stockholder becoming an interested stockholder, the interested stockholder owned at least 85% of the voting stock of the corporation outstanding at the time the transaction commenced, excluding for purposes of determining the voting stock outstanding (but not the outstanding voting stock owned by the interested stockholder) those shares owned (i) by persons who are directors and also officers and (ii) employee stock plans in which employee participants do not have the right to determine confidentially whether shares held subject to the plan will be tendered in a tender or exchange offer; or

(3) at or subsequent to such time the business combination is approved by the board of directors and authorized at an annual or special meeting of stockholders, and not by written consent, by the affirmative vote of at least 66⅔% of the outstanding voting stock which is not owned by the interested stockholder.

Generally, a “business combination” includes a merger, asset or stock sale or other transaction resulting in a financial benefit to the interested stockholder. Subject to certain exceptions, an “interested stockholder” is a person who, together with that person’s affiliates and associates, owns, or within the previous three years owned, 15% or more of New Hillman’s outstanding voting stock. For purposes of this section only, “voting stock” has the meaning given to it in Section 203 of the DGCL.

The Proposed Charter would cause the combined company to not be governed by Section 203 of the DGCL and, instead, include a provision in the Proposed Charter that is substantially similar to Section 203 of the DGCL, but excludes from the definition of “interested stockholder” (A) the investment funds affiliated with CCMP Capital Advisors, LP and their respective successors, transferees and affiliates because such stockholders currently hold voting power of Hillman Holdco in excess of, and immediately following the Business Combination these parties will hold voting power of the combined company in excess of, the 15% threshold under Section 203, and (B) any person whose ownership of shares in excess of the 15% threshold is the result of any action taken solely by the combined company.

Cumulative Voting

Under Delaware law, the right to vote cumulatively does not exist unless the charter specifically authorizes cumulative voting. The Proposed Charter does not authorize cumulative voting.

Limitations on Liability and Indemnification of Officers and Directors

The DGCL authorizes corporations to limit or eliminate the personal liability of directors of corporations and their stockholders for monetary damages for breaches of directors’ fiduciary duties, subject to certain exceptions. New Hillman’s Charter includes a provision that eliminates the personal liability of directors for damages for any breach of fiduciary duty as a director except to the extent such exemption from liability or limitation thereof is not permitted under the DGCL as the same exists or may hereafter be amended.

The New Hillman Bylaws provide that New Hillman must indemnify and advance expenses to New Hillman’s directors and officers to the fullest extent authorized by the DGCL. New Hillman also is expressly authorized to carry directors’ and officers’ liability insurance providing indemnification for New Hillman directors, officers, and certain employees for some liabilities. New Hillman believes that these indemnification and advancement provisions and insurance are useful to attract and retain qualified directors and executive officers.

The limitation of liability, advancement and indemnification provisions in the Proposed Charter and New Hillman Bylaws may discourage stockholders from bringing lawsuit against directors for breach of their fiduciary duty. These provisions also may have the effect of reducing the likelihood of derivative litigation against directors and officers, even though such an action, if successful, might otherwise benefit New Hillman and its stockholders. In addition, your investment may be adversely affected to the extent New Hillman pays the costs of settlement and damage awards against directors and officer pursuant to these indemnification provisions.

There is currently no pending material litigation or proceeding involving any of New Hillman’s directors, officers, or employees for which indemnification is sought.

Corporate Opportunities

Under the Proposed Charter, New Hillman will renounce any interest or expectancy in, or in being offered an opportunity to participate in, any matter, transaction or interest that is presented to, or acquired, created or developed by, or which otherwise comes into the possession of, each of CCMP Capital Advisors, LP and the investment funds affiliated with CCMP Capital Advisors, LP and their respective successors, Transferees, and Affiliates (each as defined in the Proposed Charter) (other than New Hillman and its

subsidiaries) and all of their respective partners, principals, directors, officers, members, managers, equity holders and/or employees, including any who serve as officers or directors of New Hillman.

Dissenters' Rights of Appraisal and Payment

Under the DGCL, with certain exceptions, New Hillman's stockholders will have appraisal rights in connection with a merger or consolidation of New Hillman. Pursuant to the DGCL, stockholders who properly request and perfect appraisal rights in connection with such merger or consolidation will have the right to receive payment of the fair value of their shares as determined by the Delaware Court of Chancery.

Stockholders' Derivative Actions

Under the DGCL, any of New Hillman's stockholders may bring an action in New Hillman's name to procure a judgment in New Hillman's favor, also known as a derivative action, provided that the stockholder bringing the action is a holder of New Hillman's shares at the time of the transaction to which the action relates or such stockholder's stock thereafter devolved by operation of law.

Transfer Agent, Warrant Agent and Registrar

The transfer agent for New Hillman capital stock will be Continental Stock Transfer & Trust Company. New Hillman will agree to indemnify Continental Stock Transfer & Trust Company in its roles as transfer agent and warrant agent, its agents and each of its stockholders, directors, officers and employees against all claims and losses that may arise out of acts performed or omitted for its activities in that capacity, except for any liability due to any gross negligence, willful misconduct or bad faith of the indemnified person or entity.

Listing of Common Stock

Application will be made for the shares of New Hillman common stock and public warrants to be approved for listing on Nasdaq under the symbols "HLMN" and "HLMNW," respectively.

SECURITIES ACT RESTRICTIONS ON RE SALE OF COMMON STOCK**Rule 144**

Pursuant to Rule 144 under the Securities Act (“Rule 144”), a person who has beneficially owned restricted Class A common stock or warrants of New Hillman for at least six months would be entitled to sell their securities provided that (i) such person is not deemed to have been an affiliate of New Hillman at the time of, or at any time during the three months preceding, a sale and (ii) New Hillman is subject to the Exchange Act periodic reporting requirements for at least three months before the sale and has filed all required reports under Section 13 or 15(d) of the Exchange Act during the 12 months (or such shorter period as it was required to file reports) preceding the sale.

Persons who have beneficially owned restricted Class A common stock or warrants of New Hillman for at least six months but who are affiliates of New Hillman at the time of, or at any time during the three months preceding, a sale would be subject to additional restrictions, by which such person would be entitled to sell within any three-month period only a number of securities that does not exceed the greater of:

- 1% of the total number of shares of New Hillman common stock then outstanding; or
- the average weekly reported trading volume of New Hillman’s common stock during the four calendar weeks preceding the filing of a notice on Form 144 with respect to the sale.

Sales by affiliates of New Hillman under Rule 144 are also limited by manner of sale provisions and notice requirements and by the availability of current public information about New Hillman.

Restrictions on the Use of Rule 144 by Shell Companies or Former Shell Companies

Rule 144 is not available for the resale of securities initially issued by shell companies (other than business-combination related shell companies) or issuers that have been at any time previously a shell company. However, Rule 144 also includes an important exception to this prohibition if the following conditions are met:

- the issuer of the securities that was formerly a shell company has ceased to be a shell company;
- the issuer of the securities is subject to the reporting requirements of Section 13 or 15(d) of the Exchange Act;
- the issuer of the securities has filed all Exchange Act reports and material required to be filed, as applicable, during the preceding 12 months (or such shorter period that the issuer was required to file such reports and materials) other than Form 8-K reports; and
- at least one year has elapsed from the time that the issuer filed current Form 10-type information with the SEC reflecting its status as an entity that is not a shell company.

COMPARISON OF STOCKHOLDER RIGHTS

General

Landcadia is incorporated under the laws of the State of Delaware and the rights of Landcadia Stockholders are governed by the laws of the State of Delaware, including the DGCL, the Current Charter and Landcadia's bylaws. As a result of the Business Combination, Landcadia Stockholders will become holders of New Hillman common stock. New Hillman is incorporated under the laws of the State of Delaware and the rights of New Hillman stockholders are governed by the laws of the State of Delaware, including the DGCL, the Proposed Charter and the New Hillman Bylaws. Thus, following the Business Combination, the rights of Landcadia Stockholders who become New Hillman stockholders in the Business Combination will continue to be governed by Delaware law but will no longer be governed by the Current Charter and Landcadia's bylaws and instead will be governed by the Proposed Charter and the New Hillman Bylaws.

Comparison of Stockholders' Rights

Set forth below is a summary comparison of material differences between the rights of Landcadia Stockholders under the Current Charter and Landcadia's bylaws (left column), and the rights of New Hillman's stockholders under the forms of the Proposed Charter and the New Hillman Bylaws (right column). The summary set forth below is not intended to be complete or to provide a comprehensive discussion of each company's governing documents. This summary is qualified in its entirety by reference to the full text of Landcadia's Charter and Landcadia's bylaws, and the forms of the Proposed Charter and the New Hillman Bylaws, which are attached as Annex C and Annex D, respectively, as well as the relevant provisions of the DGCL.

Landcadia	New Hillman
Authorized Capital Stock	
Under the Current Charter, Landcadia is currently authorized to issue 401,000,000 shares of capital stock, consisting of (a) 400,000,000 shares of common stock, including 380,000,000 shares of Class A common stock and 20,000,000 shares of Class B common stock, and (b) 1,000,000 shares of preferred stock.	Under the Proposed Charter, as part of the transactions contemplated by the Merger Agreement, all Class B common stock shall be automatically converted on a one-for-one basis into shares of Class A common stock, and all Class A common stock shall be renamed as "common stock" for all purposes under the Proposed Charter. New Hillman will be authorized to issue 501,000,000 shares of capital stock, consisting of (i) 500,000,000 shares of New Hillman common stock, par value \$0.0001 per share, and (ii) 1,000,000 shares of preferred stock, par value \$0.0001 per share. Upon consummation of the Business Combination, we expect there will be 187,476,425 shares of New Hillman common stock (assuming no redemptions and no issuance of any shares underlying options or other equity awards of Hillman Holdco prior to the Business Combination) outstanding. Following consummation of the Business Combination, New Hillman is not expected to have any preferred stock outstanding.
Rights of Preferred Stock	
Landcadia's Board may fix for any series of preferred stock such voting powers, full or limited, or no voting powers, and such preferences,	The New Hillman Board may fix for any class or series of preferred stock such voting rights, if any, and such designations, powers preferences and

Landcadia

designations and relative, participating, optional or other special rights and such qualifications, limitations or restrictions thereof, as may be stated in the resolutions of the Landcadia Board providing for the issuance of such series.

Number and Qualification of Directors

Under the Current Charter, the number of directors of Landcadia, other than those who may be elected by the holders of one or more series of preferred stock voting separately by class or series, will be fixed from time to time exclusively by Landcadia's Board of directors pursuant to a resolution adopted by a majority of Landcadia's Board.

Classification of the Board of Directors

Under the Current Charter, subject to the rights of the holders of one or more series of preferred stock of Landcadia to elect one or more directors, the Landcadia Board is classified into three classes of directors with staggered terms of office.

Election of Directors

The Current Charter provides that, at Landcadia's annual meeting, stockholders elect directors to replace the class of directors whose term expires at that annual meeting, each of whom shall hold office for a term of three years or until his or her successor is duly elected and qualified, subject to such director's earlier death, resignation or removal.

If the number of directors is changed, any increase or decrease is apportioned among the classes to maintain an equal number of directors in each class as nearly as possible, and any additional director of any class elected to fill a vacancy will hold office for the remaining term of that class, but in no case will a decrease in the number of directors remove or shorten the term of any incumbent director.

Subject to the rights of the holders of one or more series of preferred stock, the election of directors shall be determined by a plurality of the votes cast by the stockholders present in person or represented by proxy at the meeting and entitled to vote on the election of directors.

Removal of Directors

The Current Charter provides that, subject to the

New Hillman

relative, participating, optional, special or other rights, if any, and such qualifications, limitations or restrictions thereof, as may be stated in the resolutions of the New Hillman Board providing for the issuance of such class or series and included in a certificate of designation filed pursuant to the DGCL.

Under the Proposed Charter, the number of directors of New Hillman, other than those who may be elected by the holders of one or more series of preferred stock voting separately by class or series, will be fixed from time to time exclusively by New Hillman's Board.

Under the Proposed Charter, subject to the rights of the holders of one or more series of preferred stock of New Hillman to elect one or more directors, the New Hillman Board is classified into three classes of directors with staggered terms of office.

The Proposed Charter provides that, at each annual meeting of the stockholders of New Hillman following the effectiveness of the Proposed Charter, stockholders elect directors to replace the class of directors whose term expires at that annual meeting, each of whom shall hold office for a term of three years and until his or her successor shall be elected and qualified, or his or her death, resignation, retirement, disqualification or removal from office.

If the number of directors is changed, any increase or decrease shall be apportioned by the Board among the classes so as to maintain the number of directors in each class as nearly equal as possible, and any such additional director of any class elected to fill a newly created directorship resulting from an increase in such class shall hold office for a term that shall coincide with the remaining term of that class, but in no case will a decrease in the number of directors remove or shorten the term of any incumbent director.

Subject to the rights of the holders of one or more series of preferred stock to elect directors, directors shall be elected by a plurality of the votes cast at an annual meeting of stockholders by holders of the common stock.

The Proposed Charter provides that, subject to the

Landcadia

rights of the holders of any series of preferred stock, any director or the entire Landcadia Board may be removed from office at any time, but only for cause and only by the affirmative vote of holders of at least a majority of the voting power of all then outstanding shares of capital stock of Landcadia entitled to vote generally in the election of directors, voting together as a single class.

The Current Charter provides that, except as otherwise required by law or the Current Charter, including the rights of the holders of any series of preferred stock, holders of the Landcadia Class A common stock and the Landcadia Class B common stock exclusively possess all voting power with respect to Landcadia. Except as otherwise required by law or the Current Charter, the holders of Landcadia Shares shall be entitled to one vote for each such share on each matter properly submitted to Landcadia Stockholders on which the holders of Landcadia Shares are entitled to vote.

Except as otherwise required by law or the Current Charter, including the rights of the holders of any series of preferred stock, for so long as any shares of Landcadia Class B common stock remain outstanding, Landcadia may not, without first obtaining the written consent of the holders of at least a majority of the then outstanding shares of Landcadia Class B common stock, voting separately as a single class, amend, alter or repeal any provision of the Current Charter, whether by merger, consolidation or otherwise, if such amendment, alteration or repeal would alter or change the powers, preferences or relative, participating, optional or other or special rights of the Landcadia Class B common stock.

Delaware law allows for cumulative voting only if provided for in the Current Charter; however, the Current Charter does not authorize cumulative voting.

The Current Charter provides that, subject to the rights of the holders of any series of preferred stock, newly created directorships resulting from an

At least forty-five (45) days prior to any annual or special meeting of stockholders at which it is proposed that any director be removed from office, written notice of such proposed removal and the alleged grounds thereof shall be sent to the director whose removal will be considered at the meeting.

The Proposed Charter provides that, except as otherwise required by law or the Proposed Charter, holders of New Hillman common stock shall exclusively possess all voting power with respect to New Hillman. The holders of shares of New Hillman's common stock shall be entitled to one vote for each such share on each matter properly submitted to the stockholders on which the holders of the New Hillman common stock are entitled to vote. The Current Charter provides that, subject to applicable law, the rights, if any, of outstanding shares of preferred stock and Article IX of the Current Charter, relating to business combination requirements, the holders of Landcadia Shares shall be entitled to receive dividends and other distributions (payable in cash, property, or capital stock of Landcadia) when, as, and if declared by the Board of directors from time to time out of any assets of Landcadia legally available for dividends, and shall be treated equally, identically, and ratably, on a per share basis, with respect to any dividends.	The Proposed Charter provides that, subject to the rights, if any, of the holders of outstanding shares of preferred stock, the holders of shares of New Hillman common stock shall be entitled to receive dividends and other distributions (payable in cash, property, or capital stock of New Hillman) when, as, and if declared by the Board from time to time out of any assets or funds of New Hillman legally available for dividends, and shall be treated equally on a per share basis, with respect to any dividends.
Liquidation	
The Current Charter provides that, subject to applicable law, the rights, if any, of the holders of outstanding shares of preferred stock, and Article IX of the Current Charter, relating to business combination requirements, following the payment or provision for payment of the debts and other liabilities of Landcadia in the event of an voluntary or involuntary liquidation, dissolution, or winding-up of Landcadia, the holders of Landcadia Shares shall be entitled to receive all the remaining assets of Landcadia available for distribution to its stockholders, ratably in proportion to the number of shares of Landcadia Shares held by them.	The Proposed Charter provides that, subject to the rights, if any, of the holders of outstanding shares of preferred stock, following the payment or provision for payment of the debts and other liabilities of New Hillman in the event of any voluntary or involuntary liquidation, dissolution, or winding up of New Hillman, the holders of New Hillman's common stock shall be entitled to receive all the remaining assets of New Hillman available for distribution to its stockholders, ratably in proportion to the number of shares of New Hillman's common stock held by them.
Anti-Takeover Provisions and Other Stockholder Protections	
The anti-takeover provisions and other stockholder protections in the Current Charter include a staggered board, a prohibition on stockholder action by written consent (subject to exceptions, described above under "Stockholder Action by Written Consent") and blank check preferred stock. In addition, under the Current Charter, Landcadia is subject to Section 203 of the DGCL, which prohibits a Delaware corporation from engaging in a "business combination" with an "interested stockholder" (i.e., a stockholder owning 15% or more of Landcadia voting stock) for three years following the time that the "interested stockholder" becomes such, subject to certain exceptions.	The anti-takeover provisions and other stockholder protections in the Proposed Charter include the staggered Board, a prohibition on stockholder action by written consent, and blank check preferred stock. The Proposed Charter would cause New Hillman to not be governed by Section 203 of the DGCL and, instead, include a provision in the Proposed Charter that is substantially similar to Section 203 of the DGCL, but excludes from the definition of "interested stockholder" (A) the investment funds affiliated with CCMP Capital Advisors, LP and their respective successors, transferees and affiliates (the "Sponsor Holders") because such stockholders currently hold voting power of Hillman Holdco in excess of, and immediately following the Business Combination these parties will hold voting power of the combined company in excess of, the 15% threshold under Section 203 of the DGCL, and (B) any person whose ownership of shares in excess of the 15% threshold is the result of any action taken solely by New Hillman.

Fiduciary Duties of Directors

Under Delaware law, the standards of conduct for directors have developed through Delaware court case law. Generally, directors must exercise a duty of care and duty of loyalty and good faith to the company and its stockholders. Transfer of Stock

The Landcadia bylaws provide that Landcadia Stockholders may transfer Landcadia Shares, and Landcadia shall register the requested transfer, if a certificate representing Landcadia Shares is presented to Landcadia with an endorsement requesting the registration of transfer of such shares, certified or uncertified, according to the method specified in the Landcadia bylaws. Whenever any transfer of Landcadia Shares has been made for collateral security and not absolutely, Landcadia shall record such fact in the entry of transfer if, when the certificate is presented (or if uncertified, when instructions for registration) to Landcadia, both the transferor and transferee request Landcadia to do so.

Under the Landcadia bylaws, Landcadia has the right to restrict the transfer or registration of transfer of Landcadia Shares if permitted by the DGCL and noted conspicuously on the certificate representing such Landcadia Shares, but any such restriction is ineffective against a person without actual knowledge of such restriction, except in certain circumstances.

The New Hillman Bylaws provide that the transfer of shares of New Hillman's common stock shall be made only upon the transfer books of New Hillman, which will be kept at New Hillman's office within or without the State of Delaware, or by transfer agents who are designated to transfer shares of New Hillman stock.

BENEFICIAL OWNERSHIP OF SECURITIES

The following table sets forth information known to Landcadia regarding the beneficial ownership of Landcadia common stock before the Business Combination and, immediately following consummation of the Business Combination, ownership of shares of New Hillman common stock assuming that no public shares are redeemed, and alternatively that the maximum number of our public shares are redeemed, by:

- each person known by us to be or expected to be, the beneficial owner of more than 5% of our outstanding common stock;
- each of our executive officers and directors;
- each person who will become an executive officer or director of New Hillman; and
- all our executive officers and directors as a group before the Business Combination and all executive officers and directors of New Hillman following the Business Combination.

Beneficial ownership is determined according to the rules of the SEC, which generally provide that a person has beneficial ownership of a security if he, she or it possesses sole or shared voting or investment power over that security, including options and warrants that are currently exercisable or exercisable within 60 days.

The expected beneficial ownership of New Hillman common stock after the Business Combination, assuming that the maximum number of public shares are redeemed has been determined based on the following: (i) holders of 13,700,000 public shares have exercised their redemption rights to receive cash from the trust account in exchange for their shares of Landcadia Class A common stock and we have not issued any additional shares of our Class A common stock; (ii) the Sponsors forfeit an aggregate of 3,828,000 founder shares, (iii) 37,500,000 shares of Landcadia Class A common stock are issued to the PIPE Investors in connection with the Private Placement, (iv) 91,304,425 shares of New Hillman common stock have been issued pursuant to the Merger Agreement, (v) no warrants have been exercised by any warrant holder, and (vi) there will be an aggregate of 173,776,425 shares of New Hillman common stock (including shares issued upon conversion of the founder shares) issued and outstanding at the Closing.

Corporate Governance

New Hillman will structure its corporate governance in a manner that Hillman Holdco and Landcadia believe will closely align its interests with those of its stockholders following the Business Combination. Notable features of this corporate governance include:

- New Hillman will have independent director representation on its audit, compensation and nominating and corporate governance committees immediately at the time of the Business Combination, and its independent directors will meet regularly in executive sessions without the presence of its corporate officers or non-independent directors;
- at least one of its directors will qualify as an “audit committee financial expert” as defined by the SEC; and
- it will implement a range of other corporate governance best practices, including placing limits on the number of directorships held by its directors to prevent “overboarding” and implementing a robust director education program.

Role of Board in Risk Oversight

The board of directors will have extensive involvement in the oversight of risk management related to New Hillman and its business and will accomplish this oversight through the regular reporting to the board of directors by the audit committee. The audit committee will represent the board of directors by periodically reviewing New Hillman’s accounting, reporting and financial practices, including the integrity of its financial statements, the surveillance of administrative and financial controls and its compliance with legal and regulatory requirements. Through its regular meetings with management, including the finance, legal, internal audit and information technology functions, the audit committee will review and discuss all significant areas of New Hillman’s business and summarize for the board of directors all areas of risk and the appropriate mitigating factors. In addition, the board of directors will receive periodic detailed operating performance reviews from management.

Composition of the New Hillman Board of Directors After the Merger

New Hillman’s business and affairs will be managed under the direction of its board of directors. In connection with the Business Combination, we will amend and restate Landcadia’s existing charter to declassify the board of directors.

Board Committees

After the completion of the Business Combination, the standing committees of New Hillman's board of directors will consist of an audit committee, a compensation committee and a nominating and corporate governance committee. The board of directors may from time to time establish other committees.

New Hillman's president and chief executive officer and other executive officers will regularly report to the non-executive directors and the audit, the compensation and the nominating and corporate governance committees to ensure effective and efficient oversight of our activities and to assist in proper risk management and the ongoing evaluation of management controls. We believe that the leadership structure of New Hillman's board of directors will provide appropriate risk oversight.

Audit Committee

Upon the completion of the Business Combination, we expect New Hillman to have an audit committee, consisting of Philip Woodlief, who will be serving as the chairperson, John Swygert, Teresa Gendron and Daniel O'Leary. Each proposed member of the audit committee qualifies as an independent director under Nasdaq corporate governance standards and the independence requirements of Rule 10A-3 under the Exchange Act. Following the Business Combination, New Hillman's board of directors will determine which member of its audit committee qualifies as an "audit committee financial expert" as such term is defined in Item 407(d)(5) of Regulation S-K and possesses financial sophistication, as defined under the rules of Nasdaq.

The purpose of the audit committee will be to prepare the audit committee report required by the SEC to be included in New Hillman's proxy statement and to assist the board of directors in overseeing and monitoring (1) the quality and integrity of the financial statements, (2) compliance with legal and regulatory requirements, (3) New Hillman's independent registered public accounting firm's qualifications and independence, (4) the performance of New Hillman's internal audit function and (5) the performance of New Hillman's independent registered public accounting firm.

The board of directors will adopt a written charter for the audit committee which will be available on New Hillman's website upon the completion of the Business Combination.

Compensation Committee

Upon the completion of the Business Combination, we expect New Hillman to have a compensation committee, consisting of Richard Zannino, who will be serving as the chairperson, Joseph Scharfenberger, Aaron Jagdfeld, Diana Dowling and Daniel O'Leary.

The purpose of the compensation committee is to assist the board of directors in discharging its responsibilities relating to (1) setting New Hillman's compensation program and compensation of its executive officers and directors, (2) monitoring New Hillman's incentive and equity-based compensation plans and (3) preparing the compensation committee report required to be included in New Hillman's proxy statement under the rules and regulations of the SEC.

The board of directors will adopt a written charter for the compensation committee which will be available on New Hillman's website upon the completion of the Business Combination.

Nominating and Corporate Governance Committee

Upon the completion of the Business Combination, we expect New Hillman to have a nominating and corporate governance committee, consisting of Teresa Gendron, who will be serving as the chairperson, Daniel O'Leary, John Swygert, Aaron Jagdfeld, David Owens, Philip Woodlief, Diana Dowling, Joseph Scharfenberger and Richard Zannino. The purpose of the nominating and corporate governance committee will be to assist the board of directors in discharging its responsibilities relating to (1) identifying individuals qualified to become new board of directors members, consistent with criteria approved by the board of directors, (2) reviewing the qualifications of incumbent directors to determine whether to recommend them for reelection and selecting, or recommending that the board of directors select, the director nominees for the next annual meeting of stockholders, (3) identifying board of directors members qualified to fill

vacancies on any board of directors committee and recommending that the board of directors appoint the identified member or members to the applicable committee, (4) reviewing and recommending to the board of directors corporate governance principles applicable to New Hillman, (5) overseeing the evaluation of the board of directors and management and (6) handling such other matters that are specifically delegated to the committee by the board of directors from time to time.

The board of directors will adopt a written charter for the nominating and corporate governance committee which will be available on New Hillman's website upon completion of the Business Combination.

Code of Business Conduct

New Hillman will adopt a new code of business conduct that applies to all of its directors, officers and employees, including its principal executive officer, principal financial officer and principal accounting officer, which will be available on New Hillman's website upon the completion of the Business Combination. New Hillman's code of business conduct is a "code of ethics", as defined in Item 406(b) of Regulation S-K. Please note that New Hillman's Internet website address is provided as an inactive textual reference only. New Hillman will make any legally required disclosures regarding amendments to, or waivers of, provisions of its code of ethics on its Internet website.

Compensation Committee Interlocks and Insider Participation

No member of the compensation committee was at any time during fiscal year 2020, or at any other time, one of our officers or employees. None of our executive officers has served as a director or member of a compensation committee (or other committee serving an equivalent function) of any entity, one of whose executive officers served as a director of our board of directors or member of our compensation committee.

Independence of the Board of Directors

Nasdaq rules require that independent directors must comprise a majority of a listed company's board of directors. Based upon information requested from and provided by each proposed director concerning his or her background, employment and affiliations, including family relationships, we have determined that Daniel O'Leary, John Swygert, Aaron Jagdfeld, David Owens, Philip Woodlief, Diana Dowling, Joseph Scharfenberger, Richard Zannino and Teresa Gendron, representing nine of New Hillman's ten proposed directors, will be "independent" as that term is defined under the applicable rules and regulations of the SEC and the listing requirements and rules of Nasdaq.

Compensation of Directors and Executive Officers

Overview

Following the Closing of the Business Combination, we expect New Hillman's executive compensation program to be consistent with Hillman's existing compensation policies and philosophies, which are designed to:

- attract, retain and motivate senior management leaders who are capable of advancing Hillman's mission and strategy and, ultimately, creating and maintaining its long-term equity value. Such leaders must engage in a collaborative approach and possess the ability to execute its business strategy in an industry characterized by competitiveness and growth;
- reward senior management in a manner aligned with Hillman's financial performance; and
- align senior management's interests with Hillman's equity owners' long-term interests through equity participation and ownership.

Following the Closing of the Business Combination, decisions with respect to the compensation of New Hillman's executive officers, including its named executive officers, will be made by the compensation committee of the board of directors. In connection with the Business Combination, the compensation committee also retained Pearl Meyer & Partners, LLC, an independent executive compensation consultant,

to advise on New Hillman's executive and director compensation. The following discussion is based on the present expectations as to the compensation of the named executive officers and directors following the Business Combination. The actual compensation of the named executive officers will depend on the judgment of the members of the compensation committee and may differ from that set forth in the following discussion.

We anticipate that compensation for New Hillman's executive officers will have the following components: base salary, cash bonus opportunities, long-term incentive compensation, broad-based employee benefits, supplemental executive perquisites and severance benefits. Base salaries, broad-based employee benefits, supplemental executive perquisites and severance benefits will be designed to attract and retain senior management talent. New Hillman will also use annual cash bonuses and long-term equity awards to promote performance-based pay that aligns the interests of its named executive officers with the long-term interests of its equity owners and to enhance executive retention.

Base Salary

We expect that the base salaries of New Hillman's named executive officers in effect prior to the Business Combination as described under "New Hillman Management after the Business Combination — Compensation of Directors and Executive Officers" will be subject to increases made in connection with reviews by the compensation committee.

Annual Bonuses

We expect that New Hillman will use annual cash incentive bonuses for the named executive officers to motivate their achievement of short-term performance goals and tie a portion of their cash compensation to performance. We expect that, near the beginning of each year, the compensation committee will select the performance targets, target amounts, target award opportunities and other terms and conditions of annual cash bonuses for the named executive officers, subject to the terms of their employment agreements. Following the end of each year, the compensation committee will determine the extent to which the performance targets were achieved and the amount of the award that is payable to the named executive officers.

Stock-Based Awards

We expect New Hillman to use stock-based awards in future years to promote its interests by providing these executives with the opportunity to acquire equity interests as an incentive for their remaining in its service and aligning the executives' interests with those of New Hillman's equity holders. Stock-based awards for our directors and named executive officers will be awarded in future years under the Incentive Equity Plan, which will be adopted by Landcadia's Board in connection with the Business Combination and is being submitted to Landcadia's stockholders for approval at the Special Meeting. For a description of the Incentive Equity Plan, please see "*The Incentive Plan Proposal*."

Other Compensation

We expect New Hillman to continue to maintain various employee benefit plans currently maintained by Hillman Holdco, including medical, dental, vision, life insurance and 401(k) plans, paid vacation, sick leave and holidays and employee assistance program benefits in which the named executive officers will participate. We also expect New Hillman to continue to provide its named executive officers with specified perquisites and personal benefits currently provided by Hillman Holdco that are not generally available to all employees.

Director Compensation

Following the Business Combination, non-employee directors of New Hillman will receive varying levels of compensation for their services as directors and members of committees of New Hillman's board of directors, in accordance with a non-employee director compensation policy that will be put in place following the Business Combination. New Hillman anticipates determining director compensation in accordance with industry practice and standards.

Throughout this section, unless otherwise noted, "we," "us," "our," the "company" and similar terms refer to HMAN Group Holdings, Inc. and its subsidiaries prior to the consummation of the Business Combination, and to HMAN Group Holdings, Inc. and its subsidiaries after the Business Combination.

- Douglas J. Cahill, President and Chief Executive Officer
- Robert O. Kraft, Chief Financial Officer and Treasurer

- George S. Murphy, Executive Vice President, Sales

Overview of the Compensation Program

Compensation Philosophy

The objective of our corporate compensation and benefits program is to establish and maintain competitive total compensation programs that will attract, motivate, and retain the qualified and skilled workforce necessary for the continued success of our business. To help align compensation paid to executive officers with the achievement of corporate goals, we have designed our cash compensation program as a pay-for-performance based system that rewards NEOs for their individual performance and contribution in achieving corporate goals. In determining the components and levels of NEO compensation each year, the compensation committee of our board of directors (our "compensation committee") considers company performance, and each individual's performance and potential to enhance long-term stockholder value. To remain competitive, our compensation committee also periodically reviews compensation survey information published by various organizations as another factor in setting NEO compensation. Our compensation committee relies on judgment and does not have any formal guidelines or formulas for allocating between long-term and currently paid compensation, cash and non-cash compensation, or among different forms of non-cash compensation for our NEOs.

Components of Total Compensation

Compensation packages in 2020 for our NEOs were comprised of the following elements:

Short-Term Compensation Elements

Element	Role and Purpose
Base Salary	Attract and retain executives and reward their skills and contributions to the day-to-day management of our company.
Annual Performance-Based Bonuses	Motivate the attainment of annual company and division, financial, operational, and strategic goals by paying bonuses determined by the achievement of specified performance targets with a performance period of one year.
Discretionary Bonuses	From time to time, we may award discretionary bonuses to compensate executives for special contributions or extraordinary circumstances or events.

Long-Term Compensation Elements

Element	Role and Purpose
Stock Options and other Equity-Based Awards	Motivate the attainment of long-term value creation, align executive interests with the interests of our stockholders, create accountability for executives to enhance stockholder value, and promote long-term retention through the use of multi-year vesting equity awards.
Long Term Cash Retention Plan	Align executive interests, create accountability and retain executives through the integration of our various acquisitions.
Change of Control Benefits	Promote long-term retention and align the interests of executives with stockholders by providing for acceleration of equity vesting in the event of a change in control transaction.
Severance Benefits	We provide modest severance protection in the form of continued base salary and bonus payments in the event of a termination of employment without cause or for good reason for individual NEOs, as described below. payments in the event of a change in control.

Benefits

Element	Role and Purpose
Employee Benefit Plans and Perquisites	Participation in company-wide health and retirement benefit programs, provide financial security and additional compensation commensurate with senior executive level duties and responsibilities.

Process*Role of our Compensation Committee and Management*

Our compensation committee meets annually to review and consider base salary and any proposed adjustments, prior year annual performance bonus results and targets for the current year, and any long-term incentive awards. Our compensation committee also reviews the compensation package for all new executive officer hires.

The key member of management involved in the compensation process is our Chief Executive Officer (“CEO”), Douglas J. Cahill. Our CEO presents recommendations for each element of compensation for each NEO, other than himself, to our compensation committee, which in turn evaluates these goals and either approves or appropriately revises them and presents them to our board of directors for review and approval. On an annual basis, a comprehensive report is provided by the CEO to our compensation committee on all of our compensation programs.

Determination of CEO Compensation

Our compensation committee determines the level of each element of compensation for our CEO and presents its recommendations to our full board of directors for review and approval. Consistent with its determination process for other NEOs, our compensation committee considers a variety of factors when determining compensation for our CEO, including past corporate and individual performance, general market survey data for similar size companies, and the degree to which the individual’s contributions have the

potential to influence the outcome of the company's short and long-term operating goals and alignment with shareholder value.

Assessment of Market Data and Use of Compensation Consultants

In establishing the compensation for each of our NEOs, our compensation committee considers information about the compensation practices of companies both within and outside our industry and geographic region, and considers evolving compensation trends and practices generally. Our compensation committee periodically reviews third-party market data published by various organizations such as the National Association of Manufacturers, the Compensation Data Manufacturing and Distribution Survey. Our compensation committee may review such survey data for market trends and developments, and utilize such data as one factor when making its annual compensation determinations. Our compensation committee does not typically use market data to establish specific targets for compensation or any particular component of compensation, and does not otherwise numerically benchmark its compensation decisions. Rather, our compensation committee may review survey information about the type and amount of compensation paid to executives in similar positions and with similar responsibilities as reported on an aggregate basis for companies with comparable sales volume and number of employees both within and outside its industry and geographic region. We did not utilize an executive compensation consultant with respect to compensation determinations we made in fiscal years 2020, 2019, or 2018. As discussed below, in connection with the Business Combination, Pearl Meyer & Partners, LLC was engaged as an independent executive compensation consultant to advise on the executive and director compensation programs of New Hillman.

Short-Term Compensation Elements

Base Salary

We believe that executive base salaries are an essential element to attract and retain talented and qualified executives. Base salaries are designed to provide financial security and a minimum level of fixed compensation for services rendered to the company. Base salary adjustments may reflect an individual's performance, experience, and/or changes in job responsibilities. We also consider the other compensation we provide to our NEOs, such as the value of outstanding options, when determining base salary.

The rate of annual base salary for each NEO for fiscal years 2020, 2019, or 2018 are set forth below.

Name	2020 Base Salary	2019 Base Salary	2018 Base Salary
Douglas J. Cahill ⁽¹⁾	\$650,000	\$650,000	\$ —
Robert O. Kraft	\$415,000	\$415,000	\$415,000
Randall J. Fagundo	\$330,000	\$286,000	\$286,000
George S. Murphy	\$350,000	\$350,000	\$350,000
Jarrold T. Streng	\$385,000	\$350,000	\$350,000

- (1) Mr. Cahill was not an NEO in 2018; he was hired effective July 29, 2019 as Executive Chairman, Senior Executive Officer and promoted to President and Chief Executive Officer effective September 16, 2019.
- (2) Due to the uncertainty of the COVID-19 pandemic, base salaries for Mr. Cahill, Mr. Kraft were reduced 10% on March 29, 2020. Base salaries for Mr. Cahill and Mr. Kraft were further reduced to a 20% total reduction on April 20, 2020 and Mr. Fagundo's base salary was reduced by 20% on April 20, 2020. Base salaries were reinstated on May 31, 2020 based on company performance.

The increase, if any, in base salary for each NEO for a fiscal year reflects each individual's particular skills, responsibilities, experience, and prior year performance. The fiscal year 2020 base salary amounts were determined as part of the total compensation paid to each NEO and were not considered, by themselves, as fully compensating the NEOs for their service to the company.

Annual Performance-Based Bonuses

Pursuant to their employment agreements, each NEO is eligible to receive an annual cash bonus under the terms of a performance-based bonus plan. Each employment agreement specifies an annual target and maximum bonus as a percentage of the NEO's annual base salary, which percentages may be adjusted (but not decreased below those stated in the NEO's employment agreement) for any particular year in the discretion of our board of directors. The specific performance criteria and performance goals are established annually by our compensation committee in consultation with our CEO (other than with respect to himself) and approved by our board of directors. The performance targets are communicated to the NEOs following formal approval by our compensation committee and our board of directors, which is normally around March. The table below shows the target bonus and maximum bonuses as a percentage of base salary for each NEO for 2020. Generally, the higher the level of responsibility of the NEO within the company, the greater the percentages of base salary applied for that individual's target and maximum bonus compensation.

2020 Target and Maximum Bonus

Name	2020 Minimum Bonus as Percentage of Base Salary	2020 Target Bonus as Percentage of Base Salary	2020 Maximum Bonus as Percentage of Base Salary
Douglas J. Cahill	50%	100%	150%
Robert O. Kraft	30%	60%	90%
Randall J. Fagundo	25%	50%	75%
George S. Murphy	25%	50%	75%
Jarrold T. Streng	25%	50%	75%

Each NEO's annual bonus is determined based on actual performance in several categories of pre-established performance criteria as further described below. If actual results for each performance category equal the specified target performance level, the total bonus is the target bonus shown above. If actual results for each performance category equal or exceed the specified maximum performance level, the total bonus is the maximum bonus shown above. As described below, for some performance criteria, a portion of the target bonus may be payable if actual results for that category are less than the target performance level but are at least equal to a specified threshold level of performance.

For 2020, the bonus criteria for all NEOs included two company performance goals measured by 1) our Adjusted EBITDA for the year ended December 26, 2020, which is our consolidated earnings before interest, taxes, depreciation, and amortization, as adjusted for non-recurring charges as shown in the "Non-GAAP Financial Measures" section of this proxy statement/prospectus, further adjusted for inventory valuation charges and expenses associated with the implementation of cost saving initiatives ("Compensation Adjusted EBITDA"), and 2) our consolidated cash flow, which is the change in cash plus the reduction in the revolver and the principle of the term loan during the year ended December 26, 2020 ("Consolidated Cash Flow"). Bonus criteria for Mr. Murphy in 2020 included a gross sales target, which is our total sales to certain of our national account customers during the year ended December 26, 2020, unadjusted for the costs related to those sales ("NAC Gross Sales"). Bonus criteria for Mr. Streng included a segment-specific performance goal measured by Compensation Adjusted EBITDA, as described above, specific to the Hardware and Protective Solutions segment of our business ("Protective Solutions EBITDA"). For the bonus to be funded, the Compensation Adjusted EBITDA target must meet the threshold. Once the Compensation Adjusted EBITDA threshold is met, the final payout is dependent on the achievement of all metrics and their respective targets. Achievement at levels between threshold and maximum will result in payments on a sliding scale.

The table below shows the performance criteria for fiscal year 2020 selected for each NEO and the relative weight of total target bonus assigned to each component.

2020 Performance Criteria and Relative Weight

Long-Term Compensation Elements

Stock Options

All equity awards are granted under the HMAN Group Holdings Inc. 2014 Equity Incentive Plan (the “2014 Equity Incentive Plan”), pursuant to which Holdco may grant options, stock appreciation rights, restricted stock, and other stock-based awards in respect of an aggregate of 94,195 shares. The 2014 Equity Incentive Plan is administered by the compensation committee. Such committee determines the terms of each stock-based award grant under the 2014 Equity Incentive Plan, except that the exercise price of any

granted options and the base price of any granted stock appreciation rights may not be lower than the fair market value of one share of common stock of the company as of the date of grant.

Our 2014 Equity Incentive Plan is designed to align the interests of our stockholders and executive officers by increasing the proprietary interest of our executive officers in our growth and success to advance our interests by attracting and retaining key employees, and motivating such executives to act in our long-term best interests. We grant equity awards to promote the success and enhance the value of the company by providing participants with an incentive for outstanding performance. Equity-based awards also provide the company with the flexibility to motivate, attract, and retain the services of employees upon whose judgment, interest, and special effort the successful conduct of our operation is largely dependent.

On July 30, 2020, we granted 1,940 stock options to each of Messrs. Kraft and Fagundo. These options were time-based awards which, beginning on the first anniversary of the grant date, vest 25% annually until fully vested on the fourth anniversary of the grant date, subject to the optionee's continued employment on each such vesting date.

On January 22, 2021, to provide additional long-term retention incentives and to reward them for their outstanding performance and contributions leading up to the Business Combination, we granted 4,956 stock options to Mr. Cahill, 1,625 stock options to Mr. Kraft, 958 stock options to Mr. Fagundo, 750 stock options to Mr. Murphy, and 958 stock options to Mr. Streng. Two-thirds of the options vest in four equal annual installments based on continued service, and one-third of the options vest 50% on January 1, 2022 if the company achieves or exceeds an EBITDA target of \$240 million for fiscal year 2021, and 50% on January 1, 2023 if the company achieves or exceeds an EBITDA target of \$260 million for fiscal year 2022.

Long Term Cash Retention Plan

In 2018, our compensation committee adopted a long term cash retention incentive plan (the "LTCI"), designed to align executive interests, create accountability and retain executives through the integration of Hillman's various acquisitions. The LTCI is tied to the achievement of EBITDA-based financial performance targets for our recently acquired businesses (MinuteKey and Big Time) along with the core Hillman business. The LTCI was granted to executives involved with the integration of the acquired businesses. The table below shows the LTCI payout amounts based on the achievement of threshold, target, and maximum 2020 EBITDA as set forth in the plan. In each case, EBITDA means the consolidated earnings before interest, taxes, depreciation, and amortization, as typically adjusted for non-recurring charges, but tied to the specific entity or business segment and for each applicable fiscal year.

2018 Long Term Cash Retention Plan Threshold, Target and Maximum Bonus

Name	Threshold (\$)	Target (\$)	Maximum (\$)
Robert O. Kraft	500,000	1,000,000	1,500,000
Randall J. Fagundo	737,000	1,474,000	2,211,000

The threshold, target and maximum amounts of target EBITDA, for Minutekey and Big Time in respect of Mr. Kraft's LTCI bonus and MinuteKey in respect of Mr. Fagundo's LTCI bonus, that determine the NEOs' earning of their LTCI bonuses are as follows:

Name	Threshold EBITDA (\$)	Target EBITDA (\$)	Maximum EBITDA (\$)
Robert O. Kraft	62,000,000	76,000,000	90,000,000
Randall J. Fagundo	22,000,000	28,000,000	34,000,000

In 2020, the LTCI plan was modified for certain executives, including Messrs. Murphy and Streng. The modified LTCI plan is tied to the achievement of 2020 and 2021 EBITDA targets for Big Time. The table below shows the LTCI payouts based on the achievement of target EBITDA in 2020 and target and maximum EBITDA in 2021 as set forth in the plan.

Name	2020 Payout		2021 Payout	
	Target (\$)	Target (\$)	Target (\$)	Maximum (\$)
George S. Murphy	1,500,000	500,000	500,000	1,000,000
Jarrold T. Streng	1,500,000	500,000	500,000	1,000,000

The target and maximum amounts of EBITDA that determine the NEOs' earning of their LTCI bonuses are as follows:

Name	December 31, 2020 Target EBITDA (\$)	December 31, 2021 Target EBITDA (\$)	December 31, 2021 Maximum EBITDA (\$)
George S. Murphy	62,000,000	62,000,000	70,400,000
Jarrold T. Streng	62,000,000	62,000,000	70,400,000

Severance and Change in Control Benefits

We have entered into employment agreements with each of our NEOs that provide for severance payments and benefits in the event the NEO's employment is terminated under specified conditions including death, disability, termination by the company without "cause," or the NEO resigns for "good reason" (each as defined in the agreements). In addition, we have provided for certain equity acceleration benefits designed to assure the company of the continued employment and attention and dedication to duty of these key management employees and to seek to ensure the availability of their continued service, notwithstanding the possibility or occurrence of a change in control of the company and resultant employment termination. The severance payments and equity vesting benefits payable both in the event of, and independently from, a change in control are in amounts that we have determined are necessary to remain competitive in the marketplace for executive talent. See "Potential Payments Upon Termination or Change in Control" for additional information. The Business Combination will not constitute a change in control of Hillman Holdco for purposes of any compensatory arrangements with our executive officers or directors.

Employee Benefit Plans and Perquisites

Executives are eligible to participate in the same health and benefit plans generally available to all full-time employees, including health, dental, vision, term life, disability insurance, and supplemental long term disability insurance. In addition, the NEOs are eligible to participate in Hillman Holdco's Defined Contribution Plan (401(k) Plan) and Nonqualified Deferred Compensation Plan, both described below.

Defined Contribution Plans

Our NEOs and most other full-time U.S. employees are covered under a 401(k) retirement savings plan (the "Defined Contribution Plan") which permits employees to make tax-deferred contributions and provides for a matching contribution of 50% of each dollar contributed by the employee up to 6% of the employee's compensation. In addition, the Defined Contribution Plan provides a discretionary annual contribution in amounts authorized by our board of directors, subject to the terms and conditions of the plan.

Nonqualified Deferred Compensation Plan

Our NEOs and certain other employees are eligible to participate in the Hillman Holdco Nonqualified Deferred Compensation Plan (the "Deferred Compensation Plan"). The Deferred Compensation Plan allows eligible employees to defer up to 25% of salary and commissions and up to 100% of bonuses. The Company contributes a matching contribution of 25% on the first \$10,000 of employee deferrals, subject to a five-year vesting schedule.

Perquisites

Mr. Kraft, Mr. Fagundo, Mr. Murphy, and Mr. Streng are entitled to reimbursement for the reasonable expenses of leasing or buying a car up to \$700, \$700, \$750, and \$750, respectively, per month.

Miscellaneous

We have not historically imposed any equity or security ownership guidelines for executives, including the NEOs. Our compensation committee considers the accounting and tax treatment of particular forms of compensation awarded to NEOs as part of its overall review of compensation, but does not structure its compensation practices to comply with specific accounting or tax treatment.

Compensation Committee Report

The compensation committee of the Hillman Holdco board of directors has reviewed and discussed the foregoing Compensation Discussion and Analysis required by Item 402(b) of Regulation S-K with management. Based on this review and discussion, the compensation committee recommended to the Hillman Holdco board of directors that the Compensation Discussion and Analysis be included in this proxy statement/prospectus.

Respectfully submitted,

(1) All stock options reported in the table above are options to acquire Holdco common stock granted under the 2014 Equity Incentive Plan. Pursuant to each NEO's stock option award agreement (other than options granted to Mr. Cahill in 2019 and options granted to Mr. Kraft and Mr. Fagundo in 2020), these options were divided into two equal vesting tranches. The first tranche is a time-based award which, beginning on the first anniversary of the grant date, vests 25% annually until fully vested on the fourth anniversary of the grant date, subject to the optionee's continued employment on each such vesting date.

The second tranche of each stock option grant is performance-based. Subject to the optionee's continuous employment through the consummation of a sale event, 100% of the performance-based options will vest if the CCMP stockholders receive proceeds resulting in a multiple on investment of at least 2.0. Options granted to Mr. Cahill in 2019 and options granted to Mr. Kraft and Mr. Fagundo in 2020 do not contain the performance based vesting criteria and vest solely on the time-based schedule described above.

Option Exercises and Stock Vested During Fiscal Year 2020

No NEO exercised any stock options during the year ended December 26, 2020. There were no other stock-based awards eligible for vesting during fiscal year 2020.

Nonqualified Deferred Compensation for Fiscal Year 2020

The following table sets forth activity in the Deferred Compensation Plan for the NEOs for the year ended December 26, 2020:

Name	Executive Contributions (\$) ⁽¹⁾	Company Matching Contributions (\$) ⁽²⁾	Aggregate Earnings (\$) ⁽³⁾	Aggregate Withdrawal/Distributions (\$)	Aggregate Balance at 12/26/2020 (\$) ⁽⁴⁾

Jarrold T. Streng	11,514	2,500	2,646	—	16,603

-
- (1) The amounts in this column represent the deferral of base salary and annual performance bonuses. These amounts are also included in the Summary Compensation Table in the Salary or Non-Equity Incentive Plan Compensation columns, as appropriate.
 - (2) The amounts in this column are also included in the Summary Compensation Table in the All Other Compensation column.
 - (3) Earnings in the Deferred Compensation Plan were not at a level required to be included in the Summary Compensation Table.
 - (4) Amounts reported in this column for each NEO include amounts previously reported in the company's Summary Compensation Table in previous years when earned if that officer's compensation was required to be disclosed in a previous year. Amounts previously reported in such years include previously earned, but deferred, salary and bonus and company matching contributions. This total reflects the cumulative value of each NEO's deferrals, matching contributions, and investment experience.

All of our executives, including each of our NEOs, are eligible to participate in the Deferred Compensation Plan. The Deferred Compensation Plan allows eligible employees to defer up to 25% of salary and commissions and up to 100% of bonuses. A separate account is maintained for each participant in the Deferred Compensation Plan, reflecting hypothetical contributions, earnings, expenses, and gains or losses. The plan is "unfunded" for tax purposes — those are notional accounts and not held in trust. We contribute a matching contribution of 25% on the first \$10,000 of salary and bonus deferrals. Participants in the Deferred Compensation Plan can choose to invest amounts deferred and the matching company contributions in a variety of mutual fund investments, consisting of bonds, stocks, and short-term investments as well as blended funds. The available investment choices are the same as the primary investment choices available under the Defined Contribution Plan. The account balances are thus subject to investment returns and will change over time depending on market performance. A participant is entitled to receive his or her account balance upon termination of employment or the date or dates selected by the participant on his or her enrollment forms. If a participant dies or experiences a total and permanent disability before terminating employment and before commencement of payments, the entire value of the participant's account shall be paid at the time selected by the participant in his or her enrollment forms.

Potential Payments Upon Termination or Change in Control

Severance Payments and Benefits under Employment Agreements

We have an employment agreement with each NEO that provides for specified payments and benefits in connection with certain terminations of employment.

No severance payments or benefits are payable in the event of a termination for cause or resignation without good reason (each as defined below). Additional severance payments and benefits for each NEO are described below.

For all NEOs, severance payments and benefits are conditioned upon the execution by the executive of a release of claims against the Company and his continued compliance with the restrictive covenants contained in the employment agreement and/or stock option award agreement. The employment agreements and/or stock option award agreements require the executive not to disclose at any time confidential information of the company or of any third party to which the company has a duty of confidentiality and to assign to the company all intellectual property developed during employment. Pursuant to their employment agreements and/or stock option award agreements, the executives are also required (i) during employment and for one year thereafter not to compete with the company and (ii) during employment and for two years thereafter not to solicit the employees, customers, or business relations of the company or make disparaging statements about the company.

Douglas J. Cahill

For Mr. Cahill, in the event of termination of employment by the company without cause or resignation by Mr. Cahill with good reason, Mr. Cahill would be entitled to continued payments of base salary and his target bonus for a period of one year following termination.

Robert O. Kraft

For Mr. Kraft, in the event of termination of employment by the company without cause or resignation by Mr. Kraft with good reason, Mr. Kraft would be entitled to (i) continued payments of base salary for a period of one year following termination and (ii) a proportionate portion of his annual bonus for the year in which the termination occurs, payable when bonus payments for such year are made to other senior executives.

Randall J. Fagundo

For Mr. Fagundo, in the event of termination of employment by the company without cause or resignation by Mr. Fagundo with good reason, Mr. Fagundo would be entitled to continued payments of base salary and target bonus for a period of one year following termination.

George S. Murphy

For Mr. Murphy, in the event of termination of employment by the company without cause or resignation by Mr. Murphy with good reason, Mr. Murphy would be entitled to (i) continued payments of base salary for a period of one year following termination, (ii) the annual bonus earned in the year prior to his termination, but not yet paid, and (iii) a proportionate portion of his annual bonus for the year in which the termination occurs, payable when bonus payments for such year are made to other senior executives.

Jarrold T. Streng

For Mr. Streng, in the event of termination of employment by the company without cause or resignation by Mr. Streng with good reason, Mr. Streng would be entitled to (i) continued payments of base salary for a period of one year following termination, (ii) the annual bonus earned in the year prior to his termination, but not yet paid, and (iii) a proportionate portion of his annual bonus for the year in which the termination occurs, payable when bonus payments for such year are made to other senior executives.

“Good reason” is defined generally as (i) any material diminution in the executive’s position, authority, or duties, (ii) the company reassigning the executive to work at a location that is more than 75 miles from the executive’s current work location, (iii) any amendment to the company’s bylaws which results in a material and adverse change to the officer and director indemnification provisions contained therein, or (iv) a material breach of the compensation, benefits, term, and severance provisions of the employment agreement by the company which is not cured within ten days following written notice from the executive. We have a ten-day period to cure all circumstances otherwise constituting good reason.

Option Vesting

All time-based options, other than the options granted in 2021, held by the NEOs will vest upon the occurrence of a change in control subject to the optionee’s continued employment through the consummation of such change in control.

Provided that the consummation of a change in control occurs during the optionee’s continued employment or on or before the first anniversary of the optionee’s termination, 100% of the performance-based options, other than the options granted in 2021, will vest if the CCMP stockholders receive proceeds resulting in a multiple on investment of at least 2.0.

The Business Combination will not constitute a change in control under the 2014 Equity Incentive Plan, or with respect to any awards or agreements thereunder, and the Business Combination will not result in the acceleration or vesting of any equity awards held by any of our NEOs. Under the 2014 Equity Incentive Plan, our compensation committee is permitted to, and may in connection with the Business Combination, make certain adjustments to outstanding equity awards, including equitable adjustments to the vesting terms applicable to performance-based options.

Estimated Payments Upon Termination of Employment or Change in Control

As required by SEC rules, the table below shows the severance payments and benefits that each of our NEOs would receive upon (1) death, disability, or non-renewal by executive, (2) termination without cause,

resignation with good reason, or non-renewal by the company, (3) termination without cause, resignation with good reason, or non-renewal by the company within 90 days of a change in control or (4) a change in control, regardless of termination. The amounts are calculated as if the termination of employment (and change in control, where applicable) occurred on December 26, 2020. For purposes of the table, the cost of continuing health care, life, and disability insurance coverage is based on the current company cost for the level of such coverage elected by the executive.

Name	Death, Disability, or non-renewal by Executive (\$)	Termination without cause, resignation with good reason, or non-renewal by the Company (\$)	Termination without cause, resignation with good reason, or non-renewal by the Company within 90 days of a change in control (\$)	Change in Control (regardless of termination) ⁽¹⁾

Randall S. Fagundo	—	495,000	495,000	1,142,919

Jarrod T. Streng	—	646,511	646,511	380,061

(1) Represents the cash-out value of unvested options as of December 26, 2020, which we have estimated based on the fair market value of Hillman Holdco common stock on such date as established by the Merger Agreement (\$1,647.13), less the applicable exercise price, and assuming that the applicable performance targets were achieved and the options vested in full upon a “change in control” that occurred on the same date. As noted above, the Business Combination will not constitute a change in control under the 2014 Equity Incentive Plan or otherwise trigger such acceleration entitlements. Note that, in the absence of an actual change in control transaction, it is not possible to determine whether the thresholds would actually be met.

Pay Ratio Disclosure

The following information is a reasonable estimate of the annual total compensation of our employees as relates to the 2020 total compensation of our CEO. Based on the methodology described below, our CEO’s 2020 total compensation was approximately 37 times that of our median employee.

We identified the median employee using our employee population as of December 26, 2020, which included all 3,780 global full-time, part-time, temporary, and seasonal employees employed on that date. We applied an exchange rate as of December 26, 2020 to convert all international currencies into U.S. Dollars.

A variety of pay elements comprise the total compensation of our employees. This includes annual base salary, equity awards, annual cash incentive payments based on company performance, sales or commission incentives, and various field bonuses. The incentive awards an employee is eligible for is based on his or her pay grade and reporting level, and are consistently applied across the organization. Cash incentives, rather than equity, are the primary vehicle of incentive compensation for most of our employees throughout the organization. While all employees earn a base salary, not all receive such cash incentive payments. Furthermore, less than 1% of our employees receive equity awards. Consequently, for purposes of applying a consistently-applied compensation metric for determining our median employee, we selected annual base salary as the sole, and most appropriate, compensation element for determining the median employee. We used the annual base salary of our employees as reflected on our human resources systems on December 26, 2020, excluding that of our CEO, in preparing our data set.

Using this methodology, we determined that the median employee was a full-time service representative located in the United States with total annual compensation of \$42,637, which includes base pay, overtime pay, bonus pay, car allowance, and 401(k) match. With respect to the 2020 total compensation of our CEO, we used the amount reported in the “Total” column of our 2020 Summary Compensation Table included in this filing, \$1,578,261. Accordingly, our CEO to Employee Pay Ratio is 37:1. The pay ratio disclosed is a reasonable estimate calculated in a manner consistent with the applicable SEC disclosure rules.

Post-Business Combination Company Executive Compensation

Change in Control Payments Related to the Business Combination

As noted above, the Business Combination will not constitute a “change in control” of Hillman Holdco under the 2014 Equity Incentive Plan or for purposes of any accelerated vesting provisions of equity awards granted to our named executive officers thereunder. As of the date of this proxy statement/prospectus, none of our named executive officers are entitled to receive any compensation, whether present, deferred or contingent, that is based on or otherwise relates to the Business Combination.

Further, on September 16, 2020, Landcadia conducted a 1:1.25 stock split of the founder shares so that a total of 14,375,000 founder shares were issued and outstanding. Subsequently on November 22, 2020 the Sponsors forfeited an aggregate of 1,875,000 shares of Class B common stock because the underwriters did not exercise their over-allotment option. As of the date of this prospectus, TJF Sponsor owns 6,462,500 founder shares and JFG Sponsor owns 6,037,500 founder shares.

Landcadia's Sponsors purchased an aggregate of 8,000,000 private placement warrants in connection with Landcadia's initial public offering, at a price of \$1.50 per warrant, or \$12,000,000 in the aggregate. Each private placement warrant entitles the holder to purchase one share of Class A common stock at \$11.50 per share. The private placement warrants (including the Class A common stock issuable upon exercise of the private placement warrants) may not, subject to certain limited exceptions, be transferred, assigned or sold until 30 days after the completion of the Business Combination. As of the date of this prospectus, TJF Sponsor owns 4,000,000 private placement warrants and JFG Sponsor owns 4,000,000 private placement warrants.

Administrative Services Agreement

Landcadia's executive offices at 1510 West Loop South, Houston, Texas 77027 are provided by TJF Sponsor. Commencing upon consummation of its initial public offering, Landcadia reimburses FEL, an affiliate of TJF Sponsor, for office space, secretarial and administrative services provided to members of our management team in an amount not to exceed \$20,000 per month. Upon completion of Landcadia's initial business combination or liquidation, it will cease paying these monthly fees.

Financial, Capital Markets and Other Advisory Fees

Additionally, Jefferies has been engaged by Hillman Holdco to help it review strategic alternatives, including a sale of control of Hillman. Jefferies expects to receive M&A Advisory fees and financing fees in the amount of \$6.8 million and \$18.6 million, respectively from Hillman, upon the Closing. In addition, Jefferies Finance, a subsidiary of JFG Sponsor, served as joint lead arranger and serves as administrative agent and collateral agent on Hillman Holdco's existing senior credit facilities that are expected to be refinanced in connection with the Closing. In connection with its role as joint lead arranger, Jefferies Finance received an aggregate fee of approximately \$9.5 million from Hillman HoldCo in 2018. Furthermore, Jefferies Finance is expected to be joint lead arranger, joint lead bookrunner and one of the lenders, and sole administrative agent and sole collateral agent, in New Hillman's first lien term loan facility that is being entered into in connection with the Closing and expects to receive up to \$22.7 million in fees in connection with such role. Additionally, JFSI is expected to enter into a non-speculative, interest rate swap with The Hillman Group, Inc. in connection with New Hillman's first lien term loan facility, and expects to receive up to \$568,000 in fees in connection with such transaction.

In addition, JFG Sponsor is the indirect owner of less than 0.04% of Hillman HoldCo through one of its non-controlling minority investments.

Related Party Reimbursements and Loans

Landcadia’s officers and directors are entitled to reimbursement for any out-of-pocket expenses incurred in connection with activities on Landcadia’s behalf such as identifying potential target businesses and performing due diligence on suitable business combinations. Landcadia’s audit committee reviews on a quarterly basis all payments that were made to our Sponsor, Landcadia’s officers, directors or its or their affiliates.

In addition, in order to finance transaction costs in connection with an intended initial business combination, our Sponsors or an affiliate of one of our Sponsors or certain of its officers and directors may, but are not obligated to, loan Landcadia funds as may be required on a non-interest basis. If Landcadia completes the Business Combination, it would repay such loaned amounts. In the event that the Business Combination does not close, Landcadia may use a portion of the working capital held outside the Trust Account to repay such loaned amounts but no proceeds from its Trust Account would be used for such repayment. The warrants would be identical to the private placement warrants. Except as set forth above, the terms of such loans, if any, have not been determined and no written agreements exist with respect to such loans.

Registration Rights

The holders of the founder shares, private placement warrants, shares of Company Class A common stock issuable upon conversion of the founder shares, private placement warrants or working capital loans are entitled to registration rights under the Company’s existing registration rights agreement (the “Existing Registration Rights Agreement”). Pursuant to the policy, the audit committee will consider (i) the relevant facts and circumstances of each related party transaction, including if the transaction is on terms comparable to those that could be obtained in arm’s-length dealings with an unrelated third party, (ii) the extent of the related party’s interest in the transaction, (iii) whether the transaction contravenes Landcadia’s code of ethics or other policies, (iv) whether the audit committee believes the relationship underlying the transaction to be in the best interests of Landcadia and its shareholders, and (v) the effect that the transaction may have on a director’s status as an independent member of the board and on his or her eligibility to serve on the board’s committees. Management will present to the audit committee each proposed related party transaction, including all relevant facts and circumstances relating thereto. Under the policy, Landcadia may consummate related party transactions only if its audit committee approves or ratifies the transaction in accordance with the guidelines set forth in the policy. The policy does not permit any director or executive officer to participate in the discussion of, or decision concerning, a related person transaction in which he or she is the related party.

MATERIAL UNITED STATES FEDERAL INCOME TAX CONSIDERATIONS

The following is a discussion of material U.S. federal income tax considerations of the Business Combination for (1) U.S. holders and Non-U.S. holders (each as defined below, and together, “holders”) of shares of Landcadia Class A common stock (i) that hold New Hillman common stock following the adoption of the Proposed Charter in connection with the Business Combination or (ii) that elect to have their Landcadia Class A common stock redeemed for cash if the Business Combination is completed and (2) holders of Hillman Holdco common stock. This discussion applies only to Landcadia Class A common stock and Hillman Holdco common stock, as applicable, that are held as a “capital asset” for U.S. federal income tax purposes (generally, property held for investment). This discussion is limited to U.S. federal income tax considerations, and does not address considerations arising under any U.S. federal non-income tax laws or the tax laws of any state, local or non-U.S. jurisdiction. This discussion does not describe all of the U.S. federal income tax consequences that may be relevant to you in light of your particular circumstances, including the Medicare tax on certain investment income and the different consequences that may apply if you are subject to special rules under U.S. federal income tax law that apply to certain types of investors, such as:

- banks, financial institutions or financial services entities;
- broker-dealers;
- governments or agencies or instrumentalities thereof;
- persons that directly, indirectly or constructively own 5% or more (by vote or value) of Landcadia Class A common stock or Hillman Holdco common stock;
- persons that acquired Landcadia Class A common stock or Hillman Holdco common stock pursuant to an exercise of employee share options, in connection with employee share incentive plans or otherwise as compensation;
- insurance companies;
- dealers or traders in securities subject to a mark-to-market method of accounting with respect to shares of Landcadia Class A common stock or Hillman Holdco common stock;
- persons holding Landcadia Class A common stock or Hillman Holdco common stock as part of a “straddle,” constructive sale, hedge, wash sale, conversion or other integrated transaction or similar transaction;
- U.S. holders (as defined below) whose functional currency is not the U.S. dollar;
- U.S. expatriates or former long-term residents of the United States;
- regulated investment companies (RICs) or real estate investment trusts (REITs);
- persons subject to the alternative minimum tax provisions of the Code;
- partnerships (or entities or arrangements classified as partnerships or other pass-through entities for U.S. federal income tax purposes) and any beneficial owners of such entities;
- “specified foreign corporations” (including “controlled foreign corporations”), “passive foreign investment companies” and corporations that accumulate earnings to avoid U.S. federal income tax; and
- tax-exempt entities.

If you are a partnership (including an entity or arrangement classified as a partnership or other pass-through entity) for U.S. federal income tax purposes, the U.S. federal income tax treatment of your partners (or other owners) generally will depend on the status of the partners (or other owners) and your activities. If you are a partner (or other owner) in such an entity holding shares of Landcadia Class A common stock or Hillman Holdco common stock, you are urged to consult your tax advisor regarding the tax consequences of the Business Combination.

This discussion is based on the Code and administrative pronouncements, judicial decisions and final, temporary and proposed Treasury regulations as of the date hereof, all of which are subject to change,

possibly on a retroactive basis, and changes to any of which subsequent to the date of this proxy statement/prospectus may affect the tax consequences described herein. This discussion does not address any aspect of state, local or non-U.S. taxation, or any U.S. federal taxes other than income taxes (such as gift and estate taxes).

We have not sought, and do not expect to seek, a ruling from the IRS (the “IRS”) as to any U.S. federal income tax consequence described herein. The IRS may disagree with the discussion herein, and its determination may be upheld by a court. Moreover, there can be no assurance that future legislation, regulations, administrative rulings or court decisions will not adversely affect the accuracy of the statements in this discussion.

You are urged to consult your tax advisor with respect to the application of U.S. federal tax laws to your particular situation, as well as any tax consequences arising under the laws of any state, local or non-U.S. jurisdiction.

Tax Consequences of the Merger to Holders of Hillman Holdco Common Stock

Tax Consequences if the Merger Qualifies as a Reorganization Within the Meaning of Section 368(a) of the Code

The parties intend for the merger contemplated by the Merger Agreement to be treated as a “reorganization” for U.S. federal income tax purposes within the meaning of Section 368(a) of the Code. The obligations of Hillman Holdco, Landcadia and the Merger Sub to complete the merger are not conditioned on the receipt of opinions from Ropes & Gray LLP or White & Case LLP to the effect that the merger will qualify as a “reorganization” within the meaning of Section 368(a) of the Code, and the merger will occur even if it does not so qualify. Neither Hillman Holdco nor Landcadia has requested, and neither intends to request, a ruling from the IRS as to the U.S. federal income tax consequences of the merger. Consequently, no assurance can be given that the IRS will not assert, or that a court would not sustain, a position contrary to any of those set forth below. Accordingly, each holder of Hillman Holdco common stock is urged to consult its tax advisor with respect to the particular tax consequence of the merger to such holder.

If the merger qualifies as a “reorganization” within the meaning of Section 368(a) of the Code, each holder of Hillman Holdco common stock generally will not recognize gain or loss upon exchanging its Hillman Holdco common stock for New Hillman common stock. The tax basis of New Hillman common stock received by a holder of Hillman Holdco common stock will be the same as the tax basis of the Hillman Holdco common stock surrendered in exchange for New Hillman common stock. Such aggregate adjusted tax basis will be allocated to New Hillman common stock received by the holder. The holder’s holding period for the shares of New Hillman common stock that it receives pursuant to the merger will include its holding period for the shares of Hillman Holdco common stock it surrenders.

If a holder acquired different blocks of Hillman Holdco common stock at different times or different prices, it is urged to consult its tax advisor regarding the impact of such matters in its specific circumstances.

Tax Consequences if the Merger Fails to Qualify as a Reorganization Within the Meaning of Section 368(a) of the Code

If the merger contemplated by the Merger Agreement does not qualify as a “reorganization” within the meaning of Section 368(a) of the Code, then, for U.S. federal income tax purposes, a holder holding Hillman Holdco common stock generally would be treated as selling its Hillman Holdco common stock in exchange for New Hillman common stock in a taxable transaction.

A U.S. holder (as defined below) who receives the merger consideration pursuant to the merger would generally recognize capital gain or loss equal to the difference, if any, between (i) the sum of the fair market values of New Hillman common stock received, as determined for U.S. federal income tax purposes and (ii) such U.S. holder’s adjusted tax basis in Hillman Holdco common stock surrendered. Such gain or loss generally will be long-term capital gain or loss, provided the U.S. holder’s holding period for Hillman Holdco common stock surrendered in the merger exceeds one year as of the closing date. Long-term capital gain

of certain non-corporate holders (including individuals) is currently eligible for U.S. federal income taxation at preferential rates (currently at a maximum rate of 20%). The deductibility of capital losses is subject to limitations under the Code. U.S. holders that realize a loss should consult their tax advisors regarding the allowance of this loss.

The tax consequences to a Non-U.S. holder (as defined below) if the merger is treated as a taxable sale of Hillman Holdco common stock by the Non-U.S. holder generally will be the same as described below under the section entitled “— Non-U.S. Holders — Gain on Sale, Taxable Exchange or Other Taxable Disposition of Landcadia Class A Common Stock” with respect to Hillman Holdco common stock sold. The Merger Agreement obligates Hillman Holdco to deliver a certificate to Landcadia on the closing date that as of the date on the certificate Hillman Holdco is not a United States real property holding corporation.

A holder’s initial tax basis in New Hillman common stock received in the merger will equal the fair market value of such stock upon receipt, and the holding period for such stock will begin on the day following the closing date of the merger.

Adoption of the Proposed Charter

Holders of Landcadia Class A common stock are not expected to recognize any gain or loss under U.S. federal income tax laws as a result of the adoption of the Proposed Charter in connection with the Business Combination. It is expected that each such holder would have the same basis in its New Hillman common stock after the adoption of the Proposed Charter as that holder has in the corresponding Landcadia Class A common stock immediately prior to the adoption of the Proposed Charter and such holder’s holding period in the New Hillman common stock would include the holder’s holding period in the corresponding Landcadia Class A common stock. Although the matter is not entirely clear, these consequences to the holders assume, and we intend to take the position, that the adoption of the Proposed Charter does not result in an exchange by the holders of Landcadia Class A common stock for New Hillman common stock for U.S. federal income tax purposes. If contrary to this characterization, the adoption of the Proposed Charter does result in an exchange, it is expected that such exchange would be treated as a recapitalization for U.S. federal income tax purposes. The consequences to holders of a recapitalization could be different than those discussed above. Each holder should consult its own tax advisor regarding the U.S. federal income tax consequences to it of the adoption of the Proposed Charter in connection with the Business Combination.

The remainder of this discussion assumes that the adoption of the Proposed Charter will not result in an exchange for U.S. federal income tax purposes.

Redemption of Landcadia Class A Common Stock

THIS DISCUSSION IS ONLY A SUMMARY OF MATERIAL U.S. FEDERAL INCOME TAX CONSIDERATIONS ASSOCIATED WITH THE REDEMPTION OF OUR CLASS A COMMON STOCK. EACH INVESTOR IN OUR CLASS A COMMON STOCK IS URGED TO CONSULT ITS OWN TAX ADVISOR WITH RESPECT TO THE PARTICULAR TAX CONSEQUENCES TO SUCH INVESTOR OF THE REDEMPTION OF OUR CLASS A COMMON STOCK, INCLUDING THE APPLICABILITY AND EFFECT OF ANY U.S. FEDERAL NON-INCOME, STATE, LOCAL, AND NON-U.S. TAX LAWS.

If a holder’s shares of Landcadia Class A common stock are redeemed pursuant to the redemption provisions described in this proxy statement/prospectus under the section entitled “*The Special Meeting — Redemption Rights*,” the treatment of the redemption for U.S. federal income tax purposes will depend on whether the redemption qualifies as a sale, taxable exchange or other taxable disposition (a “sale”) of Landcadia Class A common stock under Section 302 of the Code. If the redemption qualifies as a sale of shares of Class A common stock, a U.S. holder (as defined below) will be treated as described below under the section entitled “*U.S. Holders — Gain or Loss on Sale, Taxable Exchange or Other Taxable Disposition of Landcadia Class A Common Stock*,” and a Non-U.S. holder (as defined below) will be treated as described under the section entitled “*Non-U.S. Holders — Gain on Sale, Taxable Exchange or Other Taxable Disposition of Landcadia Class A Common Stock*.” If the redemption does not qualify as a sale of shares of Landcadia Class A common stock, a holder will be treated as receiving a corporate distribution, with the tax

consequences to a U.S. holder described below under the section entitled “*U.S. Holders — Taxation of Distributions,*” or the tax consequences to a Non-U.S. holder described below under the section entitled “*Non-U.S. Holders — Taxation of Distributions.*”

Whether a redemption of shares of Landcadia Class A common stock qualifies for sale treatment will depend largely on the total number of shares of our stock treated as held by the redeemed holder before and after the redemption (including any stock constructively owned by the holder as described in the following paragraph) relative to all of our shares outstanding both before and after the redemption. The redemption of Landcadia Class A common stock generally will be treated as a sale of Landcadia Class A common stock (rather than as a corporate distribution) if the redemption (i) is “substantially disproportionate” with respect to the holder, (ii) results in a “complete termination” of the holder’s interest in us or (iii) is “not essentially equivalent to a dividend” with respect to the holder. These tests are explained more fully below.

In determining whether any of the foregoing tests result in a redemption qualifying for sale treatment, a holder takes into account not only shares of our stock actually owned by the holder, but also shares of our stock that are constructively owned by it under certain attribution rules set forth in the Code. A holder may constructively own, in addition to stock owned directly, stock owned by certain related individuals and entities in which the holder has an interest or that have an interest in such holder, as well as any stock that the holder has a right to acquire by exercise of an option, which would generally include Landcadia Class A common stock that could be acquired pursuant to the exercise of the private placement warrants or the public warrants. Moreover, any of our stock that a holder directly or constructively acquires pursuant to the Business Combination generally should be included in determining the U.S. federal income tax treatment of the redemption.

In order to meet the substantially disproportionate test, the percentage of our outstanding voting stock actually and constructively owned by the holder immediately following the redemption of shares of Landcadia Class A common stock must, among other requirements, be less than 80% of the percentage of our outstanding voting stock actually and constructively owned by the holder immediately before the redemption (taking into account both redemptions by other holders of Landcadia Class A common stock and any Landcadia Class A common stock to be issued pursuant to the Business Combination). There will be a complete termination of a holder’s interest if either (i) all of the shares of our stock actually and constructively owned by the holder are redeemed or (ii) all of the shares of our stock actually owned by the holder are redeemed and the holder is eligible to waive, and effectively waives in accordance with specific rules, the attribution of stock owned by certain family members and the holder does not constructively own any other shares of our stock (including any stock constructively owned by the U.S. holder as a result of owning warrants). The redemption of Landcadia Class A common stock will not be essentially equivalent to a dividend if the redemption results in a “meaningful reduction” of the holder’s proportionate interest in us. Whether the redemption will result in a meaningful reduction in a holder’s proportionate interest in us will depend on the particular facts and circumstances. However, the IRS has indicated in a published ruling that even a small reduction in the proportionate interest of a small minority stockholder in a publicly held corporation who exercises no control over corporate affairs may constitute such a “meaningful reduction.”

If none of the foregoing tests is satisfied, then the redemption of shares of Landcadia Class A common stock will be treated as a corporate distribution to the redeemed holder, with the tax effects to U.S. holders as described below under the section entitled “*U.S. Holders — Taxation of Distributions,*” and the tax effects to Non-U.S. holders as described below under the section entitled “*Non-U.S. Holders — Taxation of Distributions.*” After the application of those rules, any remaining tax basis of the holder in the redeemed Landcadia Class A common stock will be added to the holder’s adjusted tax basis in its remaining stock, or, if it has none, to the holder’s adjusted tax basis in its warrants or possibly in other stock constructively owned by it.

A holder should consult with its own tax advisors as to the tax consequences of a redemption.

U.S. Holders

This section applies to you if you are a “U.S. holder.” A U.S. holder is a beneficial owner of shares of Landcadia Class A common stock who or that is, for U.S. federal income tax purposes:

- an individual who is a citizen or resident of the United States;
- a corporation (or other entity taxable as a corporation for U.S. federal income tax purposes) organized in or under the laws of the United States, any state thereof or the District of Columbia;
- an estate, the income of which is subject to U.S. federal income taxation regardless of its source; or
- a trust if (i) a court within the United States is able to exercise primary supervision over the administration of the trust and one or more “United States persons” (within the meaning of the Code) have the authority to control all substantial decisions of the trust or (ii) the trust validly elected to be treated as a United States person for U.S. federal income tax purposes.

Taxation of Distributions. If our redemption of a U.S. holder’s shares of Landcadia Class A common stock is treated as a distribution, as discussed above under the section entitled “*Redemption of Landcadia Class A Common Stock*,” the amount of cash received in the redemption generally will constitute a dividend for U.S. federal income tax purposes to the extent paid from our current or accumulated earnings and profits, as determined under U.S. federal income tax principles. Distributions in excess of our current and accumulated earnings and profits will constitute a return of capital that will be applied against and reduce (but not below zero) the U.S. holder’s adjusted tax basis in Landcadia Class A common stock. Any remaining excess will be treated as gain realized on the sale of the Landcadia Class A common stock and will be treated as described below under the section entitled “*U.S. Holders — Gain or Loss on Sale, Taxable Exchange or Other Taxable Disposition of Class A Common Stock*.”

Dividends we pay to a U.S. holder that is a taxable corporation generally will qualify for the dividends received deduction if the requisite holding period is satisfied. With certain exceptions (including, but not limited to, dividends treated as investment income for purposes of investment interest deduction limitations), and provided certain holding period requirements are met, dividends we pay to a non-corporate U.S. holder may constitute “qualified dividend income” that will be subject to tax at the maximum tax rate accorded to long-term capital gains. It is unclear whether the redemption rights with respect to the Landcadia Class A common stock described in this proxy statement/prospectus may prevent a U.S. holder from satisfying the applicable holding period requirements with respect to the dividends received deduction or the preferential tax rate on qualified dividend income, as the case may be. If the holding period requirements are not satisfied, then a corporation may not be able to qualify for the dividends received deduction and would have taxable income equal to the entire dividend amount, and non-corporate U.S. holders may be subject to tax on such dividend at regular ordinary income tax rates instead of the preferential rate that applies to qualified dividend income.

Gain or Loss on Sale, Taxable Exchange or Other Taxable Disposition of Landcadia Class A Common Stock. If our redemption of a U.S. holder’s shares of Landcadia Class A common stock is treated as a sale, as discussed above under the section entitled “*Redemption of Landcadia Class A Common Stock*,” a U.S. holder generally will recognize capital gain or loss in an amount equal to the difference between the amount of cash received and the U.S. holder’s adjusted tax basis in the shares of Landcadia Class A common stock redeemed. Any such capital gain or loss generally will be long-term capital gain or loss if the U.S. holder’s holding period for the Landcadia Class A common stock so disposed of exceeds one year. It is unclear, however, whether the redemption rights with respect to the Landcadia Class A common stock described in this proxy statement/prospectus may suspend the running of the applicable holding period for this purpose. If the running of the holding period for the Landcadia Class A common stock is suspended, then non-corporate U.S. holders may not be able to satisfy the one-year holding period requirement for long-term capital gain treatment, in which case any redemption proceeds treated as gain on a sale of the shares would be subject to short-term capital gain treatment and would be taxed at regular ordinary income tax rates. Long-term capital gains recognized by non-corporate U.S. holders may be eligible to be taxed at reduced rates. The deductibility of capital losses is subject to limitations.

Generally, the amount of gain or loss recognized by a U.S. holder in a sale is an amount equal to the difference between (i) the sum of the amount of cash and the fair market value of any property received in such sale and (ii) the U.S. holder’s adjusted tax basis in its Landcadia Class A common stock so disposed of. A U.S. holder’s adjusted tax basis in its Landcadia Class A common stock generally will equal the U.S. holder’s acquisition cost less any prior distributions paid to the U.S. holder with respect to its shares of Landcadia Class A common stock that were treated as a return of capital.

U.S. holders who hold different blocks of Landcadia Class A common stock (shares of Landcadia Class A common stock purchased or acquired on different dates or at different prices) should consult their tax advisors to determine how the above rules apply to them.

Non-U.S. Holders

This section applies to you if you are a “Non-U.S. holder.” A Non-U.S. holder is a beneficial owner of Landcadia Class A common stock who or that is, for U.S. federal income tax purposes:

- a non-resident alien individual, other than certain former citizens and residents of the United States subject to U.S. tax as expatriates;
- a foreign corporation; or
- an estate or trust that is not a U.S. holder.

Taxation of Distributions. If our redemption of a Non-U.S. holder’s shares of Landcadia Class A common stock is treated as a distribution, as discussed above under the section entitled “*Redemption of Landcadia Class A Common Stock*,” to the extent paid out of our current or accumulated earnings and profits (as determined under U.S. federal income tax principles), the amount of cash received pursuant such redemption will constitute dividends for U.S. federal income tax purposes and, provided such dividends are not effectively connected with the Non-U.S. holder’s conduct of a trade or business within the United States, we will be required to withhold tax from the gross amount of the dividend at a rate of 30%, unless such Non-U.S. holder is eligible for a reduced rate of withholding tax under an applicable income tax treaty and timely provides proper certification of its eligibility for such reduced rate (usually on an IRS Form W-8BEN or W-8BEN-E). Any distribution not constituting a dividend will be treated first as reducing (but not below zero) the Non-U.S. holder’s adjusted tax basis in its shares of Landcadia Class A common stock and, to the extent such distribution exceeds the Non-U.S. holder’s adjusted tax basis, as gain realized from the sale of the Landcadia Class A common stock, which will be treated as described below under the section entitled “*Non-U.S. Holders — Gain on Sale, Taxable Exchange or Other Taxable Disposition of Landcadia Class A Common Stock*.”

Because it may not be certain at the time a Non-U.S. holder is redeemed whether such Non-U.S. holder’s redemption will be treated as a sale of shares or a distribution constituting a dividend, and because such determination will depend in part on a Non-U.S. holder’s particular circumstances, we or the applicable withholding agent may not be able to determine whether (or to what extent) a Non-U.S. holder is treated as receiving a dividend for U.S. federal income tax purposes. Therefore, we or the applicable withholding agent may withhold tax at a rate of 30% (or such lower rate as may be specified by an applicable income tax treaty) on the gross amount of any consideration paid to a Non-U.S. holder in redemption of such Non-U.S. holder’s Landcadia Class A common stock, unless (i) we or the applicable withholding agent have established special procedures allowing Non-U.S. holders to certify that they are exempt from such withholding tax and (ii) such Non-U.S. holders are able to certify that they meet the requirements of such exemption (e.g., because such Non-U.S. holders are not treated as receiving a dividend under the Section 302 tests described above under the section entitled “*Redemption of Landcadia Class A Common Stock*”). There can be no assurance, however, that we or any applicable withholding agent will establish such special certification procedures. If we or an applicable withholding agent withhold excess amounts from the amount payable to a Non-U.S. holder, such Non-U.S. holder generally may obtain a refund of any such excess amounts by timely filing an appropriate claim for refund with the IRS. Non-U.S. holders should consult their own tax advisors regarding the application of the foregoing rules in light of their particular facts and circumstances and any applicable procedures or certification requirements.

The withholding tax described above generally does not apply to dividends paid to a Non-U.S. holder who provides an IRS Form W-8ECI, certifying that the dividends are effectively connected with the Non-U.S. holder’s conduct of a trade or business within the United States. Instead, the effectively connected dividends generally will be subject to regular U.S. federal income tax as if the Non-U.S. holder were a U.S. resident, subject to an applicable income tax treaty providing otherwise. A corporate Non-U.S. holder that is receiving effectively connected dividends may also be subject to an additional “branch profits tax” imposed at a rate of 30% (or a lower applicable treaty rate).

Gain on Sale, Taxable Exchange or Other Taxable Disposition of Landcadia Class A Common Stock If our redemption of a Non-U.S. holder's shares of Landcadia Class A common stock is treated as a sale, as discussed above under the section entitled "*Redemption of Landcadia Class A Common Stock*," a Non-U.S. holder generally will not be subject to U.S. federal income or withholding tax in respect of gain recognized in connection with such redemption, unless:

- the gain is effectively connected with the conduct by the Non-U.S. holder of a trade or business within the United States (and, under certain income tax treaties, is attributable to a United States permanent establishment or fixed base maintained by the Non-U.S. holder);
- such Non-U.S. holder is an individual who is present in the United States for 183 days or more during the taxable year in which the disposition takes place and has a "tax home" in the United States; or
- we are or have been a "United States real property holding corporation" for U.S. federal income tax purposes at any time during the shorter of the five-year period ending on the date of the redemption or the period that the Non-U.S. holder held Landcadia Class A common stock, and, in the case where shares of Landcadia Class A common stock are regularly traded on an established securities market, the Non-U.S. holder has owned, directly or constructively, more than 5% of Landcadia Class A common stock at any time within the shorter of the five-year period preceding the redemption or the Non-U.S. holder's holding period for the shares of Landcadia Class A common stock. There can be no assurance that Landcadia Class A common stock will be treated as regularly traded on an established securities market for this purpose.

Unless an applicable treaty provides otherwise, gain described in the first bullet point above will be subject to tax at generally applicable U.S. federal income tax rates as if the Non-U.S. holder were a U.S. resident. Any gains described in the first bullet point above of a corporate Non-U.S. holder may also be subject to an additional "branch profits tax" imposed at a 30% rate (or lower applicable treaty rate). If the second bullet point above applies to a Non-U.S. holder, such Non-U.S. holder generally will be subject to U.S. tax on such Non-U.S. holder's net capital gain for such year (including any gain realized in connection with the redemption) at a tax rate of 30%.

If the third bullet point above applies to a Non-U.S. holder, gain recognized by such holder on the redemption of shares of Landcadia Class A common stock will be subject to tax at generally applicable U.S. federal income tax rates. In addition, we may be required to withhold U.S. federal income tax at a rate of 15% of the amount of cash received upon the redemption of shares of Landcadia Class A common stock. We believe that we are not and have not been at any time since our formation a United States real property holding corporation and we do not expect to be a United States real property holding corporation immediately after the Business Combination is completed.

Information Reporting and Backup Withholding

Payments resulting from our redemption of shares of Landcadia Class A common stock may be subject to information reporting to the IRS and possible U.S. backup withholding. Backup withholding will not apply, however, to a U.S. holder who furnishes a correct taxpayer identification number and makes other required certifications, or who is otherwise exempt from backup withholding and establishes such exempt status.

A Non-U.S. holder generally will eliminate the requirement for information reporting and backup withholding by providing certification of its foreign status, under penalties of perjury, on a duly executed applicable IRS Form W-8 or by otherwise establishing an exemption.

Backup withholding is not an additional tax. Amounts withheld as backup withholding may be credited against a holder's U.S. federal income tax liability, and a holder generally may obtain a refund of any excess amounts withheld under the backup withholding rules by timely filing the appropriate claim for refund with the IRS and furnishing any required information.

A holder of Hillman Holdco common stock that receives New Hillman common stock as a result of the merger should retain records pertaining to the merger, including records relating to the number of

shares and the tax basis of such holder's Hillman Holdco common stock. Each holder of Hillman Holdco common stock that is required to file a U.S. federal income tax return and that is a "significant holder" that receives New Hillman common stock in the merger will be required to file a statement with such U.S. federal income tax return in accordance with Treasury regulations Section 1.368-3 setting forth such holder's tax basis in the Hillman Holdco common stock surrendered, the fair market value of the New Hillman common stock received in the merger, and certain other information.

FATCA Withholding Taxes

Provisions commonly referred to as "FATCA" impose withholding of 30% on payments of dividends (including constructive dividends received pursuant to a redemption of stock) on Landcadia Class A common stock. Thirty percent withholding under FATCA was scheduled to apply to payments of gross proceeds from the sale of property that produces U.S.-source interest or dividends beginning on January 1, 2019, but on December 13, 2018, the IRS released proposed regulations that, if finalized in their proposed form, would eliminate the obligation to withhold on gross proceeds. Although these proposed Treasury Regulations are not final, taxpayers generally may rely on them until final Treasury Regulations are issued. However, there can be no assurance that final Treasury Regulations will provide the same exceptions from FATCA withholding as the proposed Treasury Regulations.

In general, no FATCA withholding will be required with respect to a U.S. holder or an individual Non-U.S. holder that timely provides the certifications required on a valid IRS Form W-9 or W-8BEN, respectively. Holders potentially subject to withholding include "foreign financial institutions" (which is broadly defined for this purpose and in general includes investment vehicles) and certain other non-U.S. entities unless various U.S. information reporting and due diligence requirements (generally relating to ownership by United States persons of interests in or accounts with those entities) have been satisfied, or an exemption applies (typically certified as to by the delivery of a properly completed IRS Form W-8BEN-E). If FATCA withholding is imposed, a beneficial owner that is not a foreign financial institution generally will be entitled to a refund of any amounts withheld by filing a U.S. federal income tax return (which may entail significant administrative burden). Foreign financial institutions located in jurisdictions that have an intergovernmental agreement with the United States governing FATCA may be subject to different rules. Non-U.S. holders should consult their tax advisors regarding the effects of FATCA on a redemption of Landcadia Class A common stock.

STOCKHOLDER PROPOSALS AND NOMINATIONS

Stockholder Proposals (Other than Nomination of Persons for Election as Directors)

In addition to any other requirements under applicable law and the New Hillman bylaws, for business to be properly brought before an annual or special meeting by a stockholder, the New Hillman Bylaws provide that the stockholder must give timely notice in written form to New Hillman's Secretary and such business must be a proper matter for stockholder action. Notice, to be timely, must be received at least 90 days, but no more than 120 days, prior to the first anniversary date of the immediately preceding annual meeting of stockholders (which date shall, for purposes of New Hillman's first annual meeting of stockholders after its shares of Common Stock (as defined in the Proposed Charter) are first publicly traded, be deemed to have occurred on a date to be fixed at the time the New Hillman bylaws are approved and adopted); provided, however, that if the date of the annual meeting is more than thirty (30) days before or more than sixty (60) days after such anniversary date, or if no annual meeting was held in the preceding year, notice by the stockholder to be timely must be so delivered, or mailed and received, not later than the ninetieth (90th) day prior to such annual meeting or, if later, the tenth (10th) day following the day on which public disclosure of the date of such annual meeting was first made. In no event shall any adjournment or postponement of an annual meeting or the announcement thereof commence a new time period for the giving of timely notice as described above.

To be in proper written form, a stockholder's notice to the Secretary with respect to any business (other than nominations) must set forth as to each such matter such stockholder proposes to bring before the meeting:

(A) a brief description of the business desired to be brought before the meeting, the reasons for conducting such business at the meeting, the text, if any, of any resolutions or bylaw amendment proposed for adoption, and any material interest in such business of each Proposing Person (as defined below);

LANCADIA HOLDINGS III, INC.
NOTES TO FINANCIAL STATEMENTS

1. Nature of Business and Subsequent Event

Business

Landcadia Holdings III, Inc., (the “Company,” “we,” “us” or “our”), was formed as Automalyst LLC, a Delaware limited liability company on March 13, 2018 and converted into a Delaware corporation on August 24, 2020. We consummated an initial public offering (“Public Offering”) on October 14, 2020.

The Company has not had any significant operations to date. The Company was formed to effect a merger, capital stock exchange, asset acquisition, stock purchase, reorganization or similar business combination with one or more businesses (the “Business Combination”). On January 24, 2021, we entered into an Agreement and Plan of Merger with HMAN Group Holdings Inc., a Delaware corporation (“Hillman”).

There is no assurance that the Company’s plans to consummate a Business Combination will be successful.

All activity through March 31, 2021 relates to the Company’s formation and Public Offering, which is described below, identifying a target company for a Business Combination and the proposed transaction with Hillman.

Sponsors

The Company’s sponsors are TJF, LLC (“TJF”) and Jefferies Financial Group Inc. (“JFG” and together with TJF, the “Sponsors”). TJF is wholly owned by Tilman J. Fertitta, the Company’s Co-Chairman and Chief Executive Officer.

Financing

The Company intends to finance its Business Combination in part with proceeds from its \$500,000,000 Public Offering and \$12,000,000 private placement (the “Private Placement”) of private placement warrants (the “Sponsor Warrants”), see Notes 5 and 6. The registration statement for the Public Offering was declared effective by the U.S. Securities and Exchange Commission (“SEC”) on October 8, 2020. The Company consummated the Public Offering of 50,000,000 units (the “Units”), at \$10.00 per Unit on October 14, 2020, generating gross proceeds of \$500,000,000. Simultaneously with the closing of the Public Offering, the Company consummated the Private Placement of an aggregate of 8,000,000 Sponsor Warrants at a price of \$1.50 per Sponsor Warrant, generating proceeds of \$12,000,000. Upon the closing of the Public Offering and Private Placement, \$500,000,000 from the net proceeds of the sale of the Units in the Public Offering and the Private Placement was placed in a U.S.-based trust account maintained by Continental Stock Transfer & Trust Company, acting as trustee (the “Trust Account”). The underwriters did not exercise their option to purchase additional units.

Trust Account

The proceeds held in the Trust Account can only be invested in permitted United States “government securities” within the meaning of Section 2(a)(16) of the Investment Company Act of 1940, as amended (the “Investment Company Act”), having a maturity of 185 days or less or in money market funds meeting certain conditions under Rule 2a-7 promulgated under the Investment Company Act which invest only in direct U.S. government treasury obligations.

The Company’s second amended and restated certificate of incorporation (the “Charter”) provides that, other than the withdrawal of interest to pay tax obligations (less up to \$100,000 interest to pay dissolution expenses), none of the funds held in the Trust Account will be released until the earliest of: (i) the completion of the Business Combination; (ii) the redemption of any shares of Class A common stock included in the Units sold in the Public Offering (“Public Shares”) properly submitted in connection with a stockholder vote to amend the Charter to modify the substance or timing of the Company’s obligation to

redeem 100% of the Public Shares if the Company does not complete the Business Combination by October 14, 2022 (within 24 months from the closing of the Public Offering); or to provide for redemption in connection with a Business Combination; or (iii) the redemption of the Public Shares if the Company is unable to complete the Business Combination within 24 months from the closing of the Public Offering, subject to applicable law.

Initial Business Combination

The Company's management has broad discretion with respect to the specific application of the net proceeds of the Public Offering and Private Placement, although substantially all of the net proceeds are intended to be applied generally toward consummating a Business Combination. There is no assurance that the Company will be able to complete a Business Combination successfully. The Company must complete one initial Business Combination having an aggregate fair market value of at least 80% of the value of the assets held in the Trust Account (excluding deferred underwriting commissions and taxes payable on the interest earned on the Trust Account) at the time of the Company's signing a definitive agreement in connection with an initial Business Combination. The Company will only complete a Business Combination if the post-transaction company owns or acquires 50% or more of the outstanding voting securities of the target or otherwise acquires a controlling interest in the target sufficient for it not to be required to register as an investment company under the Investment Company Act.

The Sponsors and the Company's officers and directors have entered into a letter agreement with the Company, pursuant to which they have agreed to (i) waive their redemption rights with respect to the shares of Class B common stock, par value \$0.0001 per share, of the Company ("Founder Shares") and Public Shares held by them in connection with the completion of the Business Combination, (ii) waive their redemption rights with respect to their Founder Shares and Public Shares in connection with a stockholder vote to approve an amendment to the Charter to modify the substance or timing of the Company's obligation to redeem 100% of the Public Shares if the Company does not complete a Business Combination by October 14, 2022, or to provide for redemption in connection with a Business Combination and (iii) waive their rights to liquidating distributions from the Trust Account with respect to their Founder Shares if the Company fails to complete a Business Combination by October 14, 2022, although they will be entitled to liquidating distributions from the Trust Account with respect to any Public Shares they hold if the Company fails to complete a Business Combination within the prescribed time frame; and (iv) vote any Founder Shares held by them and any Public Shares purchased during or after the Public Offering (including in open market and privately-negotiated transactions) in favor of the Business Combination.

The Company, after signing a definitive agreement for the Business Combination, will either (i) seek stockholder approval of the Business Combination at a meeting called for such purpose in connection with which stockholders may seek to redeem their shares, regardless of whether they vote for or against the Business Combination, for cash equal to their pro rata share of the aggregate amount then on deposit in the Trust Account calculated as of two business days prior to the consummation of the Business Combination, including interest earned on the Trust Account and not previously released to the Company to pay its taxes, or (ii) provide stockholders with the opportunity to sell their shares to the Company by means of a tender offer for an amount in cash equal to their pro rata share of the aggregate amount then on deposit in the Trust Account calculated as of two business days prior to commencement of the tender offer, including interest earned on the Trust Account and not previously released to the Company to pay its taxes. The decision as to whether the Company will seek stockholder approval of the Business Combination or will allow stockholders to sell their shares in a tender offer will be made by the Company, solely in its discretion, and will be based on a variety of factors such as the timing of the transaction and whether the terms of the transaction would otherwise require the Company to seek stockholder approval. If the Company seeks stockholder approval, it will complete the Business Combination only if a majority of the outstanding shares of common stock voted are voted in favor of the Business Combination. However, in no event will the Company redeem the Public Shares in an amount that would cause its net tangible assets to be less than \$5,000,001. In such case, the Company would not proceed with the redemption of the Public Shares and the related Business Combination, and instead may search for an alternate Business Combination.

Notwithstanding the foregoing redemption rights, if the Company seeks stockholder approval of the Business Combination and it does not conduct redemptions in connection with the Business Combination pursuant to the tender offer rules, the Charter provides that a public stockholder, together with any affiliate of such stockholder or any other person with whom such stockholder is acting in concert or as a “group” (as defined under Section 13 of the Exchange Act of 1934, as amended (the “Exchange Act”)), will be restricted from redeeming its shares with respect to more than an aggregate of 15% of the shares sold in the Public Offering, without the Company’s prior consent.

The Public Shares have been recorded at their redemption amount and classified as temporary equity (“Redeemable Shares”), in accordance with the Financial Accounting Standards Board Accounting Standards Codification (“FASB ASC”) 480, “Distinguishing Liabilities from Equity.” The amount in the Trust Account was initially \$10.00 per Public Share (\$500,000,000 held in the Trust Account divided by 50,000,000 Public Shares). See Note 3.

The Company will have until October 14, 2022, to complete the Business Combination. If the Company does not complete the Business Combination within this period of time, it shall (i) cease all operations except for the purposes of winding up; (ii) as promptly as reasonably possible, but not more than ten business days thereafter, redeem the Public Shares for a per-share price, payable in cash, equal to the aggregate amount then on deposit in the Trust Account, including interest earned on the funds held in the Trust Account and not previously released to the Company to pay its taxes (less up to \$100,000 of interest to pay dissolution expenses), divided by the number of then outstanding Public Shares, and (iii) as promptly as reasonably possible following such redemption, subject to the approval of the Company’s remaining stockholders and its board of directors, dissolve and liquidate, subject in each case to the Company’s obligations under Delaware law to provide for claims to creditors and the requirements of other applicable law. The Sponsors and the Company’s officers and directors have entered into a letter agreement with the Company, pursuant to which they have waived their rights to liquidating distributions from the Trust Account with respect to any Founder Shares held by them if the Company fails to complete its Business Combination by October 14, 2022; however, the Sponsors, officers and directors are entitled to liquidating distributions from the Trust Account with respect to Public Shares held by them if the Company does not complete the Business Combination within the required time period. In the event of such distribution, it is possible that the per share value of the residual assets remaining available for distribution (including Trust Account assets) will be less than the initial public offering price per Unit in the Public Offering.

Pursuant to the letter agreement referenced above, the Sponsors, officers and directors agreed that, if the Company submits the Business Combination to the Company’s public stockholders for a vote, such parties will vote their Founder Shares and any Public Shares in favor of the Business Combination.

Subsequent Events

We have evaluated subsequent events and transactions that occurred after the balance sheet date up to the date the financial statements were issued. The Company did not identify any subsequent events that would have required adjustment to or disclosure in the financial statements, other than those included herein.

Fiscal Year End

The Company has a December 31 fiscal year-end.

2. Restatement of Previously Issued Financial Statements

The consolidated financial statements for the year ended December 31, 2020 included in the Original 10-K, filed March 12, 2021, have been restated to reflect the fair value of our warrant derivative liability, which was initially recorded as a component of equity. The following table summarizes the effect of the restatement on each financial statement line item, as indicated:

3. Summary of Significant Accounting Policies

Basis of Presentation

Our accompanying financial statements include the accounts of the Company and have been prepared in conformity with accounting principles generally accepted in the United States of America (“GAAP”) and pursuant to the rules and regulations of the SEC. The interim financial information provided is unaudited, but includes all adjustments which management considers necessary for the fair presentation of the results for these periods. Operating results for interim periods are not necessarily indicative of the results that may be expected for the full year period and should be read in conjunction with the Company’s audited financial statements and notes thereto included in the Company’s Form 10-K/A filed with the SEC on May 3, 2021.

Use of Estimates

The preparation of these financial statements requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenue and expenses during the reporting period. Actual results could differ from those estimates. Significant estimates in the accompanying financial statements include the valuation of equity instruments recorded as warrant derivative liabilities.

Emerging Growth Company

The Company is an “emerging growth company,” as defined in Section 2(a) of the Securities Act of 1933 (as amended, the “Securities Act”), as modified by the Jumpstart Our Business Startups Act of 2012 (the “JOBS Act”), and it may take advantage of certain exemptions from various reporting requirements that are applicable to other public companies that are not emerging growth companies including, but not limited to, not being required to comply with the independent registered public accounting firm attestation requirements of Section 404 of the Sarbanes-Oxley Act, reduced disclosure obligations regarding executive compensation in its periodic reports and proxy statements, and exemptions from the requirements of holding a nonbinding advisory vote on executive compensation and stockholder approval of any golden parachute payments not previously approved.

Further, section 102(b)(1) of the JOBS Act exempts emerging growth companies from being required to comply with new or revised financial accounting standards until private companies (that is, those that have not had a Securities Act registration statement declared effective or do not have a class of securities registered under the Exchange Act) are required to comply with the new or revised financial accounting standards. The JOBS Act provides that a company can elect to opt out of the extended transition period and comply with the requirements that apply to non-emerging growth companies but any such an election to opt out is irrevocable. The Company has elected not to opt out of such extended transition period which means that when a standard is issued or revised and it has different application dates for public or private companies, the Company, as an emerging growth company, can adopt the new or revised standard at the time private companies adopt the new or revised standard. This may make comparison of the Company’s financial statements with another public company which is neither an emerging growth company nor an emerging growth company which has opted out of using the extended transition period difficult or impossible because of the potential differences in accounting standards used.

Cash and Cash Equivalents

The Company considers all short-term investments with an original maturity of three months or less when purchased to be cash equivalents. The Company did not have any cash equivalents as of March 31, 2021 and December 31, 2020.

Cash consists of proceeds from the Public Offering and Private Placement held outside of the Trust Account and may be used to pay for business, legal and accounting due diligence for the Business Combination and continuing general and administrative expenses.

Concentration of Credit Risk

Financial instruments that potentially subject the Company to concentrations of credit risk consist of cash accounts with a financial institution which may exceed the Federal depository insurance coverage of \$250,000. The Company has not experienced losses on these accounts and the Company believes that it is not exposed to significant risks on such accounts.

Fair Value of Financial Instruments

The Company classifies financial instruments under FASB ASC 820, "Fair Value Measurement," for its financial assets and liabilities that are reported at fair value at each reporting period. Our financial instruments that are subject to fair value measurements consist of cash and marketable securities held in trust and warrant derivative liability. The carrying value of the Company's cash and cash equivalents, and accrued liabilities, approximates their fair value due to the short-term nature of such instruments. See Note 9 for further information.

Offering Costs

Total offering costs were \$775,000 and consisted of legal, accounting, and other costs incurred in connection with the formation and preparation of the Public Offering. Underwriting commissions for the Public Offering were \$27,500,000, of which \$17,500,000 have been deferred until the completion of the Business Combination. Because the Public Warrants have been accounted for as a liability at fair value instead of equity, the Company applied the relative fair value method and allocated apportion of offering costs and underwriting commissions to expenses with the remainder charged to additional paid in capital at the closing of the Public Offering.

Accounts Payable and Accrued Liabilities

Accounts payable and accrued liabilities are \$72,315 as of March 31, 2021, and primarily consist of Delaware franchise tax expenses and costs related to the Business Combination.

Warrant Liabilities

In accordance with FASB ASC 815-40, Derivatives and Hedging: Contracts in an Entities Own Equity, entities must consider whether to classify contracts that may be settled in its own stock, such as warrants, as equity of the entity or as an asset or liability. If an event that is not within the entity's control could require net cash settlement, then the contract should be classified as an asset or a liability rather than as equity. We have determined because the terms of Public Warrants include a provision that entitles all warrant holders to cash for their warrants in the event of a qualifying cash tender offer, while only certain of the holders of the underlying shares of common stock would be entitled to cash, our warrants should be classified as liability measured at fair value, with changes in fair value each period reported in earnings. Volatility in our Common Stock and Public Warrants may result in significant changes in the value of the derivatives and resulting gains and losses on our statement of operations.

Income (Loss) Per Common Share

Basic income (loss) per common share is computed by dividing net income (loss) applicable to common stockholders by the weighted average number of common shares outstanding during the period.

All shares of Class B common stock are assumed to convert to shares of Class A common stock on a one-for-one basis. Consistent with FASB ASC 480, shares of Class A common stock subject to possible redemption, as well as their pro rata share of undistributed trust earnings consistent with the two-class method, have been excluded from the calculation of income (loss) per common share for the three months ended March 31, 2021 and 2020. Such shares, if redeemed, only participate in their pro rata share of trust earnings, see Note 4. Diluted income (loss) per share includes the incremental number of shares of common stock to be issued in connection with the conversion of Class B common stock or to settle warrants, as calculated using the treasury stock method. For the three months ended March 31, 2021 and 2020, the Company did not have any dilutive warrants, securities or other contracts that could, potentially, be exercised or converted into common stock. As a result, diluted income (loss) per common share is the same as basic income (loss) per common share for all periods presented. Further, in accordance with FASB ASC 260, the income (loss) per share calculation reflects the effect of the stock splits as discussed in Note 4 for all periods presented.

A reconciliation of net income (loss) per common share as adjusted for the portion of income that is attributable to common stock subject to redemption is as follows:

	Three months ended March 31,	
	2021	2020
Numerator:		
Net income – basic and diluted	\$ 10,719,999	\$ —
Less: Income attributable to common stock subject to possible redemption	—	—

Income Taxes

The Company was taxed as a limited liability company prior to August 24, 2020, therefore all tax implications were the responsibility of its member. As of August 24, 2020, the Company elected to be taxed as a C Corporation. The Company complies with the accounting and reporting requirements of FASB ASC, 740, “Income Taxes,” which requires an asset and liability approach to financial accounting and reporting for income taxes. Deferred income tax assets and liabilities are computed for differences between the financial statement and tax bases of assets and liabilities that will result in future taxable or deductible amounts, based on enacted tax laws and rates applicable to the periods in which the differences are expected to affect taxable income. Valuation allowances are established, when necessary, to reduce deferred tax assets to the amount expected to be realized.

There were no unrecognized tax benefits as of March 31, 2021 and 2020. FASB ASC 740 prescribes a recognition threshold and a measurement attribute for the financial statement recognition and measurement of tax positions taken or expected to be taken in a tax return. For those benefits to be recognized, a tax position must be more-likely-than not to be sustained upon examination by taxing authorities. The Company recognizes accrued interest and penalties related to unrecognized tax benefits as income tax expense. No amounts were accrued for the payment of interest and penalties at March 31, 2021 and 2020. The Company is currently not aware of any issues under review that could result in significant payments, accruals or material deviation from its position.

The effective tax rate was 21.0% for all periods presented. The Company recorded a deferred tax benefit of \$102,900 on the Net Operating Loss in the three months ended March 31, 2021. In assessing the realization of the deferred tax assets, management considers whether it is more likely than not that some portion of all of the deferred tax assets will not be realized. The ultimate realization of deferred tax assets is dependent upon the generation of future taxable income during the periods in which temporary differences

representing net future deductible amounts become deductible. Management considers the scheduled reversal of deferred tax liabilities, projected future taxable income and tax planning strategies in making this assessment. After consideration of all of the information available, management believes that significant uncertainty exists with respect to future realization of the deferred tax assets and has therefore established a full valuation allowance. For the three months ended March 31, 2021, the change in the valuation allowance was \$102,900 which resulted in no income tax expense (benefit) for this period.

Recent Accounting Pronouncements

Management does not believe that any recently issued, but not yet effective, accounting standards, if currently adopted, would have a material effect on the Company's financial statements.

4. Stockholders' Equity

On March 13, 2018, JFG, through a subsidiary, purchased a 100% of the membership interest in the Company for \$1,000. On August 24, 2020, TJF purchased a 51.7% membership interest in the Company for \$1,070. Simultaneously, the Company converted from a limited liability company to a corporation and its previously outstanding membership interests converted into shares of Class B common stock. The total number of authorized shares of all classes of capital stock is 401,000,000, of which 380,000,000 shares are Class A shares at par value \$0.0001 per share; 20,000,000 shares are Class B shares at par value \$0.0001 per share; and 1,000,000 shares are preferred stock at par value \$0.0001 per share. The Sponsors held an aggregate of 11,500,000 Class B shares based on the proportional interest in the Company. Further, on September 16, 2020, we conducted a 1:1.25 stock split of the Founder Shares so that a total of 14,375,000 Founder Shares were issued and outstanding. An aggregate of 1,875,000 Founder Shares were forfeited because the underwriters did not exercise their over-allotments option. As of March 31, 2021, JFG and TJF owned an aggregate of 12,500,000 Founders Shares based on their proportional interest in the Company. The financial statements reflect the changes in stock retroactively for all periods presented.

Following these transactions, the Company had \$2,070 of invested capital, or \$0.0001 per share.

Redeemable Shares

All of the 50,000,000 Public Shares sold as part of the Public Offering contain a redemption feature as defined in the Public Offering. In accordance with FASB ASC 480, redemption provisions not solely within the control of the Company require the security to be classified outside of permanent equity. The Company's amended and restated certificate of incorporation provides a minimum net tangible asset threshold of \$5,000,001. The Company recognizes changes in redemption value immediately as they occur and will adjust the carrying value of the security to equal the redemption value at the end of each reporting period. Increases or decreases in the carrying amount of Redemption Shares will be affected by charges against additional paid-in capital.

At March 31, 2021, there were 50,000,000 Public Shares, of which 43,355,173 were classified as Redeemable Shares, classified outside of permanent equity, and 6,644,827 classified as Class A common stock. At December 31, 2020 there were 50,000,000 Public Shares, of which 42,278,793 were classified as Redeemable Shares, classified outside of permanent equity, and 7,721,207 classified as Class A common stock.

For further information on the Founder Shares, see Note 5.

5. Public Offering

Public Units

In the Public Offering, which closed October 14, 2020, the Company sold 50,000,000 Units at a price of \$10.00 per Unit (the "Public Units"). Each Unit consists of one share of the Company's Class A common stock, \$0.0001 par value and one-third of one redeemable warrant (each a "Public Warrant"). Under the terms of the warrant agreement, the Company has agreed to use its best efforts to file a new registration statement under the Securities Act no later than 15 business days following the completion of the Business

Combination covering the shares of Class A common stock issuable upon exercise of the Public Warrants, to use its best efforts to cause such registration statement to become effective and to maintain a current prospectus relating to those shares of Class A common stock until the Public Warrants expire or are redeemed. If a registration statement covering the shares of Class A common stock issuable upon exercise of the Public Warrants is not effective by the 60th business day after the closing of the Business Combination, warrant holders may, until such time as there is an effective registration statement and during any period when the Company will have failed to maintain an effective registration statement, exercise warrants on a “cashless basis” in accordance with Section 3(a)(9) of the Securities Act or another exemption. Notwithstanding the above, if the Class A common stock is at the time of any exercise of a warrant not listed on a national securities exchange such that it satisfies the definition of a “covered security” under Section 18(b)(1) of the Securities Act, the Company may, at its option, require holders of Public Warrants who exercise their Public Warrants to do so on a “cashless basis” in accordance with Section 3(a)(9) of the Securities Act and, in the event the Company so elects, it will not be required to file or maintain in effect a registration statement.

Each Public Warrant entitles the holder to purchase one share of Class A common stock at a price of \$11.50 per share. Each Public Warrant will become exercisable on the later of 30 days after the completion of the Business Combination or 12 months from the closing of the Public Offering. However, if the Company does not complete the Business Combination on or prior to October 14, 2022, the warrants will expire at the end of such period. If the Company is unable to deliver registered shares of Class A common stock to the holder upon exercise of Public Warrants issued in connection with the Units during the exercise period, there will be no net cash settlement of these Public Warrants and the Public Warrants will expire worthless, unless they may be exercised on a cashless basis in the circumstances described in the warrant agreement. Once the Public Warrants become exercisable, the Company may call the warrants for redemption: (i) in whole and not in part; (ii) at a price of \$0.01 per warrant; (iii) upon not less than 30 days’ prior written notice of redemption (the “30-day redemption period”) to each warrant holder; and (iv) if, and only if, the reported closing price of the Class A common stock equals or exceeds \$18.00 per share for any 20 trading days within a 30-trading day period ending three business days before the Company sends the notice of redemption to the warrant holders.

Underwriting Commissions

The Company paid an underwriting discount of \$10,000,000 (\$0.20 per Unit sold) to the underwriters at the closing of the Public Offering on October 14, 2020, with an additional fee (“Deferred Discount”) of \$17,500,000 (\$0.35 per Unit sold) payable upon the Company’s completion of the Business Combination. The Deferred Discount will become payable to the underwriters from the amounts held in the Trust Account solely in the event the Company completes its Business Combination. See Note 6 for further information on underwriting commissions.

6. Commitments and Related Party Transactions

Founder Shares

The Founder Shares are identical to the Public Shares except that the Founder Shares are subject to certain transfer restrictions and the holders of the Founder Shares will have the right to elect all of the Company’s directors prior to the Business Combination. The Founder Shares will automatically convert into shares of Class A common stock at the time of the Business Combination on a one-for-one basis, subject to adjustment pursuant to certain anti-dilution rights. The Sponsors collectively own 20.0% of the Company’s issued and outstanding shares.

The holders of the Founder Shares have agreed not to transfer, assign or sell any of their Founder Shares until one year after the completion of the Business Combination, or earlier if, subsequent to the Business Combination, (i) the closing price of the Company’s common stock equals or exceeds \$12.00 per share (as adjusted for stock splits, stock dividends, reorganizations, recapitalizations and the like) for any 20 trading days within any 30-trading day period commencing at least 150 days after the Business Combination or (ii) the date on which the Company completes a liquidation, merger, stock exchange or other similar

transaction after the Business Combination that results in all of the Company's stockholders having the right to exchange their shares of common stock for cash, securities or other property (the "Lock Up Period").

The Founder Shares will automatically convert into shares of Class A common stock concurrently with or immediately following the consummation of the Business Combination on a one-for-one basis, subject to adjustment for stock splits, stock dividends, reorganizations, recapitalizations and the like, and subject to further adjustment. In the case that additional shares of Class A common stock or equity-linked securities are issued or deemed issued in connection with the Business Combination, the number of shares of Class A common stock issuable upon conversion of all Founder Shares will equal, in the aggregate, 20% of the total number of all shares of Class A common stock outstanding after such conversion (after giving effect to any redemptions of shares of Class A common stock by public stockholders), including the total number of shares of Class A common stock issued, or deemed issued or issuable upon conversion or exercise of any equity-linked securities or rights issued or deemed issued, by the Company in connection with or in relation to the consummation of the initial business combination, excluding any shares of Class A common stock or equity-linked securities exercisable for or convertible into shares of Class A common stock issued, or to be issued, to any seller in the Business Combination and any private placement-equivalent warrants issued to the Sponsors, officers or directors upon conversion of working capital loans; provided that such conversion of Founder Shares will never occur on a less than one-for-one basis.

Sponsor Warrants

In conjunction with the Public Offering that closed on October 14, 2020, the Sponsors purchased an aggregate of 8,000,000 Sponsor Warrants at a price of \$1.50 per warrant (\$12,000,000 in the aggregate) in the Private Placement. A portion of the purchase price of the Sponsor Warrants was added to the proceeds from the Public Offering to be held in the Trust Account such that at closing of the Public Offering, \$500,000,000 was placed in the Trust Account.

Each Sponsor Warrant entitles the holder to purchase one share of Class A common stock at \$11.50 per share. The Sponsor Warrants (including the Class A common stock issuable upon exercise of the Sponsor Warrants) are not transferable, assignable or salable until 30 days after the completion of the Business Combination and they are non-redeemable so long as they are held by the initial purchasers of the Sponsor Warrants or their permitted transferees. If the Sponsor Warrants are held by someone other than the initial purchasers of the Sponsor Warrants or their permitted transferees, the Sponsor Warrants will be redeemable by the Company and exercisable by such holders on the same basis as the warrants included in the Units sold in the Public Offering. Otherwise, the Sponsor Warrants have terms and provisions that are identical to those of the Public Warrants except that the Sponsor Warrants may be exercised on a cashless basis. If the Company does not complete the Business Combination, then the proceeds will be part of the liquidating distribution to the public stockholders and the Sponsor Warrants issued to the Sponsors will expire worthless.

Registration Rights

The holders of the Founder Shares, Sponsor Warrants, shares of Class A common stock issuable upon conversion of the Founder Shares, Sponsor Warrants or working capital loans will be entitled to registration rights. These holders will be entitled to make up to three demands, excluding short form registration demands, that the Company register such securities for sale under the Securities Act. In addition, these holders will have "piggy-back" registration rights to include their securities in other registration statements filed by the Company. Notwithstanding the foregoing, JFG may not exercise its demand and "piggyback" registration rights after five (5) and seven (7) years; respectively after the effective date of the registration statement relating to the Public Offering and may not exercise its demand rights on more than one occasion. The Company will bear the expenses incurred in connection with the filing of any such registration statements.

Underwriting Commissions

Jefferies LLC is the underwriter of the Public Offering, and its indirect parent, JFG, beneficially owns 48.3% of the Founder Shares. Jefferies LLC received all of the underwriting discount that was due at the

closing of the Public Offering, and will receive the additional Deferred Discount payable from the Trust Account upon completion of the Business Combination. See Note 5 for further information regarding underwriting commissions.

Administrative Services Agreement

The Company entered into an administrative services agreement in which we will pay Fertitta Entertainment, Inc., (an affiliate of TJJ) for office space, secretarial and administrative services provided to members of our management team, in an amount not to exceed \$20,000 per month commencing on the date of effectiveness of the Public Offering and ending on the earlier of the completion of a Business Combination or the Company's liquidation. The Company has recorded administrative services fees of \$60,000 in the three months ended March 31, 2021.

Directors' Payments

We expect to pay \$100,000 to each of our independent directors at the closing of a Business Combination for services rendered as board members prior to the completion of a Business Combination.

Sponsors' Indemnification of the Trust Accounts

The Sponsors have agreed that they will be jointly and severally liable to the Company if and to the extent any claims by a vendor for services rendered or products sold to the Company, or a prospective target business with which the Company has discussed entering into a transaction agreement, reduce the amount of funds in the Trust Account to below the lesser of (i) \$10.00 per public share or (ii) the actual amount per public share held in the Trust Account as of the date of the liquidation of the Trust Account due to reductions in the value of the trust assets, in each case net of the interest which may be withdrawn to pay taxes, except as to any claims by a third party who executed a waiver of any and all rights to seek access to the Trust Account and except as to any claims under the Company's indemnity of the underwriters of the Public Offering against certain liabilities, including liabilities under the Securities Act. Moreover, in the event that an executed waiver is deemed to be unenforceable against a third party, the Sponsors will not be responsible to the extent of any liability for such third party claims.

Sponsor Loans

On August 24, 2020 the Sponsors agreed to loan the Company up to an aggregate of \$300,000 by the issuance of unsecured promissory notes to cover expenses related to the Public Offering. These loans of \$166,750 were repaid in full on October 16, 2020.

In addition, the Sponsors will not be prohibited from loaning the Company funds in order to finance transaction costs in connection with the Business Combination. Up to \$1,500,000 of these loans may be convertible into warrants of the post-Business Combination entity at a price of \$1.50 per warrant at the option of the lender. The warrants would be identical to the Sponsor Warrants. See Note 5 for the terms of the warrants.

7. Merger Agreement

On January 24, 2021, the Company's board of directors unanimously approved an agreement and plan of merger, dated January 24, 2021, by and among Landcadia, Helios Sun Merger Sub, Inc., the Company's wholly owned subsidiary ("Merger Sub"), HMAN Group Holdings Inc., a Delaware corporation ("Hillman Holdco") and CCMP Sellers' Representative, LLC, a Delaware limited liability company in its capacity as the Stockholder Representative thereunder (in such capacity, the "Stockholder Representative") (as amended on March 12, 2021 and as may be further amended and/or restated from time to time, the "Merger Agreement"). If the Merger Agreement is adopted by the Company's stockholders and the transactions under the Merger Agreement are consummated, Merger Sub will merge with and into Hillman Holdco with Hillman Holdco surviving the merger as the Company's wholly owned subsidiary (the "Proposed Transaction"). Hillman Holdco is a holding company that indirectly holds all of the issued and outstanding capital stock of The Hillman Group, Inc., which, together with its direct and indirect subsidiaries (Hillman Holdco, The Hillman Group, Inc. and its direct and indirect subsidiaries, collectively, "Hillman" and each

such entity, a “Hillman Group Entity”), is in the business of providing hardware-related products and related merchandising services to retail markets in North America. In connection with the consummation of the Proposed Transaction, we will be renamed “Hillman Solutions Corp.” Such entity is referred to herein as “New Hillman” as of the time following such change of name.

In accordance with the terms and subject to the conditions of the Merger Agreement, the Company has agreed to pay aggregate consideration in the form of New Hillman common stock (the “Aggregate Consideration”) calculated as described below and equal to a value of approximately (i) \$911,300,000 plus (ii) \$28,280,000, such amount being the value of 2,828,000 Founder Shares, valued at \$10.00 per share that the Sponsors, have agreed to forfeit at the closing of the Proposed Transaction (the “Closing”).

At the effective time of the Proposed Transaction, all outstanding shares of common stock of Hillman Holdco will be cancelled in exchange for the right to receive, with respect to each such share, a certain number of shares of New Hillman common stock valued at \$10.00 per share equal to (A) (i) the Aggregate Consideration plus (ii) the value that would be received by Hillman Holdco upon the exercise of all outstanding Hillman Holdco options as of immediately prior to the Closing (the “Adjusted Purchase Price”), divided by (B) (i) the total number of shares of Hillman Holdco common stock outstanding as of immediately prior to the Closing plus (ii) the number of shares of Hillman Holdco common stock underlying all then outstanding Hillman Holdco options and shares of Hillman Holdco restricted stock outstanding as of immediately prior to the Closing (the “Adjusted Per Share Merger Value”).

At the effective time, each outstanding option to purchase shares of Hillman Holdco common stock (a “Hillman Holdco Option”), whether vested or unvested, will be assumed by New Hillman and will be converted into an option to acquire common stock of New Hillman (“New Hillman Options”) with substantially the same terms and conditions as applicable to the Hillman Holdco Option immediately prior to the effective time (including expiration date, vesting conditions and exercise provisions), except that (i) each such Hillman Holdco Option shall be exercisable for that number of shares of New Hillman common stock equal to the product (rounded down to the nearest whole number) of (A) the number of shares of Hillman Holdco common stock subject to such Hillman Holdco Assumed Option immediately prior the effective time multiplied by (B) the quotient of (1) the Adjusted Per Share Merger Value divided by (2) \$10.00 (such quotient, with respect to each Hillman Holdco Option, the “Closing Stock Per Option Amount”), (ii) the per share exercise price for each share of New Hillman common stock issuable upon exercise of the New Hillman Option shall be equal to the quotient (rounded up to the nearest whole cent) obtained by dividing (A) the exercise price per share of Hillman Holdco subject to such Hillman Holdco Option immediately prior to the effective time by (B) the Closing Stock Per Option Amount; (iii) the Hillman Holdco board of directors (the “Hillman Holdco Board”) (or the compensation committee of the Hillman Holdco Board) may appropriately adjust the performance conditions applicable to certain of the New Hillman Options; and (iv) the Hillman Holdco Board (or the compensation committee of the Hillman Holdco Board) may make such other immaterial administrative or ministerial changes to the New Hillman Options as it may determine in good faith are appropriate to effectuate the administration of the New Hillman Options and to ensure consistency with the administrative and ministerial provisions of the New Hillman Incentive Equity Plan;

At the effective time, each share of unvested restricted Hillman Holdco common stock will be cancelled and converted into the right to receive a number of shares of restricted New Hillman common stock (“New Hillman Restricted Stock”) equal to the quotient of (a) the Adjusted Per Share Merger Value divided by (b) \$10.00 (such quotient, with respect to each share of unvested Hillman Holdco restricted stock, the “Closing Stock Per Restricted Share Amount”) with substantially the same terms and conditions as were applicable to the related share of Hillman Holdco Restricted Stock immediately prior to the effective time (including with respect to vesting and termination-related provisions), except that (i) any per-share repurchase price of such New Hillman Restricted Stock shall be equal to the quotient obtained by dividing (A) the per-share repurchase price applicable to the Hillman Holdco Restricted Stock, by (B) the Closing Stock Per Restricted Share Amount, rounded up to the nearest cent and (ii) the Hillman Holdco Board (or the compensation committee of the Hillman Holdco Board) may make such other immaterial administrative or ministerial changes to the New Hillman Restricted Stock as it may determine in good faith are appropriate to effectuate the administration of the New Hillman Restricted Stock and to ensure consistency with the administrative and ministerial provisions of the New Hillman Incentive Equity Plan.

At the effective time, each Hillman Holdco restricted stock unit (each a “Hillman Holdco RSU”) will be assumed by New Hillman and converted into a restricted stock unit in respect of shares of New Hillman common stock (each, a “New Hillman RSU”) with substantially the same terms and conditions as were applicable to such Hillman Holdco RSU immediately prior to the effective time (including with respect to vesting and termination-related provisions), except that (i) each New Hillman RSU shall represent the right to receive (subject to vesting) that number of shares of New Hillman common stock equal to the product (rounded up to the nearest whole number) of the number of shares of Hillman Holdco common stock underlying the Hillman Holdco RSU immediately prior to the effective time multiplied by the quotient of (a) the Adjusted Per Share Merger Value divided by (b) \$10.00 (such quotient, with respect to each Hillman Holdco restricted stock unit, the “Hillman Holdco RSU Exchange Ratio”); and (ii) the Hillman Holdco Board (or the compensation committee of the Hillman Holdco Board) may make such other immaterial administrative or ministerial changes to the New Hillman RSUs as it may determine in good faith are appropriate to effectuate the administration of the New Hillman RSUs and to ensure consistency with the administrative and ministerial provisions of the New Hillman Incentive Equity Plan.

In addition, pursuant to the amended and restated letter agreement entered into in connection with the execution of the Merger Agreement (the “A&R Letter Agreement”), the Sponsors will, at the Closing of the Proposed Transaction, forfeit a total of 3,828,000 of their Founder Shares (the “Sponsor Forfeited Shares”), with 2,828,000 shares being forfeited by the Sponsors on a basis pro rata with their ownership of the Company and 1,000,000 additional shares being forfeited by TJF.

Immediately prior to the effective time of the Business Combination, with the exception of the Sponsor Forfeited Shares, each of the currently issued and outstanding shares of Landcadia’s Class B common stock will automatically convert, on a one-for-one basis, into shares of Landcadia’s Class A common stock in accordance with the terms of our Charter, and thereafter, in connection with the Closing, Landcadia’s Class A common stock will be reclassified as New Hillman common stock.

8. Derivative Financial Instruments

In accordance with FASB ASC 815-40, Derivatives and Hedging: Contracts in an Entities Own Equity, entities must consider whether to classify contracts that may be settled in its own stock, such as warrants, as equity of the entity or as an asset or liability. If an event that is not within the entity’s control could require net cash settlement, then the contract should be classified as an asset or a liability rather than as equity. We have determined because the terms of Public Warrants include a provision that entitles all warrant holders to cash for their warrants in the event of a qualifying cash tender offer, while only certain of the holders of the underlying shares of common stock would be entitled to cash, our warrants should be classified as a derivative liability measured at fair value, with changes in fair value each period reported in earnings. Volatility in our Common Stock and Public Warrants may result in significant changes in the value of the derivatives and resulting gains and losses on our statement of operations.

In conjunction with our Public Offering, which closed October 14, 2020, the Company sold 50,000,000 Public Units at a price of \$10.00 per Unit. Each Public Unit consists of one share of the Company’s Class A common stock, \$0.0001 par value and one-third of one redeemable Public Warrant and simultaneously, the Sponsors purchased an aggregate of 8,000,000 Sponsor Warrants at a price of \$1.50 per warrant (\$12,000,000 in the aggregate) in the Private Placement. As of March 31, 2021, 16,666,667 Public Warrants and 8,000,000 Sponsor Warrants are outstanding. The Sponsor Warrants (including the Class A common stock issuable upon exercise of the Sponsor Warrants) are not transferable, assignable or salable until 30 days after the completion of the Business Combination and they are non-redeemable so long as they are held by the initial purchasers of the Sponsor Warrants or their permitted transferees. If the Sponsor Warrants are held by someone other than the initial purchasers of the Sponsor Warrants or their permitted transferees, the Sponsor Warrants will be redeemable by the Company and exercisable by such holders on the same basis as the Public Warrants. Otherwise, the Sponsor Warrants have terms and provisions that are identical to those of the Public Warrants except that the Sponsor Warrants may be exercised on a cashless basis. If the Company does not complete the Business Combination, then the proceeds will be part of the liquidating distribution to the public stockholders and the Sponsor Warrants issued to the Sponsors will expire worthless. Because the terms of the Sponsor Warrants and Public Warrants are so similar, we classified both types of warrants as a derivative liability measured at fair value.

Each Public Warrant entitles the holder to purchase one share of Class A common stock at a price of \$11.50 per share. Each Public Warrant will become exercisable on the later of 30 days after the completion of the Business Combination or 12 months from the closing of the Public Offering. However, if the Company does not complete the Business Combination on or prior to October 14, 2022, the warrants will expire at the end of such period. If the Company is unable to deliver registered shares of Class A common stock to the holder upon exercise of Public Warrants issued in connection with the Units during the exercise period, there will be no net cash settlement of these Public Warrants and the Public Warrants will expire worthless, unless they may be exercised on a cashless basis in the circumstances described in the warrant agreement. Once the Public Warrants become exercisable, the Company may call the warrants for redemption: (i) in whole and not in part; (ii) at a price of \$0.01 per warrant; (iii) upon not less than 30 days' prior written notice of redemption (the "30-day redemption period") to each warrant holder; and (iv) if, and only if, the reported closing price of the Class A common stock equals or exceeds \$18.00 per share for any 20 trading days within a 30-trading day period ending three business days before the Company sends the notice of redemption to the warrant holders.

As of March 31, 2021, the value of our Public Warrants and Sponsor Warrants were \$ 24,830,000 and \$19,680,000, respectively. As of December 31, 2020, the value of our Public Warrants and Sponsor Warrants were \$37,000,000 and \$18,720,000, respectively. For the three months ended March 31, 2021, we recorded a gain related to the change in fair value of warrant derivative liability of \$11,210,000 in other income and expense on our statement of operations.

For further information on our warrants, see Notes 5 and 6.

9. Fair Value Measurements

Fair value is measured based on an exit price, representing the amount that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants. As such, fair value is a market-based measurement that should be determined based on assumptions market participants would use in pricing an asset or liability. Assets and liabilities measured at fair value are based on a market valuation approach using prices and other relevant information generated by market transactions involving identical or comparable assets or liabilities. As a basis for considering such assumptions, a three-tiered fair value hierarchy is established, which prioritizes the inputs used in measuring fair value as follows: (Level 1) observable inputs such as quoted prices in active markets; (Level 2) inputs, other than the quoted prices in active markets that are observable, either directly or indirectly; and (Level 3) unobservable inputs in which there is little or no market data, which require the reporting entity to develop its own assumptions. Management determined that the fair value of each Sponsor Warrant is similar to that of a Public Warrant, with adjustments for implied volatility for the Company after the Business Combination is completed. Accordingly, at March 31, 2021 the Public Warrants are classified as Level 1 financial instruments and the Sponsor Warrants were transferred from Level 2 financial instruments to Level 3 financial instruments.

The following table presents the Company's assets and liabilities that are measured at fair value and indicates the fair value hierarchy of the valuation inputs the Company utilized to determine such fair value:

Landcadia Holdings III, Inc.
Notes to Financial Statements

1. Nature of Business

Business

Landcadia III Holdings, Inc., (the “Company”), was formed as Automalyst LLC, a Delaware limited liability company on March 13, 2018 and converted into a Delaware corporation of August 24, 2020. We consummated an initial public offering (“Public Offering”) on October 14, 2020.

The Company has not had any significant operations to date. The Company was formed to effect a merger, capital stock exchange, asset acquisition, stock purchase, reorganization or similar business combination with one or more businesses (the “Business Combination”). On, January 24, 2021 we entered into an Agreement and Plan of Merger with HMAN Group Holdings Inc., a Delaware corporation (“Hillman”).

There is no assurance that the Company’s plans to consummate a Business Combination will be successful.

All activity through December 31, 2020 relates to the Company’s formation and its initial public offering of units (the “Public Offering”), which is described below.

Sponsors

The Company’s sponsors are TJF LLC (“TJF”) and Jefferies Financial Group Inc. (“JFG” and, together with TJF, the “Sponsors”). TJF is wholly owned by Tilman J. Fertitta, the Company’s Co-Chairman and Chief Executive Officer.

Financing

The Company intends to finance its Business Combination in part with proceeds from its \$500,000,000 Public Offering and \$12,000,000 private placement (the “Private Placement”) of private placement warrants (the “Sponsor Warrants”), see Notes 4 and 5. The registration statement for the Public Offering was declared effective by the U.S. Securities and Exchange Commission (“SEC”) on October 8, 2020. The Company consummated the Public Offering of 50,000,000 units (the “Units”), at \$10.00 per Unit on October 14, 2020, generating gross proceeds of \$500,000,000. Simultaneously with the closing of the Public Offering, the Company consummated the Private Placement of an aggregate of 8,000,000 Sponsor Warrants at a price of \$1.50 per Sponsor Warrant, generating proceeds of \$12,000,000. Upon the closing of the Public Offering and Private Placement, \$500,000,000 from the net proceeds of the sale of the Units in the Public Offering and the Private Placement was placed in a U.S.-based trust account maintained by Continental Stock Transfer & Trust Company, acting as trustee (the “Trust Account”). The underwriters did not exercise their option to purchase additional units.

Trust Account

The proceeds held in the Trust Account can only be invested in permitted United States “government securities” within the meaning of Section 2(a)(16) of the Investment Company Act of 1940, as amended (the “Investment Company Act”), having a maturity of 185 days or less or in money market funds meeting certain conditions under Rule 2a-7 promulgated under the Investment Company Act which invest only in direct U.S. government treasury obligations.

The Company’s second amended and restated certificate of incorporation (the “Charter”) provides that, other than the withdrawal of interest to pay tax obligations (less up to \$100,000 interest to pay dissolution expenses), none of the funds held in the Trust Account will be released until the earliest of: (i) the completion of the Business Combination; (ii) the redemption of any shares of Class A common stock included in the Units being sold in the Public Offering (“Public Shares”) properly submitted in connection with a stockholder vote to amend the Charter to modify the substance or timing of the Company’s obligation to redeem 100% of the Public Shares if the Company does not complete the Business Combination by

Landcadia Holdings III, Inc.
Notes to Financial Statements

October 14, 2022 (within 24 months from the closing of the Public Offering); or to provide for redemption in connection with a Business Combination; or (iii) the redemption of the Public Shares if the Company is unable to complete the Business Combination by October 14, 2022, subject to applicable law.

Initial Business Combination

The Company's management has broad discretion with respect to the specific application of the net proceeds of the Public Offering and Private Placement, although substantially all of the net proceeds are intended to be applied generally toward consummating a Business Combination. There is no assurance that the Company will be able to complete a Business Combination successfully. The Company must complete one or more initial Business Combinations having an aggregate fair market value of at least 80% of the value of the assets held in the Trust Account (excluding deferred underwriting commissions and taxes payable on the interest earned on the Trust Account) at the time of the Company's signing a definitive agreement in connection with an initial Business Combination. The Company will only complete a Business Combination if the post-transaction company owns or acquires 50% or more of the outstanding voting securities of the target or otherwise acquires a controlling interest in the target sufficient for it not to be required to register as an investment company under the Investment Company Act.

The Sponsors and the Company's officers and directors have entered into a letter agreement with the Company, pursuant to which they have agreed to (i) waive their redemption rights with respect to their Founder Shares and Public Shares in connection with the completion of the Business Combination, (ii) waive their redemption rights with respect to their Founder Shares and Public Shares in connection with a stockholder vote to approve an amendment to the Charter to modify the substance or timing of the Company's obligation to redeem 100% of the Public Shares if the Company does not complete a Business Combination by October 14, 2022, or to provide for redemption in connection with a Business Combination and (iii) waive their rights to liquidating distributions from the Trust Account with respect to their Founder Shares if the Company fails to complete a Business Combination by October 14, 2022, although they will be entitled to liquidating distributions from the Trust Account with respect to any Public Shares they hold if the Company fails to complete a Business Combination within the prescribed time frame; and (iv) vote any Founder Shares held by them and any Public Shares purchased during or after the Public Offering (including in open market and privately-negotiated transactions) in favor of the Business Combination.

The Company, after signing a definitive agreement for the Business Combination, will either (i) seek stockholder approval of the Business Combination at a meeting called for such purpose in connection with which stockholders may seek to redeem their shares, regardless of whether they vote for or against the Business Combination, for cash equal to their pro rata share of the aggregate amount then on deposit in the Trust Account calculated as of two business days prior to the consummation of the Business Combination, including interest earned on the Trust Account and not previously released to the Company to pay its taxes, or (ii) provide stockholders with the opportunity to sell their shares to the Company by means of a tender offer for an amount in cash equal to their pro rata share of the aggregate amount then on deposit in the Trust Account calculated as of two business days prior to commencement of the tender offer, including interest earned on the Trust Account and not previously released to the Company to pay its taxes. The decision as to whether the Company will seek stockholder approval of the Business Combination or will allow stockholders to sell their shares in a tender offer will be made by the Company, solely in its discretion, and will be based on a variety of factors such as the timing of the transaction and whether the terms of the transaction would otherwise require the Company to seek stockholder approval. If the Company seeks stockholder approval, it will complete the Business Combination only if a majority of the outstanding shares of common stock voted are voted in favor of the Business Combination. However, in no event will the Company redeem the Public Shares in an amount that would cause its net tangible assets to be less than \$5,000,001. In such case, the Company would not proceed with the redemption of the Public Shares and the related Business Combination, and instead may search for an alternate Business Combination.

Notwithstanding the foregoing redemption rights, if the Company seeks stockholder approval of the Business Combination and it does not conduct redemptions in connection with the Business Combination

Landcadia Holdings III, Inc.
Notes to Financial Statements

pursuant to the tender offer rules, the Charter provides that a public stockholder, together with any affiliate of such stockholder or any other person with whom such stockholder is acting in concert or as a “group” (as defined under Section 13 of the Exchange Act of 1934, as amended (the “Exchange Act”)), will be restricted from redeeming its shares with respect to more than an aggregate of 15% of the shares sold in the Public Offering, without the Company’s prior consent.

The Public Shares have been recorded at their redemption amount and classified as temporary equity (“Redeemable Shares”), in accordance with the Financial Accounting Standards Board Accounting Standards Codification (“FASB ASC”) 480, “Distinguishing Liabilities from Equity.” The amount in the Trust Account was initially \$10.00 per Public Share (\$500,000,000 held in the Trust Account divided by 50,000,000 Public Shares). See Note 3.

The Company will have until October 14, 2022, to complete the Business Combination. If the Company does not complete the Business Combination within this period of time, it shall (i) cease all operations except for the purposes of winding up; (ii) as promptly as reasonably possible, but not more than ten business days thereafter, redeem the Public Shares for a per-share price, payable in cash, equal to the aggregate amount then on deposit in the Trust Account, including interest earned on the funds held in the Trust Account and not previously released to the Company to pay its taxes (less up to \$100,000 of interest to pay dissolution expenses), divided by the number of then outstanding Public Shares, and (iii) as promptly as reasonably possible following such redemption, subject to the approval of the Company’s remaining stockholders and its board of directors, dissolve and liquidate, subject in each case to the Company’s obligations under Delaware law to provide for claims to creditors and the requirements of other applicable law. The Sponsors and the Company’s officers and directors have entered into a letter agreement with the Company, pursuant to which they have waived their rights to liquidating distributions from the Trust Account with respect to any Founder Shares (as defined below) held by them if the Company fails to complete its Business Combination by October 14, 2022; however, the Sponsors, officers and directors are entitled to liquidating distributions from the Trust Account with respect to Public Shares held by them if the Company does not complete the Business Combination within the required time period. In the event of such distribution, it is possible that the per share value of the residual assets remaining available for distribution (including Trust Account assets) will be less than the initial public offering price per Unit in the Public Offering.

Pursuant to the letter agreement referenced above, the Sponsors, officers and directors agreed that, if the Company submits the Business Combination to the Company’s public stockholders for a vote, such parties will vote their Founder Shares and any Public Shares in favor of the Business Combination.

Subsequent Events

The Company has evaluated subsequent events and transactions that occurred after the balance sheet date up to the date the financial statements were issued. The Company did not identify any subsequent events that would have required adjustment to or disclosure in the financial statements, other than those included herein.

Fiscal Year End

The Company has a December 31 fiscal year-end.

2. Restatement of Previously Issued Financial Statements to Reflect Derivative Accounting

The consolidated financial statements for the year ended December 31, 2020 included in the Original 10-K, filed March 12, 2021, have been restated to reflect the fair value of our warrant derivative liability, which was initially recorded as a component of equity. The Company recently evaluated the terms of its warrants and determined such warrants should be classified as a liability measured at fair value, with the changes in fair value each period reported in earnings in accordance with GAAP. Volatility in our Common Stock and Public Warrants may result in significant changes in the value of the derivatives and resulting gains and losses on our statement of operations. Further if our Sponsor Warrants are held by someone other

Landcadia Holdings III, Inc.
Notes to Financial Statements

initial purchases of the Sponsor Warrants or their permitted transferees, the Sponsor Warrants will be redeemable by the Company and exercisable by such holders on the same basis as the Public Warrants. Because the terms of the Sponsor Warrants and Public Warrants are so similar, we classified both types of warrants as a derivative liability measured at fair value. The Company determined, at the time of the Public Offering, the initial value of its Public Warrants and Sponsor Warrants were \$18,830,000 and \$9,200,000, respectively. As of December 31, 2020, the value of our Public Warrants and Sponsor Warrants were \$37,000,000 and \$18,720,000, respectively. We have restated our December 31, 2020 financial statements to reflect the initial warrant derivative liability of \$28,030,000 with an offsetting amount recorded in additional paid in capital. Subsequently we adjusted the liability to fair value at December 31, 2020 and recorded a change in fair value of warrant derivative liability of \$27,690,000 in other income and expense on our statement of operations. As of December 31, 2020 our warrant derivative liability was \$55,720,000.

Because a portion of the Public Offering is now accounted for as a liability at fair value instead of equity, we reclassified a portion of transaction costs associated with the Public Offering. We allocated offering costs and underwriting discounts between the public equity and warrants based on the relative fair value method. On October 14, 2020, we issued \$500,000,000 of Public Units. We have determined fair value of the Public Warrants on October 14, 2020 was \$18,830,000, and therefore, assigned a value to the Public Warrants of \$18,830,000 and to the Common Stock of \$481,170,000. Because the fair value of the Public Warrants is 3.7% of total Public Units, we reclassified \$1,046,115, or 3.7%, of underwriting discounts and offering costs from additional paid in capital to general and administrative expenses in the 4th quarter. As the bulk of these expenses are commissions, we have included the entire amount in underwriting discounts in the Statement of Cash Flows.

The following table summarizes the effect of the restatement on each financial statement line item, as indicated:

3. Summary of Significant Accounting Policies

Basis of Presentation

The accompanying financial statements include the accounts of the Company and have been prepared in conformity with accounting principles generally accepted in the United States of America (“GAAP”) and pursuant to the rules and regulations of the Securities and Exchange Commission (“SEC”).

Use of Estimates

The preparation of these financial statements requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenue and expenses during the reporting period. Actual results could differ from those estimates.

Emerging Growth Company

The Company is an “emerging growth company,” as defined in Section 2(a) of the Securities Act of 1933, as amended (the “Securities Act”), as modified by the Jumpstart Our Business Startups Act of 2012 (the “JOBS Act”), and it may take advantage of certain exemptions from various reporting requirements that are applicable to other public companies that are not emerging growth companies including, but not limited to, not being required to comply with the independent registered public accounting firm attestation requirements of Section 404 of the Sarbanes-Oxley Act, reduced disclosure obligations regarding executive compensation in its periodic reports and proxy statements, and exemptions from the requirements of holding a nonbinding advisory vote on executive compensation and stockholder approval of any golden parachute payments not previously approved.

Further, section 102(b)(1) of the JOBS Act exempts emerging growth companies from being required to comply with new or revised financial accounting standards until private companies (that is, those that have not had a Securities Act registration statement declared effective or do not have a class of securities registered under the Exchange Act) are required to comply with the new or revised financial accounting standards. The JOBS Act provides that a company can elect to opt out of the extended transition period and comply with the requirements that apply to non-emerging growth companies but any such an election to opt out is irrevocable. The Company has elected not to opt out of such extended transition period which means that when a standard is issued or revised and it has different application dates for public or private companies, the Company, as an emerging growth company, can adopt the new or revised standard at the time private companies adopt the new or revised standard. This may make comparison of the Company’s financial statements with another public company which is neither an emerging growth company nor an emerging growth company which has opted out of using the extended transition period difficult or impossible because of the potential differences in accountant standards used.

Cash and Cash equivalents

The Company considers cash equivalents to be all short-term investments with an original maturity of three months or less when purchased. The Company did not have any cash equivalents as of December 31, 2020 and 2019.

Cash consists of proceeds from the Public Offering and Private Placement held outside of the Trust Account and may be used to pay for business, legal and accounting due diligence for the Business Combination and continuing general and administrative expenses.

Concentration of Credit Risk

Financial instruments that potentially subject the Company to concentrations of credit risk consist of cash accounts with a financial institution which may exceed the Federal depository insurance coverage of

Landcadia Holdings III, Inc.
Notes to Financial Statements

\$250,000. The Company has not experienced losses on these accounts and the Company believes that it is not exposed to significant risks on such accounts.

Fair Value of Financial Instruments

The Company classifies financial instruments under FASB ASC 820, "Fair Value Measurement," for its financial assets and liabilities that are reported at fair value at each reporting period.

The carrying value of the Company's cash and cash equivalents, and accrued liabilities, approximates their fair value due to the short-term nature of such instruments.

Our financial instruments that are subject to fair value measurements consist of our warrant derivative liability. Fair value is measured based on an exit price, representing the amount that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants. As such, fair value is a market-based measurement that should be determined based on assumptions market participants would use in pricing an asset or liability. Assets and liabilities measured at fair value are based on a market valuation approach using prices and other relevant information generated by market transactions involving identical or comparable assets or liabilities. As a basis for considering such assumptions, a three-tiered fair value hierarchy is established, which prioritizes the inputs used in measuring fair value as follows: (Level 1) observable inputs such as quoted prices in active markets; (Level 2) inputs, other than the quoted prices in active markets that are observable, either directly or indirectly; and (Level 3) unobservable inputs in which there is little or no market data, which require the reporting entity to develop its own assumptions. See Note 9 for further information.

Offering Costs

Total offering costs were \$775,000 and consisted of legal, accounting, other costs incurred in connection with the formation and preparation of the Public Offering. Underwriting commissions for the Public Offering were \$27,500,000, of which \$17,500,000 have been deferred until the completion of the Business Combination. Because the Public Warrants have been accounted for as a liability at fair value instead of equity, the Company applied the relative fair value method and allocated a portion of offering costs and underwriting commissions to expenses with the remainder charged to additional paid in capital at the closing of the Offering.

Accounts Payable and Accrued Liabilities

Accounts payable and accrued liabilities were \$127,450 as of December 31, 2020, and primarily consist of Delaware franchise tax expenses and costs incurred for the formation and preparation of the Public Offering with corresponding amounts charged to Offering costs.

Warrant Liabilities

In accordance with ASC 815-40, Derivatives and Hedging: Contracts in an Entities Own Equity, entities must consider whether to classify contracts that may be settled in its own stock, such as warrants, as equity of the entity or as an asset or liability. If an event that is not within the entity's control could require net cash settlement, then the contract should be classified as an asset or a liability rather than as equity. We have determined because the terms of Public Warrants include a provision that entitles all warrant holders to cash for their warrants in the event of a qualifying cash tender offer, while only certain of the holders of the underlying shares of common stock would be entitled to cash, our warrants should be classified as liability measured at fair value, with changes in fair value each period reported in earnings. Volatility in our Common Stock and Public Warrants may result in significant changes in the value of the derivatives and resulting gains and losses on our statement of operations.

Loss Per Common Share

Basic loss per common share is computed by dividing net loss applicable to common stockholders by the weighted average number of common shares outstanding during the period. All shares of Class B

Landcadia Holdings III, Inc.
Notes to Financial Statements

common stock are assumed to convert to shares of Class A common stock on a one-for-one basis. Consistent with FASB ASC 480, shares of Class A common stock subject to possible redemption, as well as their pro rata share of undistributed trust earnings consistent with the two-class method, have been excluded from the calculation of loss per common share for the years ended December 31, 2020, 2019 and the period from March 13, 2018 (inception) to December 31, 2018. Such shares, if redeemed, only participate in their pro rata share of trust earnings, see Note 3. Diluted loss per share includes the incremental number of shares of common stock to be issued in connection with the conversion of Class B common stock or to settle warrants, as calculated using the treasury stock method. For the years ended December 31, 2020, 2019 and the period from March 13, 2018 (inception) to December 31, 2018, the Company did not have any dilutive warrants, securities or other contracts that could, potentially, be exercised or converted into common stock. As a result, diluted loss per common share is the same as basic loss per common share for all periods presented. Further, in accordance with FASB ASC 260, the loss per share calculation reflects the effect of the stock splits as discussed in Note 4 for all periods presented.

See Note 10 for further information.

Income Taxes

The Company was taxed as a limited liability company prior to August 24, 2020, therefore all tax implications were the responsibility of its member. As of August 24, 2020 the Company elected to be taxed as a C Corporation. The Company complies with the accounting and reporting requirements of FASB ASC, 740, "Income Taxes," which requires an asset and liability approach to financial accounting and reporting for income taxes. Deferred income tax assets and liabilities are computed for differences between the financial statement and tax bases of assets and liabilities that will result in future taxable or deductible amounts, based on enacted tax laws and rates applicable to the periods in which the differences are expected to affect taxable income. Valuation allowances are established, when necessary, to reduce deferred tax assets to the amount expected to be realized.

There were no unrecognized tax benefits as of December 31, 2020, 2019 and 2018. FASB ASC 740 prescribes a recognition threshold and a measurement attribute for the financial statement recognition and measurement of tax positions taken or expected to be taken in a tax return. For those benefits to be recognized, a tax position must be more-likely-than-not to be sustained upon examination by taxing authorities. The Company recognizes accrued interest and penalties related to unrecognized tax benefits as income tax expense. No amounts were accrued for the payment of interest and penalties at December 31, 2020, 2019 and 2018. The Company is currently not aware of any issues under review that could result in significant payments, accruals or material deviation from its position.

See Note 11 for further information.

Recent Accounting Pronouncements

Management does not believe that any recently issued, but not yet effective, accounting pronouncements, if currently adopted, would have a material effect on the Company's financial statements.

4. Stockholders' Equity

On March 13, 2018, JFG, through a subsidiary, purchased a 100% of the membership interest in the Company for \$1,000. On August 24, 2020, TJF purchased a 51.7% membership interest in the Company for \$1,070. Simultaneously, the Company converted from a limited liability company to a corporation and its previously outstanding membership interest converted into shares of Class B common stock. The total number of authorized shares of all classes of capital stock is 401,000,000, of which 380,000,000 shares are Class A shares at par value \$0.0001 per share; 20,000,000 shares are Class B shares at par value \$0.0001 per share; and 1,000,000 shares are preferred stock at par value \$0.0001 per share. The Sponsors held an aggregate of 11,500,000 Class B shares based on the proportional interest in the Company. Further, on September 16, 2020, we conducted a 1:1.25 stock split of the Founder Shares so that a total of 14,375,000 Founder Shares were

Landcadia Holdings III, Inc.
Notes to Financial Statements

issued and outstanding. An aggregate of 1,875,000 Founder Shares were forfeited because the underwriters did not exercise their over-allotment option. As of December 31, 2020 JFG and TJF owned 12,500,000 Founder Shares based on their proportional interest in the Company. The financial statements reflect the changes in stock retroactively for all periods presented.

Following these transactions, the Company had \$2,070 of invested capital, or approximately \$0.0001 per share.

Redeemable Shares

All of the 50,000,000 Public Shares sold as part of the Public Offering contain a redemption feature as defined in the Public Offering. In accordance with FASB ASC 480, redemption provisions not solely within the control of the Company require the security to be classified outside of permanent equity. The Company's amended and restated certificate of incorporation provides a minimum net tangible asset threshold of \$5,000,001. The Company recognizes changes in redemption value immediately as they occur and will adjust the carrying value of the security to equal the redemption value at the end of each reporting period. Increases or decreases in the carrying amount of Redemption Shares will be affected by charges against additional paid-in capital.

At December 31, 2020 there were 50,000,000 Public Shares, of which 42,278,793 were classified as Redeemable Shares, classified outside of permanent equity, and 7,721,207 classified as Class A common stock.

For further information on the Founder Shares, see Note 6.

5. Public Offering

Public Units

In the Public Offering, which closed October 14, 2020, the Company sold 50,000,000 Units at a price of \$10.00 per Unit. Each Unit consists of one share of the Company's Class A common stock, \$0.0001 par value and one-third of one redeemable warrant (each whole warrant is a "Public Warrant"). Under the terms of the warrant agreement, the Company has agreed to use its best efforts to file a new registration statement under the Securities Act no later than 15 business days following the completion of the Business Combination covering the shares of Class A common stock issuable upon exercise of the Public Warrants, to use its best efforts to cause such registration statement to become effective and to maintain a current prospectus relating to those shares of Class A common stock until the Public Warrants expire or are redeemed. If a registration statement covering the shares of Class A common stock issuable upon exercise of the Public Warrants is not effective by the 60th business day after the closing of the Business Combination, warrant holders may, until such time as there is an effective registration statement and during any period when the Company will have failed to maintain an effective registration statement, exercise warrants on a "cashless basis" in accordance with Section 3(a)(9) of the Securities Act or another exemption. Notwithstanding the above, If the Class A common stock is at the time of any exercise of a warrant not listed on a national securities exchange such that it satisfies the definition of a "covered security" under Section 18(b)(1) of the Securities Act, the Company may, at its option, require holders of Public Warrants who exercise their Public Warrants to do so on a "cashless basis" in accordance with Section 3(a)(9) of the Securities Act and, in the event the Company so elects, it will not be required to file or maintain in effect a registration statement.

Each Public Warrant entitles the holder to purchase one share of Class A common stock at a price of \$11.50 per share. Each Public Warrant will become exercisable on the later of 30 days after the completion of the Business Combination or 12 months from the closing of the Public Offering. However, if the Company does not complete the Business Combination on or prior to October 14, 2022, the Warrants will expire at the end of such period. If the Company is unable to deliver registered shares of Class A common stock to the holder upon exercise of Public Warrants issued in connection with the Units during the exercise period,

Landcadia Holdings III, Inc.
Notes to Financial Statements

there will be no net cash settlement of these Public Warrants and the Public Warrants will expire worthless, unless they may be exercised on a cashless basis in the circumstances described in the warrant agreement. Once the Public Warrants become exercisable, the Company may call the warrants for redemption: (i) in whole and not in part; (ii) at a price of \$0.01 per warrant; (iii) upon not less than 30 days' prior written notice of redemption to each warrant holder; and (iv) if, and only if, the reported closing price of the Class A common stock equals or exceeds \$18.00 value per share for any 20 trading days within a 30-trading day period ending three business days before the Company sends the notice of redemption to the warrant holders.

Underwriting Commissions

The Company paid an underwriting discount of \$10,000,000 (\$0.20 per Unit sold) to the underwriters at the closing of the Public Offering on October 14, 2020, with an additional fee ("Deferred Discount") of \$17,500,000 (\$0.35 per Unit sold) payable upon the Company's completion of the Business Combination. The Deferred Discount will become payable to the underwriters from the amounts held in the Trust Account solely in the event the Company completes its Business Combination. See Note 5 for further information on underwriting commissions.

6. Related Party Transactions

Founder Shares

The Founder Shares are identical to the Public Shares except that the Founder Shares are subject to certain transfer restrictions and the holders of the Founder Shares will have the right to elect all of the Company's directors prior to the Business Combination. The Founder Shares will automatically convert into shares of Class A common stock at the time of the Business Combination on a one-for-one basis, subject to adjustment pursuant to certain anti-dilution rights. The Sponsors collectively own 22.4% of the Company's issued and outstanding shares of common stock.

The holders of the Founder Shares have agreed not to transfer, assign or sell any of their Founder Shares until one year after the completion of the Business Combination, or earlier if, subsequent to the Business Combination, (i) the closing price of the Company's common stock equals or exceeds \$12.00 per share (as adjusted for stock splits, stock dividends, reorganizations, recapitalizations and the like) for any 20 trading days within any 30-trading day period commencing at least 150 days after the Business Combination or (ii) the date on which the Company completes a liquidation, merger, stock exchange or other similar transaction after the Business Combination that results in all of the Company's stockholders having the right to exchange their shares of common stock for cash, securities or other property (the "Lock Up Period").

The Founder Shares will automatically convert into shares of Class A common stock concurrently with or immediately following the consummation of the Business Combination on a one-for-one basis, subject to adjustment for stock splits, stock dividends, reorganizations, recapitalizations and the like, and subject to further adjustment. In the case that additional shares of Class A common stock or equity-linked securities are issued or deemed issued in connection with the Business Combination, the number of shares of Class A common stock issuable upon conversion of all Founder Shares will equal, in the aggregate, 20% of the total number of all shares of Class A common stock outstanding after such conversion (after giving effect to any redemptions of shares of Class A common stock by public stockholders), including the total number of shares of Class A common stock issued, or deemed issued or issuable upon conversion or exercise of any equity-linked securities or rights issued or deemed issued, by the Company in connection with or in relation to the consummation of the initial Business Combination, excluding any shares of Class A common stock or equity-linked securities exercisable for or convertible into shares of Class A common stock issued, or to be issued, to any seller in the Business Combination and any private placement-equivalent warrants issued to the Sponsors, officers or directors upon conversion of working capital loans; provided that such conversion of Founder Shares will never occur on a less than one-for-one basis.

Sponsor Warrants

In conjunction with the Public Offering that closed on October 14, 2020 the Sponsors purchased an aggregate of 8,000,000 Sponsor Warrants at a price of \$1.50 per warrant (\$12,000,000 in the aggregate) in

Landcadia Holdings III, Inc.
Notes to Financial Statements

the Private Placement. A portion of the purchase price of the Sponsor Warrants was added to the proceeds from the Public Offering to be held in the Trust Account such that at closing of the Public Offering, \$500,000,000 was placed in the Trust Account.

Each Sponsor Warrant entitles the holder to purchase one share of Class A common stock at \$11.50 per share. The Sponsor Warrants (including the Class A common stock issuable upon exercise of the Sponsor Warrants) are not transferable, assignable or salable until 30 days after the completion of the Business Combination and they are non-redeemable so long as they are held by the initial purchasers of the Sponsor Warrants or their permitted transferees. If the Sponsor Warrants are held by someone other than the initial purchasers of the Sponsor Warrants or their permitted transferees, the Sponsor Warrants will be redeemable by the Company and exercisable by such holders on the same basis as the warrants included in the Units being sold in the Public Offering. Otherwise, the Sponsor Warrants have terms and provisions that are identical to those of the Public Warrants except that the Sponsor Warrants may be exercised on a cashless basis. If the Company does not complete the Business Combination, then the proceeds will be part of the liquidating distribution to the public stockholders and the Sponsor Warrants issued to the Sponsors will expire worthless.

Registration Rights

The holders of the Founder Shares, Sponsor Warrants, shares of Class A common stock issuable upon conversion of the Founder Shares, Sponsor Warrants or Working Capital Loans will be entitled to registration rights. These holders will be entitled to make up to three demands, excluding short form registration demands, that the Company register such securities for sale under the Securities Act. In addition, these holders will have “piggy-back” registration rights to include their securities in other registration statements filed by the Company. Notwithstanding the foregoing, JFG may not exercise its demand and “piggyback” registration rights after five (5) and seven (7) years, respectively after the effective date of the registration statement relating to the Public Offering and may not exercise its demand rights on more than one occasion. The Company will bear the expenses incurred in connection with the filing of any such registration statements.

Underwriting Commissions

Jefferies LLC is the underwriter of the Public Offering, and its indirect parent, JFG, beneficially owns 48.3% of the Founder Shares. Jefferies LLC received all of the underwriting discount that was due at the closing of the Public Offering, and will receive the additional Deferred Discount payable from the Trust Account upon completion of the Business Combination. See Note 4 for further information regarding underwriting commissions.

Administrative Services Agreement

The Company entered into an administrative services agreement in which the Company will pay Fertitta Entertainment, Inc., (an affiliate of TJF) for office space, utilities and secretarial and administrative support, in an amount equal to \$20,000 per month ending on the earlier of the completion of a Business Combination or October 14, 2022, if the Company is unable to complete the Business Combination. The Company has recorded administrative services fees of \$60,000 as of December 31, 2020.

Directors' Payments

The Company expects to pay \$100,000 to each of our independent directors at the closing of a Business Combination for services rendered as board members prior to the completion of a Business Combination.

Sponsor Indemnification

The Sponsors have agreed that they will be jointly and severally liable to the Company if and to the extent any claims by a third party for services rendered or products sold to the Company, or a prospective

target business with which the Company has discussed entering into a transaction agreement, reduce the amount of funds in the Trust Account to below the lesser of (i) \$10.00 per Public Share or (ii) the actual amount per Public Share held in the Trust Account as of the date of the liquidation of the Trust Account due to reductions in the value of the trust assets, in each case net of the interest which may be withdrawn to pay taxes, except as to any claims by a third party who executed a waiver of any and all rights to see access to the Trust Account and except as to any claims under the Company's indemnity of the underwriters of the Public Offering against certain liabilities, including liabilities under the Securities Act. Moreover, in the event that an executed waiver is deemed to be unenforceable against a third party, the Sponsors will not be responsible to the extent of any liability for such third party claims.

Sponsor Loans

On August 24, 2020, the Sponsors agreed to loan the Company up to an aggregate of \$300,000 by the issuance of unsecured promissory notes to cover expenses related to the Public Offering. These loans of \$166,750 were repaid in full on October 16, 2020.

In addition, the Sponsors will not be prohibited from loaning the Company funds in order to finance transaction costs in connection with the Business Combination. Up to \$1,500,000 of these loans may be convertible into warrants of the post-Business Combination entity at a price of \$1.50 per warrant at the option of the lender. The warrants would be identical to the Sponsor Warrants. The terms of such loans have not been determined and no written agreements exist with respect to such loans. See Note 4 for the terms of the warrants.

7. Merger Agreement

On January 24, 2021, the Company's board of directors unanimously approved an agreement and plan of merger, dated January 24, 2021, by and among Landcadia, Helios Sun Merger Sub, Inc., the Company's wholly owned subsidiary ("Merger Sub"), HMAN Group Holdings Inc., a Delaware corporation ("Hillman Holdco") and CCMP Sellers' Representative, LLC, a Delaware limited liability company in its capacity as the Stockholder Representative thereunder (in such capacity, the "Stockholder Representative") (as it may be amended and/or restated from time to time, the "Merger Agreement"). If the Merger Agreement is adopted by the Company's stockholders and the transactions under the Merger Agreement are consummated, Merger Sub will merge with and into Hillman Holdco with Hillman Holdco surviving the merger as the Company's wholly owned subsidiary (the "Proposed Transaction"). Hillman Holdco is a holding company that indirectly holds all of the issued and outstanding capital stock of The Hillman Group, Inc., which, together with its direct and indirect subsidiaries (Hillman Holdco, The Hillman Group, Inc. and its direct and indirect subsidiaries, collectively, "Hillman" and each such entity, a "Hillman Group Entity"), is in the business of providing hardware-related products and related merchandising services to retail markets in North America. In connection with the consummation of the Proposed Transaction, We will be renamed "Hillman Solutions Corp." and is referred to herein as "New Hillman" as of the time following such change of name.

In accordance with the terms and subject to the conditions of the Merger Agreement, the Company has agreed to pay aggregate consideration in the form of New Hillman common stock (the "Aggregate Consideration") calculated as described below and equal to a value of approximately (i) \$911,300,000 plus (ii) \$28,280,000, such amount being the value of 2,828,000 Founder Shares, valued at \$10.00 per share that the Sponsors, have agreed to forfeit at the closing of the Proposed Transaction (the "Closing").

At the effective time of the Proposed Transaction, all outstanding shares of common stock of Hillman Holdco will be cancelled in exchange for the right to receive, with respect to each such share, a certain number of shares of New Hillman common stock valued at \$10.00 per share equal to (A) (i) the Aggregate Consideration plus (ii) the value that would be received by Hillman Holdco upon the exercise of all outstanding Hillman Holdco options as of immediately prior to the Closing (the "Adjusted Purchase Price"), divided by (B) (i) the total number of shares of Hillman Holdco common stock outstanding as of immediately prior to the Closing plus (ii) the number of shares of Hillman Holdco common stock underlying

Landcadia Holdings III, Inc.
Notes to Financial Statements

all then outstanding Hillman Holdco options and shares of Hillman Holdco restricted stock outstanding as of immediately prior to the Closing (the “Adjusted Per Share Merger Value”).

At the effective time, each outstanding option to purchase shares of Hillman Holdco common stock (a “Hillman Holdco Option”), whether vested or unvested, will be assumed by New Hillman and will be converted into an option to acquire common stock of New Hillman (“New Hillman Options”) with substantially the same terms and conditions as applicable to the Hillman Holdco Option immediately prior to the effective time (including expiration date, vesting conditions and exercise provisions), except that (i) each such Hillman Holdco Option shall be exercisable for that number of shares of New Hillman common stock equal to the product (rounded down to the nearest whole number) of (A) the number of shares of Hillman Holdco common stock subject to such Hillman Holdco Assumed Option immediately prior to the effective time multiplied by (B) the quotient of (1) the Adjusted Per Share Merger Value divided by (2) \$10.00 (such quotient, with respect to each Hillman Holdco Option, the “Closing Stock Per Option Amount”), (ii) the per share exercise price for each share of New Hillman common stock issuable upon exercise of the New Hillman Option shall be equal to the quotient (rounded up to the nearest whole cent) obtained by dividing (A) the exercise price per share of Hillman Holdco subject to such Hillman Holdco Option immediately prior to the effective time by (B) the Closing Stock Per Option Amount; (iii) the Hillman Holdco Board (or the compensation committee of the Hillman Holdco Board) may appropriately adjust the performance conditions applicable to certain of the New Hillman Options; and (iv) the Hillman Holdco Board (or the compensation committee of the Hillman Holdco Board) may make such other immaterial administrative or ministerial changes to the New Hillman Options as it may determine in good faith are appropriate to effectuate the administration of the New Hillman Options and to ensure consistency with the administrative and ministerial provisions of the New Hillman Incentive Equity Plan;

At the effective time, each share of unvested restricted Hillman Holdco common stock will be cancelled and converted into the right to receive a number of shares of restricted New Hillman common stock (“New Hillman Restricted Stock”) equal to the quotient of (a) the Adjusted Per Share Merger Value divided by (b) \$10.00 (such quotient, with respect to each share of unvested Hillman Holdco restricted stock, the “Closing Stock Per Restricted Share Amount”) with substantially the same terms and conditions as were applicable to the related share of Hillman Holdco Restricted Stock immediately prior to the effective time (including with respect to vesting and termination-related provisions), except that (i) any per-share repurchase price of such New Hillman Restricted Stock shall be equal to the quotient obtained by dividing (A) the per-share repurchase price applicable to the Hillman Holdco Restricted Stock, by (B) the Closing Stock Per Restricted Share Amount, rounded up to the nearest cent and (ii) the Hillman Holdco Board (or the compensation committee of the Hillman Holdco Board) may make such other immaterial administrative or ministerial changes to the New Hillman Restricted Stock as it may determine in good faith are appropriate to effectuate the administration of the New Hillman Restricted Stock and to ensure consistency with the administrative and ministerial provisions of the New Hillman Incentive Equity Plan.

At the effective time, each Hillman Holdco restricted stock unit (each a “Hillman Holdco RSU”) will be assumed by New Hillman and converted into a restricted stock unit in respect of shares of New Hillman common stock (each, a “New Hillman RSU”) with substantially the same terms and conditions as were applicable to such Hillman Holdco RSU immediately prior to the effective time (including with respect to vesting and termination-related provisions), except that (i) each New Hillman RSU shall represent the right to receive (subject to vesting) that number of shares of New Hillman common stock equal to the product (rounded up to the nearest whole number) of the number of shares of Hillman Holdco common stock underlying the Hillman Holdco RSU immediately prior to the effective time multiplied by the quotient of (a) the Adjusted Per Share Merger Value divided by (b) \$10.00 (such quotient, with respect to each Hillman Holdco restricted stock unit, the “Hillman Holdco RSU Exchange Ratio”); and (ii) the Hillman Holdco Board (or the compensation committee of the Hillman Holdco Board) may make such other immaterial administrative or ministerial changes to the New Hillman RSUs as it may determine in good faith are appropriate to effectuate the administration of the New Hillman RSUs and to ensure consistency with the administrative and ministerial provisions of the New Hillman Incentive Equity Plan.

Landcadia Holdings III, Inc.
Notes to Financial Statements

In addition, pursuant to the A&R Letter Agreement, the Sponsors will, at the Closing of the Proposed Transaction, forfeit a total of 3,828,000 of their Founder Shares (the “Sponsor Forfeited Shares”), with 2,828,000 shares being forfeited by the Sponsors on a basis pro rata with their ownership of the Company and 1,000,000 additional shares being forfeited by the TJF.

Immediately prior to the effective time of the Business Combination, with the exception of the Sponsor Forfeited Shares, each of the currently issued and outstanding shares of Landcadia’s Class B common stock will automatically convert, on a one-for-one basis, into shares of Landcadia’s Class A common stock in accordance with the terms of our second amended and restated certificate of incorporation, and thereafter, in connection with the Closing, Landcadia’s Class A common stock will be reclassified as New Hillman common stock.

8. Derivative Financial Instruments

In accordance with ASC 815-40, Derivatives and Hedging: Contracts in an Entities Own Equity, entities must consider whether to classify contracts that may be settled in its own stock, such as warrants, as equity of the entity or as an asset or liability. If an event that is not within the entity’s control could require net cash settlement, then the contract should be classified as an asset or a liability rather than as equity. We have determined because the terms of Public Warrants include a provision that entitles all warrant holders to cash for their warrants in the event of a qualifying cash tender offer, while only certain of the holders of the underlying shares of common stock would be entitled to cash, our warrants should be classified as a derivative liability measured at fair value, with changes in fair value each period reported in earnings. Volatility in our Common Stock and Public Warrants may result in significant changes in the value of the derivatives and resulting gains and losses on our statement of operations.

In conjunction with our Public Offering, which closed October 14, 2020, the Company sold 50,000,000 Units at a price of \$10.00 per Unit (the “Public Units”). Each Unit consists of one share of the Company’s Class A common stock, \$0.0001 par value and one-third of one redeemable warrant (each a “Public Warrant”) and simultaneously, the Sponsors purchased an aggregate of 8,000,000 Sponsor Warrants at a price of \$1.50 per warrant (\$12,000,000 in the aggregate) in the Private Placement. As of December 31, 2020, 16,666,667 Public Warrants and 8,000,000 Sponsor Warrants are outstanding. The Sponsor Warrants (including the Class A common stock issuable upon exercise of the Sponsor Warrants) are not transferable, assignable or salable until 30 days after the completion of the Business Combination and they are non-redeemable so long as they are held by the initial purchasers of the Sponsor Warrants or their permitted transferees. If the Sponsor Warrants are held by someone other than the initial purchasers of the Sponsor Warrants or their permitted transferees, the Sponsor Warrants will be redeemable by the Company and exercisable by such holders on the same basis as the Public Warrants. Otherwise, the Sponsor Warrants have terms and provisions that are identical to those of the Public Warrants except that the Sponsor Warrants may be exercised on a cashless basis. If the Company does not complete the Business Combination, then the proceeds will be part of the liquidating distribution to the public stockholders and the Sponsor Warrants issued to the Sponsors will expire worthless. Because the terms of the Sponsor Warrants and Public Warrants are so similar, we classified both types of warrants as a derivative liability measured at fair value.

Each Public Warrant entitles the holder to purchase one share of Class A common stock at a price of \$11.50 per share. Each Public Warrant will become exercisable on the later of 30 days after the completion of the Business Combination or 12 months from the closing of the Public Offering. However, if the Company does not complete the Business Combination on or prior to October 14, 2022, the warrants will expire at the end of such period. If the Company is unable to deliver registered shares of Class A common stock to the holder upon exercise of Public Warrants issued in connection with the Units during the exercise period, there will be no net cash settlement of these Public Warrants and the Public Warrants will expire worthless, unless they may be exercised on a cashless basis in the circumstances described in the warrant agreement. Once the Public Warrants become exercisable, the Company may call the warrants for redemption: (i) in whole and not in part; (ii) at a price of \$0.01 per warrant; (iii) upon not less than 30 days’ prior written notice of redemption (the “30-day redemption period”) to each warrant holder; and (iv) if, and only if, the reported closing price of the Class A common stock equals or exceeds \$18.00 per share for any 20 trading

Landcadia Holdings III, Inc.
Notes to Financial Statements

days within a 30-trading day period ending three business days before the Company sends the notice of redemption to the warrant holders.

The Company determined, at the time of the Public Offering, the initial value of its Public Warrants and Sponsor Warrants were \$18,830,000 and \$9,200,000, respectively. As of December 31, 2020, the value of our Public Warrants and Sponsor Warrants were \$37,000,000 and \$18,720,000, respectively. As of December 31, 2020, we recorded a change in fair value of warrant derivative liability of \$27,690,000 in other income and expense on our statement of operations.

For further information on our warrants, see Notes 5 and 6.

9. Fair Value Measurements

Fair value is measured based on an exit price, representing the amount that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants. As such, fair value is a market-based measurement that should be determined based on assumptions market participants would use in pricing an asset or liability. Assets and liabilities measured at fair value are based on a market valuation approach using prices and other relevant information generated by market transactions involving identical or comparable assets or liabilities. As a basis for considering such assumptions, a three-tiered fair value hierarchy is established, which prioritizes the inputs used in measuring fair value as follows: (Level 1) observable inputs such as quoted prices in active markets; (Level 2) inputs, other than the quoted prices in active markets that are observable, either directly or indirectly; and (Level 3) unobservable inputs in which there is little or no market data, which require the reporting entity to develop its own assumptions. Management determined that the fair value of each Sponsor Warrant is the same as that of a Public Warrant, with an insignificant adjustment for short-term marketability restrictions. Accordingly, at December 31, 2020 the Public Warrants are classified as Level 1 financial instruments and the Sponsor Warrants are classified as Level 2 financial instruments.

The following table presents the Company's assets and liabilities that are measured at fair value on a recurring basis at December 31, 2020, and indicates the fair value hierarchy of the valuation inputs the Company utilized to determine such fair value:

	Fair Value measured as of December 31, 2020			
	Level 1	Level 2	Level 3	Total
Cash and Marketable Securities Held in Trust	\$500,078,624	\$ —	\$ —	\$500,078,624
Warrant derivative liability				
Public Warrants	\$ 37,000,000	\$ —	\$ —	\$ 37,000,000
Sponsor Warrants	—	18,720,000	—	18,720,000
Total Warrant derivative liability	\$ 37,000,000	\$18,720,000	\$ —	\$ 55,720,000

The Company determined on the date of the Public Offering, October 14, 2020, the initial value of its Public Warrants and Sponsor Warrants to be \$18,830,000 and \$9,200,000, respectively. The Public Warrants were valued using the Monte Carlo method and the Sponsor Warrants were valued using the Black-Scholes-Merton model. The Warrants were classified as Level 3 at the initial measurement date due to the use of unobservable inputs. Key assumptions included (1) 0.38% risk-free interest rate, (2) unit price of \$9.96 (3) common stock price of \$9.58 (4) expected term of 0.75 year (5) volatility of 19.0% and (6) zero expected dividends. Based on these assumptions, the initial fair value was \$1.13 per Public Warrant and \$1.15 per Sponsor Warrant. On November 27, 2020 the Public Warrants began trading on the on NASDAQ under the symbol "LCYAW". Because quoted prices in an active market could be established (Level 1 Fair Value), the Company transferred all of the Public and Sponsor Warrants out of Level 3 and into Levels 1 and 2 respectively.

In assessing the realization of the deferred tax assets, management considers whether it is more likely than not that some portion of all of the deferred tax assets will not be realized. The ultimate realization of deferred tax assets is dependent upon the generation of future taxable income during the periods in which temporary differences representing net future deductible amounts become deductible. Management considers the scheduled reversal of deferred tax liabilities, projected future taxable income and tax planning strategies in making this assessment. After consideration of all of the information available, management believes that significant uncertainty exists with respect to future realization of the deferred tax assets and has therefore established a full valuation allowance. For the year ended December 31, 2020, the change in the valuation allowance was \$32,400.

As of December 31, 2020, the Company had \$154,280 of U.S. federal net operating loss carryovers available to offset future taxable income.

The Company files income tax returns in the U.S. federal jurisdiction and is subject to examination by the various taxing authorities. The Company's tax returns for 2020 remain open and subject to examination. The Company considers Texas to be a significant state tax jurisdiction.

The communication of a critical audit matter does not alter in any way our opinion on the consolidated financial statements, taken as a whole, and we are not, by communicating the critical audit matter below, providing a separate opinion on the critical audit matter or on the accounts or disclosures to which it relates.

Valuation of Goodwill

As discussed in Note 2 to the consolidated financial statements, the goodwill balance as of December 26, 2020 was \$816 million. The Company performs goodwill impairment testing annually as of October 1st and whenever events or changes in circumstances indicate that the fair value of a reporting unit is less than the carrying value. With the assistance of a third-party specialist, management assesses the fair value of the reporting units based on a discounted cash flow model and multiples of earnings. Assumptions critical to fair value estimates under the discounted cash flow model include the discount rates and the projected revenue growth rates.

We identified the assessment of the fair value of two of the Company's reporting units within its goodwill impairment analysis as a critical audit matter. The estimation of fair value of the specific reporting units is complex and subject to significant management judgment and estimation uncertainties. Specifically, the discount rate and projected revenue growth rates used to determine the fair value of these reporting units were challenging to test as they represented subjective determinations of current and future market and economic conditions that were sensitive to variation. Additionally, the audit effort associated with the discount rate required specialized skills and knowledge. Changes to those assumptions could have had a significant effect on the Company's assessment of the fair value of the two reporting units.

The following are the primary procedures we performed to address this critical audit matter. We evaluated the design of controls over the Company's goodwill impairment process, including controls related to the projected revenue growth rates and discount rate for the two reporting units. We performed sensitivity analyses over the Company's discount rates and projected revenue growth rates to assess their impact on the determination that the fair values of the specific reporting units exceeded their carrying values. We compared the Company's historical revenue forecasts to actual results to assess the Company's ability to accurately forecast. We compared forecasted revenue growth rates used in the valuation model against underlying business strategies and growth plans. We evaluated the reasonableness of the Company's forecasted revenue growth rates for these reporting units by comparing the growth assumptions to comparable entities within the industry. In addition, we involved valuation professionals with specialized skills and knowledge, who assisted in:

- evaluating the discount rate used by management in the valuation, by comparing it to a range of discount rates developed using existing market information for comparable entities within the industry
- developing an estimate of certain of the Company's reporting units' fair value using each reporting unit's cash flow forecast and discount rate and compared the results of our estimate of fair value to the Company's fair value estimate.

We have served as the Company's auditor since 2021.

In the fourth quarter of 2019, the Company implemented a plan to restructure the management and operations of our U.S. business to achieve synergies and cost savings associated with the recent acquisitions. Restatement of Previously Issued Consolidated Financial Statements for Income Tax Accounting Errors

On February 25, 2021, the Audit Committee of the Board of Directors (the "Audit Committee") of the Company, after considering the recommendations of management, and discussing such recommendations with SEC counsel, concluded that our 2019 and 2018 Financial Statements, as of and for the years ended December 28, 2019 and December 29, 2018, should no longer be relied upon due to misstatements that are described in greater detail below, and that we would restate such financial statements to make the necessary accounting corrections.

While preparing our 2020 consolidated financial statements, the Company identified errors in the accounting for income taxes during 2018 and 2019. During 2018, the Company became subject to additional provisions of the Tax Cuts and Jobs Act of 2017 ("2017 Tax Act") including computations related to the IRC §163(j) interest limitation (Interest Limitation). The Company incorrectly established valuation allowances against the portion of interest expense that was not currently deductible in the years ended December 28, 2019 and December 29, 2018. In addition, the Company incorrectly established a valuation allowance on certain U.S. state NOLs. Upon further review of income tax accounting guidance, the Company determined the valuation allowance should not have been established.

The Company evaluated the materiality of these errors both qualitatively and quantitatively in accordance with Staff Accounting Bulletin ("SAB") No. 99, Materiality and SAB No. 108, Considering the Effects of Prior Year Misstatements in Current Year Financial Statements, and determined the effect of these corrections was material to the consolidated financial statements as of and for the years ended December 28, 2019 and December 29, 2018.

Accordingly, the Company has restated the 2018 consolidated financial statements to reduce net loss by \$10,960, driven by an increase in deferred tax benefit. Deferred tax liabilities and goodwill decreased by \$14,187 and \$3,227, respectively. The Company has also restated the 2019 consolidated financial statements, reducing net loss by \$17,907 due to an increase in deferred tax benefit. These adjustments resulted in a cumulative decrease to goodwill of \$3,227, a decrease to the deferred tax liabilities of \$32,094 and a corresponding decrease in accumulated deficit and increase in total equity of \$28,867 as of December 28, 2019. These errors had no impact on any period prior to 2018, when the Company became subject to the provisions of the 2017 Tax Act. Impacts to the consolidated statements of cash flow are limited to changes within operating activities as noted below, and, therefore, there are no impacts on the operating, investing or financing subtotals.

The impacts of these corrections to fiscal years 2018 and 2019 are as follows:

2. Summary of Significant Accounting Policies:**Cash and Cash Equivalents:**

Cash and cash equivalents consist of commercial paper, U.S. Treasury obligations, and other liquid securities purchased with initial maturities less than 90 days and are stated at cost which approximates fair value. The Company has foreign bank balances of approximately \$9,279 and \$9,301 at December 26, 2020 and December 28, 2019, respectively. The Company maintains cash and cash equivalent balances with financial institutions that exceed federally insured limits. The Company has not experienced any losses related to these balances. Management believes its credit risk is minimal.

Restricted Investments:

The Company's restricted investments are trading securities carried at fair market value which represent assets held in a Rabbi Trust to fund deferred compensation liabilities owed to the Company's employees. The

current portion of the investments is included in other current assets and the long term portion in other assets on the accompanying Consolidated Balance Sheets. See Note 9 — Deferred Compensation Plan.

Accounts Receivable and Allowance for Doubtful Accounts:

The Company establishes the allowance for doubtful accounts using the specific identification method and also provides a reserve in the aggregate. The estimates for calculating the aggregate reserve are based on the financial condition of the customers, the length of time receivables are past due, historical collection experience, current economic trends, and reasonably supported forecasts. Increases to the allowance for doubtful accounts result in a corresponding expense. The Company writes off individual accounts receivable when collection becomes improbable. The allowance for doubtful accounts was \$2,395 and \$1,891 as of December 26, 2020 and December 28, 2019, respectively.

In the years ended December 26, 2020 and December 28, 2019, the Company entered into agreements to sell, on an ongoing basis and without recourse, certain trade accounts receivable. The buyer is responsible for servicing the receivables. The sale of the receivables is accounted for in accordance with Financial Accounting Standards Board (“FASB”) ASC 860, Transfers and Servicing. Under that guidance, receivables are considered sold when they are transferred beyond the reach of the Company and its creditors, the purchaser has the right to pledge or exchange the receivables, and the Company has surrendered control over the transferred receivables. The Company has received proceeds from the sales of trade accounts receivable of approximately \$323,715 and \$292,432 for the years ended December 26, 2020 and December 28, 2019, respectively, and has included the proceeds in net cash provided by operating activities in the Consolidated Statements of Cash Flows. Related to the sale of accounts receivable, the Company recorded losses of approximately \$1,782 and \$2,923 for the years ended December 26, 2020 and December 28, 2019, respectively.

Inventories:

Inventories consisting predominantly of finished goods are valued at the lower of cost or net realizable value, cost being determined principally on the standard cost method. The historical usage rate is the primary factor used in assessing the net realizable value of excess and obsolete inventory. A reduction in the carrying value of an inventory item from cost to net realizable value is recorded for inventory with excess on-hand quantities as determined based on historic and projected sales, product category, and stage in the product life cycle.

Property and Equipment:

Property and equipment are carried at cost and include expenditures for new facilities and major renewals. For financial accounting purposes, depreciation is computed on the straight-line method over the estimated useful lives of the assets, generally 2 to 15 years. Assets acquired under finance leases are depreciated over the terms of the related leases. Maintenance and repairs are charged to expense as incurred. The Company capitalizes certain costs that are directly associated with the development of internally developed software, representing the historical cost of these assets. Once the software is completed and placed into service, such costs are amortized over the estimated useful lives. When assets are sold or otherwise disposed of, the cost and related accumulated depreciation are removed from their respective accounts, and the resulting gain or loss is reflected in income (loss) from operations.

Goodwill:

The Company has adopted ASU 2017-04, *Intangibles — Goodwill and Other (Topic 350)*: Simplifying the Test for Goodwill Impairment, which eliminates Step 2 from the goodwill impairment test and instead requires an entity to perform its annual, or interim, goodwill impairment test by comparing the fair value of a reporting unit with its carrying amount. If, after assessing the totality of events or circumstances, the Company determines that the fair value of a reporting unit is less than the carrying value, then the Company would recognize an impairment charge for the amount by which the carrying amount exceeds the reporting unit's fair value, not to exceed the total amount of goodwill allocated to the reporting unit.

The Company's annual impairment assessment is performed for its reporting units as of October 1st. With the assistance of an independent third-party specialist, management assessed the value of the reporting units based on a discounted cash flow model and multiple of earnings. Assumptions critical to our fair value estimates under the discounted cash flow model include the discount rate and projected average revenue growth. The results of the quantitative assessment in 2020, 2019, and 2018 indicated that the fair value of each reporting unit was in excess of its carrying value. Therefore goodwill was not impaired as of our annual testing dates. In our annual review of goodwill for impairment in the fourth quarter of 2020, the fair value of each reporting unit exceeded its carrying value by over 5% of its carrying value.

No impairment charges were recorded in the years ended December 26, 2020, December 28, 2019, or December 29, 2018.

Goodwill for the year ended December 28, 2019 has been restated due to the correction of errors in the accounting for income taxes related to the valuation allowance against deferred tax assets, which impacted our net deferred tax liabilities. See Note 1 — Basis of Presentation for additional details.

In the year ended December 28, 2019, the Company reorganized its operating segments. In connection with the reorganization, reporting units were moved between operating segments, and the Company re-allocated the goodwill for the historic United States reporting unit between the current U.S. Fastening and Hardware and U.S. Robotics and Digital solutions reporting units based on the relative fair value. The Company tested the historic reporting unit for impairment pre-allocation and the two new reporting units post-allocation. No impairment was noted.

Goodwill amounts by reportable segment are summarized as follows:

Intangible Assets:

Intangible assets arise primarily from the determination of their respective fair market values at the date of acquisition. With the exception of certain trade names, intangible assets are amortized on a straight-line basis over periods ranging from 5 to 20 years, representing the period over which the Company expects to receive future economic benefits from these assets.

Other intangibles, net, as of December 26, 2020 and December 28, 2019 consist of the following:

2021	\$ 59,608
2022	\$ 59,608
2023	\$ 59,608

The Company also evaluates indefinite-lived intangible assets (primarily trademarks and trade names) for impairment annually or more frequently if events and circumstances indicate that it is more likely than not that the fair value of an indefinite-lived intangible asset is below its carrying amount. With the assistance of an independent third-party specialist, management assessed the fair value of our indefinite-lived intangible assets based on a relief from royalties model. An impairment charge is recorded if the carrying

HMAN GROUP HOLDINGS, INC. AND SUBSIDIARIES
NOTES TO CONSOLIDATED FINANCIAL STATEMENTS
(dollars in thousands)

amount of an indefinite-lived intangible asset exceeds the estimated fair value on the measurement date. No impairment charges related to indefinite-lived intangible assets were recorded by the Company in 2020, 2019, or 2018 as a result of the quantitative annual impairment test.

Long-Lived Assets:

Long-lived assets, such as property plant and equipment and definite-lived intangibles assets, are reviewed for impairment whenever events or circumstances indicate that the carrying amount of an asset may not be recoverable. If circumstances require a long-lived asset or asset group to be tested for possible impairment, the Company first compares undiscounted cash flows expected to be generated by the asset or asset group to its carrying value. If the carrying amount of the long-lived asset or asset group is not recoverable on an undiscounted cash flow basis, an impairment is recognized to the extent that the carrying amount exceeds its fair value. Fair value is determined through various valuation techniques including discounted cash flow models, quoted market values, and third-party independent appraisals, as considered necessary. In the year ended December 28, 2019, the Company recorded an impairment charge of \$7,887 related to the loss on the disposal of our FastKey self-service duplicating kiosks and related assets in our Robotics and Digital Solutions operating segment. In the fiscal year ended December 29, 2018, the Company recorded impairment charges of \$837 related to exiting certain lines of business in our Canada segment, see Note 15 — Restructuring for more details. All of the aforementioned impairment charges incurred were included within the respective other income/expense on the Consolidated Statements of Comprehensive Income (Loss). Approximately 95% of the Company's long-lived assets are held within the United States.

Income Taxes:

Deferred income taxes are computed using the asset and liability method. Under this method, deferred income taxes are recognized for temporary differences between the financial reporting basis and income tax basis of assets and liabilities, based on enacted tax laws and statutory tax rates applicable to the periods in which the temporary differences are expected to reverse. Valuation allowances are provided for tax benefits where management estimates it is more likely than not that certain tax benefits will not be realized. Adjustments to valuation allowances are recorded for changes in utilization of the tax related item. See Note 6 — Income Taxes for additional information.

In accordance with guidance regarding the accounting for uncertainty in income taxes, the Company recognizes a tax position if, based solely on its technical merits, it is more likely than not to be sustained upon examination by the relevant taxing authority. If a tax position does not meet the more likely than not recognition threshold, the Company does not recognize the benefit of that position in its Consolidated Financial Statements. A tax position that meets the more likely than not recognition threshold is measured to determine the amount of benefit to be recognized in the Consolidated Financial Statements.

Contingent Consideration:

Contingent Consideration relates to the potential payment for an acquisition that is contingent upon the achievement of the acquired business meeting certain product development milestones and/or certain financial performance milestones. The Company records contingent consideration at fair value at the date of acquisition based on the consideration expected to be transferred. The estimated fair value of the contingent consideration was determined using a Monte Carlo analysis examining the frequency and mean value of the resulting payments. The resulting value captures the risk associated with the form of the payout structure. The risk neutral method is applied, resulting in a value that captures the risk associated with the form of the payout structure and the projection risk. The assumptions utilized in the calculation based on financial performance milestones include projected revenue and/or EBITDA amounts, volatility and discount rates. For potential payments related to product development milestones, we estimated the fair value based on the probability of achievement of such milestones. The assumptions utilized in the calculation of the

HMAN GROUP HOLDINGS, INC. AND SUBSIDIARIES

acquisition date fair value include probability of success and the discount rates. Contingent consideration involves certain assumptions requiring significant judgment and actual results may differ from assumed and estimated amounts.

Risk Insurance Reserves:

The Company self-insures our product liability, automotive, and workers' compensation liability losses up to \$250 per occurrence. General liability losses are self-insured up to \$500 per occurrence. Our policy is to estimate reserves based upon a number of factors, including known claims, estimated incurred but not reported claims, and third-party actuarial analysis. The third-party actuarial analysis is based on historical information along with certain assumptions about future events. These reserves are classified as other current and other long-term liabilities within the balance sheets.

The Company self-insures our group health claims up to an annual stop loss limit of \$250 per participant. Historical group insurance loss experience forms the basis for the recognition of group health insurance reserves.

Retirement Benefits:

Certain employees of the Company are covered under a profit-sharing and retirement savings plan. The plan provides for a matching contribution for eligible employees of 50% of each dollar contributed by the employee up to 6% of the employee's compensation. In addition, the plan provides an annual contribution in amounts authorized by the Board of Directors, subject to the terms and conditions of the plan.

Hillman Canada sponsors a Deferred Profit Sharing Plan ("DPSP") and a Group Registered Retirement Savings Plan ("RRSP") for all qualified, full-time employees, with at least three months of continuous service. DPSP is an employer-sponsored profit sharing plan registered as a trust with the Canada Revenue Agency ("CRA"). On a periodic basis, Hillman Canada shares business profits with employees by contributing to the DPSP on each employee's behalf. Employees do not contribute to the DPSP. There is no minimum required contribution; however, DPSPs are subject to maximum contribution limits set by the CRA. The DPSP is offered in conjunction with a RRSP. All eligible employees may contribute an additional voluntary amount of up to eight percent of the employee's gross earnings. Hillman Canada is required to match 100% of all employee contributions up to 2% of the employee's compensation. The assets of the RRSP are held separately from those of Hillman Canada in independently administered funds.

Retirement benefit costs were \$3,343, \$2,725, and \$2,567 in the years ended December 26, 2020, December 28, 2019, and December 29, 2018, respectively.

Revenue Recognition:

Revenue is recognized when control of goods or services is transferred to our customers, in an amount that reflects the consideration the Company expects to be entitled to in exchange for those goods or services. Sales and other taxes the Company collects concurrent with revenue-producing activities are excluded from revenue.

The Company offers a variety of sales incentives to its customers primarily in the form of discounts and rebates. Discounts are recognized in the Consolidated Financial Statements at the date of the related sale. Rebates are based on the revenue to date and the contractual rebate percentage to be paid. A portion of the cost of the rebate is allocated to each underlying sales transaction. Discounts and rebate are included in the determination of net sales.

The Company also establishes reserves for customer returns and allowances. The reserve is established based on historical rates of returns and allowances. The reserve is adjusted quarterly based on actual experience. Discounts and allowances are included in the determination of net sales.

Our revenue by geography is allocated based on the location of our sales operations. Our Hardware and Protective Solutions segment contains sales of Big Time personal protective equipment into Canada. Our Robotics and Digital Solutions segment contains sales of MinuteKey Canada.

Hardware and Protective Solutions revenues consist primarily of the delivery of fasteners, anchors, specialty fastening products, and personal protective equipment such as gloves and eye-wear as well as in-store merchandising services for the related product category.

Robotics and Digital Solutions revenues consist primarily of sales of keys and identification tags through self service key duplication and engraving kiosks. It also includes our associate-assisted key duplication systems and key accessories.

Canada revenues consist primarily of the delivery to Canadian customers of fasteners and related hardware items, threaded rod, keys, key duplicating systems, accessories, personal protective equipment, and identification items as well as in-store merchandising services for the related product category.

The Company's performance obligations under its arrangements with customers are providing products, in-store merchandising services, and access to key duplicating and engraving equipment. Generally, the price of the merchandising services and the access to the key duplicating and engraving equipment is included in the price of the related products. Control of products is transferred upon delivery of the products. Judgment is required in determining the time at which to recognize revenue for the in-store services and the access to key duplicating and engraving equipment. Revenue is recognized for in-store service and access to key duplicating and engraving equipment as the related products are delivered, which approximates a time-based recognition pattern. Therefore, the entire amount of consideration related to the sale of products, in-store merchandising services, and access to key duplicating and engraving equipment is recognized upon the delivery of the products.

The costs to obtain a contract are insignificant, and generally contract terms do not extend beyond one year. Therefore, these costs are expensed as incurred. Freight and shipping costs and the cost of our in-store

HMAN GROUP HOLDINGS, INC. AND SUBSIDIARIES
NOTES TO CONSOLIDATED FINANCIAL STATEMENTS

merchandising services teams are recognized in selling, general, and administrative expense when control over products is transferred to the customer.

The Company used the practical expedient regarding the existence of a significant financing component as payments are due in less than one year after delivery of the products.

Shipping and Handling:

The costs incurred to ship product to customers, including freight and handling expenses, are included in selling, general, and administrative (“SG&A”) expenses on the Company’s Consolidated Statements of Comprehensive Loss.

Shipping and handling costs were \$50,891, \$47,713, and \$42,458 in the years ended December 26, 2020, December 28, 2019, and December 29, 2018, respectively.

Research and Development:

The Company expenses research and development costs consisting primarily of internal wages and benefits in connection with improvements to the Company’s fastening product lines along with the key duplicating and engraving machines. The Company’s research and development costs were \$2,876, \$2,075, and \$2,181 in the years ended December 26, 2020, December 28, 2019, and December 29, 2018, respectively.

Stock Based Compensation:

The Company has a stock-based employee compensation plan pursuant to which the Company may grant options, stock appreciation rights, restricted stock, and other stock-based awards. Hillman reflects the options granted in its stand-alone Consolidated Financial Statements in accordance with Accounting Standards Codification 718, *Compensation — Stock Compensation* (“ASC 718”). The Company uses a Black-Scholes option pricing model to determine the fair value of stock options on the dates of grant. The Black-Scholes pricing model requires various assumptions, including expected term, which is based on our historical experience and expected volatility which is estimated based on the average historical volatility of similar entities with publicly traded shares. The Company also makes assumptions regarding the risk-free interest rate and the expected dividend yield. The risk-free interest rate is based on the U.S. Treasury interest rate whose term is consistent with the expected term of the share-based award. The dividend yield on our common stock is assumed to be zero since we do not pay dividends and have no current plans to do so in the future. Determining the fair value of stock options at the grant date requires judgment, including estimates for the expected life of the share-based award, stock price volatility, dividend yield, and interest rate. These assumptions may differ significantly between grant dates because of changes in the actual results of these inputs that occur over time.

The Company makes assumptions in the determination of the fair value of the common stock underlying the stock-based awards granted. With the assistance of an independent third-party specialist, management assessed the value of the Company’s common stock based on a combination of the income approach and guideline public company method. Factors considered in connection with estimating these values:

- The Company’s financial results and future financial projections;
- The market value of equity interests in substantially similar businesses, which equity interests can be valued through nondiscretionary, objective means;
- The lack of marketability of the Company’s common stock;
- The likelihood of achieving a liquidity event, such as an initial public offering or business combination, given prevailing market conditions;

HMAN GROUP HOLDINGS, INC. AND SUBSIDIARIES
NOTES TO CONSOLIDATED FINANCIAL STATEMENTS
(dollars in thousands)

- Industry outlook; and
- General economic outlook, including economic growth, inflation and unemployment, interest rate environment and global economic trends

The fair value ultimately assigned to our common stock may take into account any number or combination of the various factors described above, based upon their applicability at the time of measurement. Determination of the fair value of our common stock also may involve the application of multiple valuation methodologies and approaches, with varying weighting applied to each methodology as of the grant date. Application of these approaches involves the use of estimates, judgment, and assumptions that are highly complex and subjective, such as those regarding the Company's expected future revenue, expenses, and future cash flows; discount rates; market multiples; the selection of comparable companies; and the probability of possible future events. Changes in any or all of these estimates and assumptions or the relationships between those assumptions impact the valuations as of each valuation date and may have a material impact on the valuation of our common stock.

The Company revalues the common stock annually, unless changes in facts or circumstances indicate the need for a mid-year revaluation. The valuation of the Company's common stock is historically performed at the end of our fiscal year. The share prices for the years ended December 26, 2020, December 28, 2019 and December 29, 2018 were \$1,647.13, \$1,315.00, and \$1,168.00, respectively. The increases in the share price year over year reflect the Company's revenue growth over that time period along with projected future growth in discounted cash flows and with the market inputs.

Stock-based compensation expense is recognized using a fair value based recognition method. Stock-based compensation cost is estimated at the grant date based on the fair value of the award and is recognized as expense over the requisite vesting period or performance period of the award on a straight-line basis. The stock-based compensation expense is recorded in general and administrative expenses. The plan is more fully described in Note 11 — Stock Based Compensation.

Repurchase of Shares:

When the Company's shares are purchased for retirement, the excess of the purchase price over its par value is recorded entirely to additional paid-in capital subject to the limitation of the additional paid in capital when the shares were originally issued. When the Company's shares are acquired for purposes other than retirement, the purchase price is shown separately as treasury stock.

Fair Value of Financial Instruments:

The Company uses the accounting guidance that applies to all assets and liabilities that are being measured and reported on a fair value basis. The guidance defines fair value as the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. A fair value hierarchy requires an entity to maximize the use of observable inputs, where available, and minimize the use of unobservable inputs when measuring fair value. Whenever possible, quoted prices in active markets are used to determine the fair value of the Company's financial instruments.

Derivatives and Hedging:

The Company uses derivative financial instruments to manage its exposures to (1) interest rate fluctuations on its floating rate senior term loan and (2) fluctuations in foreign currency exchange rates. The Company measures those instruments at fair value and recognizes changes in the fair value of derivatives in earnings in the period of change, unless the derivative qualifies as an effective hedge that offsets certain exposures. The Company enters into derivative instrument transactions with financial institutions acting as

HMAN GROUP HOLDINGS, INC. AND SUBSIDIARIES
NOTES TO CONSOLIDATED FINANCIAL STATEMENTS
(dollars in thousands)

the counter-party. The Company does not enter into derivative transactions for speculative purposes and, therefore, holds no derivative instruments for trading purposes.

The relationships between hedging instruments and hedged items are formally documented, in addition to the risk management objective and strategy for each hedge transaction. For interest rate swaps, the notional amounts, rates, and maturities of our interest rate swaps are closely matched to the related terms of hedged debt obligations. The critical terms of the interest rate swap are matched to the critical terms of the underlying hedged item to determine whether the derivatives used for hedging transactions are highly effective in offsetting changes in the cash flows of the underlying hedged item. If it is determined that a derivative ceases to be a highly effective hedge, the hedge accounting is discontinued and all subsequent derivative gains and losses are recognized in the statement of comprehensive income or loss.

Derivative instruments designated in hedging relationships that mitigate exposure to the variability in future cash flows of the variable-rate debt and foreign currency exchange rates are considered cash flow hedges. The Company records all derivative instruments in other assets or other liabilities on the Consolidated Balance Sheets at their fair values. If the derivative is designated as a cash flow hedge and the hedging relationship qualifies for hedge accounting, the effective portion of the change in the fair value of the derivative is recorded in other comprehensive income or loss. The change in fair value for instruments not qualifying for hedge accounting are recognized in the statement of comprehensive income or loss in the period of the change. See Note 13 — Derivatives and Hedging.

Translation of Foreign Currencies:

The translation of the Company's Canadian and Mexican local currency based financial statements into U.S. dollars is performed for balance sheet accounts using exchange rates in effect at the balance sheet date and for revenue and expense accounts using an average exchange rate during the period. Cumulative translation adjustments are recorded as a component of accumulated other comprehensive loss in stockholder's equity.

Use of Estimates in the Preparation of Financial Statements

The preparation of Consolidated Financial Statements in conformity with accounting principles generally accepted in the United States requires management to make estimates and assumptions that affect the reported amount of assets and liabilities and disclosure of contingent assets and liabilities at the date of the Consolidated Financial Statements and the reported amounts of revenues and expenses for the reporting period. Actual results may differ from these estimates.

The extent to which COVID-19 impacts the Company's business and financial results will depend on numerous evolving factors including, but not limited to: the magnitude and duration of COVID-19, the extent to which it will impact worldwide macroeconomic conditions including interest rates, employment rates and health insurance coverage, the speed of the anticipated recovery, and governmental and business reactions to the pandemic. The Company assessed certain accounting matters that generally require consideration of forecasted financial information in context with the information reasonably available to the Company and the unknown future impacts COVID-19 as of December 26, 2020 and through the date of this report. The accounting matters assessed included, but were not limited to the carrying value of the goodwill and other long-lived assets. While there was not a material impact to the Company's Consolidated Financial Statements as of and for the year ended December 26, 2020, the Company's future assessment of the magnitude and duration of COVID-19, as well as other factors, could result in material impacts to the Company's Consolidated Financial Statements in future reporting periods.

3. Recent Accounting Pronouncements:

In May 2014, the FASB issued ASU No. 2014-09, Revenue from Contracts with Customers (Topic 606), ("ASU 2014-09") which supersedes the revenue recognition requirements in ASC 605, Revenue Recognition.

HMAN GROUP HOLDINGS, INC. AND SUBSIDIARIES
NOTES TO CONSOLIDATED FINANCIAL STATEMENTS
(dollars in thousands)

The Company early adopted this ASU effective the beginning of fiscal year 2018 using the modified retrospective method. The Company recognized the cumulative effect of initially applying the new revenue standard as a \$5,612 reduction to the opening balance of retained earnings with corresponding decreases to other current assets and other assets of \$3,846 and \$3,370, respectively, an increase of \$637 to other accrued expenses, and a decrease of \$2,241 in deferred tax liabilities. The cumulative adjustment primarily relates to payments to customers. The Company will now recognize certain payments as a reduction of revenue when the payment is made as opposed to over the life of the master service agreement. The Company expects the impact of the adoption of the new standard to be immaterial to our net income on an ongoing basis.

In February 2016, the FASB issued ASU No. 2016-02, *Leases (Topic 842)*. Subsequently, in July 2018, the FASB issued ASU 2018-11, *Leases (Topic 842): Targeted Improvements* and ASU 2018-10, *Codification Improvements to Topic 842, Leases*. Effective December 30, 2018, the Company adopted the comprehensive new lease standard issued by the FASB. The most significant impact was the recognition of right-of-use (“ROU”) assets and liabilities for operating and finance leases applicable to lessees. The Company elected to utilize the transition guidance within the new standard that allowed the Company to carry forward its historical lease classification(s). Operating and finance ROU assets and liabilities are recognized based on the present value of future minimum lease payments over the expected lease term at commencement date. As the implicit rate is not determinable for most of the Company’s leases, management uses the Company’s incremental borrowing rate based on the information available at commencement date in determining the present value of future payments. The Company elected to not separate lease and non-lease components for all classes of underlying assets in which it is the lessee and made an accounting policy election to not account for leases within an initial term of 12 months or less on the accompanying Consolidated Balance Sheets. The expected lease terms include options to extend or terminate the lease when its reasonably certain that the Company will exercise such option. Lease expense for minimum lease payments is recognized over a straight-line basis over the expected lease term. As of December 30, 2018, the Company recorded an Operating ROU Asset of \$72,785 and a Finance ROU Asset of \$672 within our Consolidated Balance Sheets. Short-term and long-term operating lease liabilities were recorded as \$12,040 and \$63,291, respectively. Short-term and long-term finance lease liabilities were determined to be \$436 and \$477, respectively. The adoption of this guidance did not have an impact on net income. Refer to Note 8 — Leases for full lease-related disclosures.

In June 2016, the FASB issued ASU No. 2016-13, *Financial Instruments — Credit Losses*. The ASU sets forth a “current expected credit loss” (CECL) model which requires the Company to measure all expected credit losses for financial instruments held at the reporting date based on historical experience, current conditions, and reasonable supportable forecasts. This replaces the existing incurred loss model and is applicable to the measurement of credit losses on financial assets measured at amortized cost and applies to some off-balance sheet credit exposures. The Company adopted this ASU in the first quarter of fiscal 2020, and it did not have a material impact on the Company’s Consolidated Financial Statements.

In August 2018, the FASB issued ASU 2018-15, *Intangibles — Goodwill and Other — Internal-Use Software (Subtopic 350-40): Customer’s Accounting for Implementation Costs Incurred in a Cloud Computing Arrangement That Is a Service Contract*, (“ASC 350-40”) requiring a customer in a cloud computing arrangement that is a service contract to follow the internal use software guidance in ASC 350-40 to determine which implementation costs to capitalize as assets. Capitalized implementation costs related to a hosting arrangement that is a service contract will be amortized over the term of the hosting arrangement, beginning when the module or component of the hosting arrangement is ready for its intended use. The Company early adopted this ASU in the third quarter of 2018, and it did not have a material impact on the Company’s Consolidated Financial Statements.

In March 2020, the FASB issued ASU 2020-04, *Reference Rate Reform (Topic 848): Facilitation of the Effects of Reference Rate Reform on Financial Reporting* which provide optional guidance for a limited time to ease the potential burden in accounting for reference rate reform. The new guidance provide optional

expedients and exceptions for applying GAAP to contracts, hedging relationships and other transactions affected by reference rate reform if certain criteria are met. The amendments apply only to contracts and hedging relationships that reference LIBOR or another reference rate expected to be discontinued due to reference rate reform. These amendments are effective immediately and may be applied prospectively to contract modifications made and hedging relationships entered into or evaluated on or before December 31, 2022. The Company is currently evaluating contract and the optional expedients provided by the new standard.

Income tax expense (benefit), deferred taxes and effective tax rates for the years ended December 29, 2018 and December 28, 2019 have been restated due to the correction of errors in the accounting for income taxes related to the valuation allowance against deferred tax assets, which impacted our net deferred tax liabilities. The Company has U.S. federal net operating loss (“NOL”) carryforwards totaling \$134,347 as of December 26, 2020 that are available to offset future taxable income. These carryforwards expire from 2027 to 2038. A portion of the U.S. federal NOLs were acquired with the MinuteKey purchase in 2018. The MinuteKey NOLs are subject to limitation under IRC §382 from current and prior ownership changes. In addition, the Company’s foreign subsidiaries have NOL carryforwards aggregating \$30,717. A portion of these carryforwards expire from 2035 to 2040. Management anticipates utilizing all foreign NOLs prior to their expiration.

The Company has state NOL carryforwards with an aggregate tax benefit of \$3,806 which expire from 2020 to 2040. The Company has recorded a valuation allowance of \$439 in fiscal 2020 for the state NOLs expected to expire prior to utilization.

of foreign tax credit carryforwards which expire from 2020 to 2025. A valuation allowance of \$822 has been established for these credits given insufficient foreign source income projected to utilize these credits.

The December 28, 2019 lease liability deferred tax asset and the lease asset deferred tax liability were each increased by \$5,646 to correct a misstatement.

Realization of the net deferred tax assets is dependent on the reversal of deferred tax liabilities. Although realization is not assured, management estimates it is more likely than not that the net deferred tax assets will be realized. The amount of net deferred tax assets considered realizable, however, could be reduced in the near term if estimates of future taxable income during the carryforward periods are reduced. The Company maintains a valuation allowance of \$439 on U.S. state NOLs due to the Company's inability to utilize the losses prior to expiration.

Hillman considers the earnings of certain non-U.S. subsidiaries to be indefinitely invested outside the United States on the basis of estimates that future domestic cash generation will be sufficient to meet future domestic cash needs and our specific plans for reinvestment of those subsidiary earnings. The Company has not recorded a deferred tax liability related to the U.S. federal and state income taxes and foreign withholding taxes of undistributed earnings of foreign subsidiaries indefinitely invested outside the United States. Should management decide to repatriate the foreign earnings, the Company would need to adjust the income tax provision in the period the earnings will no longer be indefinitely invested outside the United States.

minimum tax (“AMT”) refunds, allowed employers to defer certain payroll tax payments throughout 2020, and provided favorable corporate interest deductions for the 2019 and 2020 periods. During 2020, the Company received an accelerated AMT income tax refund of \$1,147 and was able to defer \$7,136 of payroll taxes. The CARES Act interest modification provisions allowed for increased interest deductions. The Company was able to deduct an additional \$32,000 in interest on its 2019 income tax return when compared to the 2019 income tax provision. For the fiscal year 2020, the Company’s increased interest deduction will result in the utilization of accumulated interest limitation carryforwards.

The Company files a consolidated income tax return in the U.S. and numerous consolidated and separate income tax returns in various states and foreign jurisdictions. The Company is not under any significant audits for the period ended December 26, 2020.

Revolving Loans and Term Loans

On May 31, 2018, the Company entered into a new credit agreement that includes a funded term loan for \$530,000 and a unfunded delayed draw term loan facility (“DDTL”) for \$165,000 (collectively, “2018 Term Loan”). Concurrently, the Company also entered into a new asset-based revolving credit agreement (“ABL Revolver”) for \$150,000. The proceeds from the 2018 Term Loan and ABL Revolver were used to refinance previous debt obligations, revolvers and the associated fees and expenses. As mentioned in Note 5 — Acquisitions, the Company utilized the full \$165,000 DDTL to finance the MinuteKey acquisition on August 10, 2018. Both the 2018 Term Loan and ABL Revolver require the Company to maintain certain financial and non-financial covenants. As of December 26, 2020, the Company is in compliance with all financial and non-financial debt covenants with our existing obligations and agreements with external lenders.

On October 1, 2018, the Company entered into an amendment (the “Term Amendment”) to the aforementioned 2018 Term Loan agreement which provided an additional \$365,000 of incremental term loan proceeds. These proceeds from the Amendment were used to (1) finance the acquisition of Big Time, (2) refinance certain pre-existing Big Time indebtedness, and (3) pay related transaction costs. Refer to Note 5 — Acquisitions for additional Big Time acquisition details.

On November 15, 2019, the Company entered into an amendment (the “ABL Amendment”) to the aforementioned ABL Revolver agreement which provided an additional \$100,000 of revolving credit, bringing the total available to \$250,000.

The interest rate on the 2018 Term Loan is, at the discretion of the Company, either the adjusted London Interbank Offered Rate (“LIBOR”) rate plus 4.00% per annum for LIBOR loans or an alternate base rate plus 3.00% per annum. The 2018 Term Loan is payable in fixed installments of approximately \$2,652 per quarter, with a balloon payment scheduled on the loan’s maturity date of May 31, 2025.

The interest rate for the ABL Revolver is, at the discretion of the Company, either (1) adjusted LIBOR plus a margin of 1.25% to 1.75% per annum or (2) an alternate base rate plus a margin varying from 0.25% to 0.75% per annum. The maturity date for the ABL Revolver is November 15, 2024, provided that, if the 6.375% Senior Notes with a maturity date of July 15, 2022 remain outstanding in a principal amount in excess of \$50,000 on April 15, 2022, the maturity date shall be April 15, 2022, unless, at the Company’s sole discretion, the Company elects to take a reserve against the borrowing base in an amount equal to the amount of such excess and, after giving effect thereto, availability as of such date is equal to or greater than \$30,000. Portions of the ABL Revolver are separately available for borrowing by the Company’s United States subsidiary and Canadian subsidiary for \$200,000 and \$50,000, respectively.

In connection with the 2019 ABL Revolver refinancing activities, the Company recorded an additional \$1,412 in deferred financing fees which are recorded as other non-current assets on the accompanying Consolidated Balance Sheets as of December 28, 2019.

In connection with the 2018 refinancing activities, the Company recorded \$14,293 in deferred financing fees and \$9,950 in discount which were recorded as long term debt on the accompanying Consolidated Balance Sheets as of December 29, 2018. In connection with the ABL Revolver, the Company recorded \$1,841 in deferred financing fees which were recorded as other non-current assets on the accompanying Consolidated Balance Sheets as of December 29, 2018.

The amounts outstanding under the 2018 Term Loan and ABL Revolver are guaranteed by the Company’s and, subject to certain exceptions, the Company’s wholly-owned domestic subsidiaries and are secured by substantially all of the Company’s and guarantor’s assets.

As of December 26, 2020, the ABL Revolver had an outstanding amount of \$72,000 and outstanding letters of credit of approximately \$23,590. The Company has approximately \$154,410 of available borrowings under the revolving credit facility as a source of liquidity as of December 26, 2020.

6.375% Senior Notes, due 2022

On June 30, 2014, Hillman Group issued \$330,000 aggregate principal amount of its senior notes due July 15, 2022 (the “6.375% Senior Notes”), which are guaranteed by The Hillman Companies, Inc. and its domestic subsidiaries other than the Hillman Group Capital Trust. Hillman Group pays interest on the 6.375% Senior Notes semi-annually on January 15 and July 15 of each fiscal year.

Guaranteed Preferred Beneficial Interest in the Company’s Junior Subordinated Debentures

In September 1997, The Hillman Group Capital Trust (“Trust”), a Grantor trust, completed a \$105,443 underwritten public offering of 4,217,724 Trust Preferred Securities (“TOPrS”). The Trust invested the proceeds from the sale of the preferred securities in an equal principal amount of 11.6% Junior Subordinated Debentures of Hillman, due September 30, 2027.

The Company pays interest to the Trust on the Junior Subordinated Debentures underlying the TOPrS at the rate of 11.6% per annum on their face amount of \$105,443, or \$12,231 per annum in the aggregate. The Trust distributes monthly cash payments it receives from the Company as interest on the debentures to preferred security holders at an annual rate of 11.6% on the liquidation amount of \$25.00 per preferred

security. Pursuant to the Indenture that governs the TOPrS, the Trust is able to defer distribution payments to holders of the TOPrS for a period that cannot exceed 60 months (the “Deferral Period”). During a Deferral Period, the Company is required to accrue the full amount of all interest payable, and such deferred interest payable would become immediately payable by the Company at the end of the Deferral Period. During fiscal 2020, the Company elected to defer interest payments to the bondholders during April 2020 through July 2020. The additional interest incurred as a result of the deferral was immaterial. Interest paid to the bondholders at the end of the Deferral Period was paid in full. There were no interest deferrals during fiscal 2019.

In connection with the public offering of TOPrS, the Trust issued \$3,261 of trust common securities to the Company. The Trust invested the proceeds from the sale of the trust common securities in an equal principal amount of 11.6% Junior Subordinated Debentures of Hillman due September 30, 2027. The Trust distributes monthly cash payments it receives from the Company as interest on the debentures to the Company at an annual rate of 11.6% on the liquidation amount of the common security.

The Company has determined that the Trust is a variable interest entity and the holders of the TOPrS are the primary beneficiaries of the Trust. Accordingly, the Company does not consolidate the Trust. Summarized below is the financial information of the Trust as of December 26, 2020:

December 26, 2020	Amount
Non-current assets – junior subordinated debentures – preferred	\$120,034
Non-current assets – junior subordinated debentures – common	3,261
Total assets	\$123,295
Non-current liabilities – trust preferred securities	\$120,034
Stockholder’s equity – trust common securities	3,261
Total liabilities and stockholders’ equity	\$123,295

The non-current assets for the Trust relate to its investment in the 11.6% junior subordinated deferrable interest debentures of Hillman due September 30, 2027.

The TOPrS constitute mandatory redeemable financial instruments. The Company guarantees the obligations of the Trust on the TOPrS. Accordingly, the guaranteed preferred beneficial interest in the Company’s junior subordinated debentures is presented in long-term liabilities in the accompanying Consolidated Balance Sheets.

On June 30, 2014, the junior subordinated debentures were recorded at the fair value of \$131,141 based on the price underlying the Trust Preferred Securities of \$30.32 per share upon close of trading on the NYSE Amex on that date plus the liquidation value of the trust common securities. The Company is amortizing the premium on the junior subordinated debentures of \$22,437 over their remaining life. Unamortized premium on the junior subordinated debentures was \$14,591 and \$16,110 as of December 26, 2020 and December 28, 2019, respectively.

The aggregate minimum principal maturities of the long-term debt obligations for each of the five years following December 26, 2020 are as follows:

8. Leases:

Lessee

The Company determines if a contract is or contains a lease at inception or modification of a contract. A contract is or contains a lease if the contract conveys the right to control the use of an identified asset for a period in exchange for consideration. Control over the use of the identified asset means the lessee has both (a) the right to obtain substantially all of the economic benefits from the use of the asset and (b) the right to direct the use of the asset. The Company leases certain distribution center locations, vehicles, forklifts, computer equipment, and its corporate headquarters with expiration dates through 2032. Certain lease arrangements include escalating rent payments and options to extend the lease term. Expected lease terms include these options to extend or terminate the lease when it is reasonably certain the Company will exercise the option. The Company's leasing arrangements do not contain material residual value guarantees nor material restrictive covenants.

The components of operating and finance lease cost for the year ended December 26, 2020 and December 28, 2019 were as follows:

Variable lease costs	898	2,731
Finance lease cost:		
Amortization of right of use assets	813	616
Interest on lease liabilities	143	115

Rent expense is recognized on a straight-line basis over the expected lease term. Rent expense totaled \$22,491, \$24,774 and \$19,281 in the year ended December 26, 2020, December 28, 2019 and December 29, 2018, respectively. Rent expense includes operating lease cost as well as expense for non-lease components such as common area maintenance, real estate taxes, real estate insurance, variable costs related to our leased vehicles and also short-term rental expenses.

The implicit rate is not determinable in most of the Company's leases, as such management uses the Company's incremental borrowing rate based on the information available at commencement date in

11. Stock Based Compensation:

2014 Equity Incentive Plan

Effective June 30, 2014, the Company established the 2014 Equity Incentive Plan (the “2014 Equity Incentive Plan”), pursuant to which we may grant options, stock appreciation rights, restricted stock, and other stock-based awards for up to an aggregate of 44,021 shares of its common stock. Effective August 10, 2018, the number of shares within the stock option pool increased to 50,000. Effective July 29, 2019 the number of shares within the pool increased to 84,008. Effective July 28, 2020 the number of shares within the pool increased to 94,195.

The 2014 Equity Incentive Plan is administered by a committee of the board of directors. Such committee determines the terms of each stock-based award grant under the 2014 Equity Incentive Plan, except that the exercise price of any granted options and the grant price of any granted stock appreciation rights may not be lower than the fair market value of one share of common stock as of the date of grant.

The fair value of 61,310 time-vested options outstanding as of December 26, 2020 was estimated on the date of grant using the Black-Scholes option pricing model with the following assumptions: dividend yield equaling 0%, risk-free interest rate from 0.4% to 1.81%, expected volatility assumed to be 31.5%, and expected term of 6.25 years. The fair value of an option in whole dollars was \$335.46.

Stock option compensation expense of \$3,960, \$2,312, and \$1,590 was recognized in the accompanying Consolidated Statements of Comprehensive Loss for the years ended December 26, 2020, December 28, 2019, and December 29, 2018, respectively. As of December 26, 2020, there was \$12,247 of unrecognized compensation expense for unvested common options. The expense will be recognized as a charge to earnings over a weighted average period of approximately 3.50 years.

As of December 26, 2020, there were 16,082 performance-based stock options outstanding that ultimately vest depending upon satisfaction of conditions that only arise in the event of a sale of the Company. No compensation expense will be recognized on these stock options unless it becomes probable the performance conditions will be satisfied.

13. Derivatives and Hedging:

The Company uses derivative financial instruments to manage its exposures to (1) interest rate fluctuations on its floating rate senior term loan and (2) fluctuations in foreign currency exchange rates. The Company measures those instruments at fair value and recognizes changes in the fair value of derivatives in earnings in the period of change, unless the derivative qualifies as an effective hedge that offsets certain exposures.

Interest Rate Swap Agreements

On September 3, 2014, the Company entered into two forward Interest Rate Swap Agreements (the “2014 Swaps”) with three year terms for notional amounts of \$90,000 and \$40,000. The forward start date of the 2014 Swaps was October 1, 2015 and the termination date was September 30, 2018. The 2014 Swaps fixed the interest rate at 2.2% plus the applicable interest rate margin of 3.5% and the effective rate of 5.7%. The 2014 Swaps were terminated on September 30, 2018.

On January 8, 2018, the Company entered into a new forward Interest Rate Swap Agreement (“2018 Swap 1”) with three year terms for \$90,000 notional amount. The fair value of the 2018 Swap 2 was \$3,484 as of December 26, 2020 and was reported on the accompanying Consolidated Balance Sheets in other non-current liabilities. The fair value of the 2018 Swaps was \$3,592 as of December 28, 2019 and they were reported on the accompanying Consolidated Balance Sheets in other non-current liabilities. The total impact of all the interest rate swaps to other (income) expense recorded in the Consolidated Statement of Comprehensive Loss was an unfavorable change of \$2,608 in fair value since December 29, 2018.

The Company's interest rate swap agreements did not qualify for hedge accounting treatment because they did not meet the provisions specified in ASC 815, Derivatives and Hedging ("ASC 815").

Foreign Currency Forward Contracts

During fiscal 2018, 2019, and 2020, the Company entered into multiple foreign currency forward contracts. The purpose of the Company's foreign currency forward contracts is to manage the Company's exposure to fluctuations in the exchange rate of the Canadian dollar.

The total notional amount of contracts outstanding was C\$9,652 and C\$1,326 as of December 26, 2020 and December 28, 2019, respectively. The total fair value of the foreign currency forward contracts was \$12 and \$12 as of December 26, 2020 and December 28, 2019, respectively, and was reported on the accompanying Consolidated Balance Sheets in other current liabilities. A decrease in other income of \$557 and \$50 was recorded in the Consolidated Statement of Comprehensive Loss for the change in fair value during years ended December 26, 2020 and December 28, 2019, respectively.

The Company's foreign currency forward contracts did not qualify for hedge accounting treatment because they did not meet the provisions specified in ASC 815. Accordingly, the gain or loss on these derivatives was recognized in other (income) expense in the Consolidated Statement of Comprehensive Loss.

The Company does not enter into derivative transactions for speculative purposes and, therefore, holds no derivative instruments for trading purposes.

Additional information with respect to the fair value of derivative instruments is included in Note 14 — Fair Value Measurements.

14. Fair Value Measurements:

The Company uses the accounting guidance that applies to all assets and liabilities that are being measured and reported on a fair value basis. The guidance defines fair value as the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The guidance also establishes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. Assets and liabilities carried at fair value are classified and disclosed in one of the following three categories.

- Level 1: Quoted market prices in active markets for identical assets or liabilities.
- Level 2: Observable market-based inputs or unobservable inputs that are corroborated by market data.
- Level 3: Unobservable inputs reflecting the reporting entity's own assumptions.

HMAN GROUP HOLDINGS, INC. AND SUBSIDIARIES
NOTES TO CONSOLIDATED FINANCIAL STATEMENTS
(dollars in thousands)

The accounting guidance establishes a hierarchy which requires an entity to maximize the use of quoted market prices and minimize the use of unobservable inputs. An asset or liability's level is based on the lowest level of input that is significant to the fair value measurement.

The following tables set forth the Company's financial assets and liabilities that were measured at fair value on a recurring basis during the period, by level, within the fair value hierarchy:

	As of December 26, 2020			
	Level 1	Level 2	Level 3	Total

Trading securities are valued using quoted prices on an active exchange. Trading securities represent assets held in a Rabbi Trust to fund deferred compensation liabilities and are included as restricted investments on the accompanying Consolidated Balance Sheets.

The Company utilizes interest rate swap contracts to manage our targeted mix of fixed and floating rate debt, and these contracts are valued using observable benchmark rates at commonly quoted intervals for the full term of the swap contracts. As of December 26, 2020, the 2018 Swap 1 was recorded within other accrued expenses and the 2018 Swap 2 was recorded within other non-current liabilities on the accompanying Consolidated Balance Sheets. As of December 28, 2019, both the 2018 Swap 1 and the 2018 Swap 2 were recorded within other non-current liabilities on the accompanying Consolidated Balance Sheets.

The Company utilizes foreign exchange forward contracts to manage our exposure to currency fluctuations in the Canadian dollar versus the U.S. dollar. The forward contracts were valued using observable benchmark rates at commonly quoted intervals during the term of the forward contract. As of December 26, 2020 and December 28, 2019, the foreign exchange forward contracts were included in other current liabilities on the accompanying Consolidated Balance Sheets.

The contingent consideration represents future potential earn-out payments related to the Resharp acquisition in fiscal 2019 and the Instafob acquisition in the first quarter of 2020. Refer to Note 5 — Acquisitions for additional details. The estimated fair value of the contingent earn-out was determined using a Monte Carlo analysis examining the frequency and mean value of the resulting earn-out payments. The resulting value captures the risk associated with the form of the payout structure. The risk neutral method is applied, resulting in a value that captures the risk associated with the form of the payout structure and the projection risk. The carrying amount of the liability may fluctuate significantly and actual amounts paid may be materially different from the liability's estimated value. As of December 26, 2020, the total contingent consideration for Resharp was recorded as \$304 within other accrued expenses and \$11,890 within other non-current liabilities on the accompanying Consolidated Balance Sheets. As of December 26, 2020, the total contingent consideration for Instafob was recorded as \$113 within other accrued expenses and \$1,890 within other non-current liabilities on the accompanying Consolidated Balance Sheets. As of December 28, 2019, the total contingent consideration was recorded as \$2,275 within other

accrued expenses and \$15,825 within other non-current liabilities on the accompanying Consolidated Balance Sheets. During fiscal 2020, \$2,006 of the Resharp contingent consideration was earned and will be paid during the first quarter of fiscal 2021. This amount was moved to accounts payable as of December 26, 2020. The Company recorded a \$3,900 decrease in the Resharp contingent consideration liability as of December 26, 2020 compared to December 28, 2019. The Company recorded a \$385 increase in the Instafob contingent consideration liability as of December 26, 2020 compared to Instafob's acquisition date of February 19, 2020. The total decrease of \$3,515 in value was determined by using a simulation model of the Monte Carlo analysis that included updated projections applicable to the liability as of December 26, 2020 compared to the prior valuation period.

The fair value of the Company's fixed rate senior notes and junior subordinated debentures as of December 26, 2020 and December 28, 2019 were determined by utilizing current trading prices obtained from indicative market data. As a result, the fair value measurement of the Company's senior term loans is considered to be Level 2.

	Carrying Amount	Estimated Fair Value	Carrying Amount	Estimated Fair Value

Cash, restricted investments, accounts receivable, short-term borrowings and accounts payable are reflected in the Consolidated Financial Statements at book value, which approximates fair value, due to the short-term nature of these instruments. The carrying amount of the long-term debt under the revolving credit facility approximates the fair value at December 26, 2020 and December 28, 2019 as the interest rate is variable and approximates current market rates. The Company also believes the carrying amount of the long-term debt under the senior term loan approximates the fair value at December 26, 2020 and December 28, 2019 because, while subject to a minimum LIBOR floor rate, the interest rate approximates current market rates of debt with similar terms and comparable credit risk.

Additional information with respect to the derivative instruments is included in Note 13 — Derivatives and Hedging. Additional information with respect to the Company's fixed rate senior notes and junior subordinated debentures is included in Note 7 — Long-Term Debt.

15. Restructuring

Canadian Restructuring Plan

During fiscal 2018, the Company initiated plans to restructure the operations of the Canada segment. The restructuring seeks to streamline operations in the greater Toronto area by consolidating facilities, exiting certain lines of business, and rationalizing stock keeping units ("SKUs"). The intended result of the Canada restructuring will be a more streamlined and scalable operation focused on delivering optimal service and a broad offering of products across the Company's core categories. Plans were finalized during the fourth quarter of 2018. The Company expects to wrap up restructuring related activities in our Canada segment in 2021. Charges incurred in part of the Canada Restructuring Plan included:

United States Restructuring Plan

During fiscal 2019, the Company began implementing a plan to restructure the management and operations within the United States to achieve synergies and cost savings associated with the recent acquisitions described in Note 5 — Acquisitions. This restructuring includes management realignment, integration of sales and operating functions, and strategic review of the Company's product offerings. This plan was finalized during the fourth quarter of fiscal 2019. The Company incurred additional charges in fiscal 2020 related to the consolidation of two of our distribution centers. 16. Commitments and Contingencies:

The Company self-insures our product liability, automotive, and workers' compensation losses up to \$250 per occurrence. General liability losses are self-insured up to \$500 per occurrence. Catastrophic coverage has been purchased from third party insurers for occurrences in excess of \$250 up to \$60,000. The two risk areas involving the most significant accounting estimates are workers' compensation and automotive liability. Actuarial valuations performed by the Company's third-party risk insurance expert were used by the Company's management to form the basis for workers' compensation and automotive liability loss reserves. The actuary contemplated the Company's specific loss history, actual claims reported, and industry trends among statistical and other factors to estimate the range of reserves required. Risk insurance reserves are comprised of specific reserves for individual claims and additional amounts expected for development of these claims, as well as for incurred but not yet reported claims. The Company believes that the liability of approximately \$2,488 recorded for such risk insurance reserves is adequate as of December 26, 2020.

HMAN GROUP HOLDINGS, INC. AND SUBSIDIARIES
NOTES TO CONSOLIDATED FINANCIAL STATEMENTS
(dollars in thousands)

As of December 26, 2020, the Company has provided certain vendors and insurers letters of credit aggregating \$23,590 related to our product purchases and insurance coverage of product liability, workers' compensation, and general liability.

The Company self-insures our group health claims up to an annual stop loss limit of \$250 per participant. Historical group insurance loss experience forms the basis for the recognition of group health insurance reserves. Provisions for losses expected under these programs are recorded based on an analysis of historical insurance claim data and certain actuarial assumptions. The Company believes that the liability of approximately \$2,609 recorded for such group health insurance reserves is adequate as of December 26, 2020.

The Company imports large quantities of fastener products which are subject to customs requirements and to tariffs and quotas set by governments through mutual agreements and bilateral actions. The Company could be subject to the assessment of additional duties and interest if it or its suppliers fail to comply with customs regulations or similar laws. The U.S. Department of Commerce (the "Department") has received requests from petitioners to conduct administrative reviews of compliance with anti-dumping duty and countervailing duty laws for certain nails products sourced from Asian countries. The Company sourced products under review from vendors in China and Taiwan during the periods selected for review. The Company accrues for the duty expense once it is determined to be probable and the amount can be reasonably estimated. On March 16, 2018, the Department published updated results, which were finalized upon the completion of review of appeals in April 2018. Based on final results, our liability was reduced to \$2,446. The Company recorded income of \$3,829 in fiscal 2018, which is included in Cost of Sales on the Company's Consolidated Statement of Comprehensive Loss. There were no related charges in fiscal 2019 nor in fiscal 2020.

On June 3, 2019, The Hillman Group, Inc. ("Hillman Group") filed a complaint for patent infringement against KeyMe, LLC ("KeyMe"), a provider of self-service key duplication kiosks, in the United States District Court for the Eastern District of Texas (Marshall Division). The case was assigned Civil Action No. 2:19-cv-0209. Hillman Group's complaint alleges that KeyMe's self-named and "Locksmith in a Box" key duplication kiosks infringe U.S. Patent Nos. 8,979,446 and 9,914,179, which are assigned to Hillman Group, and seeks damages and injunctive relief against KeyMe. After the United States Patent and Trademark Office issued U.S. Patent No. 10,400,474 to Hillman Group on September 3, 2019, Hillman Group filed a motion the same day to amend its initial complaint to add the new patent to the litigation. The Texas court granted the motion on September 13, 2019. KeyMe filed two motions in the case on July 25, 2019, the first seeking to dismiss Hillman Group's complaint under Rule 12(b)(3) of the Federal Rules of Civil Procedure for improper venue, or in the alternative, to move the case from Marshall, Texas to the Southern District of New York. KeyMe's second motion seeks to transfer the venue of the case from Texas to New York under 28 U.S.C. § 1404. Subsequently, Hillman Group filed a motion on September 4, 2019 to disqualify KeyMe's counsel Cooley LLP from the litigation due to Cooley's concurrent and prior representation of Hillman Group and predecessor-in-interest MinuteKey Holdings, Inc ("MinuteKey"). Hillman Group served its initial infringement contentions for the patents-in-suit on KeyMe on September 6, 2019, and KeyMe served its initial invalidity and unenforceability contentions for the patents-in-suit on Hillman Group on November 15, 2019. The parties filed a joint claim construction statement with the Court on January 31, 2020, setting forth the disputed constructions of terms and phrases recited in the asserted claims of the patents-in-suit. On February 14, 2020, the Court granted Hillman Group's motion to disqualify Cooley LLP, and denied KeyMe's pending venue-related motion to dismiss and motion to transfer without prejudice to refile. The case was stayed until March 30, 2020 to permit KeyMe to retain new legal counsel. The parties filed a joint status report on March 25, 2020, and on March 27, 2020, the Texas Court set a new case schedule with a trial in early December 2020. On April 14, 2020, KeyMe re-filed a single motion to dismiss for improper venue, or in the alternative, to transfer the case to the Southern District of New York. After an oral hearing held on September 30, 2020, the Texas Court denied KeyMe's motion to dismiss on November 13, 2020.

The Texas Court conducted a claim construction hearing in Marshall, TX, on June 23, 2020 to construe various disputed claim terms of the three patents-in-suit, and issued a claim construction order on July 2, 2020. On August 31, 2020, KeyMe filed two motions for partial summary judgment on portions of the case, and also filed a motion objecting to portions of the testimony of one of Hillman Group's technical expert witnesses.

On March 2, 2020, Hillman Group filed a second complaint for patent infringement against KeyMe in the same Texas Court, alleging that KeyMe's key duplication kiosks infringe Hillman Group's U.S. Patent No. 10,577,830. The case was assigned Civil Action No. 2:20-cv-0070. Hillman Group added a second patent to the case, U.S. Patent No. 10,628,813, upon that patent's issuance on April 21, 2020. Upon issuance of U.S. Patent No. 10,737,336 to Hillman Group on August 10, 2020, Hillman Group moved for leave of Court to add that patent to the case; however, KeyMe opposed the motion.

KeyMe filed a motion to consolidate the two Texas patent cases involving KeyMe and Hillman Group on April 14, 2020. In addition, on April 30, 2020, KeyMe filed a substantially identical motion to dismiss the case for improper venue, or in the alternative, to transfer the case to the Southern District of New York. The Texas Court heard oral argument on the motion to consolidate, the motion to dismiss, and Hillman Group's motion to add the '336 patent on September 30, 2020. On October 23, 2020, the Texas Court granted KeyMe's motion to consolidate the two Texas cases, and granted Hillman Group's motion to add the '336 patent. The Texas Court denied KeyMe's motion to dismiss on November 13, 2020. On November 18, 2020, the Texas Court issued a new case schedule for the consolidated case, setting a trial date of April 5, 2021 for the six-patent case. The parties stipulated in November, 2020 that no new claim construction hearing would be held, and that selected constructions from the 2:19-cv-209 action that pertained to claims in the 2:20-cv-0070 action would govern. Fact discovery closed in the consolidated case on December 21, 2020, and expert discovery closed on January 22, 2021.

On January 25, 2021, KeyMe filed a second summary judgment motion for a judgement of no willful infringement, and also filed another motion objecting to portions of the testimony of one of Hillman Group's technical expert witnesses.

On September 9, 2020, the parties conducted a mediation before Ret. District Judge David Folsom of the U.S. District Court of the Eastern District of Texas. Though substantive discussion took place, no agreement on resolution of the litigation was reached.

On August 16, 2019, KeyMe filed a complaint for patent infringement against Hillman Group in the United States District Court for the District of Delaware. KeyMe alleges that Hillman Group's KeyKrafter key duplication machines and MinuteKey self-service key duplication kiosks infringe KeyMe's U.S. Patent No. 8,682,468 when those machines are used in conjunction with Hillman Group's KeyHero system. KeyMe seeks damages and injunctive relief against Hillman Group. Hillman Group filed an answer to KeyMe's complaint on October 23, 2019, and asserted counterclaims seeking declaratory judgments of invalidity and noninfringement of U.S. Patent No. 8,682,468. On May 4, 2020, the Delaware Court entered a scheduling order setting trial for November 2021. KeyMe served its initial infringement contentions on June 11, 2020, with Hillman Group serving its initial invalidity contentions on July 16, 2020. The Delaware Court held a claim construction hearing on November 24, 2020, and issued its claim construction order on January 25, 2021. Fact discovery closed in the Delaware case on January 28, 2021. KeyMe served its final infringement contentions on January 4, 2021; Hillman Group served its final invalidity contentions on January 18, 2021. Expert discovery is currently underway through April 8, 2021.

Management and legal counsel for the Company are of the opinion that KeyMe's claim is without merit and the Company should prevail in defending the suit. The Company is unable to estimate the possible loss or range of loss at this early stage in the case.

In addition, legal proceedings are pending which are either in the ordinary course of business or incidental to the Company's business. Those legal proceedings incidental to the business of the Company

are generally not covered by insurance or other indemnity. In the opinion of the Company's management, the ultimate resolution of the pending litigation matters will not have a material adverse effect on the consolidated financial position, operations, or cash flows of the Company.

Supplemental disclosures of cash flows information are presented below:

18. Concentration of Credit Risks:

Financial instruments which potentially subject the Company to concentration of credit risk consist principally of cash and cash equivalents and trade receivables. The Company places its cash and cash equivalents with high credit quality financial institutions. Concentrations of credit risk with respect to sales and trade receivables are limited due to the large number of customers comprising the Company's customer base and their dispersion across geographic areas. The Company performs periodic credit evaluations of its customers' financial condition and generally does not require collateral.

For the year ended December 26, 2020, the largest two customers accounted for 49.1% of total revenues and 45.1% of the year-end accounts receivable balance. For the year ended December 28, 2019, the largest two customers accounted for 46.3% of total revenues and 43.2% of the year-end accounts receivable balance. No other customer accounted for more than 10% of the Company's accounts receivables in 2020, 2019, nor 2018.

In each of the years ended December 26, 2020, December 28, 2019, and December 29, 2018, the Company derived over 10% of its total revenues from two separate customers which operated in each of the operating segments. The following table presents revenue from each customer as percentage of total revenue for each of the years ended:

	<u>Year Ended</u> <u>December 26, 2020</u>	<u>Year Ended</u> <u>December 28, 2019</u>	<u>Year Ended</u> <u>December 29, 2018</u>

19. Segment Reporting and Geographic Information:

The Company's segment reporting structure uses the Company's management reporting structure as the foundation for how the Company manages its business. The Company periodically evaluates its segment reporting structure in accordance with ASC 350-20-55 and has concluded that it has three reportable segments as of December 26, 2020.

The segments are as follows:

- Hardware and Protective Solutions
- Robotics and Digital Solutions
- Canada

HMAN GROUP HOLDINGS, INC. AND SUBSIDIARIES

(dollars in thousands)

The Hardware and Protective Solutions segment distributes fasteners and related hardware items, threaded rod, personal protective equipment, and letters, numbers, and signs to hardware stores, home centers, mass merchants, and other retail outlets primarily in the United States and Mexico.

The Robotics and Digital Solutions segment consists of key duplication and engraving kiosks that can be operated directly by the consumer. The kiosks operate in retail and other high-traffic locations offering customized licensed and unlicensed products targeted to consumers in the respective locations. It also includes our associate-assisted key duplication systems and key accessories. The Robotics and Digital Solutions segment also includes Resharp, our robotic knife sharpening business, and Instafob, which specializes in RFID key duplication technology.

The Canada segment distributes fasteners and related hardware items, threaded rod, keys, key duplicating systems, accessories, personal protective equipment, and identification items, such as tags and letters, numbers, and signs to hardware stores, home centers, mass merchants, industrial distributors, automotive aftermarket distributors, and other retail outlets and industrial Original Equipment Manufacturers (“OEMs”) in Canada. The Canada segment also produces fasteners, stampings, fittings, and processes threaded parts for automotive suppliers and industrial OEMs.

The Company uses profit or loss from operations to evaluate the performance of its segments, and does not include segment assets or non-operating income/expense items for management reporting purposes. Profit or loss from operations is defined as income from operations before interest and tax expenses. Segment revenue excludes sales between segments, which is consistent with the segment revenue information provided to the Company’s chief operating decision maker (“CODM”).

In the year ended December 29, 2018 the Company acquired Minute Key and Big Time (see Note 5 — Acquisitions of the Notes to Consolidated Financial Statements for additional information). Minute Key is included in our Robotics and Digital Solutions segment while Big Time is included in our Hardware and Protective Solutions segment.

The table below presents revenues and income (loss) from operations for the reportable segments for the years ended December 26, 2020, December 28, 2019, and December 29, 2018.

On January 24, 2021, the Company's parent, HMAN Group Holdings, Inc., and Landcadia Holdings III, Inc. ("Landcadia"), a special purpose acquisition company ("SPAC") entered into an agreement ("Merger Agreement") whereby the Parent would become a wholly owned subsidiary of Landcadia for the consideration of \$911.3 million upon approval of the Landcadia shareholders and will be accounted for as a reverse acquisition resulting in a recapitalization of HMAN Group Holdings. Consideration would be a combination of roll-over equity by current Company shareholders, new share purchases by Landcadia SPAC participants, cash from a new credit agreement and refinancing of existing credit facilities of the Company. A full description of the proposed acquisition terms may be found in the Landcadia Proxy Statement dated February 3, 2021 (the "Proxy") filed with the United States Securities and Exchange Commission ("SEC"), which is available on www.sec.gov.

HMAN GROUP HOLDINGS, INC. AND SUBSIDIARIES
NOTES TO CONDENSED CONSOLIDATED FINANCIAL STATEMENTS
(dollars in thousands)

1. Basis of Presentation:

The accompanying financial statements include the consolidated accounts of HMAN Group Holdings, Inc. and its wholly-owned subsidiaries (collectively “Hillman” or the “Company”). Unless the context requires otherwise, references to “Hillman,” “we,” “us,” “our,” or “our Company” refer to HMAN Group Holdings, Inc. and its wholly-owned subsidiaries. The Consolidated Financial Statements included herein have been prepared in accordance with accounting standards generally accepted in the United States of America (U.S. GAAP) and include the accounts of the Company and its wholly-owned subsidiaries. The Hillman Companies, Inc. is a wholly-owned subsidiary of HMAN Intermediate II Holdings Corp., and a wholly-owned subsidiary of HMAN Group Holdings Inc. (“Holdco”).

On January 24, 2021, the Company’s parent, HMan Group Holdings, Inc., and Landcadia Holdings III, Inc. (“Landcadia”), a special purpose acquisition company (“SPAC”) entered into an agreement (“Merger Agreement”) whereby the Parent would become a wholly owned subsidiary of Landcadia for the consideration of \$911.3 million upon approval of the Landcadia shareholders and will be accounted for as a reverse acquisition resulting in a recapitalization of HMan Group Holdings. Consideration would be a combination of roll-over equity by current Company shareholders, new share purchases by Landcadia SPAC participants, cash from a new credit agreement and refinancing of existing credit facilities of the Company. A full description of the proposed acquisition terms may be found in the Landcadia Proxy Statement dated February 3, 2021 (the “Proxy”) filed with the United States Securities and Exchange Commission (“SEC”), which is available on www.sec.gov.

2. Summary of Significant Accounting Policies:

The significant accounting policies should be read in conjunction with the significant accounting policies included in the financial statements for the year ended December 26, 2020.

Use of Estimates in the Preparation of Financial Statements:

The preparation of financial statements in conformity with U.S. generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the dates of the financial statements and the reported amounts of revenues and expenses for the reporting periods. Actual results may differ from these estimates.

The extent to which COVID-19 impacts the Company’s business and financial results will depend on numerous evolving factors including, but not limited to: the magnitude and duration of COVID-19, the extent to which it will impact worldwide macroeconomic conditions including interest rates, employment rates and health insurance coverage, the speed of the anticipated recovery, and governmental and business reactions to the pandemic. The Company assessed certain accounting matters that generally require consideration of forecasted financial information in context with the information reasonably available to the Company and the unknown future impacts of COVID-19 as of March 27, 2021 and through the date of this report. The accounting matters assessed included, but were not limited to the carrying value of the goodwill and other long-lived assets. While there was not a material impact to the Company’s consolidated financial statements as of and for the quarter ended March 27, 2021, the Company’s future assessment of the magnitude and duration of COVID-19, as well as other factors, could result in material impacts to the Company’s Consolidated Financial Statements in future reporting periods.

Revenue Recognition:

Revenue is recognized when control of goods or services is transferred to our customers, in an amount that reflects the consideration the Company expects to be entitled to in exchange for those goods or services. Sales and other taxes the Company collects concurrent with revenue-producing activities are excluded from revenue.

The Company offers a variety of sales incentives to its customers primarily in the form of discounts and rebates. Discounts are recognized in the consolidated financial statements at the date of the related sale. Rebates are based on the revenue to date and the contractual rebate percentage to be paid. A portion of the cost of the rebate is allocated to each underlying sales transaction. Discounts and rebates are included in the determination of net sales.

The Company also establishes reserves for customer returns and allowances. The reserve is established based on historical rates of returns and allowances. The reserve is adjusted quarterly based on actual experience. Returns and allowances are included in the determination of net sales.

Consolidated	\$ 213,176	\$ 56,308	\$26,352	\$295,836

Our revenue by geography is allocated based on the location of our sales operations. Our Hardware and Protective Solutions segment contains sales of Big Time personal protective equipment into Canada. Our Robotics and Digital Solutions segment contains sales of MinuteKey Canada.

Hardware and Protective Solutions revenues consist primarily of the delivery of fasteners, anchors, specialty fastening products, and personal protective equipment such as gloves and eye-wear as well as in-store merchandising services for the related product category.

Robotics and Digital Solutions revenues consist primarily of sales of keys and identification tags through self service key duplication and engraving kiosks. It also includes our associate-assisted key duplication systems and key accessories.

Canada revenues consist primarily of the delivery to Canadian customers of fasteners and related hardware items, threaded rod, keys, key duplicating systems, accessories, personal protective equipment, and identification items as well as in-store merchandising services for the related product category.

The Company's performance obligations under its arrangements with customers are providing products, in-store merchandising services, and access to key duplicating and engraving equipment. Generally, the price of the merchandising services and the access to the key duplicating and engraving equipment is included in the price of the related products. Control of products is transferred at the point in time when the customer accepts the goods, which occurs upon delivery of the products. Judgment is required in determining the time at which to recognize revenue for the in-store services and the access to key duplicating and engraving equipment. Revenue is recognized for in-store service and access to key duplicating and engraving equipment as the related products are delivered, which approximates a time-based recognition pattern. Therefore, the entire amount of consideration related to the sale of products, in-store merchandising services, and access to key duplicating and engraving equipment is recognized upon the delivery of the products.

The costs to obtain a contract are insignificant, and generally contract terms do not extend beyond one year. Therefore, these costs are expensed as incurred. Freight and shipping costs and the cost of our in-store merchandising services teams are recognized in selling, general, and administrative expense when control over products is transferred to the customer.

3. Recent Accounting Pronouncements:

In March 2020, the FASB issued ASU 2020-04, *Reference Rate Reform (Topic 848): Facilitation of the Effects of Reference Rate Reform on Financial Reporting* which provide optional guidance for a limited time to ease the potential burden in accounting for reference rate reform. The new guidance provides optional expedients and exceptions for applying GAAP to contracts, hedging relationships and other transactions affected by reference rate reform if certain criteria are met. The amendments apply only to contracts and hedging relationships that reference LIBOR or another reference rate expected to be discontinued due to reference rate reform. These amendments are effective immediately and may be applied prospectively to contract modifications made and hedging relationships entered into or evaluated on or before December 31, 2022. The Company is currently evaluating contracts and the optional expedients provided by the new standard.

In December 2019, the FASB issued ASU 2019-12, *Income Taxes (Topic 740): Simplifying the Accounting for Income Taxes*. The amendments in this update remove certain exceptions of Topic 740 including: exception to the incremental approach for intraperiod tax allocation when there is a loss from continuing operations and income or gain from other items; exception to the requirement to recognize a deferred tax liability for equity method investments when a foreign subsidiary becomes an equity method investment; exception to the ability not to recognize a deferred tax liability for a foreign subsidiary when a foreign equity method investment becomes a subsidiary; exception to the general methodology for calculating income taxes in an interim period when a year-to-date loss exceeds the anticipated loss for the year. There are also additional areas of guidance in regards to: franchise and other taxes partially based on income and the interim recognition of enactment of tax laws and rate changes. The provisions of this ASU are effective for years beginning after December 15, 2020. The Company adopted this standard during fiscal 2021 and the adoption did not have a material impact on the Company's Condensed Consolidated Financial Statements.

The amortization expense for amortizable assets, including the adjustments resulting from fluctuations in foreign currency exchange rates for the thirteen weeks ended March 27, 2021 was \$14,909. Amortization expense for the thirteen weeks ended March 28, 2020 was \$14,848.

The Company tests goodwill and indefinite-lived intangible assets for impairment annually in the fourth quarter. Impairment is also tested when events or changes in circumstances indicate that the carrying values of the assets may be greater than their fair values. During the thirteen weeks ended March 27, 2021 and the thirteen weeks ended March 28, 2020, the Company did not identify any triggering events that would result in an impairment analysis outside of the annual assessment.

5. Commitments and Contingencies:

The Company self-insures its product liability, automotive and workers' compensation losses up to \$250 per occurrence. General liability losses are self-insured up to \$500 per occurrence. Catastrophic coverage has been purchased from third party insurers for occurrences in excess of \$250 up to \$60,000. The two risk areas involving the most significant accounting estimates are workers' compensation and automotive liability. Actuarial valuations performed by the Company's outside risk insurance expert were used by the Company's management to form the basis for workers' compensation and automotive liability loss reserves. The actuary contemplated the Company's specific loss history, actual claims reported, and industry trends among statistical and other factors to estimate the range of reserves required. Risk insurance reserves are comprised of specific reserves for individual claims and additional amounts expected for development of these claims, as well as for incurred but not yet reported claims. The Company believes that the liability of approximately \$2,476 recorded for such risks is adequate as of March 27, 2021.

As of March 27, 2021, the Company has provided certain vendors and insurers letters of credit aggregating \$25,908 related to our product purchases and insurance coverage for product liability, workers' compensation, and general liability.

The Company self-insures group health claims up to an annual stop loss limit of \$250 per participant. Historical group insurance loss experience forms the basis for the recognition of group health insurance reserves. Provisions for losses expected under these programs are recorded based on an analysis of historical insurance claim data and certain actuarial assumptions. The Company believes that the liability of approximately \$2,512 recorded for such risks is adequate as of March 27, 2021.

On June 3, 2019, The Hillman Group, Inc. ("Hillman Group") filed a complaint for patent infringement against KeyMe, LLC ("KeyMe"), a provider of self-service key duplication kiosks, in the United States District Court for the Eastern District of Texas (Marshall Division). The case was assigned Civil Action No. 2:19-cv-0209. Hillman Group's complaint alleges that KeyMe's self-named and "Locksmith in a Box" key duplication kiosks infringe U.S. Patent Nos. 8,979,446 and 9,914,179, which are assigned to Hillman Group, and seeks damages and injunctive relief against KeyMe. After the United States Patent and Trademark Office issued U.S. Patent No. 10,400,474 to Hillman Group on September 3, 2019, Hillman Group filed a motion the same day to amend its initial complaint to add the new patent to the litigation. The Texas court granted the motion on September 13, 2019. KeyMe filed two motions in the case on July 25, 2019, the first seeking to dismiss Hillman Group's complaint under Rule 12(b)(3) of the Federal Rules of Civil Procedure for improper venue, or in the alternative, to move the case from Marshall, Texas to the Southern District of New York. KeyMe's second motion seeks to transfer the venue of the case from Texas to New York under 28 U.S.C. § 1404. Subsequently, Hillman Group filed a motion on September 4, 2019 to disqualify KeyMe's counsel Cooley LLP from the litigation due to Cooley's concurrent and prior representation of Hillman Group and predecessor-in-interest MinuteKey Holdings, Inc ("MinuteKey"). Hillman Group served its initial infringement contentions for the patents-in-suit on KeyMe on September 6, 2019, and KeyMe served its initial invalidity and unenforceability contentions for the patents-in-suit on Hillman Group on November 15, 2019. The parties filed a joint claim construction statement with the Court on January 31, 2020, setting forth the disputed constructions of terms and phrases recited in the asserted claims of the patents-in-suit. On February 14, 2020, the Court granted Hillman Group's motion to disqualify Cooley LLP, and denied KeyMe's pending venue-related motion to dismiss and motion to transfer without prejudice to refile. The case was stayed until March 30, 2020 to permit KeyMe to retain new legal counsel. The parties filed a joint status report on March 25, 2020, and on March 27, 2020, the Texas Court set a new case schedule with a trial in early December 2020. On April 14, 2020, KeyMe re-filed a single motion to dismiss for improper venue, or in the alternative, to transfer the case to the Southern District of New York. After an oral hearing held on September 30, 2020, the Texas Court denied KeyMe's motion to dismiss on November 13, 2020.

The Texas Court conducted a claim construction hearing in Marshall, TX, on June 23, 2020 to construe various disputed claim terms of the three patents-in-suit, and issued a claim construction order on

July 2, 2020. On August 31, 2020, KeyMe filed two motions for partial summary judgment on portions of the case, and also filed a motion objecting to portions of the testimony of one of Hillman Group's technical expert witnesses. At a pretrial conference held March 23, 2021, the Texas Court denied KeyMe's motion to exclude expert testimony and KeyMe's motion for summary judgement of no willful infringement in full. KeyMe's motion for summary judgement of non-infringement relating to U.S. Patent No. 10,400,474 was granted in-part and denied in-part; Hillman Group was permitted to proceed with a theory of infringement under the doctrine of equivalents at trial.

On March 2, 2020, Hillman Group filed a second complaint for patent infringement against KeyMe in the same Texas Court, alleging that KeyMe's key duplication kiosks infringe Hillman Group's U.S. Patent No. 10,577,830. The case was assigned Civil Action No. 2:20-cv-0070. Hillman Group added a second patent to the case, U.S. Patent No. 10,628,813, upon that patent's issuance on April 21, 2020. Upon issuance of U.S. Patent No. 10,737,336 to Hillman Group on August 10, 2020, Hillman Group moved for leave of Court to add that patent to the case; however, KeyMe opposed the motion.

KeyMe filed a motion to consolidate the two Texas patent cases involving KeyMe and Hillman Group on April 14, 2020. In addition, on April 30, 2020, KeyMe filed a substantially identical motion to dismiss the case for improper venue, or in the alternative, to transfer the case to the Southern District of New York. The Texas Court heard oral argument on the motion to consolidate, the motion to dismiss, and Hillman Group's motion to add the '336 patent on September 30, 2020. On October 23, 2020, the Texas Court granted KeyMe's motion to consolidate the two Texas cases, and granted Hillman Group's motion to add the '336 patent. The Texas Court denied KeyMe's motion to dismiss on November 13, 2020. On November 18, 2020, the Texas Court issued a new case schedule for the consolidated case, setting a trial date of April 5, 2021 for the six-patent case. The parties stipulated in November, 2020 that no new claim construction hearing would be held, and that selected constructions from the 2:19-cv-209 action that pertained to claims in the 2:20-cv-0070 action would govern. Fact discovery closed in the consolidated case on December 21, 2020, and expert discovery closed on January 22, 2021.

On January 25, 2021, KeyMe filed a second summary judgement motion for a judgement of no willful infringement, and also filed another motion objecting to portions of the testimony of one of Hillman Group's technical expert witnesses. At a pretrial conference held March 23, 2021, the Texas Court denied both of KeyMe's motions in full.

On September 9, 2020, the parties conducted a mediation before Ret. District Judge David Folsom of the U.S. District Court of the Eastern District of Texas. Though substantive discussion took place, no agreement on resolution of the litigation was reached.

A jury trial was held in the Texas case from April 5-12, 2021 in Marshall, Texas. On April 12, 2021, the jury returned a verdict that KeyMe did not infringe any of the six asserted patents, and several of the asserted claims were invalid. Final judgment was entered on April 13, 2021. Hillman Group disagrees with the verdict and is considering all legal options, including appeal of the case to the United States Court of Appeals for the Federal Circuit in Washington, D.C.

On August 16, 2019, KeyMe filed a complaint for patent infringement against Hillman Group in the United States District Court for the District of Delaware. KeyMe alleges that Hillman Group's KeyKrafter key duplication machines and MinuteKey self-service key duplication kiosks infringe KeyMe's U.S. Patent No. 8,682,468 when those machines are used in conjunction with Hillman Group's KeyHero system. KeyMe seeks damages and injunctive relief against Hillman Group. Hillman Group filed an answer to KeyMe's complaint on October 23, 2019, and asserted counterclaims seeking declaratory judgments of invalidity and noninfringement of U.S. Patent No. 8,682,468. On May 4, 2020, the Delaware Court entered a scheduling order setting trial for November 2021. KeyMe served its initial infringement contentions on June 11, 2020, with Hillman Group serving its initial invalidity contentions on July 16, 2020. The Delaware Court held a claim construction hearing on November 24, 2020, and issued its claim construction order on January 25, 2021. Fact discovery closed in the Delaware case on January 28, 2021. KeyMe served its final

infringement contentions on January 4, 2021; Hillman Group served its final invalidity contentions on January 18, 2021. Expert discovery closed on April 8, 2021.

Management and legal counsel for the Company are of the opinion that KeyMe's claim is without merit and the Company should prevail in defending the suit. The Company is unable to estimate the possible loss or range of loss at this early stage in the case.

In addition, legal proceedings are pending which are either in the ordinary course of business or incidental to the Company's business. Those legal proceedings incidental to the business of the Company are generally not covered by insurance or other indemnity. In the opinion of the Company's management, the ultimate resolution of the pending litigation matters will not have a material adverse effect on the consolidated financial position, operations, or cash flows of the Company.

6. Related Party Transactions

The Company has recorded aggregate management fee charges and expenses from CCMP Capital Advisors, LLC ("CCMP"), Oak Hill Capital Partners III, L.P., Oak Hill Capital Management Partners III, L.P. and OHCP III HC RO, L.P. (collectively, "Oak Hill Funds") of \$126 for the thirteen weeks ended March 27, 2021, and \$125 for the thirteen weeks ended March 28, 2020.

Gregory Mann and Gabrielle Mann are employed by Hillman. The Company leases an industrial warehouse and office facility from companies under the control of the Manns. The rental expense for the lease of this facility was \$88 for the thirteen weeks ended March 27, 2021 and was \$87 for the thirteen weeks ended March 28, 2020.

7. Income Taxes:

Accounting Standards Codification 740 ("ASC 740") requires companies to apply their estimated annual effective tax rate on a year-to-date basis in each interim period. These rates are derived, in part, from expected annual pre-tax income or loss. In the thirteen weeks ended March 27, 2021 and the thirteen weeks ended March 28, 2020, the Company applied an estimated annual effective tax rate to the interim period pre-tax loss to calculate the income tax benefit.

For the thirteen weeks ended March 27, 2021, the effective income tax rate was 42.6%. The Company recorded an income tax benefit for the thirteen weeks ended March 27, 2021 of \$6,653. The effective tax rate for the thirteen weeks ended March 27, 2021 was the result of an estimated increase in GILTI from the Company's Canadian operations, state and foreign income taxes, non-deductible transaction expenses, and non-deductible stock compensation.

For the thirteen weeks ended March 28, 2020, the effective income tax rate was 22.3%. The Company recorded an income tax benefit for the thirteen weeks ended March 28, 2020 of \$4,237. The effective tax rate for the thirteen weeks ended March 28, 2020 was the result of state and foreign income taxes, and non-deductible stock compensation expenses.

On March 27, 2020, President Trump signed the Coronavirus Aid, Relief, and Economic Security Act ("CARES Act") into law. The CARES Act provided a stimulus package intended to address the impact of the COVID-19 pandemic on the American economy and provided tax relief for businesses. The Company analyzed the available stimulus provisions and recognized certain benefits including the deferral of payroll taxes, accelerated Alternative Minimum Tax income tax refunds, and increased business interest deductions.

10. Leases

Lessee

The Company determines if a contract is or contains a lease at inception or modification of a contract. A contract is or contains a lease if the contract conveys the right to control the use of an identified asset for a period in exchange for consideration. Control over the use of the identified asset means the lessee has both (a) the right to obtain substantially all of the economic benefits from the use of the asset and (b) the right to direct the use of the asset. The Company leases certain distribution center locations, vehicles, forklifts, computer equipment, and its corporate headquarters with expiration dates through 2032. Certain lease

arrangements include escalating rent payments and options to extend the lease term. Expected lease terms include these options to extend or terminate the lease when it is reasonably certain the Company will exercise the option. The Company's leasing arrangements do not contain material residual value guarantees nor material restrictive covenants.

The components of operating and finance lease cost for the thirteen weeks ended March 27, 2021 and thirteen weeks ended March 28, 2020 were as follows:

	Thirteen Weeks Ended March 27, 2021	Thirteen Weeks Ended March 28, 2020

Interest on lease liabilities	34	36

Rent expense totaled \$6,284 and \$5,448 in the thirteen weeks ended March 27, 2021 and thirteen weeks ended March 28, 2020, respectively. Rent expense includes operating lease cost as well as expense for non-lease components such as common area maintenance, real estate taxes, real estate insurance, variable costs related to our leased vehicles and also short-term rental expenses.

The implicit rate is not determinable in most of the Company's leases, as such management uses the Company's incremental borrowing rate based on the information available at commencement date in determining the present value of future payments. The weighted average remaining lease terms and discount rates for all of our operating and finance leases were as follows as of March 27, 2021 and December 26, 2020:

	March 27, 2021		December 26, 2020

Lessor

The Company has certain arrangements for key duplication equipment under which we are the lessor. These leases meet the criteria for operating lease classification. Lease income associated with these leases is not material.

11. Derivatives and Hedging:

The Company uses derivative financial instruments to manage our exposures to (1) interest rate fluctuations on our floating rate senior debt and (2) fluctuations in foreign currency exchange rates. The Company measures those instruments at fair value and recognizes changes in the fair value of derivatives in earnings in the period of change, unless the derivative qualifies as an effective hedge that offsets certain exposures.

Interest Rate Swap Agreements

On January 8, 2018, the Company entered into a forward Interest Rate Swap Agreement ("2018 Swap 1") with three-year terms for notional amounts of \$90,000. The forward start date of the 2018 Swap was September 30, 2018 and the termination date is June 30, 2021. The 2018 Swap 1 has a determined interest rate of 2.3% plus the applicable interest rate margin of 4.0% for an effective rate of 6.3%.

On November 8, 2018, the Company entered into another new forward Interest Rate Swap Agreement ("2018 Swap 2") with three-year terms for \$60,000 notional amount. The forward start date of the 2018 Swap 2 was November 30, 2018 and the termination date is November 30, 2022. The 2018 Swap 2 has determined interest rate of 3.1% plus the applicable interest rate margin of 4.0% for an effective rate of 7.1%.

(dollars in thousands)

The fair value of the 2018 Swap 1 was \$415 as of March 27, 2021 and it was reported on the Condensed Consolidated Balance Sheets within other accrued expenses. The fair value of the 2018 Swap 2 was \$3,105 as of March 27, 2021 and it was reported on the Condensed Consolidated Balance Sheets within other non-current liabilities. A decrease in other expense was recorded in the Statement of Comprehensive Loss for the favorable change of \$673 in fair value since December 26, 2020.

The fair value of 2018 Swap 1 was \$709 as of December 26, 2020 and is reported within other accrued expenses. The fair value of 2018 Swap 2 was \$3,484 as of December 26, 2020 and is reported within other non-current liabilities.

The Company's interest rate swap agreements do not qualify for hedge accounting treatment because they did not meet the provisions specified in ASC 815, Derivatives and Hedging ("ASC 815"). Accordingly, the gain or loss on these derivatives was recognized in current earnings.

The Company does not enter into derivative transactions for speculative purposes and, therefore, holds no derivative instruments for trading purposes.

Additional information with respect to the fair value of derivative instruments is included in Note 12 — Fair Value Measurements.

12. Fair Value Measurements:

The Company uses the accounting guidance that applies to all assets and liabilities that are being measured and reported on a fair value basis. The guidance defines fair value as the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The guidance also establishes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. Assets and liabilities carried at fair value are classified and disclosed in one of the following three categories:

Level 1: Quoted market prices in active markets for identical assets or liabilities.

Level 2: Observable market-based inputs or unobservable inputs that are corroborated by market data.

Level 3: Unobservable inputs reflecting the reporting entity's own assumptions.

The following tables set forth the Company's financial assets and liabilities that were measured at fair value on a recurring basis during the period, by level, within the fair value hierarchy:

	As of March 27, 2021			
	Level 1	Level 2	Level 3	Total
Trading securities	\$1,448	\$ —	\$ —	\$ 1,448
Interest rate swaps	—	(3,520)	—	(3,520)
Contingent consideration payable	—	—	(14,197)	(14,197)
	As of December 26, 2020

Interest rate swaps	—	(4,193)	—	(4,193)
Contingent consideration payable	—	—	(14,197)	(14,197)

Trading securities are valued using quoted prices on an active exchange. Trading securities represent assets held in a Rabbi Trust to fund deferred compensation liabilities and are included as other assets on the accompanying Condensed Consolidated Balance Sheets.

The Company utilizes interest rate swap contracts to manage our targeted mix of fixed and floating rate debt, and these contracts are valued using observable benchmark rates at commonly quoted intervals for the full term of the swap contracts. As of March 27, 2021 and December 26, 2020, the 2018 Swap 1 was recorded within other accrued expenses and the 2018 Swap 2 was recorded within other non-current liabilities on the accompanying Condensed Consolidated Balance Sheets.

The contingent consideration represents future potential earn-out payments related to the Resharp acquisition in fiscal 2019 and the Instafob acquisition in the first quarter of 2020. The estimated fair value of the contingent earn-outs was determined using a Monte Carlo analysis examining the frequency and mean value of the resulting earn-out payments. The resulting value captures the risk associated with the form of the payout structure. The risk neutral method is applied, resulting in a value that captures the risk associated with the form of the payout structure and the projection risk. The carrying amount of the liability may fluctuate significantly and actual amounts paid may be materially different from the estimated value of the liability. As of March 27, 2021, the total contingent consideration was recorded as \$417 of other accrued expenses and \$13,780 in other non-current liabilities on the Condensed Consolidated Balance Sheets. As of December 26, 2020, the total contingent consideration was recorded as \$417 of other accrued expenses and \$13,780 in other non-current liabilities on the Condensed Consolidated Balance Sheets. There were no material updates to the Monte Carlo analysis projections applicable to the liability valuation as of March 27, 2021 compared to December 26, 2020.

The fair value of the Company's fixed rate senior notes and junior subordinated debentures as of March 27, 2021 and December 26, 2020 were determined by utilizing current trading prices obtained from indicative market data. As a result, the fair value measurements of the Company's senior term notes and debentures are considered to be Level 2.

	March 27, 2021		December 26, 2020	
	Carrying Amount	Estimated Fair Value	Carrying Amount	Estimated Fair Value
6.375% Senior Notes	\$328,611	\$330,413	\$328,333	\$327,525
Junior Subordinated Debentures	122,891	113,344	123,295	128,022

Cash, accounts receivable, accounts payable, and accrued liabilities are reflected in the Condensed Consolidated Financial Statements at book value, which approximates fair value, due to the short-term nature of these instruments. The carrying amount of the long-term debt under the revolving credit facility approximates the fair value at March 27, 2021 and December 26, 2020 as the interest rate is variable and approximates current market rates. The Company also believes the carrying amount of the long-term debt under the senior term loan approximates the fair value at March 27, 2021 and December 26, 2020 because, while subject to a minimum LIBOR floor rate, the interest rate approximates current market rates of debt with similar terms and comparable credit risk.

13. Earnings per share

Basic earnings per share is computed based on the weighted-average number of shares of common stock outstanding during the period. Diluted earnings per share include the dilutive effect of stock options and restricted stock awards. The following is a reconciliation of the basic and diluted earnings per share ("EPS") computations for both the numerator and denominator (in thousands, except per share data):

	Thirteen weeks ended March 27, 2021		
	Earnings (Numerator)	Shares (Denominator)	Per Share Amount
Net loss	\$ (8,970)	553	\$ (16)
Dilutive effect of stock options	\$ —	—	\$ —
Net loss per diluted common share	\$ (8,970)	553	\$ (16)

	Thirteen weeks ended March 28, 2020		
	Earnings (Numerator)	Shares (Denominator)	Per Share Amount
Net loss (as restated)	\$ (14,804)	544	\$ (27)
Dilutive effect of stock options	\$ —	—	\$ —
Net loss per diluted common share	<u>\$ (14,804)</u>	<u>544</u>	<u>\$ (27)</u>

Stock options outstanding totaling 85 thousand and 83 thousand were excluded from the computation as of March 27, 2021 and March 28, 2020, respectively, as they would have had an antidilutive effect under the treasury stock method.

14. Segment Reporting:

The Company's segment reporting structure uses the Company's management reporting structure as the foundation for how the Company manages its business. The Company periodically evaluates its segment reporting structure in accordance with ASC 350-20-55 and has concluded that it has three reportable segments as of March 27, 2021: Hardware and Protective Solutions, Robotics and Digital Solutions, and Canada. The Company evaluates the performance of its segments based on revenue and income (loss) from operations, and does not include segment assets nor non-operating income/expense items for management reporting purposes.

The table below presents revenues and income (loss) from operations for our reportable segments for the thirteen weeks ended March 27, 2021 and thirteen weeks ended March 28, 2020.

	Thirteen Weeks Ended March 27, 2021	Thirteen Weeks Ended March 28, 2020

15. Subsequent Events:

The Company evaluated subsequent events through May 18, 2021, the date these financial statements were issued. Other than the item discussed below, there were no material subsequent events that required recognition or additional disclosure in these financial statements.

On April 16, 2021, the Company completed the acquisition of OZCO Building Products ("OZCO"), a leading manufacturer of superior quality hardware that offers structural fasteners and connectors used for decks, fences and other outdoor structures. The Company entered into an amendment ("OZCO Amendment") to the term loan credit agreement dated May 31, 2018, which provided \$35,000 of incremental term loan funds to be used to finance the acquisition.

ARTICLE II THE MERGER

Section 2.1 Effective Times. Pursuant to the terms and subject to the conditions of this Agreement, on the Closing Date the Company and Merger Sub shall cause the Merger to be consummated by filing the Certificate of Merger with the Secretary of State of the State of Delaware, in accordance with the applicable provisions of the DGCL (the time of such filing, or such later time as may be agreed in writing by the Company and Parent and specified in the Certificate of Merger, being the “*Effective Time*”).

Section 2.2 The Merger. At the Effective Time, upon the terms and subject to the conditions of this Agreement and in accordance with the applicable provisions of the DGCL, Merger Sub and the Company shall consummate the Merger, pursuant to which Merger Sub shall be merged with and into the Company, following which the separate corporate existence of Merger Sub shall cease and the Company shall continue as the Surviving Corporation after the Merger and as a direct, wholly-owned subsidiary of Parent. References to the Company for periods after the Effective Time shall include the Surviving Corporation.

Section 2.3 Effect of the Merger. At the Effective Time, the effect of the Merger shall be as provided in this Agreement, the Certificate of Merger and the applicable provisions of the DGCL. Without limiting

the generality of the foregoing, and subject thereto, at the Effective Time, all the property, rights, privileges, agreements, powers and franchises, debts, liabilities, duties and obligations of Merger Sub and the Company shall become the property, rights, privileges, agreements, powers and franchises, debts, liabilities, duties and obligations of the Surviving Corporation, which shall include the assumption by the Surviving Corporation of any and all agreements, covenants, duties and obligations of Merger Sub and the Company set forth in this Agreement to be performed after the Effective Time.

Section 2.4 Governing Documents. Subject to Section 6.13, at the Effective Time, the certificate of incorporation and bylaws of the Surviving Corporation shall be amended to read the same as the certificate of incorporation and bylaws of Merger Sub as in effect immediately prior to the Effective Time, except that the name of the Surviving Corporation shall be “HMAN Group Holdings Inc.”.

Section 2.5 Directors and Officers of the Surviving Corporation. Immediately after the Effective Time, the initial board of directors and executive officers of the Surviving Corporation shall be the board of directors and executive officers of the Company immediately prior to the Effective Time.

Section 2.6 Effect of the Merger on the Company Common Stock Upon the terms and subject to the conditions of this Agreement, at the Effective Time, by virtue of the Merger and without any further action on the part of Parent, Merger Sub, the Company, the Company Stockholders or the holders of any of the securities of Parent, the following shall occur:

(a) Each share of Company Common Stock (other than Dissenting Shares and Excluded Shares) issued and outstanding immediately prior to the Effective Time will be cancelled and automatically deemed for all purposes to represent the right to receive a portion of the Aggregate Stock Consideration, with each Company Stockholder being entitled to receive with respect to each such share of Company Common Stock, the Closing Stock Per Share Amount, without interest, upon surrender of stock certificates representing all of such Company Stockholder’s Company Common Stock (each, a “*Certificate*”) (or affidavits of loss in lieu of the Certificates as provided in Section 2.8(g)) and delivery of the other documents required pursuant to Section 2.8. As of the Effective Time, each share of Company Common Stock shall cease to exist and shall no longer be outstanding, and each Company Stockholder shall cease to have any other rights in and to the Company or the Surviving Corporation, and each Certificate relating to the ownership of shares of Company Common Stock (other than Excluded Shares) shall thereafter represent only the right to receive the applicable portion of the Aggregate Stock Consideration, if any, contemplated by this Section 2.6(a).

(b) No fraction of a share of Parent Common Stock will be issued by virtue of the Merger, and each Company Stockholder who would otherwise be entitled to a fraction of a share of Parent Common Stock (after aggregating all fractional shares of Parent Common Stock that otherwise would be received by such Company Stockholder) shall receive from Parent, in lieu of such fractional share (i) one share of Parent Common Stock if the aggregate amount of fractional shares of Parent Common Stock such Company Stockholder would otherwise be entitled to is equal to or exceeds 0.50; or (ii) no shares of Parent Common Stock if the aggregate amount of fractional shares of Parent Common Stock such Company Stockholder would otherwise be entitled to is less than 0.50.

(c) Each issued and outstanding share of common stock of Merger Sub shall be converted into and become one validly issued, fully paid and nonassessable share of common stock, par value \$0.01 per share, of the Surviving Corporation, which shall constitute the only outstanding shares of capital stock of the Surviving Corporation. From and after the Effective Time, all certificates representing the common stock of Merger Sub shall be deemed for all purposes to represent the number of shares of common stock of the Surviving Corporation into which they were converted in accordance with the immediately preceding sentence.

(d) Each share of Company Capital Stock held in the Company’s treasury or owned by Parent, Merger Sub or the Company immediately prior to the Effective Time (each an “*Excluded Share*”), shall be cancelled and no consideration shall be paid or payable with respect thereto.

(e) The numbers of shares of Parent Common Stock that the Company Stockholders are entitled to receive as a result of the Merger and as otherwise contemplated by this Agreement shall be adjusted to reflect appropriately the effect of any stock split, split-up, reverse stock split, stock dividend

or distribution (including any dividend or distribution of securities convertible into Parent Class A Common Stock), extraordinary cash dividend, reorganization, recapitalization, reclassification, combination, exchange of shares or other like change with respect to Parent Class A Common Stock occurring on or after the date hereof and prior to the Closing.

Section 2.7 Effect of the Merger on the Company Options and Restricted Stock

(a) At the Effective Time, each Company Option that is outstanding immediately prior to the Effective Time, whether vested or unvested, shall, automatically and without any required action on the part of any holder or beneficiary thereof, be assumed by Parent and converted into an option to purchase shares of Parent Common Stock (each, a “*Parent Option*”). Each Parent Option shall continue to have and be subject to substantially the same terms and conditions as were applicable to such Company Option immediately prior to the Effective Time (including expiration date, vesting conditions, and exercise provisions), except that (i) each Parent Option shall be exercisable for that number of shares of Parent Common Stock equal to the product (rounded down to the nearest whole number) of (A) the number of shares of Company Common Stock subject to the Company Option immediately prior to the Effective Time multiplied by (B) the Closing Stock Per Option Amount; (ii) the per share exercise price for each share of Parent Common Stock issuable upon exercise of the Parent Option shall be equal to the quotient (rounded up to the nearest whole cent) obtained by dividing (A) the exercise price per share of Company Common Stock subject to such Company Option immediately prior to the Effective Time by (B) the Closing Stock Per Option Amount; (iii) the Company Board (or the compensation committee of the Company Board) may appropriately adjust the performance conditions applicable to certain of the Parent Options; and (iv) the Company Board (or the compensation committee of the Company Board) may make such other immaterial administrative or ministerial changes to the Parent Options as it may determine in good faith are appropriate to effectuate the administration of the Parent Options and to ensure consistency with the administrative and ministerial provisions of the New Parent Incentive Equity Plan; provided, however, that the exercise price and the number of shares of Parent Common Stock purchasable under each Parent Option shall be determined in a manner intended to comply with the requirements of Section 409A of the Code; and provided, further, that in the case of any Company Option to which Section 422 of the Code applies, the exercise price and the number of shares of Parent Common Stock purchasable under such Parent Option shall be determined in accordance with the foregoing in a manner that satisfies the requirements of Section 424(a) of the Code.

(b) At the Effective Time, by virtue of the Merger and without any action on the part of any holder of Company Restricted Stock, each share of unvested Company Restricted Stock that is outstanding immediately prior to the Effective Time shall be cancelled and converted into the right to receive a number of shares of restricted Parent Class A Common Stock (each, “*Parent Restricted Stock*”) equal to the Closing Stock Per Restricted Share Amount with substantially the same terms and conditions as were applicable to the related share of Company Restricted Stock immediately prior to the Effective Time (including with respect to vesting and termination-related provisions), except that (i) any per-share repurchase price of such Parent Restricted Stock shall be equal to the quotient obtained by dividing (A) the per-share repurchase price applicable to the Company Restricted Stock, by (B) the Closing Per Stock Restricted Share Amount, rounded up to the nearest cent and (ii) the Company Board (or the compensation committee of the Company Board) may make such other immaterial administrative or ministerial changes to the Parent Restricted Stock as it may determine in good faith are appropriate to effectuate the administration of the Parent Restricted Stock and to ensure consistency with the administrative and ministerial provisions of the New Parent Incentive Equity Plan.

(c) At the Effective Time, each Company RSU that is outstanding immediately prior to the Effective Time, shall, automatically and without any required action on the part of any holder or beneficiary thereof, be assumed by Parent and converted into a restricted stock unit in respect of shares of Parent Common Stock (each, a “*Parent RSU*”). Each Parent RSU shall continue to have and be subject to substantially the same terms and conditions as were applicable to such Company RSU immediately prior to the Effective Time (including with respect to vesting and termination-related provisions), except that (i) each Parent RSU shall represent the right to receive (subject to vesting) that number of shares of Parent Common Stock equal to the product (rounded up to the nearest whole

number) of (A) the number of shares of Company Common Stock underlying the Company RSU immediately prior to the Effective Time multiplied by (B) the Company RSU Exchange Ratio; and (ii) the Company Board (or the compensation committee of the Company Board) may make such other immaterial administrative or ministerial changes to the Parent RSUs as it may determine in good faith are appropriate to effectuate the administration of the Parent RSUs and to ensure consistency with the administrative and ministerial provisions of the New Parent Incentive Equity Plan.

(d) The Company shall take all necessary actions to effect the treatment of Company Options, Company Restricted Stock and Company RSUs pursuant to this Section 2.7 in accordance with the Company Incentive Plan and any applicable award agreement and to ensure that no Company Option may be exercised prior to the effective date of an applicable Form S-8 (or other applicable form, including Form S-1 or Form S-3) of Parent. The Company Board shall amend the Company Incentive Plan and take all other necessary actions, effective as of immediately prior to the Closing, in order to (i) cancel any remaining unallocated share reserve under the Company Incentive Plan and provide that shares of Company Common Stock in respect of Company Awards that for any reason become re-eligible for future issuance, shall be cancelled, (ii) provide that no new Company Award will be granted under the Company Incentive Plan, and (iii) make such other immaterial administrative or ministerial changes to the Company Incentive Plan as the Company Board (or the compensation committee of the Company Board) may determine in good faith are appropriate to effectuate the administration of the Company Incentive Plan and any outstanding awards following the Closing.

Section 2.8 Surrender of Company Certificates and Disbursement of Closing Consideration.

(a) Not less than five Business Days prior to the Effective Time, Parent shall appoint a commercial bank or trust company (the “*Exchange Agent*”) for the purpose of exchanging the Certificates for each eligible Company Stockholder’s portion of the Aggregate Stock Consideration.

(b) At the Effective Time, Parent shall make available the Closing Stock Per Share Amounts for the Company Stockholders. Such equity deposited with the Exchange Agent shall be referred to in this Agreement as the “*Exchange Fund*”. At the Effective Time, Parent shall deliver irrevocable instructions to the Exchange Agent to deliver the Aggregate Stock Consideration out of the Exchange Fund in the manner it is contemplated to be issued or paid pursuant to this Article II.

(c) Promptly following the receipt of the Parent Stockholder Approval (and in any event within five Business Days thereafter), the Exchange Agent shall mail to each Company Stockholder (other than holders of Dissenting Shares or of Excluded Shares) (i) a letter of transmittal in the form attached hereto as Exhibit F (the “*Letter of Transmittal*”) which shall include provisions substantially similar to Section 6.19(b) and Section 10.1 and specify that delivery shall be effected, and risk of loss and title to the Certificates shall pass, only upon delivery of the Certificates (or affidavits of loss in lieu of the Certificates as provided in Section 2.8(g)) to the Exchange Agent; and (ii) instructions for surrendering the Certificates (or affidavits of loss in lieu of the Certificates as provided in Section 2.8(g)) to the Exchange Agent (the “*Surrender Documentation*”). Upon surrender of a Certificate (or affidavit of loss in lieu of the Certificate as provided in Section 2.8(g)) to the Exchange Agent in accordance with the terms of the Surrender Documentation, together with the delivery of a properly completed and duly executed Letter of Transmittal, the Exchange Agent will deliver to the holder of such Certificate in exchange therefor such holder’s portion of the Aggregate Stock Consideration, with any Closing Stock Per Share Amount being delivered via book-entry issuance, less any required Tax withholdings as provided in Section 2.10; provided, however, that if the holder of such Certificate delivers to the Exchange Agent the Surrender Documentation with respect to such Company Stockholder’s Certificates prior to the Effective Time, the Exchange Agent shall deliver to the holder of such Certificate in exchange therefor such holder’s portion of the Aggregate Stock Consideration covered by such Surrender Documentation in accordance with clauses (A) and (B) of this sentence at the Effective Time or as promptly as practicable thereafter. The Certificate so surrendered shall forthwith be cancelled. Until so surrendered, each Certificate shall represent from and after the Effective Time for all purposes only the right to receive the applicable portion of the Aggregate Stock Consideration attributable to such Certificate. No interest will be paid or accrued on any amount payable upon due surrender of the Certificates. In the event of a transfer of ownership of shares of Company Common Stock that is not registered in the transfer records of the Company, the applicable portion of the Aggregate Stock

Consideration to be delivered upon due surrender of the Certificate may be issued to such transferee if the Certificate formerly representing such shares of Company Common Stock is presented to the Exchange Agent, accompanied by all documents required to evidence and effect such transfer and to evidence that any applicable stock Transfer Taxes have been paid or are not applicable.

(d) Parent shall cause the Exchange Agent to mail, concurrently with the mailing of the Letters of Transmittal in accordance with Section 2.8(c), to each holder of any Company Options, unvested Company Restricted Stock or Company RSUs, a letter of transmittal which shall specify that the delivery of the Parent Options, Parent Restricted Stock or Parent RSUs, as applicable, shall be effected in exchange for the Company Options, unvested Company Restricted Stock and Company RSUs upon the Effective Time, such letter of transmittal and any additional materials contemplated thereby to be in such form and have such other provisions as Parent and the Stockholder Representative may reasonably agree. The Company shall use commercially reasonable efforts to obtain a duly executed acknowledgment of such letter of transmittal from each holder of any Company Options, unvested Company Restricted Stock or Company RSUs prior to the Closing.

(e) From and after the Effective Time, there shall be no transfers on the stock transfer books of the Company of the shares of Company Capital Stock that were outstanding immediately prior to the Effective Time. If, after the Effective Time, any Certificate is presented to the Surviving Corporation, Parent or the Exchange Agent for transfer, it shall be cancelled and deemed exchanged for (without interest and after giving effect to any required Tax withholdings as provided in Section 2.10) the portion of the Aggregate Stock Consideration represented by such Certificate.

(f) Any portion of the Exchange Fund (including the proceeds of any investments of the Exchange Fund) that remains unclaimed by the Company Stockholders for 180 days after the Effective Time shall be delivered to the Surviving Corporation. Any Company Stockholder who has not theretofore complied with this Section 2.8 shall thereafter look only to the Surviving Corporation for payment of their respective portion of the Aggregate Stock Consideration (after giving effect to any required Tax withholdings as provided in Section 2.10) upon due surrender of its Certificates (or affidavits of loss in lieu of the Certificates as provided in Section 2.8(g)), without any interest thereon. Notwithstanding the foregoing, none of the Surviving Corporation, Parent, the Exchange Agent or any other Person shall be liable to any former Company Stockholder for any amount properly delivered to a public official pursuant to applicable abandoned property, escheat or similar Legal Requirements.

(g) In the event any Certificate shall have been lost, stolen or destroyed (i) upon the making of an affidavit of that fact by the Person claiming such Certificate to be lost, stolen or destroyed; and (ii) if required by Parent, the posting by such Person of a bond in customary amount and upon such terms as may be required by Parent as indemnity against any claim that may be made against it, the Surviving Corporation with respect to such Certificate, the Exchange Agent will issue the portion of the Aggregate Stock Consideration attributable to such Certificate (after giving effect to any required Tax withholdings as provided in Section 2.10).

Section 2.9 Appraisal and Dissenter's Rights.

(a) Notwithstanding anything to the contrary contained in this Agreement, and to the extent available under the DGCL, shares of Company Capital Stock that are outstanding immediately prior to the Effective Time and that are held by Company Stockholders who shall have neither voted in favor of the Merger nor consented thereto in writing and who shall have demanded properly in writing appraisal for such Company Capital Stock in accordance with Section 262 of the DGCL and otherwise complied with all of the provisions of the DGCL relevant to the exercise and perfection of dissenters' rights shall not be converted into, and any such Company Stockholder shall have no right to receive, any portion of the Aggregate Stock Consideration unless and until such Company Stockholder fails to perfect or withdraws or otherwise loses its right to appraisal and payment under the DGCL. Any Company Stockholder who fails to perfect or who effectively withdraws or otherwise loses its rights to appraisal of such shares of Company Capital Stock under Section 262 of the DGCL shall thereupon be deemed to have been converted into, and to have become exchangeable for, as of the Effective Time, the right to receive the applicable portion of the Aggregate Stock Consideration, without any interest

thereon, upon surrender, in the manner provided in this Article II, of the Certificates that formerly evidenced such shares of Company Capital Stock.

(b) Prior to the Closing, the Company shall give Parent (i) prompt notice of any demands for appraisal received by the Company and any withdrawals of such demands, and (ii) the opportunity to participate in all negotiations and proceedings with respect to demands for appraisal under the DGCL. The Company shall not, except with the prior written consent of Parent (which consent shall not be unreasonably withheld), make any payment with respect to any demands for appraisal or offer to settle or settle any such demands.

Section 2.10 Withholding Taxes. Notwithstanding anything in this Agreement to the contrary, Parent, Merger Sub, the Company, the Surviving Corporation, the Exchange Agent and their respective Affiliates and agents shall be entitled to deduct and withhold from any amount otherwise payable pursuant to this Agreement any amount required to be deducted and withheld with respect to the making of such payment under the Code, or any provision of state, local, or foreign Tax Legal Requirements; provided, that the withholding party shall use commercially reasonable efforts to give prompt notice of its intent to withhold (other than with respect to compensatory amounts, subject to payroll reporting and withholding, including any required withholdings in respect of Company Awards for income, employment and similar Taxes) to the Stockholder Representative, and the Parties shall cooperate in good faith to establish any eligibility for an exemption from or reduction in such withholding. Such notification shall include an identification of the provisions of Tax law that the applicable withholding agent believes require such deduction or withholding. To the extent that amounts are so deducted or withheld and paid over to the appropriate Governmental Entity, such withheld amounts shall be treated for all purposes of this Agreement as having been paid to the Person in respect of which such deduction or withholding was made.

Section 2.11 Taking of Necessary Action; Further Action. If, at any time after the Effective Time, any further action is necessary or desirable to carry out the purposes of this Agreement and to vest the Surviving Corporation following the Merger with full right, title and possession to all assets, property, rights, privileges, powers and franchises of the Company, then the Surviving Corporation, Merger Sub and their respective officers and directors are fully authorized in the name of their respective corporations or otherwise to take, and will take, all such lawful and necessary action, so long as such action is not inconsistent with this Agreement.

Section 2.12 Stockholder Representative Expenses. At least three Business Days prior to the Closing Date, the Stockholder Representative may provide to Parent a written estimate of the aggregate amount of the fees and expenses incurred, or that the Stockholder Representative reasonably believes in good faith will in the future be incurred, by the Stockholder Representative on behalf of the Company Stockholders in connection with the preparation, negotiation and execution of this Agreement or the consummation of the Transactions in its capacity as the Stockholder Representative (such fees and expenses, the “*Stockholder Representative Expenses*”). On the Closing Date, Parent shall pay to the Stockholder Representative or to such other Persons (and in such amounts) as may be designated by the Stockholder Representative, by wire transfer to an account or accounts designated by the Stockholder Representative in writing at least three Business Days prior to the Closing Date, immediately available funds in the amount of such Stockholder Representative Expenses and such amount shall be included in the Company Transaction Costs.

Section 2.13 Tax Treatment of the Merger.

(a) For U.S. federal income tax purposes (and for purposes of any applicable state or local Tax law that follows the U.S. federal income tax treatment), the Parties will, and will cause their respective Affiliates to, prepare and file all Tax Returns consistent with the treatment of the Merger as a “reorganization” within the meaning of Section 368(a) of the Code (or comparable provision of state and local Tax law) and will not take any inconsistent position on any Tax Return, or during the course of any audit, litigation or other proceeding with respect to Taxes, unless required to do so pursuant to a “determination” within the meaning of Section 1313(a) of the Code (or comparable provision of state or local law, as applicable).

(b) Parent and the Company hereby adopt this Agreement as a “plan of reorganization” within the meaning of Treasury Regulations Sections 1.368-2(g) and 1.368-3(a). From the date hereof through

the Closing, and following the Closing, the Parties shall not knowingly, and shall not knowingly permit or cause their respective Affiliates to, take any action, or fail to take any action, which action or failure to act would reasonably be expected to prevent the Merger qualifying for the Intended Tax Treatment.

ARTICLE III REPRESENTATIONS AND WARRANTIES REGARDING THE COMPANY

Except (a) as set forth in the letter dated as of the date of this Agreement delivered by the Company to Parent and Merger Sub prior to or in connection with the execution and delivery of this Agreement (the “**Company Disclosure Letter**”) and (b) as disclosed in the Hillman SEC Reports filed with the SEC prior to the date of this Agreement (to the extent the qualifying nature of such disclosure is readily apparent from the content of such Hillman SEC Reports) excluding disclosures referred to in “Forward-Looking Statements”, “Risk Factors” and any other disclosures therein to the extent they are of a predictive or cautionary nature or related to forward-looking statements, the Company hereby represents and warrants to Parent and Merger Sub as of the date hereof and as of the Closing Date as follows:

Section 3.1 Organization and Qualification. The Company is a corporation duly incorporated, validly existing and in good standing under the Legal Requirements of the State of Delaware and has all requisite corporate power and authority to own, lease and operate its assets and properties and to carry on its business as it is now being conducted. The Company is duly licensed or qualified to do business in each jurisdiction in which the ownership of its property or the character of its activities is such as to require it to be so licensed or qualified, except where the failure to be so licensed or qualified or in good standing would not, individually or in the aggregate, reasonably be expected to be material to the Group Companies, taken as a whole. Complete and correct copies of the Organizational Documents of the Company as amended and in full force and effect as of the date hereof, have been made available to Parent or its Representatives.

Section 3.2 Company Subsidiaries.

(a) The Company’s direct and indirect Subsidiaries, together with their jurisdiction of incorporation or organization, as applicable, are listed on Section 3.2(a) of the Company Disclosure Letter (the “**Company Subsidiaries**”). Each Company Subsidiary has been duly formed or organized and is validly existing under the Legal Requirements of its respective jurisdiction of incorporation or organization and has the requisite power and authority to own, lease and operate its assets and properties and to conduct its business as now being conducted, except where the failure to be so formed, organized or existing, or to have such power and authority, would not, individually or in the aggregate, reasonably be expected to be material to the Group Companies, taken as a whole. The Company has previously provided to Parent or its Representatives true and complete copies of the Organizational Documents of each Company Subsidiary, as amended and currently in effect.

(b) Each Company Subsidiary is duly licensed or qualified to do business and, where applicable, is in good standing as a foreign corporation (or other entity, if applicable) in each jurisdiction in which it is conducting business, or the operation, ownership or leasing of its property or the character of its activities is such as to require it to be so licensed or qualified, except where the failure to be so licensed or qualified or in good standing would not, individually or in the aggregate, reasonably be expected to be material to the Group Companies, taken as a whole.

Section 3.3 Capitalization.

(a) The authorized capital stock of the Company consists of: (i) 1,800,000 shares of Company Common Stock, of which 553,254 shares are issued and outstanding; and (ii) 200,000 shares of the Company’s preferred stock, par value \$0.01 per share, of which no shares are issued and outstanding. All of the issued and outstanding shares of Company Capital Stock have been duly authorized and validly issued and are fully paid and nonassessable and have not been issued in violation of any preemptive or similar rights. Each share of Company Capital Stock has been issued in compliance in all material respects with (A) applicable Legal Requirements; and (B) the Company’s Organizational Documents. Section 3.3(a) of the Company Disclosure Letter contains a true and correct list of all Company Capital Stock and any other securities of the Company owned by each Company Stockholder.

(b) As of the date of this Agreement, (i) Company Options to purchase 87,238 shares of Company Common Stock, (ii) 1,071.5 shares of Company Restricted Stock, and (iii) 1,431 Company RSUs are outstanding. Section 3.3(b) of the Company Disclosure Letter includes a true and complete list of each Person who, as of the date of this Agreement, holds a Company Award, including the type of Company Award, the number of shares of Company Common Stock comprised thereof or subject thereto, vesting schedule and, if applicable, the exercise price thereof. All Company Options and shares of Company Restricted Stock are evidenced by award agreements in substantially the forms previously made available to Parent, and no Company Option, share of Company Restricted Stock or Company RSU is subject to terms that are materially different from those set forth in such forms. Each Company Option, each share of Company Restricted Stock, and each Company RSU was validly granted or issued and properly approved by, the Company Board (or appropriate committee thereof). Each Company Option has been granted with an exercise price that is intended to be no less than the fair market value of the underlying Company Common Stock on the date of grant, as determined in accordance with Section 409A of the Code or Section 422 of the Code, if applicable. Each Company Option is intended to either qualify as an “incentive stock option” under Section 422 of the Code or to be exempt under Section 409A of the Code.

(c) Except as otherwise set forth in this Section 3.3 or in Section 3.3(c) of the Company Disclosure Letter, the Company has not granted any stock appreciation, phantom stock, stock-based performance unit, profit participation, restricted stock, restricted stock unit or other equity-based compensation award or similar rights with respect to the Company, any outstanding options, warrants, rights or other securities convertible into or exchangeable or exercisable for shares of the Company Common Stock, or any other commitments or agreements providing for the issuance of additional shares, the sale of treasury shares, or for the repurchase or redemption of shares of Company Common Stock, and there are no agreements of any kind which may obligate the Company to issue, purchase, register for sale, redeem or otherwise acquire any of its capital stock. Except for this Agreement and the Stockholder Agreement, there are no registration rights, and there is no voting trust, proxy, rights plan, anti-takeover plan or other agreements or understandings with respect to the shares of Company Common Stock.

(d) The outstanding shares of capital stock (or other equity interests) of each of the Company Subsidiaries have been duly authorized and validly issued and (if applicable) are fully paid and nonassessable (where such concepts are applicable) and have not been issued in violation of any preemptive or similar rights. The Company or one or more of its wholly owned Subsidiaries own of record and beneficially all the issued and outstanding shares of capital stock (or other equity interests) of such Company Subsidiaries free and clear of any Liens except for (i) any restrictions on sales of securities under applicable securities laws and (ii) Permitted Liens. There are no outstanding options, warrants, rights or other securities convertible into or exercisable or exchangeable for any shares of capital stock (or other equity interests) of such Company Subsidiaries, any other commitments or agreements providing for the issuance of additional shares (or other equity interests), the sale of treasury shares, or for the repurchase or redemption of such Company Subsidiaries' shares of capital stock (or other equity interests), or any agreements of any kind which may obligate any Company Subsidiary to issue, purchase, register for sale, redeem or otherwise acquire any of its shares of capital stock (or other equity interests). Except for the equity interests of the Company Subsidiaries set forth on Section 3.3(d) of the Company Disclosure Letter, neither the Company nor any of the Company Subsidiaries owns, directly or indirectly, any ownership, equity, profits or voting interest in any Person or have any agreement or commitment to purchase any such interest, and has not agreed and is not obligated to make nor is bound by any written, oral or other Contract, binding understanding, option, warranty or undertaking of any nature, as of the date hereof or as may hereafter be in effect under which it may become obligated to make, any future investment in or capital contribution to any other entity.

(e) Except as provided for in this Agreement, as a result of the consummation of the Transactions, no shares of capital stock, warrants, options or other securities of the Company are issuable and no rights in connection with any shares, warrants, options or other securities of the Company accelerate or otherwise become triggered (whether as to vesting, exercisability, convertibility or otherwise).

Section 3.4 Due Authorization. The Company has all requisite corporate power and authority to (a) execute, deliver and perform this Agreement and the other Transaction Documents to which it is a

party; and (b) carry out the Company's obligations hereunder and thereunder and to consummate the Transactions (including the Merger), in each case, subject to the consents, approvals, authorizations and other requirements described in Section 3.5. The execution, delivery and performance by the Company of this Agreement and the other Transaction Documents to which it is a party and the consummation by the Company of the Transactions (including the Merger) have been duly and validly authorized by all requisite action, including approval by the Company Board and, following receipt of the Company Stockholder Approval, the Company Stockholders as required by the DGCL, and no other corporate proceeding on the part of the Company is necessary to authorize this Agreement. This Agreement and the other Transaction Documents to which it is a party have been duly and validly executed and delivered by the Company and (assuming this Agreement constitutes a legal, valid and binding obligation of each of Parent and Merger Sub) constitute the legal, valid and binding obligation of the Company, enforceable against the Company in accordance with their terms, subject to applicable bankruptcy, insolvency, fraudulent conveyance, reorganization, moratorium and similar laws affecting creditors' rights generally and subject, as to enforceability, to general principles of equity (collectively, the "*Remedies Exception*").

Section 3.5 No Conflict; Governmental Consents and Filings.

(a) Subject to the receipt of the consents, approvals, authorizations and other requirements set forth in Section 3.5(b), or as set forth in Section 3.5(a) of the Company Disclosure Letter, the execution, delivery and performance of this Agreement (including the consummation by the Company of the Transactions) and the other Transaction Documents to which the Company is a party by the Company do not and will not (i) violate any provision of, or result in the breach of, any applicable Legal Requirement to which any of the Group Companies is subject or by which any property or asset of any of the Group Companies is bound; (ii) conflict with or violate the Organizational Documents of any of the Group Companies; (iii) violate any provision of or result in a breach, default or acceleration of, or require a consent under, any Company Material Contract, or terminate or result in the termination of any Company Material Contract, or result in the creation of any Lien under any Company Material Contract or upon any of the properties or assets of any of the Group Companies, or constitute an event which, after notice or lapse of time or both, would result in any such violation, breach, default, acceleration, termination or creation of a Lien; or (iv) result in a violation or revocation of any required Approvals, except to the extent that the occurrence of any of the foregoing items set forth in clauses (iii) or (iv) would not, individually or in the aggregate, reasonably be expected to be material to the Group Companies, taken as a whole.

(b) Assuming the truth and completeness of the representations and warranties of Parent contained in this Agreement, no consent, notice, approval or authorization of, or designation, declaration or filing with, any Governmental Entity is required on the part of the Company with respect to the Company's execution, delivery or performance of this Agreement, any of the other Transaction Documents to which it is a party or the consummation by the Company of the Transactions (including the Merger), except for (i) applicable requirements of the HSR Act or any similar foreign law; (ii) the filing of the Investment Canada Act Notification; (iii) any consents, notices, approvals, authorizations, designations, declarations or filings, the absence of which would not reasonably be expected to have a Company Material Adverse Effect; (iv) compliance with any applicable requirements of the securities laws; (v) as otherwise disclosed on Section 3.5(b) of the Company Disclosure Letter; and (vi) the filing of the Certificate of Merger in accordance with the DGCL.

Section 3.6 Legal Compliance; Approvals.

(a) Each of the Group Companies has during the past three years complied with, and is not currently in violation of, any applicable Legal Requirements with respect to the conduct of its business, or the ownership or operation of its business, except for failures to comply or violations which, individually or in the aggregate, have not been and are not reasonably likely to be material to the Group Companies, taken as a whole. No written, or to the Knowledge of the Company, oral notice of non-compliance with any applicable Legal Requirements has been received during the past three years by any of the Group Companies.

(b) Each Group Company is in possession of all franchises, grants, authorizations, licenses, permits, consents, certificates, approvals and orders from Governmental Entities ("*Approvals*")

necessary to own, lease and operate the properties it purports to own, operate or lease and to carry on its business as it is now being conducted, except where the failure to have such Approvals would not, individually or in the aggregate, reasonably be expected to be material to the Group Companies, taken as a whole.

Section 3.7 Hillman SEC Reports; Financial Statements

(a) Hillman has filed all forms, reports, schedules, statements and other documents, including any exhibits thereto, required to be filed or furnished by Hillman with the SEC under the Exchange Act or the Securities Act since December 30, 2017, together with any amendments, restatements or supplements thereto (all of the foregoing filed prior to the date of this Agreement, the “*Hillman SEC Reports*”), and will have filed all such forms, reports, schedules, statements and other documents required to be filed subsequent to the date of this Agreement through the Closing Date (the “*Additional Hillman SEC Reports*”). All Hillman SEC Reports, Additional Hillman SEC Reports, any correspondence from or to the SEC or NYSE Amex and all certifications and statements required by (i) Rule 13a-14 or 15d-14 under the Exchange Act; or (ii) 18 U.S.C. § 1350 (Section 906) of the Sarbanes-Oxley Act with respect to any of the foregoing (collectively, the “*Hillman Certifications*”) are available on EDGAR in full without redaction. Hillman has heretofore furnished to Parent true and correct copies of all amendments and modifications that have not been filed by Hillman with the SEC to all agreements, documents and other instruments that previously had been filed by Hillman with the SEC and are currently in effect. The Hillman SEC Reports were, and the Additional Hillman SEC Reports will be, prepared in accordance with the requirements of the Securities Act, the Exchange Act and the Sarbanes-Oxley Act, as the case may be, and the rules and regulations thereunder. The Hillman SEC Reports did not, and the Additional Hillman SEC Reports will not, at the time they were or are filed, as the case may be, with the SEC contain any untrue statement of a material fact or omit to state a material fact required to be stated therein or necessary in order to make the statements made therein, in light of the circumstances under which they were made, not misleading. The Hillman Certifications are each true and correct. Hillman maintains disclosure controls and procedures required by Rule 13a-15(e) or 15d-15(e) under the Exchange Act. As used in this Section 3.7, the term “file” shall be broadly construed to include any manner in which a document or information is furnished, supplied or otherwise made available to the SEC or NYSE Amex.

(b) Set forth on Section 3.7(b) of the Company Disclosure Letter are (i) the audited consolidated balance sheets as of December 28, 2019 and December 29, 2018 and consolidated statements of operations, changes in stockholders’ equity and cash flows of the Company and its Subsidiaries for the fiscal years ended December 28, 2019 and December 29, 2018 together with the auditor’s reports thereon; and (ii) an unaudited consolidated balance sheet and related consolidated statements of operations, changes in stockholders’ equity and cash flows for the nine months ended September 30, 2020 (the “*Balance Sheet Date*”, and the financial statements described in clauses (i) and (ii), together, the “*Financial Statements*”). The Financial Statements present fairly, in all material respects, the consolidated financial position and results of operations of the Company and its Subsidiaries as of the dates and for the periods indicated in such Financial Statements in conformity with GAAP, subject, in the case of interim financial statements, to normal recurring year-end adjustments (the effect of which will not, individually or in the aggregate, be material) and the omission of notes.

(c) The consolidated financial statements and notes contained or incorporated by reference in the Hillman SEC Reports and the financial statements and notes to be contained in or to be incorporated by reference in the Additional Hillman SEC Reports (collectively, the “*Hillman Financial Statements*”) will fairly present, the financial condition and the results of operations, changes in stockholders’ equity and cash flows of Hillman as at the respective dates of, and for the periods referred to, in the Hillman Financial Statements, all in accordance with (i) GAAP; and (ii) Regulation S-X or Regulation S-K, as applicable, subject, in the case of interim Hillman Financial Statements, to normal recurring year-end adjustments (the effect of which will not, individually or in the aggregate, be material) and the omission of notes to the extent permitted by Regulation S-X or Regulation S-K, as applicable. Hillman has no off-balance sheet arrangements that are not disclosed in the Hillman SEC Reports.

(d) The Company has established and maintained a system of internal controls. To the Knowledge of the Company, such internal controls are sufficient to provide reasonable assurance regarding the

reliability of the Company's financial reporting and the preparation of the Company's financial statements for external purposes in accordance with GAAP.

(e) There are no outstanding loans or other extensions of credit made by any Group Company to any executive officer (as defined in Rule 3b-7 under the Exchange Act) or director of any Group Company.

Section 3.8 No Undisclosed Liabilities. There is no liability, debt or obligation (absolute, accrued, contingent or otherwise) of any of the Group Companies of a type required to be reflected or reserved for on a balance sheet prepared in accordance with GAAP, except for liabilities, debts and obligations (a) provided for in, or otherwise reflected or reserved for on the Financial Statements or disclosed in the notes thereto; or (b) that have arisen since the Balance Sheet Date in the Ordinary Course which would not, individually or in the aggregate, reasonably be expected to have a Company Material Adverse Effect.

Section 3.9 Absence of Certain Changes or Events. Except as contemplated by this Agreement, since the Balance Sheet Date, (a) except as set forth on Section 3.9 of the Company Disclosure Letter, each of the Group Companies has conducted its business in the Ordinary Course in all material respects (aside from steps taken in contemplation of the transactions contemplated hereby and any conduct, practice or action taken as Pandemic Measures), and (b) there has not been any Company Material Adverse Effect and no change, event, state of facts, development or occurrence exists or has occurred which would reasonably be expected, individually or in the aggregate, to result in a Company Material Adverse Effect.

Section 3.10 Litigation. Except as set forth on Section 3.10 of the Company Disclosure Letter or as would not be material to the Group Companies, taken as a whole, as of the date hereof, there are: (a) no pending or, to the Knowledge of the Company, threatened, Legal Proceedings against any of the Group Companies or any of its properties or assets, or any of the directors or officers of any of the Group Companies in their capacity as such; (b) to the Knowledge of the Company, no facts or circumstances that would reasonably be expected to give rise to any such Legal Proceeding; (c) to the Knowledge of the Company, no pending or threatened in writing, audits, examinations or investigations by any Governmental Entity against any of the Group Companies; (d) no pending or threatened in writing Legal Proceedings by any of the Group Companies against any third party; (e) no settlement or similar agreement that imposes any material ongoing obligations or restrictions on any of the Group Companies; (f) no Orders imposed or, to the Knowledge of the Company, threatened to be imposed upon any of the Group Companies or any of their respective properties or assets, or any of the directors or officers of any of the Group Companies in their capacity as such.

Section 3.11 Company Benefit Plans.

(a) Section 3.11(a) of the Company Disclosure Letter sets forth a complete list of each material Company Benefit Plan, including all employment contracts or offer letters unless any such employment contract or offer letter (i) relates to an employee who has annual base compensation less than \$400,000; (ii) is in a form substantially similar to a form of employment contract or offer letter identified on Schedule 3.11(a) of the Company Disclosure Letter (which schedule includes a general description of groups of employees that have entered into agreements on such forms); or (iii) provides for a severance or notice period of 90 days or less or notice period of 30 days or less (other than as required by applicable Legal Requirements). "**Company Benefit Plan**" shall mean each "employee benefit plan" as defined in Section 3(3) of ERISA, and any other agreement, arrangement, plan, policy or program providing compensation or other benefits to any current or former director, officer, employee or other service provider, including employment, consulting, retirement, severance, termination or change in control agreements, deferred compensation, vacation, sick, stock option, stock purchase, stock appreciation rights, stock-based or other equity-based, incentive, bonus, supplemental retirement, profit-sharing, insurance, medical, welfare, fringe or other benefits or remuneration of any kind, whether or not in writing and whether or not funded, in each case, which is maintained, sponsored or contributed to by any Group Company, or under which any Group Company is obligated to contribute, or with respect to which the Company or any of the Company Subsidiaries or ERISA Affiliate has any obligation or liability, direct or indirect, contingent or otherwise. No Company Benefit Plan is maintained outside the jurisdiction of the United States or Canada or covers any employees or other service providers of any Group Company who reside or work outside of the United States or Canada.

(b) With respect to each material Company Benefit Plan on Section 3.11(a) of the Company Disclosure Letter, the Company has made available to Parent or its Representatives, to the extent applicable, true, correct and complete copies of (i) such Company Benefit Plan, including any amendments thereto, and any trust agreement, insurance contracts or other funding vehicles relating to such plan (or if such Company Benefit Plan is not set forth in a written document, a written description of such plan specifying its material terms); (ii) the most recent summary plan description for such Company Benefit Plan for which such summary plan description is required together with summaries of all material modifications thereto; (iii) the most recent annual report on Form 5500 and all attachments thereto filed with the Internal Revenue Service with respect to such Company Benefit Plan (if applicable); (iv) the most recent determination or opinion letter, if any, issued by the Internal Revenue Service with respect to such Company Benefit Plan; and (v) any material non-routine correspondence with any Governmental Entity regarding any Company Benefit Plan during the past three years.

(c) Except as would not, individually or in the aggregate, reasonably be expected to be material to the Group Companies, taken as a whole (i) each Company Benefit Plan has been administered in accordance with its terms and all applicable Legal Requirements, including ERISA and the Code; and (ii) all contributions required to be made with respect to any Company Benefit Plan on or before the date hereof have been made. Each Company Benefit Plan which is intended to be qualified within the meaning of Section 401(a) of the Code (A) has received a favorable determination or opinion letter as to its qualification; or (B) has been established under a standardized master and prototype or volume submitter plan for which, to the Knowledge of the Company, a current favorable Internal Revenue Service advisory letter or opinion letter has been obtained by the plan sponsors and is valid as to the adopting employer, and, to the Knowledge of the Company, nothing has occurred and no circumstances exist that would reasonably be expected to result in the loss of the qualification of such plan under Section 401(a) of the Code.

(d) No Group Company has, within the past six years, sponsored, been obligated to contribute to, or has any reasonable expectation of current or contingent liability in respect of (i) an “employee pension benefit plan” (as defined in Section 3(2) of ERISA) subject to Title IV of ERISA, Section 412 of the Code or Section 302 of ERISA (including any “multiemployer plan” within the meaning of Section (3)(37) of ERISA); (ii) a “multiple employer plan” as defined in Section 413(c) of the Code; or (iii) a “multiple employer welfare arrangement” within the meaning of Section 3(40) of ERISA.

(e) Neither the Company, any Company Benefit Plan nor, to the Knowledge of the Company, any trustee, administrator or other third-party fiduciary and/or party-in-interest thereof, has engaged in any breach of fiduciary responsibility or any non-exempt “prohibited transaction” (as such term is defined in Section 406 of ERISA or Section 4975 of the Code) to which Section 406 of ERISA or Section 4975 of the Code applies and which could subject the Company or any ERISA Affiliate to the tax or penalty on prohibited transactions imposed by Section 4975 of the Code, which, assuming the taxable period of such transaction expired as of the date hereof, could reasonably be expected to result in a material liability to the Group Companies, taken as a whole. To the Knowledge of the Company, no Group Company has, within the past six years, engaged in a transaction that is expected to result in a material civil penalty under Sections 409 or 502(i) of ERISA.

(f) Except as would not, individually or in the aggregate, reasonably be expected to be material to the Group Companies, taken as a whole, with respect to the Company Benefit Plans or their administrators or fiduciaries (i) no actions, suits or claims (other than routine claims for benefits in the Ordinary Course) are pending or, to the Knowledge of the Company, threatened; and (ii) to the Knowledge of the Company, no facts or circumstances exist that would reasonably be expected to give rise to any such actions, suits or claims.

(g) None of the Company Benefit Plans provides for, and the Group Companies have no liability in respect of, post-retiree health, welfare or life insurance benefits or coverage for any participant or any beneficiary of a participant, except as may be required under the Consolidated Omnibus Budget Reconciliation Act of 1985, as amended, or similar state or other Legal Requirements and at the sole expense of such participant or the participant’s beneficiary.

(h) Except as set forth on Section 3.11(h) of the Company Disclosure Letter, neither the execution and delivery of this Agreement, shareholder or other approval of this Agreement nor the consummation of the Transactions is reasonably expected to, either alone or in connection with any other event(s) (i) result in any payment or benefit becoming due to any current or former employee, officer, independent contractor or director of the Company or its subsidiaries or under any Company Benefit Plan; (ii) increase any amount of compensation or benefits otherwise payable to any current or former employee, officer, contractor or director of the Company or its subsidiaries or under any Company Benefit Plan; (iii) result in the acceleration of the time of payment, funding or vesting of any benefits to any current or former employee, independent contractor or director of the Company or its subsidiaries or under any Company Benefit Plan; or (iv) require the Company to transfer into trust any material benefits under any Company Benefit Plan or materially or permanently restrict the right of the Company to merge, amend or terminate any Company Benefit Plan on or after the Effective Time.

(i) Except as set forth on Section 3.11(i) of the Company Disclosure Letter, neither the execution and delivery of this Agreement nor the consummation of the Transactions shall, either alone or in connection with any other event(s), give rise to any “excess parachute payment” as defined in Section 280G(b)(1) of the Code or any excise Tax owing under Sections 409A or 4999 of the Code.

(j) The Company has no obligations to gross-up, make-whole or reimburse any current or former employee, officer, independent contractor or director of the Company for any material Taxes incurred by such individual, including under Sections 409A or 4999 of the Code or otherwise.

(k) Each Company Benefit Plan which is a “nonqualified deferred compensation plan” subject to Section 409A of the Code has been established, operated and maintained in all material respects in compliance with Section 409A of the Code.

Section 3.12 Labor Relations.

(a) No Group Company is a party to any collective bargaining agreement.

(b) To the Knowledge of the Company, there are no activities or proceedings of any labor union or other labor organization to organize any employees of the Company or any of the Company Subsidiaries and no demand for recognition or certification as the exclusive bargaining representative of any employees has been made by or on behalf of any labor union or other labor organization. Except as set forth on Section 3.12(b) of the Company Disclosure Letter, there are no pending or, to the Knowledge of the Company, threatened, and, for the past three years, there have been no strikes, pickets, work stoppages, slowdowns, or to the Knowledge of the Company, union organization activities (including, but not limited to, union organization campaigns or requests for representation), lockouts, arbitrations, or material labor grievances pending or other material organized labor disputes, or, to the Knowledge of the Company, threatened against or involving the Company involving any employee, except for those which would not, individually or in the aggregate, reasonably be expected to be material to the Group Companies, taken as a whole.

(c) Except as otherwise listed on Section 3.12(c) of the Company Disclosure Letter, as of the date hereof, there are no complaints, charges or claims against the Company pending or, to Knowledge of the Company, threatened before any Governmental Entity based on, arising out of, in connection with or otherwise relating to the employment, termination of employment or failure to employ by the Company, of any individual, except for those complaints, charges or claims which would not, individually or in the aggregate, reasonably be expected to be material to the Group Companies, taken as a whole.

(d) The Company is, and for the past three years, has been, in compliance with all Legal Requirements relating to the employment of labor, including all such Legal Requirements relating to wages (including minimum wage and overtime), hours of work, child labor, discrimination, civil rights, withholdings and deductions, classification and payment of employees and independent contractors, employment equity, the federal Worker Adjustment and Retraining Notification Act (“*WARN*”) and any similar state or local “mass layoff” or “plant closing” applicable Legal Requirement, collective bargaining, occupational health and safety, workers’ compensation, and immigration, except for instances of noncompliance which would not, individually or in the aggregate, reasonably be expected to be material to the Group Companies, taken as a whole. There has been no “mass layoff” or “plant

closing” (as defined by WARN) with respect to the Company within the past three years and no such events are reasonably expected to occur prior to Closing.

(e) During the past three years, to the Knowledge of the Company, there have been no allegations of sexual harassment, sexual misconduct, or sex-based discrimination raised, brought, threatened, or settled relating to any employee at the level of vice president or above, appointed officer or director of any Group Company involving or relating to his or her services provided to such Group Company. The policies and practices of the Group Companies comply with all federal, state, and local Legal Requirements concerning employment discrimination and employment harassment, except as would not, individually or in the aggregate, reasonably be expected to be material to the Group Companies, taken as a whole.

(f) To the Knowledge of the Company, no senior executive or other key employee of any Group Company has provided notice of his or her intention to terminate his or her employment as a result of or within the twelve-month period following the consummation of the transactions contemplated by this Agreement. To the Knowledge of the Company, no senior executive or other key employee of any Group Company is party to any confidentiality, non-competition, non-solicitation, proprietary rights or other such agreement that would materially restrict the performance of such Person’s employment duties with the Company or any Company Subsidiaries or the ability of the Company and/or any of the Company Subsidiaries to conduct its or their business.

Section 3.13 Real Property; Tangible Property.

Financing, subject solely to the terms and conditions thereof and expressly stated in the Debt Commitment Letter, and a true, accurate and complete copy of the Debt Commitment Letter has been provided to Parent. Except as set forth in the Debt Commitment Letter, there are no conditions precedent to the availability of the Debt Financing. There are no other agreements, side letters or arrangements relating to the Debt Financing to which Hillman or any of its Affiliates is a party that could impose conditions to the funding of the Debt Financing, other than those set forth in the Debt Commitment Letter.

Section 3.29 Disclaimer of Other Warranties. THE COMPANY HEREBY ACKNOWLEDGES THAT, EXCEPT AS EXPRESSLY PROVIDED IN ARTICLE IV (AS QUALIFIED BY THE PARENT DISCLOSURE LETTER AND THE DOCUMENTS REFERRED TO THEREIN) AND THE REPRESENTATIONS AND WARRANTIES IN THE TRANSACTION DOCUMENTS, NONE OF PARENT OR MERGER SUB NOR ANY OF THEIR RESPECTIVE AFFILIATES OR REPRESENTATIVES HAS MADE, IS MAKING, OR SHALL BE DEEMED TO MAKE ANY REPRESENTATION OR WARRANTY WHATSOEVER, EXPRESS OR IMPLIED, AT LAW OR IN EQUITY, TO THE COMPANY, THE COMPANY STOCKHOLDERS OR ANY OF ITS OR THEIR AFFILIATES OR REPRESENTATIVES OR ANY OTHER PERSON, WITH RESPECT TO PARENT, MERGER SUB OR ANY OF THEIR RESPECTIVE BUSINESSES, ASSETS OR PROPERTIES OF THE FOREGOING, OR OTHERWISE, INCLUDING ANY REPRESENTATION OR WARRANTY AS TO MERCHANTABILITY, FITNESS FOR A PARTICULAR PURPOSE, FUTURE RESULTS, PROPOSED BUSINESSES OR FUTURE PLANS. WITHOUT LIMITING THE FOREGOING, OTHER THAN AS EXPRESSLY MADE BY PARENT AND MERGER SUB TO THE COMPANY IN ARTICLE IV (AS QUALIFIED BY THE PARENT DISCLOSURE LETTER AND THE DOCUMENTS REFERRED TO THEREIN) AND THE REPRESENTATIONS AND WARRANTIES IN THE TRANSACTION DOCUMENTS, NONE OF PARENT, MERGER SUB NOR ANY OF THEIR RESPECTIVE AFFILIATES OR REPRESENTATIVES, HAS MADE, IS MAKING, OR SHALL BE DEEMED TO MAKE TO THE COMPANY, COMPANY STOCKHOLDERS, OR THEIR RESPECTIVE AFFILIATES OR REPRESENTATIVES OR ANY OTHER PERSON ANY REPRESENTATION OR WARRANTY, EXPRESS OR IMPLIED, WITH RESPECT TO (a) THE INFORMATION DISTRIBUTED OR MADE AVAILABLE TO THEM BY OR ON BEHALF OF PARENT OR MERGER SUB IN CONNECTION WITH THIS AGREEMENT AND THE TRANSACTIONS; (b) ANY MANAGEMENT PRESENTATION, CONFIDENTIAL INFORMATION MEMORANDUM OR SIMILAR DOCUMENT; OR (c) ANY FINANCIAL PROJECTION, FORECAST, ESTIMATE, BUDGET OR SIMILAR ITEM RELATING TO PARENT, MERGER SUB OR ANY OF THEIR BUSINESS, ASSETS, LIABILITIES, PROPERTIES, FINANCIAL CONDITION, RESULTS OF OPERATIONS AND PROJECTED OPERATIONS OF THE FOREGOING. THE COMPANY HEREBY ACKNOWLEDGES THAT IT HAS NOT RELIED ON ANY PROMISE, REPRESENTATION OR WARRANTY THAT IS NOT EXPRESSLY SET FORTH IN ARTICLE IV (AS QUALIFIED BY THE PARENT DISCLOSURE LETTER AND THE DOCUMENTS REFERRED TO THEREIN) OR IN THE REPRESENTATIONS AND WARRANTIES IN THE TRANSACTION DOCUMENTS. THE COMPANY ACKNOWLEDGES THAT IT HAS CONDUCTED, TO ITS SATISFACTION, AN INDEPENDENT INVESTIGATION AND VERIFICATION OF PARENT, MERGER SUB AND THE BUSINESS, ASSETS, LIABILITIES, PROPERTIES, FINANCIAL CONDITION, RESULTS OF OPERATIONS AND PROJECTED OPERATIONS OF THE FOREGOING AND, IN MAKING ITS DETERMINATION THE COMPANY HAS RELIED ON THE RESULTS OF ITS OWN INDEPENDENT INVESTIGATION AND VERIFICATION, IN ADDITION TO THE REPRESENTATIONS AND WARRANTIES OF THE COMPANY EXPRESSLY AND SPECIFICALLY SET FORTH IN ARTICLE IV OF THIS AGREEMENT. NOTWITHSTANDING ANYTHING TO THE CONTRARY IN THIS ARTICLE III, CLAIMS AGAINST PARENT, MERGER SUB OR ANY OTHER PERSON SHALL NOT BE LIMITED IN ANY RESPECT IN THE EVENT OF INTENTIONAL FRAUD IN THE MAKING OF THE REPRESENTATIONS AND WARRANTIES IN ARTICLE IV BY SUCH PERSON.

ARTICLE IV REPRESENTATIONS AND WARRANTIES OF PARENT AND MERGER SUB

(b) The authorized capital stock of Merger Sub consists of 5,000 shares of Merger Sub Common Stock. As of the date hereof, 100 shares of Merger Sub Common Stock are issued and outstanding. All outstanding shares of Merger Sub Common Stock have been duly authorized, validly issued, fully paid and are non-assessable and are not subject to preemptive rights, and are held by Parent free and clear of all Liens (other than any restrictions on sales of securities under applicable securities laws).

(c) Except for the Parent Public Warrants, Parent Sponsor Warrants and the Subscription Agreements, there are no outstanding options, warrants, rights, convertible or exchangeable securities, “phantom” stock rights, stock appreciation rights, stock-based performance units, commitments or Contracts of any kind to which Parent or Merger Sub is a party or by which any of them is bound obligating Parent or Merger Sub to issue, deliver or sell, or cause to be issued, delivered or sold, additional shares of Parent Capital Stock, Merger Sub Common Stock or any other shares of capital stock or other interest or participation in, or any security convertible or exercisable for or exchangeable

(f) Each holder of any of shares of Parent Capital Stock initially issued to the Sponsor in connection with Parent's initial public offering (i) is obligated to vote all of such shares of Parent Capital Stock in favor of approving the Transactions; and (ii) is not entitled to elect to redeem any of such Parent pursuant to the Parent's Organizational Documents.

(g) Except as set forth in the Parent's Organizational Documents and in connection with the Transactions, there are no registration rights, and there is no voting trust, proxy, rights plan, anti-takeover plan or other agreements or understandings to which Parent is a party or by which Parent is bound with respect to any ownership interests of Parent.

Section 4.4 Authority Relative to this Agreement Each of Parent and Merger Sub has the requisite corporate power and authority to (a) execute, deliver and perform this Agreement and the other Transaction Documents to which it is a party, and each ancillary document that it has executed or delivered or is to execute or deliver pursuant to this Agreement; and (b) carry out its obligations hereunder and thereunder and, to consummate the Transactions (including the Merger). The execution and delivery by Parent and Merger Sub of this Agreement and the other Transaction Documents to which each of them is a party, and the consummation by Parent and Merger Sub of the Transactions (including the Merger) have been duly and validly authorized by all necessary corporate or limited liability company action on the part of each of Parent and Merger Sub, and no other proceedings on the part of Parent or Merger Sub are necessary to authorize this Agreement or the other Transaction Documents to which each of them is a party or to consummate the transactions contemplated thereby, other than approval of the Parent Stockholder Matters. This Agreement and the other Transaction Documents to which each of them is a party have been duly and validly executed and delivered by Parent and Merger Sub and, assuming the due authorization, execution and delivery thereof by the other Parties, constitute the legal and binding obligations of Parent and Merger Sub (as applicable), enforceable against Parent and Merger Sub (as applicable) in accordance with their terms, except insofar as enforceability may be limited by applicable bankruptcy, insolvency, reorganization, moratorium or similar laws affecting creditors' rights generally or by principles governing the availability of equitable remedies.

Section 4.5 No Conflict; Required Filings and Consents.

(a) Neither the execution, delivery nor performance by Parent and Merger Sub of this Agreement or the other Transaction Documents to which each of them is a party, nor (assuming approval of the Parent Stockholder Matters is obtained) the consummation of the Transactions shall (i) conflict with or violate their respective Organizational Documents; (ii) assuming that the consents, approvals, orders, authorizations, registrations, filings or permits referred to in Section 4.5(b) are duly and timely obtained or made, conflict with or violate any applicable Legal Requirements; or (iii) result in any breach of or constitute a default (or an event that with notice or lapse of time or both would become a default) under, or materially impair their respective rights or alter the rights or obligations of any third party under, or give to others any rights of consent, termination, amendment, acceleration or cancellation of, or result

in the creation of a Lien (other than any Permitted Lien) on any of the properties or assets of Parent or any of its Subsidiaries pursuant to, any Parent Material Contracts, except, with respect to clause (iii), as would not, individually or in the aggregate, have a Parent Material Adverse Effect.

(b) The execution and delivery by each of Parent and Merger Sub of this Agreement and the other Transaction Documents to which it is a party, does not, and the performance of its obligations hereunder and thereunder will not, require any consent, approval, authorization or permit of, or filing with or notification to, any Governmental Entity, except (i) for the filing of the Certificate of Merger in accordance with the DGCL; (ii) for applicable requirements, if any, of the Securities Act, the Exchange Act, blue sky laws, and the rules and regulations thereunder, and appropriate documents with the relevant authorities of other jurisdictions in which Parent is qualified to do business; (iii) for the filing of any notifications required under the HSR Act and the expiration of the required waiting period thereunder; (iv) for the filing of the Investment Canada Act Notification; and (v) where the failure to obtain such consents, approvals, authorizations or permits, or to make such filings or notifications, would not, individually or in the aggregate, reasonably be expected to have a Parent Material Adverse Effect, or prevent the consummation of the Merger.

Section 4.6 Compliance; Approvals. Since its incorporation or organization, as applicable, each of Parent and Merger Sub has complied in all material respects with and has not been in violation of any applicable Legal Requirements with respect to the conduct of its business, or the ownership or operation of its business. Since the date of its incorporation or organization, as applicable, to the Knowledge of Parent, no investigation or review by any Governmental Entity with respect to Parent or any of its Subsidiaries has been pending or threatened. No written, or to the Knowledge of Parent, oral notice of non-compliance with any applicable Legal Requirements has been received by any of Parent and Merger Sub. Each of Parent and Merger Sub is in possession of all Approvals necessary to own, lease and operate the properties it purports to own, operate or lease and to carry on its business as it is now being conducted, except where the failure to have such Approvals would not, individually or in the aggregate, reasonably be expected to be material to Parent and Merger Sub, taken as a whole.

Section 4.7 Parent SEC Reports and Financial Statements.

(a) Parent has filed all forms, reports, schedules, statements and other documents, including any exhibits thereto, required to be filed or furnished by Parent with the SEC under the Exchange Act or the Securities Act since Parent's incorporation to the date of this Agreement, together with any amendments, restatements or supplements thereto (all of the foregoing filed prior to the date of this Agreement, the "**Parent SEC Reports**"), and will have filed all such forms, reports, schedules, statements and other documents required to be filed subsequent to the date of this Agreement through the Closing Date (the "**Additional Parent SEC Reports**"). All Parent SEC Reports, Additional Parent SEC Reports, any correspondence from or to the SEC or Nasdaq (other than such correspondence in connection with the initial public offering of Parent) and all certifications and statements required by (i) Rule 13a-14 or 15d-14 under the Exchange Act; or (ii) 18 U.S.C. § 1350 (Section 906) of the Sarbanes-Oxley Act with respect to any of the foregoing (collectively, the "**Parent Certifications**") are available on the SEC's Electronic Data-Gathering, Analysis and Retrieval system (EDGAR) in full without redaction. Parent has heretofore furnished to the Company true and correct copies of all amendments and modifications that have not been filed by Parent with the SEC to all agreements, documents and other instruments that previously had been filed by Parent with the SEC and are currently in effect. The Parent SEC Reports were, and the Additional Parent SEC Reports will be, prepared in accordance with the requirements of the Securities Act, the Exchange Act and the Sarbanes-Oxley Act, as the case may be, and the rules and regulations thereunder. The Parent SEC Reports did not, and the Additional Parent SEC Reports will not, at the time they were or are filed, as the case may be, with the SEC contain any untrue statement of a material fact or omit to state a material fact required to be stated therein or necessary in order to make the statements made therein, in light of the circumstances under which they were made, not misleading. The Parent Certifications are each true and correct. Parent maintains disclosure controls and procedures required by Rule 13a-15(e) or 15d-15(e) under the Exchange Act. Each director and executive officer of Parent has filed with the SEC on a timely basis all statements required with respect to Parent by Section 16(a) of the Exchange Act and the rules and

regulations thereunder. As used in this Section 4.7, the term “file” shall be broadly construed to include any manner in which a document or information is furnished, supplied or otherwise made available to the SEC or Nasdaq.

(b) The consolidated financial statements and notes contained or incorporated by reference in the Parent SEC Reports fairly present, and the financial statements and notes to be contained in or to be incorporated by reference in the Additional Parent SEC Reports will fairly present, the financial condition and the results of operations, changes in stockholders’ equity and cash flows of Parent as at the respective dates of, and for the periods referred to, in such financial statements, all in accordance with GAAP, and Regulation S-X or Regulation S-K, as applicable, subject, in the case of interim financial statements, to normal recurring year-end adjustments (the effect of which will not, individually or in the aggregate, be material) and the omission of notes to the extent permitted by Regulation S-X or Regulation S-K, as applicable. Parent has no off-balance sheet arrangements that are not disclosed in the Parent SEC Reports. No financial statements other than those of Parent are required by GAAP to be included in the consolidated financial statements of Parent.

Section 4.8 Absence of Certain Changes or Events. Except as set forth in Parent SEC Reports filed prior to the date of this Agreement, and except as contemplated by this Agreement, since the date of Parent’s initial public offering, each of Parent and Merger Sub has conducted its business in the ordinary course of business consistent with past practice and there has not been any Parent Material Adverse Effect and no change, event, state of facts, development or occurrence exists or has occurred which would reasonably be expected, individually or in the aggregate, to result in a Parent Material Adverse Effect.

Section 4.9 Litigation. There are no Legal Proceedings pending or, to the Knowledge of Parent, threatened in writing against or otherwise relating to Parent or Merger Sub, before any Governmental Entity (a) challenging or seeking to enjoining, alter or materially delay the Transactions; or (b) that would, individually or in the aggregate, reasonably be expected to be material to Parent.

Section 4.10 Business Activities. Since their respective incorporation, none of Parent or Merger Sub has conducted any business activities other than activities (a) in connection with its organization; or (b) directed toward the accomplishment of a business combination. Except as set forth in the Parent’s Organizational Documents, there is no Contract or Order binding upon Parent or Merger Sub or to which any of them is a party which has or could reasonably be expected to have the effect of prohibiting or materially impairing any business practice of it, any acquisition of property by it or the conduct of business by it as currently conducted or as currently contemplated to be conducted (including, in each case, following the Closing).

Section 4.11 Parent Material Contracts. Section 4.11 of the Parent Disclosure Letter sets forth a true, correct and complete list of each “material contract” (as such term is defined in Regulation S-K of the SEC) to which Parent or Merger Sub is party (the “*Parent Material Contracts*”), other than any such Parent Material Contract that is listed as an exhibit to Parent’s Registration Statement on Form S-1 filed in connection with Parent’s initial public offering.

Section 4.12 Parent Listing. The issued and outstanding Parent Units are registered pursuant to Section 12(b) of the Exchange Act and are listed for trading on Nasdaq under the symbol “LCYAU”. The issued and outstanding shares of Parent Class A Common Stock are registered pursuant to Section 12(b) of the Exchange Act and are listed for trading on Nasdaq under the symbol “LCY”. The issued and outstanding Parent Warrants are registered pursuant to Section 12(b) of the Exchange Act and are listed for trading on Nasdaq under the symbol “LCYAW”. Parent is a member in good standing with Nasdaq. There is no action or proceeding pending or, to the Knowledge of Parent, threatened in writing against Parent by Nasdaq or the SEC with respect to any intention by such entity to deregister the Parent Units, the shares of Parent Class A Common Stock or Parent Warrants or terminate the listing of Parent on Nasdaq. None of Parent or any of its Affiliates has taken any action in an attempt to terminate the registration of the Parent Units, the Parent Class A Common Stock or Parent Warrants under the Exchange Act.

Section 4.13 PIPE Investment. Parent has entered into the Subscription Agreements with the PIPE Investors pursuant to which the PIPE Investors have, collectively, committed to make the PIPE Investment, subject solely to the terms and conditions thereof and expressly stated therein, and a true, accurate and

complete copy of each Subscription Agreement has been provided to the Company. Except as set forth in the Subscription Agreements, there are no conditions precedent to the obligations of the PIPE Investors to provide the PIPE Investment or any contingencies that would permit the PIPE Investors to reduce the total amount of the PIPE Investment. There are no other agreements, side letters or arrangements relating to the PIPE Investment to which Parent or any of its Affiliates is a party that could impose conditions to the funding of the PIPE Investment, other than those set forth in the Subscription Agreements.

Section 4.14 Trust Account.

(a) As of January 22, 2021, Parent had approximately \$500,086,473.96 in a trust account (the “*Trust Account*”), maintained and invested pursuant to that certain Investment Management Trust Agreement (the “*Trust Agreement*”) effective as of October 8, 2020, by and between Parent and Continental Stock Transfer & Trust Company, a New York corporation (the “*Trustee*”) for the benefit of its public stockholders, with such funds invested in United States Government securities or money market funds meeting certain conditions under Rule 2a-7 promulgated under the Investment Company Act. Other than pursuant to the Trust Agreement and the Subscription Agreements, the obligations of Parent under this Agreement are not subject to any conditions regarding Parent’s, its Affiliates’, or any other Person’s ability to obtain financing for the consummation of the Transactions.

(b) The Trust Agreement has not been amended or modified and, to the Knowledge of Parent with respect to the Trustee, is valid and in full force and effect and is enforceable in accordance with its terms, except insofar as enforceability may be limited by applicable bankruptcy, insolvency, reorganization, moratorium or similar laws affecting creditors’ rights generally or by principles governing the availability of equitable remedies. Parent has complied in all material respects with the terms of the Trust Agreement and is not in breach thereof or default thereunder and there does not exist under the Trust Agreement any event which, with the giving of notice or the lapse of time, would constitute such a breach or default by Parent or, to the Knowledge of Parent, the Trustee. There are no separate Contracts, side letters or other understandings (whether written or unwritten, express or implied) (i) between Parent and the Trustee that would cause the description of the Trust Agreement in the Parent SEC Reports to be inaccurate in any material respect; or (ii) to the Knowledge of Parent, that would entitle any Person (other than stockholders of Parent holding Parent Class A Common Stock sold in Parent’s initial public offering who shall have elected to redeem their shares of Parent Class A Common Stock pursuant to Parent’s Organizational Documents) to any portion of the proceeds in the Trust Account. Prior to the Closing, none of the funds held in the Trust Account may be released except (A) to pay income and franchise Taxes from any interest income earned in the Trust Account; and (B) to redeem Parent Class A Common Stock in accordance with the provisions of Parent’s Organizational Documents. There are no Legal Proceedings pending or, to the Knowledge of Parent, threatened in writing with respect to the Trust Account.

Section 4.15 Taxes.

(a) Each of Parent and Merger Sub has timely filed, or caused to be timely filed, with the appropriate taxing authorities all income and other material Tax Returns that are required to be filed by, or with respect to, Parent or Merger Sub. Such Tax Returns are true, correct and complete in all material respects, and accurately reflect all material Liabilities for Taxes of Parent and Merger Sub, as applicable, for the periods covered thereby.

(b) All income and other material Taxes and Tax Liabilities due and payable by or with respect to the income, assets or operations of Parent and Merger Sub have been timely paid in full. All income and other material Taxes incurred but not yet due and payable (i) for periods covered by their financial statements have been accrued and adequately disclosed on such financial statements in accordance with GAAP, and (ii) for periods not covered by such financial statements have been accrued on the books and records of Parent and Merger Sub.

(c) Neither Parent nor Merger Sub has been within the past five years or is currently the subject of any audit or other examination of Taxes by the taxing authorities of any nation, state or locality (and no such audit is pending or contemplated) that in either case has not been resolved nor has Parent or Merger Sub received any written notices from any taxing authority relating to any issue which could reasonably be expected to materially affect the Tax Liability of Parent or Merger Sub.

(d) All material amounts of Taxes that Parent or Merger Sub is, or was, required by applicable Legal Requirements to withhold or collect in connection with amounts paid or owing to any employee, independent contractor, creditor, stockholder, member or other third party have been duly withheld or collected, and have been timely paid over to the proper authorities to the extent due and payable. Parent and Merger Sub have complied in all material respects with all applicable Legal Requirements with respect thereto.

(e) No unresolved written claim has been made by any taxing authority in a jurisdiction where Parent or Merger Sub does not file Tax Returns that Parent or Merger Sub is or may be subject to taxation by that jurisdiction.

(f) Parent is not and was not a “United States real property holding corporation” within the meaning of Section 897(c)(2) of the Code at any time during the five-year period ending on the Closing Date.

(g) Neither Parent nor Merger Sub has entered into an agreement or waiver (that has not expired) or has been requested to enter into an agreement or waiver extending any statute of limitations relating to the payment or collection of material Taxes of Parent or Merger Sub.

(h) Neither Parent nor Merger Sub has been included in any “consolidated,” “unitary” or “combined” Tax Return provided for under the laws of the United States, any non-U.S. jurisdiction or any state, province, prefect or locality for any taxable period for which the statute of limitations has not expired (other than a group the common parent of which is or was Parent or Merger Sub). Neither Parent nor Merger Sub has any Liability for the Taxes of another Person (other than Parent or Merger Sub) pursuant to Treasury Regulation Section 1.1502-6 (or any similar provision of state, local or non-U.S. Tax law) or as a transferee or a successor or as a result of a contractual obligation to indemnify any Person.

(i) There are no Tax sharing, allocation, indemnification or similar agreements in effect as between Parent, Merger Sub or any predecessor or Affiliate thereof and any other Person under which Parent, the Company or any Company Subsidiary could be liable for any material Taxes or other claims of any Person (other than (i) any customary commercial agreement entered into in the ordinary course and not primarily concerning Taxes or (ii) any agreement solely among Parent and Merger Sub).

(j) During the two-year period ending on the date of this Agreement, neither Parent nor Merger Sub was a distributing corporation or a controlled corporation in a transaction intended to be governed by Section 355 of the Code.

(k) Neither Parent nor Merger Sub will be required to include any material item of income in, or exclude any material item of deduction from, taxable income for any taxable period (or portion thereof) ending after the Closing Date as a result of any of the following that occurred or existed on or prior to the Closing Date (in each case where there is a reference to the Code or Treasury Regulations, including any corresponding or similar provision of state, local or non-U.S. income Tax law) (i) a ruling by, or written agreement with, a taxing authority, including any closing agreement pursuant to Section 7121 of the Code, (ii) a prepaid amount or deferred revenue received outside the ordinary course, (iii) an intercompany item under Treasury Regulation Section 1.1502-13 or an excess loss account under Treasury Regulation Section 1.1502-19, (iv) a change in accounting method pursuant to Section 481 of the Code, (v) an installment sale or open transaction, or (vi) any income earned or accumulated earnings and profits that would result in an inclusion under Section 951(a), Section 951A or Section 965 of the Code.

(l) Neither Parent nor Merger Sub has engaged in a “reportable transaction” within the meaning of Treasury Regulations Section 1.6011-4(b).

(m) There are no Liens for Taxes (other than Permitted Liens) upon any of the assets of Parent or Merger Sub.

(n) Neither Parent nor Merger Sub has taken or agreed to take any action not contemplated by this Agreement that could reasonably be expected to prevent the Merger from qualifying for the Intended

Tax Treatment. To the knowledge of Parent, no facts or circumstances exist (other than any facts or circumstances to the extent that such facts or circumstances exist or arise as a result of or relate to any act or omission occurring after the signing date by Parent or Merger Sub or any of their respective Affiliates), in each case not contemplated by this Agreement, that could reasonably be expected to prevent the Merger from qualifying for the Intended Tax Treatment.

(o) Parent and Merger Sub are each organized as corporations under the laws of Delaware and treated as corporations for U.S. federal income tax purposes.

(p) Notwithstanding anything herein to the contrary, no representations are made concerning the amount or availability of or any limitation on Parent's or Merger Sub's ability to utilize or otherwise benefit from net operating losses, capital losses, deductions, Tax credits and other similar items of Parent or Merger Sub, in each case, with respect to a taxable period or portion thereof ending after the Closing Date.

Section 4.16 Information Supplied. None of the information supplied or to be supplied by Parent for inclusion or incorporation by reference in the Registration Statement/Proxy Statement will as of the time the Registration Statement becomes effective under the Securities Act and at the date the Proxy Statement is mailed to stockholders of Parent or at the time of the Special Meeting, contain any untrue statement of a material fact or omit to state any material fact required to be stated therein or necessary in order to make the statements therein, in light of the circumstances under which they are made, not misleading. Notwithstanding the foregoing, Parent makes no representation, warranty or covenant with respect to (a) statements made or incorporated by reference therein based on information supplied by the Company or any other Group Company for inclusion or incorporation by reference in the Proxy Statement; or (b) any projections or forecasts included in the Registration Statement/Proxy Statement.

Section 4.17 Board Approval; Stockholder Vote. The Parent Board and the board of directors of Merger Sub (including any required committee or subgroup of the Parent Board or the board of directors of Merger Sub, as applicable), as of the date of this Agreement, unanimously (a) approved and declared the advisability of this Agreement, the other Transaction Documents and the consummation of the Transactions; and (b) determined that the consummation of the Transactions is in the best interest of, as applicable, the stockholders of Parent or Merger Sub (as applicable). Other than the approval of the Parent Stockholder Matters at the Special Meeting, no other corporate proceedings on the part of Parent are necessary to approve the consummation of the Transactions.

Section 4.18 Employees; Benefit Plans. Other than any former officers or as described in the Parent SEC Reports, Parent has never had any employees. Other than reimbursement of any out-of-pocket expenses incurred by Parent's officers and directors in connection with activities on Parent's behalf in an aggregate amount not in excess of the amount of cash held by Parent outside of the Trust Account, Parent has no unsatisfied material liability with respect to any employee. Parent does not currently maintain or have any direct liability under any benefit plan, and neither the execution and delivery of this Agreement or the other Transaction Documents nor the consummation of the Transactions will: (a) result in any payment (including severance, unemployment compensation, golden parachute, bonus or otherwise) becoming due to any director, officer or employee of Parent, except for the payment of \$100,000 to each of the independent directors of the Parent at the Closing; or (b) result in the acceleration of the time of payment or vesting of any such benefits.

Section 4.19 Title to Assets. Subject to the restrictions on use of the Trust Account set forth in the Trust Agreement, Parent owns good and marketable title to, or holds a valid leasehold interest in, or a valid license to use, all of the assets used by Parent in the operation of its business and which are material to Parent, free and clear of any Liens (other than Permitted Liens).

Section 4.20 Affiliate Transactions. Except as described in the Parent SEC Reports, no Contract between Parent, on the one hand, and any of the present or former directors, officers, employees, stockholders or warrant holders or Affiliates of Parent (or an immediate family member of any of the foregoing), on the other hand, will continue in effect following the Closing, other than any such Contract that is not material to Parent.

Section 4.21 Brokers. Other than fees or commissions for which Parent will be solely responsible, none of Parent, Merger Sub, nor any of their respective Affiliates, including any Sponsor, has any liability or obligation to pay, or is entitled to receive, any fees or commissions to any broker, finder or agent with respect to the Transactions.

Section 4.22 Disclaimer of Other Warranties. **ARTICLE VI
ADDITIONAL AGREEMENTS**

Section 6.1 Proxy Statement/Registration Statement; Special Meeting

(a) Proxy Statement and Prospectus.

(i) As promptly as practicable following the execution and delivery of this Agreement, in accordance with this Section 6.1(a), (A) Parent and the Company shall jointly prepare and, and Parent shall file with the SEC, mutually acceptable materials which shall include the proxy statement to be filed with the SEC as part of the Registration Statement and sent to the stockholders of Parent relating to the Special Meeting (as amended or supplemented, the “*Proxy Statement*”) and (B) Parent shall prepare (with the Company’s reasonable cooperation (including causing its Subsidiaries and Representatives to cooperate)) and file with the SEC the Registration Statement, in which the Proxy Statement will be included as a prospectus (the “*Proxy Statement/Registration Statement*”), in connection with the registration under the Securities Act of the shares of Parent Common Stock that constitute the Aggregate Stock Consideration (collectively, the “*Registration Statement Securities*”). Each of Parent and the Company shall use its reasonable best efforts to cause the Proxy Statement/Registration Statement to comply with applicable Legal Requirements, including the rules and regulations promulgated by the SEC, to have the Registration Statement declared effective under the Securities Act as promptly as practicable after such filing and to keep the Registration Statement effective as long as is necessary to consummate the Transactions. Parent also agrees to use its reasonable best efforts to obtain all necessary state securities law or “blue sky” permits and approvals and make all filings required to carry out the Transactions; provided, that Parent shall not be required to qualify to do business in any jurisdiction in which it is not now so qualified. The Company and Parent shall furnish all information concerning the Company, Parent and their respective Subsidiaries and any of their respective members or stockholders as may be reasonably requested in connection with any such action. Each of Parent and the Company agrees to furnish to the other all information concerning itself, its Subsidiaries, officers, directors, managers, stockholders, and other equityholders and information regarding such other matters as may be reasonably necessary or advisable or as may be reasonably requested in connection with the Proxy Statement/Registration Statement, any Current Report on Form 8-K filed or furnished in connection with the Transactions, or any other statement, filing, notice or application made by or on behalf of Parent, the Company or their respective Subsidiaries to any regulatory authority (including Nasdaq) in connection with the Merger and the other transactions contemplated hereby (the “*Offer Documents*”). Parent will cause the Proxy Statement/Registration Statement to be mailed to the holders of Parent Common Stock as of the record date to be established by the board of directors of Parent, promptly after the Registration Statement is declared effective under the Securities Act.

(ii) Parent will advise the Company, promptly after Parent receives notice thereof, of the time when the Proxy Statement/Registration Statement has become effective or any supplement or amendment has been filed, of the issuance of any stop order or the suspension of the qualification of the Parent Common Stock for offering or sale in any jurisdiction, of the initiation or written threat of any proceeding for any such purpose and of any request by the SEC for the amendment or supplement of the Proxy Statement/Registration Statement or for additional information. The Company and their counsel shall be given a reasonable opportunity to review and comment on the Proxy Statement/Registration Statement and any Offer Document each time before any such document is filed with the SEC, and Parent shall give reasonable and good-faith consideration to any comments made by the Company and its counsel. Parent shall not file any such documents with the SEC without the prior written consent of the Company (such consent not to be unreasonably withheld, conditioned or delayed). To the extent not prohibited by applicable Legal Requirement, Parent shall provide the Company and their counsel with (A) any comments or other communications, whether written or oral, that Parent or its counsel may receive from time to time from the SEC or its staff with respect to the Proxy Statement/Registration Statement or Offer Documents promptly after receipt of those comments or other communications and (B) a reasonable opportunity to participate in the response of Parent to those comments and to provide comments

on that response (to which reasonable and good-faith consideration shall be given), including by participating with the Company or its counsel in any discussions or meetings with the SEC.

(iii) Each of Parent and the Company shall ensure that none of the information supplied by it or on its behalf for inclusion or incorporation by reference in (A) the Registration Statement will, at the time the Registration Statement is filed with the SEC, at each time at which it is amended and at the time it becomes effective under the Securities Act, contain any untrue statement of a material fact or omit to state any material fact required to be stated therein or necessary to make the statements therein, not misleading or (B) the Proxy Statement will, at the date it is first mailed to the holders of Parent Common Stock and at the time of the Special Meeting, contain any untrue statement of a material fact or omit to state any material fact required to be stated therein or necessary in order to make the statements therein, in light of the circumstances under which they are made, not misleading.

(iv) If at any time prior to the Effective Time any information relating to the Company, Parent or any of their respective Subsidiaries, Affiliates, directors or officers is discovered by the Company or Parent, which is required to be set forth in an amendment or supplement to the Registration Statement/Proxy Statement so that the Registration Statement/Proxy Statement would not include any misstatement of a material fact or omit to state any material fact necessary to make the statements therein, in light of the circumstances under which they were made, not misleading, the Party which discovers such information shall promptly notify the other Parties and an appropriate amendment or supplement describing such information shall be promptly filed with the SEC and, to the extent required by applicable Legal Requirement, disseminated to the holders of Parent Common Stock.

(v) The Registration Statement, to the extent permitted by applicable Legal Requirement, including the rules and regulations of the SEC, also will register the resale of the shares of Parent Common Stock that constitute the Aggregate Stock Consideration, other than certain equity securities issuable under the New Parent Incentive Equity Plan that are based on Parent Common Stock and constitute a portion of the Aggregate Stock Consideration, which shall instead be registered pursuant to an effective Registration Statement on Form S-8 (or other applicable form, including Form S-1 or Form S-3) in accordance with this Section 6.1(a).

(b) Special Meeting. Parent shall, as promptly as practicable following the date the Registration Statement is declared effective, (i) cause the Proxy Statement to be disseminated to the holders of Parent Common Stock in compliance with applicable Legal Requirements, (ii) duly call and give notice of a meeting of Parent's stockholders (the "**Special Meeting**") for a date that is as soon as practicable following the date on which the Registration Statement is declared effective, for the purposes of obtaining the Parent Stockholder Approval and, if applicable, any approvals related thereto and providing its stockholders with the opportunity to elect to redeem shares of Parent Class A Common Stock (the "**Parent Stockholder Redemption**") in accordance with Parent's Organizational Documents. Parent shall, through the Parent Board, recommend to the holders of Parent Common Stock (the "**Parent Recommendation**"): (1) the adoption of this Agreement and approval of the Transactions; (2) the issuance of shares of Parent Common Stock in connection with the Merger; (3) the approval of the Parent Third A&R Certificate of Incorporation (as the same may be subsequently amended by mutual written agreement of the Company and Parent at any time prior to the effectiveness of the Registration Statement); (4) the approval of the adoption of the New Parent Incentive Equity Plan; (5) election of directors to the Parent Board; and (6) any other proposals the Parties deem necessary or desirable to consummate the Transactions (clauses (1) through (6), collectively, the "**Parent Stockholder Matters**"). Without the prior written consent of the Stockholder Representative and the Company (each such consent not to be unreasonably withheld, conditioned or delayed), the Parent Stockholder Matters shall be the only matters (other than procedural matters) which Parent shall propose to be acted on by the holders of Parent Common Stock at the Special Meeting. Parent shall include the Parent Recommendation in the Proxy Statement. The Parent Board shall not (and no committee or subgroup thereof shall) change, withdraw, withhold, qualify or modify, or publicly propose to change, withdraw, withhold, qualify or modify, the Parent Recommendation (a "**Change in Recommendation**"); provided, that the Parent Board may make a Change in Recommendation if it determines in good faith, after

consultation with its outside legal counsel, that a failure to make a Change in Recommendation would constitute a breach of the Parent Board's fiduciary obligations to Parent's stockholders under applicable Legal Requirements. Parent agrees that its obligation to establish a record date for, duly call, give notice of, convene and hold the Special Meeting for the purpose of seeking approval of the Parent Stockholder Matters shall not be affected by any Change in Recommendation, and Parent agrees to duly call, give notice of, convene and hold the Special Meeting and submit for the approval of its stockholders the matters contemplated by the Proxy Statement as contemplated by this Section 6.1(b), regardless of whether or not there shall have occurred any Change in Recommendation. Notwithstanding anything to the contrary contained in this Agreement, Parent shall be entitled to postpone or adjourn the Special Meeting (A) to ensure that any supplement or amendment to the Proxy Statement that the Parent Board has determined in good faith is required by applicable Legal Requirements is disclosed to Parent's stockholders and for such supplement or amendment to be promptly disseminated to Parent's stockholders prior to the Special Meeting; (B) if, as of the time for which the Special Meeting is originally scheduled (as set forth in the Proxy Statement), there are insufficient shares of Parent Common Stock represented (either in person or by proxy) to constitute a quorum necessary to conduct the business to be conducted at the Special Meeting; or (C) in order to solicit additional proxies from stockholders for purposes of obtaining approval of the Parent Stockholder Matters; provided, that in the event of a postponement or adjournment pursuant to clauses (A) or (B) above, the Special Meeting shall be reconvened as promptly as practicable following such time as the matters described in such clauses have been resolved.

Section 6.2 Regulatory Approvals. As promptly as practicable after the date of this Agreement, and in any event within ten Business Days after the date hereof, Parent and the Company shall each make all required filings under the HSR Act (collectively, the "*Antitrust Filings*"). Each Party shall promptly furnish to the other such necessary information and reasonable assistance as the other may request in connection with its preparation of any filing or submission that is necessary under the HSR Act and will use reasonable best efforts to cause the expiration or termination of the applicable waiting periods as soon as practicable. Each Party shall promptly provide the other with copies of all written communications (and memoranda setting forth the substance of all oral communications) between each of them, any of their Affiliates or any of its or their Representatives, on the one hand, and any Governmental Entity, on the other hand, with respect to this Agreement or the Transactions. Without limiting the generality of the foregoing, and subject to applicable Legal Requirements, each Party shall (i) promptly notify the other Parties of any written communication made to or received by it from any Governmental Entity regarding the Transactions; (ii) permit each other to review in advance any proposed written communication to any such Governmental Entity and incorporate reasonable comments thereto; (iii) not agree to participate in any substantive meeting or discussion with any such Governmental Entity in respect of any filing, investigation or inquiry concerning this Agreement or the Transactions unless, to the extent reasonably practicable, it consults with the other Party in advance and, to the extent permitted by such Governmental Entity, gives the other Party the opportunity to attend; and (iv) furnish each other with copies of all correspondence, filings and written communications between such Party and their Affiliates and their respective representatives, on one hand, and any such Governmental Entity, on the other hand, in each case, with respect to this Agreement and the Transactions. Parent, on the one hand, and the Company, on the other hand, shall each pay 50% of any filing fees required by any Governmental Entities, including with respect to any registrations, declarations and filings required in connection with the execution and delivery of this Agreement, the performance of the obligations hereunder and the consummation of the Transactions, including filing fees in connection with filings under the HSR Act. As promptly as practicable following the Closing, and no later than 30 days after the Closing, Parent shall prepare and file the Investment Canada Act Notification.

Section 6.3 Other Filings; Press Release.

(a) As promptly as practicable after execution of this Agreement, Parent will prepare and file a Current Report on Form 8-K pursuant to the Exchange Act to report the execution of this Agreement, the form and substance of which shall be approved in advance in writing by the Company.

(b) Promptly after the execution of this Agreement, Parent and the Company shall also issue a joint press release announcing the execution of this Agreement.

(c) Parent shall prepare a draft Current Report on Form 8-K announcing the Closing, together with, or incorporating by reference, the Financial Statements prepared by the Company and its accountant, and such other information that may be required to be disclosed with respect to the Transactions in any report or form to be filed with the SEC (“*Closing Form 8-K*”), the form and substance of which shall be approved in advance in writing by the Stockholder Representative. Prior to Closing, Parent and the Company shall prepare a joint press release announcing the consummation of the Transactions hereunder (“*Closing Press Release*”). Concurrently with the Closing, Parent shall issue the Closing Press Release. Concurrently with the Closing, or as soon as practicable thereafter, Parent shall file the Closing Form 8-K with the SEC.

Section 6.4 Confidentiality; Communications Plan; Access to Information.

(a) Parent and the Company acknowledge that they are parties to the Confidentiality Agreement, the terms of which are incorporated herein by reference. Following Closing, the Confidentiality Agreement shall be superseded in its entirety by the provisions of this Agreement; provided, however, that if for any reason this Agreement is terminated prior to the Closing, the Confidentiality Agreement shall nonetheless continue in full force and effect in accordance with its terms. Beginning on the date hereof and ending 18 months following the date of this Agreement (but perpetually with respect to any trade secrets), each Party (the “*Receiving Party*”) agrees to maintain in confidence any non-public information received from each other Party (the “*Disclosing Party*”), and to use such non-public information only for purposes of consummating the Transactions. Such confidentiality obligations will not apply to (i) information which was known to the Receiving Party or its agents or Representatives prior to receipt from the Disclosing Party; (ii) information which is or becomes generally known to the public without breach of this Agreement or an existing obligation of confidentiality; (iii) information acquired by the Receiving Party or its agents or Representatives from a third party who was not bound to a known obligation of confidentiality to the Disclosing Party; (iv) information developed by the Receiving Party independently without any reliance on the non-public information received from the Disclosing Party; (v) disclosure required by applicable Legal Requirement or stock exchange rule; or (vi) disclosure consented to in writing by the Disclosing Party.

(b) None of Parent, the Company or any of their respective Affiliates or Representatives shall make any public announcement or issue any public communication regarding this Agreement or the transactions contemplated hereby, or any matter related to the foregoing, without first obtaining the prior written consent of the Company or Parent, as applicable (which consent shall not be unreasonably withheld, conditioned or delayed), except (i) if such announcement or other communication is required by applicable Legal Requirements, in which case the Party proposing such announcement shall, to the extent permitted by applicable Legal Requirements, first allow such other Parties to review such announcement or communication and have the opportunity to comment thereon and the disclosing Party shall consider such comments in good faith; (ii) in the case of the Company or the Company Stockholders, Parent and their respective Affiliates, if such announcement or other communication is made in connection with fundraising or other investment related activities and is made to such Person’s direct and indirect investors (other than the Sponsors) or potential investors or financing sources subject to an obligation of confidentiality; (iii) to the extent provided for in the Communications Plan, internal announcements to employees of the Group Companies; (iv) to the extent such announcements or other communications contain only information previously disclosed in a public statement, press release or other communication previously approved in accordance with Section 6.3 or this Section 6.4(b); (v) announcements and communications to Governmental Entities in connection with registrations, declarations and filings relating to the Transactions required to be made under this Agreement; and (vi) communications to customers and suppliers of the Group Companies for purposes of seeking any consents and approvals required in connection with the Transactions.

Section 6.6 [Reserved.]

Section 6.7 No Parent Securities Transactions. Neither the Company nor any of its controlled Affiliates, directly or indirectly, shall engage in any transactions involving the securities of Parent prior to the time of the making of a public announcement regarding all of the material terms of the business and operations of the Company and the Transactions. The Company agrees and acknowledges that such irrevocable waiver is material to this Agreement and specifically relied upon by Parent to induce Parent to enter in this Agreement, and the Company further intends and understands such waiver to be valid, binding and enforceable against the Company and each of their respective Affiliates that it has the authority to bind under applicable Legal Requirements. To the extent the Company or any of its Affiliates that it has the authority to bind commences any Legal Proceeding against Parent or any of its Affiliates based upon, in connection with, relating to or arising out of any matter relating to Parent, its Affiliates or its Representatives, which Legal Proceeding seeks, in whole or in part, monetary relief against Parent, its Affiliates or its Representatives, the Company hereby acknowledges and agrees that each of the Company's and such Affiliates' sole remedy shall be against assets of Parent or such Affiliate or Representatives not in the Trust Account and that such claim shall not permit the Company or such Affiliates (or any Person claiming on any of their behalves) to have any claim against the Trust Account (including the Trust Distributions) or any amounts contained in the Trust Account while in the Trust Account.

For a period of six years from the Closing Date, Parent shall cause the Group Companies to maintain in effect the exculpation, indemnification

and advancement of expenses provisions of such Group Company's Organizational Documents as in effect immediately prior to the Closing Date or in any indemnification agreements of each Group Company with any D&O Indemnified Party as in effect immediately prior to the Closing Date, and Parent shall, and shall cause the Group Companies to, not amend, repeal or otherwise modify any such provisions in any manner that would adversely affect the rights thereunder of any D&O Indemnified Party; provided, however, that all rights to indemnification or advancement of expenses in respect of any Legal Proceedings pending or asserted or any claim made within such period shall continue until the disposition of such Legal Proceeding or resolution of such claim. From and after the Closing Date, Parent shall cause the Group Companies to honor, in accordance with their respective terms, each of the covenants contained in this Section 6.13 without limit as to time.

Parent shall, and shall cause the Surviving Corporation to, maintain the D&O Tail in full force and effect for its full term and cause all obligations thereunder to be honored by the Group Companies, as applicable, and no other party shall have any further obligation to purchase or pay for such insurance pursuant to this Section 6.13(b).

(c) The rights of each D&O Indemnified Party hereunder shall be in addition to, and not in limitation of, any other rights such person may have under the Organizational Documents of any Group Company, any other indemnification arrangement, any applicable Legal Requirement or otherwise. The obligations of Parent and the Group Companies under this Section 6.13 shall not be terminated or modified in such a manner as to adversely affect any D&O Indemnified Party without the consent of such D&O Indemnified Party. The provisions of this Section 6.13 shall survive the Closing and expressly are intended to benefit, and are enforceable by, each of the D&O Indemnified Parties, each of whom is an intended third-party beneficiary of this Section 6.13.

(d) If Parent or, after the Closing, any Group Company, or any of their respective successors or assigns (i) consolidates with or merges into any other Person and shall not be the continuing or surviving entity of such consolidation or merger; or (ii) transfers or conveys all or substantially all of its properties and assets to any Person, then, in each such case, proper provision shall be made so that the successors and assigns of Parent or such Group Company, as applicable, assume the obligations set forth in this Section 6.13.

Prior to the effectiveness of the Proxy Statement/Registration Statement, the Parent Board shall approve and adopt, subject to obtaining the approval of the Parent Stockholder Matters, an equity incentive plan, in substantially the form attached hereto as Exhibit G and with any changes or modifications thereto as the Company and Parent may mutually agree (such agreement not to be unreasonably withheld, conditioned or delayed) (the "**New Parent Incentive Equity Plan**"), in the manner prescribed under applicable Legal Requirements, effective as of one day prior to the Closing Date.

Section 6.15 280G Approval. To the extent that any "disqualified individual" (within the meaning of Section 280G(c) of the Code and the regulations thereunder) has the right to receive any payments or benefits that would be deemed to constitute "parachute payments" (within the meaning of Section 280G(b)(2)(A) of the Code and the regulations thereunder), then, the Company will (a) no later than five days prior to the Closing Date, solicit and use its reasonable best efforts to obtain from each such "disqualified individual" a waiver of such disqualified individual's rights to some or all of such payments or benefits (the "**Waived 280G Benefits**") so that any remaining payments and/or benefits shall not be deemed to be "excess parachute payments" (within the meaning of Section 280G of the Code and the regulations thereunder); and (b) no later than two days prior to the Closing Date, with respect to each individual who agrees to the waiver described in clause (a), submit to a vote of holders of the equity interests of the Company entitled to vote on such matters, in the manner required under Section 280G(b)(5) of the Code and the regulations promulgated thereunder, along with adequate disclosure intended to satisfy such requirements (including Q&A 7 of

Prior to, and in no event later than three days prior to soliciting such waivers and approval, the Company shall provide drafts of such waivers and approval materials to Parent for its reasonable review and comment, and the Company shall consider in good faith any such comments. No later than three days prior to soliciting the waivers, the Company shall provide Parent with the calculations and related documentation to determine whether and to what extent the vote described in this Section 6.15 is necessary in order to avoid the imposition of Taxes under Section 4999 of the Code. Prior to the Closing Date, the Company shall deliver to Parent evidence that a vote of the stockholders of the Company was solicited in accordance with the foregoing and shall inform Parent whether the requisite number of votes of the stockholders of the Company was obtained with respect to the Waived 280G Benefits or that the vote did not pass and the Waived 280G Benefits will not be paid or retained.

Section 6.16 Tax Matters.

(a) Each Group Company shall prepare and timely file, or cause to be prepared and timely filed, all Tax Returns required to be filed by it that are due on or before the Closing Date (taking into account any extensions), and shall timely pay all Taxes that are due and payable on or before the Closing Date (taking into account any extensions). Any such Tax Return shall be prepared in a manner consistent with past practice (unless otherwise required by law). Unless it would be unreasonable for Parent to withhold, condition or delay the written consent contemplated by clause (ii) of this sentence, the Company shall cause each income and other material Tax Return (i) to be provided to Parent for review and comment as soon as reasonably practicable before the due date of each such Tax Return and (ii) to not be filed without the prior written consent of Parent (such consent not to be unreasonably withheld, conditioned or delayed).

(b) All transfer, documentary, sales, use, stamp, registration, excise, recording, value added and other such similar Taxes and fees (including any penalties and interest) (“*Transfer Taxes*”) that become payable in connection with or by reason of the execution of this Agreement and the Transactions shall be borne and paid by Parent. Parent shall prepare and timely file, or shall cause to be prepared and timely filed, any Tax Return or other document with respect to such Transfer Taxes; provided, however, that the Stockholder Representative will reasonably cooperate with respect thereto. For the avoidance of doubt, Transfer Taxes shall not include any taxes on or determined with respect to net income.

(c) On the Closing Date, the Company shall provide Parent with a certificate on behalf of the Company, prepared in a manner consistent and in accordance with the requirements of Treasury Regulation Sections 1.897-2(g), (h) and 1.1445-2(c)(3), certifying that no interest in the Company is, or has been during the relevant period specified in Section 897(c)(1)(A)(ii) of the Code, a “United States real property interest” within the meaning of Section 897(c) of the Code, and a form of notice to the Internal Revenue Service prepared in accordance with the provisions of Treasury Regulations Section 1.897-2(h)(2) (together, a “*FIRPTA Certificate*”), except that the sole recourse for Parent if this condition is not met is to withhold on the proceeds payable to the extent required by applicable Legal Requirements.

(a) The Company shall terminate, or cause there to be terminated, any and all tax sharing, allocation, indemnification or similar agreements, arrangements or undertakings in effect, written or unwritten, on the Closing Date as between the Company and/or the Company Subsidiaries, on the one hand, and any other Person, on the other hand, for all Taxes, regardless of the period in which such Taxes are imposed, and there shall be no continuing obligation to make any payments under any such agreements, arrangements or undertakings.

Section 6.17 Financing.

(a) Subject to the terms and conditions of this Agreement, prior to Closing, Parent shall use, and shall cause its Affiliates to use, commercially reasonable efforts to obtain the proceeds of the PIPE Investment on the terms and conditions described in the Subscription Agreements, including using reasonable best efforts to (i) satisfy (or, if deemed advisable by Parent, obtain the waiver of) on a timely basis all conditions in the Subscription Agreements that are within its control (including payment of

all fees and expenses) and comply with its obligations thereunder, (ii) maintain in effect the Subscription Agreements in accordance with their terms and (iii) diligently enforce all of its rights under the Subscription Agreements (and any definitive agreements related thereto), including to commence or pursue litigation for the purposes of enforcing the obligations of the PIPE Investors to fund the PIPE Investment. Parent shall give the Company prompt notice of any material breach by any party to the Subscription Agreements of which Parent has become aware or any termination (or alleged or purported termination in writing) of any Subscription Agreements. Parent shall keep the Company informed on a reasonably current basis in reasonable detail of the status of its efforts to obtain the proceeds of the PIPE Investment and shall not permit any amendment or modification to, or any waiver of any provision or remedy under, any Subscription Agreement without the prior written consent of the Company; provided, that any amendment, modification or waiver that is solely ministerial in nature or otherwise immaterial and does not affect any economic or any other material term of a Subscription Agreement shall not require the prior written consent of the Company.

The Company shall not and shall cause its Affiliates not to take or refrain from taking, directly or indirectly, any action that could reasonably be expected to result in a default under or failure of any of the conditions contained in, or materially impair, delay or prevent consummation of the Debt Financing contemplated by the Debt Commitment Letter or in any Definitive Debt Agreement related to the Debt Financing.

(c) The Company shall give Parent prompt notice of any material breach by any party to the Debt Commitment Letter of which the Company has become aware or any termination (or alleged or purported termination in writing) of the Debt Commitment Letter. The Company shall keep Parent informed on a reasonably current basis in reasonable detail of the status of its efforts to obtain the proceeds of the Debt Financing and shall not permit any amendment or modification to, or any waiver of any material provision or remedy under, the Debt Commitment Letter entered into at or prior to the date hereof if such amendment, modification, waiver or remedy (i) would materially delay the occurrence of the Closing, (ii) reduces the aggregate amount of the Debt Financing, or (iii) adds or imposes new conditions or amends the existing conditions to the drawdown of the Debt Financing, in each case, in any material respect.

(d) Prior to the earlier of the Closing and the valid termination of this Agreement pursuant to its terms, Parent and Merger Sub agree, and Parent and Merger Sub shall cause its appropriate officers and employees, to use reasonable best efforts to cooperate in connection with the arrangement of the Debt Financing (including the satisfaction of the conditions precedent set forth in the Debt Commitment Letter that are within its control) as may be reasonably requested by the Company and Hillman, including by (i) participating in (including making appropriate officers available for) a reasonable number of meetings, presentations, due diligence sessions, drafting sessions and sessions with rating agencies at mutually agreeable times and locations and upon reasonable advance notice, (ii) assisting with the preparation of customary marketing materials, rating agency presentations and offering documents (including a public side version), (iii) executing and delivering customary management authorization

Notwithstanding the foregoing, (A) such requested cooperation shall not unreasonably interfere with the ongoing operations of any Group Company, (B) no Group Company shall be required to pay any commitment or other similar fee or incur any other Liability or obligation in connection with the PIPE Investment prior to the Closing, (C) no Group Company nor any of their respective officers, directors, or employees shall be required to execute or enter into or perform any agreement with respect to the PIPE Investment that is not contingent upon the Closing or that would be effective prior to the Closing (other than any customary management representation and authorization letter in connection with marketing materials contemplated by the Financing) and (D) Persons who are on the board of directors or the board of managers (or similar governing body) of any Group Company prior to the Closing in their capacity as such shall not be required to pass resolutions or consents to approve or authorize the execution of the PIPE Investment. Nothing contained in this Section 6.17 or otherwise shall require any Group Company, prior to the Closing, to be an issuer or other obligor with respect to the PIPE Investment.

(f) None of the Stockholder Representative, the Group Companies, their Affiliates or any of their respective Representatives shall be required to take any action that would subject such Person to actual or potential liability, to bear any cost or expense or to pay any commitment or other similar fee or make any other payment or incur any other liability or provide or agree to provide any indemnity in connection with the PIPE Investment or their performance of their respective obligations in connection with the PIPE Investment under this Section 6.17 or any information utilized in connection therewith. Parent shall indemnify and hold harmless the Stockholder Representative, the Group Companies, their Affiliates and their respective Representatives from and against any and all Loss suffered or incurred by them in connection with the arrangement of the PIPE Investment and the performance of their respective obligations in connection with the PIPE Investment under this Section 6.17 and any information utilized in connection therewith, for any of the foregoing except to the extent the same is the result of (i) claims based upon the accuracy of any historical information provided by or on behalf of the Stockholder Representative, any Group Company or their respective Affiliates and Representatives expressly for use in connection with the arrangement of the PIPE Investment or (ii) the gross negligence, willful misconduct or fraud committed by or on behalf of the Stockholder Representative, any Group Company or their respective Affiliates and Representatives.

(g) The Company shall, and the Company shall cause the Company Subsidiaries to, take all such actions as are appropriate to effect the Refinancing, the Trust Preferred Redemption and the Junior Debenture Redemption (as such terms are defined in the Debt Commitment Letter) on the Closing Date. The Company shall, and the Company shall cause the Company Subsidiaries to, deliver all customary notices and take all other reasonably necessary actions to facilitate the termination on the Closing Date of all commitments in respect of the Existing Credit Agreements, the repayment in full on the Closing

Date of all obligations in respect of such Indebtedness, and the release on the Closing Date of any Liens securing such Indebtedness and guarantees in connection therewith. In furtherance and not in limitation of the foregoing, the Company and its Subsidiaries shall use reasonable best efforts to deliver to Parent prior to the Closing executed payoff letters with respect to Existing Credit Agreements (each, a “*Payoff Letter*”) in form and substance customary for transactions of this type, from the applicable agents on behalf of the persons to whom such Indebtedness is owed, which Payoff Letters together with any related release documentation shall, among other things, include the payoff amount and provide that Liens (and guarantees), if any, granted in connection with the Existing Credit Agreements relating to the assets, rights and properties of the Company and its Subsidiaries securing or relating to such Indebtedness, shall, upon the payment of the amount set forth in the applicable Payoff Letter at or prior to the Effective Time, be released and terminated. The obligations of the Company pursuant to this Section 6.17(g) shall be subject to Parent or Merger Sub providing or causing to be provided all funds required to effect all such repayments at or prior to the Effective Time; provided that, no such repayment shall be required to be made prior to the Effective Time.

(h) None of Parent, Merger Sub, their Affiliates or any of their respective Representatives shall be required to take any action that would subject such Person to actual or potential liability, to bear any cost or expense or to pay any commitment or other similar fee or make any other payment or incur any other liability or provide or agree to provide any indemnity in connection with the Debt Financing or their performance of their respective obligations in connection with the Debt Financing under this Section 6.17 or any information utilized in connection therewith. ARTICLE VIII TERMINATION

Section 8.1 Termination. This Agreement may be terminated at any time prior to the Closing:

- (a) by mutual written agreement of Parent and the Stockholder Representative at any time;
- (b) by either Parent or the Stockholder Representative if the Transactions shall not have been consummated by July 24, 2021 (the “*Outside Date*”); provided, however, that the right to terminate this Agreement under this Section 8.1(b) shall not be available to any Party whose action or failure to act has been a principal cause of or resulted in the failure of the Transactions to occur on or before such date and such action or failure to act constitutes a breach of this Agreement;
- (c) by either Parent or the Stockholder Representative if a Governmental Entity shall have issued an Order or taken any other action, in any case having the effect of permanently restraining, enjoining or otherwise prohibiting the Transactions, including the Merger, which Order or other action is final and nonappealable;
- (d) by the Stockholder Representative, upon a breach of any representation, warranty, covenant or agreement set forth in this Agreement on the part of Parent or Merger Sub, or if any representation or warranty of Parent or Merger Sub shall have become untrue, in either case such that the conditions set forth in Article VII would not be satisfied as of the time of such breach or as of the time such representation or warranty shall have become untrue; provided, that if such breach is curable by Parent or Merger Sub prior to the Closing, then the Stockholder Representative may not terminate this Agreement under this Section 8.1(d) until the earlier of (i) 30 days after delivery of written notice from the Stockholder Representative to Parent of such breach if such breach then remains uncured, and (ii) the Outside Date; provided, further, that the Stockholder Representative may not terminate this Agreement pursuant to this Section 8.1(d) if it shall have materially breached this Agreement and such breach has not been cured;
- (e) by Parent, upon a breach of any representation, warranty, covenant or agreement set forth in this Agreement on the part of the Company or the Stockholder Representative or if any representation or warranty of the Company shall have become untrue, in either case such that the conditions set forth in Article VII would not be satisfied as of the time of such breach or as of the time such representation or warranty shall have become untrue; provided, that if such breach is curable by the Company or the Stockholder Representative prior to the Closing, then Parent may not terminate this Agreement under this Section 8.1(e) until the earlier of (i) 30 days after delivery of written notice from Parent to the Stockholder Representative of such breach if such breach then remains uncured, and (ii) the Outside Date; provided, further, that Parent may not terminate this Agreement pursuant to this Section 8.1(e) if it shall have materially breached this Agreement and such breach has not been cured;
- (f) by either Parent or the Stockholder Representative, if the Parent Stockholder Redemption results in the condition set forth in Section 7.1(l) (*Tangible Assets*) becoming incapable of being satisfied at the Closing;
- (g) by either Parent or the Stockholder Representative, if the Parent Stockholder Approval shall not have been obtained by reason of the failure to obtain the required vote at the Special Meeting duly convened therefor or at any adjournment or postponement thereof;
- (h) by Parent, if the Company Stockholder Approval shall not have been obtained within two Business Days after the Registration Statement has been declared effective by the SEC and delivered or otherwise made available to the holders of Parent Common Stock; and

(i) by Parent, if the Company does not deliver, or cause to be delivered to Parent, a Company Voting and Support Agreement executed by the Key Company Stockholders within one Business Day following the date of this Agreement.

Section 8.2 Notice of Termination; Effect of Termination

(a) Any termination of this Agreement under Section 8.1 will be effective immediately upon the delivery of written notice of the terminating Party to the other Parties.

(b) In the event of the termination of this Agreement as provided in Section 8.1, this Agreement shall be of no further force or effect and the Transactions shall be abandoned, except for and subject to the following: (i) Section 6.4 (*Confidentiality; Communications Plan; Access to Information*), Section 6.8 (*No Claim Against Trust Account*), this Section 8.2 (*Notice of Termination; Effect of Termination*), Article X (*General Provisions*), Schedule A (*Defined Terms*) and the Confidentiality Agreement shall survive the termination of this Agreement; and (ii) nothing herein shall relieve any Party from liability for any intentional breach of this Agreement or intentional fraud in the making of the representations and warranties in this Agreement.

**ARTICLE IX
NO SURVIVAL**

Section 9.1 No Survival. None of the representations, warranties, covenants or agreements in this Agreement or in any instrument delivered pursuant to this Agreement shall survive the Closing and all rights, claims and causes of action (whether in contract or in tort or otherwise, or whether at law or in equity) with respect thereto shall terminate at the Closing. Notwithstanding the foregoing, neither this Section 9.1 nor anything else in this Agreement to the contrary shall limit (a) the survival of any covenant or agreement of the Parties which by its terms is required to be performed or complied with in whole or in part after the Closing, which covenants and agreements shall survive the Closing in accordance with their respective terms; or (b) any claim against any Person with respect to intentional fraud in the making of the representations and warranties by such Person in Article III or Article IV, as applicable.

**ARTICLE X
GENERAL PROVISIONS**

Section 10.1 Stockholder Representative.

(a) The Stockholder Representative shall act as the Representative of the Company Stockholders in respect of all matters arising under this Agreement or the Transaction Documents, and shall be authorized to act, or refrain from acting, with respect to any actions to be taken by or on behalf of any Company Stockholder or the Stockholder Representative, including to enforce any rights granted to any Company Stockholder hereunder, in each case as the Stockholder Representative believes is necessary or appropriate under this Agreement and the Transaction Documents, for and on behalf of the Company Stockholders. The Company Stockholders shall be bound by all such actions taken by the Stockholder Representative and no Company Stockholder shall be permitted to take any such actions. The Stockholder Representative is serving as the Stockholder Representative solely for purposes of administrative convenience, and is not personally liable (except in its capacity as a Company Stockholder hereunder) for any of the obligations of the Company, any of its Subsidiaries or any of Company Stockholders hereunder, and Parent (on behalf of itself and its Affiliates) agrees that it will not look to the Stockholder Representative or the underlying assets of the Stockholder Representative for the satisfaction of any obligations of the Company, any of its Subsidiaries or any of the Company Stockholders. The Stockholder Representative shall not be liable for any error of judgment, or any action taken, suffered or omitted to be taken, in connection with the performance by the Stockholder Representative of the Stockholder Representative's duties or the exercise by the Stockholder Representative of the Stockholder Representative's rights and remedies under this Agreement or any Transaction Document, except in the case of its bad faith or willful misconduct. No bond shall be required of the Stockholder Representative. The Stockholder Representative may consult with legal counsel, independent public accountants and other experts selected by it and shall not be liable for any action taken or omitted to be taken in good faith by it in accordance with the advice of such counsel,

accountants or experts. The Stockholder Representative shall not have any duty to ascertain or to inquire as to the performance or observance of any of the terms, covenants or conditions of this Agreement or any Transaction Document. Without limiting the generality of the foregoing, the Stockholder Representative shall have the full power and authority to interpret all the terms and provisions of this Agreement and the Transaction Documents, and to consent to any amendment hereof or thereof on behalf of all Company Stockholders and their respective successors. Parent shall be entitled to rely on all statements, representations, decisions of, and actions taken or omitted to be taken by, the Stockholder Representative relating to this Agreement or any Transaction Document.

(b) The Company Stockholders will indemnify and hold harmless the Stockholder Representative from and against any and all Losses arising out of or in connection with the Stockholder Representative's execution and performance of this Agreement and the Transaction Document, in each case as such Loss is suffered or incurred; provided, that in the event that any such Loss is finally adjudicated to have been directly caused by the gross negligence or willful misconduct of the Stockholder Representative, the Stockholder Representative will reimburse the Company Stockholders the amount of such indemnified Loss to the extent attributable to such gross negligence or willful misconduct. The Stockholder Representative shall be entitled to reimbursement by the Company Stockholders for all reasonable expenses, disbursements and advances (including fees and disbursements of its counsel, experts and other agents and consultants) incurred by the Stockholder Representative in such capacity. In the event that the Stockholder Representative determines, in its sole and absolute discretion, that the funds paid to the Stockholder Representative pursuant to Section 2.12 or otherwise exceed the Stockholder Representative Expenses, the Stockholder Representative shall pay such excess amount pro rata to the Company Stockholders, as an addition to such portions of the Purchase Price received by Company Stockholders; provided, however, that notwithstanding anything to the contrary in this Agreement, in no event shall such excess amount become payable to Parent or the Surviving Corporation. In no event will the Stockholder Representative be required to advance its own funds on behalf of the Company Stockholders or otherwise. The Company Stockholders acknowledge and agree that the foregoing indemnities will survive the resignation or removal of the Stockholder Representative and the termination of this Agreement.

(c) The Stockholder Representative may resign at any time by giving 30 days' notice to Parent and the Company Stockholders; provided, however, in the event of the resignation or removal of the Stockholder Representative, a new Stockholder Representative (who shall be reasonably acceptable to Parent) shall be appointed by the vote or written consent of the Company Stockholders who held a majority of the Company Common Stock immediately prior to the Effective Time.

Section 10.3 Interpretation. The words “hereof,” “herein,” “hereinafter,” “hereunder,” and “hereto” and words of similar import refer to this Agreement as a whole and not to any particular section or subsection of this Agreement and reference to a particular section of this Agreement will include all subsections thereof, unless, in each case, the context otherwise requires. The definitions of the terms herein shall apply equally to the singular and plural forms of the terms defined. Whenever the context shall require, any pronoun shall include the corresponding masculine, feminine and neuter forms. When a reference is made in this Agreement to an Exhibit or Schedule, such reference shall be to an Exhibit or Schedule to this Agreement unless otherwise indicated. When a reference is made in this Agreement to Sections, subsections or clauses, such reference shall be to a Section, subsection or clause of this Agreement. Unless otherwise indicated the words “include,” “includes” and “including” when used herein shall be deemed in each case to be followed by the words “without limitation.” References to “writing” or comparable expressions include a reference to facsimile transmission or comparable means of communication, including electronic mail, provided the sender complies with the provisions of Section 10.2. The phrase “made available” means that the subject documents or other materials were included in and available at the “Project Helios” online datasite hosted by Datasite at least one Business Day prior to the date of this Agreement. The table of contents and headings contained in this Agreement are for reference purposes only and shall not affect in any way the meaning or interpretation of this Agreement. When reference is made herein to “the business of” an entity, such reference shall be deemed to include the business of all direct and indirect subsidiaries of such entity. Reference to the subsidiaries of an entity shall be deemed to include all direct and indirect subsidiaries of such entity. The word “or” shall be disjunctive but not exclusive. The word “extent” in the phrase “to the extent” means the degree to which a subject or other thing extends, if applicable, and such phrase does not mean simply “if”. When calculating the period of time before which, within which or following which any act is to be done or step taken pursuant to this Agreement, the date that is the reference date in calculating such period shall be excluded and if the last day of such period is a non-Business Day, the period in question shall end on the next succeeding Business Day. References to a particular statute or regulation including all rules and regulations thereunder and any predecessor or successor statute, rule, or regulation, in each case as amended or otherwise modified from time to time. All references to currency amounts in this Agreement shall mean United States dollars.

Section 10.4 Counterparts; Electronic Delivery. This Agreement, the Transaction Documents and each other document executed in connection with the Transactions, and the consummation thereof, may be executed in one or more counterparts, all of which shall be considered one and the same document and shall become effective when one or more counterparts have been signed by each of the Parties and delivered to the other Parties, it being understood that all Parties need not sign the same counterpart. Delivery by electronic transmission to counsel for the other Parties of a counterpart executed by a Party, including by electronic signature, shall be deemed to meet the requirements of the previous sentence.

Section 10.5 Entire Agreement; Third Party Beneficiaries This Agreement, the other Transaction Documents and any other documents and instruments and agreements among the Parties as contemplated by or referred to herein, including the Exhibits and Schedules hereto (a) constitute the entire agreement among the Parties with respect to the subject matter hereof and supersede all prior agreements and understandings, both written and oral, among the Parties with respect to the subject matter hereof; and (b) are not intended to confer upon any other Person other than the Parties any rights or remedies, other than (i) the rights, at and after the Effective Time, of Persons pursuant to the provisions of Section 6.13 and Section 10.14 (which will be for the benefit of the Persons set forth therein) and (ii) the rights of the Debt Financing Sources, each of whom (x) is an express third-party beneficiary of Section 10.7, Section 10.8, Section 10.9, Section 10.12, Section 10.13, Section 10.14(b) and this Section 10.5(b) to the extent such sections affect the rights and obligations of the Debt Financing Sources and (y) shall be entitled to enforce such provisions and rely thereon.

Section 10.6 Severability. In the event that any term, provision, covenant or restriction of this Agreement, or the application thereof, is held to be illegal, invalid or unenforceable under any present or future applicable Legal Requirement (a) such provision will be fully severable; (b) this Agreement will be construed and enforced as if such illegal, invalid or unenforceable provision had never comprised a part hereof; (c) the remaining provisions of this Agreement will remain in full force and effect and will not be affected by the illegal, invalid or unenforceable provision or by such severance; and (d) in lieu of such

illegal, invalid or unenforceable provision, there will be added automatically as a part of this Agreement a legal, valid and enforceable provision as similar in terms of such illegal, invalid or unenforceable provision as may be possible.

Section 10.7 Other Remedies; Specific Performance. Except as otherwise provided herein, prior to the Closing, any and all remedies herein expressly conferred upon a Party will be deemed cumulative with and not exclusive of any other remedy conferred hereby, or by law or equity upon such Party, and the exercise by a Party of any one remedy will not preclude the exercise of any other remedy. The Parties agree that irreparable damage would occur in the event that any of the provisions of this Agreement were not performed in accordance with their specific terms or were otherwise breached. It is accordingly agreed that each Party shall be entitled to enforce specifically the terms and provisions of this Agreement in any court of the United States or any state having jurisdiction and immediate injunctive relief to prevent breaches of this Agreement, without the necessity of proving the inadequacy of money damages as a remedy and without bond or other security being required, this being in addition to any other remedy to which they are entitled at law or in equity. Each of the Parties hereby acknowledges and agrees that it may be difficult to prove damages with reasonable certainty, that it may be difficult to procure suitable substitute performance, and that injunctive relief and/or specific performance will not cause an undue hardship to the Parties. Each of the Parties hereby further acknowledges that the existence of any other remedy contemplated by this Agreement does not diminish the availability of specific performance of the obligations hereunder or any other injunctive relief. Each Party hereby further agrees that in the event of any action by any other party for specific performance or injunctive relief, it will not assert that a remedy at law or other remedy would be adequate or that specific performance or injunctive relief in respect of such breach or violation should not be available on the grounds that money damages are adequate or any other grounds. Parent acknowledges and agrees that the Stockholder Representative shall be entitled to bring an action for specific enforcement to cause Parent to seek to enforce the provisions of the Subscription Agreements to the fullest extent permissible pursuant to such Subscription Agreements as if it were a party thereto.

Section 10.8 Governing Law. This Agreement and the consummation the Transactions, and any action, suit, dispute, controversy or claim arising out of this Agreement and the consummation of the Transactions, or the validity, interpretation, breach or termination of this Agreement and the consummation of the Transactions, shall be governed by and construed in accordance with the internal law of the State of Delaware regardless of the law that might otherwise govern under applicable principles of conflicts of law thereof. Notwithstanding the foregoing, all disputes against any Debt Financing Source under the Debt Commitment Letter related to this Agreement or the facts and circumstances leading to its execution, whether in contract, tort or otherwise (including any dispute arising out of or relating in any way to the Debt Commitment Letter), will be governed by, and construed in accordance with, the law of the State of New York applicable to contracts executed in and to be performed entirely within such State, without regard to conflict of law principles that would result in the application of any law other than the law of the State of New York.

Section 10.9 Consent to Jurisdiction; Waiver of Jury Trial

(a) Except as provided in Section 6.16, each of the Parties irrevocably consents to the exclusive jurisdiction and venue of the courts of the State of Delaware or the federal courts located in the State of Delaware in connection with any matter based upon or arising out of this Agreement, the other Transaction Documents and the consummation of the Transactions, agrees that process may be served upon them in any manner authorized by the laws of the State of Delaware for such Person and waives and covenants not to assert or plead any objection which they might otherwise have to such manner of service of process. Each Party and any Person asserting rights as a third-party beneficiary may do so only if he, she or it hereby waives, and shall not assert as a defense in any legal dispute, that (i) such Person is not personally subject to the jurisdiction of the above named courts for any reason; (ii) such Legal Proceeding may not be brought or is not maintainable in such court; (iii) such Person's property is exempt or immune from execution; (iv) such Legal Proceeding is brought in an inconvenient forum; or (v) the venue of such Legal Proceeding is improper. Each Party and any Person asserting rights as a third-party beneficiary hereby agrees not to commence or prosecute any such action, claim, cause of action or suit other than before one of the above-named courts, nor to make any motion or take any other action seeking or intending to cause the transfer or removal of any such action, claim, cause

of action or suit to any court other than one of the above-named courts, whether on the grounds of inconvenient forum or otherwise. Each Party hereby consents to service of process in any such Legal Proceeding in any manner permitted by Delaware law, and further consents to service of process by nationally recognized overnight courier service guaranteeing overnight delivery, or by registered or certified mail, return receipt requested, at its address specified pursuant to Section 10.2. Notwithstanding the foregoing in this Section 10.9, any Party may commence any action, claim, cause of action or suit in a court other than the above-named courts solely for the purpose of enforcing an order or judgment issued by one of the above-named courts. Notwithstanding the foregoing, each of the Parties agrees that it will not bring or support any action against the Debt Financing Sources, including any dispute arising out of or relating in any way to any Debt Commitment Letter or the performance thereof, whether based on contract, tort or otherwise, in any forum other than exclusively in federal court sitting in the State of New York, Borough of Manhattan in the City of New York.

(b) TO THE EXTENT NOT PROHIBITED BY APPLICABLE LEGAL REQUIREMENT WHICH CANNOT BE WAIVED, EACH OF THE PARTIES AND ANY PERSON ASSERTING RIGHTS AS A THIRD-PARTY BENEFICIARY (INCLUDING, FOR THE AVOIDANCE OF DOUBT, ANY DEBT FINANCING SOURCE) MAY DO SO ONLY IF HE, SHE OR IT IRREVOCABLY AND UNCONDITIONALLY WAIVES ANY RIGHT TO TRIAL BY JURY ON ANY CLAIMS OR COUNTERCLAIMS ASSERTED IN ANY LEGAL DISPUTE RELATING TO THIS AGREEMENT, EACH OTHER TRANSACTION DOCUMENTS AND THE CONSUMMATION OF THE TRANSACTIONS, AND FOR ANY COUNTERCLAIM RELATING THERETO, IN EACH CASE WHETHER NOW EXISTING OR HEREAFTER ARISING. IF THE SUBJECT MATTER OF ANY SUCH LEGAL DISPUTE IS ONE IN WHICH THE WAIVER OF JURY TRIAL IS PROHIBITED, NO PARTY NOR ANY PERSON ASSERTING RIGHTS AS A THIRD-PARTY BENEFICIARY SHALL ASSERT IN SUCH LEGAL DISPUTE A NONCOMPULSORY COUNTERCLAIM ARISING OUT OF OR RELATING TO THIS AGREEMENT, THE OTHER TRANSACTION DOCUMENTS AND THE CONSUMMATION OF THE TRANSACTIONS. FURTHERMORE, NO PARTY NOR ANY PERSON ASSERTING RIGHTS AS A THIRD-PARTY BENEFICIARY SHALL SEEK TO CONSOLIDATE ANY SUCH LEGAL DISPUTE WITH A SEPARATE ACTION OR OTHER LEGAL PROCEEDING IN WHICH A JURY TRIAL CANNOT BE WAIVED.

Section 10.10 Rules of Construction. Each of the Parties agrees that it has been represented by independent counsel of its choice during the negotiation and execution of this Agreement and each Party hereto and its counsel cooperated in the drafting and preparation of this Agreement and the documents referred to herein and, therefore, waive the application of any law, regulation, holding or rule of construction providing that ambiguities in an agreement or other document will be construed against the Party drafting such agreement or document.

Section 10.11 Expenses. Except as otherwise expressly provided in this Agreement, whether or not the Transactions are consummated, each Party will pay its own costs and expenses incurred in anticipation of, relating to and in connection with the negotiation and execution of this Agreement and the Transaction Documents and the consummation of the Transactions.

Section 10.12 Assignment. No Party may assign, directly or indirectly, including by operation of law, either this Agreement or any of its rights, interests, or obligations hereunder without the prior written approval of the other Parties; provided, that notwithstanding the foregoing, the Company may assign its rights under this Agreement to its lenders providing financing in connection with the transactions contemplated hereby (including the Debt Financing Sources) for collateral security purposes, it being understood that no such assignment shall relieve Parent of any of its obligations hereunder. Subject to the first sentence of this Section 10.12, this Agreement shall be binding upon and shall inure to the benefit of the Parties and their respective successors and permitted assigns.

Section 10.13 Amendment; Extension; Waiver. This Agreement may be amended by the Parties at any time by execution of an instrument in writing signed on behalf of each of the Parties. At any time prior to the Closing, Parent (on behalf of itself and Merger Sub), on the one hand, and the Stockholder Representative (on behalf of itself, the Company and the Company Stockholders), on the other hand, may, to the extent not prohibited by applicable Legal Requirements (a) extend the time for the performance of

any of the obligations or other acts of the other Party; (b) waive any inaccuracies in the representations and warranties made to the other Party contained herein or in any document delivered pursuant hereto; and (c) waive compliance with any of the agreements or conditions for the benefit of such Party contained herein. Any agreement on the part of a Party to any such extension or waiver shall be valid only if set forth in an instrument in writing signed on behalf of such Party. Notwithstanding the foregoing, the provisions of Section 10.5(b) (*Third-Party Beneficiaries*), Section 10.7 (*Other Remedies; Specific Performance*), Section 10.8 (*Governing Law*), Section 10.9 (*Consent to Jurisdiction; Waiver of Jury Trial*), Section 10.12 (*Assignment*), Section 10.14(b) (*No Recourse*) and this Section 10.13 (and any definitions used therein and any other provision in this Agreement that would have the effect of amending, supplementing, modifying, replacing or waiving such definitions or provisions or the substance thereof) may not be amended, supplemented, modified, replaced or waived without the consent of any Debt Financing Source directly and adversely affected by such amendment, supplement, modification, replacement or waiver. Delay in exercising any right under this Agreement shall not constitute a waiver of such right. In the event any provision of any of the other Transaction Document in any way conflicts with the provisions of this Agreement (except where a provision therein expressly provides that it is intended to take precedence over this Agreement), this Agreement shall control.

Section 10.14 No Recourse.

(a) This Agreement may only be enforced against, and any Legal Proceeding for breach of this Agreement or any other claim of any nature whatsoever arising under or relating to this Agreement, the negotiation thereof, its subject matter, or the Transactions, may only be made against, the entities that are expressly identified herein as Parties to this Agreement, and no other Person including any Related Parties of the Parties (each, a “*Nonparty Affiliate*”) shall have any liability (whether in tort, contract or otherwise) under this Agreement or in respect of any oral representations made or alleged to be made in connection herewith, and no personal liability shall attach to any Nonparty Affiliate, whether by or through attempted piercing of the corporate veil, by the enforcement of any judgment, fine or penalty or by virtue of any Legal Requirement or otherwise. Without limiting the generality of the foregoing, the Parties will not, and will not cause or permit any other Person to, hold or attempt to hold any Nonparty Affiliate liable for any actual or alleged inaccuracies, misstatements or omissions with respect to any information or materials of any kind furnished by the Company or any Nonparty Affiliate, or their respective agents or other Representatives, concerning the Company, any of its Subsidiaries, this Agreement or the Transactions. The provisions of this Section 10.14 are intended to be for the benefit of, and enforceable by the Nonparty Affiliates and each such Person shall be a third-party beneficiary of this Section 10.14. This Section 10.14 shall be binding on all successors and assigns of Parties.

(b) Notwithstanding any provision to the contrary in this Agreement, (a) in no event shall Parent, Merger Sub or any of their respective Affiliates or Representatives (i) seek to enforce this Agreement against, make any claims for breach of this Agreement against, or seek to recover monetary damages from, any Debt Financing Source in connection with this Agreement or (ii) seek to enforce the commitments against, make any claims for breach of the Debt Commitment Letter against, or seek to recover monetary damages from, or otherwise sue, any Debt Financing Source for the Debt Financing in connection with (y) this Agreement or (z) the obligations of the Debt Financing Sources for the Debt Financing under the Commitment Letter; it being agreed that the foregoing clauses (i) and (ii) shall include the agreement not to commence (and, if commenced, agrees to dismiss or otherwise terminate, and not to assist) any action, arbitration, audit, hearing, investigation, litigation, petition, grievance, complaint, suit or proceeding against any Debt Financing Source, and (b) Parent and Merger Sub on behalf of themselves and their respective Affiliates and Representatives hereby (i) acknowledges that no Debt Financing Source shall have any liability to Parent or Merger Sub under this Agreement or for any claim made by Parent or Merger Sub based on, in respect of, or by reason of the transactions contemplated hereby, including, but not limited to, any dispute relating to, or arising from, the Debt Financing, the Debt Commitment Letters or the performance thereof, (ii) waives any rights or claims of any kind or nature (whether in law or in equity, in contract, in tort or otherwise) Parent or Merger Sub may have against any Debt Financing Source relating to this Agreement, the Debt Financing, the Debt Commitment Letters or the transactions contemplated hereby or thereby. Nothing in this Section 10.14(b) shall in any way limit or qualify the rights and obligations of (x) the Debt Financing

Sources for the Debt Financing and the other parties to the Debt Financing (or the definitive documents related thereto) to each other thereunder or in connection therewith and (y) Parent against the Company. Without limiting the foregoing, no Debt Financing Source shall be subject to any special, consequential, punitive or indirect damages or damages of a tortious nature with respect to the transactions contemplated by this Agreement, any Debt Financing or the Debt Commitment Letters.

Section 10.15 Legal Representation. Parent hereby agrees on behalf of its directors, members, partners, officers, employees and Affiliates (including, after the Closing, the Company), and each of their respective successors and assigns (all such parties, the “*Waiving Parties*”), that Ropes & Gray LLP (or any successor) may represent the Company Stockholders or any of their respective directors, members, partners, officers, employees or Affiliates (other than the Company), in each case, in connection with any Legal Proceeding or obligation arising out of or relating to this Agreement, any Transaction Document or the Transactions, notwithstanding its representation (or any continued representation) of the Group Companies or other Waiving Parties, and each of Parent and the Company on behalf of itself and the Waiving Parties hereby consents thereto and irrevocably waives (and will not assert) any conflict of interest, breach of duty or any other objection arising therefrom or relating thereto. Parent and the Company acknowledge that the foregoing provision applies whether or not Ropes & Gray LLP provides legal services to any Group Companies after the Closing Date. Each of Parent and the Company, for itself and the Waiving Parties, hereby further irrevocably acknowledges and agrees that all communications, written or oral, between any Group Company, any Company Stockholder and their respective counsel, including Ropes & Gray LLP, made in material connection with the negotiation, preparation, execution, delivery and performance under, or any dispute or Legal Proceeding arising out of or relating to, this Agreement, any Transaction Documents or the Transactions, are privileged communications that do not pass to the Company notwithstanding the Merger, and instead survive, remain with and are controlled by the CCMP Parties (the “*Privileged Communications*”), without any waiver thereof. Parent and the Company, together with any of their respective Affiliates, Subsidiaries, successors or assigns, agree that no Person may use or rely on any of the Privileged Communications, whether located in the records or email server of the Company or otherwise (including in the Knowledge or the officers and employees of the Company), in any adverse Legal Proceeding between Parent or the Company, on the one hand, and any Company Stockholder, on the other hand, and Parent and the Company agree not to assert that any privilege has been waived as to the Privileged Communications, whether located in the records or email server of the Company or otherwise (including in the Knowledge of the officers and employees of the Company).

Section 10.16 Disclosure Letters and Exhibits. The Company Disclosure Letter and Parent Disclosure Letter shall each be arranged in separate parts corresponding to the numbered and lettered sections and subsections in this Agreement, and the information disclosed in any numbered or lettered part shall be deemed to relate to and to qualify only the particular provision set forth in the corresponding numbered or lettered Section or subsection of this Agreement, except to the extent that (a) such information is cross-referenced in another part of the Company Disclosure Letter or Parent Disclosure Letter, as applicable; or (b) it is reasonably apparent on the face of the disclosure (without any independent Knowledge on the part of the reader regarding the matter disclosed) that such information qualifies another provision in this Agreement. The specification of any dollar amount in the representations and warranties contained in this Agreement or the inclusion of any specific item in the Company Disclosure Letter and Parent Disclosure Letter is not intended to imply that such amounts (or higher or lower amounts) are or are not material, and no Party shall use the fact of the setting of such amounts or the fact of the inclusion of any such item in the Company Disclosure Letter or Parent Disclosure Letter in any dispute or controversy between the Parties as to whether any obligation, item, or matter not described herein or included in Company Disclosure Letter or the Parent Disclosure Letter is or is not material for purposes of this Agreement. The inclusion of any item in the Company Disclosure Letter or Parent Disclosure Letter shall not be deemed to constitute an acknowledgment by the Company or Parent, as applicable, that the matter is required to be disclosed by the terms of this Agreement, nor shall such disclosure be deemed (i) an admission of any breach or violation of any Contract or applicable Legal Requirement, (ii) an admission of any liability or obligation to any third party, or (iii) to establish a standard of materiality. The disclosure of any items or information that is not required by this Agreement to be so included is solely for informational purposes and the convenience of Parent, Merger Sub or the Company, as applicable. In addition, under no circumstances shall the disclosure of any matter in this Company Disclosure Letter or Parent Disclosure Letter, where a representation or warranty of the Company or Parent, as applicable, is limited or qualified by the materiality

of the matters to which the representation or warranty is given or by Company Material Adverse Effect or Parent Material Adverse Effect, respectively, imply that any other undisclosed matter having a greater value or other significance is material or would have a material adverse effect. Neither the Company nor Parent shall be prejudiced in any manner whatsoever, and no presumptions shall be created, by virtue of the disclosure of any matter in the Company Disclosure Letter or Parent Disclosure Letter, as applicable, which otherwise is not required to be disclosed by this Agreement.

2.1.3. The execution, delivery and performance by each Holder of this Agreement and the consummation of the transactions contemplated herein do not and will not (i) conflict with or result in a breach or violation of any of the terms or provisions of, or constitute a default under, or result in the creation or imposition of any Lien, charge or encumbrance upon Holder's Covered Shares or any other property or assets of any Holder or any of their respective subsidiaries pursuant to the terms of any indenture, mortgage, deed of trust, loan agreement, lease, license or other agreement or instrument to which any Holder or any of their respective subsidiaries is a party or by which any Holder or any of their respective subsidiaries is bound or to which Holder's Covered Shares or any other property or assets of any Holder or any of their respective subsidiaries is subject, which would reasonably be expected to impair the legal authority of any Holder to enter into and timely perform its obligations under this Agreement, (ii) if a Holder is not an individual, result in any violation of the provisions of the Organizational Documents of such Holder or any of its subsidiaries, (iii) require any consent or approval that has not been given or other action that has not been taken by any third party (including under any Contract binding upon such Holder), in each case, to the extent such consent, approval or other action would prevent, enjoin or materially delay the performance by such Person of its, his or her obligations under this Agreement or (vi) result in any violation of any statute or any judgment, order, rule or regulation of any court or governmental agency or body, domestic or foreign, having jurisdiction over such Holder or any of its subsidiaries or any of their respective properties that would reasonably be expected to impair the legal authority of any Holder to enter into and timely perform its obligations under this Agreement.

2.1.4. Each Holder's signature page hereto sets forth the number of Covered Shares over which such Holder has beneficial ownership as of the date hereof. As of the date hereof, each Holder is the lawful owner of the Covered Shares denoted as being owned by such Holder on the signature page hereto and has the sole power to vote (or sole power to direct the voting of) such Covered Shares. Each Holder has good and valid title to the Covered Shares denoted as being owned by such Holder on the signature page hereto, free and clear of any and all Liens other than those created or permitted by this Agreement, the Organizational Documents of Hillman, or those imposed by applicable law, including federal and state securities laws. Except for the Covered Shares denoted on the signature page hereto, as of the date of this Agreement, Holder is not a beneficial owner or record holder of any (i) equity securities of Hillman, (ii) securities of Hillman having the right to vote on any matters on which the holders of equity securities of Hillman may vote or which are convertible into or exchangeable for, at any time, equity securities of Hillman, or (iii) options or other rights to acquire from Hillman any equity securities or securities convertible into or exchangeable for equity securities of Hillman except as contemplated by the Merger Agreement or any other Transaction Document.

2.1.5. Each Holder acknowledges and represents that such Holder is a sophisticated stockholder and has (i) conducted his, her or its own independent review and analysis of, and, based thereon, has formed an independent judgment concerning, the business, assets, condition, operations and prospects of Landcadia, (ii) had the opportunity to read the Merger Agreement and this Agreement and has had the opportunity to consult with its, his or her tax and legal advisor, and (iii) received such information as such Holder deems necessary in order to make an investment decision with respect to the Covered Shares and to enter into this Agreement, including with respect to Hillman, Landcadia and the Transactions. Without limiting the generality of the foregoing, no Holder has relied on any statements or other information provided by Hillman or Landcadia in making its decision to enter into, deliver and perform its obligations under this Agreement. Each Holder further acknowledges that there have been no representations, warranties, covenants or agreements made to such Holder by Landcadia or any of its respective officers or directors, expressly or by implication, other than those representations, warranties, covenants and agreements expressly set forth in this Agreement. Each Holder acknowledges that the agreements contained herein with respect to the Covered Shares held by such Holder are irrevocable.

2.1.6. No Holder is currently (and at all times through Closing will refrain from being or becoming) a member of a "group" (within the meaning of Section 13(d)(3) or Section 14(d)(2) of the

Securities Exchange Act of 1934, as amended (the “**Exchange Act**”), or any successor provision), including any group acting for the purpose of acquiring, holding or disposing of equity securities of Hillman (within the meaning of Rule 13d-5(b)(1) under the Exchange Act).

2.1.7. Each Holder understands and acknowledges that Landcadia is entering into the Merger Agreement in reliance upon the execution and delivery of this Agreement by the Holders.

2.1.8. No Holder (i) has entered into any voting agreement or voting trust with respect to such Holder’s Covered Shares inconsistent with the Holders’ obligations pursuant to this Agreement, (ii) has granted a proxy, a consent or power of attorney with respect to the Holders’ Covered Shares and (iii) has entered into any agreement or taken any action that would make any representation or warranty of the Holders contained herein untrue or incorrect or have the effect of preventing the Holders from performing any of their obligations under this Agreement.

2.1.9. There is no Action pending against any Holder or, to the knowledge of any Holder, threatened against any Holder, before or, in the case of threatened Actions, that would be before, any arbitrator or Governmental Entity, which in any manner challenges the beneficial or record ownership of any Holder’s Covered Shares, the validity of this Agreement or the performance by the Holders of their obligations under this Agreement.

2.2. Representations, Warranties and Agreements of Landcadia. Landcadia hereby represents and warrants to the Holders and acknowledges and agrees with the Holders as follows:

2.2.1. Landcadia is duly organized and validly existing under the Legal Requirements of its jurisdiction of formation, with corporate power and authority to enter into, deliver and perform its obligations under this Agreement.

2.2.2. This Agreement has been duly authorized, executed and delivered by Landcadia and is enforceable against Landcadia in accordance with its terms, except as may be limited or otherwise affected by (i) bankruptcy, insolvency, fraudulent conveyance, reorganization, moratorium or other Legal Requirements relating to or affecting the rights of creditors generally and (ii) principles of equity, whether considered at law or equity.

2.2.3. The execution, delivery and performance of this Agreement (including compliance by Landcadia with all of the provisions hereof) and the consummation of the transactions contemplated herein will not (i) conflict with or result in a breach or violation of any of the terms or provisions of, or constitute a default under, any of the terms of any material contract, or other agreements or instrument to which Landcadia is a party or by which Landcadia or any of its assets may be bound, (ii) result in any violation of the provisions of the organizational documents of Landcadia, or (iii) result in any violation of any statute or any judgment, order, rule or regulation of any court or governmental agency or body, domestic or foreign, having jurisdiction over Landcadia or any of its properties that would reasonably be expected to impair Landcadia’s ability to perform its obligations under this Agreement.

3. Additional Covenants.

3.1. No Transfers. Each Holder agrees that, prior to the Termination Date, except as contemplated by this Agreement, the Merger Agreement or any other Transaction Document, it shall not, and shall cause its Affiliates not to, without Landcadia’s prior written consent (which consent may be given or withheld by Landcadia in its sole discretion): (i) directly or indirectly, offer for sale, sell (including short sales), transfer, tender, pledge, convert, encumber, assign or otherwise dispose of (including by gift, merger, tendering into any tender offer or exchange offer or otherwise), either voluntarily or involuntarily (collectively, a “**Transfer**”), or enter into any contract, option, derivative, hedging or other agreement or arrangement or understanding (including any profit-sharing arrangement) with respect to, or consent to, a Transfer of, any or all of the Covered Shares; (ii) grant any proxies or powers of attorney with respect to any or all of the Covered Shares (except in connection with voting by proxy at a meeting of stockholders of Hillman as contemplated by Section 1 of this Agreement); (iii) permit to exist any Lien with respect to any or all of the Covered Shares other than those created by this Agreement. Notwithstanding the foregoing, this Section 3.1 shall not prohibit a Transfer of Covered Shares by any Holder to an Affiliate of such Holder; provided that such Transfer shall be permitted only if, prior to or in connection with such Transfer, the transferee agrees in writing,

reasonably satisfactory in form and substance to Landcadia, to assume all of the obligations of such Holder hereunder and to be bound by the terms of this Agreement; provided further that any Transfer permitted under this Section 3.1 shall not relieve the Holder of its obligations under this Agreement. Any transfer in violation of this Section 3.1 shall be null and void ab initio.

3.2. Covered Shares. In the event of a stock dividend or distribution, or any change in the Covered Shares by reason of any stock dividend or distribution, split-up, recapitalization, combination, conversion, exchange of shares or the like, the term "Covered Shares" shall be deemed to refer to and include the Covered Shares as well as all such stock dividends and distributions and any securities into which or for which any or all of the Covered Shares may be changed or exchanged or which are received in such transaction. Each Holder agrees, while this Agreement is in effect, to notify Landcadia promptly in writing (including by e-mail) of the number of any additional Covered Shares acquired by such Holder, if any, after the date hereof.

3.3. Inconsistent Actions. Each Holder agrees, while this Agreement is in effect, not to take or agree or commit to take any action that would make any representation and warranty of the Holders contained in this Agreement inaccurate or have the effect of preventing or disabling the Holders from performing its obligations under this Agreement.

3.4. Standstill Obligations. Each Holder covenants and agrees that, prior to the Termination Date:

3.4.1. Each Holder shall be bound by and comply with Sections 6.11 (No Solicitation) and 6.4 (Confidentiality) of the Merger Agreement (and any relevant definitions contained in any such sections) to the same extent as such provisions apply to Hillman as if such Holder were a signatory to the Merger Agreement with respect to such provisions.

3.4.2. Each Holder shall not, nor shall any Holder act in concert with any person to, deposit any of the Covered Shares in a voting trust or subject any of the Covered Shares to any arrangement or agreement with any person with respect to the voting of the Covered Shares, except as provided by Section 3.1.

3.5. Stop Transfers. Each Holder agrees with, and covenants to, Landcadia that no Holder shall request that Hillman register the transfer (book-entry or otherwise) of any certificate or uncertificated interest representing any Covered Shares during the term of this Agreement without the prior written consent of Landcadia, in its sole discretion, other than pursuant to a transfer permitted by Section 3.1.

3.6. No Inconsistent Agreements. Each Holder hereby covenants and agrees that, except for this Agreement, no Holder shall, at any time while this Agreement remains in effect, (i) be party or subject to, or enter into any voting agreement or voting trust with respect to such Holder's Covered Shares inconsistent with such Holder's obligations pursuant to this Agreement, (ii) grant a proxy, a consent or power of attorney with respect to such Holder's Covered Shares and (iii) be party or subject to, or enter into any agreement or taken any action that would make any representation or warranty of the Holders contained herein untrue or incorrect in any material respect or have the effect of preventing the Holders from performing any of their obligations under this Agreement.

3.7. Non-Circumvention. Each party hereto agrees that it shall not, and shall cause its Affiliates not to, indirectly accomplish that which it is not permitted to accomplish directly under this Agreement pursuant to provisions of this Agreement that have not been terminated pursuant to Section 4.

4. Termination.

This Agreement shall terminate and be void and of no further force and effect, and all rights and obligations of the parties hereunder shall terminate without any further liability on the part of any party in respect thereof, upon the earlier to occur of (i) the Effective Time, (ii) such date and time as the Merger Agreement is validly terminated in accordance with its terms and (iii) upon the mutual written agreement of each of the parties hereto to terminate this Agreement (the earliest such date under clause (i), (ii) and (iii) being referred to herein as the "**Termination Date**"); provided that nothing herein will relieve any party from liability for any willful breach hereof prior to the time of termination, and each party will be entitled to any remedies at law or in equity to recover losses, liabilities or damages arising from such breach. Landcadia shall promptly notify each Holder of the termination of the Merger Agreement promptly after the

termination of such agreement. Notwithstanding anything to the contrary herein, the provisions of Section 5 shall survive the termination of this Agreement.

5. Miscellaneous.

5.1. Further Assurances. The parties hereto shall execute and deliver such additional documents and take such additional actions as the parties reasonably may deem to be practical and necessary in order to consummate the transactions contemplated by this Agreement.

5.1.1. Each of the parties hereto acknowledges that Landcadia and others will rely on the acknowledgments, understandings, agreements, representations and warranties contained in this Agreement. Prior to the Termination Date, each of the parties hereto agrees to promptly notify the other parties hereto if any of the acknowledgments, understandings, agreements, representations and warranties made by such party set forth herein are no longer accurate in all material respects.

5.1.2. Each Holder, from time to time, at Landcadia's request and without further consideration, shall execute and deliver such additional documents and take all such further action as may be reasonably necessary under applicable Legal Requirements to effect the actions and consummate the transactions contemplated by the Merger Agreement and this Agreement on the terms and subject to the conditions set forth herein and therein.

5.1.3. Each of the Holders and Landcadia is entitled to rely upon this Agreement and is irrevocably authorized to produce this Agreement or a copy hereof to any interested party in any administrative or legal proceeding or official inquiry with respect to the matters covered hereby.

5.1.4. Each of the parties hereto shall pay all of their respective expenses in connection with this Agreement and the transactions contemplated herein.

5.1.5. Each Holder shall take, or cause to be taken, all actions and do, or cause to be done, all things necessary, proper or advisable to consummate the transactions contemplated by this Agreement on the terms and conditions described therein no later than immediately prior to the consummation of the Transactions.

5.1.6. Each Holder further agrees not to commence or participate in, and to take all actions necessary to opt out of any class in any class Action with respect to, any Action or claim, derivative or otherwise, against Landcadia, Landcadia's Affiliates, the Sponsors, Hillman or any of their respective successors and assigns relating to the negotiation, execution or delivery of this Agreement, the Merger Agreement or any other Transaction Document.

5.2. Notices. Any notice or communication required or permitted hereunder shall be in writing and either delivered personally, emailed or sent by overnight mail via a reputable overnight carrier, and shall be deemed to be given and received (i) when so delivered personally, (ii) when sent, with no mail undeliverable or other rejection notice, if sent by email, or (iii) the next day when sent by overnight carrier to the address below or to such other address or addresses as such person may hereafter designate by notice given hereunder:

5.3. Entire Agreement. This Agreement constitutes the entire agreement, and supersedes all other prior agreements, understandings, representations and warranties, both written and oral, among the parties, with respect to the subject matter hereof, including any commitment letter(s) entered into relating to the subject matter hereof.

5.4. Modifications and Amendments. This Agreement may not be amended, modified, supplemented or waived (i) except by an instrument in writing, signed by the party against whom enforcement of such amendment, modification, supplement or waiver is sought, (ii) without the prior written consent of Landcadia and (iii) in the event that such amendment, modification, supplement or waiver would reasonably be expected to materially and adversely affect the closing of the Transactions pursuant to the Merger Agreement, without the prior written consent of Hillman; provided that any rights (but not obligations) of a party under this Agreement may be waived, in whole or in part, by such party on its own behalf without the prior consent of any other party.

5.5. Assignment. Except for transfers permitted by Section 3.1, neither this Agreement nor any rights, interests or obligations that may accrue to the parties hereunder may be transferred or assigned without the prior written consent of each of the other parties hereto. Any such assignment without such consent shall be null and void. This Agreement shall be binding upon, inure to the benefit of and be enforceable by the parties hereto and their respective successors and permitted assigns.

5.6. Benefit.

5.6.1. Except as otherwise provided herein, this Agreement shall be binding upon, and inure to the benefit of the parties hereto and their heirs, executors, administrators, successors, legal representatives, and permitted assigns, and the agreements, representations, warranties, covenants and acknowledgments contained herein shall be deemed to be made by, and be binding upon, such heirs, executors, administrators, successors, legal representatives and permitted assigns. This Agreement shall not confer rights or remedies upon any person other than the parties hereto and their respective successors and assigns.

5.6.2. Each Holder acknowledges and agrees that (i) this Agreement is being entered into in order to induce Landcadia to execute and deliver the Merger Agreement and without the representations, warranties, covenants and agreements of the Holders hereunder, Landcadia would not enter into the Merger Agreement, (ii) each representation, warranty, covenant and agreement of the Holders hereunder is being made also for the benefit of Landcadia, and (iii) Landcadia may directly enforce (including by an action for specific performance, injunctive relief or other equitable relief in accordance with Section 5.12) each of the covenants and agreements of Holder under this Agreement.

5.6.3. Each of the Holders and Landcadia agrees that Hillman is a third-party beneficiary of this Agreement and Hillman may directly enforce (including by an action for specific performance, injunctive relief or other equitable relief) each of the covenants and agreements of the Holders under this Agreement, as amended, modified, supplemented or waived in accordance with Section 5.4.

5.7. Capacity; Fiduciary Duties. The covenants and agreements set forth herein shall not (a) limit or affect any action or inaction by any Holder or any representative of such Holder serving as a member of the board of directors of Hillman or as an officer, employee or fiduciary of Hillman, in each case, acting in

such person's capacity as a director, officer, employee or fiduciary of Hillman, or (b) prevent any Holder or Holder designee, director, officer or employee serving on the board of directors of Hillman from exercising his or her fiduciary duties while acting in such person's capacity as a director of Hillman. Each Holder is entering into this Agreement solely in its capacity as the beneficial owner of such Holder's Hillman Shares, and not in such Holder's capacity as a director, officer or employee of Hillman or any of Hillman's Subsidiaries, and nothing in the foregoing sentence shall be deemed to limit, amend, modify or waive (a) any obligation of any Holder hereunder in such Holder's capacity as a beneficial owner of such Holder's Hillman Shares or (b) any obligation of Hillman under the Merger Agreement or any other Transaction Document.

5.8. **Governing Law.** This Agreement, and all claims or causes of action (each, an "**Action**") based upon, arising out of, or related to this Agreement or the transactions contemplated hereby, shall be governed by, and construed in accordance with, the Legal Requirements of the State of Delaware, without giving effect to principles or rules of conflict of laws to the extent such principles or rules would require or permit the application of Legal Requirements of another jurisdiction.

5.9. **Consent to Jurisdiction; Waiver of Jury Trial** Any Action based upon, arising out of or related to this Agreement or the transactions contemplated hereby may be brought in federal and state courts located in the State of Delaware, and each of the parties irrevocably submits to the exclusive jurisdiction of each such court in any such Action, waives any objection it may now or hereafter have to personal jurisdiction, venue or to convenience of forum, agrees that all claims in respect of the Action shall be heard and determined only in any such court, and agrees not to bring any Action arising out of or relating to this Agreement or the transactions contemplated hereby in any other court. Nothing herein contained shall be deemed to affect the right of any party to serve process in any manner permitted by law or to commence legal proceedings or otherwise proceed against any other party in any other jurisdiction, in each case, to enforce judgments obtained in any Action brought pursuant to this paragraph. EACH OF THE PARTIES HERETO HEREBY IRREVOCABLY WAIVES ANY AND ALL RIGHT TO TRIAL BY JURY IN ANY ACTION BASED UPON, ARISING OUT OF OR RELATED TO THIS AGREEMENT OR THE TRANSACTIONS CONTEMPLATED HEREBY.

5.10. **Severability.** If any provision of this Agreement shall be invalid, illegal or unenforceable, the validity, legality or enforceability of the remaining provisions of this Agreement shall not in any way be affected or impaired thereby and shall continue in full force and effect.

5.11. **No Waiver of Rights, Powers and Remedies** No failure or delay by a party hereto in exercising any right, power or remedy under this Agreement, and no course of dealing between the parties hereto, shall operate as a waiver of any such right, power or remedy of such party. No single or partial exercise of any right, power or remedy under this Agreement by a party hereto, nor any abandonment or discontinuance of steps to enforce any such right, power or remedy, shall preclude such party from any other or further exercise thereof or the exercise of any other right, power or remedy hereunder. The election of any remedy by a party hereto shall not constitute a waiver of the right of such party to pursue other available remedies. No notice to or demand on a party not expressly required under this Agreement shall entitle the party receiving such notice or demand to any other or further notice or demand in similar or other circumstances or constitute a waiver of the rights of the party giving such notice or demand to any other or further action in any circumstances without such notice or demand.

5.12. **Remedies.**

5.12.1. The parties agree that irreparable damage would occur if this Agreement was not performed or the Closing is not consummated in accordance with its specific terms or was otherwise breached and that money damages or other legal remedies would not be an adequate remedy for any such damage. It is accordingly agreed that the parties hereto shall be entitled to equitable relief, including in the form of an injunction or injunctions, to prevent breaches or threatened breaches of this Agreement and to enforce specifically the terms and provisions of this Agreement, including the Holders' obligations to vote their Covered Shares as provided in this Agreement, without proof of actual damages or the inadequacy of monetary damages as a remedy, in an appropriate court of competent jurisdiction as set forth in Section 5.9, this being in addition to any other remedy to which any party is entitled at law or in equity, including money damages. The right to specific enforcement shall include the

right of the parties to cause the other parties to cause the transactions contemplated hereby to be consummated on the terms and subject to the conditions and limitations set forth in this Agreement. The parties hereto further agree (i) to waive any requirement for the security or posting of any bond in connection with any such equitable remedy, (ii) not to assert that a remedy of specific enforcement pursuant to this Section 5.12 is unenforceable, invalid, contrary to applicable law or inequitable for any reason, and (iii) to waive any defenses in any action for specific performance, including the defense that a remedy at law would be adequate. In connection with any action for which Landcadia is being granted an award of money damages, the Holders agree that such damages shall include, without limitation, damages related to the cash consideration that is or was to be paid to Landcadia under the Merger Agreement and such damages are not limited to an award of out-of-pocket fees and expenses related to the Merger Agreement.

5.12.2. The parties acknowledge and agree that this Section 5.12 is an integral part of the transactions contemplated hereby and without that right, the parties hereto would not have entered into this Agreement.

5.12.3. In any dispute arising out of or related to this Agreement, or any other agreement, document, instrument or certificate contemplated hereby, or any transactions contemplated hereby or thereby, the applicable adjudicating body shall award to the prevailing party, if any, the costs and attorneys' fees reasonably incurred by the prevailing party in connection with the dispute and the enforcement of its rights under this Agreement or any other agreement, document, instrument or certificate contemplated hereby and, if the adjudicating body determines a party to be the prevailing party under circumstances where the prevailing party won on some but not all of the claims and counterclaims, the adjudicating body may award the prevailing party an appropriate percentage of the costs and attorneys' fees reasonably incurred by the prevailing party in connection with the adjudication and the enforcement of its rights under this Agreement or any other agreement, document, instrument or certificate contemplated hereby or thereby.

5.13. Survival of Representations and Warranties. All representations and warranties made by the parties hereto in this Agreement shall survive the Closing.

5.14. No Broker or Finder. Each of the Holders represents and warrants to the other parties hereto that no broker, finder or other financial consultant has acted on its behalf in connection with this Agreement or the transactions contemplated hereby in such a way as to create any liability on any other party hereto. Each of the Holders agrees to indemnify and save the other parties hereto harmless from any claim or demand for commission or other compensation by any broker, finder, financial consultant or similar agent claiming to have been employed by or on behalf of such party and to bear the cost of legal expenses incurred in defending against any such claim.

5.15. Headings and Captions. The headings and captions of the various subdivisions of this Agreement are for convenience of reference only and shall in no way modify or affect the meaning or construction of any of the terms or provisions hereof.

5.16. Counterparts. This Agreement may be executed in one or more counterparts, all of which when taken together shall be considered one and the same agreement and shall become effective when counterparts have been signed by each party and delivered to the other parties, it being understood that the parties need not sign the same counterpart. In the event that any signature is delivered by any form of electronic delivery, such signature shall create a valid and binding obligation of the party executing (or on whose behalf such signature is executed) with the same force and effect as if such signature page were an original thereof.

5.17. Construction. The words "include," "includes," and "including" will be deemed to be followed by "without limitation." Pronouns in masculine, feminine, and neuter genders will be construed to include any other gender, and words in the singular form will be construed to include the plural and vice versa, unless the context otherwise requires. The words "herein," "hereof," "hereby," "hereunder," and words of similar import refer to this Agreement as a whole and not to any particular subdivision unless expressly so limited. The parties hereto intend that each representation, warranty, and covenant contained herein will have independent significance. If any party hereto has breached any representation, warranty, or covenant

contained herein in any respect, the fact that there exists another representation, warranty or covenant relating to the same subject matter (regardless of the relative levels of specificity) which such party has not breached will not detract from or mitigate the fact that such party is in breach of the first representation, warranty, or covenant.

5.18. **Mutual Drafting.** This Agreement is the joint product of the parties hereto and each provision hereof has been subject to the mutual consultation, negotiation and agreement of the parties hereto and shall not be construed for or against any party.

5.19. **Consent to Disclosure.** Each Holder hereby consents to the publication and disclosure in any (i) Form 8-K filed by Hillman or Landcadia with the SEC in connection with the execution and delivery of the Merger Agreement and the Registration Statement or (ii) other documents or communications provided by Hillman or Landcadia to any Governmental Entity or to securityholders of Hillman, in each case, to the extent required by the federal securities laws or the SEC or any other securities authorities, of each Holder's name or identity and beneficial ownership of Covered Shares and the nature of each Holder's commitments, arrangements and understandings under and relating to this Agreement and, if deemed appropriate by Hillman or Landcadia, a copy of this Agreement. Without each Holder's prior written consent, Hillman and Landcadia shall not use such Holder's name in any press release issued in connection with the Transactions. Each Holder will promptly provide any information reasonably requested by Hillman or Landcadia for any regulatory application or filing made or approval sought in connection with the Transactions (including filings with the SEC).

5.20. **No Ownership Interest.** Nothing contained in this Agreement shall be deemed to vest in Landcadia any direct or indirect ownership or incidence of ownership of or with respect to any Covered Shares.

5.21. **No Partnership, Agency or Joint Venture.** This Agreement is intended to create a contractual relationship between the Holders, on the one hand, and Landcadia, on the other hand, and is not intended to create, and does not create, any agency, partnership, joint venture or any like relationship between or among the parties.

5.22. **No Recourse.** Notwithstanding anything to the contrary contained herein or otherwise, but without limiting any provision in the Merger Agreement or any other Transaction Document, this Agreement may only be enforced against, and any claims or causes of action that may be based upon, arise out of or relate to this Agreement, or the negotiation, execution or performance of this Agreement or the transactions contemplated hereby, may only be made against the entities and Persons that are expressly identified as parties to this Agreement in their capacities as such and no former, current or future stockholders, equity holders, controlling persons, directors, officers, employees, general or limited partners, members, managers, agents or affiliates of any party hereto, or any former, current or future direct or indirect stockholder, equity holder, controlling person, director, officer, employee, general or limited partner, member, manager, agent or affiliate of any of the foregoing (each, a "**Non-Recourse Party**") shall have any liability for any obligations or liabilities of the parties to this Agreement or for any claim (whether in tort, contract or otherwise) based on, in respect of, or by reason of, the transactions contemplated hereby or in respect of any oral representations made or alleged to be made in connection herewith. Without limiting the rights of any party against the other parties hereto, in no event shall any party or any of its affiliates seek to enforce this Agreement against, make any claims for breach of this Agreement against, or seek to recover monetary damages from, any Non-Recourse Party.

In order to induce Hillman and Landcadia to enter into the Merger Agreement and for other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, each Sponsor and each of the Insiders, hereby agrees with Landcadia and, at all times prior to any valid termination of the Merger Agreement, Hillman as follows:

1. Each Sponsor and each Insider hereby agrees: (i) that at any duly called meeting of the stockholders of Landcadia (or any adjournment or postponement thereof), and in any action by written consent of the stockholders of Landcadia requested by Landcadia's board of directors or undertaken as contemplated by the Transactions, each Sponsor and each Insider shall, if a meeting is held, appear at the meeting, in person or by proxy, or otherwise cause all of its, his or her shares of Capital Stock to be counted as present thereat for purposes of establishing a quorum, and it, he or she shall vote or consent (or cause to be voted or consented), in person or by proxy, all of its, his or her shares of Capital Stock (a) in favor of the adoption of the Merger Agreement and approval of the Transactions (and any actions required in furtherance thereof), (b) against any action, proposal, transaction or agreement that would reasonably be expected to result in a breach of any representation, warranty, covenant, obligation or agreement of Landcadia contained in the Merger Agreement, (c) in favor of any other proposals set forth in Landcadia's proxy statement to be included as part of the Registration Statement on Form S-4 to be filed by Landcadia with the SEC relating to the Transactions (including any amendments or supplements thereto, the "**Proxy Statement**"), (d) for any proposal to adjourn or postpone the applicable stockholder meeting to a later date if (and only if) (1) there are not sufficient votes for approval of the Merger Agreement and any other proposals related thereto as set forth in the Proxy Statement on the dates on which such meetings are held or (2) the closing condition in Section 7.1(k) of the Merger Agreement has not been satisfied, and (e) except as set forth in the Proxy Statement, against the following actions or proposals: (1) any Business Combination or any proposal in opposition to approval of the Merger Agreement or in competition with or inconsistent with the Merger Agreement; and (2) (A) any change in the present capitalization of Landcadia or any amendment of Landcadia's second amended and restated certificate of incorporation (as it may be amended from time to time, the "**Second A&R Certificate of Incorporation**"), except to the extent expressly contemplated by the Merger Agreement, (B) any liquidation, dissolution or other change in Landcadia's corporate structure or business, (C) any action, proposal, transaction or agreement that would result in a breach in any material respect of any covenant, representation or warranty or other obligation or agreement of the Sponsors or such Insider under this Letter Agreement, or (D) any other action or proposal involving Landcadia or any of its subsidiaries that is intended, or

would reasonably be expected, to prevent, impede, interfere with, delay, postpone or adversely affect the Transactions, and (ii) not to redeem, elect to redeem or tender or submit any of its shares of Common Stock owned by it, him or her for redemption in connection with such stockholder approval or proposed Business Combination, or in connection with any vote to amend the Second A&R Certificate of Incorporation. Prior to any valid termination of the Merger Agreement, (x) each Sponsor and each Insider shall take, or cause to be taken, all actions and to do, or cause to be done, all things reasonably necessary under applicable Legal Requirements to consummate the Merger and the other transactions contemplated by the Merger Agreement and on the terms and subject to the conditions set forth therein, and (y) each Sponsor and each Insider shall be bound by and comply with Sections 6.11 (*No Solicitation*) and 6.4 (*Confidentiality; Communications Plan; Access to Information*) of the Merger Agreement (and any relevant definitions contained in any such sections) as if such Person were a signatory to the Merger Agreement with respect to such provisions. If Landcadia seeks to consummate a proposed Business Combination by engaging in a tender offer, each Sponsor and each Insider agrees that it, he or she will not seek to sell any shares of Common Stock owned by it, him or her to Landcadia in connection therewith. The obligations of the Sponsors and the Insiders specified in this paragraph 1 shall apply whether or not the Merger, any of the Transactions or any action described above is recommended by Landcadia's board of directors.

2. (a) Each Sponsor and each Insider hereby agrees that in the event that Landcadia fails to consummate a Business Combination by October 14, 2022, or such later period approved by Landcadia's stockholders in accordance with the Second A&R Certificate of Incorporation, each Sponsor and each Insider shall take all reasonable steps to cause Landcadia to (i) cease all operations except for the purpose of winding up, (ii) as promptly as reasonably possible but not more than 10 Business Days thereafter, subject to lawfully available funds therefor, redeem 100% of the Common Stock sold as part of the Units in the Public Offering (the "*Offering Shares*"), at a per-share price, payable in cash, equal to the aggregate amount then on deposit in the Trust Account (as defined below), including interest earned on the funds held in the Trust Account and not previously released to Landcadia to pay its taxes (less up to \$100,000 of interest to pay dissolution expenses), divided by the number of then outstanding Offering Shares, which redemption will completely extinguish all Public Stockholders' rights as stockholders (including the right to receive further liquidating distributions, if any), subject to applicable law, and (iii) as promptly as reasonably possible following such redemption, subject to the approval of Landcadia's remaining stockholders and Landcadia's board of directors, dissolve and liquidate, subject in each case to Landcadia's obligations under Delaware law to provide for claims of creditors and other requirements of applicable law. Each Sponsor and each Insider agrees to not propose any amendment to the Second A&R Certificate of Incorporation to modify the substance or timing of Landcadia's obligation (i) to redeem 100% of the Offering Shares if Landcadia does not complete a Business Combination by the date set forth in the Second A&R Certificate of Incorporation or (ii) to provide for redemption in connection with a Business Combination, unless Landcadia provides its public stockholders with the opportunity to redeem their shares of Common Stock upon approval of any such amendment at a per-share price, payable in cash, equal to the aggregate amount then on deposit in the Trust Account, including interest earned on the funds held in the Trust Account and not previously released to Landcadia to pay its taxes, divided by the number of then outstanding Offering Shares.

(b) Each Sponsor and each Insider acknowledges that it, he or she has no right, title, interest or claim of any kind in or to any monies held in the Trust Account or any other asset of Landcadia as a result of any liquidation of Landcadia with respect to the Founder Shares held by it, him or her. Each Sponsor and each Insider hereby further waives, with respect to any shares of Common Stock held by it, him or her, if any, any redemption rights it, he or she may have in connection with the consummation of a Business Combination, including, without limitation, any such rights available in the context of a stockholder vote to approve such Business Combination or a stockholder vote to approve an amendment to the Second A&R Certificate of Incorporation to modify the substance or timing of Landcadia's obligation to redeem 100% of the Offering Shares if Landcadia has not consummated a Business Combination within the time period set forth in the Second A&R Certificate of Incorporation or in the context of a tender offer made by Landcadia to

- purchase shares of Common Stock (although the Sponsors, the Insiders and their respective affiliates shall be entitled to redemption and liquidation rights with respect to any Offering Shares it or they hold if Landcadia fails to consummate a Business Combination within the time period set forth in the Second A&R Certificate of Incorporation).
3. Without limiting their obligations under paragraph 6 below, during the period commencing on the date hereof and ending on the earlier of (a) the valid termination of the Merger Agreement or (b) the Closing, each Sponsor and each Insider shall not, without the prior written consent of Landcadia, Transfer any Units, shares of Capital Stock, warrants (each, a “*Warrant*”) to purchase shares of Common Stock or any securities convertible into, or exercisable, or exchangeable for, shares of Common Stock owned by it, him or her. In the event that (i) any shares of Capital Stock, Warrants or other equity securities of Landcadia are issued to the Sponsors or any Insider after the date hereof pursuant to any stock dividend, stock split, recapitalization, reclassification, combination or exchange of shares of Capital Stock of, on or affecting the shares of Capital Stock owned by the Sponsors or any Insider or otherwise, (ii) the Sponsors or any Insider purchases or otherwise acquires beneficial ownership of any shares of Capital Stock, Warrants or other equity securities of Landcadia after the date hereof or (iii) the Sponsors or any Insider acquires the right to vote or share in the voting of any shares of Capital Stock, Warrants or other equity securities of Landcadia after the date hereof (such shares of Capital Stock, Warrants or other equity securities of Landcadia described in clauses (i), (ii) and (iii), the “*New Shares*”), then such New Shares acquired or purchased by the Sponsors or any Insider shall be subject to the terms of this paragraph 3 and paragraph 1 above to the same extent as if they constituted the Capital Stock or Warrants owned by such Sponsor or Insider as of the date hereof.
 4. In the event of the liquidation of the Trust Account upon the failure of Landcadia to consummate its initial Business Combination within the time period set forth in the Second A&R Certificate of Incorporation, each Sponsor (together, the “*Indemnitors*”) jointly and severally agrees to indemnify and hold harmless Landcadia against any and all loss, liability, claim, damage and expense whatsoever (including, but not limited to, any and all legal or other expenses reasonably incurred in investigating, preparing or defending against any litigation, whether pending or threatened) to which Landcadia may become subject as a result of any claim by (i) any third party for services rendered or products sold to Landcadia or (ii) any prospective target business with which Landcadia has entered into a written letter of intent, confidentiality or other similar agreement or Business Combination agreement (a “*Target*”); provided, that such indemnification of Landcadia by the Indemnitors (x) shall apply only to the extent necessary to ensure that such claims by a third party or a Target do not reduce the amount of funds in the Trust Account to below the lesser of (i) \$10.00 per Offering Share and (ii) the actual amount per Offering Share held in the Trust Account as of the date of the liquidation of the Trust Account, if less than \$10.00 per Offering Share is then held in the Trust Account due to reductions in the value of the trust assets, less interest earned on the Trust Account which may be withdrawn to pay taxes, (y) shall not apply to any claims by a third party or a Target which executed a waiver of any and all rights to the monies held in the Trust Account (whether or not such waiver is enforceable) and (z) shall not apply to any claims under Landcadia’s indemnification of Jefferies, LLC (the “*Representative*”) against certain liabilities, including liabilities under the Securities Act of 1933, as amended. Each Indemnitor shall have the right to defend against any such claim with counsel of its choice reasonably satisfactory to Landcadia if, within 15 days following written receipt of notice of the claim to such Indemnitor, such Indemnitor notifies Landcadia in writing that it shall undertake such defense
 5. Each Sponsor and each Insider hereby agrees and acknowledges that: (i) the Representative, Landcadia and, prior to any valid termination of the Merger Agreement, Hillman would be irreparably injured in the event of a breach by either Sponsor or an Insider of its, his or her obligations under paragraphs 1, 2, 3, 4, 6(a), 6(b), 6(c), 6(d), 8 and 14, as applicable, of this Letter Agreement (with respect to the Representative, only to the extent such provisions were contained in the Prior Letter Agreement), (ii) monetary damages may not be an adequate remedy for such breach and (iii) the non-breaching party shall be entitled to injunctive relief, in addition to any other remedy that such party may have in law or in equity, in the event of such breach.
 6. (a) Each Sponsor and each Insider agrees that it, he or she shall not Transfer any Founder Shares

(or any shares of Common Stock issuable upon conversion thereof) until the earlier of (A) one year after the Closing Date or (B) after the Closing Date, (x) if the last sale price of the Common Stock equals or exceeds \$12.00 per share (as adjusted for stock splits, stock dividends, reorganizations, recapitalizations and the like) for any 20 trading days within any 30-trading day period commencing at least 150 days after the Closing Date or (y) the date on which Landcadia completes a liquidation, merger, capital stock exchange, reorganization or other similar transaction that results in all of Landcadia's stockholders having the right to exchange their shares of Common Stock for cash, securities or other property (the "**Founder Shares Lock-up Period**").

(b) Each Sponsor and each Insider agrees that it, he or she shall not Transfer any Private Placement Warrants (or shares of Common Stock issued or issuable upon the exercise of the Private Placement Warrants), until 30 days after the Closing Date (the "**Private Placement Warrants Lock-up Period**", and together with the Founder Shares Lock-up Period, the "**Lock-up Periods**").

(c) Notwithstanding the provisions set forth in paragraphs 3, 6(a) and (b), the following Transfers of the Founder Shares, the Private Placement Warrants and shares of Common Stock issued or issuable upon the exercise or conversion of the Private Placement Warrants or the Founder Shares and that are held by either Sponsor, any Insider or any of their permitted transferees (that have complied with this paragraph 6(c)), are permitted (a) to Landcadia's officers or directors, any affiliates or family members of any of Landcadia's officers or directors, any members of the Sponsors or any affiliates of the Sponsors; (b) in the case of an individual, by gift to a member of such individual's immediate family or to a trust, the beneficiary of which is a member of such individual's immediate family, an affiliate of such individual or to a charitable organization; (c) in the case of an individual, by virtue of laws of descent and distribution upon death of such individual; (d) in the case of an individual, pursuant to a qualified domestic relations order; (e) by private sales or transfers made in connection with any forward purchase agreement or similar arrangement or in connection with the consummation of an initial Business Combination at prices no greater than the price at which the shares or warrants were originally purchased; (f) in the event of Landcadia's liquidation prior to the completion of an initial Business Combination; or (g) by virtue of the laws of the State of Delaware or the organizational documents of either Sponsor's upon dissolution of either Sponsor; provided, that in the case of clauses (a) through (e) or (g), these permitted transferees must enter into a written agreement with Landcadia agreeing to be bound by the transfer restrictions herein and the other restrictions contained in this Agreement and by the same agreements entered into by the Sponsors with respect to such securities (including provisions relating to voting, the Trust Account and liquidating distributions).

(d) (1) (A) Section 4.3(b)(i) of the Second A&R Certificate of Incorporation provides that each share of Class B Common Stock shall automatically convert into one share of Class A Common Stock (the "**Initial Conversion Ratio**") at the time of the Business Combination, and (B) Section 4.3(b)(ii) of the Second A&R Certificate of Incorporation provides that the Initial Conversion Ratio shall be adjusted (the "**Adjustment**") in the event that additional shares of Common Stock or other equity-linked securities are issued in excess of the amounts offered in the Public Offering such that the Sponsors and the Insiders shall continue to own 20% of the issued and outstanding shares of Capital Stock after giving effect to such issuance.

(2) As of and conditioned upon the Closing, each Sponsor and each Insider hereby irrevocably relinquishes and waives any and all rights each Sponsor and each Insider has or will have under Section 4.3(b)(ii) of the Second A&R Certificate of Incorporation to receive shares of Common Stock in excess of the number issuable at the Initial Conversion Ratio upon conversion of the existing Class B Common Stock held by him, her or it, as applicable, in connection with the Closing as a result of any Adjustment, and, as a result, the shares of Class B Common Stock shall convert into shares of Class A Common Stock (or such equivalent security) at Closing on a one-for-one basis.

(e) Substantially simultaneously with, but immediately prior to (and contingent upon), the Closing, each Sponsor shall, for no consideration, forfeit and surrender its pro rata share of 2,828,000 Founder Shares, and TJF, LLC, shall for no consideration, forfeit and surrender 1,000,000 Founder Shares (such 3,828,000 forfeited Founder Shares, the "**Forfeited Shares**") to Landcadia

for cancellation. Each Sponsor and Landcadia shall take such actions as are necessary to cause the Forfeited Shares to be retired and canceled, after which the Forfeited Shares shall no longer be issued, outstanding, convertible or exercisable, and each Sponsor shall provide Landcadia and Hillman with evidence that such retirement and cancellation has occurred.

7. Each Sponsor and each Insider represents and warrants that it, he or she has never been suspended or expelled from membership in any securities or commodities exchange or association or had a securities or commodities license or registration denied, suspended or revoked. Each Insider's biographical information furnished to Landcadia (including any such information to be included in the Proxy Statement) is true and accurate in all respects and does not omit any material information with respect to the Insider's background. Each Insider represents and warrants that: it, he or she is not subject to or a respondent in any legal action for, any injunction, cease-and-desist order or order or stipulation to desist or refrain from any act or practice relating to the offering of securities in any jurisdiction; it, he or she has never been convicted of, or pleaded guilty to, any crime (i) involving fraud, (ii) relating to any financial transaction or handling of funds of another person, or (iii) pertaining to any dealings in any securities and it, he or she is not currently a defendant in any such criminal proceeding.
8. Except as disclosed in Section 3.16 (*Brokers; Third Party Expenses*) of the Company Disclosure Letter, neither the Sponsors nor any Insider, nor any affiliate of the Sponsors or any Insider, nor any director or officer of Landcadia, shall receive from Landcadia any finder's fee, reimbursement, consulting fee, monies in respect of any repayment of a loan or other compensation prior to, or in connection with any services rendered in order to effectuate, the consummation of Landcadia's initial Business Combination (regardless of the type of transaction that it is), other than the following, none of which will be made from the proceeds held in the Trust Account prior to the completion of the initial Business Combination and each of which shall, as of and in connection with the Closing, be paid off in full and no further liabilities or obligations in respect thereof shall be due and owing by Landcadia or Hillman or any of its Subsidiaries from and after the Closing: payment to Fertitta Entertainment, Inc. for certain office space, utilities and secretarial and administrative support as may be reasonably required by Landcadia for a total of \$20,000 per month; reimbursement for any reasonable out-of-pocket expenses related to identifying, investigating and consummating an initial Business Combination; payment of a customary financial advisory fee to an affiliate of Jefferies Financial Group Inc. in an amount that constitutes a market standard financial advisory fee for comparable transactions at the closing of Landcadia's initial Business Combination; and repayment of loans, if any, and on such terms as to be determined by Landcadia from time to time, made by the Sponsors or any of Landcadia's officers or directors to finance transaction costs in connection with an intended initial Business Combination, provided, that if Landcadia does not consummate an initial Business Combination, a portion of the working capital held outside the Trust Account may be used by Landcadia to repay such loaned amounts so long as no proceeds from the Trust Account are used for such repayment. Up to \$1,500,000 of such loans may be convertible into warrants at a price of \$1.50 per warrant at the option of the lender. Such warrants would be identical to the Private Placement Warrants, including as to exercise price, exercisability and exercise period. During the period commencing on the date hereof and ending on the earlier of (i) the consummation of the Closing and (ii) the valid termination of the Merger Agreement, each Sponsor and each Insider agrees not to enter into, modify or amend any Contract between or among the Sponsors, any Insider, anyone related by blood, marriage or adoption to any Insider or any Affiliate of any such Person (other than Landcadia or any of its Subsidiaries), on the one hand, and Landcadia or any of its Subsidiaries, on the other hand, that would contradict, limit, restrict or impair (x) any party's ability to perform or satisfy any obligation under this Letter Agreement or (y) Hillman's or Landcadia's ability to perform or satisfy any obligation under the Merger Agreement.
9. Each Sponsor and each Insider has full right and power, without violating any agreement to which it is bound (including, without limitation, any non-competition or non-solicitation agreement with any employer or former employer), to enter into this Letter Agreement and, as applicable, to serve as an officer and/or director on the board of directors of Landcadia.

10. As compensation for service on the board of directors of Landcadia by each Insider serving as an “independent” member of the board of directors of Landcadia under Nasdaq listing standards and applicable Commission rules (each, an “*Independent Director*”), if Landcadia consummates its initial Business Combination, Landcadia shall pay \$100,000 to each Independent Director at the time of the consummation of the initial Business Combination so long as such Independent Director has continuously served as an Independent Director until such time.
11. 13. This Letter Agreement and the other agreements referenced herein constitute the entire agreement and understanding of the parties hereto in respect of the subject matter hereof and supersede all prior understandings, agreements, or representations by or among the parties hereto, written or oral, to the extent they relate in any way to the subject matter hereof or the transactions contemplated hereby, including without limitation, the Prior Letter Agreement. This Letter Agreement may not be changed, amended, modified or waived (other than to correct a typographical error) as to any particular provision, except by a written instrument executed by all parties hereto, it being acknowledged and agreed that Hillman’s execution of such an instrument will not be required after any valid termination of the Merger Agreement.
14. No party hereto may assign either this Letter Agreement or any of its rights, interests, or obligations hereunder without the prior written consent of the other parties (except that, following any valid termination of the Merger Agreement, no consent from Hillman shall be required). Any purported assignment in violation of this paragraph shall be void and ineffectual and shall not operate to transfer or assign any interest or title to the purported assignee. This Letter Agreement shall be binding on Landcadia, each Sponsor and each Insider and their respective successors, heirs and assigns and permitted transferees.
15. Nothing in this Letter Agreement shall be construed to confer upon, or give to, any person or corporation other than the parties hereto any right, remedy or claim under or by reason of this Letter Agreement or of any covenant, condition, stipulation, promise or agreement hereof. All

covenants, conditions, stipulations, promises and agreements contained in this Letter Agreement shall be for the sole and exclusive benefit of Landcadia, each Sponsor and the Insiders (and, prior to any valid termination of the Merger Agreement, Hillman) and their successors, heirs, personal representatives and assigns and permitted transferees. Notwithstanding anything herein to the contrary, each of Landcadia, each Sponsor and each Insider acknowledges and agrees that Hillman is an express third-party beneficiary of this Agreement and may directly enforce (including by an action for specific performance, injunctive relief or other equitable relief) each of the provisions set forth in this Letter Agreement as though directly party hereto.

16. This Letter Agreement may be executed in any number of original or facsimile counterparts and each of such counterparts shall for all purposes be deemed to be an original, and all such counterparts shall together constitute but one and the same instrument.

Furthermore, in lieu of any such invalid or unenforceable term or provision, the parties hereto intend that there shall be added as a part of this Letter Agreement a provision as similar in terms to such invalid or unenforceable provision as may be possible and be valid and enforceable.

This Letter Agreement, and all claims or causes of action (each, an “*Action*”) based upon, arising out of, or related to this Letter Agreement or the transactions contemplated hereby, shall be governed by, and construed in accordance with, the Laws of the State of Delaware, without giving effect to principles or rules of conflict of laws to the extent such principles or rules would require or permit the application of Laws of another jurisdiction. Any Action based upon, arising out of or related to this Letter Agreement or the transactions contemplated hereby may be brought in federal and state courts located in the State of Delaware, and each of the parties irrevocably submits to the exclusive jurisdiction of each such court in any such Action, waives any objection it may now or hereafter have to personal jurisdiction, venue or to convenience of forum, agrees that all claims in respect of the Action shall be heard and determined only in any such court, and agrees not to bring any Action arising out of or relating to this Letter Agreement or the transactions contemplated hereby in any other court. 20. This Letter Agreement shall terminate on the earlier of (i) the expiration of the Lock-up Periods or (ii) the liquidation of the Acquiror; provided, that paragraph 4 of this Letter Agreement shall survive such liquidation; provided, further, that no such termination shall relieve the Sponsors, any Insider or the Acquiror from any liability resulting from a breach of this Letter Agreement occurring prior to such termination.

(v) there are no Actions pending against such Person or, to the knowledge of such Person, threatened against such Person, before (or, in the case of threatened Actions, that would be before) any arbitrator or any Governmental Entity, which in any manner challenges or seeks to prevent, enjoin or materially delay the performance by such Person of its, his or her obligations under this Letter Agreement; (vi) except for fees described in 3.16 (*Brokers; Third Party Expenses*) of the Company Disclosure Letter, no financial advisor, investment banker, broker, finder or other similar intermediary is entitled to any fee or commission from such Person, Landcadia, any of its Subsidiaries or any of their respective Affiliates in connection with the Merger Agreement or this Letter Agreement or any of the respective transactions contemplated thereby and hereby, in each case, based upon any arrangement or agreement made by or, to the knowledge of such Person, on behalf of such Person, for which Landcadia, Hillman or any of their respective Affiliates would have any obligations or liabilities of any kind or nature; A Registration Statement filed pursuant to this subsection 2.1.1 shall provide for the resale pursuant to any method or combination of methods legally available to, and requested by, the Holders. The Company shall use its reasonable best efforts to cause a Registration Statement filed pursuant to this subsection 2.1.1 to remain effective, and to be supplemented and amended to the extent necessary to ensure that such Registration Statement is available or, if not available, that another Registration Statement is available, for the resale of all the Registrable Securities held by the Holders until all such Registrable Securities have ceased to be Registrable Securities. As soon as practicable following the effective date of a Registration Statement filed pursuant to this subsection 2.1.1, but in any event within one (1) business day of such date, the Company shall notify the Holders of the effectiveness of such Registration Statement. When effective, a Registration Statement filed pursuant to this subsection 2.1.1 (including the documents incorporated therein by reference) will comply as to form in all material respects with all applicable requirements of the Securities Act and the Exchange Act and will not contain an untrue statement of a material fact or omit to state a material fact required to be stated therein or necessary to make the statements therein not misleading (in the case of any Prospectus contained in such Registration Statement, in the light of the circumstances under which such statement is made).

2.1.2. Form S-1 Shelf. If the Company files a shelf registration statement on Form S-3 (a “*Form S-3 Shelf*”) and thereafter the Company becomes ineligible to use Form S-3 for secondary sales, the Company shall use its reasonable best efforts to file a shelf registration on Form S-1 (a “*Form S-1 Shelf*”) as promptly as practicable to replace the shelf registration statement that is a Form S-3 Shelf and have the Form S-1 Shelf declared effective as promptly as practicable and to cause such Form S-1 Shelf to remain effective, and to be supplemented and amended to the extent necessary to ensure that such Registration Statement is available or, if not available, that another Registration Statement is available, for the resale of all the Registrable Securities held by the Holders until all such Registrable Securities have ceased to be Registrable Securities. In the case of a Form S-1 filed pursuant to Section 2.1.1 or a Form S-1 Shelf filed pursuant to this Section 2.1.2, upon such date as the Company becomes eligible to use Form S-3 for secondary sales or, in the case of a Form S-1 Shelf filed to register the resale of Removed Shares pursuant to Section 2.6 hereof, upon such date as the Company becomes eligible to register all of the Removed Shares for resale on a Form S-3 Shelf pursuant to the Commission Guidance and, if applicable, without a requirement that any of the CCMP Holders be named as an “underwriter” therein, the Company shall use its reasonable best efforts to file a Form S-3 Shelf as promptly as practicable to replace the applicable Form S-1 Shelf and have the Form S-3 Shelf declared effective as promptly as practicable and to cause such Form S-3 Shelf to remain effective, and to be supplemented and amended to the extent necessary to ensure that such Registration Statement is available or, if not available, that another Registration Statement is available, for the resale of all the

Registrable Securities thereunder held by the applicable Holders until all such Registrable Securities have ceased to be Registrable Securities.

2.1.3. Requests for Underwritten Shelf Takedowns. At any time and from time to time following the effectiveness of the shelf registration statement required by subsection 2.1.1 or 2.1.2 or any replacement thereof, by notice to the Company specifying the intended method or methods of disposition thereof any CCMP Holder or any Sponsor or Oak Hill Holder (as applicable, the “**Shelf Requesting Holder**”) may make a written request to the Company to effect a public offering (a “**Shelf Take Down Notice**”), (provided that any request for an underwritten offering that is registered pursuant to such shelf registration statement (including a Block Trade) (a “**Shelf Underwritten Offering**”) by any Sponsor or Oak Hill Holder is subject to and only to the extent provided by Section 2.4), of all or a portion of such Holder’s Registrable Securities that may be registered under such shelf registration statement, and as soon as practicable the Company shall amend or supplement such shelf registration statement as necessary for such purpose. Each Shelf Takedown Notice for a Shelf Underwritten Offering shall specify the approximate number of Registrable Securities proposed to be sold in the Shelf Underwritten Offering and a reasonably estimated approximate price range (net of reasonably estimated underwriting discounts and commissions) of such Shelf Underwritten Offering. Promptly upon receipt of a Shelf Takedown Notice (but in no event more than two (2) business days thereafter (or more than twenty-four (24) hours thereafter in connection with a Block Trade)), the Company shall give written notice of such requested Shelf Underwritten Offering to all other Holders of Registrable Securities (the “**Company Shelf Takedown Notice**”) and, subject to the provisions of subsection 2.2.4, shall include in such Shelf Underwritten Offering such Registrable Securities requested to be included by each such Holder, up to such number of Registrable Securities equal to such Holder’s pro rata share determined based on the number of Registrable Securities that the Shelf Requesting Holder proposes to sell in such Shelf Underwritten Offering as compared to the number of outstanding Registrable Securities held by the Shelf Requesting Holder immediately prior to such Shelf Underwritten Offering, within five (5) days after sending the Company Shelf Takedown Notice, or, in the case of a Block Trade, within twenty-four (24) hours after sending the Company Shelf Takedown Notice and otherwise as provided in Section 2.1.4. The Company shall enter into an underwriting agreement in customary form with the managing Underwriter or Underwriters selected by the Shelf Requesting Holder, after reasonable consultation with the Company, and shall take all such other reasonable actions as are requested by the managing Underwriter or Underwriters in order to expedite or facilitate the disposition of such Registrable Securities. In connection with any Shelf Underwritten Offering contemplated by this subsection 2.1.3, subject to Section 3.3 and *Article IV*, the underwriting agreement into which each Holder and the Company shall enter shall contain such representations, covenants, indemnities and other rights and obligations as are customary in secondary underwritten offerings. Notwithstanding the delivery of any Shelf Take Down Notice, all determinations as to whether to complete any Shelf Underwritten Offering and as to the timing, manner, price and other terms of any Shelf Underwritten Offering contemplated by this Section 2.1.3, shall be determined by the Shelf Requesting Holder. At any time before the pricing of a Shelf Underwritten Offering, in accordance with Section 2.2.5, the Shelf Requesting Holder may withdraw its Shelf Take Down Notice and, upon receipt of written notice to such effect from the Shelf Requesting Holder, the Company shall cease all efforts to complete such Underwritten Offering.

2.1.4. Notwithstanding any other provision of this *Article II*, but subject to Section 3.4 and not in limitation of any other provision in this *Article II* applicable to Shelf Underwritten Offerings, if any Holder desires to effect a Block Trade, then notwithstanding any other time periods in this *Article II*, such Holder shall provide written notice to the Company at least three (3) business days prior to the date such Block Trade will commence. As expeditiously as possible, the Company shall use its reasonable best efforts to facilitate such Block Trade. Such Holder shall use its reasonable best efforts to work with the Company and the Underwriters (including by disclosing the maximum number of Registrable Securities proposed to be the subject of such Block Trade) in order to facilitate preparation of the Registration Statement, Prospectus and other offering documentation related to the Block Trade and any related due diligence and comfort procedures. In the event of a Block Trade, and after consultation with the Company and subject to subsection 2.2.4, the Holder initiating the Block Trade shall determine the maximum number of Registrable Securities that can be sold pursuant to such offering, the underwriter or underwriters and share price of such offering.

2.2. Demand Registration.

2.2.1. Request for Registration. Subject to the provisions of subsection 2.2.5 and Sections 2.4, 2.6 and 3.4 hereof, at any time and from time to time on or after the Closing Date, each of (a) the Sponsors, (b) the CCMP Holders (the “**CCMP Demanding Holders**”), and (c) the Oak Hill Holders (the “**Oak Hill Demanding Holders**”), and together with the Sponsors and the CCMP Demanding Holders, the “**Demanding Holders**”), may make a written demand for Registration of all or part of their Registrable Securities on (i) Form S-1 or (ii) if available, Form S-3, which in the case of either clause (i) or (ii), may be a shelf registration statement filed pursuant to Rule 415 under the Securities Act, which written demand shall describe the amount and type of securities to be included in such Registration and the intended method(s) of distribution thereof (such written demand a “**Demand Registration**”). The Company shall, promptly following the Company’s receipt of a Demand Registration (but in no event more than two (2) business days thereafter), notify, in writing all other Holders of Registrable Securities of such demand, and each Holder of Registrable Securities who thereafter wishes to include any of such Holder’s Registrable Securities in a Registration pursuant to a Demand Registration (each such Holder that includes any portion of such Holder’s Registrable Securities in such Registration, a “**Requesting Holder**”) shall so notify the Company, in writing, within three (3) business days after the receipt by the Holder of the notice from the Company. Each Requesting Holder shall be permitted to include up to such number of Registrable Securities in a Registration pursuant to a Demand Registration equal to such Requesting Holder’s pro rata share determined based on the number of Registrable Securities that the Demanding Holder proposes to sell in such Demand Registration as compared to the number of outstanding Registrable Securities held by the Demanding Holder immediately prior to such Demand Registration. For the avoidance of doubt, to the extent a Requesting Holder also separately possesses Demand Registration rights pursuant to this Section 2.2, but is not the Holder who exercises such Demand Registration rights, the exercise by such Requesting Holder of its rights pursuant to the foregoing sentence shall not count as the exercise by it of one of its Demand Registration rights. Upon receipt by the Company of any such written notification from a Requesting Holder(s) to the Company, subject to subsection 2.2.4 below, such Requesting Holder(s) shall be entitled to have their pro rata portion of Registrable Securities included in a Registration pursuant to a Demand Registration and the Company shall effect, as soon thereafter as practicable, but not more than forty five (45) days immediately after the Company’s receipt of the Demand Registration, the Registration of all Registrable Securities requested by the Demanding Holders and up to the pro rata portion of Registrable Securities requested by the Requesting Holders pursuant to such Demand Registration. The Company shall not be obligated to effect more than (A) an aggregate of six (6) Registrations pursuant to a Demand Registration initiated by the CCMP Holders, and (B) one (1) Registration pursuant to a Demand Registration initiated by the Oak Hill Holders and the Sponsors, in each case under this subsection 2.2.1 with respect to any or all Registrable Securities; provided, however, that (i) a Registration shall not be counted for such purposes unless a Registration Statement that may be available at such time has become effective and all of the Registrable Securities entitled to be included by the Demanding Holders and the Requesting Holders in such Registration have been sold, in accordance with Section 3.1 of this Agreement, and (ii) a Shelf Underwritten Offering effected by a Block Trade shall not be a Demand Registration. Notwithstanding the foregoing, Jefferies may not exercise its Demand Registration rights after October 8, 2025, and may not exercise its demand rights on more than one occasion.

2.2.2. Effective Registration. Notwithstanding the provisions of subsection 2.2.1 above or any other part of this Agreement, a Registration pursuant to a Demand Registration shall not count as a Registration unless and until (a) the Registration Statement filed with the Commission with respect to a Registration pursuant to a Demand Registration has been declared effective by the Commission and (b) the Company has complied with all of its obligations under this Agreement with respect thereto; provided, further, that if, after such Registration Statement has been declared effective, an offering of Registrable Securities in a Registration pursuant to a Demand Registration is subsequently interfered with by any stop order or injunction of the Commission, federal or state court or any other governmental agency, the Registration Statement with respect to such Registration shall be deemed not to have been declared effective, unless and until, (i) such stop order or injunction is removed, rescinded or otherwise terminated, and (ii) the Demanding Holders

initiating such Demand Registration thereafter affirmatively elect to continue with such Registration and accordingly notify the Company in writing, but in no event later than five (5) days after the removal, rescission or other termination of such stop order or injunction, of such election; provided, further, that the Company shall not be obligated or required to file another Registration Statement until the Registration Statement that has been previously filed with respect to a Registration pursuant to a Demand Registration by the same Demanding Holder becomes effective or is subsequently terminated.

2.2.3. Underwritten Offering. Subject to the provisions of subsection 2.2.4 and Sections 2.4, 2.6 and 3.4 hereof, if the Demanding Holders so advise the Company as part of their Demand Registration that the offering of the Registrable Securities pursuant to such Demand Registration shall be in the form of an Underwritten Offering, then the right of such Demanding Holder or Requesting Holder (if any) to include its Registrable Securities in such Registration shall be conditioned upon such Holder's participation in such Underwritten Offering and the inclusion of such Holder's Registrable Securities in such Underwritten Offering to the extent provided herein. All such Holders proposing to distribute their Registrable Securities through an Underwritten Offering under this subsection 2.2.3, subject to Section 3.3 and *Article IV*, shall enter into an underwriting agreement in customary form with the Company and the Underwriter(s) selected for such Underwritten Offering by the Demanding Holders initiating the Demand Registration (which Underwriter(s) shall be reasonably satisfactory to the Company) which underwriting agreement shall contain such representations, covenants, indemnities and other rights and obligations customary in secondary Underwritten Offerings.

2.2.4. Reduction of Underwritten Offering. If a Demand Registration is to be an Underwritten Offering (including any Shelf Underwritten Offering) and the managing Underwriter or Underwriters (or, in the case of a Block Trade, the Holder(s) requesting a Shelf Underwritten Offering or the Demanding Holder(s), as applicable), in good faith, advises the Company in writing that, in its opinion, the dollar amount or number of Registrable Securities that the Demanding Holders and the Requesting Holders (if any) desire to sell, taken together with all other Common Stock or other equity securities that the Company desires to sell for its own account (the "*Primary Shares*") and the Common Stock, if any, as to which a Registration has been requested pursuant to separate written contractual piggy-back registration rights held by any other stockholders of the Company who desire to sell (the "*Other Shares*"), exceeds the maximum dollar amount or maximum number of equity securities that can be sold in such Underwritten Offering without adversely affecting the proposed offering price, the timing, the distribution method, or the probability of success of such offering (such maximum dollar amount or maximum number of such securities, as applicable, the "*Maximum Number of Securities*"), then the Company shall include in such Underwritten Offering, as follows: (a) first, the Registrable Securities of the Demanding Holders, Shelf Requesting Holders and the Requesting Holders (if any), as applicable, pro rata based on the total amount of Registrable Securities held by each such Demanding Holder, Shelf Requesting Holder, or Requesting Holder (if any), as applicable, at such time of determination (such proportion is referred to herein as "*Pro Rata*") that can be sold without exceeding the Maximum Number of Securities; (b) second, to the extent that the Maximum Number of Securities has not been reached under the foregoing clause (a), the Primary Shares which can be sold without exceeding the Maximum Number of Securities; (c) third, to the extent that the Maximum Number of Securities has not been reached under the foregoing clauses (a) and (b), the Registrable Securities of the Sponsors; and (d) fourth, to the extent the Maximum Number of Securities has not been reached under the foregoing clauses (a), (b) and (c), the Other Shares that can be sold without exceeding the Maximum Number of Securities.

2.2.5. Demand Registration Withdrawal. A Demanding Holder, Shelf Requesting Holder, or Requesting Holder shall have the right to withdraw all or a portion of its Registrable Securities included in a Demand Registration pursuant to subsection 2.2.1 or a Shelf Underwritten Offering pursuant to subsection 2.1.3 (including a Block Trade pursuant to subsection 2.1.4) for any or no reason whatsoever upon written notification to the Company and the Underwriter or Underwriters (if any) of its intention to so irrevocably withdraw at any time prior to (a) in the case of a Demand Registration, the effectiveness of the applicable Registration Statement or (b) in the case of any

Shelf Underwritten Offering (including a Block Trade), prior to the pricing of such Shelf Underwritten Offering; provided, however, that upon withdrawal by the Demanding Holders initiating a Demand Registration (or in the case of a Shelf Underwritten Offering, withdrawal of the Shelf Requesting Holder), the Company shall cease all efforts to secure effectiveness of the applicable Registration Statement or complete the Underwritten Offering, as applicable. Notwithstanding anything to the contrary in this Agreement, the Company shall be responsible for the Registration Expenses incurred in connection with a Registration pursuant to a Demand Registration or a Shelf Underwritten Offering prior to and including its withdrawal under this subsection 2.2.5.

2.3. Piggyback Registration.

2.3.1. Piggyback Rights. If the Company proposes to file a Registration Statement under the Securities Act with respect to an offering of equity securities, or securities or other obligations exercisable or exchangeable for, or convertible into equity securities, for its own account or for the account of stockholders of the Company, other than a Registration Statement (a) filed in connection with any employee stock option or other benefit plan, (b) for an exchange offer or offering of securities solely to the Company's existing stockholders, (c) for an offering of debt that is convertible into equity securities of the Company, (d) for a dividend reinvestment plan, or (e) filed pursuant to subsection 2.1.1, then the Company shall give written notice of such proposed filing to all Holders then holding Registrable Securities as soon as practicable but not less than five (5) business days before the anticipated filing date of such Registration Statement, which notice shall (i) describe the amount and type of securities to be included in such offering, the intended method(s) of distribution (including whether such registration will be pursuant to a shelf registration statement), and the proposed price and name of the proposed managing Underwriter or Underwriters, if any, in such offering, (ii) such Holders' rights under this Section 2.3 and (iii) offer to all of the Holders of Registrable Securities the opportunity to register the sale of such number of Registrable Securities as such Holders may request in writing within three (3) business days after receipt of such written notice (or in the case of a Block Trade, within twenty-four (24) hours thereafter) (such Registration a "**Piggyback Registration**"). The Company shall, in good faith, cause such Registrable Securities identified in a Holder's response notice described in the foregoing sentence to be included in such Piggyback Registration and shall use its reasonable best efforts to cause the managing Underwriter or Underwriters of a proposed Underwritten Offering, if any, to permit the Registrable Securities requested by the Holders pursuant to this subsection 2.3.1 to be included in a Piggyback Registration on the same terms and conditions as any similar securities of the Company or Company stockholder(s) for whose account the Registration Statement is to be filed included in such Registration and to permit the sale or other disposition of such Registrable Securities in accordance with the intended method(s) of distribution thereof. All such Holders proposing to distribute their Registrable Securities through an Underwritten Offering under this subsection 2.3.1, subject to Section 3.3 and *Article IV*, shall enter into an underwriting agreement in customary form with the Underwriter(s) selected for such Underwritten Offering by the Company or Company stockholder(s) for whose account the Registration Statement is to be filed. For purposes of this Section 2.3, the filing by the Company of an automatic shelf registration statement for offerings pursuant to Rule 415(a) that omits information with respect to any specific offering pursuant to Rule 430B shall not trigger any notification or participation rights hereunder until such time as the Company amends or supplements such Registration Statement to include information with respect to a specific offering of Securities (and such amendment or supplement shall trigger the notice and participation rights provided for in this Section 2.3).

2.3.2. Reduction of Piggyback Registration. If a Piggyback Registration is to be an Underwritten Offering and the managing Underwriter or Underwriters, in good faith, advises the Company and the Holders of Registrable Securities participating in the Piggyback Registration in writing that, in its opinion, the dollar amount or number of Primary Shares that the Company desires to sell, taken together with (a) the Common Stock, if any, as to which Registration has been demanded pursuant to separate written contractual arrangements with persons or entities other than the Holders of Registrable Securities hereunder, (b) the Registrable Securities as to which

registration has been requested pursuant Section 2.3 hereof, and (c) the Other Shares, exceeds the Maximum Number of Securities, then:

2.3.2.1. if the Registration is undertaken for the Company's account, the Company shall include in any such Registration (a) first, the Primary Shares, which can be sold without exceeding the Maximum Number of Securities; (b) second, to the extent that the Maximum Number of Securities has not been reached under the foregoing clause (a), the Registrable Securities of Holders exercising their rights to register their Registrable Securities pursuant to subsection 2.3.1 hereof, Pro Rata, which can be sold without exceeding the Maximum Number of Securities; and (c) third, to the extent that the Maximum Number of Securities has not been reached under the foregoing clauses (a) and (b), the Other Shares which can be sold without exceeding the Maximum Number of Securities; and

2.3.2.2. if the Registration is pursuant to a request by persons or entities other than the Holders of Registrable Securities, then the Company shall include in any such Registration (a) first, the Common Stock or other equity securities, if any, of such requesting persons or entities, other than the Holders of Registrable Securities, which can be sold without exceeding the Maximum Number of Securities; (b) second, to the extent that the Maximum Number of Securities has not been reached under the foregoing clause (a), the Registrable Securities of Holders exercising their rights to register their Registrable Securities pursuant to subsection 2.3.1 hereof, Pro Rata, which can be sold without exceeding the Maximum Number of Securities; (c) third, to the extent that the Maximum Number of Securities has not been reached under the foregoing clauses (a) and (b), the Primary Shares which can be sold without exceeding the Maximum Number of Securities; and (d) fourth, to the extent that the Maximum Number of Securities has not been reached under the foregoing clauses (a), (b) and (c), the Other Shares which can be sold without exceeding the Maximum Number of Securities.

2.3.3. Piggyback Registration Withdrawal. Any Holder of Registrable Securities shall have the right to withdraw all or any portion of its Registrable Securities in a Piggyback Registration for any or no reason whatsoever upon written notification to the Company and the Underwriter or Underwriters (if any) of his, her or its intention to withdraw such Registrable Securities from such Piggyback Registration prior to in the case of a Piggyback Registration not involving an Underwritten Offering or Shelf Underwritten Offering, the effectiveness of the applicable Registration Statement. The Company (whether on its own good faith determination or as the result of a request for withdrawal by persons pursuant to separate written contractual obligations) may withdraw a Registration Statement filed with the Commission in connection with a Piggyback Registration at any time prior to the effectiveness of such Registration Statement. Notwithstanding anything to the contrary in this Agreement, the Company shall be responsible for the Registration Expenses incurred in connection with the Piggyback Registration prior to and including its withdrawal under this subsection 2.3.3.

2.3.4. Unlimited Piggyback Registration Rights. For purposes of clarity, any Registration effected pursuant to Section 2.3 hereof shall not be counted as a Registration pursuant to a Demand Registration effected under Section 2.2 hereof and shall not relieve the Company of its obligations under Section 2.1 or Section 2.2.

2.4. Restrictions on Registration Rights. If (a) during the period starting with the date sixty (60) days prior to the Company's good faith estimate of the date of the filing of, and ending on a date one hundred and twenty (120) days after the effective date of, a Company initiated Registration and provided that the Company has delivered written notice to the Holders prior to receipt of a Demand Registration pursuant to subsection 2.2.1 and it continues to actively employ, in good faith, all reasonable efforts to cause the applicable Registration Statement to become effective; (b) the Holders have requested an Underwritten Registration and the Company and the Holders are unable to obtain the commitment of underwriters to firmly underwrite the offer; or (c) in the good faith judgment of the Board such Registration would be seriously detrimental to the Company and the Board concludes as a result that it is essential to defer the filing of such Registration Statement at such time, then in each case the Company shall furnish to such Holders a certificate signed by the Chairman of the Board stating that in the good faith judgment of the Board it would be seriously detrimental to the Company for such Registration Statement to be filed in the near

future and that it is therefore essential to defer the filing of such Registration Statement. In such event, the Company shall have the right to defer such filing for a period of not more than thirty (30) days; provided, however, that the Company shall not defer its obligation in this manner more than once in any twelve (12)-month period (the “**Aggregate Blocking Period**”). Notwithstanding anything to the contrary herein, the Oak Hill Holders and each Sponsor shall be able to either (and not both) (i) make one (1) demand request under, and subject to the terms and procedures set forth in Section 2.2, or (ii) initiate one (1) Shelf Underwritten Offering under, and subject to the terms and conditions set forth in Section 2.1 (in each case in accordance with the terms of Section 3.3).

2.5. Rule 415; Removal. If at any time the Commission takes the position that the offering of some or all of the Registrable Securities in a Registration Statement on Form S-3 filed pursuant to this Section 2 is not eligible to be made on a delayed or continuous basis under the provisions of Rule 415 under the Securities Act (provided, however, the Company shall be obligated to use diligent efforts to advocate with the Commission for the registration of all of the Registrable Securities in accordance with the Commission Guidance, including without limitation, Compliance and Disclosure Interpretation 612.09) or requires a CCMP Holder to be named as an “underwriter,” the Company shall (i) promptly notify each holder of Registrable Securities thereof (or in the case of the Commission requiring a CCMP Holder to be named as an “underwriter,” the CCMP Holders) and (ii) use reasonable best efforts to persuade the SEC that the offering contemplated by such Registration Statement is a valid secondary offering and not an offering “by or on behalf of the issuer” as defined in Rule 415 and that none of the CCMP Holders is an “underwriter.” The Holders shall have the right to select one (1) legal counsel designated by the holders of a majority of the Registrable Securities subject to such Registration Statement to review and oversee any registration or matters pursuant to this Section 2.5, including participation in any meetings or discussions with the Commission regarding the Commission’s position and to comment on any written submission made to the Commission with respect thereto. No such written submission with respect to this matter shall be made to the Commission to which the applicable Holders’ counsel reasonably objects. In the event that, despite the Company’s reasonable best efforts and compliance with the terms of this Section 2.5, the Commission refuses to alter its position, the Company shall (i) remove from such Registration Statement such portion of the Registrable Securities (the “**Removed Shares**”) and/or (ii) agree to such restrictions and limitations on the registration and resale of the Registrable Securities as the Commission may require to assure the Company’s compliance with the requirements of Rule 415; provided, however, that the Company shall not agree to name any CCMP Holder as an “underwriter” in such Registration Statement without the prior written consent of such CCMP Holder. In the event of a share removal pursuant to this Section 2.5, the Company shall give the applicable Holders at least three (3) business days prior written notice along with the calculations as to such Holder’s allotment. Any removal of shares of the Holders pursuant to this Section 2.5 shall first be applied to Holders other than the CCMP Holders with securities registered for resale under the applicable Registration Statement and thereafter allocated between the CCMP Holders on a pro rata basis based on the aggregate amount of Registrable Securities held by the CCMP Holders. In the event of a share removal of the Holders pursuant to this Section 2.5, the Company shall promptly register the resale of any Removed Shares pursuant to subsection 2.1.2 hereof and in no event shall the filing of such Registration Statement on Form S-1 or subsequent Registration Statement on Form S-3 filed pursuant to the terms of subsection 2.1.2 be counted as a Demand Registration hereunder. Until such time as the Company has registered all of the Removed Shares for resale pursuant to Rule 415 on an effective Registration Statement, the Company shall not be able to defer the filing of a Registration Statement pursuant to Section 2.4 hereof.

2.6. Lock-Up Agreements.

2.6.1. Each Sponsor agrees that it shall not Transfer any Founder Shares (or any shares of Common Stock issuable upon conversion thereof) until the expiration of the Founder Shares Lock-Up Period and will not transfer any Private Placement Warrants (or any shares of Common Stock issued or issuable upon the exercise of the Private Placement Warrants), until the expiration of the Private Placement Warrants Lock-Up Period. The foregoing restrictions shall not apply to Permitted Transfers or Transfers made by a Permitted Transferee.

2.6.2. Each Hillman Holder agrees that it, he or she shall not Transfer any shares of Closing Hillman Stock for six (6) months following the Closing Date (the “**Hillman Lock-Up Period**”); provided, (x) that 33% of the Closing Hillman Stock shall be transferable as part of an Underwritten Offering

following 90 days after the Closing Date if the last closing price of the Common Stock equals or exceeds \$12.00 per share (as adjusted for stock splits, stock dividends, reorganizations, recapitalizations and the like) for any 20 trading days within any 30-trading day period after the Closing, and (y) each executive officer and director of the Company shall be permitted to establish a plan to acquire and sell shares of Common Stock pursuant to Rule 10b5-1 under the Exchange Act, provided that such plan does not provide for the Transfer of shares of Closing Hillman Stock during the Hillman Lock-up Period. The foregoing restrictions shall not apply to Permitted Transfers or Transfers made by a Permitted Transferee.

2.6.3. Each Holder agrees, and the Company agrees and shall cause each director and officer of the Company to agree, that, in connection with each Registration or sale of Registrable Securities pursuant to Section 2.1, Section 2.2 or Section 2.3 conducted as an Underwritten Offering, if requested, to become bound by and to execute and deliver a customary lock-up agreement with the Underwriter(s) of such Underwritten Offering restricting such applicable person or entity's right to (a) Transfer, directly or indirectly, any equity securities of the Company held by such person or entity or (b) enter into any swap or other arrangement that transfers to another any of the economic consequences of ownership of such securities during the period commencing on the date of the final Prospectus relating to the Underwritten Offering and ending on the date specified by the Underwriters (such period not to exceed ninety (90) days). The terms of such lock-up agreements shall be negotiated among the applicable Holder requested to enter into lock-up agreements in accordance with the immediately preceding sentence, the Company and the Underwriters and shall include customary exclusions from the restrictions on Transfer set forth therein, including that such restrictions on the applicable Holder shall be conditioned upon all officers and directors of the Company, as well as all Holders, being subject to the same restrictions; provided, that, to the extent any Holder is granted a release or waiver from the restrictions contained in this Section 2.6.3 and in such Holder's lock-up agreement prior to the expiration of the period set forth in such Holder's lock-up agreement, then all Holders shall be automatically granted a release or waiver from the restrictions contained in this Section 2.6.3 and the applicable lock-up agreements to which they are party to the same extent, on substantially the same terms as and on a pro rata basis with, the Holder to which such release or waiver is granted. The provisions of this Section 2.6.3 shall not apply to any Holder that holds less than one percent (1%) of then total issued and outstanding Common Stock.

The Company will use its commercially reasonable efforts to ensure that no Underwriter shall require any Holder to make any representations or warranties to or agreements with the Company or the Underwriters other than representations, warranties or agreements regarding such Holder and such Holder's intended method of distribution and any other representation required by law, and if, despite the Company's commercially reasonable efforts, an Underwriter requires any Holder to make additional representation or warranties to or agreements with such Underwriter, such Holder may elect not to participate in such Underwritten Offering (but shall not have any claims against the Company as a result of such election). Any liability of such Holder to any Underwriter or other person under such underwriting agreement shall be limited to an amount equal to the proceeds (net of expenses and underwriting discounts and commissions) that it derives from such registration.

3.4. Suspension of Sales; Adverse Disclosure. Upon receipt of written notice from the Company that a Registration Statement or Prospectus contains a Misstatement, or in the opinion of counsel for the Company it is necessary to supplement or amend such Prospectus to comply with law, each of the Holders shall forthwith discontinue disposition of Registrable Securities until it has received copies of a supplemented or amended Prospectus correcting the Misstatement or including the information counsel for the Company believes to be necessary to comply with law (it being understood that the Company hereby covenants to prepare and file such supplement or amendment as soon as practicable after the time of such notice such that the Registration Statement or Prospectus, as so amended or supplemented, as applicable, will not include a Misstatement and complies with law), or until it is advised in writing by the Company that the use of the Prospectus may be resumed. If the filing, initial effectiveness or continued use of a Registration Statement in

respect of any Registration at any time would require the Company to make an Adverse Disclosure or would require the inclusion in such Registration Statement of financial statements that are unavailable to the Company for reasons beyond the Company's control, the Company may, upon giving prompt written notice of such action to the Holders, delay the filing or initial effectiveness of, or suspend use of, such Registration Statement for the shortest period of time, but in no event more than thirty (30) days, determined in good faith by the Board to be necessary for such purpose; provided, that each day of any such suspension pursuant to this Section 3.4 shall correspondingly decrease the Aggregate Blocking Period available to the Company during any twelve (12)-month period pursuant to Section 2.4 hereof. In the event the Company exercises its rights under the preceding sentence, the Holders agree to suspend, immediately upon their receipt of the notice referred to above, their use of the Prospectus relating to any Registration in connection with any sale or offer to sell Registrable Securities. The Company shall immediately notify the Holders of the expiration of any period during which it exercised its rights under this Section 3.4.

3.5. Covenants of the Company. As long as any Holder shall own Registrable Securities, the Company hereby covenants and agrees:

3.5.1. the Company will not file any Registration Statement or Prospectus included therein or any other filing or document (other than this Agreement) with the Commission which refers to any Holder of Registrable Securities by name or otherwise without the prior written approval of such Holder;

3.5.2. the Company will not effect or permit to occur any combination or subdivision of securities which would adversely affect the ability of the Holders to effect registration of Registrable Securities in the manner contemplated by this Agreement;

3.5.3. at all times while it shall be a reporting company under the Exchange Act, to file timely (or obtain extensions in respect thereof and file within the applicable grace period) all reports required to be filed by the Company after the date hereof pursuant to Sections 13(a) or 15(d) of the Exchange Act and to promptly furnish the Holders with true and complete copies of all such filings. The Company further covenants that it shall take such further action as any Holder may reasonably request, all to the extent required from time to time to enable such Holder to sell shares of Common Stock held by such Holder without registration under the Securities Act within the limitation of the exemptions provided by Rule 144 promulgated under the Securities Act (or any successor rule promulgated thereafter by the Commission), including providing any legal opinions. Upon the request of any Holder, the Company shall deliver to such Holder a written certification of a duly authorized officer as to whether it has complied with such requirements; and

3.5.4. promptly following the effectiveness of the shelf registration statement required by subsection 2.1.1 (and in any event within three (3) business days from such effectiveness), the Company shall cause the transfer agent to remove any restrictive legends (including any electronic transfer restrictions) from any Common Stock or Private Placement Warrants held by such Holder and provide or cause any customary opinions of counsel to be delivered to the transfer agent in connection with such removal.

ARTICLE IV INDEMNIFICATION AND CONTRIBUTION

4.1. Indemnification.

4.1.1. In connection with any registration of and/or any offering and sale of Registrable Securities pursuant to this Agreement, the Company agrees to indemnify, to the full extent permitted by law, each Holder of Registrable Securities, its officers, directors, partners, stockholders or members, employees, agents, investment advisors and each person who controls such Holder (within the meaning of the Securities Act and Exchange Act) from and against all losses, claims, damages, liabilities and expenses (including attorneys' fees), joint or several (or actions or proceedings, whether commenced or threatened, in respect thereof) (collectively, "*Claims*"), to which any such Holder or other persons may become subject, insofar as such Claims arise out of or are based on any untrue or alleged untrue statement of any material fact contained in any Registration Statement, Prospectus or preliminary Prospectus or any amendment thereof or supplement thereto or any omission or alleged omission of a

material fact required to be stated therein or necessary to make the statements therein not misleading, and the Company will reimburse such Holder or other person for any legal or any other expenses reasonably incurred by them in connection with investigating or defending any such Claim; except insofar as the Claim or expense arises out of or is based upon an untrue statement or alleged untrue statement or omission or alleged omission made in such filing in reliance upon and in conformity with information furnished in writing to the Company by such Holder expressly for use therein. The Company shall indemnify the Underwriters, their officers and directors and each person who controls such Underwriters (within the meaning of the Securities Act and Exchange Act) to the same extent as provided in the foregoing with respect to the indemnification of the Holder.

4.1.2. In connection with any Registration Statement in which a Holder of Registrable Securities is participating, the Company may require that, as a condition to including any Registrable Securities in any Registration Statement, the Company shall have received an undertaking reasonably satisfactory to it from such Holder, to indemnify the Company, its directors and officers and agents and each person who controls the Company (within the meaning of the Securities Act and Exchange Act) from and against any Claims, to which any the Company or such other persons may become subject, insofar as such Claims arise out of or are based on any untrue statement of any material fact contained in the Registration Statement, Prospectus or preliminary Prospectus or any amendment thereof or supplement thereto or any omission of a material fact required to be stated therein or necessary to make the statements therein not misleading, but only to the extent that such untrue statement or omission is contained in any information furnished in writing by such Holder expressly for use therein; provided, however, that the obligation to indemnify shall be several, not joint and several, among such Holders of Registrable Securities, and the liability of each such Holder of Registrable Securities shall be in proportion to and limited to the net proceeds received by such Holder from the sale of Registrable Securities pursuant to such Registration Statement. The Holders of Registrable Securities shall indemnify the Underwriters, their officers, directors and each person who controls such Underwriters (within the meaning of the Securities Act and Exchange Act) to the same extent as provided in the foregoing with respect to indemnification of the Company and the Company shall use its commercially reasonable efforts to ensure that no Underwriter shall require any Holder of Registrable Securities to provide any indemnification other than that provided hereinabove in this subsection 4.1.2, and, if, despite the Company's commercially reasonable efforts, an Underwriter requires any Holder of Registrable Securities to provide additional indemnification, such Holder may elect not to participate in such Underwritten Offering (but shall not have any claim against the Company as a result of such election).

4.1.3. Any person entitled to indemnification herein shall (a) give prompt written notice to the indemnifying party of any Claim with respect to which it seeks indemnification (provided that the failure to give prompt notice shall not impair any person's right to indemnification hereunder to the extent such failure has not materially prejudiced the indemnifying party) and (b) unless in such indemnified party's reasonable judgment a conflict of interest between such indemnified and indemnifying parties may exist with respect to such Claim, permit such indemnifying party to assume the defense of such Claim with counsel reasonably satisfactory to the indemnified party. An indemnifying party who is not entitled to, or elects not to, assume the defense of a claim shall not be obligated to pay the fees and expenses of more than one (1) counsel (plus local counsel) for all parties indemnified by such indemnifying party with respect to such claim, unless in the reasonable judgment of any indemnified party a conflict of interest may exist between such indemnified party and any other of such indemnified parties with respect to such claim. No indemnifying party shall, without the consent of the indemnified party, consent to the entry of any judgment or enter into any settlement which cannot be settled in all respects by the payment of money (and such money is so paid by the indemnifying party pursuant to the terms of such settlement) and which settlement includes a statement or admission of fault or culpability on the part of such indemnified party or does not include as an unconditional term thereof the giving by the claimant or plaintiff to such indemnified party of a release from all liability in respect to such claim or litigation.

4.1.4. The indemnification provided for under this Agreement shall remain in full force and effect regardless of any investigation made by or on behalf of the indemnified party or any officer, director, partners, stockholders or members, employees, agents, investment advisors or controlling person of such indemnified party and shall survive the transfer of Registrable Securities.

4.1.5. If the indemnification provided under Section 4.1 hereof from the indemnifying party is unavailable or insufficient to hold harmless an indemnified party in respect of any Claims, then the indemnifying party, in lieu of indemnifying the indemnified party, shall contribute to the amount paid or payable by the indemnified party as a result of such Claims (a) in such proportion as is appropriate to reflect the relative benefits received by the indemnifying party or parties on the one hand and the indemnified party or parties on the other hand from the offering of the Registrable Securities or (b) if the allocation provided by clause (a) above is not permitted by applicable law, in such proportion as is appropriate to reflect not only the relative benefits referred to in clause (a) above but also to reflect the relative fault of the indemnifying party or parties on the other hand in connection with the statements or omissions that resulted in such Claims, as well as any other relevant equitable considerations. The relative fault of the indemnifying party and indemnified party shall be determined by reference to, among other things, whether any action in question, including any untrue or alleged untrue statement of a material fact or omission or alleged omission to state a material fact, was made by, or relates to information supplied by, such indemnifying party or indemnified party, and the indemnifying party's and indemnified party's relative intent, knowledge, access to information and opportunity to correct or prevent such action; provided, however, that the liability of any Holder or any director, officer, employee, agent, investment advisor or controlling person thereof under this subsection 4.1.5 shall be limited to the amount of the net proceeds received by such Holder in such offering giving rise to such liability. The amount paid or payable by a party as a result of the losses or other liabilities referred to above shall be deemed to include, subject to the limitations set forth in subsections 4.1.1, 4.1.2 and 4.1.3 above, any legal or other fees, charges or expenses reasonably incurred by such party in connection with any investigation or proceeding. The parties hereto agree that it would not be just and equitable if contribution pursuant to this subsection 4.1.5 were determined by pro rata allocation or by any other method of allocation, which does not take account of the equitable considerations referred to in this subsection 4.1.5. No person guilty of fraudulent misrepresentation (within the meaning of Section 11(f) of the Securities Act) shall be entitled to contribution pursuant to this subsection 4.1.5 from any person who was not guilty of such fraudulent misrepresentation.

4.1.6. The indemnification required by this Section 4.1 shall be made by periodic payments of the amount thereof during the course of the investigation or defense, as and when bills are received or expense, loss, damage or liability is incurred.

5.5. Amendments and Modifications. Upon the written consent of the Company and the Holders of at least a majority in interest of the Registrable Securities at the time in question, compliance with any of the provisions, covenants and conditions set forth in this Agreement may be waived, or any of such provisions, covenants or conditions may be amended or modified; provided, however, that notwithstanding the foregoing, (a) any amendment hereto or waiver hereof that adversely affects one Holder, solely in its capacity as a holder of the shares of capital stock of the Company, in a manner that is adverse and different from the other Holders (in such capacity) shall require the consent of the Holder so affected, and (b) the consent of any Sponsor, CCMP Holder and Oak Hill Holder, as applicable, shall be required for any amendment, modification or waiver which has an adverse effect on the specific and personal rights, limitations or obligations of such Holder. No course of dealing between any Holder or the Company and any other party hereto or any failure or delay on the part of a Holder or the Company in exercising any rights or remedies under this Agreement shall operate as a waiver of any rights or remedies of any Holder or the Company. No single or partial exercise of any rights or remedies under this Agreement by a party shall operate as a waiver or preclude the exercise of any other rights or remedies hereunder or thereunder by such party.

5.6. Other Registration Rights. The Merger Agreement and the Merger have been approved by stockholders of the Company pursuant to the Company Stockholder Approval. Accordingly, no additional vote is required to consummate the Merger.

4. Taxation

A United States Holder (as defined below) of Company Common Stock who is receiving any consideration in connection with the Merger is generally required under United States federal income tax law to provide his, her or its current taxpayer identification number ("TIN"). If such holder is an individual, the TIN is his or her Social Security Number. If the holder does not provide the correct TIN or an adequate basis for an exemption, the holder may be subject to a penalty imposed by the Internal Revenue Service (the "IRS"), and any consideration such holder receives in the Merger may be subject to backup withholding at the applicable rate (currently 24%). Backup withholding is not an additional tax. Rather, the tax liability of persons subject to backup withholding will be reduced by the amount of tax withheld. If withholding results in an overpayment of taxes, a refund from the IRS may be obtained. To prevent backup withholding on any payment made to a holder of Company Common Stock in connection with the Merger Agreement, a United States Holder is required to notify Company of his, her or its correct TIN by completing the enclosed Form W-9 and certifying under penalties of perjury that the TIN provided on Form W-9 is correct. In addition, the holder must date and sign as indicated. If the holder does not provide a certified TIN within by the time of payment, backup withholding may apply. If the United States Holder does not have a TIN, such person should consult the instructions to Form W-9 for information on applying for a TIN and completing the Form W-9 while the TIN application is in process.

To prevent backup withholding, holders that are not United States Holders should (i) submit a properly completed Form W-8BEN or W-8BEN-E, or other applicable Form W-8 (and all required attachments), as applicable, certifying under penalties of perjury to the holder's foreign status or (ii) otherwise establish an exemption.

Certain holders (including, among others, corporations) are exempt recipients not subject to these backup withholding requirements. See the enclosed copy of the Form W-9 and the General Instructions to Form W-9. To avoid possible erroneous backup withholding, exempt United States Holders should complete and return the Form W-9.

For purposes of these instructions, a "United States Holder" is (i) an individual who is a citizen or resident alien of the United States, (ii) a corporation (including an entity taxable as a corporation) or partnership created under the laws of the United States or of any political subdivision thereof, (iii) an estate the income of which is subject to United States federal income tax regardless of its source or (iv) a trust if (a) a court within the United States is able to exercise primary supervision over the administration of the trust and one or more United States persons have the authority to control all substantial decisions of the trust or (b) the trust has a valid election in effect under applicable Treasury regulations to be treated as a U.S. person.

See the enclosed "General Instructions" on Form W-9 for additional information and instructions.

IN ALL CASES, TAX FORMS PREPARED AND ATTACHED TO THIS LETTER OF TRANSMITTAL SHOULD BE COMPLETED IN ACCORDANCE WITH INSTRUCTIONS FROM THE IRS ATTACHED TO EACH FORM OR AVAILABLE AT WWW.IRS.GOV. PLEASE CONSULT YOUR INDEPENDENT LEGAL, ACCOUNTING OR FINANCIAL ADVISOR FOR FURTHER QUESTIONS.

FAILURE TO PROPERLY COMPLETE THE INFORMATION REQUESTED ON FORM W-9 OR APPLICABLE FORM W-8 MAY RESULT IN WITHHOLDING ON ANY PAYMENTS MADE TO YOU.

The undersigned agrees that the Stockholder Representative is the Representative of the Company Stockholders in respect of all matters arising under the Merger Agreement or the Transaction Documents, and is authorized to act, or refrain from acting, with respect to any actions to be taken by or on behalf of any Company Stockholder or the Stockholder Representative, including to enforce any rights granted to any Company Stockholder thereunder, in each case as the Stockholder Representative believes is necessary or appropriate under the Merger Agreement and the Transaction Documents, for and on behalf of the Company Stockholders. Without limiting the generality of the foregoing, the undersigned agrees that the Stockholder Representative shall have the full power and authority to interpret all the terms and provisions of the Merger Agreement and the Transaction Documents, and to consent to any amendment thereof on behalf of the undersigned and the other Company Stockholders and their respective successors.

The Stockholder Representative shall be entitled to reimbursement by the undersigned and the other Company Stockholders for all reasonable expenses, disbursements and advances (including fees and disbursements of its counsel, experts and other agents and consultants) incurred by the Stockholder Representative in such capacity. The undersigned acknowledges and agrees that in no event will the Stockholder Representative be required to advance its own funds on behalf of the Company Stockholders or otherwise. The undersigned acknowledges and agrees that the foregoing indemnities will survive the resignation or removal of the Stockholder Representative or the termination of the Merger Agreement.

c. The undersigned hereby acknowledges that the Stockholder Representative may resign at any time by giving 30 days' notice to Parent and the Company Stockholders; provided, however, in the event of the resignation or removal of the Stockholder Representative, a new Stockholder Representative (who shall be reasonably acceptable to Parent) shall be appointed by the vote or written consent of the Company Stockholders who held of a majority of the Company Common Stock immediately prior to the Effective Time.

The undersigned further agrees to be bound by and subject to the provisions of Section 10.1 of the Merger Agreement, and acknowledges and accepts that the undersigned does not and will not have the right to object, dissent, protest or otherwise contest any of the Stockholder Representative's decisions or actions.

- the denominator shall be the number of shares of Class B Common Stock issued and outstanding prior to the closing of the initial Business Combination.

Notwithstanding anything to the contrary contained herein, (i) the foregoing adjustment to the Initial Conversion Ratio may be waived as to any particular issuance or deemed issuance of additional shares of Class A Common Stock or equity-linked securities by the written consent or agreement of holders of a majority of the shares of Class B Common Stock then outstanding consenting or agreeing separately as a single class in the manner provided in Section 4.3(b)(iii), and (ii) in no event shall the Class B Common Stock convert into Class A Common Stock at a ratio that is less than one-for-one.

The foregoing conversion ratio shall also be adjusted to account for any subdivision (by stock split, subdivision, exchange, stock dividend, reclassification, recapitalization or otherwise) or combination (by reverse stock split, exchange, reclassification, recapitalization or otherwise) or similar reclassification or recapitalization of the outstanding shares of Class A Common Stock into a greater or lesser number of shares occurring after the original filing of this Certificate without a proportionate and corresponding subdivision, combination or similar reclassification or recapitalization of the outstanding shares of Class B Common Stock.

Each share of Class B Common Stock shall convert into its *pro rata* number of shares of Class A Common Stock pursuant to this Section 4.3(b). The *pro rata* share for each holder of Class B Common Stock will be determined as follows: Each share of Class B Common Stock shall convert into such number of shares of Class A Common Stock as is equal to the product of one (1) multiplied by a fraction, the numerator of which shall be the total number of shares of Class A Common Stock into which all of the issued and outstanding shares of Class B Common Stock shall be converted pursuant to this Section 4.3(b) and the denominator of which shall be the total number of issued and outstanding shares of Class B Common Stock at the time of conversion.

(iii) *Voting.* Except as otherwise required by law or this Certificate (including any Preferred Stock Designation), for so long as any shares of Class B Common Stock shall remain outstanding, the Corporation shall not, without the prior vote or written consent of the holders of a majority of the shares of Class B Common Stock then outstanding, voting separately as a single class, amend, alter or repeal any provision of this Certificate, whether by merger, consolidation or otherwise, if such amendment, alteration or repeal would alter or change the powers, preferences or relative, participating, optional or other or special rights of the Class B Common Stock. Any action required or permitted to be taken at any meeting of the holders of Class B Common Stock may be taken without a meeting, without prior notice and without a vote, if a consent or consents in writing, setting forth the action so taken, shall be signed by the holders of the outstanding Class B Common Stock having not less than the minimum number of votes that would be necessary to authorize or take such action at a meeting at which all shares of Class B Common Stock were present and voted and shall be delivered to the Corporation by delivery to its registered office in the State of Delaware, its principal place of business, or an officer or agent of the Corporation having custody of the book in which minutes of proceedings of stockholders are recorded. Delivery made to the Corporation's registered office shall be by hand or by certified or registered mail, return receipt requested. Prompt written notice of the taking of corporate action without a meeting by less than unanimous written consent of the holders of Class B Common Stock shall, to the extent required by law, be given to those holders of Class B Common Stock who have not consented in writing and who, if the action had been taken at a meeting, would have been entitled to notice of the meeting if the record date for notice of such meeting had been the date that written consents signed by a sufficient number of holders of Class B Common Stock to take the action were delivered to the Corporation.

(c) *Dividends.* Subject to applicable law, the rights, if any, of the holders of any outstanding series of the Preferred Stock and the provisions of *Article IX* hereof, the holders of shares of Common Stock shall be entitled to receive such dividends and other distributions (payable in cash, property or capital stock of the Corporation) when, as and if declared thereon by the Board from time to time out of any assets or

funds of the Corporation legally available therefor and shall share equally on a per share basis in such dividends and distributions.

(d) *Liquidation, Dissolution or Winding Up of the Corporation.* Subject to applicable law, the rights, if any, of the holders of any outstanding series of the Preferred Stock and the provisions of *Article IX* hereof, in the event of any voluntary or involuntary liquidation, dissolution or winding up of the Corporation, after payment or provision for payment of the debts and other liabilities of the Corporation, the holders of shares of Common Stock shall be entitled to receive all the remaining assets of the Corporation available for distribution to its stockholders, ratably in proportion to the number of shares of Class A Common Stock (on an as converted basis with respect to the Class B Common Stock) held by them.

Section 4.4 *Rights and Options.* The Corporation has the authority to create and issue rights, warrants and options entitling the holders thereof to acquire from the Corporation any shares of its capital stock of any class or classes, with such rights, warrants and options to be evidenced by or in instrument(s) approved by the Board. The Board is empowered to set the exercise price, duration, times for exercise and other terms and conditions of such rights, warrants or options; provided, however, that the consideration to be received for any shares of capital stock issuable upon exercise thereof may not be less than the par value thereof.

ARTICLE V BOARD OF DIRECTORS

Section 5.1 *Board Powers.* The business and affairs of the Corporation shall be managed by, or under the direction of, the Board. In addition to the powers and authority expressly conferred upon the Board by statute, this Certificate or the Bylaws (the "*Bylaws*") of the Corporation, the Board is hereby empowered to exercise all such powers and do all such acts and things as may be exercised or done by the Corporation, subject, nevertheless, to the provisions of the DGCL, this Certificate and any Bylaws adopted by the stockholders; provided, however, that no Bylaws hereafter adopted by the stockholders shall invalidate any prior act of the Board that would have been valid if such Bylaws had not been adopted.

Section 5.2 *Number, Election and Term.*

(a) The number of directors of the Corporation, other than those who may be elected by the holders of one or more series of the Preferred Stock voting separately by class or series, shall be fixed from time to time exclusively by the Board pursuant to a resolution adopted by a majority of the Board.

(b) Subject to Section 5.5 hereof, the Board shall be divided into three classes, as nearly equal in number as possible and designated Class I, Class II and Class III. The Board is authorized to assign members of the Board already in office to Class I, Class II or Class III. The term of the initial Class I Directors shall expire at the first annual meeting of the stockholders of the Corporation following the effectiveness of this Certificate, the term of the initial Class II Directors shall expire at the second annual meeting of the stockholders of the Corporation following the effectiveness of this Certificate and the term of the initial Class III Directors shall expire at the third annual meeting of the stockholders of the Corporation following the effectiveness of this Certificate. At each succeeding annual meeting of the stockholders of the Corporation, beginning with the first annual meeting of the stockholders of the Corporation following the effectiveness of this Certificate, each of the successors elected to replace the class of directors whose term expires at that annual meeting shall be elected for a three-year term or until the election and qualification of their respective successors in office, subject to their earlier death, resignation or removal. Subject to Section 5.5 hereof, if the number of directors that constitutes the Board is changed, any increase or decrease shall be apportioned by the Board among the classes so as to maintain the number of directors in each class as nearly equal as possible, but in no case shall a decrease in the number of directors constituting the Board shorten the term of any incumbent director. Subject to the rights of the holders of one or more series of Preferred Stock, voting separately by class or series, to elect directors pursuant to the terms of one or more series of Preferred Stock, the election of directors shall be determined by a plurality of the votes cast by the stockholders present in person or represented by proxy at the meeting and entitled to vote thereon. The Board is hereby expressly authorized, by resolution or resolutions thereof, to assign members of the Board already in office to the aforesaid classes at the time this Certificate (and therefore such classification) becomes effective in accordance with the DGCL.

(c) Subject to Section 5.5 hereof, a director shall hold office until the annual meeting for the year in which his or her term expires and until his or her successor has been elected and qualified, subject, however, to such director's earlier death, resignation, retirement, disqualification or removal.

(d) Unless and except to the extent that the Bylaws shall so require, the election of directors need not be by written ballot.

Section 5.3 Newly Created Directorships and Vacancies. Subject to Section 5.5 hereof, newly created directorships resulting from an increase in the number of directors and any vacancies on the Board resulting from death, resignation, retirement, disqualification, removal or other cause may be filled solely and exclusively by a majority vote of the remaining directors then in office, even if less than a quorum or by a sole remaining director (and not by stockholders), and any director so chosen shall hold office for the remainder of the full term of the class of directors to which the new directorship was added or in which the vacancy occurred and until his or her successor has been elected and qualified, subject, however, to such director's earlier death, resignation, retirement, disqualification or removal.

Section 5.4 Removal. Subject to Section 5.5 hereof, any or all of the directors may be removed from office at any time, but only for cause and only by the affirmative vote of holders of a majority of the voting power of all then outstanding shares of capital stock of the Corporation entitled to vote generally in the election of directors, voting together as a single class.

Section 5.5 Preferred Stock — Directors. Notwithstanding any other provision of this *Article V*, and except as otherwise required by law, whenever the holders of one or more series of the Preferred Stock shall have the right, voting separately by class or series, to elect one or more directors, the term of office, the filling of vacancies, the removal from office and other features of such directorships shall be governed by the terms of such series of the Preferred Stock as set forth in this Certificate (including any Preferred Stock Designation) and such directors shall not be included in any of the classes created pursuant to this *Article V* unless expressly provided by such terms.

Section 5.6 Quorum. A quorum for the transaction of business by the directors shall be set forth in the Bylaws.

ARTICLE VI BYLAWS

In furtherance and not in limitation of the powers conferred upon it by law, the Board shall have the power and is expressly authorized to adopt, amend, alter or repeal the Bylaws. The affirmative vote of a majority of the Board shall be required to adopt, amend, alter or repeal the Bylaws. The Bylaws also may be adopted, amended, altered or repealed by the stockholders; provided, however, that in addition to any vote of the holders of any class or series of capital stock of the Corporation required by law or by this Certificate (including any Preferred Stock Designation), the affirmative vote of the holders of at least a majority of the voting power of all then outstanding shares of capital stock of the Corporation entitled to vote generally in the election of directors, voting together as a single class, shall be required for the stockholders to adopt, amend, alter or repeal the Bylaws; and provided further, however, that no Bylaws hereafter adopted by the stockholders shall invalidate any prior act of the Board that would have been valid if such Bylaws had not been adopted.

ARTICLE VII MEETINGS OF STOCKHOLDERS; ACTION BY WRITTEN CONSENT

Section 7.1 Meetings. Subject to the rights, if any, of the holders of any outstanding series of the Preferred Stock, and to the requirements of applicable law, special meetings of stockholders of the Corporation may be called only by the Chairman of the Board, Chief Executive Officer of the Corporation, or the Board pursuant to a resolution adopted by a majority of the Board, and the ability of the stockholders to call a special meeting is hereby specifically denied. Except as provided in the foregoing sentence, special meetings of stockholders may not be called by another person or persons.

Section 7.2 Advance Notice. Advance notice of stockholder nominations for the election of directors and of business to be brought by stockholders before any meeting of the stockholders of the Corporation shall be given in the manner provided in the Bylaws.

Section 7.3 Action by Written Consent. Except as may be otherwise provided for or fixed pursuant to this Certificate (including any Preferred Stock Designation) relating to the rights of the holders of any outstanding series of Preferred Stock, subsequent to the consummation of the Offering, any action required or permitted to be taken by the stockholders of the Corporation must be effected by a duly called annual or special meeting of such stockholders and may not be effected by written consent of the stockholders other than with respect to the Class B Common Stock with respect to which action may be taken by written consent.

ARTICLE VIII LIMITED LIABILITY; INDEMNIFICATION

Section 8.1 Limitation of Director Liability. A director of the Corporation shall not be personally liable to the Corporation or its stockholders for monetary damages for breach of fiduciary duty as a director, except to the extent such exemption from liability or limitation thereof is not permitted under the DGCL as the same exists or may hereafter be amended unless a director violated his or her duty of loyalty to the Corporation or its stockholders, acted in bad faith, knowingly or intentionally violated the law, authorized unlawful payments of dividends, unlawful stock purchases or unlawful redemptions, or derived improper personal benefit from his or her actions as a director. Any amendment, modification or repeal of the foregoing sentence shall not adversely affect any right or protection of a director of the Corporation hereunder in respect of any act or omission occurring prior to the time of such amendment, modification or repeal.

Section 8.2 Indemnification and Advancement of Expenses.

(a) To the fullest extent permitted by applicable law, as the same exists or may hereafter be amended, the Corporation shall indemnify and hold harmless each person who is or was made a party or is threatened to be made a party to or is otherwise involved in any threatened, pending or completed action, suit or proceeding, whether civil, criminal, administrative or investigative (a “*proceeding*”) by reason of the fact that he or she is or was a director or officer of the Corporation or, while a director or officer of the Corporation, is or was serving at the request of the Corporation as a director, officer, employee or agent of another corporation or of a partnership, joint venture, trust, other enterprise or nonprofit entity, including service with respect to an employee benefit plan (an “*indemnitee*”), whether the basis of such proceeding is alleged action in an official capacity as a director, officer, employee or agent, or in any other capacity while serving as a director, officer, employee or agent, against all liability and loss suffered and expenses (including, without limitation, attorneys’ fees, judgments, fines, ERISA excise taxes and penalties and amounts paid in settlement) reasonably incurred by such indemnitee in connection with such proceeding. The Corporation shall to the fullest extent not prohibited by applicable law pay the expenses (including attorneys’ fees) incurred by an indemnitee in defending or otherwise participating in any proceeding in advance of its final disposition; provided, however, that, to the extent required by applicable law, such payment of expenses in advance of the final disposition of the proceeding shall be made only upon receipt of an undertaking, by or on behalf of the indemnitee, to repay all amounts so advanced if it shall ultimately be determined that the indemnitee is not entitled to be indemnified under this Section 8.2 or otherwise. The rights to indemnification and advancement of expenses conferred by this Section 8.2 shall be contract rights and such rights shall continue as to an indemnitee who has ceased to be a director, officer, employee or agent and shall inure to the benefit of his or her heirs, executors and administrators. Notwithstanding the foregoing provisions of this Section 8.2(a), except for proceedings to enforce rights to indemnification and advancement of expenses, the Corporation shall indemnify and advance expenses to an indemnitee in connection with a proceeding (or part thereof) initiated by such indemnitee only if such proceeding (or part thereof) was authorized by the Board.

(b) The rights to indemnification and advancement of expenses conferred on any indemnitee by this Section 8.2 shall not be exclusive of any other rights that any indemnitee may have or hereafter acquire under law, this Certificate, the Bylaws, an agreement, vote of stockholders or disinterested directors, or otherwise.

(c) Any repeal or amendment of this Section 8.2 by the stockholders of the Corporation or by changes in law, or the adoption of any other provision of this Certificate inconsistent with this Section 8.2, shall, unless otherwise required by law, be prospective only (except to the extent such amendment or change in law permits the Corporation to provide broader indemnification rights on a retroactive basis than permitted prior thereto), and shall not in any way diminish or adversely affect any right or protection existing at the

time of such repeal or amendment or adoption of such inconsistent provision in respect of any proceeding (regardless of when such proceeding is first threatened, commenced or completed) arising out of, or related to, any act or omission occurring prior to such repeal or amendment or adoption of such inconsistent provision.

(d) This Section 8.2 shall not limit the right of the Corporation, to the extent and in the manner authorized or permitted by law, to indemnify and to advance expenses to persons other than indemnitees.

ARTICLE IX BUSINESS COMBINATION REQUIREMENTS; EXISTENCE

Section 9.1 General.

(a) The provisions of this *Article IX* shall apply during the period commencing upon the effectiveness of this Certificate and terminating upon the consummation of the Corporation's initial Business Combination and no amendment to this *Article IX* shall be effective prior to the consummation of the initial Business Combination unless approved by the affirmative vote of the holders of at least sixty-five percent (65%) of all then outstanding shares of the Common Stock.

(b) Immediately after the Offering, a certain amount of the net offering proceeds received by the Corporation in the Offering (including the proceeds of any exercise of the underwriters' over-allotment option) and certain other amounts specified in the Corporation's registration statement on Form S-1, initially filed with the U.S. Securities and Exchange Commission (the "**SEC**") on September 17, 2020, as amended (the "**Registration Statement**"), shall be deposited in a trust account (the "**Trust Account**"), established for the benefit of the Public Stockholders (as defined below) pursuant to a trust agreement described in the Registration Statement. Except for the withdrawal of interest to pay taxes (less up to \$100,000 of interest to pay dissolution expenses), none of the funds held in the Trust Account (including the interest earned on the funds held in the Trust Account) will be released from the Trust Account until the earliest to occur of (i) the completion of the initial Business Combination, (ii) the redemption of 100% of the Offering Shares (as defined below) if the Corporation is unable to complete its initial Business Combination within 24 months from the closing of the Offering and (iii) the redemption of shares in connection with a vote seeking to amend such provisions of this Certificate as described in Section 9.7. Holders of shares of Common Stock included as part of the units sold in the Offering (the "**Offering Shares**") (whether such Offering Shares were purchased in the Offering or in the secondary market following the Offering and whether or not such holders are either Sponsor or officers or directors of the Corporation, or affiliates of any of the foregoing) are referred to herein as "Public Stockholders."

Section 9.2 Redemption Rights.

(a) Prior to the consummation of the initial Business Combination, the Corporation shall provide all holders of Offering Shares with the opportunity to have their Offering Shares redeemed upon the consummation of the initial Business Combination pursuant to, and subject to the limitations of, Sections 9.2(b) and 9.2(c) (such rights of such holders to have their Offering Shares redeemed pursuant to such Sections, the "**Redemption Rights**") hereof for cash equal to the applicable redemption price per share determined in accordance with Section 9.2(b) hereof (the "**Redemption Price**"); provided, however, that the Corporation shall not redeem Offering Shares to the extent that such redemption would result in the Corporation's failure to have net tangible assets (as determined in accordance with Rule 3a51-1(g)(1) of the Securities Exchange Act of 1934, as amended (the "**Exchange Act**") (or any successor rule)) in excess of \$5 million or any greater net tangible asset or cash requirement which may be contained in the agreement relating to the initial Business Combination upon consummation of the initial Business Combination (such limitation hereinafter called the "**Redemption Limitation**"). Notwithstanding anything to the contrary contained in this Certificate, there shall be no Redemption Rights or liquidating distributions with respect to any warrant issued pursuant to the Offering.

(b) If the Corporation offers to redeem the Offering Shares other than in conjunction with a stockholder vote on an initial Business Combination with a proxy solicitation pursuant to Regulation 14A of the Exchange Act (or any successor rules or regulations) and filing proxy materials with the SEC, the Corporation shall offer to redeem the Offering Shares upon the consummation of the initial Business Combination, subject to lawfully available funds therefor, in accordance with the provisions of Section 9.2(a)

hereof pursuant to a tender offer in accordance with Rule 13e-4 and Regulation 14E of the Exchange Act (or any successor rule or regulation) (such rules and regulations hereinafter called the “*Tender Offer Rules*”) which it shall commence prior to the consummation of the initial Business Combination and shall file tender offer documents with the SEC prior to the consummation of the initial Business Combination that contain substantially the same financial and other information about the initial Business Combination and the Redemption Rights as is required under Regulation 14A of the Exchange Act (or any successor rule or regulation) (such rules and regulations hereinafter called the “*Proxy Solicitation Rules*”), even if such information is not required under the Tender Offer Rules; provided, however, that if a stockholder vote is required by law to approve the proposed initial Business Combination, or the Corporation decides to submit the proposed initial Business Combination to the stockholders for their approval for business or other legal reasons, the Corporation shall offer to redeem the Offering Shares, subject to lawfully available funds therefor, in accordance with the provisions of Section 9.2(a) hereof in conjunction with a proxy solicitation pursuant to the Proxy Solicitation Rules (and not the Tender Offer Rules) at a price per share equal to the Redemption Price calculated in accordance with the following provisions of this Section 9.2(b). In the event that the Corporation offers to redeem the Offering Shares pursuant to a tender offer in accordance with the Tender Offer Rules, the Redemption Price per share of the Common Stock payable to holders of the Offering Shares tendering their Offering Shares pursuant to such tender offer shall be equal to the quotient obtained by dividing: (i) the aggregate amount on deposit in the Trust Account as of two business days prior to the consummation of the initial Business Combination, including interest not previously released to the Corporation to pay its taxes, by (ii) the total number of then outstanding Offering Shares. If the Corporation offers to redeem the Offering Shares in conjunction with a stockholder vote on the proposed initial Business Combination pursuant to a proxy solicitation, the Redemption Price per share of the Common Stock payable to holders of the Offering Shares exercising their Redemption Rights (irrespective of whether they voted in favor or against the Business Combination) shall be equal to the quotient obtained by dividing: (x) the aggregate amount on deposit in the Trust Account as of two business days prior to the consummation of the initial Business Combination, including interest not previously released to the Corporation to pay its taxes, by (y) the total number of then outstanding Offering Shares.

(c) If the Corporation offers to redeem the Offering Shares in conjunction with a stockholder vote on an initial Business Combination pursuant to a proxy solicitation, a Public Stockholder, together with any affiliate of such stockholder or any other person with whom such stockholder is acting in concert or as a “group” (as defined under Section 13(d)(3) of the Exchange Act), shall be restricted from seeking Redemption Rights with respect to more than an aggregate of 15% of the Offering Shares without the prior consent of the Corporation.

(d) In the event that the Corporation has not consummated an initial Business Combination within 24 months from the closing of the Offering, the Corporation shall (i) cease all operations except for the purpose of winding up, (ii) as promptly as reasonably possible but not more than ten business days thereafter subject to lawfully available funds therefor, redeem 100% of the Offering Shares in consideration of a per-share price, payable in cash, equal to the quotient obtained by dividing (A) the aggregate amount then on deposit in the Trust Account, including interest not previously released to the Corporation to pay its taxes (less up to \$100,000 of interest to pay dissolution expenses), by (B) the total number of then outstanding Offering Shares, which redemption will completely extinguish rights of the Public Stockholders (including the right to receive further liquidating distributions, if any), subject to applicable law, and (iii) as promptly as reasonably possible following such redemption, subject to the approval of the remaining stockholders and the Board in accordance with applicable law, dissolve and liquidate, subject in each case to the Corporation’s obligations under the DGCL to provide for claims of creditors and other requirements of applicable law.

(e) If the Corporation offers to redeem the Offering Shares in conjunction with a stockholder vote on an initial Business Combination, the Corporation shall consummate the proposed initial Business Combination only if (i) such initial Business Combination is approved by the affirmative vote of the holders of a majority of the shares of the Common Stock that are voted at a stockholder meeting held to consider such initial Business Combination and (ii) the Redemption Limitation is not exceeded.

(f) If the Corporation conducts a tender offer pursuant to Section 9.2(b), the Corporation shall consummate the proposed initial Business Combination only if the Redemption Limitation is not exceeded.

Section 9.3 Distributions from the Trust Account

(a) A Public Stockholder shall be entitled to receive funds from the Trust Account only as provided in Sections 9.2(a), 9.2(b), 9.2(d) or 9.7 hereof. In no other circumstances shall a Public Stockholder have any right or interest of any kind in or to distributions from the Trust Account, and no stockholder other than a Public Stockholder shall have any interest in or to the Trust Account.

(b) Each Public Stockholder that does not exercise its Redemption Rights shall retain its interest in the Corporation and shall be deemed to have given its consent to the release of the remaining funds in the Trust Account to the Corporation, and following payment to any Public Stockholders exercising their Redemption Rights, the remaining funds in the Trust Account shall be released to the Corporation.

(c) The exercise by a Public Stockholder of the Redemption Rights shall be conditioned on such Public Stockholder following the specific procedures for redemptions set forth by the Corporation in any applicable tender offer or proxy materials sent to the Public Stockholders relating to the proposed initial Business Combination. Payment of the amounts necessary to satisfy the Redemption Rights properly exercised shall be made as promptly as practical after the consummation of the initial Business Combination.

Section 9.4 Share Issuances. Prior to the consummation of the Corporation's initial Business Combination, the Corporation shall not issue any additional shares of capital stock of the Corporation that would entitle the holders thereof to receive funds from the Trust Account or vote on any initial Business Combination, on any pre-Business Combination activity or on any amendment to this *Article IX*.

Section 9.5 Transactions with Affiliates. In the event the Corporation enters into an initial Business Combination with a target business that is affiliated with either Sponsor, or the directors or officers of the Corporation, the Corporation, or a committee of the independent directors of the Corporation, shall obtain an opinion from an independent accounting firm or an independent investment banking firm that is a member of the Financial Industry Regulatory Authority that such Business Combination is fair to the Corporation from a financial point of view.

Section 9.6 No Transactions with Other Blank Check Companies. The Corporation shall not enter into an initial Business Combination with another blank check company or a similar company with nominal operations.

Section 9.7 Additional Redemption Rights. If, in accordance with Section 9.1(a), any amendment is to this Certificate to modify the substance or timing of the Corporation's obligation to redeem 100% of the Offering Shares if the Corporation has not consummated an initial Business Combination within 24 months from the date of the closing of the Offering or to provide for redemption in connection with an initial Business Combination, the Public Stockholders shall be provided with the opportunity to redeem their Offering Shares upon the approval of any such amendment, at a per-share price, payable in cash, equal to the aggregate amount then on deposit in the Trust Account, including interest not previously released to the Corporation to pay its taxes, divided by the number of then outstanding Offering Shares; provided, however, that any such amendment will be voided, and this *Article IX* will remain unchanged, if any stockholders who wish to redeem are unable to redeem due to the Redemption Limitation.

ARTICLE X CORPORATE OPPORTUNITY

To the extent allowed by law, the doctrine of corporate opportunity, or any other analogous doctrine, shall not apply with respect to the Corporation or any of its officers or directors, or any of their respective affiliates, in circumstances where the application of any such doctrine would conflict with any fiduciary duties or contractual obligations they may have as of the date of this Certificate or in the future, and the Corporation renounces any expectancy that any of the directors or officers of the Corporation will offer any such corporate opportunity of which he or she may become aware to the Corporation, except, the doctrine of corporate opportunity shall apply with respect to any of the directors or officers of the Corporation with respect to a corporate opportunity that was offered to such person solely in his or her capacity as a director or officer of the Corporation and (i) such opportunity is one the Corporation is legally

and contractually permitted to undertake and would otherwise be reasonable for the Corporation to pursue and (ii) the director or officer is permitted to refer that opportunity to the Corporation without violating any legal obligation.

**ARTICLE IX
AMENDMENT OF CERTIFICATE OF INCORPORATION**

The Corporation reserves the right at any time and from time to time to amend, alter, change or repeal any provision contained in this Certificate (including any Preferred Stock Designation), and other provisions authorized by the laws of the State of Delaware at the time in force that may be added or inserted, in the manner now or hereafter prescribed by this Certificate and the DGCL; and, except as set forth in *Article VIII* hereof, all rights, preferences and privileges of whatever nature herein conferred upon stockholders, directors or any other persons by and pursuant to this Certificate in its present form or as hereafter amended are granted subject to the right reserved in this *Article XI*; provided, however, that *Article IX* hereof may be amended only as provided therein.

**ARTICLE XII
EXCLUSIVE FORUM FOR CERTAIN LAWSUITS**

Section 12.1 Forum. Unless the Corporation consents in writing to the selection of an alternative forum, the Court of Chancery of the State of Delaware (the “*Court of Chancery*”) shall be the sole and exclusive forum for any stockholder (including a beneficial owner) to bring (i) any derivative action or proceeding brought on behalf of the Corporation, (ii) any action asserting a claim of breach of a fiduciary duty owed by any director, officer or other employee of the Corporation to the Corporation or the Corporation’s stockholders, (iii) any action asserting a claim against the Corporation, its directors, officers or employees arising pursuant to any provision of the DGCL or this Certificate or the Bylaws, or (iv) any action asserting a claim against the Corporation, its directors, officers or employees governed by the internal affairs doctrine and, if brought outside of Delaware, the stockholder bringing the suit will be deemed to have consented to service of process on such stockholder’s counsel, except for, as to each of (i) through (iv) above, any claim (A) as to which the Court of Chancery determines that there is an indispensable party not subject to the jurisdiction of the Court of Chancery (and the indispensable party does not consent to the personal jurisdiction of the Court of Chancery within ten days following such determination), (B) which is vested in the exclusive jurisdiction of a court or forum other than the Court of Chancery, (C) for which the Court of Chancery does not have subject matter jurisdiction, or (D) any action arising under the Securities Act of 1933, as amended, as to which the Court of Chancery and the federal district court for the District of Delaware shall have concurrent jurisdiction. Notwithstanding the foregoing, the provisions of this Section 12.1 will not apply to suits brought to enforce a duty or liability created by the Exchange Act or any other claim for which the federal courts have exclusive jurisdiction. Any person or entity purchasing or otherwise acquiring any interest in any security of the Corporation shall be deemed to have notice of and consented to the provisions of this Section 12.1.

Section 12.2 Consent to Jurisdiction. If any action the subject matter of which is within the scope of Section 12.1 immediately above is filed in a court other than a court located within the State of Delaware (a “*Foreign Action*”) in the name of any stockholder, such stockholder shall be deemed to have consented to (i) the personal jurisdiction of the state and federal courts located within the State of Delaware in connection with any action brought in any such court to enforce Section 12.1 immediately above (an “*FSC Enforcement Action*”) and (ii) having service of process made upon such stockholder in any such FSC Enforcement Action by service upon such stockholder’s counsel in the Foreign Action as agent for such stockholder.

Section 12.3 Severability. If any provision or provisions of this *Article XII* shall be held to be invalid, illegal or unenforceable as applied to any person or entity or circumstance for any reason whatsoever, then, to the fullest extent permitted by law, the validity, legality and enforceability of such provisions in any other circumstance and of the remaining provisions of this *Article XII* (including, without limitation, each portion of any sentence of this *Article XII* containing any such provision held to be invalid, illegal or unenforceable that is not itself held to be invalid, illegal or unenforceable) and the application of such provision to other persons or entities and circumstances shall not in any way be affected or impaired thereby. Any person or entity purchasing or otherwise acquiring any interest in shares of capital stock of the Corporation shall be deemed to have notice of and consented to the provisions of this *Article XII*.

6. This Certificate shall become effective on the date of filing with the Secretary of State of the State of Delaware.
7. This Third Amended and Restated Certificate restates, integrates and amends the provisions of the Second Amended and Restated Certificate. Certain capitalized terms used in this Third Amended and Restated Certificate are defined where appropriate herein.
8. The Second Amended and Restated Certificate is being amended and restated in connection with the transactions contemplated by that certain Agreement and Plan of Merger, dated as of January [•], 2021, by and among the Corporation, HMAN Group Holdings, Inc. and the other parties thereto (as amended, modified, supplemented or waived from time to time, the “*Merger Agreement*”). All Class A Common Stock issued and outstanding prior to the effectiveness of this Third Amended and Restated Certificate and all Class A Common Stock issued as part of the Merger Agreement and the Subscription Agreements contemplated by the Merger Agreement shall be renamed as Common Stock for all purposes of this Third Amended and Restated Certificate.
9. The text of the Second Amended and Restated Certificate is hereby restated and amended in its entirety to read as follows:

**ARTICLE II

**ARTICLE IV
CAPITALIZATION**

Section 4.1 Authorized Capital Stock. The total number of shares of all classes of capital stock, each with a par value of \$0.0001 per share, which the Corporation is authorized to issue is [•] shares, which shall be divided into two classes, consisting of (a) [•] shares of common stock (the "**Common Stock**"), and (b) [•] shares of preferred stock (the "**Preferred Stock**").

Section 4.2 Preferred Stock. The Preferred Stock may be issued from time to time in one or more series. The Board is hereby expressly authorized to provide for the issuance of shares of the Preferred Stock in one or more series and to establish from time to time the number of shares to be included in each such series and to fix the voting rights, if any, designations, powers, preferences and relative, participating, optional, special and other rights, if any, of each such series and any qualifications, limitations and restrictions thereof, as shall be stated in the resolution or resolutions adopted by the Board providing for the issuance of such series and included in a certificate of designation (a "**Preferred Stock Designation**") filed pursuant to the DGCL, and the Board is hereby expressly vested with the authority to the full extent provided by law, now or hereafter, to adopt any such resolution or resolutions. Except as otherwise provided by any Preferred Stock Designation with respect to any series of Preferred Stock then outstanding or by law, no holder of any such series of Preferred Stock, as such, shall be entitled to any voting powers in respect thereof.

Section 4.3 Common Stock.

(a) Except as otherwise required by law or this Third Amended and Restated Certificate (including any Preferred Stock Designation), the holders of the Common Stock shall exclusively possess all voting power with respect to the Corporation. The holders of shares of Common Stock shall be entitled to one vote for each such share on each matter properly submitted to the stockholders on which the holders of the Common Stock are entitled to vote. The holders of shares of Common Stock shall at all times vote together as one class on all matters submitted to a vote of the stockholders of the Corporation.

(b) Except as otherwise required by law or this Third Amended and Restated Certificate (including any Preferred Stock Designation), at any annual or special meeting of the stockholders of the Corporation, the holders of the Common Stock shall have the exclusive right to vote for the election of directors and on all other matters properly submitted to a vote of the stockholders. Notwithstanding the foregoing, except as otherwise required by law or this Third Amended and Restated Certificate (including any Preferred Stock Designation), the holders of the Common Stock shall not be entitled to vote on any amendment to this Third Amended and Restated Certificate (including any amendment to any Preferred Stock Designation) that relates solely to the terms of one or more outstanding series of the Preferred Stock if the holders of such affected series are entitled, either separately or together with the holders of one or more other such series, to vote thereon pursuant to this Third Amended and Restated Certificate (including any Preferred Stock Designation) or the DGCL.

(c) Subject to the rights, if any, of the holders of any outstanding series of the Preferred Stock, the holders of the Common Stock shall be entitled to receive such dividends and other distributions (payable in cash, property or capital stock of the Corporation) when, as and if declared thereon by the Board from time to time out of any assets or funds of the Corporation legally available therefor, and shall share equally on a per share basis in such dividends and distributions.

(d) Subject to the rights, if any, of the holders of any outstanding series of the Preferred Stock, in the event of any voluntary or involuntary liquidation, dissolution or winding-up of the Corporation, after payment or provision for payment of the debts and other liabilities of the Corporation, the holders of the Common Stock shall be entitled to receive all the remaining assets of the Corporation available for distribution to its stockholders, ratably in proportion to the number of shares of the Common Stock held by them.

Section 4.4 Rights and Options. The Corporation has the authority to create and issue rights, warrants and options entitling the holders thereof to purchase shares of any class or series of the Corporation's capital stock or other securities of the Corporation, and such rights, warrants and options shall be evidenced by instrument(s) approved by the Board. The Board is empowered to set the exercise price, duration, times for exercise and other terms and conditions of such rights, warrants or options; provided, however, that the consideration to be received for any shares of capital stock issuable upon exercise thereof may not be less than the par value thereof.

Section 4.5 No Class Vote on Changes in Authorized Number of Shares of Stock. Subject to the rights of the holders of any outstanding series of Preferred Stock, the number of authorized shares of any class or classes of stock may be increased or decreased (but not below the number of shares thereof then outstanding) by the affirmative vote of holders of a majority of the voting power of all then outstanding shares of capital stock of the Corporation entitled to vote generally in the election of directors, voting together as a single class, irrespective of the provisions of Section 242(b)(2) of the DGCL.

ARTICLE V BOARD OF DIRECTORS

Section 5.1 Board Powers. The business and affairs of the Corporation shall be managed by, or under the direction of, the Board, except as may be otherwise provided by the DGCL or by this Third Amended and Restated Certificate.

Section 5.2 Number, Election and Term.

(a) The number of directors of the Corporation, other than those who may be elected by the holders of one or more series of the Preferred Stock voting separately by class or series, shall be fixed from time to time exclusively by the Board.

(b) Subject to Section 5.5 hereof, the Board shall be divided into three classes, as nearly equal in number as possible, and designated Class I, Class II and Class III. The Board is authorized to assign members of the Board already in office to Class I, Class II or Class III. The term of the initial Class I directors shall expire at the first annual meeting of the stockholders of the Corporation following the effectiveness of this Third Amended and Restated Certificate; the term of the initial Class II directors shall expire at the second annual meeting of the stockholders of the Corporation following the effectiveness of this Third Amended and Restated Certificate; and the term of the initial Class III directors shall expire at the third annual meeting of the stockholders of the Corporation following the effectiveness of this Third Amended and Restated Certificate. At each succeeding annual meeting of the stockholders of the Corporation, beginning with the first annual meeting of the stockholders of the Corporation following the effectiveness of this Third Amended and Restated Certificate, successors to the class of directors whose term expires at that annual meeting shall be elected for a three-year term. Subject to Section 5.5 hereof, if the number of directors is changed, any increase or decrease shall be apportioned by the Board among the classes so as to maintain the number of directors in each class as nearly equal as possible, and any such additional director of any class elected to fill a newly created directorship resulting from an increase in such class shall hold office for a term that shall coincide with the remaining term of that class, but in no case shall a decrease in the number of directors shorten

the term of any incumbent director. A director shall hold office until the annual meeting at which his or her term expires and until his or her successor shall be elected and qualified, or his or her death, resignation, retirement, disqualification or removal from office. Subject to the rights of the holders of one or more series of Preferred Stock, voting separately by class or series, to elect directors pursuant to the terms of one or more series of Preferred Stock, directors shall be elected by a plurality of the votes cast at an annual meeting of stockholders by holders of the Common Stock.

(c) Subject to Section 5.5 hereof, a director shall hold office until the annual meeting for the year in which his or her term expires and until his or her successor has been elected and qualified, subject, however, to such director's earlier death, resignation, retirement, disqualification or removal.

(d) Unless and except to the extent that the Amended and Restated Bylaws of the Corporation (as may be amended from time to time, "*Bylaws*") shall so require, the election of directors need not be by written ballot.

Section 5.3 Newly Created Directorships and Vacancies. Subject to Section 5.5 hereof, newly created directorships resulting from an increase in the number of directors and any vacancies on the Board resulting from death, resignation, retirement, disqualification, removal or other cause shall be filled solely by a majority vote of the remaining directors then in office, even if less than a quorum, or by a sole remaining director (and not by stockholders), and any director so chosen shall hold office for the remainder of the full term of the class of directors to which the new directorship was added or in which the vacancy occurred and until his or her successor has been elected and qualified, subject, however, to such director's earlier death, resignation, retirement, disqualification or removal.

Section 5.4 Removal. Subject to Section 5.5 hereof, any or all of the directors may be removed from office at any time, but only for cause and only by the affirmative vote of holders of at least 66% in voting power of all the then outstanding shares of capital stock of the Corporation entitled to vote generally in the election of directors, voting together as a single class. At least forty-five (45) days prior to any annual or special meeting of stockholders at which it is proposed that any director be removed from office, written notice of such proposed removal and the alleged grounds thereof shall be sent to the director whose removal will be considered at the meeting.

Section 5.5 Preferred Stock — Directors. Notwithstanding any other provision of this Article V, and except as otherwise required by law, whenever the holders of one or more series of the Preferred Stock shall have the right, voting separately by class or series, to elect one or more directors, the term of office, the filling of vacancies, the removal from office and other features of such directorships shall be governed by the terms of such series of the Preferred Stock as set forth in this Third Amended and Restated Certificate (including any Preferred Stock Designation) and such directors shall not be included in any of the classes created pursuant to this Article V unless expressly provided by such terms.

ARTICLE VI BYLAWS

In furtherance and not in limitation of the powers conferred upon it by law, the Board is expressly authorized to adopt, amend, alter or repeal the Bylaws without the assent or vote of the stockholders in any manner not inconsistent with the laws of the State of Delaware or this Third Amended and Restated Certificate. The Bylaws also may be adopted, amended, altered or repealed by the stockholders; provided, however, that in addition to any vote of the holders of any class or series of capital stock of the Corporation required by law or by this Third Amended and Restated Certificate (including any Preferred Stock Designation), the affirmative vote of the holders of at least 66% in voting power of all the then outstanding shares of capital stock of the Corporation entitled to vote generally in the election of directors, voting together as a single class, shall be required for the stockholders to adopt, amend, alter or repeal the Bylaws; and provided further, however, that no Bylaws hereafter adopted by the stockholders shall invalidate any prior act of the Board that would have been valid if such Bylaws had not been adopted.

ARTICLE VII MEETINGS OF STOCKHOLDERS; ACTION BY WRITTEN CONSENT

Section 7.1 Meetings. Subject to the rights, if any, of the holders of any outstanding series of the Preferred Stock, and to the requirements of applicable law, special meetings of the stockholders of the

Corporation may be called only by the Board, and special meetings of stockholders may not be called by any other person or persons. Only those matters set forth in the notice of the special meeting may be considered or acted upon at a special meeting of stockholders of the Corporation.

Section 7.2 Advance Notice. Advance notice of stockholder nominations for the election of directors and of business to be brought by stockholders before any meeting of the stockholders of the Corporation shall be given in the manner provided in the Bylaws.

Section 7.3 Action by Written Consent. Except as may be otherwise provided for or fixed pursuant to this Certificate (including any Preferred Stock Designation) relating to the rights of the holders of any outstanding series of Preferred Stock, any action required or permitted to be taken by the stockholders of the Corporation must be effected by a duly called annual or special meeting of such stockholders and may not be effected by written consent of the stockholders.

ARTICLE VIII LIMITED LIABILITY; INDEMNIFICATION

Section 8.1 Limitation of Director Liability. A director of the Corporation shall not be personally liable to the Corporation or its stockholders for monetary damages for breach of fiduciary duty as a director, except to the extent such exemption from liability or limitation thereof is not permitted under the DGCL as the same exists or may hereafter be amended. Any amendment, modification or repeal of the foregoing sentence shall not adversely affect any right or protection of a director of the Corporation hereunder in respect of any act or omission occurring prior to the time of such amendment, modification or repeal.

Section 8.2 Indemnification and Advancement of Expenses.

(a) The Corporation, to the fullest extent permitted by law, shall indemnify and advance expenses to any director of the Corporation and may indemnify and advance expenses to any other Person, in each case, made or threatened to be made a party to an action, suit or proceeding, whether criminal, civil, administrative or investigative, by reason of the fact that he or she is or was a director, officer, employee or agent of the Corporation or any predecessor of the Corporation or is or was serving at the request of the Corporation as a director, officer, employee or agent of another corporation, partnership, joint venture, trust or other enterprise.

(b) The rights to indemnification and advancement of expenses conferred on any indemnitee by this Section 8.2 shall not be exclusive of any other rights that any indemnitee may have or hereafter acquire under law, this Third Amended and Restated Certificate, the Bylaws, an agreement, vote of stockholders or disinterested directors, or otherwise.

(c) Any repeal or amendment of this Section 8.2 by the stockholders of the Corporation or by changes in law, or the adoption of any other provision of this Third Amended and Restated Certificate inconsistent with this Section 8.2, shall, unless otherwise required by law, be prospective only (except to the extent such amendment or change in law permits the Corporation to provide broader indemnification rights on a retroactive basis than permitted prior thereto), and shall not in any way diminish or adversely affect any right or protection existing at the time of such repeal or amendment or adoption of such inconsistent provision in respect of any proceeding (regardless of when such proceeding is first threatened, commenced or completed) arising out of, or related to, any act or omission occurring prior to such repeal or amendment or adoption of such inconsistent provision.

(d) This Section 8.2 shall not limit the right of the Corporation, to the extent and in the manner authorized or permitted by law, to indemnify and to advance expenses to persons other than indemnitees.

ARTICLE IX CORPORATE OPPORTUNITY

Section 9.1 To the greatest extent permitted by applicable law, each of CCMP Capital Advisors, LP and the investment funds affiliated with CCMP Capital Advisors, LP and their respective successors, Transferees and Affiliates (each as defined in Section 10.3) (other than the Corporation and its subsidiaries)

and all of their respective partners, principals, directors, officers, members, managers, equity holders and/or employees, including any of the foregoing who serve as officers or directors of the Corporation (each, an “**Exempted Person**”) shall not have any fiduciary duty to refrain from engaging directly or indirectly in the same or similar business activities or lines of business as the Corporation or any of its subsidiaries. To the fullest extent permitted by applicable law, the Corporation, on behalf of itself and its subsidiaries, renounces any interest or expectancy of the Corporation and its subsidiaries in, or in being offered an opportunity to participate in, business opportunities that are from time to time available to the Exempted Persons, even if the opportunity is one that the Corporation or its subsidiaries might reasonably be deemed to have pursued or had the ability or desire to pursue if granted the opportunity to do so, and each such Exempted Person shall have no duty to communicate or offer such business opportunity to the Corporation (and there shall be no restriction on the Exempted Persons using the general knowledge and understanding of the industry in which the Corporation operates which it has gained as an Exempted Person in considering and pursuing such opportunities or in making investment, voting, monitoring, governance or other decisions relating to other entities or securities) and, to the fullest extent permitted by applicable law, shall not be liable to the Corporation or any of its subsidiaries or stockholders for breach of any fiduciary or other duty, as a director or officer or otherwise, by reason of the fact that such Exempted Person pursues or acquires such business opportunity, directs such business opportunity to another person or fails to present such business opportunity, or information regarding such business opportunity, to the Corporation or its subsidiaries, or uses such knowledge and understanding in the manner described herein. In addition to and notwithstanding the foregoing, a corporate opportunity shall not be deemed to belong to the Corporation if it is a business opportunity that the Corporation is not financially able or contractually permitted or legally able to undertake, or that is, from its nature, not in the line of the Corporation’s business or is of no practical advantage to it or that is one in which the Corporation has no interest or reasonable expectancy. Any person or entity purchasing or otherwise acquiring any interest in any shares of stock of the Corporation shall be deemed to have notice of the provisions of this Article IX.

Section 9.2 Neither the alteration, amendment, addition to or repeal of this Article IX, nor the adoption of any provision of this Third Amended and Restated Certificate (including any Preferred Stock Designation) inconsistent with this Article IX, shall eliminate or reduce the effect of this Article IX in respect of any business opportunity first identified or any other matter occurring, or any cause of action, suit or claim that, but for this Article IX, would accrue or arise, prior to such alteration, amendment, addition, repeal or adoption. This Article IX shall not limit any protections or defenses available to, or indemnification or advancement rights of, any director or officer of the Corporation under this Third Amended and Restated Certificate, the Bylaws or applicable law.

ARTICLE X BUSINESS COMBINATIONS

Section 10.1 Opt Out of DGCL 203. The Corporation shall not be governed by Section 203 of the DGCL.

Section 10.2 Limitations on Business Combinations. Notwithstanding the foregoing, the Corporation shall not engage in any business combination, at any point in time at which the Common Stock is registered under Section 12(b) or 12(g) of the Securities Exchange Act of 1934, as amended, with any interested stockholder for a period of three (3) years following the time that such stockholder became an interested stockholder, unless:

- (a) prior to such time, the Board approved either the business combination or the transaction which resulted in the stockholder becoming an interested stockholder; or
- (b) upon consummation of the transaction which resulted in the stockholder becoming an interested stockholder, the interested stockholder owned at least 85% of the voting stock of the Corporation outstanding at the time the transaction commenced, excluding for purposes of determining the voting stock outstanding (but not the outstanding voting stock owned by the interested stockholder) those shares owned by: (i) persons who are directors and also officers; or (ii) employee stock plans in which employee participants do not have the right to determine confidentially whether shares held subject to the plan will be tendered in a tender or exchange offer; or

(c) at or subsequent to such time, the business combination is approved by the Board and authorized at an annual or special meeting of stockholders, and not by written consent, by the affirmative vote of at least 66% in voting power of all the then outstanding voting stock of the Corporation which is not owned by the interested stockholder.

Section 10.3 Definitions. For purposes of this Article X, the term:

(a) “*Affiliate*” means, with respect to any person, any other person that controls, is controlled by, or is under common control with such person.

(b) “*associate*,” when used to indicate a relationship with any person, means: (i) any corporation, partnership, unincorporated association or other entity of which such person is a director, officer or partner or is, directly or indirectly, the owner of 20% or more of any class of voting stock; (ii) any trust or other estate in which such person has at least a 20% beneficial interest or as to which such person serves as trustee or in a similar fiduciary capacity; and (iii) any relative or spouse of such person, or any relative of such spouse, who has the same residence as such person.

(c) “*business combination*,” when used in reference to the Corporation and any interested stockholder of the Corporation, means:

(i) any merger or consolidation of the Corporation or any direct or indirect majority-owned subsidiary of the Corporation: (A) with the interested stockholder; or (B) with any other corporation, partnership, unincorporated association or other entity if the merger or consolidation is caused by the interested stockholder and as a result of such merger or consolidation Section 10.2 is not applicable to the surviving entity;

(ii) any sale, lease, exchange, mortgage, pledge, transfer or other disposition (in one transaction or a series of transactions), except proportionately as a stockholder of the Corporation, to or with the interested stockholder, whether as part of a dissolution or otherwise, of assets of the Corporation or of any direct or indirect majority-owned subsidiary of the Corporation which assets have an aggregate market value equal to 10% or more of either the aggregate market value of all the assets of the Corporation determined on a consolidated basis or the aggregate market value of all the outstanding stock of the Corporation;

(iii) any transaction which results in the issuance or transfer by the Corporation or by any direct or indirect majority-owned subsidiary of the Corporation of any stock of the Corporation or of such subsidiary to the interested stockholder, except: (A) pursuant to the exercise, exchange or conversion of securities exercisable for, exchangeable for or convertible into stock of the Corporation or any such subsidiary which securities were outstanding prior to the time that the interested stockholder became such; (B) pursuant to a merger under Section 251(g) of the DGCL; (C) pursuant to a dividend or distribution paid or made, or the exercise, exchange or conversion of securities exercisable for, exchangeable for or convertible into stock of the Corporation or any such subsidiary which security is distributed, pro rata to all holders of a class or series of stock of the Corporation subsequent to the time the interested stockholder became such; (D) pursuant to an exchange offer by the Corporation to purchase stock made on the same terms to all holders of said stock; or (E) any issuance or transfer of stock by the Corporation; provided, however, that in no case under items (C) – (E) of this subsection (iii) shall there be an increase in the interested stockholder’s proportionate share of the stock of any class or series of the Corporation or of the voting stock of the Corporation (except as a result of immaterial changes due to fractional share adjustments);

(iv) any transaction involving the Corporation or any direct or indirect majority-owned subsidiary of the Corporation which has the effect, directly or indirectly, of increasing the proportionate share of the stock of any class or series, or securities convertible into the stock of any class or series, of the Corporation or of any such subsidiary which is owned by the interested stockholder, except as a result of immaterial changes due to fractional share adjustments or as a result of any purchase or redemption of any shares of stock not caused, directly or indirectly, by the interested stockholder; or

(v) any receipt by the interested stockholder of the benefit, directly or indirectly (except proportionately as a stockholder of the Corporation), of any loans, advances, guarantees, pledges, or other financial benefits (other than those expressly permitted in subsections (i) – (iv) above) provided by or through the Corporation or any direct or indirect majority-owned subsidiary.

(d) “**control**,” including the terms “**controlling**,” “**controlled by**” and “**under common control with**,” means the possession, directly or indirectly, of the power to direct or cause the direction of the management and policies of a person, whether through the ownership of voting stock, by contract, or otherwise. A person who is the owner of 20% or more of the outstanding voting stock of the Corporation, partnership, unincorporated association or other entity shall be presumed to have control of such entity, in the absence of proof by a preponderance of the evidence to the contrary. Notwithstanding the foregoing, a presumption of control shall not apply where such person holds voting stock, in good faith and not for the purpose of circumventing this Article X, as an agent, bank, broker, nominee, custodian or trustee for one or more owners who do not individually or as a group have control of such entity.

(e) “**interested stockholder**” means any person (other than the Corporation or any direct or indirect majority-owned subsidiary of the Corporation) that: (i) is the owner of 15% or more of the outstanding voting stock of the Corporation; or (ii) is an Affiliate or associate of the Corporation and was the owner of 15% or more of the outstanding voting stock of the Corporation at any time within the three (3) year period immediately prior to the date on which it is sought to be determined whether such person is an interested stockholder; or (iii) an Affiliate or associate of any such person described in clauses (i) and (ii); provided, however, that the term “interested stockholder” shall not include: (A) the Sponsor Holders or their transferees; or (B) any person whose ownership of shares in excess of the 15% limitation set forth herein is the result of any action taken solely by the Corporation; provided, that such person specified in this clause (B) shall be an interested stockholder if thereafter such person acquires additional shares of voting stock of the Corporation, except as a result of further corporate action not caused, directly or indirectly, by such person. For the purpose of determining whether a person is an interested stockholder, the voting stock of the Corporation deemed to be outstanding shall include stock deemed to be owned by the person through application of the definition of “owner” below but shall not include any other unissued stock of the Corporation which may be issuable pursuant to any agreement, arrangement or understanding, or upon exercise of conversion rights, warrants or options, or otherwise.

(f) “**owner**,” including the terms “**own**” and “**owned**,” when used with respect to any stock, means a person that individually or with or through any of its Affiliates or associates:

(i) beneficially owns such stock, directly or indirectly; or

(ii) has: (A) the right to acquire such stock (whether such right is exercisable immediately or only after the passage of time) pursuant to any agreement, arrangement or understanding, or upon the exercise of conversion rights, exchange rights, warrants or options, or otherwise; provided, however, that a person shall not be deemed the owner of stock tendered pursuant to a tender or exchange offer made by such person or any of such person’s Affiliates or associates until such tendered stock is accepted for purchase or exchange; or (B) the right to vote such stock pursuant to any agreement, arrangement or understanding; provided, however, that a person shall not be deemed the owner of any stock because of such person’s right to vote such stock if the agreement, arrangement or understanding to vote such stock arises solely from a revocable proxy or consent given in response to a proxy or consent solicitation made to 10 or more persons; or

(iii) has any agreement, arrangement or understanding for the purpose of acquiring, holding, voting (except voting pursuant to a revocable proxy or consent as described in item (B) of subsection (ii) above), or disposing of such stock with any other person that beneficially owns, or whose Affiliates or associates beneficially own, directly or indirectly, such stock.

(g) “**person**” means any individual, corporation, partnership, unincorporated association or other entity.

(h) “*stock*” means, with respect to any corporation, capital stock and, with respect to any other entity, any equity interest.

(i) “*Sponsor Holders*” means the investment funds affiliated with CCMP Capital Advisors, LP and their respective successors, Transferees and Affiliates.

(j) “*Transferee*” means any Person who (i) becomes a beneficial owner of Common Stock upon having acquired such shares of Common Stock from an investment fund affiliated with CCMP Capital Advisors, LP and (ii) is designated in writing by the transferor as a “Transferee” and a copy of such writing is provided to the Corporation at or prior to the time of such transfer; provided, however, that a purchaser of Common Stock in a registered offering or in a transaction effected pursuant to Rule 144 under the Securities Act of 1933, as amended (or any similar or successor provision thereto), shall not be a “Transferee.”

(k) “*voting stock*” means stock of any class or series entitled to vote generally in the election of directors.

ARTICLE XI AMENDMENT OF AMENDED AND RESTATED CERTIFICATE OF INCORPORATION

The Corporation reserves the right at any time and from time to time to amend, alter, change or repeal any provision contained in this Third Amended and Restated Certificate (including any Preferred Stock Designation), in the manner now or hereafter prescribed by this Third Amended and Restated Certificate and the DGCL, and, except as set forth in Article VIII, all rights, preferences and privileges herein conferred upon stockholders, directors or any other persons by and pursuant to this Third Amended and Restated Certificate in its present form or as hereafter amended are granted subject to the right reserved in this Article XI. Notwithstanding anything to the contrary contained in this Third Amended and Restated Certificate, and notwithstanding that a lesser percentage may be permitted from time to time by applicable law, no provision of Article V, Article VI, Section 7.1, Section 7.3, Article VIII, Article IX, Article X and this Article XI may be altered, amended or repealed in any respect, nor may any provision or bylaw inconsistent therewith be adopted, unless, in addition to any other vote required by this Third Amended and Restated Certificate or otherwise required by law, such alteration, amendment, repeal or adoption is approved by the affirmative vote of the holders of at least 66% in voting power of all the then outstanding shares of capital stock of the Corporation entitled to vote generally in the election of directors, voting together as a single class.

ARTICLE XII EXCLUSIVE FORUM FOR CERTAIN LAWSUITS

Section 12.1 *Exclusive Forum.* Unless the Corporation consents in writing to the selection of an alternative forum, the Court of Chancery of the State of Delaware (the “*Court of Chancery*”) shall be the sole and exclusive forum for any stockholder (including a beneficial owner) to bring (i) any derivative claim or proceeding brought on behalf of the Corporation, (ii) any claim of breach of a fiduciary duty owed by any director, officer or other employee of the Corporation to the Corporation or the Corporation’s stockholders, (iii) any claim against the Corporation, its directors, officers or employees arising pursuant to any provision of the DGCL or this Third Amended and Restated Certificate or the Bylaws, or (iv) any claim against the Corporation, its directors, officers or employees governed by the internal affairs doctrine (each of (i) through (iv) above, a “*Covered Claim*”) and, if brought outside of Delaware, the stockholder bringing the suit will be deemed to have consented to service of process on such stockholder’s counsel. Notwithstanding the foregoing, the provisions of this Section 12.1 will not apply to suits brought to enforce a duty or liability created by the Securities Exchange Act of 1934, as amended or any other claim for which the federal courts have exclusive jurisdiction. Any person or entity purchasing or otherwise acquiring any interest in any security of the Corporation shall be deemed to have notice of and consented to the provisions of this Section 12.1.

Section 12.2 *Federal Forum.* Unless the Corporation consents in writing to the selection of an alternative forum, the federal district courts of the United States shall be the exclusive forum for the

resolution of any complaint asserting a cause of action arising under the Securities Act of 1933, as amended. Any person or entity purchasing or otherwise acquiring any interest in any security of the Corporation shall be deemed to have notice of and consented to this provision.

Section 12.3 Consent to Jurisdiction. If any claim the subject matter of which is within the scope of Section 12.1 immediately above is filed in a court other than a court located within the State of Delaware (a “**Foreign Action**”) in the name of any stockholder, such stockholder shall be deemed to have consented to (i) the personal jurisdiction of the state and federal courts located within the State of Delaware in connection with any action brought in any such court to enforce Section 12.1 immediately above (an “**FSC Enforcement Action**”) and (ii) having service of process made upon such stockholder in any such FSC Enforcement Action by service upon such stockholder’s counsel in the Foreign Action as agent for such stockholder.

Section 12.4 Severability. If any provision or provisions of this Article XII shall be held to be invalid, illegal or unenforceable as applied to any person or entity or circumstance for any reason whatsoever, then, to the fullest extent permitted by law, the validity, legality and enforceability of such provisions in any other circumstance and of the remaining provisions of this Article XII (including, without limitation, each portion of any sentence of this Article XII containing any such provision held to be invalid, illegal or unenforceable that is not itself held to be invalid, illegal or unenforceable) and the application of such provision to other persons or entities and circumstances shall not in any way be affected or impaired thereby. Any person or entity purchasing or otherwise acquiring any interest in shares of capital stock of the Corporation shall be deemed to have notice of and consented to the provisions of this Article XII.

**FORM OF AMENDED AND RESTATED BYLAWS
OF
HILLMAN SOLUTIONS CORP.
(f/k/a LANDCADIA HOLDINGS III, INC.)**

**ARTICLE I
OFFICES**

Section 1.1. Registered Office. The registered office of Hillman Solutions Corp. (the "**Corporation**") within the State of Delaware shall be located at either: (a) the principal place of business of the Corporation in the State of Delaware; or (b) the office of the corporation or individual acting as the Corporation's registered agent in Delaware.

Section 1.2. Additional Offices. The Corporation may, in addition to its registered office in the State of Delaware, have such other offices and places of business, both within and outside the State of Delaware, as the Board of Directors of the Corporation (the "**Board**") may from time to time determine or as the business and affairs of the Corporation may require.

**ARTICLE II
STOCKHOLDERS MEETINGS**

Section 2.1. Annual Meetings. The annual meeting of stockholders shall be held at such place and time and on such date as shall be determined by the Board and stated in the notice of the meeting; provided that the Board may in its sole discretion determine that the meeting shall not be held at any place, but may instead be held solely by means of remote communication pursuant to Section 9.5(a). At each annual meeting, the stockholders shall elect those directors of the Corporation to fill any term of a directorship that expires on the date of such annual meeting and may transact any other business as may properly be brought before the meeting.

Section 2.2. Special Meetings. Subject to the rights of the holders of any outstanding series of the preferred stock of the Corporation (the "**Preferred Stock**"), and to the requirements of applicable law, special meetings of stockholders, for any purpose or purposes, may be called only by the Board. Special meetings of stockholders shall be held at such place and time and on such date as shall be determined by the Board and stated in the Corporation's notice of the meeting; provided that the Board may in its sole discretion determine that the meeting shall not be held at any place, but may instead be held solely by means of remote communication pursuant to Section 9.5(a).

Section 2.3. Notices. Notice of each stockholders meeting stating the place, if any, date, and time of the meeting, and the means of remote communication, if any, by which stockholders and proxy holders may be deemed to be present in person and vote at such meeting, shall be given in the manner permitted by Section 9.3 to each stockholder entitled to vote thereat by the Corporation not less than 10 nor more than 60 days before the date of the meeting. If said notice is for a stockholders meeting other than an annual meeting, it shall in addition state the purpose or purposes for which the meeting is called, and the business transacted at such meeting shall be limited to the matters so stated in the Corporation's notice of meeting (or any supplement thereto). Any meeting of stockholders as to which notice has been given may be postponed, and any special meeting of stockholders as to which notice has been given may be cancelled, by the Board upon public announcement (as defined in Section 2.7(c)) given before the date previously scheduled for such meeting.

Section 2.4. Quorum. Except as otherwise provided by applicable law, the Corporation's Third Amended and Restated Certificate of Incorporation, as the same may be amended or restated from time to time (the "**Certificate of Incorporation**"), or these Bylaws, the presence, in person or by proxy, at a stockholders meeting of the holders of shares of outstanding capital stock of the Corporation representing a majority of the voting power of all outstanding shares of capital stock of the Corporation entitled to vote at such meeting shall constitute a quorum for the transaction of business at such meeting, except that when specified business is to be voted on by a class or series of stock voting as a class, the holders of shares

representing a majority of the voting power of the outstanding shares of such class or series shall constitute a quorum of such class or series for the transaction of such business. If a quorum shall not be present or represented by proxy at any meeting of the stockholders of the Corporation, the chairman of the meeting may adjourn the meeting from time to time in the manner provided in Section 2.6 until a quorum shall attend. The stockholders present at a duly convened meeting may continue to transact business until adjournment, notwithstanding the withdrawal of enough stockholders to leave less than a quorum. Shares of its own stock belonging to the Corporation or to another corporation, if a majority of the voting power of the shares entitled to vote in the election of directors of such other corporation is held, directly or indirectly, by the Corporation, shall neither be entitled to vote nor be counted for quorum purposes; provided, however, that the foregoing shall not limit the right of the Corporation or any such other corporation to vote shares held by it in a fiduciary capacity.

Section 2.5. Voting of Shares.

(a) **Voting Lists.** The Secretary of the Corporation (the “*Secretary*”) shall prepare, or shall cause the officer or agent who has charge of the stock ledger of the Corporation to prepare, at least 10 days before every meeting of stockholders, a complete list of the stockholders of record entitled to vote at such meeting and showing the address and the number of shares registered in the name of each stockholder. Nothing contained in this Section 2.5(a) shall require the Corporation to include electronic mail addresses or other electronic contact information on such list. Such list shall be open to the examination of any stockholder, for any purpose germane to the meeting, during ordinary business hours for a period of at least 10 days prior to the meeting: (i) on a reasonably accessible electronic network; provided that the information required to gain access to such list is provided with the notice of the meeting; or (ii) during ordinary business hours, at the principal place of business of the Corporation. In the event that the Corporation determines to make the list available on an electronic network, the Corporation may take reasonable steps to ensure that such information is available only to stockholders of the Corporation. If the meeting is to be held at a place, then the list shall be produced and kept at the time and place of the meeting during the whole time thereof, and may be inspected by any stockholder who is present. If a meeting of stockholders is to be held solely by means of remote communication as permitted by Section 9.5(a), the list shall be open to the examination of any stockholder during the whole time of the meeting on a reasonably accessible electronic network, and the information required to access such list shall be provided with the notice of meeting. The stock ledger shall be the only evidence as to who are the stockholders entitled to examine the list required by this Section 2.5(a) or to vote in person or by proxy at any meeting of stockholders.

(b) **Manner of Voting.** At any stockholders meeting, every stockholder entitled to vote may vote in person or by proxy. If authorized by the Board, the voting by stockholders or proxy holders at any meeting conducted by remote communication may be effected by a ballot submitted by electronic transmission (as defined in Section 9.3); provided that any such electronic transmission must either set forth or be submitted with information from which the Corporation can determine that the electronic transmission was authorized by the stockholder or proxy holder. The Board, in its discretion, or the chairman of the meeting of stockholders, in such person’s discretion, may require that any votes cast at such meeting shall be cast by written ballot.

(c) **Proxies.** Each stockholder entitled to vote at a meeting of stockholders or to express consent or dissent to corporate action in writing without a meeting may authorize another person or persons to act for such stockholder by proxy, but no such proxy shall be voted or acted upon after three years from its date, unless the proxy provides for a longer period. Proxies need not be filed with the Secretary until the meeting is called to order, but shall be filed with the Secretary before being voted. Without limiting the manner in which a stockholder may authorize another person or persons to act for such stockholder as proxy, either of the following shall constitute a valid means by which a stockholder may grant such authority. A proxy shall be irrevocable if it states that it is irrevocable and if, and only as long as, it is coupled with an interest sufficient in law to support an irrevocable power. A stockholder may revoke any proxy that is not irrevocable by attending the meeting and voting in person or by delivering to the Secretary a revocation of the proxy or a new proxy bearing a later date.

(i) A stockholder may execute a writing authorizing another person or persons to act for such stockholder as proxy. Execution may be accomplished by the stockholder or such stockholder’s

authorized officer, director, employee or agent signing such writing or causing such person's signature to be affixed to such writing by any reasonable means, including, but not limited to, by facsimile signature.

(ii) A stockholder may authorize another person or persons to act for such stockholder as proxy by transmitting or authorizing the transmission of an electronic transmission to the person who will be the holder of the proxy or to a proxy solicitation firm, proxy support service organization or like agent duly authorized by the person who will be the holder of the proxy to receive such transmission; provided that any such electronic transmission must either set forth or be submitted with information from which it can be determined that the electronic transmission was authorized by the stockholder. Any copy, facsimile telecommunication or other reliable reproduction of the writing or transmission authorizing another person or persons to act as proxy for a stockholder may be substituted or used in lieu of the original writing or transmission for any and all purposes for which the original writing or transmission could be used; provided that such copy, facsimile telecommunication or other reproduction shall be a complete reproduction of the entire original writing or transmission.

(d) **Required Vote.** Subject to the rights of the holders of one or more series of Preferred Stock, voting separately by class or series, to elect directors pursuant to the terms of one or more series of Preferred Stock, the election of directors shall be determined by a plurality of the votes cast by the stockholders present in person or represented by proxy at the meeting and entitled to vote thereon. All other matters shall be determined by the vote of a majority of the votes cast (excluding abstentions and broker non-votes) on such matter, unless the matter is one upon which, by applicable law, the Certificate of Incorporation, these Bylaws or applicable stock exchange rules, a different vote is required, in which case such provision shall govern and control the decision of such matter.

(e) **Inspectors of Election.** The Board may, and shall if required by law, in advance of any meeting of stockholders, appoint one or more persons as inspectors of election, who may be employees of the Corporation or otherwise serve the Corporation in other capacities, to act at such meeting of stockholders or any adjournment thereof and to make a written report thereof. The Board may appoint one or more persons as alternate inspectors to replace any inspector who fails to act. If no inspectors of election or alternates are appointed by the Board, the chairman of the meeting shall appoint one or more inspectors to act at the meeting. Each inspector, before discharging his or her duties, shall take and sign an oath faithfully to execute the duties of inspector with strict impartiality and according to the best of his or her ability. The inspectors shall ascertain and report the number of outstanding shares and the voting power of each; determine the number of shares present in person or represented by proxy at the meeting and the validity of proxies and ballots; count all votes and ballots and report the results; determine and retain for a reasonable period a record of the disposition of any challenges made to any determination by the inspectors; and certify their determination of the number of shares represented at the meeting and their count of all votes and ballots. No person who is a candidate for an office at an election may serve as an inspector at such election. Each report of an inspector shall be in writing and signed by the inspector or by a majority of them if there is more than one inspector acting at such meeting. If there is more than one inspector, the report of a majority shall be the report of the inspectors.

Section 2.6. Adjournments. Any meeting of stockholders, annual or special, may be adjourned by the chairman of the meeting, from time to time, whether or not there is a quorum, to reconvene at the same or some other place. Notice need not be given of any such adjourned meeting if the date, time, and place, if any, thereof, and the means of remote communication, if any, by which stockholders and proxy holders may be deemed to be present in person and vote at such adjourned meeting are announced at the meeting at which the adjournment is taken. At the adjourned meeting, the stockholders or the holders of any class or series of stock entitled to vote separately as a class, as the case may be, may transact any business that might have been transacted at the original meeting. If the adjournment is for more than 30 days, or if after the adjournment a new record date is fixed for the adjourned meeting, notice of the adjourned meeting shall be given to each stockholder of record entitled to vote at the meeting.

Section 2.7. Advance Notice for Business.

(a) Annual Meetings of Stockholders. No business may be transacted at an annual meeting of stockholders, other than business that is either: (i) specified in the Corporation's notice of meeting (or any supplement thereto) given by or at the direction of the Board; (ii) otherwise properly brought before the annual meeting by or at the direction of the Board; or (iii) otherwise properly brought before the annual meeting by any stockholder of the Corporation: (A) who is a stockholder of record on the date of the giving of the notice provided for in this Section 2.7(a) and on the record date for the determination of stockholders entitled to vote at such annual meeting; and (B) who complies with the notice procedures set forth in this Section 2.7(a). For the avoidance of doubt, the foregoing clause (iii) shall be the exclusive means for a stockholder to bring business properly before an annual meeting of stockholders (other than matters properly brought under Rule 14a-8 under the Exchange Act). Notwithstanding anything in this Section 2.7(a) to the contrary, only persons nominated for election as a director to fill any term of a directorship that expires on the date of the annual meeting pursuant to Section 3.2 will be considered for election at such meeting.

(i) In addition to any other applicable requirements, for business (other than nominations) to be properly brought before an annual meeting by a stockholder, such stockholder must have given timely notice thereof in proper written form to the Secretary and such business must otherwise be a proper matter for stockholder action. Subject to Section 2.7(a)(v), a stockholder's notice to the Secretary with respect to such business, to be timely, must be received by the Secretary at the principal executive offices of the Corporation not later than the close of business on the 90th day nor earlier than the opening of business on the 120th day before the anniversary date of the immediately preceding annual meeting of stockholders (which date shall, for purposes of the Corporation's first annual meeting of stockholders after its shares of Common Stock (as defined in the Certificate of Incorporation) are first publicly traded, be deemed to have occurred on *[insert date of the first annual meeting]*); provided, however, that if the date of the annual meeting is more than thirty (30) days before or more than sixty (60) days after such anniversary date, or if no annual meeting was held in the preceding year, notice by the stockholder to be timely must be so delivered, or mailed and received, not later than the ninetieth (90th) day prior to such annual meeting or, if later, the tenth (10th) day following the day on which public disclosure of the date of such annual meeting was first made (such notice within such time periods, "**Timely Notice**"). In no event shall any adjournment or postponement of an annual meeting or the announcement thereof commence a new time period for the giving of Timely Notice as described above.

(ii) The public announcement of an adjournment of an annual meeting shall not commence a new time period for the giving of a stockholder's notice as described in this Section 2.7(a).

(iii) To be in proper written form, a stockholder's notice to the Secretary with respect to any business (other than nominations) must set forth as to each such matter such stockholder proposes to bring before the annual meeting:

(A) a brief description of the business desired to be brought before the meeting, the reasons for conducting such business at the meeting, the text, if any, of any resolutions or Bylaw amendment proposed for adoption, and any material interest in such business of each Proposing Person (as defined below);

(B) (i) the name and address of the stockholder giving the notice, as they appear on the Corporation's books, and the names and addresses of the other Proposing Persons (if any) and (ii) as to each Proposing Person, the following information: (a) the class or series and number of all shares of capital stock of the Corporation which are, directly or indirectly, owned beneficially or of record by such Proposing Person or any of its affiliates or associates (as such terms are defined in Rule 12b-2 promulgated under the Exchange Act), including any shares of any class or series of capital stock of the Corporation as to which such Proposing Person or any of its affiliates or associates has a right to acquire beneficial ownership at any time in the future, (b) all Synthetic Equity Interests (as defined below) in which such Proposing Person or any of its affiliates or associates, directly or indirectly, holds an interest including a description of the material terms of each such Synthetic Equity Interest, including

without limitation, identification of the counterparty to each such Synthetic Equity Interest and disclosure, for each such Synthetic Equity Interest, as to (x) whether or not such Synthetic Equity Interest conveys any voting rights, directly or indirectly, in such shares to such Proposing Person, (y) whether or not such Synthetic Equity Interest is required to be, or is capable of being, settled through delivery of such shares and (z) whether or not such Proposing Person and/or, to the extent known, the counterparty to such Synthetic Equity Interest has entered into other transactions that hedge or mitigate the economic effect of such Synthetic Equity Interest, (c) any proxy (other than a revocable proxy given in response to a public proxy solicitation made pursuant to, and in accordance with, the Exchange Act), agreement, arrangement, understanding or relationship pursuant to which such Proposing Person has or shares a right to, directly or indirectly, vote any shares of any class or series of capital stock of the Corporation, (d) any rights to dividends or other distributions on the shares of any class or series of capital stock of the Corporation, directly or indirectly, owned beneficially by such Proposing Person that are separated or separable from the underlying shares of the Corporation, and (e) any performance-related fees (other than an asset based fee) that such Proposing Person, directly or indirectly, is entitled to based on any increase or decrease in the value of shares of any class or series of capital stock of the Corporation or any Synthetic Equity Interests (the disclosures to be made pursuant to the foregoing clauses (a) through (e) are referred to, collectively, as “*Material Ownership Interests*”), and (iii) a description of the material terms of all agreements, arrangements or understandings (whether or not in writing) entered into by any Proposing Person or any of its affiliates or associates with any other person for the purpose of acquiring, holding, disposing or voting of any shares of any class or series of capital stock of the Corporation;

(C) (i) a description of all agreements, arrangements or understandings by and among any of the Proposing Persons, or by and among any Proposing Persons and any other person, pertaining to the business proposed to be brought before the meeting of stockholders (which description shall identify the name of each other person who is party to such an agreement, arrangement or understanding), and (ii) identification of the names and addresses of other stockholders (including beneficial owners) known by any of the Proposing Persons to support such business proposal(s), and to the extent known the class and number of all shares of the Corporation’s capital stock owned beneficially or of record by such other stockholder(s) or other beneficial owner(s); and

(D) (i) a representation that such stockholder intends to appear in person or by proxy at the annual meeting to bring such business before the meeting, and (ii) a statement whether or not the stockholder giving the notice and/or the other Proposing Person(s), if any, will deliver a proxy statement and form of proxy to holders of at least the percentage of voting power of all of the shares of capital stock of the Corporation required under applicable law to approve the business proposal.

For purposes of these Bylaws, the term “*Proposing Person*” shall mean the following persons: (i) the stockholder of record as of the record date for such applicable meeting of stockholders providing the notice of nominations or business proposed to be brought before a stockholders’ meeting, and (ii) the beneficial owner(s), if different, on whose behalf the nominations or business proposed to be brought before a stockholders’ meeting is made. For purposes of these Bylaws, the term “*Synthetic Equity Interest*” shall mean any transaction, agreement or arrangement (or series of transactions, agreements or arrangements), including, without limitation, any derivative, swap, hedge, repurchase or so-called “stock borrowing” agreement or arrangement, the purpose or effect of which is to, directly or indirectly: (a) give a person or entity economic benefit and/or risk similar to ownership of shares of any class or series of capital stock of the Corporation, in whole or in part, including due to the fact that such transaction, agreement or arrangement provides, directly or indirectly, the opportunity to profit or avoid a loss from any increase or decrease in the value of any shares of any class or series of capital stock of the Corporation, (b) mitigate loss to, reduce the economic risk of or manage the risk of share price changes for, any person or entity with respect to any shares of any class or series of capital stock of the Corporation, (c) otherwise provide in any manner the opportunity to profit or avoid a loss from any decrease in the value of any shares of any class or series of capital stock of the Corporation,

or (d) increase or decrease the voting power of any person or entity with respect to any shares of any class or series of capital stock of the Corporation.

(iv) A stockholder providing appropriate and timely notice of business proposed to be brought before an annual meeting of stockholders of the Corporation shall further update and supplement such notice, if necessary, so that the information (including, without limitation, the Material Ownership Interests information) provided or required to be provided in such notice pursuant to this Bylaw shall be true and correct as of the record date for the meeting and as of the date that is ten (10) business days prior to such annual meeting, and such update and supplement shall be received by the Secretary at the principal executive offices of the Corporation not later than the close of business on the fifth (5th) business day after the record date for the annual meeting (in the case of the update and supplement required to be made as of the record date), and not later than the close of business on the eighth (8th) business day prior to the date of the annual meeting (in the case of the update and supplement required to be made as of ten (10) business days prior to the meeting).

(v) The foregoing notice requirements of this Section 2.7(a) shall be deemed satisfied by a stockholder as to any proposal (other than nominations) if the stockholder has notified the Corporation of such stockholder's intention to present such proposal at an annual meeting in compliance with Rule 14a-8 (or any successor thereof) of the Securities Exchange Act of 1934, as amended (the "*Exchange Act*"), and such stockholder has complied with the requirements of such Rule for inclusion of such proposal in a proxy statement prepared by the Corporation to solicit proxies for such annual meeting. No business shall be conducted at the annual meeting of stockholders except business brought before the annual meeting in accordance with the procedures set forth in this Section 2.7(a); provided, however, that once business has been properly brought before the annual meeting in accordance with such procedures, nothing in this Section 2.7(a) shall be deemed to preclude discussion by any stockholder of any such business. If the Board or the chairman of the annual meeting determines that any stockholder proposal was not made in accordance with the provisions of this Section 2.7(a) or that the information provided in a stockholder's notice does not satisfy the information requirements of this Section 2.7(a), such proposal shall not be presented for action at the annual meeting. Notwithstanding the foregoing provisions of this Section 2.7(a), if the stockholder (or a qualified representative of the stockholder) does not appear at the annual meeting of stockholders of the Corporation to present the proposed business, such proposed business shall not be transacted, notwithstanding that proxies in respect of such matter may have been received by the Corporation.

(vi) In addition to the provisions of this Section 2.7(a), a stockholder shall also comply with all applicable requirements of the Exchange Act and the rules and regulations thereunder with respect to the matters set forth herein. Nothing in this Section 2.7(a) shall be deemed to affect any rights of stockholders to request inclusion of proposals in the Corporation's proxy statement pursuant to Rule 14a-8 under the Exchange Act.

(b) Special Meetings of Stockholders. Only such business shall be conducted at a special meeting of stockholders as shall have been brought before the meeting pursuant to the Corporation's notice of meeting. Nominations of persons for election to the Board may be made at a special meeting of stockholders at which directors are to be elected pursuant to the Corporation's notice of meeting only pursuant to Section 3.2.

(c) Public Announcement. For purposes of these Bylaws, "*public announcement*" shall mean disclosure in a press release reported by the Dow Jones News Service, Associated Press or comparable national news service or in a document publicly filed by the Corporation with the Securities and Exchange Commission pursuant to Sections 13, 14 or 15(d) of the Exchange Act.

Section 2.8. Conduct of Meetings. The chairman of each annual and special meeting of stockholders shall be the Chairman of the Board or, in the absence (or inability or refusal to act) of the Chairman of the Board, the Chief Executive Officer (if he or she shall be a director) or, in the absence (or inability or refusal to act) of the Chief Executive Officer or if the Chief Executive Officer is not a director, the President (if he or she shall be a director) or, in the absence (or inability or refusal to act) of the President or if the

President is not a director, such other person as shall be appointed by the Board. The date and time of the opening and the closing of the polls for each matter upon which the stockholders will vote at a meeting shall be announced at the meeting by the chairman of the meeting. The Board may adopt such rules and regulations for the conduct of the meeting of stockholders as it shall deem appropriate. Except to the extent inconsistent with these Bylaws or such rules and regulations as adopted by the Board, the chairman of any meeting of stockholders shall have the right and authority to convene and to adjourn the meeting, to prescribe such rules, regulations and procedures and to do all such acts as, in the judgment of such chairman, are appropriate for the proper conduct of the meeting. Such rules, regulations or procedures, whether adopted by the Board or prescribed by the chairman of the meeting, may include, without limitation, the following: (a) the establishment of an agenda or order of business for the meeting; (b) rules and procedures for maintaining order at the meeting and the safety of those present; (c) limitations on attendance at or participation in the meeting to stockholders of record of the Corporation, their duly authorized and constituted proxies or such other persons as the chairman of the meeting shall determine; (d) restrictions on entry to the meeting after the time fixed for the commencement thereof; and (e) limitations on the time allotted to questions or comments by participants. Unless and to the extent determined by the Board or the chairman of the meeting, meetings of stockholders shall not be required to be held in accordance with the rules of parliamentary procedure. The secretary of each annual and special meeting of stockholders shall be the Secretary or, in the absence (or inability or refusal to act) of the Secretary, an Assistant Secretary so appointed to act by the chairman of the meeting. In the absence (or inability or refusal to act) of the Secretary and all Assistant Secretaries, the chairman of the meeting may appoint any person to act as secretary of the meeting.

Section 2.9. Consents in Lieu of Meeting Unless otherwise provided in the Certificate of Incorporation, any action required or permitted to be taken by the stockholders of the Corporation must be effected by a duly called annual or special meeting of such stockholders and may not be effected by written consent of the stockholders.

ARTICLE III DIRECTORS

Section 3.1. Powers. The business and affairs of the Corporation shall be managed by or under the direction of the Board, which may exercise all such powers of the Corporation and do all such lawful acts and things as are not by statute or by the Certificate of Incorporation or by these Bylaws required to be exercised or done by the stockholders. Directors need not be stockholders or residents of the State of Delaware.

Section 3.2. Advance Notice for Nomination of Directors.

(a) Only persons who are nominated in accordance with the following procedures shall be eligible for election as directors of the Corporation, except as may be otherwise provided by the terms of one or more series of Preferred Stock with respect to the rights of holders of one or more series of Preferred Stock to elect directors. Nominations of persons for election to the Board at any annual meeting of stockholders, or at any special meeting of stockholders called for the purpose of electing directors as set forth in the Corporation's notice of such special meeting, may be made: (i) by or at the direction of the Board; or (ii) by any stockholder of the Corporation: (A) who is a stockholder of record on the date of the giving of the notice provided for in this Section 3.2 and on the record date for the determination of stockholders entitled to vote at such meeting; and (B) who complies with the notice procedures set forth in this Section 3.2. For the avoidance of doubt, the foregoing clause (ii) shall be the exclusive means for a stockholder to bring nominations before an annual meeting of stockholders (other than matters properly brought under Rule 14a-8 under the Exchange Act).

(b) In addition to any other applicable requirements, for a nomination to be made by a stockholder, such stockholder must have given timely notice thereof in proper written form to the Secretary. To be timely, a stockholder's notice to the Secretary must be received by the Secretary at the principal executive offices of the Corporation: (i) in the case of an annual meeting, not later than the close of business on the 90th day nor earlier than the opening of business on the 120th day before the anniversary date of the immediately preceding annual meeting of stockholders (which date shall, for purposes of the Corporation's first annual meeting of stockholders after its shares of Common Stock (as defined in the Certificate of Incorporation) are first publicly traded, be deemed to have occurred on

[insert date of the first annual meeting]); provided, however, that if the date of the annual meeting is more than thirty (30) days before or more than sixty (60) days after such anniversary date, or if no annual meeting was held in the preceding year, notice by the stockholder to be timely must be so delivered, or mailed and received, not later than the ninetieth (90th) day prior to such annual meeting or, if later, the tenth (10th) day following the day on which public disclosure of the date of such annual meeting was first made (such notice within such time periods, “**Timely Notice**”). In no event shall any adjournment or postponement of an annual meeting or the announcement thereof commence a new time period for the giving of Timely Notice as described above.

(c) Notwithstanding anything in paragraph (b) to the contrary, in the event that the number of directors to be elected to the Board at an annual meeting is greater than the number of directors whose terms expire on the date of the annual meeting and there is no public announcement by the Corporation naming all of the nominees for the additional directors to be elected or specifying the size of the increased Board before the close of business on the 90th day prior to the anniversary date of the immediately preceding annual meeting of stockholders, a stockholder’s notice required by this Section 3.2 shall also be considered timely, but only with respect to nominees for the additional directorships created by such increase that are to be filled by election at such annual meeting, if it shall be received by the Secretary at the principal executive offices of the Corporation not later than the close of business on the 10th day following the date on which such public announcement was first made by the Corporation.

(d) To be in proper written form, a stockholder’s notice to the Secretary must set forth:

(i) as to each person whom the stockholder proposes to nominate for election as a director: (A) the name, age, business address and residence address of the nominee, (B) the principal occupation or employment of the nominee, (C) the class and number of shares of the Corporation that are held of record or are beneficially owned by the nominee and any derivative positions held or beneficially held by the nominee, (D) whether and the extent to which any hedging or other transaction or series of transactions has been entered into by or on behalf of the nominee with respect to any securities of the Corporation, and a description of any other agreement, arrangement or understanding (including any short position or any borrowing or lending of shares), the effect or intent of which is to mitigate loss to, or to manage the risk or benefit of share price changes for, or to increase or decrease the voting power of the nominee, (E) a description of all arrangements or understandings between or among the stockholder and each nominee and any other person or persons (naming such person or persons) pursuant to which the nominations are to be made by the stockholder or concerning the nominee’s potential service on the Board, (F) a written statement executed by the nominee acknowledging that as a director of the corporation, the nominee will owe fiduciary duties under Delaware law with respect to the Corporation and its stockholders, and (G) all information relating to such person that is required to be disclosed in solicitations of proxies for election of directors in an election contest, or is otherwise required, in each case pursuant to Regulation 14A under the Exchange Act (including such person’s written consent to being named in the proxy statement as a nominee and to serving as a director if elected);

(ii) (A) the name and address of the stockholder giving the notice, as they appear on the Corporation’s books, and the names and addresses of the other Proposing Persons (if any) and (B) as to each Proposing Person, the following information: (a) the class or series and number of all shares of capital stock of the Corporation which are, directly or indirectly, owned beneficially or of record by such Proposing Person or any of its affiliates or associates (as such terms are defined in Rule 12b-2 promulgated under the Exchange Act), including any shares of any class or series of capital stock of the Corporation as to which such Proposing Person or any of its affiliates or associates has a right to acquire beneficial ownership at any time in the future, (b) all Synthetic Equity Interests (as defined below) in which such Proposing Person or any of its affiliates or associates, directly or indirectly, holds an interest including a description of the material terms of each such Synthetic Equity Interest, including without limitation, identification of the counterparty to each such Synthetic Equity Interest and disclosure, for each such Synthetic Equity Interest, as to (x) whether or not such Synthetic Equity Interest conveys any voting rights, directly or indirectly, in such shares to such Proposing Person, (y) whether or not such Synthetic Equity Interest is

Officers need not be stockholders or residents of the State of Delaware.

ARTICLE VII SHARES

Section 7.1. Certificated and Uncertificated Shares. The shares of the Corporation may be certificated or uncertificated, subject to the sole discretion of the Board and the requirements of the DGCL.

Section 7.2. Multiple Classes of Stock. If the Corporation shall be authorized to issue more than one class of stock or more than one series of any class, the Corporation shall: (a) cause the powers, designations, preferences and relative, participating, optional or other special rights of each class of stock or series thereof and the qualifications, limitations or restrictions of such preferences or rights to be set forth in full or summarized on the face or back of any certificate that the Corporation issues to represent shares of such class or series of stock; or (b) in the case of uncertificated shares, within a reasonable time after the issuance or transfer of such shares, send to the registered owner thereof a written notice containing the information required to be set forth on certificates as specified in clause (a) above; provided, however, that, except as otherwise provided by applicable law, in lieu of the foregoing requirements, there may be set forth on the face or back of such certificate or, in the case of uncertificated shares, on such written notice a statement that the Corporation will furnish without charge to each stockholder who so requests the powers, designations, preferences and relative, participating, optional or other special rights of each class of stock or series thereof and the qualifications, limitations or restrictions of such preferences or rights.

Section 7.3. Signatures. Each certificate representing capital stock of the Corporation shall be signed by or in the name of the Corporation by any two authorized officers of the Corporation. Any or all of the signatures on the certificate may be a facsimile. In case any officer, transfer agent or registrar who has signed or whose facsimile signature has been placed upon a certificate shall have ceased to be such officer, transfer agent or registrar before such certificate is issued, such certificate may be issued by the Corporation with the same effect as if such person were such officer, transfer agent or registrar on the date of issue.

Section 7.4. Consideration and Payment for Shares.

(a) Subject to applicable law and the Certificate of Incorporation, shares of stock may be issued for such consideration, having in the case of shares with par value a value not less than the par value thereof, and to such persons, as determined from time to time by the Board. The consideration may consist of any tangible or intangible property or any benefit to the Corporation, including cash, promissory notes, services performed, contracts for services to be performed or other securities, or any combination thereof.

(b) Subject to applicable law and the Certificate of Incorporation, shares may not be issued until the full amount of the consideration has been paid, unless upon the face or back of each certificate issued to represent any partly paid shares of capital stock or upon the books and records of the Corporation in the case of partly paid uncertificated shares, there shall have been set forth the total amount of the consideration to be paid therefor and the amount paid thereon up to and including the time said certificate representing certificated shares or said uncertificated shares are issued.

Section 7.5. Lost, Destroyed or Wrongfully Taken Certificates

(a) If an owner of a certificate representing shares claims that such certificate has been lost, destroyed or wrongfully taken, the Corporation shall issue a new certificate representing such shares or such shares in uncertificated form if the owner: (i) requests such a new certificate before the Corporation has notice that the certificate representing such shares has been acquired by a protected purchaser; (ii) if requested by the Corporation, delivers to the Corporation a bond sufficient to indemnify the Corporation against any claim that may be made against the Corporation on account of the alleged loss, wrongful taking or destruction of such certificate or the issuance of such new certificate or uncertificated shares; and (iii) satisfies other reasonable requirements imposed by the Corporation.

(b) If a certificate representing shares has been lost, apparently destroyed or wrongfully taken, and the owner fails to notify the Corporation of that fact within a reasonable time after the owner has notice of such loss, apparent destruction or wrongful taking and the Corporation registers a transfer of such shares before receiving notification, the owner shall be precluded from asserting against the Corporation any claim for registering such transfer or a claim to a new certificate representing such shares or such shares in uncertificated form.

Section 7.6. Transfer of Stock.

Transfers of stock shall be made only upon the transfer books of the Corporation kept at an office of the Corporation (within or without the State of Delaware) or by transfer agents designated to transfer shares of the stock of the Corporation.

Section 7.7. Registered Stockholders. Before due presentment for registration of transfer of a certificate representing shares of the Corporation or of an instruction requesting registration of transfer of uncertificated shares, the Corporation may treat the registered owner as the person exclusively entitled to inspect for any proper purpose the stock ledger and the other books and records of the Corporation, vote such shares, receive dividends or notifications with respect to such shares and otherwise exercise all the rights and powers of the owner of such shares, except that a person who is the beneficial owner of such shares (if held in a voting trust or by a nominee on behalf of such person) may, upon providing documentary evidence of beneficial ownership of such shares and satisfying such other conditions as are provided under applicable law, may also so inspect the books and records of the Corporation.

Section 7.8. Regulations. The Board shall have power and authority to make such additional rules and regulations, subject to any applicable requirement of law, as the Board may deem necessary and

appropriate with respect to the issue, transfer or registration of transfer of shares of stock or certificates representing shares. The Board may appoint one or more transfer agents or registrars and may require for the validity thereof that certificates representing shares bear the signature of any transfer agent or registrar so appointed.

ARTICLE VIII INDEMNIFICATION

Section 8.1. Right to Indemnification. To the fullest extent permitted by applicable law, as the same exists or may hereafter be amended, the Corporation shall indemnify and hold harmless each person who was or is made a party or is threatened to be made a party to or is otherwise involved in any threatened, pending or completed action, suit or proceeding, whether civil, criminal, administrative or investigative (hereinafter a “*proceeding*”), by reason of the fact that (i) he or she is or was a director or officer of the Corporation or, (ii) while a director or officer of the Corporation, is or was serving at the request of the Corporation as a director, officer, employee or agent of a subsidiary of the Corporation or of another corporation or of a partnership, joint venture, trust, other enterprise or nonprofit entity, including service with respect to an employee benefit plan (hereinafter an “*Indemnitee*”), whether the basis of such proceeding is alleged action in an official capacity as a director, officer, employee or agent, or in any other capacity while serving as a director, officer, employee or agent, against all liability and loss suffered and expenses (including, without limitation, attorneys’ fees, judgments, fines, ERISA excise taxes and penalties and amounts paid in settlement) reasonably incurred by such Indemnitee in connection with such proceeding; provided, however, that, except as provided in Section 8.3 with respect to proceedings to enforce rights to indemnification, the Corporation shall indemnify an Indemnitee in connection with a proceeding (or part thereof) initiated by such Indemnitee only if such proceeding (or part thereof) was authorized by the Board.

Section 8.2. Right to Advancement of Expenses. In addition to the right to indemnification conferred in Section 8.1, an Indemnitee shall also have the right to be paid by the Corporation to the fullest extent not prohibited by applicable law the expenses (including, without limitation, attorneys’ fees) incurred in defending or otherwise participating in any such proceeding in advance of its final disposition (hereinafter an “*advancement of expenses*”); provided, however, that, if the DGCL requires, an advancement of expenses incurred by an Indemnitee in his or her capacity as a director or officer of the Corporation (and not in any other capacity in which service was or is rendered by such Indemnitee, including, without limitation, service to an employee benefit plan) shall be made only upon the Corporation’s receipt of an undertaking (hereinafter an “*undertaking*”), by or on behalf of such Indemnitee, to repay all amounts so advanced if it shall ultimately be determined that such Indemnitee is not entitled to be indemnified under this Article VIII or otherwise.

Section 8.3. Right of Indemnitee to Bring Suit. If a claim under Section 8.1 or Section 8.2 is not paid in full by the Corporation within 60 days after a written claim therefor has been received by the Corporation, except in the case of a claim for an advancement of expenses, in which case the applicable period shall be 20 days, the Indemnitee may at any time thereafter bring suit against the Corporation to recover the unpaid amount of the claim. If successful in whole or in part in any such suit, or in a suit brought by the Corporation to recover an advancement of expenses pursuant to the terms of an undertaking, the Indemnitee shall also be entitled to be paid the expense of prosecuting or defending such suit. In (a) any suit brought by the Indemnitee to enforce a right to indemnification hereunder (but not in a suit brought by an Indemnitee to enforce a right to an advancement of expenses) it shall be a defense that, and (b) any suit brought by the Corporation to recover an advancement of expenses pursuant to the terms of an undertaking, the Corporation shall be entitled to recover such expenses upon a final judicial decision from which there is no further right to appeal (hereinafter a “*final adjudication*”) that, the Indemnitee has not met any applicable standard for indemnification set forth in the DGCL. Neither the failure of the Corporation (including its directors who are not parties to such action, a committee of such directors, independent legal counsel, or its stockholders) to have made a determination prior to the commencement of such suit that indemnification of the Indemnitee is proper in the circumstances because the Indemnitee has met the applicable standard of conduct set forth in the DGCL, nor an actual determination by the Corporation (including a determination by its directors who are not parties to such action, a committee of such directors, independent legal counsel, or its stockholders) that the Indemnitee has not met such applicable standard of

conduct, shall create a presumption that the Indemnitee has not met the applicable standard of conduct or, in the case of such a suit brought by the Indemnitee, shall be a defense to such suit. In any suit brought by the Indemnitee to enforce a right to indemnification or to an advancement of expenses hereunder, or by the Corporation to recover an advancement of expenses pursuant to the terms of an undertaking, the burden of proving that the Indemnitee is not entitled to be indemnified, or to such advancement of expenses, under this Article VIII or otherwise shall be on the Corporation.

Section 8.4. Non-Exclusivity of Rights. The rights provided to any Indemnitee pursuant to this Article VIII shall not be exclusive of any other right, which such Indemnitee may have or hereafter acquire under applicable law, the Certificate of Incorporation, these Bylaws, an agreement, a vote of stockholders or disinterested directors, or otherwise.

Section 8.5. Insurance. The Corporation may maintain insurance, at its expense, to protect itself and/or any director, officer, employee or agent of the Corporation or another corporation, partnership, joint venture, trust or other enterprise against any expense, liability or loss, whether or not the Corporation would have the power to indemnify such person against such expense, liability or loss under the DGCL.

Section 8.6. Indemnification of Other Persons. This Article VIII shall not limit the right of the Corporation to the extent and in the manner authorized or permitted by law to indemnify and to advance expenses to persons other than Indemnitees. Without limiting the foregoing, the Corporation may, to the extent authorized from time to time by the Board, grant rights to indemnification and to the advancement of expenses to any employee or agent of the Corporation and to any other person who is or was serving at the request of the Corporation as a director, officer, employee or agent of another corporation or of a partnership, joint venture, trust or other enterprise, including service with respect to an employee benefit plan, to the fullest extent of the provisions of this Article VIII with respect to the indemnification and advancement of expenses of Indemnitees under this Article VIII.

Section 8.7. Amendments. Any repeal or amendment of this Article VIII by the Board or the stockholders of the Corporation or by changes in applicable law, or the adoption of any other provision of these Bylaws inconsistent with this Article VIII, will, to the extent permitted by applicable law, be prospective only (except to the extent such amendment or change in applicable law permits the Corporation to provide broader indemnification rights to Indemnitees on a retroactive basis than permitted prior thereto), and will not in any way diminish or adversely affect any right or protection existing hereunder in respect of any act or omission occurring prior to such repeal or amendment or adoption of such inconsistent provision; provided, further, that amendments or repeals of this Article VIII shall require the affirmative vote of the stockholders holding at least 66% in voting power of all the then outstanding shares of capital stock of the Corporation.

Section 8.8. Certain Definitions. For purposes of this Article VIII: (a) references to “other enterprise” shall include any employee benefit plan; (b) references to “fines” shall include any excise taxes assessed on a person with respect to an employee benefit plan; (c) references to “serving at the request of the Corporation” shall include any service that imposes duties on, or involves services by, a person with respect to any employee benefit plan, its participants, or beneficiaries; and (d) a person who acted in good faith and in a manner such person reasonably believed to be in the interest of the participants and beneficiaries of an employee benefit plan shall be deemed to have acted in a manner “not opposed to the best interest of the Corporation” for purposes of Section 145 of the DGCL.

Section 8.9. Contract Rights. The rights provided to Indemnitees pursuant to this Article VIII shall be contract rights and such rights shall continue as to an Indemnitee who has ceased to be a director, officer, agent or employee and shall inure to the benefit of the Indemnitee’s heirs, executors and administrators.

Section 8.10. Severability. If any provision or provisions of this Article VIII shall be held to be invalid, illegal or unenforceable for any reason whatsoever: (a) the validity, legality and enforceability of the remaining provisions of this Article VIII shall not in any way be affected or impaired thereby; and (b) to the fullest extent possible, the provisions of this Article VIII (including, without limitation, each such portion of this Article VIII containing any such provision held to be invalid, illegal or unenforceable) shall be construed so as to give effect to the intent manifested by the provision held invalid, illegal or unenforceable.

**ARTICLE IX
MISCELLANEOUS**

Section 9.1. Place of Meetings. If the place of any meeting of stockholders, the Board or committee of the Board for which notice is required under these Bylaws is not designated in the notice of such meeting, such meeting shall be held at the principal business office of the Corporation; provided, however, if the Board has, in its sole discretion, determined that a meeting shall not be held at any place, but instead shall be held by means of remote communication pursuant to Section 9.5 hereof, then such meeting shall not be held at any place.

Section 9.2. Fixing Record Dates.

(a) In order that the Corporation may determine the stockholders entitled to notice of or to vote at any meeting of stockholders or any adjournment thereof, the Board may fix a record date, which shall not precede the date upon which the resolution fixing the record date is adopted by the Board, and which record date shall not be more than 60 nor less than 10 days before the date of such meeting. If no record date is fixed by the Board, the record date for determining stockholders entitled to notice of or to vote at a meeting of stockholders shall be at the close of business on the business day next preceding the day on which notice is given, or, if notice is waived, at the close of business on the business day next preceding the day on which the meeting is held. A determination of stockholders of record entitled to notice of or to vote at a meeting of stockholders shall apply to any adjournment of the meeting; provided, however, that the Board may fix a new record date for the adjourned meeting.

(b) In order that the Corporation may determine the stockholders entitled to receive payment of any dividend or other distribution or allotment of any rights or the stockholders entitled to exercise any rights in respect of any change, conversion or exchange of stock, or for the purpose of any other lawful action, the Board may fix a record date, which record date shall not precede the date upon which the resolution fixing the record date is adopted, and which record date shall be not more than 60 days prior to such action. If no record date is fixed, the record date for determining stockholders for any such purpose shall be at the close of business on the day on which the Board adopts the resolution relating thereto.

Section 9.3. Means of Giving Notice.

(a) Notice to Directors. Whenever under applicable law, the Certificate of Incorporation or these Bylaws notice is required to be given to any director, such notice shall be given either: (i) in writing and sent by mail, or by a nationally recognized delivery service; (ii) by means of facsimile telecommunication or other form of electronic transmission (including electronic mail); or (iii) by oral notice given personally or by telephone. A notice to a director will be deemed given as follows: (A) if given by hand delivery, orally, or by telephone, when actually received by the director; (B) if sent through the United States mail, when deposited in the United States mail, with postage and fees thereon prepaid, addressed to the director at the director's address appearing on the records of the Corporation; (C) if sent for next day delivery by a nationally recognized overnight delivery service, when deposited with such service, with fees thereon prepaid, addressed to the director at the director's address appearing on the records of the Corporation; (D) if sent by facsimile telecommunication, when sent to the facsimile transmission number for such director appearing on the records of the Corporation; (E) if sent by electronic mail, when sent to the electronic mail address for such director appearing on the records of the Corporation; or (F) if sent by any other form of electronic transmission, when sent to the address, location or number (as applicable) for such director appearing on the records of the Corporation.

(b) Notice to Stockholders. Whenever under applicable law, the Certificate of Incorporation or these Bylaws notice is required to be given to any stockholder, such notice may be given: (i) in writing and sent either by hand delivery, through the United States mail, or by a nationally recognized overnight delivery service for next day delivery; or (ii) by means of a form of electronic transmission consented to by the stockholder, to the extent permitted by, and subject to the conditions set forth in Section 232 of the DGCL. A notice to a stockholder shall be deemed given as follows: (A) if given by hand delivery, when actually received by the stockholder; (B) if sent through the United States mail, when deposited

in the United States mail, with postage and fees thereon prepaid, addressed to the stockholder at the stockholder's address appearing on the stock ledger of the Corporation; (C) if sent for next day delivery by a nationally recognized overnight delivery service, when deposited with such service, with fees thereon prepaid, addressed to the stockholder at the stockholder's address appearing on the stock ledger of the Corporation; and (D) if given by a form of electronic transmission consented to by the stockholder to whom the notice is given and otherwise meeting the requirements set forth above: (1) if by facsimile transmission, when directed to a number at which the stockholder has consented to receive notice; (2) if by electronic mail, when directed to an electronic mail address at which the stockholder has consented to receive notice; (3) if by a posting on an electronic network together with separate notice to the stockholder of such specified posting, upon the later of: (x) such posting; and (y) the giving of such separate notice; or (4) if by any other form of electronic transmission, when directed to the stockholder. A stockholder may revoke such stockholder's consent to receiving notice by means of electronic communication by giving written notice of such revocation to the Corporation. Any such consent shall be deemed revoked if: (x) the Corporation is unable to deliver by electronic transmission two consecutive notices given by the Corporation in accordance with such consent; and (y) such inability becomes known to the Secretary or an Assistant Secretary or to the Corporation's transfer agent, or other person responsible for the giving of notice; provided, however, the inadvertent failure to treat such inability as a revocation shall not invalidate any meeting or other action.

(c) **Electronic Transmission.** "*Electronic transmission*" means any form of communication, not directly involving the physical transmission of paper, that creates a record that may be retained, retrieved and reviewed by a recipient thereof, and that may be directly reproduced in paper form by such a recipient through an automated process, including but not limited to transmission by electronic mail, telex, facsimile telecommunication, telegram and cablegram.

(d) **Notice to Stockholders Sharing Same Address.** Without limiting the manner by which notice otherwise may be given effectively by the Corporation to stockholders, any notice to stockholders given by the Corporation under any provision of the DGCL, the Certificate of Incorporation or these Bylaws shall be effective if given by a single written notice to stockholders who share an address if consented to by the stockholders at that address to whom such notice is given. A stockholder may revoke such stockholder's consent by delivering written notice of such revocation to the Corporation. Any stockholder who fails to object in writing to the Corporation within 60 days of having been given written notice by the Corporation of its intention to send such a single written notice shall be deemed to have consented to receiving such single written notice.

(e) **Exceptions to Notice Requirements.** Whenever notice is required to be given, under the DGCL, the Certificate of Incorporation or these Bylaws, to any person with whom communication is unlawful, the giving of such notice to such person shall not be required and there shall be no duty to apply to any governmental authority or agency for a license or permit to give such notice to such person. Any action or meeting that shall be taken or held without notice to any such person with whom communication is unlawful shall have the same force and effect as if such notice had been duly given. In the event that the action taken by the Corporation is such as to require the filing of a certificate with the Secretary of State of Delaware, the certificate shall state, if such is the fact and if notice is required, that notice was given to all persons entitled to receive notice except such persons with whom communication is unlawful.

Whenever notice is required to be given by the Corporation, under any provision of the DGCL, the Certificate of Incorporation or these Bylaws, to any stockholder to whom: (1) notice of two consecutive annual meetings of stockholders and all notices of stockholder meetings or of the taking of action by written consent of stockholders without a meeting to such stockholder during the period between such two consecutive annual meetings; or (2) all, and at least two payments (if sent by first-class mail) of dividends or interest on securities during a 12-month period, have been mailed addressed to such stockholder at such stockholder's address as shown on the records of the Corporation and have been returned undeliverable, the giving of such notice to such stockholder shall not be required. Any action or meeting that shall be taken or held without notice to such stockholder shall have the same force and effect as if such notice had been duly given. If any such stockholder shall deliver to the Corporation a written notice setting forth such stockholder's then current address, the requirement that notice be given to such stockholder shall be

reinstated. In the event that the action taken by the Corporation is such as to require the filing of a certificate with the Secretary of State of Delaware, the certificate need not state that notice was not given to persons to whom notice was not required to be given pursuant to Section 230(b) of the DGCL. The exception in subsection (1) of the first sentence of this paragraph to the requirement that notice be given shall not be applicable to any notice returned as undeliverable if the notice was given by electronic transmission.

Section 9.4. Waiver of Notice. Whenever any notice is required to be given under applicable law, the Certificate of Incorporation, or these Bylaws, a written waiver of such notice, signed before or after the date of such meeting by the person or persons entitled to said notice, or a waiver by electronic transmission by the person entitled to said notice, shall be deemed equivalent to such required notice. All such waivers shall be kept with the books of the Corporation. Attendance at a meeting shall constitute a waiver of notice of such meeting, except where a person attends for the express purpose of objecting to the transaction of any business on the ground that the meeting was not lawfully called or convened.

Section 9.5. Meeting Attendance via Remote Communication Equipment.

(a) **Stockholder Meetings.** If authorized by the Board in its sole discretion, and subject to such guidelines and procedures as the Board may adopt, stockholders and proxy holders not physically present at a meeting of stockholders may, by means of remote communication:

(i) participate in a meeting of stockholders; and

(ii) be deemed present in person and vote at a meeting of stockholders, whether such meeting is to be held at a designated place or solely by means of remote communication; provided that: (A) the Corporation shall implement reasonable measures to verify that each person deemed present and permitted to vote at the meeting by means of remote communication is a stockholder or proxy holder; (B) the Corporation shall implement reasonable measures to provide such stockholders and proxy holders a reasonable opportunity to participate in the meeting and to vote on matters submitted to the stockholders, including an opportunity to read or hear the proceedings of the meeting substantially concurrently with such proceedings; and (C) if any stockholder or proxy holder votes or takes other action at the meeting by means of remote communication, a record of such votes or other action shall be maintained by the Corporation.

(b) **Board Meetings.** Unless otherwise restricted by applicable law, the Certificate of Incorporation or these Bylaws, members of the Board or any committee thereof may participate in a meeting of the Board or any committee thereof by means of conference telephone, video conference or other communications equipment by means of which all persons participating in the meeting can hear each other. Such participation in a meeting shall constitute presence in person at the meeting, except where a person participates in the meeting for the express purpose of objecting to the transaction of any business on the ground that the meeting was not lawfully called or convened.

Section 9.6. Dividends. The Board may from time to time declare, and the Corporation may pay, dividends (payable in cash, property or shares of the Corporation's capital stock) on the Corporation's outstanding shares of capital stock, subject to applicable law and the Certificate of Incorporation.

Section 9.7. Reserves. The Board may set apart out of the funds of the Corporation available for dividends a reserve or reserves for any proper purpose and may abolish any such reserve.

Section 9.8. Contracts and Negotiable Instruments. Except as otherwise provided by applicable law, the Certificate of Incorporation or these Bylaws, any contract, bond, deed, lease, mortgage or other instrument may be executed and delivered in the name and on behalf of the Corporation by such officer or officers or other employee or employees of the Corporation as the Board may from time to time authorize. Such authority may be general or confined to specific instances as the Board may determine. The Chairman of the Board, the Chief Executive Officer, the President, the Chief Financial Officer, the Treasurer or any Vice President may execute and deliver any contract, bond, deed, lease, mortgage or other instrument in the name and on behalf of the Corporation. Subject to any restrictions imposed by the Board, the Chairman of the Board, Chief Executive Officer, President, the Chief Financial Officer, the Treasurer or any Vice President may delegate powers to execute and deliver any contract, bond, deed, lease, mortgage or other

instrument in the name and on behalf of the Corporation to other officers or employees of the Corporation under such person's supervision and authority, it being understood, however, that any such delegation of power shall not relieve such officer of responsibility with respect to the exercise of such delegated power.

Section 9.9. Fiscal Year. The fiscal year of the Corporation shall be a calendar year unless otherwise fixed by the Board.

Section 9.10. Seal. The Board may adopt a corporate seal, which shall be in such form as the Board determines. The seal may be used by causing it or a facsimile thereof to be impressed, affixed or otherwise reproduced.

Section 9.11. Books and Records. The books and records of the Corporation may be kept within or outside the State of Delaware at such place or places as may from time to time be designated by the Board.

Section 9.12. Surety Bonds. Such officers, employees and agents of the Corporation (if any) as the Chairman of the Board, Chief Executive Officer, President or the Board may direct, from time to time, shall be bonded for the faithful performance of their duties and for the restoration to the Corporation, in case of their death, resignation, retirement, disqualification or removal from office, of all books, papers, vouchers, money and other property of whatever kind in their possession or under their control belonging to the Corporation, in such amounts and by such surety companies as the Chairman of the Board, Chief Executive Officer, President or the Board may determine. The premiums on such bonds shall be paid by the Corporation and the bonds so furnished shall be in the custody of the Secretary.

Section 9.13. Securities of Other Corporations. Powers of attorney, proxies, waivers of notice of meeting, consents in writing and other instruments relating to securities owned by the Corporation may be executed in the name of and on behalf of the Corporation by the Chairman of the Board, Chief Executive Officer, President or any Vice President. Any such officer, may, in the name of and on behalf of the Corporation, take all such action as any such officer may deem advisable to vote in person or by proxy at any meeting of security holders of any corporation in which the Corporation may own securities, or to consent in writing, in the name of the Corporation as such holder, to any action by such corporation, and at any such meeting or with respect to any such consent shall possess and may exercise any and all rights and power incident to the ownership of such securities and which, as the owner thereof, the Corporation might have exercised and possessed. The Board may from time to time confer like powers upon any other person or persons.

Section 9.14. Amendments. The Board shall have the power to adopt, amend, alter or repeal the Bylaws. The affirmative vote of a majority of the Board shall be required to adopt, amend, alter or repeal the Bylaws. The Bylaws also may be adopted, amended, altered or repealed by the stockholders; provided, however, that in addition to any vote of the holders of any class or series of capital stock of the Corporation required by applicable law or the Certificate of Incorporation, the affirmative vote of the holders of at least 66% in voting power of all the then outstanding shares of capital stock of the Corporation entitled to vote generally in the election of directors, voting together as a single class, shall be required for the stockholders to adopt, amend, alter or repeal the Bylaws; and provided further, however, that no Bylaws hereafter adopted by the stockholders shall invalidate any prior act of the Board that would have been valid if such Bylaws had not been adopted.

Section 9.15. Exclusive Forum. Unless, with the approval of the Board, the Corporation consents in writing to the selection of an alternative forum, the Court of Chancery in the State of Delaware shall be the sole and exclusive forum for any stockholder (including a beneficial owner) to bring: (a) any derivative claim or proceeding brought on behalf of the Corporation; (b) claim of breach of fiduciary duty owed by any director, officer or other employee of the Corporation to the Corporation or the Corporation's stockholders; (c) any claim against the Corporation, its directors, officers or employees arising pursuant to any provision of the DGCL or the Corporation's certificate of incorporation or bylaws; or (d) any claim against the Corporation, its directors, officers or employees governed by the internal affairs doctrine (each of (a) through (d) above, a "Covered Claim") and, if brought outside of Delaware, the stockholder bringing the suit will be deemed to have consented to service of process on such stockholder's counsel. Notwithstanding the foregoing, the provisions of this Section 9.15 will not apply to suits brought to enforce a duty or liability created by the Securities Exchange Act of 1934, as amended or any other claim for which the

federal courts have exclusive jurisdiction. Any person or entity purchasing or otherwise acquiring any interest in any security of the Corporation shall be deemed to have notice of and consented to the provisions of this Section 9.15. If any provision or provisions of this Section 9.15 shall be held to be invalid, illegal or unenforceable as applied to any person or entity or circumstance for any reason whatsoever, then, to the fullest extent permitted by law, the validity, legality and enforceability of such provisions in any other circumstance and of the remaining provisions of this Section 9.15 (including, without limitation, each portion of any sentence of this Section 9.15 containing any such provision held to be invalid, illegal or unenforceable that is not itself held to be invalid, illegal or unenforceable) and the application of such provision to other persons or entities and circumstances shall not in any way be affected or impaired thereby.

Section 9.16. Federal Forum. Unless the Corporation consents in writing to the selection of an alternative forum, the federal district courts of the United States shall be the exclusive forum for the resolution of any complaint asserting a cause of action arising under the Securities Act of 1933, as amended. Any person or entity purchasing or otherwise acquiring any interest in any security of the Corporation shall be deemed to have notice of and consented to this provision.

FORM OF SUBSCRIPTION AGREEMENT

This SUBSCRIPTION AGREEMENT (this “Subscription Agreement”) is entered into on January 24, 2021, by and between Landcadia Holdings III, Inc., a Delaware corporation (the “Company”), and the undersigned subscriber (“Subscriber”).

WHEREAS, concurrently with the execution of this Subscription Agreement, the Company is entering into a definitive agreement with HMAN Group Holdings, Inc., a Delaware corporation (“Hillman”), Helios Sun Merger Sub, Inc., a Delaware corporation, and the other parties thereto, providing for the combination of the Company and Hillman (the “Merger Agreement” and the transactions contemplated by the Merger Agreement, the “Transaction”);

WHEREAS, in connection with the Transaction, Subscriber desires to subscribe for and purchase from the Company, immediately prior to the consummation of the Transaction, that number of shares of the Company’s Class A common stock, par value \$0.0001 per share (the “Common Stock”), set forth on the signature page hereto (the “Subscribed Shares”) for a purchase price of \$10.00 per share (the “Per Share Price” and the aggregate of such Per Share Price for all Subscribed Shares being referred to herein as the “Purchase Price”), and the Company desires to issue and sell to Subscriber the Subscribed Shares in consideration of the payment of the Purchase Price by or on behalf of Subscriber to the Company; and

WHEREAS, concurrently with the execution of this Subscription Agreement, the Company is entering into subscription agreements (the “Other Subscription Agreements” and together with the Subscription Agreement, the “Subscription Agreements”) with certain other investors (the “Other Subscribers” and together with Subscriber, the “Subscribers”), pursuant to which such Subscribers have agreed to purchase on the closing date of the Transaction (the “Closing Date”), inclusive of the Subscribed Shares, an aggregate amount of up to 37,500,000 shares of Common Stock, at the Per Share Price (the shares of the Other Subscribers, the “Other Subscribed Shares” and together with the Subscribed Shares, the “Collective Subscribed Shares”).

NOW, THEREFORE, in consideration of the foregoing and the mutual representations, warranties and covenants, and subject to the conditions, herein contained, and intending to be legally bound hereby, the parties hereto hereby agree as follows:

1. Subscription. Subject to the terms and conditions hereof, at the Closing (as defined below), Subscriber hereby agrees to subscribe for and purchase, and the Company hereby agrees to issue and sell to Subscriber, upon the payment of the Purchase Price, the Subscribed Shares (such subscription and issuance, the “Subscription”).

2. Closing.

a. The consummation of the Subscription contemplated hereby (the “Closing”) shall occur on the Closing Date concurrently with or immediately prior to the consummation of the Transaction and is contingent upon the closing of the Transaction.

b. At least five (5) Business Days (as defined below) before the anticipated Closing Date, the Company shall deliver written notice to Subscriber (the “Closing Notice”) specifying (i) the anticipated Closing Date and (ii) the wire instructions for delivery of the Purchase Price to the Company. No later than two (2) Business Days prior to the Closing Date set forth in the Closing Notice, Subscriber shall deliver the Purchase Price for the Subscribed Shares by wire transfer of United States dollars in immediately available funds to the account specified by the Company in the Closing Notice, such funds to be held by the Company in escrow until the Closing, and deliver to the Company such information as is reasonably requested in the Closing Notice in order for the Company to issue the Subscribed Shares to Subscriber, including the legal name of the person in whose name the Subscribed Shares are to be issued. Upon satisfaction (or, if applicable, waiver) of the conditions set forth in this Section 2, the Company shall deliver to Subscriber (or its nominee in accordance with its delivery instructions) (i) at the Closing, the Subscribed Shares in book entry form, free and clear of any liens or other restrictions (other than those arising under this Subscription Agreement or state or federal securities laws), in the

name of Subscriber (or its nominee in accordance with its delivery instructions), and (ii) as promptly as practicable after the Closing (and, in any event, within five (5) Business Days), evidence from the Company's transfer agent of the issuance to Subscriber of the Subscribed Shares on and as of the Closing Date; provided, that the Company's obligation to issue the Subscribed Shares to Subscriber is contingent upon the Company having received the Purchase Price in full in accordance with this Section 2.b. In the event that the consummation of the Transaction does not occur within three (3) Business Days after the anticipated Closing Date specified in the Closing Notice, unless otherwise agreed to in writing by the Company and the Subscriber, the Company shall promptly (but in no event later than two (2) Business Days thereafter) return the funds so delivered by Subscriber to the Company by wire transfer in immediately available funds to the account specified by Subscriber, and any book entries representing the Subscribed Shares shall be deemed cancelled. Notwithstanding such return or cancellation (x) a failure to close on the anticipated Closing Date shall not, by itself, be deemed to be a failure of any of the conditions to Closing set forth in this Section 2 to be satisfied or waived on or prior to the Closing Date, and (y) unless and until this Subscription Agreement is terminated in accordance with Section 6 herein, Subscriber shall remain obligated (A) to redeliver funds to the Company in accordance with this Section 2.b following the Company's delivery to Subscriber of a new Closing Notice and (B) to consummate the Closing upon satisfaction of the conditions set forth in this Section 2. For the purposes of this Subscription Agreement, "Business Day" means any day other than a Saturday, Sunday or a day on which the Federal Reserve Bank of New York is closed.

c. The obligation of the Company and the Subscriber to consummate the Closing shall be subject to the satisfaction by the Company and Hillman of, or the valid waiver by the Company, Hillman and the Subscriber of the conditions that, on the Closing Date:

(i) no suspension of the qualification of the Subscribed Shares for offering or sale or trading in any jurisdiction, or initiation or threatening of any proceedings for any of such purposes, shall have occurred;

(ii) all conditions precedent to the closing of the Transaction set forth in the Merger Agreement, including the approval of the Company's stockholders, shall have been satisfied or waived in accordance with the terms thereof, and the closing of the Transaction shall be scheduled to occur concurrently with or immediately following the Closing;

(iii) all consents, waivers, authorizations or orders of, any notice required to be made to, and any filing or registration with, any court or other federal, state, local or other governmental authority, self-regulatory organization (including the Nasdaq Stock Market) or other person in connection with the execution, delivery and performance of this Subscription Agreement (including, without limitation, the issuance of the Subscribed Shares) required to be made in connection with the issuance and sale of the Subscribed Shares shall have been obtained or made, except where the failure to so obtain or make would not prevent the Company from consummating the transactions contemplated hereby, including the issuance and sale of the Subscribed Shares; and

(iv) no governmental authority shall have enacted, issued, promulgated, enforced or entered any judgment, order, law, rule or regulation (whether temporary, preliminary or permanent) which is then in effect and has the effect of making consummation of the transactions contemplated hereby illegal or otherwise restraining or prohibiting consummation of the transactions contemplated hereby; and no such governmental authority shall have instituted or threatened in writing a proceeding seeking to impose any such restraint or prohibition (except in the case of a governmental authority located outside the United States where such restraint or prohibition would not be reasonably expected to have a Company Material Adverse Effect).

d. The obligation of the Company to consummate the Closing shall be subject to the satisfaction or valid waiver by the Company and Hillman of the additional conditions that, on the Closing Date:

(i) all representations and warranties of Subscriber contained in this Subscription Agreement shall be true and correct in all material respects (other than representations and warranties that are qualified as to materiality or Subscriber Material Adverse Effect (as defined below), which representations and warranties shall be true in all respects) at and as of the Closing Date (other

than those representations and warranties expressly made as of an earlier date, which shall be true, and correct in all material respects, or all respects, as applicable, as of such earlier date); and

(ii) Subscriber shall have performed, satisfied and complied in all material respects with all covenants, agreements and conditions required by this Subscription Agreement to be performed, satisfied or complied with by it at or prior to the Closing.

e. The obligation of Subscriber to consummate the Closing shall be subject to the satisfaction or valid waiver by Subscriber of the additional conditions that, on the Closing Date:

(i) all representations and warranties of the Company contained in this Subscription Agreement shall be true and correct in all material respects (other than representations and warranties that are qualified as to materiality or Company Material Adverse Effect (as defined below), which representations and warranties shall be true in all respects) at and as of the Closing Date (other than those representations and warranties expressly made as of an earlier date, which shall be true, and correct in all material respects, or all respects, as applicable, as of such earlier date);

(ii) the Company shall have performed, satisfied and complied in all material respects with all covenants, agreements and conditions required by this Subscription Agreement to be performed, satisfied or complied with by it at or prior to the Closing; and

(iii) except to the extent consented to in writing by Subscriber, the Merger Agreement (as filed with the Commission on or immediately following the date hereof) shall not have been amended, modified, supplemented or waived in a manner which materially and adversely affect the economics of the Subscribed Shares that Subscriber is acquiring pursuant to this Subscription Agreement.

f. Prior to or at the Closing, Subscriber shall deliver to the Company all such other information as is reasonably requested in order for the Company to issue the Subscribed Shares to Subscriber, including a duly completed and executed Internal Revenue Service Form W-9 or appropriate Form W-8.

3. Company Representations and Warranties. The Company represents and warrants to Subscriber that:

a. The Company (i) is duly organized, validly existing and in good standing under the laws of its jurisdiction of incorporation, (ii) has the corporate power and authority to own, lease and operate its properties, to carry on its business as it is now being conducted and to enter into, deliver and perform its obligations under this Subscription Agreement, and (iii) is duly licensed or qualified to conduct its business and, if applicable, is in good standing under the laws of each jurisdiction (other than its jurisdiction of incorporation) in which the conduct of its business or the ownership of its properties or assets requires such license or qualification, except, with respect to the foregoing clause (iii), where the failure to be in good standing would not reasonably be expected to have a Company Material Adverse Effect. For purposes of this Subscription Agreement, a "Company Material Adverse Effect" means an event, change, development, occurrence, condition or effect with respect to the Company and its subsidiaries, taken together as a whole (on a consolidated basis), that, individually or in the aggregate, has a material adverse effect on (a) the Company's ability to consummate the transactions contemplated hereby, including the issuance and sale of the Subscribed Shares or (b) the business, financial condition, or results of operations of the Company and its subsidiaries, taken together as a whole (on a consolidated basis).

b. The Subscribed Shares have been duly authorized and, when issued and delivered to Subscriber against full payment therefor in accordance with the terms of this Subscription Agreement, will be validly issued, fully paid and non-assessable and will not have been issued in violation of or subject to any preemptive or similar rights created under the Company's organizational documents or the laws of its jurisdiction of incorporation.

c. This Subscription Agreement has been duly authorized, executed and delivered by the Company, and assuming the due authorization, execution and delivery of the same by Subscriber, this

Subscription Agreement shall constitute the valid and legally binding obligation of the Company, enforceable against the Company in accordance with its terms, except as such enforceability may be limited by bankruptcy, insolvency, reorganization, moratorium and similar laws affecting creditors generally and by the availability of equitable remedies.

d. Assuming the accuracy of the representations and warranties of Subscriber set forth in Section 4 of this Subscription Agreement, the execution and delivery of this Subscription Agreement, the issuance and sale of the Subscribed Shares and the compliance by the Company with all of the provisions of this Subscription Agreement and the consummation of the transactions contemplated herein will not conflict with or result in a breach or violation of any of the terms or provisions of, or constitute a default under, or result in the creation or imposition of any lien, charge or encumbrance upon any of the property or assets of the Company pursuant to the terms of (i) any indenture, mortgage, deed of trust, loan agreement, lease, license or other agreement or instrument to which the Company is a party or by which the Company is bound or to which any of the property or assets of the Company is subject; (ii) the organizational documents of the Company; or (iii) any statute or any judgment, order, rule or regulation of any court or governmental agency or body, domestic or foreign, having jurisdiction over the Company or any of its properties that, in the case of clauses (i) and (iii), would reasonably be expected to have a Company Material Adverse Effect.

e. Assuming the accuracy of the representations and warranties of the Subscriber set forth in Section 4 of this Subscription Agreement, the Company is not required to obtain any consent, waiver, authorization or order of, give any notice to, or make any filing or registration with, any court or other federal, state, local or other governmental authority, self-regulatory organization (including the Nasdaq Stock Market) or other person in connection with the execution, delivery and performance of this Subscription Agreement (including the issuance of the Subscribed Shares), other than (i) filings required by applicable state securities laws, (ii) the filing of the Registration Statement pursuant to Section 5 below, (iii) other required filings with the U.S. Securities and Exchange Commission (the "Commission") relating to the Transaction, (iv) those required by the Nasdaq Stock Market, including with respect to obtaining stockholder approval, if applicable, (v) those required to consummate the Transaction as provided under the Merger Agreement, (vi) the filing of notification under the Hart-Scott-Rodino Antitrust Improvements Act of 1976, if applicable, and (vii) the failure of which to obtain would not be reasonably likely to have a Company Material Adverse Effect.

f. As of their respective dates, all forms, reports, statements, schedules, proxies, registration statements and other documents required to be filed by the Company with the Commission since its initial registration of its shares of Common Stock (the "SEC Reports") complied in all material respects with the requirements of the Securities Act of 1933, as amended (the "Securities Act") and the Securities Exchange Act of 1934, and the rules and regulations of the Commission promulgated thereunder, and none of the SEC Reports, when filed, contained any untrue statement of a material fact or omitted to state a material fact required to be stated therein or necessary in order to make the statements therein, in the light of the circumstances under which they were made, not misleading. The financial statements of the Company included in the SEC Reports comply in all material respects with applicable accounting requirements and the rules and regulations of the Commission with respect thereto as in effect at the time of filing and fairly present in all material respects the financial position of the Company as of and for the dates thereof and the results of operations and cash flows for the periods then ended, subject, in the case of unaudited statements, to normal, year-end audit adjustments. There are no outstanding or unresolved comments in comment letters received by the Company from the staff of the Commission with respect to any of the SEC Reports.

g. l. Neither the Company nor any person acting on its behalf has engaged or will engage in any form of general solicitation or general advertising (within the meaning of Regulation D) in connection with any offer or sale of the Subscribed Shares. Furthermore, neither the Company, nor any person acting on its behalf has, directly or indirectly, made any offers or sales of any Company security or solicited any offers to buy any security under circumstances that would adversely affect reliance by the Company on Section 4(a)(2) of the Securities Act for the exemption from registration for the transactions contemplated hereby or would require registration of the issuance of the Subscribed Shares under the Securities Act.

m. Except for Jefferies LLC and Barclays Capital Inc. (the “Placement Agents”), no broker or finder is entitled to any brokerage or finder’s fee or commission solely in connection with the sale of the Subscribed Shares to Subscriber.

o. Except for such matters as have not had a Company Material Adverse Effect, the Company is, and has been since its inception, in compliance with all state and federal laws applicable to the conduct of its business. The Company has not received any written, or to its knowledge, other communication from a governmental entity that alleges that the Company is not in compliance with or is in default or violation of any applicable law, except where such non-compliance, default or violation would not be reasonably likely to have, individually or in the aggregate, a Company Material Adverse Effect.

p. The Company has not entered into any subscription agreement, side letter or similar agreement with any investor in connection with such investor’s direct or indirect investment in the Company other than (i) the Merger Agreement, and (ii) the Other Subscription Agreements. The Other Subscription Agreements have not been amended in any material respect following the date of this Subscription Agreement and reflect the same Per Share Price and terms that are not materially more favorable to any such Other Subscriber thereunder than the terms of this Subscription Agreement.

q. The Company acknowledges and agrees that, notwithstanding anything herein to the contrary, the Subscribed Shares may be pledged by Subscriber in connection with a bona fide margin agreement, which shall not be deemed to be a transfer, sale or assignment of the Subscribed Shares hereunder, and Subscriber effecting a pledge of Subscribed Shares shall not be required to provide Company with any notice thereof or otherwise make any delivery to Company pursuant to this Agreement. Company hereby agrees to execute and deliver such documentation as a pledgee of the Subscribed Shares may reasonably request in connection with a pledge of the Subscribed Shares to such pledgee by Subscriber.

4. Subscriber Representations and Warranties. Subscriber represents and warrants to the Company that:

a. Subscriber (i) is duly organized, validly existing and in good standing under the laws of its jurisdiction of incorporation, and (ii) has the requisite power and authority to enter into and perform its obligations under this Subscription Agreement.

b. This Subscription Agreement has been duly executed and delivered by Subscriber, and assuming the due authorization, execution and delivery of the same by the Company, this Subscription Agreement shall constitute the valid and legally binding obligation of Subscriber, enforceable against Subscriber in accordance with its terms, except as such enforceability may be limited by bankruptcy, insolvency, reorganization, moratorium and similar laws affecting creditors generally and by the availability of equitable remedies.

c. The execution and delivery of this Subscription Agreement, the purchase of the Subscribed Shares and the compliance by Subscriber with all of the provisions of this Subscription Agreement and the consummation of the transactions contemplated herein will not conflict with or result in a breach or violation of any of the terms or provisions of, or constitute a default under, or result in the creation or imposition of any lien, charge or encumbrance upon any of the property or assets of Subscriber pursuant to the terms of (i) any indenture, mortgage, deed of trust, loan agreement, lease, license or other agreement or instrument to which Subscriber is a party or by which Subscriber is bound or to which any of the property or assets of Subscriber is subject; (ii) the organizational documents of Subscriber; or (iii) any statute or any judgment, order, rule or regulation of any court or governmental agency or body, domestic or foreign, having jurisdiction over Subscriber or any of its properties that, in the case of clauses (i) and (iii), would reasonably be expected to have a Subscriber Material Adverse Effect. For purposes of this Subscription Agreement, a “Subscriber Material Adverse Effect” means an event, change, development, occurrence, condition or effect with respect to Subscriber that would reasonably be expected to have a material adverse effect on Subscriber’s ability to consummate the transactions contemplated hereby, including the purchase of the Subscribed Shares.

d. Subscriber (i) is a “qualified institutional buyer” (as defined in Rule 144A under the Securities Act) or an “accredited investor” (within the meaning of Rule 501(a) under the Securities Act) satisfying

the applicable requirements set forth on Annex A, (ii) is acquiring the Subscribed Shares only for its own account and not for the account of others, or if Subscriber is subscribing for the Subscribed Shares as a fiduciary or agent for one or more investor accounts, each owner of such account is a qualified institutional buyer and Subscriber has full investment discretion with respect to each such account, and the full power and authority to make the acknowledgements, representations and agreements herein on behalf of each owner of each such account, and (iii) is not acquiring the Subscribed Shares with a view to, or for offer or sale in connection with, any distribution thereof in violation of the Securities Act (and has provided the Company with the requested information on Annex A following the signature page hereto). Subscriber is not an entity formed for the specific purpose of acquiring the Subscribed Shares and is an “institutional account” as defined in FINRA Rule 4512(c).

e. Subscriber understands that the Subscribed Shares are being offered in a transaction not involving any public offering within the meaning of the Securities Act and that the Subscribed Shares have not been registered under the Securities Act. Subscriber understands that the Subscribed Shares may not be resold, transferred, pledged or otherwise disposed of by Subscriber absent an effective registration statement under the Securities Act, except (i) to the Company or a subsidiary thereof, or (ii) pursuant to an applicable exemption from the registration requirements of the Securities Act, and, in each of cases (i) and (ii), in accordance with any applicable securities laws of the states and other jurisdictions of the United States, and as a result of these transfer restrictions, Subscriber may not be able to readily resell the Subscribed Shares and may be required to bear the financial risk of an investment in the Subscribed Shares for an indefinite period of time. Subscriber acknowledges and agrees that, except as otherwise set forth in Section 3.q, the Subscribed Shares will not be eligible for offer, resale, transfer, pledge or disposition pursuant to Rule 144 promulgated under the Securities Act until at least one year from the Closing Date. Subscriber understands that it has been advised to consult legal counsel prior to making any offer, resale, pledge or transfer of any of the Subscribed Shares.

f. Subscriber understands and agrees that Subscriber is purchasing the Subscribed Shares directly from the Company. Subscriber further acknowledges that there have not been, and Subscriber hereby agrees that it is not relying on, any representations, warranties, covenants or agreements made to Subscriber by the Company, Hillman, the Placement Agents, any of their respective affiliates or any control persons, officers, directors, employees, partners, agents or representatives, any other party to the Transaction or any other person or entity, expressly or by implication, other than those representations, warranties, covenants and agreements of the Company set forth in this Subscription Agreement. Notwithstanding the foregoing, the Subscriber and the other parties hereto agree for the express benefit of the Placement Agents and each of their respective affiliates and representatives that none of the Placement Agents or any of their respective affiliates or representatives (i) have any duties or obligations other than those specifically set forth herein, (ii) make any representation or warranty, or have responsibilities as to the validity, accuracy, value or genuineness of any information, certificates or documentation delivered by or on behalf of the Company pursuant to this Subscription Agreement or in connection with the Transaction, or any documents related to the Transaction, including any information in any offering document, (iii) shall be liable for any improper payments made in accordance with the information provided by the Company or (iv) shall be liable (x) for any action taken, suffered or omitted by any of them in good faith and reasonably believed to be authorized or within the discretion or rights or powers conferred upon it by this Subscription Agreement or (y) for anything which any of them may do or refrain from doing in connection with this Subscription Agreement, in each case, absent such person’s own gross negligence, fraud or willful misconduct. Subscriber acknowledges that certain information provided by the Company was based on projections, and such projections were prepared based on assumptions and estimates that are inherently uncertain and are subject to a wide variety of significant business, economic and competitive risks and uncertainties that could cause actual results to differ materially from those contained in the projections.

g. In making its decision to purchase the Subscribed Shares, Subscriber has relied solely upon independent investigation made by Subscriber. Subscriber acknowledges and agrees that Subscriber has received such information as Subscriber deems necessary in order to make an investment decision with respect to the Subscribed Shares, including with respect to the Company, the Transaction and Hillman and its subsidiaries (collectively, the “Acquired Companies”). Without limiting the generality of the foregoing, Subscriber acknowledges that Subscriber has had the opportunity to review the SEC

Reports. Subscriber represents and agrees that Subscriber and Subscriber's professional advisor(s), if any, have had the full opportunity to ask such questions, receive such answers and obtain such information as Subscriber and its professional advisor(s), if any, have deemed necessary to make an investment decision with respect to the Subscribed Shares. Subscriber acknowledges and agrees that none of the Placement Agents, or any affiliate of the Placement Agents has provided Subscriber with any information or advice with respect to the Subscribed Shares nor is such information or advice necessary or desired. None of the Placement Agents or any of their respective affiliates, has made or makes any representation as to the Company or the Acquired Companies or the quality or value of the Subscribed Shares and the Placement Agents and any of their respective affiliates may have acquired non-public information with respect to the Company or the Acquired Companies which Subscriber agrees need not be provided to it. Neither the Placement Agent nor any of its representatives has any responsibility with respect to the completeness or accuracy of any information or materials furnished to such Subscriber in connection with the transactions contemplated hereby. In connection with the issuance of the Subscribed Shares to Subscriber, none of the Placement Agents or any of their respective affiliates has acted as a financial advisor or fiduciary to Subscriber. The Subscriber acknowledges that the Placement Agents, their affiliates and representatives shall be entitled to (i) rely on, and shall be protected in acting upon, any certificate, instrument, opinion, notice, letter or any other document or security delivered to any of them by or on behalf of the Company, and (ii) be indemnified by the Company for acting as Placement Agent.

h. Subscriber became aware of this offering of the Subscribed Shares solely by means of direct contact between Subscriber and the Company, or their respective representatives or affiliates, or by means of contact from the Placement Agents and the Subscribed Shares were offered to Subscriber solely by direct contact between Subscriber and the Company, or their respective representatives or affiliates. Subscriber did not become aware of this offering of the Subscribed Shares, nor were the Subscribed Shares offered to Subscriber, by any other means. Subscriber acknowledges that the Company represents and warrants that the Subscribed Shares (i) were not offered by any form of general solicitation or general advertising and (ii) are not being offered in a manner involving a public offering under, or in a distribution in violation of, the Securities Act, or any state securities laws.

i. Subscriber acknowledges that it is aware that there are substantial risks incident to the purchase and ownership of the Subscribed Shares. Subscriber has such knowledge and experience in financial and business matters as to be capable of evaluating the merits and risks of an investment in the Subscribed Shares, and Subscriber has had an opportunity to seek, and has sought, such accounting, legal, business and tax advice as Subscriber has considered necessary to make an informed investment decision.

j. Subscriber has adequately analyzed and fully considered the risks of an investment in the Subscribed Shares and determined that the Subscribed Shares are a suitable investment for Subscriber and that Subscriber is able at this time and in the foreseeable future to bear the economic risk of a total loss of Subscriber's investment in the Company. Subscriber acknowledges specifically that a possibility of total loss exists.

k. Subscriber understands and agrees that no federal or state agency has passed upon or endorsed the merits of the offering of the Subscribed Shares or made any findings or determination as to the fairness of this investment.

l. Subscriber is not (i) a person or entity named on the List of Specially Designated Nationals and Blocked Persons administered by the U.S. Treasury Department's Office of Foreign Assets Control ("OFAC") or in any Executive Order issued by the President of the United States and administered by OFAC ("OFAC List"), or a person or entity prohibited by any sanctions program by OFAC, the United Nations Security Council, the European Union, Her Majesty's Treasury of the United Kingdom, or other relevant sanctions authority (collectively, "Sanctions"), (ii) a Designated National as defined in the Cuban Assets Control Regulations, 31 C.F.R. Part 515, or (iii) a non-U.S. shell bank or providing banking services indirectly to a non-U.S. shell bank (collectively, a "Prohibited Investor"). Subscriber agrees to provide law enforcement agencies, if requested thereby, such records as required by applicable law, provided that Subscriber is permitted to do so under applicable law. Subscriber represents that if it is a financial institution subject to the Bank Secrecy Act (31 U.S.C. Section 5311 et seq.), as amended

by the USA PATRIOT Act of 2001 and its implementing regulations (collectively, the “BSA/PATRIOT Act”), that Subscriber maintains policies and procedures reasonably designed to comply with applicable obligations under the BSA/PATRIOT Act. Subscriber also represents that, to the extent required, it maintains policies and procedures reasonably designed for the screening of its investors against Sanctions, including the OFAC List. Subscriber further represents and warrants that, to the extent required, it maintains policies and procedures reasonably designed to ensure that the funds held by Subscriber and used to purchase the Subscribed Shares were legally derived.

m. If Subscriber is an employee benefit plan that is subject to Title I of ERISA, a plan, an individual retirement account or other arrangement that is subject to section 4975 of the Internal Revenue Code of 1986, as amended (the “Code”) or an employee benefit plan that is a governmental plan (as defined in section 3(32) of ERISA), a church plan (as defined in section 3(33) of ERISA), a non-U.S. plan (as described in section 4(b) (4) of ERISA) or other plan that is not subject to the foregoing but may be subject to provisions under any other federal, state, local, non-U.S. or other laws or regulations that are similar to such provisions of ERISA or the Code, or an entity whose underlying assets are considered to include “plan assets” of any such plan, account or arrangement (each, a “Plan”) subject to the fiduciary or prohibited transaction provisions of ERISA or section 4975 of the Code, Subscriber represents and warrants that (i) neither the Company, nor any of its respective affiliates (the “Transaction Parties”) has acted as the Plan’s fiduciary, or has been relied on for advice, with respect to its decision to acquire and hold the Subscribed Shares, and none of the Transaction Parties shall at any time be relied upon as the Plan’s fiduciary with respect to any decision to acquire, continue to hold or transfer the Subscribed Shares and (ii) the acquisition and holding of the Subscribed Shares will not result in a non-exempt prohibited transaction under ERISA or Section 4975 of the Code.

n. Subscriber at the Closing will have sufficient funds to pay the Purchase Price pursuant to Section 2.a.

o. Subscriber agrees that, notwithstanding Section 8.i, the Placement Agents may rely upon the representations and warranties made by Subscriber to the Company in this Subscription Agreement.

p. No foreign person (as defined in 31 C.F.R. Part 800.224) in which the national or subnational governments of a single foreign state have a substantial interest (as defined in 31 C.F.R. Part 800.244) will acquire a substantial interest in the Company as a result of the purchase and sale of the Subscribed Shares hereunder such that a declaration to the Committee on Foreign Investment in the United States would be mandatory under 31 C.F.R. Part 800.401, and no foreign person will have control (as defined in 31 C.F.R. Part 800.208) over the Company from and after the Closing as a result of the purchase and sale of the Subscribed Shares hereunder.

5. Registration of Subscribed Shares; Certain Transactions.

a. The Company agrees that, within thirty (30) days after Closing Date, the Company will file with the Commission (at the Company’s sole cost and expense) a registration statement registering the resale of the Subscribed Shares (the “Registration Statement”), and the Company shall use its commercially reasonable efforts to have the Registration Statement declared effective as soon as practicable after the filing thereof, but no later than sixty (60) calendar days following the Closing Date (the “Effectiveness Deadline”), *provided*, that the Effectiveness Deadline shall be extended to ninety (90) calendar days after the Closing Date if the Registration Statement is reviewed by, and comments thereto are provided from, the Commission; provided, that if such day falls on a Saturday, Sunday or other day that the Commission is closed for business, the Effectiveness Deadline shall be extended to the next Business Day on which the Commission is open for business. The Company shall provide a draft of the Registration Statement to Subscriber for review (but not comment) at least two (2) Business Days in advance of filing the Registration Statement; provided that, in no event shall the Company be required to delay or postpone the filing of such Registration Statement as a result of or in connection with Subscriber’s review. Unless otherwise agreed to in writing by Subscriber, Subscriber shall not be identified as a statutory underwriter in the Registration Statement unless requested by the Commission; provided, that if the Commission requests that Subscriber be identified as a statutory underwriter in the Registration Statement, Subscriber will have the opportunity to withdraw from the Registration Statement upon its prompt written request to the Company. Notwithstanding the foregoing, if the

Commission prevents the Company from including any or all of the shares proposed to be registered under the Registration Statement due to limitations on the use of Rule 415 of the Securities Act for the resale of the Subscribed Shares by the applicable stockholders or otherwise, such Registration Statement shall register for resale such number of Subscribed Shares which is equal to the maximum number of Subscribed Shares as is permitted by the Commission. In such event, the number of Subscribed Shares to be registered for each selling stockholder named in the Registration Statement shall be reduced *pro rata* among all such selling stockholders. The Company agrees that, except for such times as the Company has suspended the use of the prospectus forming part of a Registration Statement in accordance with this Subscription Agreement, the Company will use its commercially reasonable efforts to cause such Registration Statement to remain effective with respect to Subscriber until the earlier of (i) three (3) years from the effective date of the Registration Statement, (ii) the date on which all of the Subscribed Shares shall have been sold, or (iii) on the first date on which Subscriber can sell all of its Subscribed Shares (or shares received in exchange therefor) under Rule 144 of the Securities Act without limitation as to the manner of sale or the amount of such securities that may be sold (the "Registration Period"). If requested by Subscriber, the Company shall use its commercially reasonable efforts to cause the removal of the restrictive legends from (i) any Subscribed Shares being sold under the Registration Statement, (ii) any Registrable Securities (as defined below) at the time of sale pursuant to Rule 144 and (iii) at the request of a Holder (as defined below) at such time as any Registrable Securities held by such Holder may be sold by such Holder without restriction under Rule 144, including without limitation, any volume and manner of sale restrictions upon the receipt of customary representations and other documentation, if any, from the Holder as reasonably requested by the Company, its counsel or the transfer agent, establishing that restrictive legends are no longer required. Subscriber agrees to disclose its beneficial ownership, as determined in accordance with Rule 13d-3 of the Exchange Act, of Subscribed Shares to the Company (or its successor) upon request to assist the Company in making the determination described above. The Company's obligations to include the Subscribed Shares in the Registration Statement are contingent upon Subscriber furnishing in writing to the Company such information regarding Subscriber, the securities of the Company held by Subscriber and the intended method of disposition of the Subscribed Shares as shall be reasonably requested by the Company to effect the registration of the Subscribed Shares, and Subscriber shall execute such documents in connection with such registration as the Company may reasonably request that are customary of a selling stockholder in similar situations, provided that Subscriber shall not in connection with the foregoing be required to execute any lock-up or similar agreement or otherwise be subject to any contractual restriction on the ability to transfer the Subscribed Shares. Any failure by the Company to file the Registration Statement within thirty (30) days after Closing Date or to effect such Registration Statement by the Effectiveness Date shall not otherwise relieve the Company of its obligations to file or effect the Registration Statement as set forth in this Section 5. "Registrable Securities" shall mean, as of any date of determination, the Subscribed Shares and any other equity security issued or issuable with respect to the Subscribed Shares by way of share split, dividend, distribution, recapitalization, merger, exchange, replacement or similar event, provided, however, that such securities shall cease to be Registrable Securities at the earliest of (A) three (3) years from the issuance of the Subscribed Shares, (B) the date all Subscribed Shares held by a Holder may be sold by such Holder without volume or manner of sale limitations pursuant to Rule 144 and without the requirement for the Company to be in compliance with the current public information required under Rule 144(c)(1) (or Rule 144(i)(2), if applicable), (C) the date on which such securities have actually been sold by a Holder, or (D) when such securities shall have ceased to be outstanding. "Holder" shall mean Subscriber or any affiliate of Subscriber to which the rights under this Section 5 shall have been assigned.

b. In the case of the registration, qualification, exemption or compliance effected by the Company pursuant to this Subscription Agreement, the Company shall, upon reasonable request, inform Subscriber as to the status of such registration, qualification, exemption and compliance. At its expense, the Company shall:

- (i) except for such times as the Company has suspended the use of the prospectus forming part of a Registration Statement in accordance with this Subscription Agreement, use its commercially reasonable efforts to keep such registration, and any qualification, exemption or compliance under state securities laws which the Company determines to obtain, continuously

effective with respect to Subscriber, and to keep the applicable Registration Statement or any subsequent shelf registration statement free of any material misstatements or omissions for the Registration Period;

(ii) use its commercially reasonable efforts to obtain the withdrawal of any order suspending the effectiveness of any Registration Statement as soon as reasonably practicable;

(iii) upon the occurrence of any event contemplated above, except for such times as the Company is permitted hereunder to suspend, and has suspended, the use of a prospectus forming part of a Registration Statement, the Company shall use its commercially reasonable efforts to prepare as soon as reasonably practicable a post-effective amendment to such Registration Statement or a supplement to the related prospectus, or file any other required document so that, as thereafter delivered to purchasers of the Subscribed Shares included therein, such prospectus will not include any untrue statement of a material fact or omit to state any material fact necessary to make the statements therein, in the light of the circumstances under which they were made, not misleading;

(iv) use its commercially reasonable efforts to cause all Subscribed Shares to be listed on each securities exchange or market, if any, on which the shares of Common Stock have been listed; and

(v) use its commercially reasonable efforts to file all reports and other materials, and provide all customary and reasonable cooperation, necessary to enable Subscriber to resell the Subscribed Shares pursuant to the Registration Statement or Rule 144 of the Securities Act, as applicable.

c. In the case of the registration effected by the Company pursuant to this Subscription Agreement, the Company shall, upon reasonable request, inform Subscriber as to the status of such registration. Subscriber shall not be entitled to use the Registration Statement for an underwritten offering of Subscribed Shares. Notwithstanding anything to the contrary contained herein, the Company may delay or postpone filing of such Registration Statement, and from time to time require Subscriber not to sell under the Registration Statement or suspend the use or effectiveness of any such Registration Statement if it determines that in order for the registration statement to not contain a material misstatement or omission, an amendment thereto would be needed, or if such filing or use could materially affect a bona fide business or financing transaction of the Company or would require premature disclosure of information that could materially adversely affect the Company (each such circumstance, a "Suspension Event"); provided, that, (i) the Company shall not so delay filing or so suspend the use of the Registration Statement for a period of more than sixty (60) consecutive days or more than two (2) times in any three hundred and sixty (360) day period and (ii) the Company shall use commercially reasonable efforts to make such registration statement available for the sale by Subscriber of such securities as soon as practicable thereafter. Upon receipt of any written notice from the Company (which notice shall not contain any material non-public information regarding the Company) of the happening of any Suspension Event during the period that the Registration Statement is effective or if as a result of a Suspension Event the Registration Statement or related prospectus contains any untrue statement of a material fact or omits to state any material fact required to be stated therein or necessary to make the statements therein, in light of the circumstances under which they were made (in the case of the prospectus) not misleading, Subscriber agrees that (i) it will immediately discontinue offers and sales of the Subscribed Shares under the Registration Statement (excluding, for the avoidance of doubt, sales conducted pursuant to Rule 144) until Subscriber receives copies of a supplemental or amended prospectus (which the Company agrees to promptly prepare) that corrects the misstatement(s) or omission(s) referred to above and receives notice that any post-effective amendment has become effective or unless otherwise notified by the Company that it may resume such offers and sales, and (ii) it will maintain the confidentiality of any information included in such written notice delivered by the Company unless otherwise required by law or subpoena. If so directed by the Company, Subscriber will deliver to the Company or, in Subscriber's sole discretion destroy, all copies of the prospectus covering the Subscribed Shares in Subscriber's possession; provided, however, that this obligation to deliver or destroy all copies of the prospectus covering the Subscribed Shares shall not apply (i) to the extent Subscriber

is required to retain a copy of such prospectus (a) in order to comply with applicable legal, regulatory, self-regulatory or professional requirements or (b) in accordance with a bona fide pre-existing document retention policy or (ii) to copies stored electronically on archival servers as a result of automatic data back-up.

d. For purposes of this Section 5, “Subscribed Shares” shall mean, as of any date of determination, the Subscribed Shares purchased by Subscriber pursuant to this Subscription Agreement and any other equity security issued or issuable with respect to the Subscribed Shares by way of share split, dividend, distribution, recapitalization, merger, exchange, replacement or similar event, including any equity securities received with respect to the Subscribed Shares pursuant to the Transaction.

e. The Company shall, notwithstanding any termination of this Subscription Agreement, indemnify, defend and hold harmless Subscriber (to the extent a seller under the Registration Statement), the officers, directors, agents, partners, members, managers, stockholders, affiliates, employees and investment advisers of Subscriber, each person who controls Subscriber (within the meaning of Section 15 of the Securities Act or Section 20 of the Exchange Act) and the officers, directors, partners, members, managers, stockholders, agents, affiliates, employees and investment advisers of each such controlling person, to the fullest extent permitted by applicable law, from and against any and all losses, claims, damages, liabilities, costs (including reasonable attorneys’ fees) and expenses (collectively, “Losses”), as incurred, that arise out of or are based upon (i) any untrue or alleged untrue statement of a material fact contained (or incorporated by reference) in the Registration Statement, any prospectus included in the Registration Statement or any form of prospectus or in any amendment or supplement thereto or in any preliminary prospectus, or arising out of or relating to any omission or alleged omission to state a material fact required to be stated therein or necessary to make the statements therein (in the case of any prospectus or form of prospectus or supplement thereto, in light of the circumstances under which they were made) not misleading, except to the extent that such untrue statements, alleged untrue statements, omissions or alleged omissions are based upon information regarding Subscriber furnished in writing to the Company by Subscriber expressly for use therein or (ii) any violation or alleged violation by the Company of the Securities Act, Exchange Act or any state securities law or any rule or regulation thereunder, in connection with the performance of its obligations under this Section 5. Such indemnity shall remain in full force and effect regardless of any investigation made by or on behalf of an indemnified party and shall survive the transfer of the Subscribed Shares by Subscriber. Notwithstanding the forgoing, the Company’s indemnification obligations shall not apply to amounts paid in settlement of any Losses or action if such settlement is effected without the prior written consent of the Company (which consent shall not be unreasonably withheld or delayed).

f. Subscriber shall, severally and not jointly with any Other Subscriber, indemnify and hold harmless the Company, its directors, officers, agents and employees, each person who controls the Company (within the meaning of Section 15 of the Securities Act and Section 20 of the Exchange Act), and the directors, officers, agents or employees of such controlling persons, to the fullest extent permitted by applicable law, from and against all Losses, as incurred, arising out of or are based upon any untrue or alleged untrue statement of a material fact contained in any Registration Statement, any prospectus included in the Registration Statement, or any form of prospectus, or in any amendment or supplement thereto or in any preliminary prospectus, or arising out of or relating to any omission or alleged omission of a material fact required to be stated therein or necessary to make the statements therein (in the case of any prospectus, or any form of prospectus or supplement thereto, in light of the circumstances under which they were made) not misleading to the extent, but only to the extent, that such untrue statements or omissions are based upon information regarding Subscriber furnished in writing to the Company by Subscriber expressly for use therein. In no event shall the liability of Subscriber be greater in amount than the dollar amount of the net proceeds received by Subscriber upon the sale of the Subscribed Shares giving rise to such indemnification obligation. Notwithstanding the forgoing, Subscriber’s indemnification obligations shall not apply to amounts paid in settlement of any Losses or action if such settlement is effected without the prior written consent of Subscriber (which consent shall not be unreasonably withheld or delayed).

6. Termination. This Subscription Agreement shall terminate and be void and of no further force and effect, and all rights and obligations of the parties hereunder shall terminate without any further liability

on the part of any party in respect thereof, upon the earlier to occur of (a) such date and time as the Merger Agreement is terminated in accordance with its terms, (b) upon the mutual written agreement of the Company, Hillman and the Subscriber to terminate this Subscription Agreement, (c) if, on the Closing Date of the Transaction, any of the conditions to Closing set forth in Section 2 of this Subscription Agreement have not been satisfied as of the time required hereunder to be so satisfied or waived by the party entitled to grant such waiver and, as a result thereof, the transactions contemplated by this Subscription Agreement are not consummated, or (d) July 24, 2021 (the "Outside Date"); provided, that nothing herein will relieve any party from liability for any willful breach hereof prior to the time of termination, and each party will be entitled to any remedies at law or in equity to recover reasonable and documented out-of-pocket losses, liabilities or damages arising from such breach. The Company shall promptly (and, in any event, within two (2) Business Days) notify Subscriber of the termination of the Merger Agreement promptly after the termination thereof.

7. **Trust Account Waiver.** Subscriber hereby acknowledges that the Company has established a trust account (the "Trust Account") containing the proceeds of its initial public offering (the "IPO") and from certain private placements occurring simultaneously with the IPO (including interest accrued from time to time thereon) for the benefit of the Company's public stockholders and certain other parties (including the underwriters of the IPO). For and in consideration of the Company entering into this Subscription Agreement, and for other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, Subscriber hereby (i) agrees that it does not now and shall not at any time hereafter have any right, title, interest or claim of any kind in or to any assets held in the Trust Account, and shall not make any claim against the Trust Account, regardless of whether such claim arises as a result of, in connection with or relating in any way to this Subscription Agreement or any other matter, and regardless of whether such claim arises based on contract, tort, equity or any other theory of legal liability (any and all such claims are collectively referred to hereafter as the "Released Claims"), (ii) irrevocably waives any Released Claims that it may have against the Trust Account now or in the future as a result of, or arising out of, any negotiations, contracts or agreements with the Company, and (iii) will not seek recourse against the Trust Account for any reason whatsoever; provided however, that nothing in this Section 7 (x) shall serve to limit or prohibit the Subscriber's right to pursue a claim against Company for legal relief against assets held outside the Trust Account, for specific performance or other equitable relief, (y) shall serve to limit or prohibit any claims that the Subscriber may have in the future against Company's assets or funds that are not held in the Trust Account (including any funds that have been released from the Trust Account and any assets that have been purchased or acquired with any such funds) or (z) shall be deemed to limit any Subscriber's right to distributions from the Trust Account in accordance with the Company's amended and restated certificate of incorporation in respect of Common Stock of the Company acquired by any means other than pursuant to this Subscription Agreement.

8. **Miscellaneous.**

A courtesy electronic copy of any notice sent by methods (i), (iii), or (iv) above shall also be sent to the recipient via electronic mail if provided in the applicable signature page hereof or to an electronic mail address as subsequently modified by written notice given in accordance with this Section 8.a.

b. Subscriber acknowledges that the Company, Hillman and others will rely on the acknowledgments, understandings, agreements, representations and warranties contained in this Subscription Agreement. Prior to the Closing, Subscriber agrees to promptly notify the Company and Hillman if it becomes aware that any of the acknowledgments, understandings, agreements,

representations and warranties of Subscriber set forth herein are no longer accurate in all material respects. The Company acknowledges that Subscriber and others will rely on the acknowledgments, understandings, agreements, representations and warranties contained in this Subscription Agreement. Prior to the Closing, the Company agrees to promptly notify Subscriber if it becomes aware that any of the acknowledgments, understandings, agreements, representations and warranties of the Company set forth herein are no longer accurate in all material respects.

c. Each of the Company, Hillman, the Placement Agents and Subscriber is irrevocably authorized to produce this Subscription Agreement or a copy hereof to any interested party in any administrative or legal proceeding or official inquiry with respect to the matters covered hereby.

d. Each party shall pay all of its own expenses in connection with this Subscription Agreement and the transactions contemplated herein.

e. Neither this Subscription Agreement nor any rights that may accrue to Subscriber hereunder (other than the Subscribed Shares acquired hereunder, if any and Subscriber's rights under Section 5 hereof) may be transferred or assigned. Neither this Subscription Agreement nor any rights that may accrue to the Company hereunder may be transferred or assigned (provided, that, for the avoidance of doubt, the Company may transfer the Subscription Agreement and its rights hereunder solely in connection with the consummation of the Transaction and exclusively to another entity under the control of, or under common control with, the Company). Notwithstanding the foregoing, Subscriber may assign its rights and obligations under this Subscription Agreement to one or more of its affiliates (including other investment funds or accounts managed or advised by the investment manager who acts on behalf of the Subscriber) or, with the Company's prior written consent, to another person, provided that no such assignment shall relieve Subscriber of its obligations hereunder if any such assignee fails to perform such obligations, unless the Company has given its prior written consent to such relief.

f. All the agreements, representations and warranties made by each party hereto in this Subscription Agreement shall survive the Closing.

g. The Company may request from Subscriber such additional information as the Company may reasonably deem necessary to evaluate the eligibility of Subscriber to acquire the Subscribed Shares and to register the Subscribed Shares for resale, and Subscriber shall promptly provide such information as may be reasonably requested, to the extent readily available and to the extent consistent with its internal policies and procedures; *provided*, that the Company agrees to keep any such information provided by Subscriber confidential, except to the extent required to be included in the Registration Statement. Subscriber acknowledges that the Company may file a copy of the form of this Subscription Agreement with the Commission as an exhibit to a periodic report or a registration statement of the Company.

h. This Subscription Agreement may not be amended, modified, waived or terminated (other than pursuant to the terms of Section 6 above) except by an instrument in writing, signed by each of the parties hereto; provided, that no amendment, modification, waiver or termination (other than pursuant to the terms of Section 6 above) of the provisions of this Subscription Agreement shall be effective without the prior written consent of Hillman (other than amendments, modifications or waivers that are solely ministerial in nature or otherwise immaterial and do not affect any economic or any other material term of this Subscription Agreement).

i. This Subscription Agreement constitutes the entire agreement, and supersedes all other prior agreements, understandings, representations and warranties, both written and oral, among the parties, with respect to the subject matter hereof. Except as set forth in Section 8.m, this Subscription Agreement shall not confer any rights or remedies upon any person other than the parties hereto and their respective permitted successors and assigns.

j. Except as otherwise provided herein, this Subscription Agreement shall be binding upon, and inure to the benefit of the parties hereto and their heirs, executors, administrators, successors, legal representatives, and permitted assigns, and the agreements, representations, warranties, covenants and

acknowledgments contained herein shall be deemed to be made by, and be binding upon, such heirs, executors, administrators, successors, legal representatives and permitted assigns.

k. If any provision of this Subscription Agreement shall be invalid, illegal or unenforceable, the validity, legality or enforceability of the remaining provisions of this Subscription Agreement shall not in any way be affected or impaired thereby and shall continue in full force and effect.

l. Paragraph titles are for descriptive purposes only and shall not control or alter the meaning of this Subscription Agreement as set forth in the text. For purposes of this Subscription Agreement, wherever the words “include,” “includes,” or “including” are used in this Subscription Agreement, they shall be deemed to be followed by the words “without limitation.”

m. This Subscription Agreement may be executed and delivered in one or more counterparts (including by facsimile or electronic mail or in .pdf) and by different parties in separate counterparts, with the same effect as if all parties hereto had signed the same document. All counterparts so executed and delivered shall be construed together and shall constitute one and the same agreement.

n. This Subscription Agreement is intended for the benefit of the parties hereto and their respective successors and permitted assigns and is not for the benefit of, nor may any provision hereof be enforced by, any other person; provided, however, that (i) Hillman shall be an intended third party beneficiary of Section 2.c, Section 2.d, Section 6, Section 8.b, Section 8.c, Section 8.h, this Section 8.n and the last sentence of Section 8.o hereof, (ii) the Placement Agents may rely on the representations, warranties, agreements and covenants of the Company contained in this Subscription Agreement and may rely on the representations and warranties of the respective Subscribers contained in this Subscription Agreement as if such representations, warranties, agreements, and covenants, as applicable, were made directly to the Placement Agent and (iii) the beneficiaries of the indemnity provisions set forth in Section 5.b and Section 5.c shall be intended third party beneficiaries of such Sections.

o. The parties hereto agree that irreparable damage would occur in the event that any of the provisions of this Subscription Agreement were not performed in accordance with their specific terms or were otherwise breached. It is accordingly agreed that the parties shall be entitled to an injunction or injunctions to prevent breaches of this Subscription Agreement and to enforce specifically the terms and provisions of this Subscription Agreement, this being in addition to any other remedy to which such party is entitled at law, in equity, in contract, in tort or otherwise. The parties hereto acknowledge and agree that Hillman shall be entitled to seek to specifically enforce Subscriber’s obligations to fund the Purchase Price and the provisions of this Subscription Agreement of which Hillman is an intended third party beneficiary, in each case, on the terms and subject to the conditions set forth herein.

p. This Subscription Agreement shall be governed by, and construed in accordance with, the laws of the State of Delaware, without regard to the principles of conflicts of laws that would otherwise require the application of the law of any other state.

q. **EACH PARTY AND ANY PERSON ASSERTING RIGHTS AS A THIRD PARTY BENEFICIARY HEREBY WAIVES ITS RESPECTIVE RIGHTS TO A TRIAL BY JURY OF ANY CLAIM OR CAUSE OF ACTION BASED UPON OR ARISING OUT OR RELATED TO THIS SUBSCRIPTION AGREEMENT OR THE TRANSACTIONS CONTEMPLATED HEREBY IN ANY ACTION, PROCEEDING OR OTHER LITIGATION OF ANY TYPE BROUGHT BY ANY PARTY AGAINST ANY OTHER PARTY OR ANY AFFILIATE OF ANY OTHER SUCH PARTY, WHETHER WITH RESPECT TO CONTRACT CLAIMS, TORT CLAIMS OR OTHERWISE. THE PARTIES AGREE THAT ANY SUCH CLAIM OR CAUSE OF ACTION SHALL BE TRIED BY A COURT TRIAL WITHOUT A JURY. WITHOUT LIMITING THE FOREGOING, THE PARTIES FURTHER AGREE THAT THEIR RESPECTIVE RIGHT TO A TRIAL BY JURY IS WAIVED BY OPERATION OF THIS SECTION AS TO ANY ACTION, COUNTERCLAIM OR OTHER PROCEEDING WHICH SEEKS, IN WHOLE OR IN PART, TO CHALLENGE THE VALIDITY OR ENFORCEABILITY OF THIS SUBSCRIPTION AGREEMENT OR ANY PROVISION HEREOF. THIS WAIVER SHALL APPLY TO ANY SUBSEQUENT AMENDMENTS, RENEWALS, SUPPLEMENTS OR MODIFICATIONS TO THIS SUBSCRIPTION AGREEMENT.**

r. The parties agree that all disputes, legal actions, suits and proceedings arising out of or relating to this Subscription Agreement must be brought exclusively in the Court of Chancery of the state of Delaware and any state appellate court therefrom within the state of Delaware (or, if the Court of Chancery of the state of Delaware declines to accept jurisdiction over a particular matter, any federal court within the state of Delaware or, in the event each federal court within the state of Delaware declines to accept jurisdiction over a particular matter, any state court within the state of Delaware) (collectively the “Designated Courts”). Each party hereby consents and submits to the exclusive jurisdiction of the Designated Courts. No legal action, suit or proceeding with respect to this Subscription Agreement may be brought in any other forum. Each party hereby irrevocably waives all claims of immunity from jurisdiction and any objection which such party may now or hereafter have to the laying of venue of any suit, action or proceeding in any Designated Court, including any right to object on the basis that any dispute, action, suit or proceeding brought in the Designated Courts has been brought in an improper or inconvenient forum or venue. Each of the parties also agrees that delivery of any process, summons, notice or document to a party hereof in compliance with Section 8.a of this Subscription Agreement shall be effective service of process for any action, suit or proceeding in a Designated Court with respect to any matters to which the parties have submitted to jurisdiction as set forth above.

s. This Subscription Agreement may only be enforced against, and any claim, action, suit or other legal proceeding based upon, arising out of, or related to this Subscription Agreement, or the negotiation, execution or performance of this Subscription Agreement, may only be brought against the entities that are expressly named as parties hereto and then only with respect to the specific obligations set forth herein with respect to such party. No past, present or future director, officer, employee, incorporator, manager, member, partner, stockholder, direct or indirect equityholder, affiliate, agent, attorney or other representative of the Company, Hillman, any Placement Agent or the Subscriber or of any affiliate or family member of any of the foregoing, or any of their successors or permitted assigns, shall have any liability for any obligations or liabilities of any party hereto under this Subscription Agreement or otherwise arising out of or relating to this Subscription Agreement or any Other Subscription Agreements, the negotiation hereof or thereof or its subject matter, or for any claim, action, suit or other legal proceeding based on, in respect of or by reason of the transactions contemplated hereby or thereby.

t. The Company shall, by 9:00 a.m., New York City time, on the first (1st) Business Day immediately following the date of this Subscription Agreement, issue one or more press releases or file with the Commission a Current Report on Form 8-K (collectively, the “Disclosure Document”) disclosing all material terms of the transactions contemplated hereby (and by the Other Subscription Agreements), the Transaction and any other material, nonpublic information that the Company has provided to Subscriber at any time prior to the filing of the Disclosure Document. From and after the issuance of the Disclosure Document, to the Company’s actual knowledge, Subscriber shall not be in possession of any material, non-public information received from the Company or any of its officers, directors or employees or the Placement Agents and Subscriber shall no longer be subject to any confidentiality or similar obligations under any current agreement, whether written or oral with Company, the Placement Agents, or any of their affiliates in connection with the Transactions. Notwithstanding the foregoing, the Company shall not publicly disclose the name of Subscriber or any affiliate or investment adviser of Subscriber, or include the name of Subscriber or any affiliate or investment adviser of Subscriber in any press release or in any filing with the Commission or any regulatory agency or trading market, without the prior written consent (including by e-mail) of Subscriber, except as required by the federal securities laws, rules or regulations and to the extent such disclosure is required by other laws, rules or regulations, at the request of the staff of the Commission or regulatory agency or under Nasdaq Stock Market regulations, in which case the Company shall provide Subscriber with prior written notice (including by e-mail) of such permitted disclosure, and shall reasonably consult with Subscriber regarding such disclosure.

u. The obligations of Subscriber under this Subscription Agreement are several and not joint with the obligations of any Other Subscriber or any other investor under the Other Subscription Agreements, and Subscriber shall not be responsible in any way for the performance of the obligations of any Other Subscriber under this Subscription Agreement or any other investor under the Other

Subscription Agreements. The decision of Subscriber to purchase Subscribed Shares pursuant to this Subscription Agreement has been made by Subscriber independently of any Other Subscriber or any other investor and independently of any information, materials, statements or opinions as to the business, affairs, operations, assets, properties, liabilities, results of operations, condition (financial or otherwise) or prospects of the Company, Hillman or any of their respective subsidiaries which may have been made or given by any Other Subscriber or investor or by any agent or employee of any Other Subscriber or investor, and neither Subscriber nor any of its agents or employees shall have any liability to any Other Subscriber or investor (or any other person) relating to or arising from any such information, materials, statements or opinions. Nothing contained herein or in any Other Subscription Agreement, and no action taken by Subscriber or investor pursuant hereto or thereto, shall be deemed to constitute the Subscriber and other investors as a partnership, an association, a joint venture or any other kind of entity, or create a presumption that the Subscriber and other investors are in any way acting in concert or as a group with respect to such obligations or the transactions contemplated by this Subscription Agreement and the Other Subscription Agreements. Subscriber acknowledges that no Other Subscriber has acted as agent for the Subscriber in connection with making its investment hereunder and no Other Subscriber will be acting as agent of the Subscriber in connection with monitoring its investment in the Subscribed Shares or enforcing its rights under this Subscription Agreement. Subscriber shall be entitled to independently protect and enforce its rights, including without limitation the rights arising out of this Subscription Agreement, and it shall not be necessary for any Other Subscriber or investor to be joined as an additional party in any proceeding for such purpose.

[Signature pages follow.]

IN WITNESS WHEREOF, each of the Company and Subscriber has executed or caused this Subscription Agreement to be executed by its duly authorized representative as of the date first set forth above.

**HILLMAN SOLUTIONS CORP.
2021 EQUITY INCENTIVE PLAN**

1. DEFINED TERMS

Exhibit A, which is incorporated by reference, defines certain terms used in the Plan and includes certain operational rules related to those terms.

2. PURPOSE; EFFECTIVE DATE

The Plan has been established to advance the interests of the Company by providing for the grant to Participants of Stock and Stock-based Awards. The Plan was adopted by the Board of Directors of the Company on [date]¹, 2021. The Plan shall become and is effective as of the Effective Date.

3. ADMINISTRATION

The Plan will be administered by the Administrator. The Administrator has discretionary authority, subject only to the express provisions of the Plan, to administer and interpret the Plan and any Awards; to determine eligibility for and grant Awards; to determine the exercise price, base value from which appreciation is measured, or purchase price, if any, applicable to any Award, to determine, modify, accelerate or waive the terms and conditions of any Award; to determine the form of settlement of Awards (whether in cash, shares of Stock, other Awards or other property); to prescribe forms, rules and procedures relating to the Plan and Awards; and to otherwise do all things necessary or desirable to carry out the purposes of the Plan or any Award. Determinations of the Administrator made with respect to the Plan or any Award are conclusive and bind all persons.

4. LIMITS ON AWARDS UNDER THE PLAN

(a) Number of Shares. Subject to adjustment as provided in Section 7(b), the maximum number of shares of Stock that may be delivered in satisfaction of Awards under the Plan as of the Effective Date is (i) 7,150,814 shares, plus (ii) the number of shares of Stock underlying awards under the Prior Plan that on or after the Effective Date expire or become unexercisable, or are forfeited, cancelled or otherwise terminated, in each case, without delivery of shares or cash therefor, and would have become available again for grant under the Prior Plan in accordance with its terms (in the case of this subclause (ii), not to exceed 14,523,510 shares of Stock in the aggregate) (the "Share Pool"). Up to the total number of shares of Stock in the Share Pool described above may be delivered in satisfaction of ISOs, but nothing in this Section 4(a) will be construed as requiring that any, or any fixed number of, ISOs be awarded under the Plan. For purposes of this Section 4(a), the number of shares of Stock delivered in satisfaction of Awards will be determined (i) by reducing the Share Pool by the number of shares of Stock withheld by the Company in payment of the exercise price or purchase price of an Award or in satisfaction of tax withholding requirements with respect to an Award, (ii) by reducing the Share Pool by the full number of shares covered by a SAR any portion of which is settled in Stock (and not only the number of shares of Stock delivered in settlement of a SAR), and (iii) by increasing the Share Pool by any shares of Stock underlying any portion of an Award that is settled in cash or that expires, becomes unexercisable, terminates or is forfeited to or repurchased by the Company without the issuance of Stock (or retention, in the case of Restricted Stock or Unrestricted Stock). For the avoidance of doubt, the Share Pool will not be increased by any shares of Stock delivered under the Plan that are subsequently repurchased using proceeds directly attributable to Stock Option exercises. The limits set forth in this Section 4(a) will be construed to comply with any applicable requirements of Section 422.

(b) Substitute Awards. The Administrator may grant Substitute Awards under the Plan. To the extent consistent with the requirements of Section 422 and the regulations thereunder and other applicable legal requirements (including applicable stock exchange requirements), shares of Stock delivered in respect of Substitute Awards will be in addition to and will not reduce the Share Pool. Notwithstanding the foregoing or anything in Section 4(a) to the contrary, if any Substitute Award is

¹ To be the date of the Board's adoption of the Plan.

settled in cash or expires, becomes unexercisable, terminates or is forfeited to or repurchased by the Company without the delivery (or retention, in the case of Restricted Stock or Unrestricted Stock) of Stock, the shares of Stock previously subject to such Award will not increase the Share Pool or otherwise be available for future issuance under the Plan. The Administrator will determine the extent to which the terms and conditions of the Plan apply to Substitute Awards, if at all, *provided, however*, that Substitute Awards will not be subject to the limit described in Section 4(d) below.

(c) Type of Shares. Stock delivered by the Company under the Plan may be authorized but unissued Stock, treasury Stock or previously issued Stock acquired by the Company. No fractional shares of Stock will be delivered under the Plan.

(d) Director Limits. The maximum aggregate value of all compensation granted or paid to any Director with respect to any calendar year, including Awards granted under the Plan and cash fees or other compensation paid by the Company to such Director outside of the Plan, in each case, for services as a Director during such calendar year, may not exceed \$750,000 in the aggregate, calculating the value of any Awards based on the grant date fair value in accordance with the Accounting Rules and assuming maximum payout levels.

5. ELIGIBILITY AND PARTICIPATION

The Administrator will select Participants from among Employees and Directors of, and consultants and advisors to, the Company and its subsidiaries. Eligibility for ISOs is limited to individuals described in the first sentence of this Section 5 who are employees of the Company or of a “parent corporation” or “subsidiary corporation” of the Company as those terms are defined in Section 424 of the Code. Eligibility for Stock Options, other than ISOs, and SARs is limited to individuals described in the first sentence of this Section 5 who are providing direct services on the date of grant of the Award to the Company or to a subsidiary of the Company that would be described in the first sentence of Section 1.409A-1(b)(5)(iii)(E) of the Treasury Regulations.

6. RULES APPLICABLE TO AWARDS

(a) All Awards.

(1) Award Provisions. The Administrator will determine the terms and conditions of all Awards, subject to the limitations provided herein. No term of an Award shall provide for automatic “reload” grants of additional Awards upon the exercise of an Option or SAR. By accepting (or, under such rules as the Administrator may prescribe, being deemed to have accepted) an Award, the Participant will be deemed to have agreed to the terms and conditions of the Award and the Plan. Notwithstanding any provision of the Plan to the contrary, Substitute Awards may contain terms and conditions that are inconsistent with the terms and conditions specified herein, as determined by the Administrator.

(2) Term of Plan. The Plan shall remain in effect, subject to the right of the Board or the Compensation Committee to amend or terminate the Plan at any time, until the earlier of (a) the earliest date as of which all Awards granted under the Plan have been satisfied in full or terminated and no shares of Stock approved for issuance under the Plan remain available to be granted under new Awards or (b) [date]². No Awards may be made after such termination date, but previously granted Awards may remain in effect until such Awards have been satisfied or terminated in accordance with the Plan and the terms of such Awards.

(3) Transferability. Neither ISOs nor, except as the Administrator otherwise expressly provides in accordance with the third sentence of this Section 6(a)(3), other Awards may be transferred other than by will or by the laws of descent and distribution. During a Participant’s lifetime, ISOs and, except as the Administrator otherwise expressly provides in accordance with the third sentence of this Section 6(a)(3), SARs and NSOs may be exercised only by the Participant. The Administrator may permit the gratuitous transfer (*i.e.*, transfer not for value) of Awards other

² To be the 10-year anniversary of the date of the Board’s adoption of the Plan.

than ISOs, subject to applicable securities and other laws and such terms and conditions as the Administrator may determine.

(4) Vesting; Exercisability. The Administrator will determine the time or times at which an Award vests or becomes exercisable and the terms and conditions on which a Stock Option or SAR remains exercisable. Without limiting the foregoing, the Administrator may at any time accelerate the vesting and/or exercisability of an Award (or any portion thereof), regardless of any adverse or potentially adverse tax or other consequences resulting from such acceleration. Unless the Administrator expressly provides otherwise, however, the following rules will apply if a Participant's Employment ceases:

(A) Except as provided in (B) and (C) below, immediately upon the cessation of the Participant's Employment each Stock Option and SAR (or portion thereof) that is then held by the Participant or by the Participant's permitted transferees, if any, will cease to be exercisable and will terminate and each other Award that is then held by the Participant or by the Participant's permitted transferees, if any, to the extent not then vested will be forfeited.

(B) Subject to (C) and (D) below, each Stock Option and SAR (or portion thereof) held by the Participant or the Participant's permitted transferees, if any, immediately prior to the cessation of the Participant's Employment, to the extent then vested and exercisable, will remain exercisable for the lesser of (i) a period of three months following such cessation of Employment or (ii) the period ending on the latest date on which such Stock Option or SAR could have been exercised without regard to this Section 6(a)(4), and will thereupon immediately terminate.

(C) Subject to (D) below, each Stock Option and SAR (or portion thereof) held by a Participant or the Participant's permitted transferees, if any, immediately prior to the cessation of the Participant's Employment due to death or by the Company due to Disability, to the extent then vested and exercisable, will remain exercisable for the lesser of (i) the one-year period ending on the first anniversary of such cessation of Employment or (ii) the period ending on the latest date on which such Stock Option or SAR could have been exercised without regard to this Section 6(a)(4), and will thereupon immediately terminate.

(D) All Awards (whether or not vested or exercisable) held by a Participant or the Participant's permitted transferees, if any, immediately prior to the cessation of the Participant's Employment will immediately terminate upon such cessation of Employment if the termination is for Cause or occurs in circumstances that in the determination of the Administrator would have constituted grounds for the Participant's Employment to be terminated for Cause (in each case, without regard to the lapsing of any required notice or cure periods in connection therewith).

(5) Recovery of Compensation. The Administrator may provide in any case that any outstanding Award (whether or not vested or exercisable), the proceeds from the exercise or disposition of any Award or Stock acquired under any Award, and any other amounts received in respect of any Award or Stock acquired under any Award will be subject to forfeiture and disgorgement to the Company, with interest and other related earnings, if the Participant to whom the Award was granted is not in compliance with any provision of the Plan or any applicable Award, or any non-competition, non-solicitation, no-hire, non-disparagement, confidentiality, invention assignment, or other restrictive covenant by which the Participant is bound. Each Award will be subject to any policy of the Company or any of its subsidiaries that relates to trading on non-public information and permitted transactions with respect to shares of Stock, including limitations on hedging and pledging. In addition, each Award will be subject to any policy of the Company or any of its Affiliates that provides for forfeiture, disgorgement, or clawback with respect to incentive compensation that includes Awards under the Plan and will be further subject to forfeiture and disgorgement to the extent required by law or applicable stock exchange listing standards, including, without limitation, Section 10D of the Exchange Act. Each Participant, by accepting or being deemed to have accepted an Award under the Plan, agrees (or will be deemed to have agreed) to the terms of this Section 6(a)(5) and any clawback, recoupment or similar policy

of the Company or any of its subsidiaries and further agrees (or will be deemed to have further agreed) to cooperate fully with the Administrator, and to cause any and all permitted transferees of the Participant to cooperate fully with the Administrator, to effectuate any forfeiture or disgorgement described in this Section 6(a)(5). Neither the Administrator nor the Company nor any other person, other than the Participant and the Participant's permitted transferees, if any, will be responsible for any adverse tax or other consequences to a Participant or the Participant's permitted transferees, if any, that may arise in connection with this Section 6(a)(5).

(6) Taxes. The grant of an Award and the issuance, delivery, vesting and retention of Stock, cash or other property under an Award are conditioned upon the full satisfaction by the Participant of all tax and other withholding requirements with respect to the Award. The Administrator will prescribe rules for the withholding of taxes and other amounts with respect to any Award as it deems necessary. Without limitation to the foregoing, the Company or any parent or subsidiary of the Company will have the authority and the right to deduct or withhold (by any means set forth herein or in an Award agreement), or require a Participant to remit to the Company or a parent or subsidiary of the Company, an amount sufficient to satisfy all U.S. and non-U.S. federal, state and local income tax, social insurance, payroll tax, fringe benefits tax, payment on account or other tax-related items related to participation in the Plan and any Award hereunder and legally applicable to the Participant and required by law to be withheld (including, any amount deemed by the Company, in its discretion, to be an appropriate charge to the Participant even if legally applicable to the Company or any parent or subsidiary of the Company). The Administrator, in its sole discretion, may hold back shares of Stock from an Award or permit a Participant to tender previously-owned shares of Stock in satisfaction of tax or other withholding requirements (but not in excess of the maximum withholding amount consistent with the Award being subject to equity accounting treatment under the Accounting Rules). Any amounts withheld pursuant to this Section 6(a)(6) will be treated as though such amounts had been made directly to the Participant. In addition, the Company may, to the extent permitted by law, deduct any such tax and other withholding amounts from any payment of any kind otherwise due to a Participant from the Company or any parent or subsidiary of the Company.

(7) Dividend Equivalents. The Administrator may provide for the payment of amounts (on terms and subject to such restrictions and conditions established by the Administrator) in lieu of cash dividends or other cash distributions with respect to Stock subject to an Award whether or not the holder of such Award is otherwise entitled to share in the actual dividend or distribution in respect of such Award; *provided, however*, that (a) dividends or dividend equivalents relating to an Award that, at the dividend payment date, remains subject to a risk of forfeiture (whether service-based or performance-based) shall be subject to the same risk of forfeiture as applies to the underlying Award and (b) no dividends or dividend equivalents shall be payable with respect to Stock Options or SARs. Any entitlement to dividend equivalents or similar entitlements will be established and administered either consistent with an exemption from, or in compliance with, the applicable requirements of Section 409A.

(8) Rights Limited. Nothing in the Plan or any Award will be construed as giving any person the right to be granted an Award or to continued employment or service with the Company or any of its subsidiaries, or any rights as a stockholder except as to shares of Stock actually delivered under the Plan. The loss of existing or potential profit in any Award will not constitute an element of damages in the event of a termination of a Participant's Employment for any reason, even if the termination is in violation of an obligation of the Company or any of its subsidiaries to the Participant.

(9) Coordination with Other Plans. Shares of Stock and/or Awards under the Plan may be granted in tandem with, or in satisfaction of or substitution for, other Awards under the Plan or awards made under other compensatory plans or programs of the Company or any of its subsidiaries. For example, but without limiting the generality of the foregoing, awards under other compensatory plans or programs of the Company or any of its subsidiaries may be settled in Stock (including, without limitation, Unrestricted Stock) under the Plan if the Administrator so determines, in which case the shares delivered will be treated as awarded under the Plan (and will reduce the Share Pool).

(10) Section 409A.

(A) Without limiting the generality of Section 11(b) hereof, each Award will contain such terms as the Administrator determines and will be construed and administered such that the Award either qualifies for an exemption from the requirements of Section 409A or satisfies such requirements.

(B) Notwithstanding anything to the contrary in the Plan or any Award agreement, the Administrator may unilaterally amend, modify or terminate the Plan or any outstanding Award, including but not limited to changing the form of the Award, if the Administrator determines that such amendment, modification or termination is necessary or desirable to avoid the imposition of an additional tax, interest or penalty under Section 409A.

(C) If a Participant is determined on the date of the Participant's termination of Employment to be a "specified employee" within the meaning of that term under Section 409A(a)(2)(B) of the Code, then, with regard to any payment that is considered nonqualified deferred compensation under Section 409A, to the extent applicable, payable on account of a "separation from service", such payment will be made or provided on the date that is the earlier of (i) the first business day following the expiration of the six-month period measured from the date of such "separation from service" and (ii) the date of the Participant's death (the "Delay Period"). Upon the expiration of the Delay Period, all payments delayed pursuant to this Section 6(a)(10)(C) (whether they would have otherwise been payable in a single lump sum or in installments in the absence of such delay) will be paid, without interest, on the first business day following the expiration of the Delay Period in a lump sum and any remaining payments due under the Award will be paid in accordance with the normal payment dates specified for them in the applicable Award agreement.

(D) For purposes of Section 409A, each payment made under the Plan or any Award will be treated as a separate payment.

(E) With regard to any payment considered to be nonqualified deferred compensation under Section 409A, to the extent applicable, that is payable upon a change in control of the Company or other similar event, to the extent required to avoid the imposition of an additional tax, interest or penalty under Section 409A, no amount will be payable unless such change in control constitutes a "change in control event" within the meaning of Section 1.409A-3(i)(5) of the Treasury Regulations.

(b) Stock Options and SARs.

(1) Time and Manner of Exercise. Unless the Administrator expressly provides otherwise, no Stock Option or SAR will be deemed to have been exercised until the Administrator receives a notice of exercise in a form acceptable to the Administrator that is signed by the appropriate person and accompanied by any payment required under the Award. The Administrator may limit or restrict the exercisability of any Stock Option or SAR in its discretion, including in connection with any Covered Transaction. Any attempt to exercise a Stock Option or SAR by any person other than the Participant will not be given effect unless the Administrator has received such evidence as it may require that the person exercising the Award has the right to do so.

(2) Exercise Price. The exercise price (or the base value from which appreciation is to be measured) per share of each Award requiring exercise must be no less than 100% (in the case of an ISO granted to a 10-percent stockholder within the meaning of Section 422(b)(6) of the Code, 110%) of the Fair Market Value of a share of Stock, determined as of the date of grant of the Award, or such higher amount as the Administrator may determine in connection with the grant.

(3) Payment of Exercise Price. Where the exercise of an Award (or portion thereof) is to be accompanied by a payment, payment of the exercise price must be made by cash or check acceptable to the Administrator or, if so permitted by the Administrator and if legally permissible, (i) through the delivery of previously acquired unrestricted shares of Stock, or the withholding of unrestricted shares of Stock otherwise deliverable upon exercise, in either case that have a Fair

Market Value equal to the exercise price; (ii) through a broker-assisted cashless exercise program acceptable to the Administrator; (iii) by other means acceptable to the Administrator; or (iv) by any combination of the foregoing permissible forms of payment. The delivery of previously acquired shares in payment of the exercise price under clause (i) above may be accomplished either by actual delivery or by constructive delivery through attestation of ownership, subject to such rules as the Administrator may prescribe.

(4) Maximum Term. The maximum term of Stock Options and SARs must not exceed 10 years from the date of grant (or five years from the date of grant in the case of an ISO granted to a 10-percent stockholder described in Section 6(b)(2) above).

(5) No Repricing. Except in connection with a corporate transaction involving the Company (which term includes, without limitation, any stock dividend, stock split, extraordinary cash dividend, recapitalization, reorganization, merger, consolidation, split-up, spin-off, combination or exchange of shares) or as otherwise contemplated by Section 7 below, the Company may not, without obtaining stockholder approval, (A) amend the terms of outstanding Stock Options or SARs to reduce the exercise price or base value of such Stock Options or SARs, (B) cancel outstanding Stock Options or SARs in exchange for Stock Options or SARs that have an exercise price or base value that is less than the exercise price or base value of the original Stock Options or SARs, or (C) cancel outstanding Stock Options or SARs that have an exercise price or base value greater than the Fair Market Value of a share of Stock on the date of such cancellation in exchange for cash or other consideration.

7. EFFECT OF CERTAIN TRANSACTIONS

(a) Mergers, etc. Except as otherwise expressly provided in an Award agreement or other agreement or by the Administrator, the following provisions will apply in the event of a Covered Transaction:

(1) Assumption or Substitution. If the Covered Transaction is one in which there is an acquiring or surviving entity, the Administrator may provide for (A) the assumption or continuation of some or all outstanding Awards or any portion thereof or (B) the grant of new awards in substitution therefor by the acquiror or survivor or an affiliate of the acquiror or survivor.

(2) Cash-Out of Awards. Subject to Section 7(a)(5) below, the Administrator may provide for payment (a "cash-out"), with respect to some or all Awards or any portion thereof (including only the vested portion thereof, with the unvested portion terminating as provided in subsection 7(a)(4) below), equal in the case of each applicable Award or portion thereof to the excess, if any, of (A) the Fair Market Value of one share of Stock multiplied by the number of shares of Stock subject to the Award or such portion, minus (B) the aggregate exercise or purchase price, if any, of such Award or such portion thereof (or, in the case of a SAR, the aggregate base value above which appreciation is measured), in each case on such payment and other terms and subject to such conditions (which need not be the same as the terms and conditions applicable to holders of Stock generally), as the Administrator determines, including that any amounts paid in respect of such Award in connection with the Covered Transaction be placed in escrow or otherwise made subject to such restrictions as the Administrator deems appropriate. For the avoidance of doubt, if the per share exercise or purchase price (or base value) of an Award or portion thereof is equal to or greater than the Fair Market Value of one share of Stock, such Award or portion may be cancelled with no payment due hereunder or otherwise in respect thereof.

(3) Acceleration of Certain Awards. Subject to Section 7(a)(5) below, the Administrator may provide that any Award requiring exercise will become exercisable, in full or in part, and/or that the delivery of any shares of Stock remaining deliverable under any outstanding Award of Stock Units (including Restricted Stock Units and Performance Awards to the extent consisting of Stock Units) will be accelerated, in full or in part, in each case on a basis that gives the holder of the Award a reasonable opportunity, as determined by the Administrator, following the exercise of the Award or the delivery of the shares, as the case may be, to participate as a stockholder in the Covered Transaction.

(4) Termination of Awards upon Consummation of Covered Transaction. Except as the Administrator may otherwise determine, each Award will automatically terminate (and in the case of outstanding shares of Restricted Stock, will automatically be forfeited) immediately upon the consummation of the Covered Transaction, other than (A) any Award that is assumed, continued or substituted for pursuant to Section 7(a)(1) above, and (B) any Award that by its terms, or as a result of action taken by the Administrator, continues following the Covered Transaction.

(5) Additional Limitations. Any share of Stock and any cash or other property or other award delivered pursuant to Section 7(a)(1), Section 7(a)(2) or Section 7(a)(3) above with respect to an Award may, in the discretion of the Administrator, contain such restrictions, if any, as the Administrator deems appropriate, including to reflect any performance or other vesting conditions to which the Award was subject and that did not lapse (and were not satisfied) in connection with the Covered Transaction. For purposes of the immediately preceding sentence, a cash-out under Section 7(a)(2) above or an acceleration under Section 7(a)(3) above will not, in and of itself, be treated as the lapsing (or satisfaction) of a performance or other vesting condition. In the case of Restricted Stock that does not vest and is not forfeited in connection with the Covered Transaction, the Administrator may require that any amounts delivered, exchanged or otherwise paid in respect of such Stock in connection with the Covered Transaction be placed in escrow or otherwise made subject to such restrictions as the Administrator deems appropriate to carry out the intent of the Plan.

(6) Uniform Treatment. For the avoidance of doubt, the Administrator need not treat Participants or Awards (or portions thereof) in a uniform manner, and may treat different Participants and/or Awards differently, in connection with a Covered Transaction.

(b) Changes in and Distributions with Respect to Stock.

(1) Basic Adjustment Provisions. In the event of a stock dividend, stock split or combination of shares (including a reverse stock split), recapitalization or other change in the Company's capital structure that constitutes an equity restructuring within the meaning of the Accounting Rules, the Administrator shall make appropriate adjustments to the Share Pool and to the limit described in Section 4(d), and shall make appropriate adjustments to the number and kind of shares of stock or securities underlying Awards then outstanding or subsequently granted, any exercise or purchase prices (or base values) relating to Awards and any other provision of Awards affected by such change.

(2) Certain Other Adjustments. The Administrator may also make adjustments of the type described in Section 7(b)(1) above to take into account distributions to stockholders other than those provided for in Sections 7(a) and 7(b)(1), or any other event, if the Administrator determines that adjustments are appropriate to avoid distortion in the operation of the Plan or any Award.

(3) Continuing Application of Plan Terms. References in the Plan to shares of Stock will be construed to include any stock or securities resulting from an adjustment pursuant to this Section 7.

8. LEGAL CONDITIONS ON DELIVERY OF STOCK

The Company will not be obligated to deliver any shares of Stock pursuant to the Plan or to remove any restriction from shares of Stock previously delivered under the Plan until: (i) the Company is satisfied that all legal matters in connection with the issuance and delivery of such shares have been addressed and resolved; (ii) if the outstanding Stock is at the time of delivery listed on any stock exchange or national market system, the shares to be delivered have been listed or authorized to be listed on such exchange or system upon official notice of issuance; and (iii) all conditions of the Award have been satisfied or waived. The Company may require, as a condition to the exercise of an Award or the delivery of shares of Stock under an Award, such representations or agreements as counsel for the Company may consider appropriate to avoid violation of the Securities Act of 1933, as amended, or any applicable state or non-U.S. securities law. Any Stock delivered under the Plan will be evidenced in such manner as the Administrator determines appropriate, including book-entry registration or delivery of stock certificates. In the event that the Administrator determines that stock certificates will be issued in connection with Stock issued under the

Plan, the Administrator may require that such certificates bear an appropriate legend reflecting any restriction on transfer applicable to such Stock, and the Company may hold the certificates pending the lapse of the applicable restrictions.

9. AMENDMENT AND TERMINATION

The Administrator may at any time or times amend the Plan or any outstanding Award for any purpose which may at the time be permitted by applicable law, and may at any time terminate the Plan as to any future grants of Awards; *provided, however*, that except as otherwise expressly provided in the Plan or the applicable Award, the Administrator may not, without the Participant's consent, alter the terms of an Award so as to affect materially and adversely the Participant's rights under the Award, unless the Administrator expressly reserved the right to do so in the Plan or at the time the applicable Award was granted. Any amendments to the Plan will be conditioned upon stockholder approval only to the extent, if any, such approval is required by applicable law (including the Code) or stock exchange requirements, as determined by the Administrator. For the avoidance of doubt, without limiting the Administrator's rights hereunder, no adjustment to any Award pursuant to the terms of Section 7 or Section 12 will be treated as an amendment requiring a Participant's consent.

10. OTHER COMPENSATION ARRANGEMENTS

The existence of the Plan or the grant of any Award will not affect the right of the Company or any of its subsidiaries to grant any person bonuses or other compensation in addition to Awards under the Plan.

11. MISCELLANEOUS

(a) Waiver of Jury Trial. By accepting or being deemed to have accepted an Award under the Plan, each Participant waives (or will be deemed to have waived), to the maximum extent permitted under applicable law, any right to a trial by jury in any action, proceeding or counterclaim concerning any rights under the Plan or any Award, or under any amendment, waiver, consent, instrument, document or other agreement delivered or which in the future may be delivered in connection therewith, and agrees (or will be deemed to have agreed) that any such action, proceedings or counterclaim will be tried before a court and not before a jury. By accepting or being deemed to have accepted an Award under the Plan, each Participant certifies that no officer, representative, or attorney of the Company has represented, expressly or otherwise, that the Company would not, in the event of any action, proceeding or counterclaim, seek to enforce the foregoing waivers. Notwithstanding anything to the contrary in the Plan, nothing herein is to be construed as limiting the ability of the Company and a Participant to agree to submit any dispute arising under the terms of the Plan or any Award to binding arbitration or as limiting the ability of the Company to require any individual to agree to submit such disputes to binding arbitration as a condition of receiving an Award hereunder.

(b) Limitation of Liability. Notwithstanding anything to the contrary in the Plan or any Award, neither the Company, nor any of its subsidiaries, nor the Administrator, nor any person acting on behalf of the Company, any of its subsidiaries, or the Administrator, will be liable to any Participant, to any permitted transferee, to the estate or beneficiary of any Participant or any permitted transferee, or to any other person by reason of any acceleration of income, any additional tax, or any penalty, interest or other liability asserted by reason of the failure of an Award to satisfy the requirements of Section 422 or Section 409A or by reason of Section 4999 of the Code, or otherwise asserted with respect to any Award.

(c) Unfunded Plan. The Company's obligations under the Plan are unfunded, and no Participant will have any right to specific assets of the Company in respect of any Award. Participants will be general unsecured creditors of the Company with respect to any amounts due or payable under the Plan.

12. ESTABLISHMENT OF SUB-PLANS

The Administrator may at any time and from time to time (including before or after an Award is granted) establish, adopt, or revise any rules and regulations as it may deem necessary or advisable to administer the Plan for Participants based outside of the U.S. and/or subject to the laws of countries other than the U.S., including by establishing one or more sub-plans, supplements or appendices under the Plan or

any Award agreement for the purpose of complying or facilitating compliance with non-U.S. laws or taking advantage of tax favorable treatment or for any other legal or administrative reason determined by the Administrator. Any such sub-plan, supplement or appendix may contain, in each case, (i) such limitations on the Administrator's discretion under the Plan and (ii) such additional or different terms and conditions, as the Administrator deems necessary or desirable and will be deemed to be part of the Plan but will apply only to Participants within the group to which the sub-plan, supplement or appendix applies (as determined by the Administrator); *provided, however*, that no sub-plan, supplement or appendix, rule or regulation established pursuant to this provision shall increase Share Pool.

13. GOVERNING LAW

(a) Certain Requirements of Corporate Law. Awards and shares of Stock will be granted, issued and administered consistent with the requirements of applicable Delaware law relating to the issuance of stock and the consideration to be received therefor, and with the applicable requirements of the stock exchanges or other trading systems on which the Stock is listed or entered for trading, in each case as determined by the Administrator.

(b) Other Matters. Except as otherwise provided by the express terms of an Award agreement, under a sub-plan described in Section 12 or as provided in Section 13(a) above, the domestic substantive laws of the State of Delaware govern the provisions of the Plan and of Awards under the Plan and all claims or disputes arising out of or based upon the Plan or any Award under the Plan or relating to the subject matter hereof or thereof without giving effect to any choice or conflict of laws provision or rule that would cause the application of the domestic substantive laws of any other jurisdiction.

(c) Jurisdiction. Subject to Section 11(a) and except as may be expressly set forth in an Award agreement, by accepting (or being deemed to have accepted) an Award, each Participant agrees or will be deemed to have agreed to (i) submit irrevocably and unconditionally to the jurisdiction of the federal and state courts located within the geographic boundaries of the United States District Court for the District of Delaware for the purpose of any suit, action or other proceeding arising out of or based upon the Plan or any Award; (ii) not commence any suit, action or other proceeding arising out of or based upon the Plan or any Award, except in the federal and state courts located within the geographic boundaries of the United States District Court for the District of Delaware; and (iii) waive, and not assert, by way of motion as a defense or otherwise, in any such suit, action or proceeding, any claim that the Participant is not subject personally to the jurisdiction of the above-named courts that the Participant's property is exempt or immune from attachment or execution, that the suit, action or proceeding is brought in an inconvenient forum, that the venue of the suit, action or proceeding is improper or that the Plan or any Award or the subject matter thereof may not be enforced in or by such court.

For purposes of the Plan, the term “Administrator” will include the Board, the Compensation Committee, and the person or persons delegated authority under the Plan to the extent of such delegation, as applicable. “Cause”: In the case of any Participant who is party to an employment agreement that contains a definition of “Cause,” the definition set forth in such agreement applies with respect to such Participant for purposes of the Plan for so long as such agreement is in effect. In every other case, “Cause” means, as determined by the Administrator, termination of a Participant’s employment or other service because of: (i) the Participant’s being charged with a felony (or similar crime in a foreign jurisdiction) or crime of dishonesty or moral turpitude, (ii) insubordination, gross negligence or willful misconduct in the performance of the Participant’s duties, (iii) illegal use of controlled substances during the performance of the Participant’s duties or that adversely affects the reputation or best interests of the Company or any of its subsidiaries, (iv) the Participant’s commission of fraud, embezzlement, misappropriation of funds, breach of fiduciary duty or a material act of dishonesty against the Company or any of its subsidiaries, (v) material breach by the Participant of any written employment, non-competition, non-solicitation, confidentiality or

"Compensation Committee": The compensation committee of the Board.

"Covered Transaction": Any of (i) a consolidation, merger or similar transaction or series of related transactions, including a sale or other disposition of stock, in which the Company is not the surviving corporation or which results in the acquisition of all or substantially all of the Company's then outstanding common stock by a single person or entity or by a group of persons and/or entities acting in concert, (ii) a sale or transfer of all or substantially all the Company's assets, or (iii) a dissolution or liquidation of the Company. "Director": A member of the Board who is not an Employee.

"Disability": In the case of any Participant who is party to an employment, change of control or severance-benefit agreement that contains a definition of "Disability" (or a corollary term), the definition set forth in such agreement applies with respect to such Participant for purposes of the Plan for so long as such agreement is in effect. In every other case, "Disability" means, as determined by the Administrator, absence from work due to a disability for a period in excess of 90 days in any 12-month period that would entitle the Participant to receive benefits under the Company's long-term disability program as in effect from time to time (if the Participant were a participant in such program).

If a Participant's employment or other service relationship is with any subsidiary of the Company and that entity ceases to be a subsidiary of the Company, the Participant's Employment will be deemed to have terminated when the entity ceases to be a subsidiary of the Company unless the Participant transfers Employment to the Company or one of its remaining subsidiaries. Notwithstanding the foregoing, in construing the provisions of any Award relating to the payment of "nonqualified deferred compensation" (subject to Section 409A) upon a termination or cessation of Employment, references to termination or cessation of employment, separation from service, retirement or similar or correlative terms will be construed to require a "separation from service" (as that term is defined in Section 1.409A-1(h) of the Treasury Regulations, after giving effect to the presumptions contained therein) from the Company and from all other corporations and trades or businesses, if any, that would be treated as a single "service recipient" with the Company under Section 1.409A-1(h)(3) of the Treasury Regulations. The Company may, but need not, elect in writing, subject to the applicable limitations under Section 409A, any of the special elective rules prescribed in Section 1.409A-1(h) of the Treasury Regulations for purposes of determining whether a "separation from service" has occurred. Any such written election will be deemed a part of the Plan.

“Exchange Act”: The Securities Exchange Act of 1934, as amended.

“Fair Market Value”: As of a particular date, (i) the closing price for a share of Stock reported on the Nasdaq Global Stock Market (or any other national securities exchange on which the Stock is then listed) for that date or, if no closing price is reported for that date, the closing price on the immediately preceding date on which a closing price was reported or (ii) in the event that the Stock is not traded on a national securities exchange, the fair market value of a share of Stock determined by the Administrator consistent with the rules of Section 422 and Section 409A to the extent applicable.

“ISO”: A Stock Option intended to be an “incentive stock option” within the meaning of Section 422. **HILLMAN SOLUTIONS CORP.
2021 EMPLOYEE STOCK PURCHASE PLAN**

1. Defined Terms

Exhibit A, which is incorporated by reference, defines the terms used in the Plan and sets forth certain operational rules related to those terms.

2. Purpose of Plan

The Plan is intended to enable Eligible Employees to use payroll deductions to purchase shares of Stock in offerings under the Plan, and thereby acquire an interest in the Company. The Plan is intended to qualify as an “employee stock purchase plan” under Section 423 and to be exempt from the application and requirements of Section 409A of the Code, and is to be construed accordingly.

3. Options to Purchase Stock

Subject to adjustment pursuant to Section 16 of the Plan, the maximum aggregate number of shares of Stock available for purchase pursuant to the exercise of Options granted under the Plan will be 1,140,754 shares (the “**Initial Share Pool**”). The shares of Stock to be delivered upon exercise of Options under the Plan may be either shares of authorized but unissued Stock, treasury Stock, or previously issued Stock acquired by the Company. If any Option granted under the Plan expires or terminates for any reason without having been exercised in full or ceases for any reason to be exercisable in whole or in part, the unpurchased shares of Stock subject to such Option will not reduce the Share Pool and will again be available for purchase under the Plan. If, on an Exercise Date, the total number of shares of Stock that would otherwise be subject to Options granted under the Plan exceeds the number of shares then available in the Share Pool, the Administrator shall make a pro rata allocation of the shares remaining available for purchase under the Plan in as uniform a manner as is practicable and as it determines to be equitable. In such event, the Administrator shall notify each Participant of such reduction and of the effect on the Participant’s Options and may reduce the rate of a Participant’s payroll deductions, if necessary.

4. Eligibility

(a) *Eligibility Requirements.* Subject to Section 13 of the Plan, and the exceptions and limitations set forth in Section 4(b), Section 4(c), and Section 6 of the Plan, or as may be provided elsewhere in the Plan or in any sub-plan contemplated by Section 23, each Employee (i) who has been continuously employed by the Company or a Designated Subsidiary, as applicable, for a period of at least six (6) months as of the first day of an Option Period, (ii) whose customary Employment with the Company or a Designated Subsidiary, as applicable, is for more than five (5) months per calendar year, (iii) who customarily works twenty (20) hours or more per week, (iv) who is not a highly compensated employee (within the meaning of Section 414(q) of the Code) who is subject to the disclosure requirements of Section 16(a) of the Securities Exchange Act, and (v) who satisfies the requirements set forth in the Plan will be an Eligible Employee.

(b) *Five Percent Shareholders.* No Employee may be granted an Option under the Plan if, immediately after the Option is granted, the Employee would own (or pursuant to Section 424(d) of the Code would be deemed to own) stock possessing five percent (5%) or more of the total combined voting power or value of all classes of stock of the Company or of its Parent or Subsidiaries, if any.

(c) *Additional Requirements.* The Administrator may, for Option Periods that have not yet commenced, establish additional or other eligibility requirements, or amend the eligibility requirements set forth in subsection (a) above, in each case, consistent with the requirements of Section 423.

5. Option Periods

The Plan will generally be implemented by a series of separate offerings referred to as “**Option Periods**”. Unless otherwise determined by the Administrator, the Option Periods will be successive periods of approximately three (3) months commencing on the first payroll date in January, April, July, and October

of each year, anticipated to be on or around January 1 and April 1, July 1, and October 1, and ending approximately three months later on the last Business Day in March, June, September or December, as applicable, of each year, anticipated to be on or around March 31, June 30, September 30 and December 31. The last Business Day of each Option Period will be an “**Exercise Date**”. The Administrator may change the Exercise Date, the commencement date, the ending date and the duration of each Option Period, in each case, to the extent permitted by Section 423; *provided, however*, that no Option may be exercised after 27 months from its grant date.

6. Option Grant

Subject to the requirements and limitations set forth in Sections 4 and 10 of the Plan and the Maximum Share Limit, on the first day of an Option Period, each Participant will automatically be granted an Option to purchase shares of Stock on the Exercise Date; *provided, however*, that no Participant will be granted an Option under the Plan that permits the Participant’s right to purchase shares of Stock under the Plan and under all other employee stock purchase plans of the Company and its Parent and Subsidiaries, if any, to accrue at a rate that exceeds \$25,000 in Fair Market Value (or such other maximum as may be prescribed from time to time by the Code) for each calendar year during which any Option granted to such Participant is outstanding at any time, as determined in accordance with Section 423(b)(8) of the Code.

7. Method of Participation

(a) *Payroll Deduction and Participation Authorization.* To participate in an Option Period, an Eligible Employee must execute and deliver to the Administrator a payroll deduction and participation authorization form in accordance with the procedures prescribed by, and in a form acceptable to, the Administrator and, in so doing, the Eligible Employee will thereby become a Participant as of the first day of such Option Period. Such an Eligible Employee will remain a Participant with respect to subsequent Option Periods until his or her participation in the Plan is terminated as provided herein. Such payroll deduction and participation authorization must be delivered not later than 21 calendar days prior to the first day of an Option Period, or such other time as specified by the Administrator.

(b) *Changes to Payroll Deduction Authorization for Subsequent Option Periods.* A Participant’s payroll deduction authorization will remain in effect for subsequent Option Periods unless the Participant files a new authorization not later than 21 calendar days prior to the first day of the subsequent Option Period (or such other time as specified by the Administrator) or the Participant’s Option is cancelled pursuant to Section 13 or Section 14 of the Plan.

(c) *Changes to Payroll Deduction Authorization for Current Option Period.* During an Option Period, a Participant’s payroll deduction authorization may not be increased or decreased, except that a Participant may terminate his or her payroll deduction authorization by canceling his or her Option in accordance with Section 13 of the Plan.

(d) *Payroll Deduction Percentage.* Each payroll deduction authorization will authorize payroll deductions as a whole percentage from 1% to 15% of the employee’s Eligible Compensation per payroll period.

(e) *Payroll Deduction Account.* All payroll deductions made pursuant to this Section 7 will be credited to the Participant’s Account. Amounts credited to a Participant’s Account will not be required to be set aside in trust or otherwise segregated from the Company’s general assets.

8. Method of Payment

A Participant must pay for shares of Stock purchased under the Plan with accumulated payroll deductions credited to the Participant’s Account. Notwithstanding the foregoing or any provisions to the contrary in this Plan, the Company may (but is not required to) allow Participants to make other contributions under this Plan via cash, check, or other means instead of payroll deductions, and for any Option Period under Section 423 of the Code, the Company determines that such other contributions are permissible under Section 423 of the Code. Any such other contributions must be made in a manner, in an amount and by the deadline prescribed by the Company and, once made, shall be credited to the Participant’s Account.

9. Purchase Price

The Purchase Price of shares of Stock issued pursuant to the exercise of an Option on each Exercise Date will be eighty-five percent (85%) (or such greater percentage specified by the Administrator to the extent permitted under Section 423) of the Fair Market Value of a share of Stock on the date on which the Option is deemed exercised pursuant to Section 10 of the Plan (*i.e.*, the Exercise Date).

10. Exercise of Options

(a) *Purchase of Shares.* Subject to the limitations set forth in Section 6 of the Plan and this Section 10, with respect to each Option Period, on the applicable Exercise Date, each Participant will be deemed to have exercised his or her Option and the accumulated payroll deductions in the Participant's Account will be applied to purchase the greatest number of shares of Stock (rounded down to the nearest whole share) that can be purchased with such Account balance at the applicable Purchase Price; *provided, however*, that no more than 1,000 shares of Stock may be purchased by a Participant on any Exercise Date, or such lesser number as the Administrator may prescribe in accordance with Section 423 (the "**Maximum Share Limit**"). As soon as practicable thereafter, shares of Stock so purchased will be placed, in book-entry form, into a record keeping account in the name of the Participant. No fractional shares will be purchased pursuant to the exercise of an Option under the Plan; any accumulated payroll deductions in a Participant's Account that are not sufficient to purchase a whole share will be retained in the Participant's Account for the subsequent Option Period, subject to earlier withdrawal by the Participant as provided in Section 13 hereof.

(b) *Return of Account Balance.* Except as provided in Section 10(a) above with respect to fractional shares, any accumulated amount of payroll deductions in a Participant's Account for an Option Period that are not used for the purchase of shares of Stock, whether because of the Participant's withdrawal from participation in an Option Period or for any other reason, will be returned to the Participant (or his or her designated beneficiary or legal representative, as applicable), without interest, as soon as administratively practicable after such withdrawal or other event, as applicable. If the Participant's accumulated payroll deductions on the Exercise Date of an Option Period would otherwise enable the Participant to purchase shares of Stock in excess of the Maximum Share Limit or the maximum Fair Market Value set forth in Section 6 of the Plan, the excess of the amount of the accumulated payroll deductions over the aggregate Purchase Price of the shares of Stock actually purchased will be returned to the Participant, without interest, as soon as administratively practicable after such Exercise Date.

11. Interest

No interest will accrue or be payable on any amount held in the Account of any Participant.

12. Taxes

Payroll deductions will be made on an after-tax basis. The Administrator will have the right to make such provision as it deems necessary for, and may condition the exercise of an Option on, the satisfaction of its obligations to withhold federal, state, local income or other taxes incurred by reason of the purchase or disposition of shares of Stock under the Plan. In the Administrator's discretion and subject to applicable law, such tax obligations may be satisfied in whole or in part by delivery of shares of Stock to the Company, including shares of Stock purchased under the Plan, valued at Fair Market Value, but not in excess of the maximum withholding amount consistent with the award being subject to equity accounting treatment under the Accounting Rules.

13. Cancellation and Withdrawal

A Participant who has been granted an Option under the Plan may cancel all (but not less than all) of such Option and terminate his or her participation in the Plan by notice to the Administrator in accordance with the procedures prescribed by, and in a form acceptable to, the Administrator. To be effective with respect to an upcoming Exercise Date, such cancellation notice must be delivered not later than 21 calendar days prior to such Exercise Date (or such other time as specified by the Administrator). Upon such termination and cancellation, the balance in the Participant's Account will be returned to the Participant,

without interest, as soon as administratively practicable thereafter. For the avoidance of doubt, a Participant who reduces his or her withholding rate for a future Option Period to zero percent (0%) pursuant to Section 7 of the Plan will be deemed to have terminated his or her payroll deduction authorization and canceled his or her participation in the Plan as to such Option Period and all future Option Periods, unless the Participant delivers a new payroll deduction authorization for a subsequent Option Period in accordance with the rules of Section 7(b) of the Plan.

14. Termination of Employment; Death of Participant

Upon the termination of a Participant's employment with the Company or a Designated Subsidiary, as applicable, for any reason (including the death of a Participant during an Option Period prior to an Exercise Date) or in the event the Participant ceases to qualify as an Eligible Employee, the Participant will cease to be a Participant, any Option held by the Participant under the Plan will be canceled, the balance in the Participant's Account will be returned to the Participant (or his or her estate or designated beneficiary in the event of the Participant's death), without interest, as soon as administratively practicable thereafter, and the Participant will have no further rights under the Plan.

15. Equal Rights; Participant's Rights Not Transferable

All Participants granted Options in an offering under the Plan will have the same rights and privileges, consistent with the requirements set forth in Section 423. Any Option granted under the Plan will be exercisable during the Participant's lifetime only by him or her and may not be sold, pledged, assigned, or transferred in any manner. In the event any Participant violates or attempts to violate the terms of this Section 15, as determined by the Administrator in its sole discretion, any Options granted to the Participant under the Plan may be terminated by the Company and, upon the return to the Participant of the balance of his or her Account, without interest, all of the Participant's rights under the Plan will terminate.

16. Change in Capitalization; Corporate Transaction

(a) *Change in Capitalization.* In the event of a stock dividend, stock split or combination of shares (including a reverse stock split), recapitalization or other change in the Company's capital structure that constitutes an equity restructuring within the meaning of the Accounting Rules, the Administrator shall make appropriate adjustments to the aggregate number and type of shares of stock available under the Plan, the number and type of shares of stock granted under any outstanding Options, the maximum number and type of shares of stock purchasable under any outstanding Option, and/or the Purchase Price under any outstanding Option, in any case, in a manner that complies with Section 423.

(b) *Corporate Transaction.* In the event of a sale of all or substantially all of the Stock or a sale of all or substantially all of the assets of the Company, or a merger or similar transaction in which the Company is not the surviving corporation or that results in the acquisition of the Company by another person, the Administrator may, in its discretion, (i) if the Company is merged with or acquired by another corporation, provide that each outstanding Option will be assumed or exchanged for a substitute Option granted by the acquiror or successor corporation or by a parent or subsidiary of the acquiror or successor corporation, (ii) cancel each outstanding Option and return the balances in Participants' Accounts to the Participants, and/or (iii) pursuant to Section 18 of the Plan, terminate the Option Period on or before the date of the proposed sale, merger or similar transaction.

17. Administration

The Plan will be administered by the Administrator. The Administrator has discretionary authority, subject only to the express provisions of the Plan, to administer and interpret the Plan; to determine eligibility under the Plan; to prescribe forms, rules and procedures relating to the Plan; and to otherwise do all things necessary or desirable to carry out the purposes of the Plan. Determinations of the Administrator made with respect to the Plan are conclusive and bind all persons.

The Administrator may specify the manner in which the Company and/or Employees are to provide notices and forms under the Plan, and may require that such notices and forms be submitted electronically.

18. Amendment and Termination of Plan

(a) *Amendment.* The Administrator reserves the right at any time or times to amend the Plan to any extent and in any manner it may deem advisable; *provided, however*, that any amendment that would be treated as the adoption of a new plan for purposes of Section 423 will have no force or effect unless approved by the shareholders of the Company within twelve (12) months before or after its adoption.

(b) *Termination.* The Administrator reserves the right at any time or times to suspend or terminate the Plan. In connection therewith, the Administrator may provide, in its sole discretion, either that outstanding Options will be exercisable on the Exercise Date for the applicable Option Period or on such earlier date as the Administrator may specify (in which case such earlier date will be treated as the Exercise Date for the applicable Option Period), or that the balance of each Participant's Account will be returned to the Participant, without interest.

19. Approvals

Shareholder approval of the Plan will be obtained prior to the date that is twelve (12) months after the date of Board approval. In the event that the Plan has not been approved by the shareholders of the Company prior to [date]¹, all Options to purchase shares of Stock under the Plan will be cancelled and become null and void.

Notwithstanding anything herein to the contrary, the obligation of the Company to issue and deliver shares of Stock under the Plan will be subject to the approval required of any governmental authority in connection with the authorization, issuance, sale or transfer of such shares of Stock and to any requirements of any national securities exchange applicable thereto, and to compliance by the Company with other applicable legal requirements in effect from time to time.

20. Participants' Rights as Shareholders and Employees

A Participant will have no rights or privileges as a shareholder of the Company and will not receive any dividends in respect of any shares of Stock covered by an Option granted hereunder until such Option has been exercised, full payment has been made for such shares, and the shares have been issued to the Participant.

Nothing contained in the provisions of the Plan will be construed as giving to any Employee the right to be retained in the employ of the Company or any Designated Subsidiary or as interfering with the right of the Company or any Designated Subsidiary to discharge, promote, demote or otherwise re-assign any Employee from one position to another within the Company or any Designated Subsidiary at any time.

21. Restrictions on Transfer; Information Regarding Disqualifying Dispositions.

(a) *Restrictions on Transfer.* Shares of Stock purchased under the Plan may, in the discretion of the Administrator, be subject to a restriction prohibiting the transfer, sale, pledge or alienation of such shares of Stock by a Participant, other than by will or by the laws of descent and distribution, for such period following such purchase as may be determined by the Administrator.

(b) *Disqualifying Dispositions.* By electing to participate in the Plan, each Participant agrees to provide such information about any transfer of Stock acquired under the Plan that occurs within two years after the first day of the Option Period in which such Stock was acquired and within one year after the day such Stock was purchased as may be requested by the Company or any Designated Subsidiary in order to assist it in complying with applicable tax laws.

22. Miscellaneous

(a) *Waiver of Jury Trial.* By electing to participate in the Plan, each Participant waives (or will be deemed to have waived), to the maximum extent permitted under applicable law, any right to a trial by jury in any action, proceeding or counterclaim concerning any rights under the Plan or with respect to

¹ To be the first anniversary of the Board's approval of the Plan

any Option, or under any amendment, waiver, consent, instrument, document or other agreement delivered or which in the future may be delivered in connection therewith, and agrees (or will be deemed to have agreed) that any such action, proceedings or counterclaim will be tried before a court and not before a jury. By electing to participate in the Plan, each Participant certifies that no officer, representative, or attorney of the Company has represented, expressly or otherwise, that the Company would not, in the event of any action, proceeding or counterclaim, seek to enforce the foregoing waivers. Notwithstanding anything to the contrary in the Plan, nothing herein is to be construed as limiting the ability of the Company and a Participant to agree to submit any dispute arising under the terms of the Plan or in respect of any Option to binding arbitration or as limiting the ability of the Company to require any individual to agree to submit such disputes to binding arbitration as a condition of receiving an Option hereunder.

(b) *Limitation of Liability.* Notwithstanding anything to the contrary in the Plan, neither the Company, nor any of its subsidiaries, nor the Administrator, nor any person acting on behalf of the Company, any of its subsidiaries, or the Administrator, will be liable to any Participant, to any permitted transferee, to the estate or beneficiary of any Participant or any permitted transferee, or to any other person by reason of any acceleration of income, any additional tax, or any penalty, interest or other liability asserted by reason of the failure of the Plan or any Option to satisfy the requirements of Section 423, or otherwise asserted with respect to the Plan or any Option.

(c) *Unfunded Plan.* The Company's obligations under the Plan are unfunded, and no Participant will have any right to specific assets of the Company in respect of any Option. Participants will be general unsecured creditors of the Company with respect to any amounts due or payable under the Plan.

23. Establishment of Sub-Plans

Notwithstanding the foregoing or any provision of the Plan to the contrary, consistent with the requirements of Section 423, the Administrator may, in its sole discretion, amend the terms of the Plan, or an offering and/or provide for separate offerings under the Plan in order to, among other things, reflect the impact of local law outside of the United States as applied to one or more Eligible Employees of a Designated Subsidiary and may, where appropriate, establish one or more sub-plans to reflect such amended provisions.

24. Governing Law

(a) *Certain Requirements of Corporate Law.* Options and shares of Stock will be granted, issued and administered consistent with the requirements of applicable Delaware law relating to the issuance of stock and the consideration to be received therefor, and with the applicable requirements of the stock exchanges or other trading systems on which the Stock is listed or entered for trading, in each case as determined by the Administrator.

(b) *Other Matters.* Except as otherwise provided by the express terms of a sub-plan described in Section 23 or as provided in Section 24(a), the domestic substantive laws of the State of Delaware govern the provisions of the Plan and of Options under the Plan and all claims or disputes arising out of or based upon the Plan or any Option or relating to the subject matter hereof or thereof without giving effect to any choice or conflict of laws provision or rule that would cause the application of the domestic substantive laws of any other jurisdiction.

(c) *Jurisdiction.* By electing to participate in the Plan, each Participant agrees or will be deemed to have agreed to (i) submit irrevocably and unconditionally to the jurisdiction of the federal and state courts located within the geographic boundaries of the United States District Court for the District of Delaware for the purpose of any suit, action or other proceeding arising out of or based upon the Plan or any Option; (ii) not commence any suit, action or other proceeding arising out of or based upon the Plan or any Option, except in the federal and state courts located within the geographic boundaries of the United States District Court for the District of Delaware; and (iii) waive, and not assert, by way of motion as a defense or otherwise, in any such suit, action or proceeding, any claim that he or she is not subject personally to the jurisdiction of the above-named courts that his or her property is exempt or immune from attachment or execution, that the suit, action or proceeding is

brought in an inconvenient forum, that the venue of the suit, action or proceeding is improper or that the Plan or any Option or the subject matter thereof may not be enforced in or by such court.

25. Effective Date and Term

The Plan will become effective upon adoption of the Plan by the Board and no rights will be granted hereunder after the earliest to occur of (a) the Plan's termination by the Company, (b) the issuance of all shares of Stock available for issuance under the Plan or (c) the day before the 10-year anniversary of the date the Board approves the Plan.
